

LOCAL TEACHER RECEIVES EDUCATIONAL GRANT

Mr. Marvin Camburn, math teacher at the Manchester High School, has received a National Science Foundation Scholarship from the Federal Government.

Mr. Camburn will attend Montana State University at Missoula and will be engaged in the study of higher mathematics. At the end of four years he will be granted a Masters Degree in this field. The Grant provides for all educational expenses and living expenses for the Camburn family.

Mr. Camburn, his wife Joyce and son Eric will leave for Montana this next week. Classes will begin June 11th and will end August 17th. Mr. Camburn is a graduate of Albion College and has done graduate work at the University of Michigan in mathematics. He taught one year at Roscommon before coming to Manchester. He and his family will return to Manchester at the end of the summer. He will teach higher mathematics at the local high school and will also be Director of Athletics and coach baseball.

Mr. Ted Tapping, Supervising Principal of the three buildings housing kindergarten through eighth grade, will be a key figure as the citizens and staff members study the curriculum of our schools. Much work will be done in the areas of Science, Arithmetic, Social Studies and English.

NEW PARENT CONFERENCE SCHEDULE

Supervising Principal, Ted Tapping, has announced that parent conferences will be scheduled for all parents of children in grades K-8, through sixth grade next year. This will be a rotating schedule with one grade scheduled for each day. Mr. Tapping reports that the board favors this type of reporting and that there will be more parent-teacher visits during the following years. He states that the parent-teacher conference will not replace the report card but will supplement the information received by the parent about his individual child. The school is looking into the possibility of such conferences for higher grades. The scheduling of such conferences poses a problem as each child has several teachers and the teachers are teaching in more than one grade classification.

OUR SENIOR TRIP
by Pat Burkhardt

The trip originated on May 18th from the High School. We took a school bus to Toledo and boarded a train. The trip was a rough but enjoyable one, especially for those who had never been on a train.

In Washington, we boarded our air-conditioned bus and met our driver "Dick" who was to accompany us with Washington.

Our first tour was of the Capitol and then on to our hotel. Everyone was excited about the hotel and the rooms. We ate at Scholl's and everyone thought the food was grand. After a free afternoon, we toured the city by night. The most thrilling point was the Lincoln Memorial which gave chills to everyone upon entering. We then visited the Jefferson Memorial, the Washington Monument and the Wax Museum, with its startling life like figures.

The next day we visited the Shrine of the Immaculate Conception, the Zoo and the Warner Theatre. Our Teen Tours Guide, "Dave" was wonderful and very helpful to all of us.

Other points of interest were the Archives Building, Supreme Court, Congressional Library and the Smithsonian Institute. We rode through Arlington Cemetery and were thrilled at the changing of the Guards and the story of the Unknown Soldier. Mt. Vernon was a good example of how the pioneers of our country lived. A short tour of the White House was taken and afterward we saw the President and First Lady in a parade honoring foreign dignitaries. Everyone was impressed to be able to view these great persons.

The F.B.I. Building, Bureau of Printing and Engraving and the Washington National Cathedral were all interesting tours. The Russian Embassy was also toured by some of the class members. A boat trip up the Potomac and a visit to the Casino Royal were other events which kept us busy at night. Many were thrilled at being able to attend a night club.

The real reward of the trip was "Dick" our bus driver, telling us of his plans to have a flag, which had been flown over the Capitol, sent to our school. This, he explained, was a reward for our excellent conduct, while visiting Washington.

The trip was very successful and we gained much knowledge in seeing the famous sights which we have been learning about during past years.

NEW BUSES PURCHASED FOR LESS

Two new school buses were recently purchased from 19th Chevrolet for the total delivery price of \$7,400.00 each. These buses will be Blue Bird bodies mounted on Chevrolet chassis. Mr. Clarence Fielder, board transportation chairman, reported that this figure is well below the average paid for buses.

In comparing prior purchases in Manchester the price was the lowest yet recorded. An investigation indicated the following:

1956 price	\$7,700.00
1957 price	7,100.00
1958 price	6,300.00
1959 price	6,200.00
1960 price	5,740.00

Mr. Fielder pointed out two other items of interest, one being that the specifications have not been reduced, but rather improved. It was also pointed out that by accepting a bid seventeen dollars above low bid it made it possible to secure buses with more power and larger clutches than specified in minimum specifications.

P.T.A. OFFICERS INSTALLED

The May P.T.A. Meetings in both Manchester and Pleasant Lake were the scenes of installation of officers for the coming year.

Mrs. Leon Heimerdinger was installed as President of the Pleasant Lake P.T.A. She will replace Paul Boehler who has been President of the Association for the past two years. Mr. Paul Kappler was elected President of the Manchester P.T.A. He replaces Mr. Wendell Reinhart who has been President this last year. (A picture of Mr. Reinhart was not available).

MRS. LEON HEIMERDINGER
NEW P.T.A. PRES. AT PLEASANT LAKE

MR. PAUL BOEHLER
PAST PRESIDENT AT PLEASANT LAKE

MR. PAUL KAPPLER
NEW P.T.A. PRES. AT MANCHESTER

Recreation Program Starts Monday

The eight week summer recreation program for Manchester youngsters will begin Monday with activities at the junior and senior playgrounds.

This summer's program will include various playground activities, swimming trips to Wampers Lake, and swimming instruction.

Children between the ages of five and eight years are invited to the junior playground at the intermediate school grounds.

The hours will be from 9:00 to 11:30, Monday thru Friday, with Miss Mary Koebe supervising and Connie Knickerbocker and Theresa Roberts assisting.

Roger Harrison will head the activities at the senior playground. All children from nine to fifteen years old will be welcome to the playground activities at the athletic field. Mr. Harrison will be assisted by Mr. Fred Brown and the playground hours will be from 9:00 to 11:30 and 1:00 to 3:30, Monday thru Friday.

The swim trips will be made every Tuesday and Thursday afternoon. The bus will leave the athletic field for these trips at 1:00 p.m.

The county Red Cross will provide the swimming instruction one day each week with Bob Foiles as the instructor.

Swimmers are asked to get or share a basket for containing their clothes. The price for baskets is twenty-five cents each. cont. pg. five

Emanuel Church Host to Bloodmobile

Registration is beginning this week at Double A for the Manchester Red Cross Bloodmobile at Manchester Emanuel Church Hall from 2:00 to 8:00 p.m., June 22. Co-chairmen for the Double A committee are Mrs. James Baker and Irvin Gill. First to sign up are Lauren Leeson and Amanda Schaible, both of whom are going on their second gallon of donations to the local club.

Friday, June 22 is the date for the Bloodmobile this year. It is important that the area "bank" sufficient blood at this time to meet the year's requirements, approximately 150 pints. Individuals may also "bank" donations at this "open clinic" for other Red Cross affiliated chapters. Friends and neighbors of people who have used the facilities of the club may "bank" as a gift to the recipient, if they wish.

Pre-registration is recommended in order to determine the proper amount of equipment needed from the Detroit Regional for the clinic. There will be numerous opportunities to sign up between now and the 22 or you may call Mrs. Rolland Grossman, chairman-of-the-day. If you are unable to register in advance do not hesitate to come to the clinic anyway.

There is a slight change in the timebreak at this clinic. The hours are from 2:00 to 5:30 and 6:30 to 8:00. The Manchester School Club serves the Manchester School District, southwest Washtenaw County and the employees (and their families) of Double A.

"Bud" Guest To Speak Here

Rev. Densel Fuller to Return

Reverend Densel Fuller, pastor of Munising and Trenary Methodist Churches, will be the guest preacher at the 11:00 a.m. church service in the Manchester Methodist Church, Sunday June 17th.

Reverend Fuller will be attending the Detroit Annual Conference which is meeting this week in Adrian Methodist College. He will be ordained Local Elder Sunday afternoon at 3:00 p.m. This service is open to the public.

Reverend Fuller will return to Manchester for an open house and buffet luncheon which will be served during open house, Sunday from 7:00 through to 9:00 p.m. The public is invited to attend this open house given in honor of the Fuller family. Mr. and Mrs. Fuller lived in Manchester for a number of years and went into the ministry from here.

Incumtents Repeat in Board Election

Five hundred voters turned out for the school election Monday night and re-elected Bernard Kemner and Lo Ren Troiz as board members.

The four-mill operational levy was renewed for another year by an almost three to one vote.

Election officials were pleased with the number of interested citizens who were active voters.

Young GOP Invite Public

The Washtenaw County Young Republicans Club announces that the public is invited to attend an open meeting which will feature guest speaker Dr. Otto K. Engelke on Wednesday, June 20 at 8:00 p.m. at the Ann Arbor Public Library.

Reading Program Begins June 11

Fun and adventures in reading are in store for you again this summer. Manchester Township Library announces plans for a Summer Reading Program from June 11 through August 17 as follows:

- E.J. Division-for boys and girls grades 1-3.
 - O.J. Division-for boys and girls grades 4-6
 - Y.P. Division-for young people 7th grade and up.
- Rules: for E.J. and O.J.
1. A child participating in either of these divisions will register for the program at the Library.
 2. A record of the books as read will be kept at the Library on individual posters.
 3. When a child has read 12 books of his grade level, his name will appear on the Reading Honor Roll in the Manchester Enterprise the following week. A complete Honor Roll will be printed at the end of the program.
 4. Each child may take his poster home at the end of the program.
- Rules: for Y.P.
1. Students participating in the program will register at the Library.
 2. Only books from the "Selected Reading List" will be counted for reading credit. (Other books may be read, of course.)
 3. After 5 books from the Selected Reading List have been read the students name will appear on the Reading Honor Roll in the Manchester Enterprise the following week. A complete Honor Roll will be printed at the end of the program.
 4. Each student will be limited

Edgar A. "Bud" Guest, Jr., popular Detroit radio personality, will be the featured speaker at a reception to be held for Deoloris Richardson of Manchester on Saturday, June 30 at the Emanuel Church Hall.

The Manchester Chapter No. 101 O.E.S. is honoring Miss Richardson who was appointed Grand Counselor of the Grand Chapter of Michigan, Order of the Eastern Star.

The reception will be from 5:30 to 6:30 with a dinner to follow at 7:00. The public is welcome to attend and is asked to make reservations and remittance to Mrs. Willard Mann by Wednesday, June 20.

Calendar of Coming Events

METHODIST CHURCH-The WSCS regular meeting will be held June 20 at 1:00 p.m. at the church hall. The "Ecumenical Becomes Missionary" will be the topic. Chairman: Mrs. Jess Walter. Hostess: The Lydia Circle.

EUB CHURCH-The WSWS will meet June 21, at the church at 2:00 p.m. Devotional leader: Mrs. Roy Widmayer. Hostesses: Mrs. Edna Breitenwischer and Mrs. Cairence Voegeding. Project: Collection of Gold Bell gift stamps to be used for a coffee um.

The Starlight Circle will meet June 21, at 8:00 p.m. Hostess: Mrs. Norman Kothe. Devotional Leader: Mrs. Ray Ebersole. Project: Same as above with an exchange of favorite recipes. The Highlighters Class will meet at the church June 26. Hosts: Mr. and Mrs. Leonard Spiegelburg. The Children's Day program will be held Sunday morning, June 24.

MOMS Guests of Mrs. Roy Marx

The June 5th meeting of Moms of American Incorporated, Unit 48, was held at the home of Mrs. Roy Marx, with 15 members and one guest. Plans were made to attend the Carnival at the V.A. Hospital, at Battle Creek on June 21st, also our annual Tag Day, June 27th. All money we collect goes for V. A. Hospital work and needy families. Any mom wishing to help on Tag Day please get in touch with our President, Mrs. Jean England. No meeting or hospital visit in July.

Baby Girl for Townsends

Deborah Ann, to Mr. and Mrs. Leroy Townsends, 13860 Sheridan Rd., Manchester, at Herrick Memorial Hospital, June 7.

Elected to Red Cross Board

Mrs. Louis D. Vogel, Pleasant Lake Rd., was elected to the board of directors for the Washtenaw County Chapter of the American Red Cross, it was announced Friday.

Mrs. Vogel is the Freedom Township representative to the chapter. The chapter held its 45th annual meeting which included the election Thursday night in Ann Arbor.

Visitors Arrive

Week-end guests of Mr. and Mrs. Paul Feldkamp were Mr. and Mrs. Lauren Feldkamp and Susie from Upper Saddle River, N.J., and Mr. and Mrs. Austin Noll of Benton Harbor, and Mr. Mrs. Richard Noll, David and Lisa from Aurora, Illinois.

Local Girl Chosen

Miss Ann Walton, daughter of Mr. and Mrs. Tom Walton of Manchester, has been chosen as one of 71 area youths to take part in the fifth annual Michigan Chorale Tour through Europe.

Miss Walton is a recent graduate of Manchester High School. She was a member of the girls' chorus and the band. Her plans for the fall are to attend Western College for Women in Oxford, Ohio.

The Chorale is composed of high school seniors from southern Michigan selected on the basis of vocal talent, scholarship, and leadership ability. The youths will tour Europe attempting to promote a better understanding of America with their concerts. The group is directed by Lester McCoy.

Before departing on their eight week tour, the singers will perform Sunday, June 17 at 3:30 in the Lincoln Consolidated School. Departure is set for June 20 from the Metropolitan Airport, Detroit.

Coming Events

June meeting of the Manchester Community Chest Board will be at the Nellie Ackerson School, Thursday evening, June 21, at 8:00. Budget requests will be reviewed.

Manchester Area Red Cross Bloodmobile will be at the Emanuel Church Hall, June 22, from 2:00 until 5:30 and 6:30 to 8:00.

Baptized

Brenda Kay, daughter of Mr. and Mrs. Robert Rice of 318 Ann Arbor Rd., Manchester, was baptized Sunday, June 10, in the morning service in the Manchester Methodist Church by the Pastor, The Reverend Jesse D. Epps.

Maternal grandmother, Mrs. Richard Fink, stood up with the parents for the ceremony.

How's Your Sunburn?

Had your first case of sunburn yet this summer? If so, read on and find out how it happened. If not, read on and possibly pick up some pointers on how to avoid or minimize your first sunburn.

Actually, a good sunburn has little or no physiological value. But there is a therapeutic result in the sense of relaxation and well-being gained from basking in the warm sunshine, if it isn't overdone. An over-exposure to hot sun can cause burns, as almost everyone knows. Less known is the fact that continued over-exposure over a period of years can cause the skin to look weatherbeaten, wrinkled, leathery and coarse in texture.

Human skins vary a great deal in the amount of sun they can stand. Redheads, blondes, brunettes, blue-eyed, fair-skinned (and literally thin-skinned) people need to be especially wary of direct hot sunlight. Dark-skinned, dark-haired, dark-eyed persons have more immunity but not cont. pg. 13

Yard and Garden Notes

Don't cut your lawn too short this summer. Keeping the grass long prevents some weeds from germinating, helps smother others and keeps the turf in a much more healthy condition, say lawn specialists at Michigan State University.

Be careful when spraying trees, shrubs, flowers, vegetables or lawns. Many spray chemicals are also poisonous, say Michigan State University horticulture specialists. It is the responsibility of the home owner to store materials away from the reach of children and to follow directions carefully which are on the container.

More than 75,000 accidents happen with power lawn mowers each year in the United States. One of every seven results in permanent disability. According to agricultural safety specialists at Michigan State University, the blades of most rotary mowers are capable of hurling objects found in many lawns at speeds over 200 miles per hour.

There is no best way to grow garden vegetables. Like humans, plants can thrive under a wide range of various conditions.

A new 90-page bulletin "The Home Vegetable Garden" has been printed by Michigan State University to answer many of the commonly asked gardening questions.

Copies are available from county Extension offices or by writing the MSU Bulletin Office, East Lansing.

To keep a lawn attractively green during dry periods, it is important to water it thoroughly, say Michigan State University horticulturists. Water should penetrate to a depth of six to eight inches here the bulk of the grass roots are located.

STEER CLUB REVIEW

Young Niehaus will be Ready

Kenneth Lynn Niehaus and his steer "Sam" will be ready when fair time comes again.

Lynn is the eleven-year old son of Mr. and Mrs. Kenneth H. Niehaus of Eusades Rd. He is one of twenty-four Optimist Steer Club members, and he is a six-grader in the Manchester school.

The young cattleman received his steer, "Sam," at a weight of 420 pounds and has raised the animal until today it is a fine specimen of the Hereford breed.

L.V. Kirk, Manchester appliance dealer, is sponsoring the boy's steer.

It's in the Family

David Kirk is one of the three youngsters of Mr. and Mrs. Robert Kirk who are members of the Optimist Steer Club.

David's sisters, Maureen and Kathleen, are also preparing their steers for the community fair.

The Kirk family live on Schlews Road.

The boy has been very active with his steer, "Shorty," and he finds himself in a position which makes it rather easy to keep an eye on some of the com-

petition-namely, the steers of Maureen and Kathleen.

The Kirk boy is a twelve-year old eighth grader in the Manchester school.

Local oil dealer Erwin Huber is sponsoring the steer.

Steer Club Members Eye Fair

The twenty-four members of the Optimist Steer Club are already eagerly awaiting the 1962 Manchester Community Fair to be held from August 15 to August 18.

The group is sponsored by the Manchester Optimist Club. Its members, a 11 area youngsters, are entrusted with a steer financed through the Union Savings Bank with notes signed by the member and endorsed by one or two Optimists.

The young farmers receive their steers in November and raise the cattle for a ten month period climaxed with an exhibit and sale at the community fair. The profit from each steer goes to the boy or girl who raised and trained it.

Attends Graduation Exercises

Mrs. Sophie Hofhansian attended the graduating exercises at Troy High School, Troy, Michigan in honor of her granddaughter, Miss Linda Lonnie Smith. Following the ceremony a party was held in Miss Smith's honor at the home of Mr. and Mrs. Albert Fraser. Others who accompanied Mrs. Hofhansian were Mrs. Diruhi Kilicci, Mr. and Mrs. George McAttee of Grass Lake, and Mrs. John Hofhansian of Manchester.

Card of Thanks

We wish to express our sincere thanks to our friends, neighbors, and relatives, members of the Shakespeare Club and the Farm Bureau for the gifts, flowers, and cards we received for our fortieth wedding anniversary, which made it a very joyous occasion.

Paul and Hulda Feldkamp

Meeting

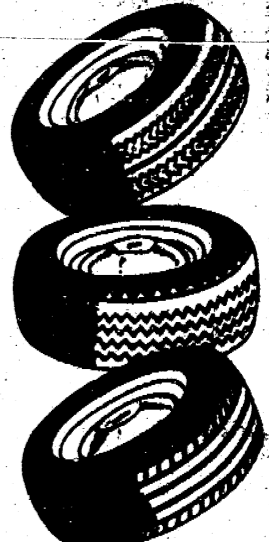

King's Daughters will meet on June 21, at 2:00 p.m. at the home of Mrs. Lowell Parr.

Local Girl Marries Tecumseh Airman

Miss Mary Catherine Fuller, daughter of Mr. and Mrs. Russell Fuller, and A/3c Douglas J. LeFevre, son of Mr. and Mrs. Joseph LeFevre, Tecumseh, exchanged vows Saturday morning at St. Elizabeth's Church in Tecumseh.

Father Thomas Collins performed the double ring ceremony.

The bride wore a gown of silk organza with a scoop neckline of re-embroidered lace and three quarter length sleeves. Her domed-shaped skirt was accented by lace motifs. She carried a white lace prayer book adorned with a white cattelga orchid.

Mrs. David Merillat served as matron of honor and Miss Audrey LeFevre, sister of the bridegroom, was bridesmaid. Mrs. Merillat and Miss LeFevre were both dressed in street length dresses of white lace over champagne taffeta. They carried arrangements of strelitzia.

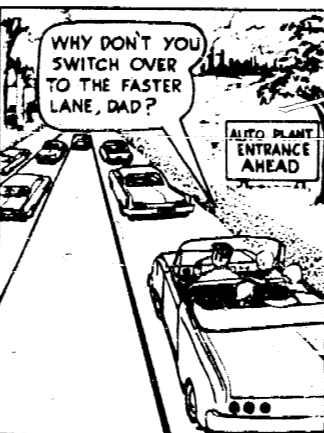

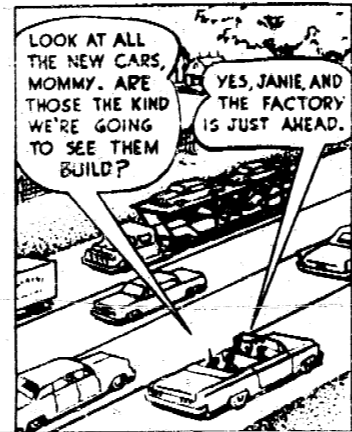

David Merillat was best man. Bruce LeFevre, brother of the bridegroom, and Richard Thomson, cousin of the bridegroom from Lena, Wisconsin, were the ushers.

The bride's mother chose a two-piece dress of blue silk shantung. The mother of the groom was dressed in brown and white nylon chiffon over taffeta. A reception followed the marriage in the V.F.W. Hall at Tecumseh.

The couple will tour northern Wisconsin and northern Michigan for their wedding trip. They will return to Oscoda where Mr. LeFevre is stationed with the U.S. Air Force.

Could it be HIGH BLOOD PRESSURE?

Many men - and women, too - are asking themselves this question.

If you think you have high blood pressure, see your doctor. Only he can tell.

Thanks to recent medical progress, most cases of high blood pressure can be controlled. The danger of heart damage and "stroke" can be reduced with the help of new drugs and surgery.

NEW HOPE FOR HEARTS THROUGH RESEARCH

For information about heart and blood vessel diseases write to:
MICHIGAN HEART ASSOCIATION
13100 Puzitan, Detroit 27, Michigan

Member: Michigan United Fund

Leroy Cummings

Local Boy Enlists

Leroy Cummings, 18, son of Mr. and Mrs. M.L. Cummings of 4492 Grossman Rd., enlisted recently in the U.S. Army.

Cummings, a member of the 1962 graduating class of Manchester High School, left Monday night from Detroit bound for Fort Knox, Kentucky.

Summer

Permit forms for all recreational activities will be issued during the first days of the program.

The forms must be signed by the parents of the children and returned to the proper supervisor. Those planning to attend the first swimming trip on Tuesday, June 19 must have their permits in by that day.

Sunburn?

Complete immunity from sunburn. The time of day of exposure is important. The burning ultra-violet is most intense from 11 a.m. to 2 p.m. No sunburn is likely before 8 a.m. and after 4 p.m. High noon is the hottest time of the day for sunburn.

The suntan pills, used under medical supervision and obtained by prescription, can help "easy burners" be better protected against painful burn while acquiring a tan. They are not for self-dosage.

If you do get sunburned, treat it as you would any other burn. Use soothing lotions to ease the pain. If the burn is unusually intense, see a doctor.

Miss Jacque Swank

Awaits Girls State

Miss Jacque Swank, daughter of Mrs. George Swank, is busily preparing for the 22nd annual Girls State to be held on the campus of the University of Michigan in Ann Arbor from June 19 to June 28.

Miss Swank was selected to be the Manchester delegate. She will be sponsored by the Manchester American Legion Auxiliary, Emil Jacob Post 117.

Miss Swank will be a senior at Manchester High School in the fall. She was active in the student council during the past year.

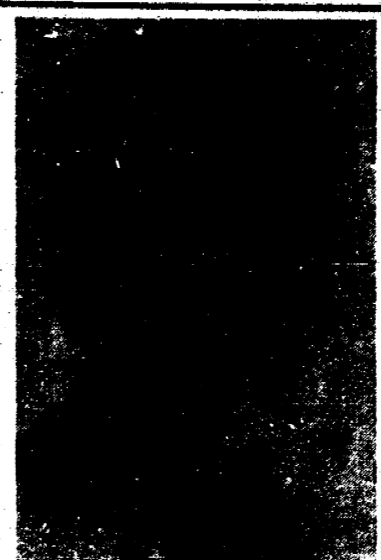

The annual event will be attended by 420 high school girls, its purpose is to acquaint the girls with the democratic principles of government. The affair is promoted by the American Legion Auxiliary.

Summer Reading

A Summer Story Hour also will be held again this summer, at the library from June 27 through August 15, Wednesday afternoons from 2:00 to 3:00. More information will be announced about this later.

WANTED MAN OR WOMAN SPARE TIME

Miss Sandra Kae Trolz

Manchester Girl Wins Scholarship

Miss Sandra Kae Trolz of Manchester was recently awarded the Rho Delta Phi alumnae Scholarship in Jackson.

Miss Trolz is the daughter of Mrs. Marvel Trolz.

The scholarship was presented for the 1962-63 school year. The recipient is attending Jackson Junior College and is secretary of the scholarship sponsoring organization. She is a 1961 graduate of Manchester High School.

Heart Association Advises

With Memorial Day just past, summer vacations are probably the number one item in the plans of most people. And while planning destinations and routes, Dr. Muir Clapper, President of the Michigan Heart Association, advises another kind of planning as well. Because many persons desire a "change of pace" during the vacation, they are easily tempted to overdo physical activity, especially if a desk and chair are major parts of the normal work scene. Dr. Clapper suggests that a few, simple things can be done to help assure a fun vacation, to "beat the heat," and at the same time guard your heart and health.

Turning athlete on vacation or summer weekends may put a burden on your heart, particularly if you're a desk worker or over forty or both. When planning a vacation that includes moderate or vigorous exercise, such as climbing mountains or playing tennis, begin long ahead of your departure to tone up your body bit by bit with increasing amounts of exercise. If you can't find time for building up beforehand, then you should consider substituting these plans for a less demanding vacation. Best of all, acquire

the habit of taking moderate week-in and week-out. For most people moderate exercise is considered good for the heart and blood vessels.

Planning a trip should begin well in advance so that you leave things in order at home and don't carry worries and tensions with you. If possible, make travel arrangements ahead of time. Suit them to your health and your wishes. If you are due for a physical checkup, have it before you go.

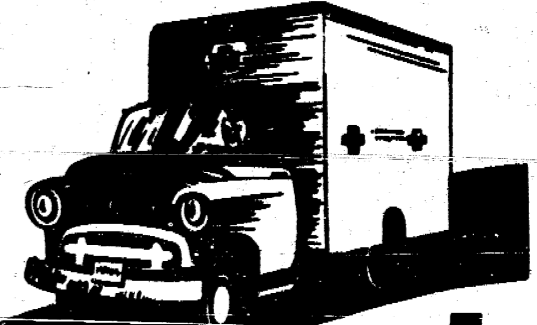

It is advisable to start out early in the morning, to avoid travel in the hottest part of the day. And take it easy!

When you are traveling, whether by car or bus, plane or train, try to do a little walking or stretching every half hour or so. The change from sitting is good for the circulatory system.

All persons on a special diet because of a heart condition, should contact their physicians about any changes for summer weather. Dr. Clapper pointed out.

The Michigan Heart Association, member of the Michigan United Fund, is supported by Michigan citizen's contributions to local united funds and community chests.

Spring is Garden Time for 4-H'ers

Well-thumbed pages of the seed catalog are among the first signs of spring in 4-H homes across the state where young gardeners abound. Whether it's cabbages or roses they hope to grow, the budding horticulturists all share the same enthusiasm.

The number of ambitious gardeners this year should reach well over 261,000, predicts the National 4-H Service Committee. The estimate is based on 1961 figures supplied by the state 4-H Club offices.

The 4-H garden award pro-

gram, supervised by the Cooperative Extension Service and supported for the last 17 years by the Farm Equipment Division of Allis-Chalmers, is open to boys and girls from 10 to 21 years old enrolled in a 4-H Club.

Gain Know-How and Cash
Experience gained in the project adds to the business know-how of the "learner" and in many cases adds to the bank account as well. It was pointed out. Profits from roadside stands, selling directly to the local grocer or door-to-door customers have aided countless youngsters in a variety of endeavors.

Vegetables grown for the dinner table or flowers raised to beautify the home have added

immeasurably to mutual family benefit and enjoyment, according to the 4-H garden records. Future careers often open up to the young people who have worked with garden projects over a long period. For example, Jerry Unruh, who will enter Kansas State University next fall, plans to major in horticulture. He not only has raised prize-winning vegetables, but has put aside earnings to help meet college expenses.

Gardening is Popular
National champions Carolyn Garrison, who was among the 9,000 Lone Star Staters carrying a garden project last year, and Donald Weeks, a Purdue University junior, one of more than 9,400 Hoosier gardeners, are

They Grow 'em and Sell 'em

FRESH VEGETABLES GROWN BY 4-H CLUB MEMBERS

Pictured here (from left) are 4-H'ers Donald Weeks, 20, of Terre Haute, Ind., Carolyn Garrison, 18, of Silverton, Tex., and Jerry Unruh, 17, of Galva, Kans. This trio can't be fooled when it comes to quality and freshness because they are 1961 national 4-H garden champions and recipients of Allis-Chalmers 4-H garden scholarships. They have a combined total of 28 years of 4-H membership.

ter where they live. Weeks lives just outside Terre Haute on a 3 1/2 acre farm, while Miss Garrison lives on a sprawling 850 acre Texas ranch.

Again, this year, Allis-Chalmers will provide up to four garden medals for first place county winners; a state winner all-expense trip to the

week-long National 4-H Club Congress held in Chicago right after Thanksgiving; and eight \$400 college scholarships.

Winners will be named by the Cooperative Extension Service, and awards distributed through the National 4-H Service Committee.

Let's Have a Jam Session

With summer fresh fruits on the way it's time now to plan for a jam session so that you may enjoy the summer goodness all through the winter. What is more delicious than homemade strawberry jam and how colorful it can be if the natural red is preserved. To be sure of this use Fruit-Fresh, the ascorbic acid mixture in your jam recipes, and your results will be assured.

FROZEN STRAWBERRY JAM
1 quart strawberries, washed and hulled
4 cups sugar
2 tablespoons Fruit-Fresh (ascorbic acid mixture)

Place strawberries in a large saucepan. Add sugar and Fruit-Fresh (ascorbic acid mixture). Place over low heat and stir until sugar melts. Continue cooking 20 minutes, stirring occasionally. Remove from heat; turn into freezing container. Seal, label and freeze. Makes 1 1/2 pints jam.

Legal Notices

No. 1D-590
IN THE CIRCUIT COURT FOR THE COUNTY OF WASHTENAW

Saline Savings Bank, a Michigan Banking Corporation, Plaintiff vs. Richard D. Foster and Norma C. Foster, Defendants

CHANCERY SALE

In pursuance and by virtue of a decree of the circuit court for the County of Washtenaw, State of Michigan, in chancery made and entered on the 8th day of May, 1962 in a certain cause therein pending, wherein Saline Savings Bank, a Michigan Banking Corporation of Saline, Michigan, is plaintiff and Richard D. Foster and Norma C. Foster are defendants, notice is hereby given that I shall sell at public auction to the highest bidder at the south door of the County Building in the City of Ann Arbor, County of Washtenaw, State of Michigan (that being the building in which the Circuit Court for the County of Washtenaw is held) on the Thursday, September 13, 1962 at ten o'clock in the forenoon, EST on said day, the following described property to-wit:

Commencing at a point in the north and south quarter line of Section Number 28, town three south, range seven east, 474.68 feet southerly from the north quarter post on said section; thence easterly deflecting 99 degrees 40' to the left 361.58 feet to the centerline of Whitaker Road; thence southerly deflecting 97 degrees 28' 33" to the right along the center line of Whitaker Rd. 125.0 feet; thence westerly deflecting 82 degrees 31' 30" to the right 386.43 feet to the north and south quarter line; thence northerly in said quarter line 125.72 feet to the place of beginning, being a part of the west half of the north east quarter of section number 28 Ypsilanti Township, Washtenaw County, Michigan, the acreage 33.0 feet in width of the land described above is subject to the rights of the public for highway purposes.

This sale is for the purpose of foreclosing a certain mortgage.

Bloodmobile Here Today

Manchester area will have the opportunity Friday, June 22, to put its Community Red Cross Blood Club in good standing with the Regional Red Cross Bank. The Bloodmobile will be at the Emanuel Church Hall from 2:00 to 5:30 and 6:30 to 8:00 p.m., to serve the public. It is an "open clinic" and can therefore take donations for other official Red Cross Blood Clubs where ever they are. Credits will be transferred automatically upon request.

Due to exceptional demands the Manchester Club has served five fifteen-pint-or-more cases in the last six months. Consequently the local bank is two pints in debt to the regional bank at this time. The last Bloodmobile in Manchester was August 23, 1961 with a small attendance and 55 pints donated. Since that time the club has assisted 12 individuals with 93 pints of blood.

Individual donors may give their blood for patients who have received blood from the club, if they wish this is a neighborly gesture that some people prefer to use. These are the people the family would have had to call upon, had there been no blood bank to take care of the situation at the time. The usual demand from the club comes to approximately 100 to 150 pints per year. That many donors are greatly needed at this time.

Most adults between the ages of 18 and 60 can give. If it is not possible to make a reservation with Mrs. Rolland Grossman, Chairman-of-the-day (GA. 8-2311) or any other member of the Releasing Committee, come anyway during the hours designated. The committee anticipates that the most crowded part of the day will be from 4:30 to 5:30 to handle the Double A donors. (Releasing Committee: Mrs. F.M. Reck, GA. 8-4491; Mrs. Robert Huber, GA. 8-3561; Mrs. S.G. Roesch, GA. 8-9711; Mrs. Rolland Grossman.)

Reception June 30

The reception honoring Mrs. Dealoris Richardson of Manchester will be held Saturday, June 30 at the Emanuel Church Hall. The Manchester Chapter No. 101 O.E.S. will host the tribute which is open to the public and will feature Edgar A. "Bud" Guest, Jr. as speaker. The reception will be from 5:30 to 6:30 with a dinner to follow at 7:00.

The Manchester Ward

Mr. and Mrs. Curtis Day of 128 Torrey St. became the parents of a nine pound, one ounce baby boy on Monday, June 4. The new son was named Anthony Curtis. Grandparents are Mr. and Mrs. Ben Evislizer, Jr. of Manchester. A seven pound, eight ounce baby girl, Marilyn Kay, was born to Mr. and Mrs. Eugene Walter of Boetger Rd. on Wednesday, June 6. Grandparents are Mr. and Mrs. Jay Hill of Ypsilanti. Mrs. Hazel Alber of 311 W. Main was discharged from Herrick Memorial Hospital in Tecumseh on Friday, June 15.

Moved by Pippenger and supported by Wurster that we adjourn; Carried. L.A. Marx, Clerk

Degree Received by David Boutell

David G. Boutell of Ann Arbor, son of Mr. and Mrs. Dan J. Boutell, received a B.S. degree for electrical engineering at the University of Michigan, Saturday. Mrs. Barbara Boutell held an open house in honor of her husband following the exercises. Guests attending from Manchester were Mr. and Mrs. Dan Boutell, Martha, and John England Mr. and James Pratt and family, Mr. and Mrs. Roger Pratt and Tommy, Mrs. Ruth Kulenkamp. Other guests were from Ann Arbor and Tawas City. Mr. Boutell plans to attend Wayne State University law school this fall.

Angry Winds Upset Area

The Manchester area was the victim of winds estimated up to 60 miles per hour Monday night. The winds accompanied a rain-storm which struck the vicinity about 6 o'clock. The most damage came to the property of Mrs. Albina Agosti and George Merriman. Mrs. Agosti had a barn flattened on her Buss Road farm by the winds. Merriman saw his sheep shed on Lamb Road lowered.

Other damage resulted in several fallen trees. Oak trees were down across Lamb Road and Buss Road prohibiting pas-

sage. A tree fell onto Noggles Road but traffic could travel around the obstacle. A moving car was "ambushed" by falling willows on West Austin Road near the Wilbur Frey farm. The car was traveling and a willow fell ahead of it blocking the route. Attempting to back-up, the driver was halted as several more willows dropped.

Help came and the trees were moved so that the driver could proceed. The largest number of trees fell along Austin Road, the ma-

ority falling away from the road. Three trees were reported down within the village. The 400 block of East Duncan was the scene of some damage which occurred when a large tree fell across the street and snapped a telephone pole in the process. Several lines were disconnected. The other trees fell on Auburn St. and by Washington St.

Emergency work done by the county road commission and the village street department removed the route-blocking trees within a short period of time.

Entry Deadline Advanced

Since the Michigan State Fair will open earlier this year, the entry deadline for agriculture and livestock has been advanced to July 30. The 1962 State Fair will run from August 24 through September 3. Walter Goodman, general manager of the fair, advises all entries to be in as soon as possible to avoid being closed out because of lack of space. Premium books and entry blanks have already been mailed to past exhibitors. New exhibitors may obtain these materials by writing to the Agriculture Entry Office, Michigan State Fair, Detroit 3, Michigan.

Meeting Held

June 4, 1962 meeting of the Townline Workers was called to order after we had had a demonstration of lamb handling, clipping and carding by two of our members, Arthur Haeussler and Gail Girbachand. Mr. Burmeister gave a demonstration of dairy judging. All members were present and we welcomed a new member, Marvin Meyer. Mrs. Burmeister passed out tickets for the Chicken Bar-Beque at the Farm Council Site on June 17. Refreshments were served by Wayne Luckhardt, Wayne McCalla and Roger Weidemayer. The next meeting will be held at the Arman Haeussler home with a discussion on care of fat lambs on July 2. Peter Haeussler, Reporter
