Pan-Hellenic Council Again Becomes Active on Campus

At a meeting of the Pan-Hellenic council called by the president, Elizabeth Taylor, Chi Omega, on Tuesday, the members discussed the difficulties and successes of rushing this fall and how a still more successful season can be achieved next year.

Last year and so far this year, meetings have been held at irregular intervals whenever there was business to be transacted. As a part of the new progressive program undertaken by the present council, meetings will be held the first Wednesday in each month at 5 o'clock in the Union building. The business of these meetings is as yet uncertain and will be determined largely by the occasion, but projects certain to be undertaken are those of establishing the relationship of our local Pan-Hellenic council to the national organization, of attempting to become familiar with the ideals, plans and suggestions of the national Pan-Hellenic, and of practicing those policies in rushing and interfraternal relationships on our campus.

The purpose of the Pan-Hellenic council is to promote a spirit of cooperation among the societies, and to assist the novice in finding the society where both parties concerned will be the most satisfied. With this purpose in mind this year's rushing season was viewed in its entirety, and was found to be very commendable. Each society lived up to the spirit as well as the rules of rushing. One difficulty encountered was in the matter of the time of sending out the preference slips.

This was noticeable where Lansing and East Lansing girls had to be reached through the mails in the same amount of time as the girls in the dormitories. In a number of cases the preference slips were delayed and as a result the bids were not at their destination in time for informal pledging.

The difficulty seems to lie in the fact that the arrangement of the law-yers has been merely temporary. To remedy this situation a committee was appointed to investigate and secure permanent lawyers who will handle the preference slips and bids from year to year, and thus will come to understand the system and avoid any future delays.

Class Rush and Union Party Are Attractions of Week End

Class rush held paramount importance in the past week-end events. Freshmen and sophomores fought first on the old athletic field and the Red Cedar, and finally went to the drill field for the flag battle. Once again the newest class carried the morning's victory. With the sophs antagonizing surveillance and the red bills of warning, interest in the rush was keyed to high pitch. Fraternities and the Union staged parties Saturday, but nothing filled Friday night. The down town Amory, Palmer Park, and the Lansing theaters had their share of entertaining for that evening.

Bob Draper's band again played for the Union dance. Clusters of balloons and the pennants of State's football opponents decorated the ball room. Miss Mabel MacPherson of Kelli's circuit gave two feature drag dances.

Delta Sigma Phi departed from the usual custom of open houses in holding a dinner dance. Mr. and Mrs. Miles Casteel acted as patrons, and the Blackhawk orchestra played.

Leonard Gillies and His Boy Friends furnished music for Lambda Chi Alpha open house. At this party Mr. and Mrs. Foster Lyman and Prof. and Mrs. Kelley chaperoned.

The Delphi fraternity had special dances at their open house. Out of town guests included Robert Hunt and Ruth Hunt from St. Johns; Mr. C. W. Smith, Albion; Mr. C. R. Blatchford, Brighton; Mr. C. A. Brinkard, Chicago; and Mr. F. M. Cawood, Mt. Clemens. Patrons and patronesses were Mrs. R. Larson and her daughter, Katherine, and Mr. and Mrs. R. M. Morrish. The orchestra in charge was the Spartan Sextette.

Gamma Kappa Sorority held a formal pledging service for the following girls: Sunday afternoon, Dorothy French of Albion, Isabelle King, Clarkston; Viva Reinhardt, Howell; and Jeanette Trasehoff, Lansing.

Alpha Chi pledges are giving a dance on the afternoon of October 22 for the pledges of the other societies. The fall term party will be held at the house on the same evening. The Spartan Sextet will furnish the music, and the patrons will be Mrs. Mohr, Mr. and Mrs. Durk.

Phi Delta Sigma announces the pledging of Horace Craig, Harry Pinner, Donald Campbell, Leonard Rasmussen, Jack Gibson, and Charles Roberts of Detroit; Roy Sample, Royal Oak; Orlando Russell, Grand Rapids; Allan Keyes, Ypsilanti; Earlfield Tharbor, Jackson; Claude Strub, Birmingham; Alan Wright and Fred Cameron, Lansing; Donald Moldo, Alma.

E. C. Totten spent the week-end in Detroit. Florence Nugent was visited by her brother, Oris Nugent, from Mt. Clemens Sunday.

Blanche Smith entertained her parents, Mr. and Mrs. P. L. Smith of Mulliken last week-end.

Mrs. T. E. Morse spent the week-end with her daughter, Miss Gladys Morse, at the Sigma Kappa house.

Mr. and Mrs. R. L. Fox and daughter Arlene visited the Misses Kathleen and Marie Fox last week-end.

The Sigma Alpha Epsilon house had as guests over the week-end, Bob Crane of Grand Rapids and Perry Freeman of Pontiac.

Guests of Dora Anderson at the Eta Alpha house Sunday were her parents, Mr. and Mrs. W. G. Anderson, and Ruth Miller and Cora Lane of Mt. Pleasant.

STATE BOWS BEFORE IOWAN'S RUNNING AND AERIAL ATTACK

Annual Letdown Following Michigan Game Experienced.

WIND STARTS CORNELL

Deacon and McCosh Excell in Offense and Defense Saturday.

A valiant purple and white clad football team came out of the west Saturday to meet Michigan State's Spartans and to ultimately throw them back in defeat, the second of the year. Cornell College of Iowa passed, kicked, ran and fought its way to a thrilling 19 to 13 victory over Coach Young's green sweatered gridlers and returned to the west with the plaudits of the fans ringing in its ears.

It was not contrary to form for State to experience its annual letdown following the Michigan game but Cornell presented a team that would not be stopped under any condition. The Cornhuskers were as smart a football team as the Spartans have ever faced. They were faster than the best that State could put against them and their forward passing combination, Crabtree, Cook and Crabtree to Captain Wilson spelled defeat for State. The first combination accounted for Cornell's first two touchdowns, and the other combination was directly responsible for the third and final marker that beat State.

The invaders did not wait until the usual last period rally to show its forward pass attack. After Chet Smith had kicked off to Cornell, quarterback Scott called for a succession of passes that soon wrought havoc with the State secondary defense. The majority of the heaves were short but the receiver was always clear for a substantial gain. Cook, Cornell, right half, went over twice in the first period after nailing short heaves from Crabtree. Crabtree's passes were perfect, eleven consecutive passing being completed by this stellar back. Crabtree not only contemplated in a passing role but as a ball carrier he slid off the State tackles for substantial gains.

SCHEDULE BOWLING MEETS ON INTRA-MURAL PROGRAM

The intra-mural bowling activities are scheduled to start on the nineteenth or twentieth of this month. Many of the teams have started practicing and the tournament is expected to be a close one.

The freshmen girls seem to have the edge over the upperclass girls in the regular Tuesday and Saturday bowling classes. High score of last week was made by Miss Smith, freshman, with a score of 125.

Despite his recent illness, President Kenyon L. Butterfield is again bowling his regular game at the Rainbow Recreation parlors.

Michigan was also used to good advantage in off tackle plays.

Cornell had the advantage of a stiff wind in its favor in the first period. This proved to be a great disadvantage to State but the main disadvantage was the half-hearted tackling and blocking that the Spartans backs and line offered to the ball carriers.

With Jim McCosh in the backfield in the third period, State hopes took a sudden rise. This back played a great defensive game, getting more than half of the tackles on both sides of the line besides carrying the ball for long gains. Deacon who was also injected into the game in the second half played a good offensive game but the efforts of these two Spartans could not discount the speed and daring of the Iowans.

State scored two touchdowns in the second half by using straight football. McCosh, Smith and Deacon, smashed their way for 60 yards for one touchdown while the other came late in the half when Deacon smashed over from the one yard line after Max Crull had scored a 25-yard pass from Captain Smith.

Cornell was not only fast and played intelligent football but was also tricky. On the first play Cornell used the old pass play on the kickoff and Crabtree got loose around Hornbeck to carry the ball past mid field. Just previous to the first touchdown the Spartans held the onslaught to the goal line on the 20 yard line and Crabtree changed to a kicking shoe. Instead of kicking he caught the State back field fumbled and tossed a pass to Johnson for the touchdown.

State may beat Detroit in the Homecoming game in two weeks, but if that does happen it will be after the Spartan coaches have hit upon a combination that can carry a sustained attack to the goal line and also stem an enemy forward pass attack. The tackles and ends were extremely weak in the Cornell game, but the return of Joslyn to the game should bolster up the line to the desired standard. The coaches have two weeks to find this combination and to let the Green and White athletes think over their mistakes of the past week, as an open date is on the Spartan schedule for this coming Saturday.

The DOPE FIEND

By Henry Wylie

Well, well, Indiana plays Minnesota to a tie score. Of all the upsets which occurred Saturday this was the biggest. Minnesota has been picked as the potential conference champion and Indiana, usually close to the bottom at the end of the season, ties them. Can it be that Indiana will be the dark horse in the conference this year. Stranger things than that have happened we will admit, and perhaps the age of miracles is not yet over, anyway time will tell.

Michigan trims Wisconsin 14 to 0. It begins to look as though the best way to predict who will lead the Conference this year would be to write each contender's name on a slip of paper, put them in a hat and then draw one. All suggestions as to a better method will be gladly received.

Spectators at the game Saturday were fortunate to see two punts of the kind that we read about but seldom see. Capt. Smith was the propelling agent and both times the ball traveled an estimated distance of 62 yards, as the hunters say, on the fly.

That reminds us, the pleasant season will open soon. The fraternity meet all will go down, the absence will go up and the thought of classes will be a mere detail for the five days that the season is open. It is rumored that a certain fraternity has set up a shooting gallery on their top deck and every man is required to practice one hour daily.

Touchdowns: Cook 2, McGrath, Smith, Deacon. Points after touchdowns: Crabtree, Smith, Stephenson, Erickson for Cook; Grimes for C. Smith; McCosh for Kurrie; Deacon for Wilson; Drow for Hornbeck; Crull for Christenson.

WILMARTH SETS RECORD AMONG NOVICE HARRIERS

T. E. Wilmarth running his first cross country race set a new record for the novice run Saturday. His time for the three and one-half miles was 19 min. 27 sec., breaking the old novice record of 19 min. 35 sec. made by Wylie in 1925. He was closely pressed by Clark, Crow, Trap, Hanlon, and Dowl, Dowl was the first freshman to finish.

The first fifteen men finished as follows: T. E. Wilmarth, M. G. Clark, I. S. Crow, H. W. Trap, W. B. Hanlon, L. R. Dowl, R. C. Maples, Nels Hanson, J. J. Case, A. E. Martell, W. H. Perrine, L. J. Wall, C. M. Pierce, Nathan Brewer and D. E. Baldwin.

All varsity candidates made good time and it is quite likely that some of them will gain a place with the first string team. The track was in good condition and the weather ideal. The race was run during the class rush and the spectators were able to see both events.

SPECIAL PRIVILEGES GIVEN CO-EDS FOR MUSIC PROGRAMS

Special permission and late privileges are granted to all coeds for all the concerts given on the Philharmonic course. Everyone is urged to attend these wonderful concerts sponsored by music lovers of Lansing. This year an especially fine group of artists appear on the program.

Also, special permission will be allowed that a certain fraternity has set up a shooting gallery on their top deck and every man is required to practice one hour daily.

demands for a similar lecture. Dr. R. R. Baumgardt, a member of the Royal Astronomical society of England, has been obtained.

Upton Close, a man vitally interested in events going on in China, will speak here and give the students an insight into the true state of affairs in that disturbed country. Mr. Close divides his time between the University of Washington, where he is a professor, and China. A very able speaker, and in demand everywhere, he was recently asked by President Geddis to confer with him on Chinese affairs.

Low Saret, who lectured here last year, will return for a second appearance. As many have said, his talks cannot be described. It seems there is no end to his ability as a poet, a story teller, and a humorist. The students have demanded that he return, and although hundreds heard him last year a capacity crowd is expected when he speaks again.

Admission to these concerts by the students will be through the coupon books, all students having paid fees at registration. The committee in charge working with Prof. W. W. Johnston as chairman includes Prof. C. F. Haligan, Prof. J. R. Taylor, James Haselman, Dorothy Robinson, Alice Todd, William Spurling and Robert Baker.
