FROM EUROPE—BY THE CABLE.

LONDON, Oct. 25.—Great Britain, France and Italy have recognized the Spanish Government.

Dispatches received to-night from Madrid report that a junta in Seville has proclaimed the federal republic. Disturbances are broken out in Malaga and Granada, and troops have been despatched from Madrid to the latter place.

The Spanish fleet has concluded its personal cruise in South Lancashire. It is believed the ministerial party contemplate an overwhelming majority in the next House of Commons.

The Swedish Polar expedition has returned home, after penetrating to the 82d degree of latitude.

FLORENCE, Oct. 25.—A line of steamers between this city and New York will be run from Leghorn.

PARIS, Oct. 26.—Later Rio Janeiro advices state that the Brazilian Government troops had arrived at Monte video, leaving Mr. Washburne, the American Minister to Paraguay, at Assumpcion. Mr. Washburne protested against the outrage on the American legation at Asuncion by the Paraguayan 20 pounder battle been taken Fully noted under the author the American flag.

FROM NEW ORLEANS.

NEW ORLEANS, Oct. 26.—The city all day has been marked with occasional outbreaks in St. Bernard Parish, adjoining the Orleans, below the city. From the 1 o'clock brought to headquarters for the chief of police that a negro was shot in that parish, on the way. It is confidently expected that the road will be finished to Salt Lake this year.

FROM HAVANA.

HAVANA, Oct. 26.—Capt. Gen. Lersundi has received satisfactory news from Manzanillo. All the insurgent detachments have surrendered to the troops sent against them. The Spanish troops have dispersed the insurgents at Tunas but met with considerable resistance. Many of the insurgents were killed, and the rebels were scattered in all directions. The troops captured the cannon, flags, and the entire correspondence of the rebels. Many of the officers from the interior report that the greater part of the insurgents who have been but light and fled to this city. Partly this morning, 300 more fled from the rebels. Gen. Buchanan ordered a company of Marines to be ready to leave the Lake for the Cuba, to be dispatched another company of the First Infantry in the same direction, on the steamer Ella Morse, instructing the officers to report to Captain Jones, who commands the Cuba.

The rebels are sacking and robbing plantations in the vicinity of Manzanillo. The trouble,

ACCIDENT INSURANCE.—We have received the local agency of the Provident Life Insurance and Investment Company of Chicago Illinois. This company has, in the last eighteen months, paid over $50,000 losses, by which persons of almost every occupation of profession have received benefits, and the hearts of widows and orphans made glad. No other class of insurance is of equal value to the assured, providing, as it does, compensation for disabling injuries, and, at the same time, guaranteeing the wife and children provision in the future in case of death of the beloved husband and father. For particulars call at the Enterprise Office.

REMOVED.—Our young friend, Chas. Younghans, has rented and refitted the basement of Goodyear's Block, where he will be happy to receive all old and many new friends. Everything will be done to furnish our village with a first-class barber-shop. A competent barber, white, will be procured and customers will receive prompt attention. Charley merits encouragement—will he receive it.

NEW MUSIC.—Peters Parlor Companion for the Flute, Violin and Piano.—Peters Monthly Glee Hive, well filled with new music by the best authors. The U. S. Musical Review is also published by Mr. Peters, at N. Y. City. This is one of the largest music houses in the world, and can supply any piece published. Call at Mrs. Woodruff's News Depot and examine this music.

A NEW BOOK.—"Sunshine and Shadow in New York," by Matthew Hale Smith. In offering this work to the public, the Publishers gratulate themselves on having liberally supplied a want which has long been felt throughout the country. As the Metropolitan Centre of the United States, New York City reflects all the good and evil of the land in their most intense forms. To know New York well, is in a sense to know the whole country; and there is no wish, however often he visits New York, or indeed no matter how long he may have resided there, who cannot learn from others something valuable to know regarding the city and its mighty interests. The Book will be printed from new Electrotype Plates, on good paper, and will be appropriately illustrated with 12 Full Page Engravings. It will contain over 700 closely-printed Octavo Pages, and will be furnished to subscribers in neat and substantial binding at the following low prices, payable on delivery: Extra Fine English Cloth $3.00. This work can be obtained through our distributing agents, and will be sold by subscription. Address
