COLLEGE MENTOR STARTS FIRST LAP OF FOREIGN TRIP

HOTEL MANAGEMENT OPEN TO POTENTIAL CLERKS
Cooperation of Hotel Managers and College Brings Addition.

President Denies Persistent Rumors of His Accepting New Position.

RECEIVES COMMENDATION

Issues Letter Thanking 13 Student Organizations for Support of Administration.

President Kenyon L. Butterfield left Lansing Tuesday evening at 6 o'clock for New York. From that point he will sail for the first lap of his trip to Jerusalem on Feb. 25.

Dr. Butterfield stated his intention of returning here to take up the duties of his presidency by May 1. He continues dealing with civic, financial, institutional, educational and international matters and several issues in psychology.

PROMINENT MEN IN CHURCH MEET

National Officials to Lead in Discussions; Student Committees Active in Preparations.

A number of prominent citizens, business leaders, representing all religious denominations and from both Detroit and Michigan, will participate in the annual Michigan Christian Education Convocation. The conference, sponsored by the Michigan Department of Education, is more gratifying than ever.

Previous to his departure Dr. Butterfield received a letter of commendation from 13 campus organizations lauding his accomplishments and definitely supporting his administration. The president drafted a letter to the leaders of these organizations which runs as follows:

"I have received the letter signed by ten presidents of some 12 or 13 organizations, representing practically the whole student body, expressing their confidence in me and the administration. I have never in all my college experience made so many friends among my students as I have now made during my stay here."

I am especially appreciative because I have been going through a period when a taller needs a friend and this house is a poor place to do this. And another thing that will not be asked into is that of the value of members of the faculty. There has never been a group or organization of which has not had some members who could very well be replaced.

With regard to there is such dead wood sitting in the teaching force of this college, the course in the question comes up as to whether or not a faculty should be a graveyard for those who have passed beyond or never reached their usefulness. There are really no arguments for retaining them save the service former achieves.

However, this sort of introspection and self-criticism will probably hit too close to home for members of the faculty committee to take it up. This is a great fault of most self-governments. The other fellow's faults can easily seen, but not our own.

BASKETBALL

The last game of one of State's most exciting basketball seasons will be played today. The record which the team made this year, mainly since the season is a remarkable one. From a make-up mostly of sophomore seniors, Coach VanAlystine has wrought out a machine of chain mail. With the progress of the season and with slight loss of players we should have a wonder team in 1929. And another thing, we hope that we could "meet" Michigan again next year.

HONORARIES

The winter term draws to a close and various honorary societies of the campus are selecting their new members. Membership in one is not limited to the student, but as much to achievement in the various fields of work, it is a real honor. We hope that those who have been chosen for their affiliation and especially for their records, which make their selection possible.

SLEEP

After sleeping in bed all last Wednesday evening we awoke a fervent wish that there could have been a regular winter of men like George Washington. This campus needs their leadership.

PLAN NEW BUILDING FOR DAIRY DEPARTMENT

Plans are being prepared for the construction of a new building which will stand directly behind the horse barn on the south side of the river.

This barn will be equipped with latest in dairy equipment and will probably be constructed of stone and material.

The amount of the appropriation is \$75,000.

It is hoped to start work early in the spring on this barn.

Music Committee Makes Chicago Trip for Final Arrangements.

Young gentlemen with college in sight and with hotel management as the aim may now enrol at State and receive instruction in this course.

Through the cooperation between the college and hotel managers of the state, this new phase has been added to the college by special arrangement with the liberal arts, engineering and home economic schools.

Students enrolling in the work will be given jobs as apprentices in the various hotels during the summer to prepare them for the position although no new courses will be added to the curriculum of the college.

Among the subjects specially recommended in addition to the usual work in English, chemistry, mathematics and foreign languages will be physics of

the large cities. The Story of Philosophy will be given at the Peoples church Thursday, March 15, on the subject "The Ten Greatest Thinkers."

Will Durant, who is the author of the best-selling non-fiction book of the year, "The Story of Philosophy," will lecture at the Peoples church Thursday, March 15, on the subject "The Ten Greatest Thinkers."

Durant first became prominent for his work when teaching at Columbia University. Men and women who studied under him there still tell of the exhilarating influence of his enthusiasm and his scholarship; they had never suspected that philosophy could be so intelligent, so absorbing and so fruitfully related to the actual problems of life. Since then he has been speaking from the platform all over the country. At New York he broke all the records of the Bureau of Education by giving a series of 20 addresses of philosophy which drew audiences of 1,500. He has repeated at other cities with the same success.

All students will be admitted as usual by their coupon books.

CLASSES TO MAKE NOMINATIONS FOR STUDENT OFFICES

Liberal Arts Board, Union Board, and Student Council Selections Planned.

THREE MEETINGS SLATED

Eliminations Scheduled for Next Thursday Afternoon.

Nominations for the annual spring elections will be made at the meetings of the three lower classes which are to be held next Monday afternoon.

Juniors will hold their meeting in the lecture room of the Horticultural building at five o'clock Monday afternoon. At the same time sophomores are to meet in room 111 Olds Hall and the freshmen class in the lecture room of the new chemistry building. Two of the classes had meetings postponed until this date because of the lack of publicity which had been given. It is felt that a majority of the members of the groups should be present to select their representatives.

Positions for which nominations are to be made include the Student Council, Union Board and Liberal Arts Board.

The freshman class will nominate two members for Student Council, and two for the Union Board, as they have one representative on each of these two bodies next year.

Sophomores must choose four Student Council candidates, and two men and two women candidates for both Union Board and the Liberal Arts Board.

They as juniors will be represented on the Student Council with two men on the Union Board and Liberal Arts Board with one man and one woman.

Seniors must choose four

men and two women candidates for both Union Board and the Liberal Arts Board.

They as seniors will be represented on the Student Council with two men on the Union Board and Liberal Arts Board with one man and one woman.

Junior positions to be filled include three positions on the Student Council and three on the Union Board.

The latter will include two men and one woman. For these they must nominate double the number to be elected.

Eliminations are to take place probably on Thursday afternoon when all three classes will again hold class meetings. The final election is to be held sometime during the last two weeks of school. At this time all college offices such as editor and business manager of the State News, students' representative on the athletic council and other position will be filled.

Students are urged to attend these class meetings and get a voice in the selection of their candidates by Fred Pfeifer, who is acting president of the Student Council in the absence of Clyde Clegg and Arthur Clark, who are attending a convention in Denver, Colorado.

CATALOGUE LISTS VARIED COURSES

Work in Public School Music Emphasized in Publication.

Michigan now offers particularly in English, English and philosophy all courses of the liberal arts department, as may be found in the catalog for 1927-28 which will be ready for distribution in March, according to Miss Elizabeth K. Johnson, registrar.

The catalog will be issued this year in much earlier date than heretofore and distribution is expected by the second or third week in March. Thirty-two pages are already printed and the remainder will be completed as soon as possible.

Work in public school music is the most important feature of the new courses which will be listed. It is planned to further expand this course next year. Being added this fall, they were approved several months after the catalog was printed, so the new catalog will be the first to contain a detailed description of the work.

Expansion of courses in philosophy and mathematics have also been announced, as well as several notable additions to the English curriculum.

SEMINSTER PLAN WINS IN LARGE STUDENT POLL

Vote Does Not Definitely Decide for Acceptance of Plan Here.

Student vote taken Monday upon the proposed change to the semester plan of college courses resulted in an 82 to 30 victory for the change. The vote was taken in order to obtain the consensus of the student opinion before any definite action is taken regarding the change.

According to the student faculty committee in charge of the proposed plan, the vote does not definitely decide the issue, but the vote will probably influence the decision of the committee as it was taken at a time when the majority of the students were in session. Prof. L. C. Emmons, faculty head of the committee, stated that the vote was somewhat unrepresentative of the reports indicated that the opinion of the students was altered by the instructors in charge of the classes.

A meeting of the committee will be held some time during the next week in order to further advance the plans of the proposed change.

TAU SIG SELECTS TERM INITIATES

Hold Swing Out Wednesday;

State Formal Banquet

Thursday.

Seventeen juniors comprise the initiates into Tau Sigma, honorary art and science fraternity. Candidates for Tau Sigma are selected from the top junior students having the highest scholastic averages in the liberal arts and applied science courses.

Informal initiation took place Tuesday night and swingout was held Wednesday. A formal banquet Thursday evening at the Hunt Food shop will close the initiation ceremonies. John C. Cook, classman, will preside and Dr. R. C. Huston of the chemistry department will speak.

The following students will be initiated: Mildred Courtney, Detroit; Marian Dommen, Lansing; Gladys Ford, East Lansing; Paul Hickle, Lansing; Alice Hunter, Lansing; Harry Johnson, Hart; Margaret Johnston, East Lansing; Harold McAtee, Duran; Marian Megeleisen, Detroit; Ada Nelson, East Lansing; Robert Plant, East Lansing; Thomas Ramsell, Manistee; Henrietta Reilly, Lansing; Mary Serrine, Lansing; Verla Spender, Saginaw; Alice Test, Lansing.

The party will commence at 8 o'clock and continue until 12:30.

With the exception of the J-Hop, the Varsity party ranks as the most expensive affair of the college year, with the result that tickets are at a premium. It is expected that only 150 couples will be allowed to enter the ballroom.

The committee in charge of the party includes Paul Smith, Ward Ross, and Oliver Hood.

At the Union

A committee has been appointed to formulate and carry out a special program for events in connection with the Union.

A life membership is the measure by which you can judge the loyalty of the individual to the institution. It represents a small outlay over a period of years and puts into the class of those who appreciate what the college has done for them. You can sign up this week.

Your spring term expenses will be reduced if you use coupon books and make all possible purchases at the Union. It offers most of your necessities and many of the luxuries which students consider necessary.

Use the Union.

A NEW GYM?

The past basketball season has been the most successful in the history of the institution. Ten games have been won and four lost and the best teams in this part of the country have been played. Not a game has been lost on the home floor and three out of the four defeats were suffered in overtime games away from home.

This is certainly a record to be proud of. Coach B. E. VanAstyne in his second year at Michigan State has developed perhaps the greatest team that ever represented State on the court. The gymnasium has been packed at every home game with the result that accommodations are no longer adequate. The entire personnel of this year's team will return next year and augmented by some good freshman prospects, this same outfit ought to be world beaters next season.

With this in mind it is predicted that in order to secure a seat at any game next year, one will have to spend the afternoon in the gym. Hundreds of people were turned away this winter at some of the big games or were forced to witness the contest from the steel beams or hidden way up in some obscure corner. What will it be next year when the prowess of our Spartan basketers has been noised abroad for twelve months?

The need for a new gymnasium is imperative. But if the money for a new building cannot be procured for sometime it would be a wise idea from the standpoint of gate receipts, to erect a basketball floor in Demonstration Hall and thus a few thousand more people can attend. Let's talk this up and see if some decision cannot be reached before another season rolls around.

STUDENTS PICK HOOVER, HIT PROHIBITION IDEA

Straw Vote Shows Students Skeptical of Success of Prohibition.

Eugene One Day New Student Survey. Herbert Hoover swept another collegiate straw election this time at the University of Oregon where the electorate voted on several current topics, including the presidency.

Hoover received 129 votes, while Al Smith who led the opposition carried 130. Charles E. Hughes was a poor runner up, and William G. McAdoo the democratic. The faculty vote followed the same order.

Students and teachers also showed themselves skeptical of the success of the 18th amendment, and favored modification. The vote was close on the tongue of nations, with as many voters favoring formal membership as informal participation as at present. However, 137 favored complete de-inhibition. By a vote of 659 to 422 American intervention in Nicaragua was opposed.

thing ripping a hole in her only pair of chiffon stockings on the eve of the format, a dear changing tires, but never before in our young lives have we witnessed a men's dancing class never before, until the other night!

We were tripping innocently and rapidly over to the gym annex for our usual basketball practice the other evening, threw open the door, and suddenly prance gaily in but oh horrors, what was this that greeted our eyes? It couldn't be, but it was. We tell you, gentle student, you would have nearly fainted too if a whole round of young men clothed in the conventional masculine gym costume and solemnly trying to dance had greeted your eyes. We just can't describe it, that's all. Inasmuch as Coach Brown was directing it, we thought at first that it was hand drill for some swimming stroke, as it ended up with a scissors kick, but no, they were really dancing or trying to. To witness the grave young men struggling with the complications of the teipsichorean art is destructive to the sense of gravity. Slide, trip, slide, hop! and the poor young man slides, trips, slides and falls. It really is a fine thing for a feminine sense of superiority to witness a men's dancing class; it made us in favor of restricting the franchise exclusively to women.

So much for that. We had another great thrill immediately following. A young man desirous of gaining experience in refereeing girls' games came over and practiced on us, and we thoroughly enjoyed the novelty. He was the only man we had ever seen around girls' gymnastic activities except the janitor, and the janitor wasn't good looking. If he wished

SOCIETY

Fraternity and Sorority Formals Will Feature Coming Week-end

This evening and tomorrow hold many more fraternity and sorority open houses and formal parties leading up to the J-Hop and Varsity party of next weekend. Among the dinner dances scheduled are Alpha Phi, Alpha Chi Omega, Phi Chi Alpha, Pi Kappa Phi, Phylean, and Eldon House and Abbott Hall. Lambda Chi Alpha and Phylean fraternities are having open houses. This past week has been especially full, since Washington's birthday gave an extra evening with late hours for the co-eds.

The senior class party, and Union Liberty Society open house occurred Tuesday evening, while the Eumenian and Blue Key were Wednesday matinee entertainments. The Blue Key party had Leonard Gillett, Prof. and Mrs. A. J. Clark, See, and Mrs. C. H. Halladay, Prof. and Mrs. C. P. Halligan and Prof. and Mrs. E. Hallman are patrons.

Phi Gamma Delta ball, which is a big event staged by each year's graduating class, was held in the Union ballroom. Black and white crepe streamers were draped from the ceiling, while block S and the numerals of the class formed a background for Prof. Duddington's orchestra which played for the dancing. Small gold purses with the program enclosed were the favors given to the guests. Secretary and Mrs. H. H. Halladay, Mr. and Mrs. B. B. Hasselman and Dr. and Mrs. G. W. Huston chaperoned.

Alpha Chi Omega formal dinner dance is going to be held in the Wisteria room of the Olds tomorrow evening with Prof. and Mrs. B. E. Hartshorn as patrons. Guests of honor for the affair will be Secretary and Mrs. H. H. Halladay, Prof. and Mrs. M. M. See, Prof. and Mrs. L. F. Livings, and Leonard Gillett's orchestra which will furnish the music. Mr.

dred Ervingham is chairman of the general arrangements committee.

Chi Omega formal is held tonight in the Wisteria room of the Olds. Hod Draper's orchestra has been secured to play, and Mrs. Mary Hendrick, Prof. and Mrs. A. J. Clark, See, and Mrs. C. H. Halladay, Prof. and Mrs. C. P. Halligan and Prof. and Mrs. E. Hallman are patrons.

Phi Gamma Delta dinner dance tonight in the Kerns hotel is expected to attract many alumni back for the affair. Dean and Mrs. Ward Gillett, Dr. and Mrs. C. H. Huston and Prof. and Mrs. C. L. Allen will be patrons, while Prof. O'Neill Mason will be a guest. Barney Barnard's band from Jackson will play.

Phi Chi Alpha fraternity is holding an informal party tomorrow evening in the Little Theater. Gillett's orchestra will play, and Mr. and Mrs. K. D. Arbuthnot and Dr. and Mrs. T. T. Darlington will be patrons.

Alpha Phi entertain at their formal party tomorrow night in the Women's clubhouse in Lansing with Guy Welch's Troubadours from Jackson furnishing the music. Mr. and Mrs. J. B. Hasselman and Prof. and Mrs. B. B. Roseboro are patrons.

Pi Kappa Phi dinner dance takes place tomorrow evening in the Kerns hotel, with Guy Culvert as toastmaster. The music will be furnished by Frank J. Cooper's Wolverine Stompers from Ann Arbor. The patrons for

the party will be Prof. and Mrs. L. N. Field, Prof. and Mrs. A. Laurie, Mr. and Mrs. E. A. Brown and J. William Robinson of Detroit will be present as a guest.

Another Union party is scheduled for tonight. It will begin at 8:30, and music is to be furnished by Leonard Gillett and his Boy Friends.

Personal

Mr. and Mrs. Simmons of Flint visited their daughter Ruth on Sunday.

Miss Helen Neilson of West Branch was a guest at the Pro Alphian house last Saturday and Sunday.

Miss Isabel Laird has returned from the college hospital where she has been ill for the past two weeks.

Mrs. Clara Powell and Miss Marian Lewis were dinner guests at the Pro Alphian house Wednesday evening.

C. P. Halligan and Prof. and Mrs. E. Hallman are patrons.

Returns to His Favorite Tobacco

Boerne, Texas
Oct. 14, 1926

Larus & Bro Co.,
Richmond, Va.

Dear Sirs:

I am a prodigal son.
I began pipe-smoking with Edgeworth. But after a while I began to wonder, trying other tobaccos, experimenting to see if there were any better tobacco for the pipe.

I have tried most of the best known brands and a number of the more obscure, both imported and domestic, but they didn't suit.

So now I have returned—I am using Edgeworth again, satisfied that no better tobacco is made.

And the prodigal son partook of the "fatted calf". I bought a new pipe when I returned to Edgeworth.

With many thanks for my cool, mellow, sweet smokes, I am,

Very truly yours,
H. D.

FENCING CLUB ENTERTAINS CO-ED SWIMMING CLASSES CO-ED FENCING CLASSES MASTER VARIOUS STROKES

The Fencing club held another social meeting at the Peoples church Tuesday. The meeting was to get the girls' fencing classes better acquainted with the club and a small number turned out.

Another social meeting will be held this term and any students interested in fencing are invited to attend.

The class is being trained to take their swimming tests, which consist of various strokes and all around watermanship that will be given in the near future.

TWELVE TEAMS ENTERED IN ANNUAL RELAY CARNIVAL

Many Records Expected to Fall
Tonight as Leading Western
Colleges Enter Athletes.

11 RELAYS ON PROGRAM
Pole Vault, 300 Yard Dash,
Should Occupy Interest; No
Team Score.

The Eighth Annual Michigan State College Relay Carnival which will be held this afternoon and evening will be the last home indoor meet of the season. The preliminaries in the field events, the hurdles and dashes will be held this afternoon, while the finals and the various relay events will be held tonight. The evening program will begin at 7 o'clock.

With a total of 113 athletes entered in the events the meet is expected to be a good one. Michigan University, Central State, Michigan State Normal, Detroit City college, Western State, Flint Junior, Highland Park Junior,

DETROIT FENCERS DOWN SPARTAN SWORD SQUAD

In a fencing meet held in Detroit on Saturday afternoon, the Michigan State varsity team went down to defeat at the hands of the Detroit Fencing club while the State fresh team won over the Detroit club reserves. The Spartan varsity fencers lost 12 out of 14 bouts to a more experienced group, while the afro-fresh team handily won eight out of nine bouts. Campbell started for the Green and White varsity and Waterman and Kershaw were first for high scoring honors for the visiting team.

The Detroit Fencing club will appear on the State schedule at East Lansing at a later date. This team is composed of selected fencers, some of which have gained national renown.

SPARTANS READY FOR FINAL GAME

Marquette Brings Strong Defensive Team to Meet Van-Alstyne Men.

The final game of the Michigan State basketball schedule will be played tomorrow night when the strong Marquette university five come to meet the Spartans in the State gymnasium. With all the reserved seats sold out the first of this week, the indications are that a crowd fully as large as the one which attended the Notre Dame game will be present to watch the Spartan eagles play for the last time this year.

The Marquette team is a strongly defensive aggregation which will probably cause plenty of trouble for the State five. This team is one of four which have gained a victory over the Van-Alstyne men this year. Early in the season at Milwaukee the Spartans lost by three points but hoped for revenge in Saturday's game are held by the State men following their recent victories over the University of Detroit and Notre Dame.

This week Coach Van-Alstyne has drilled his men especially in the art of playing against a strong defense. Long shots from just outside of the enemies' defense have been practiced and also the Spartans have been finishing up their foul shooting after their bad showing in this phase of the game at Detroit last week.

The squad is in fairly good condition and should make a good showing in their last game of the season.

POLO TEAM MAKES PLANS FOR GAMES THIS SPRING

May Arrange Triangular Meet with Ohio State and Culver.

Michigan State polo team hopes to meet the team from Ohio State sometime soon. The officers of the cavalry division have lined up four teams from the advanced cavalry students and are developing some very good prospective players. Col. T. L. Sherburne reports that the men are getting the idea of the game and are bonding their horses well but still need a great deal of practice in swinging the mallet.

The team from Culver has also tried to arrange a match with the team here but they are an experienced team so that Colonel Sherburne did not feel that he was quite ready to take them on. However, there has been talk of arranging a triangular meet with Ohio State, Culver, and Michigan State. If these plans develop the game will doubtless be played on our campus. The colonel plans to continue practice out of doors during the spring term and has already obtained permission to use the field near the cavalry stables.

Marquette University, University of Detroit Fresh, Detroit City College, Michigan State Varsity and Fresh are the teams entered in the meet for tonight.

As has been the custom in previous carnivals here, the team scores will not be kept, thus making the individual events, the hurdles and dashes will be held this afternoon, while the finals and the various relay events will be held tonight. Nine matched relays will complete the relay program. In the 880 yard relays the Detroit City college is matched against the Central State Teachers' team, Michigan State Normal vs. Western State, Marquette University vs. Michigan State. In the 2 mile relays while in the class for junior colleges Flint Junior will run against Highland Park Junior. In the 1 mile relays Detroit City college vs. Western State, Michigan State Normal vs. Central State, Marquette University vs. Michigan State. In the 4 mile relays there will be two races. One will be

a tricornered battle between Michigan State, Marquette University and Western State. The other which will be held.

The pole vault record is expected to topple in Friday night's meet. The record is held by Hathaway of Kalamazoo college at 12 ft. 1 1/8 in. With two men entered in this event who have vaulted over 13 feet already this season it is almost a sure thing that the old record will fall by several inches if not a full foot. Glazer of

Marquette and McAtee of State are expected to have a merry dual for first honors in the event.

STEK YE NO FURTHER, DIogenes . . .

This jobbie Diogenes was a Greek who left his fruit stand for the commendable purpose of questing for honesty by good old-fashioned lamp-light. And now, loud and ever clearer, rings the cry from the rooftops: "Diogenes—throw away your lantern . . . here's an honest cigarette! Have a Camel!"

Camels have but one raison d'être—to pack the smoke-spots of the world with the "full-fulfillment" every experienced smoker seeks. Fill your own smoke-spot with a cool cloud of Camel smoke, and hear it sing out—"Eureka!" (from the Greek, "Eureka," meaning—"Obey, here 'tis").
