ALL-COLLEGE DANCE  
AT UNION TONIGHT  
GIVEN BY STUDENT  
COUNCIL

## ANNOUNCE PLANS FOR INSPECTION OF R. O. T. C. UNIT

Friday Morning to Be Given Over  
to Inspection of Cadets.

### THREE VISITING OFFICERS

With a parade of the entire corps, as well as inspection of smaller groups, already scheduled, annual inspection of the local R. O. T. C. unit will take place here Friday and Saturday of this week according to Lieut Col. T. L. Sherburne, commandant.

Approximately one-third the cadets are to submit to inspection at 9 o'clock Friday morning. Divisions may send their best group to this, the only requirement being that the men must have been regularly enrolled in that particular group. Such a rule prevents the mobilizing of all the best men into one group.

The artillery battery will execute close order and extended order drill and also demonstrate the use of the 155 mm coast artillery and the anti-aircraft guns. The infantry company will execute close order and extended order drill as well as working out an assault problem given them by the instructors. Jumping, equitation, close order and extended order drill will be carried out by the cavalry troops.

Twelve men are to be picked at random from each of the three divisions, cavalry, infantry, and artillery, and given a special marking at 10 o'clock. There will be three men from each class. Questions are to cover drill and classroom work taken during the past year.

At 11 o'clock the entire unit will pass in review before the inspectors. The program will be followed by a short inspection.

Lieut Col. Jay P. Hopkins, commandant of the Michigan, will have charge of the inspection. He will be accompanied by Maj. Marshal C. Mitchell, 2nd infantry; of Fort Sheridan; Lt. Col. and Capt. William C. Olson, 14th cavalry, also of Fort Sheridan.

Captain Olson is well known here since he was formerly connected with the college as an instructor during 1925.

The West department has recently absorbed the system of giving what is known as distinguished service to the corps being turned either "well-faceted" or "unsatisfactory." This has been rated as a distinguished cult for the past four years.

Physical buildings and equipment will be inspected Friday afternoon. If they have not completed their drills by evening the inspectors will return on Saturday morning.

### FRESHMEN

Freshmen rather helped the worm to its nest evening when they unexpected organized and took charge of the duty for a time, giving many supplies and clothes a bath in the former swimming bathhouse. However, even though the first year men were serious about the night, they will no doubt pay off for their brief regime.

The size in command was noticeable as the young men were on and more of the new year's warmth appeared on the scene. It might be said that the sophomores had the situation well in hand the close of the affair.

### DISSIPATION

In overheating a conversation of commanding officer of Gamma Chapter for this summer, Mrs. J. E. Banks, Dean Col. T. L. Sherburne has accepted the responsibility of presidency, difference the cadets remaining in the college-appointed office.

This latter assignment was made during the lifetime of Colonel Sherburne, the new commander of Gamma Chapter, who is now Col. Alvin C. Gilliam, who is on leave from the 55th cavalry at Old Cairo. As executive officer, Col. Sherburne will be at the camp from the middle of June until the first of September.

He refused to take over the work as commander because of the static involved in preparing for the summer program, during the coming two months. Colonel Sherburne said Monday, Sept. 29, 1927, the boys broke ground on the site of the new dormitory on the grounds of the college and Leonard Faesone, director of the State college band, and Leonard Faesone, director of the State college band.

**SHERBURNE TO BE  
CUSTER OFFICER**

Refusing the position of commanding officer of Gamma Chapter for this summer, Mrs. J. E. Banks, Dean Col. T. L. Sherburne has accepted the responsibility of presidency, difference the cadets remaining in the college-appointed office.

This latter assignment was made during the lifetime of Colonel Sherburne, the new commander of Gamma Chapter, who is now Col. Alvin C. Gilliam, who is on leave from the 55th cavalry at Old Cairo. As executive officer, Col. Sherburne will be at the camp from the middle of June until the first of September.

He refused to take over the work as commander because of the static involved in preparing for the summer program, during the coming two months. Colonel Sherburne said Monday, Sept. 29, 1927, the boys broke ground on the site of the new dormitory on the grounds of the college and Leonard Faesone, director of the State college band, and Leonard Faesone, director of the State college band.

## MICHIGAN STATE MAN WINS PLACE IN CONTEST

Howard R. Carroll Wins Fourth  
Prize in State Oratorical  
Contest.

## MODEL ASSEMBLY PROVES TO BE GREAT SUCCESS

Wickersham Defends League as  
War Preventative in Speech  
at Banquet.

### LEAGUE TO CONTINUE

Howard R. Carroll, Michigan State's entry in the state oratorical contest held in the capitol building Saturday took fourth place, thus winning for himself a prize of \$80. James D. Purdie, of Michigan State Normal college, Ypsilanti, won first place. He will represent the state in the sectional oratorical tournament to be held May 26 at Columbus, Ohio.

Purdie was awarded first place and a prize of \$75. Webster H. Pease, representing Gov. Fred W. Green, president as chairman. Judges at the contest were Rep. W. J. Walters, Detroit; State Sen. A. G. Stoll, Detroit; and Rep. Charles H. Haight, Lansing.

Second prize of \$25 went to Harold D. Miller, of Battle Creek college whose oration was entitled "Alexander Hamilton and the Constitution." For an oration on "The Giant Stripping," Alexander Hamilton, Clarence E. Damon of Albion college, won the third place and an award of \$20.

Howard R. Carroll, of Michigan State college took fourth place. University of Detroit placed fifth and Detroit City college, sixth. Each of the contestants from these three institutions won \$10.

The contest was sponsored by the Better American Foundation of California.

### SCHOOLS TIE IN BAND CONTEST

Flint and Grand Rapids South Flip  
Coin for Possession of  
Trophy.

The state band contest was brought to a successful close Saturday night in the band concert given by the combined bands of Michigan State and the U. M. The concert was delayed for a short time due to the belated arrival of the Michigan band but nevertheless over 1000 persons were in attendance.

The program played by the band was extremely difficult and was presented in perfect manner. Following this a lantern of the two bands and directors of all the competing high school groups was held in the Union Memorial building. Acting President R. S. Shaw delivered an address of welcome.

Flint High School and Grand Rapids South tied for first place in Class A. Flint was dropped, and the trophy went to Flint for the first six months. Both bands were urged to participate in the national band tournaments in July 10 next month.

Lansing High School won second place in Class A with South Branch third; Jackson fourth; Washtenaw fifth; Saginaw sixth. In Class B, the state vocational schools Lansing won first; Oxford High School, second; Saginaw third; Three Rivers, fourth; Madison fifth; Ypsilanti, sixth; Paul Huron seventh; Patterson; Junior High School eighth; West Junior High ninth; Whittier School. Flint High School, Technical School, North Algoma High School, fifth; Mrs. Redfern School, Terrell, sixth.

In Class C, the winners were in the order named: Brown City, Trenton, Washtenaw and North Branch. Guards of honor at the banquet following the M. S. S. band were Miss Anna Bickling, stage director; Miss Harold Bickling, Chicago; L. C. Wall, Worcester, Mass.; A. B. Howes, Chicago; and Albert Fisher, Chicago. Joseph Maday, Ann Arbor; John Steiner, Lansing; G. R. Trotter, Marquette; and A. Clark, head of the college. The Alpha Phi and Chi Omega sororities are to be present on May 18.

Alpha Phi and Chi Omega Purchase New Homes; Phi Taus and Phyleans Remodel

Delegates to the model assembly of the League of Nations from 14 colleges and universities attended the banquet given in their honor in the ballroom of the Union building last Friday evening at which George W. Wickersham, former attorney general of the United States, was the guest of honor and principal speaker.

Mr. Wickersham emphasized in his address that the league instead of breeding wars has prevented them. He said that it has been a means whereby each individual state be it great or small had an equal voice and vote, and that the service which it has rendered being undramatic, is largely unknown.

During the afternoon session of the assembly on Saturday of which some 150 students were assembled in the house of representatives chamber, a resolution was passed to make the assembly an annual affair to be held each year in the state capitol building sponsored in turn by the 14 colleges and universities interested in the program.

Mr. Wickersham opened the first session of the assembly in the state capital building on Saturday morning and W. T. Dixon, student at the University of Michigan, acted as president. As part of the business brought up in the morning session delegates from North China were admitted to the lounge on their credentials. The report on mandates was referred to the next year's assembly.

In the afternoon session Dr. Nino Curtis presented one of the most interesting debates of the assembly which resulted in the passing of a resolution providing for the organization of an International League of all nations having precisely eight in China the object being to place China in a neutral position with other nations of the world. Other discussion was brought in on the question on the subjects of disarmament, arbitration and securities, and conclusion of international law.

Patrons and patronsess of the model assembly included Gov. Fred W. Green and Mrs. Green, Mr. and Mrs. Don Bates, Mr. and Mrs. C. F. Belmont, Dean and Mrs. L. V. Bessey, President and Mrs. K. L. Burroughs, Judge and Mrs. C. B. Collingwood, Dean and Mrs. A. W. Bissell, Mr. and Mrs. L. C. Edmunds, Dr. and Mrs. Ward Gruber, Dr. and Mrs. J. S. Keefer, Rev. and Mrs. Frank Kingdon, Dean Lewis Kyte, Rev. and Mrs. A. M. Macine, Judge and Mrs. J. B. Moore, Mr. and Mrs. W. H. Pease, Mr. and Mrs. J. G. Reuter, Dean and Mrs. R. S. Shaw, Mr. and Mrs. David Troyer, Mr. and Mrs. Richard Scott.

Patrons and patronsess of the model assembly included Gov. Fred W. Green and Mrs. Green, Mr. and Mrs. Don Bates, Mr. and Mrs. C. F. Belmont, Dean and Mrs. L. V. Bessey, President and Mrs. K. L. Burroughs, Judge and Mrs. C. B. Collingwood, Dean and Mrs. A. W. Bissell, Mr. and Mrs. L. C. Edmunds, Dr. and Mrs. Ward Gruber, Dr. and Mrs. J. S. Keefer, Rev. and Mrs. Frank Kingdon, Dean Lewis Kyte, Rev. and Mrs. A. M. Macine, Judge and Mrs. J. B. Moore, Mr. and Mrs. W. H. Pease, Mr. and Mrs. J. G. Reuter, Dean and Mrs. R. S. Shaw, Mr. and Mrs. David Troyer, Mr. and Mrs. Richard Scott.

Normal day has been set for May 17 and 18, at which time over 500 students from the county normals of Michigan will assemble on the campus.

This is sponsored every year by the Michigan Boys' and Girls' clubs and A. G. Kettunen is chairman of the committee working on the program for this year.

The program begins with a session Thursday evening at the People's church at which time students of Prof. F. S. King will entertain the visitors.

Continuing Friday students will be guided in groups around campus and through the buildings, with a luncheon provided by the college at the Women's building at noon.

There will be a singing and speaking contest worked in on the schedule. The program will close with a banquet at night. Acting President R. S. Shaw will be speaker of the evening.

### INTERFERENCE

Recently there has been considerable agitation about the jumping committee's recommendation of the athletic council to the state board of agriculture upon the personnel of the athletic department for next year. Petitions have been circulated and numerous movements promoted in opposition.

A majority of the students perhaps have given their approval in some fashion to the movements through signing petitions or in similar ways. But we wonder if proper consideration has been given the problem. Has not emotion been aroused at the thought that some one has been given a poor deal and then the emotion played up to engender dissatisfaction with the athletic council's acts? There was but one side of the case presented with the petitions. Perhaps there are some elements on the other side.

Without doubt the athletic department is laboring at the present time under a heavy load of expense. Maintenance of equipment, salaries, stadium debt and other items make great demands on their appropriations.

There is no questioning the value of the move of the athletic council in obtaining well-known and competent men as head of major sports. They went to their financial limit to obtain them. In order to bear up under the heavy load cuts must be made somewhere. This they did, knowing all the facts, figures and demands to be met.

The athletic council is composed of members of the faculty, alumni, and students chosen for their ability to take care of such problems. It is their duty to run the athletic department in such a way as to benefit the majority of the student body. This they are attempting to do. They were vociferously applauded last fall when new coaches were added. No one questioned their wisdom. It is apparent that some sacrifice had to be made. Now that we have to make the sacrifice cries of objection go up.

It is said that minor sports are to be eliminated, that students pay a sum of money each term and that they will not receive the proper benefit from it, that only a small number of athletes will receive attention.

Minor sports are to continue. This branch of physical education will not be removed. Of course, those participating may not receive such high salaried instruction as was formerly the case, but that is the sacrifice being made. It is small in comparison to that which we have traded for it.

Let us back up our athletic council.

### THE CONTROL OF WOMEN

(Stanford Daily)

A survey of the social regulations in force at 30 of the best-known universities in the United States shows that Stanford women have a set of the most liberal rules in the country. The University of California is the only college where the university authorities allow 2 o'clock leave. At the Southern Branch of the University of California living groups are permitted to formulate their own rules, subject to the approval of the administration and 2 o'clock leave is allowable by certain living groups.

There is no questioning the value of the move of the athletic council in obtaining well-known and competent men as head of major sports. They went to their financial limit to obtain them.

In order to bear up under the heavy load cuts must be made somewhere. This they did, knowing all the facts, figures and demands to be met.

## Phi Kappa Phi to Initiate New Members at Banquet

Initiation and election of officers Phi Beta Kappa is limited to liberal with a banquet at which President arts and Sigma Xi to the recognized Charles R. McKinney of Apollonius. A chapter of Phi Kappa Phi was initiated at Michigan State one year ago. Twenty-five persons of the administration and faculty of the college were entered as charter members. Officers for the first year are Dr. K. E. Butterfield, president; Prof. O. E. Best, vice-president; Dr. John Rull, treasurer; Dr. John W. Crist, secretary.

Phi Kappa Phi is purely a national honorary society and membership therein is an award for distinguished scholarship. The original society was organized in 1897 at the University of Maine. Chapters now exist in 43 of the colleges and universities of the country.

In kind it is classed with Sigma Xi and Phi Beta Kappa, differing from and taken in order from the top to the bottom on the basis of the ratio of credits earned to points secured with the several divisions of the college.

So after all the Stanford women are still as hemmed in as they might be.

### OFFER COURSE IN SCOUT CRAFT DURING SUMMER

Lansing Council to Sponsor New Course, Under Direction of C. A. Neitz.

Listed under the sociology department and sponsored by the Lansing council of Boy Scouts in conjunction with the college, a course in scouting will be offered during the summer session of the college year. It will be held under the direction of Mr. Neitz, chief of scouts in Lansing.

Although a new experiment here, similar courses have been given in all large colleges of the United States.

The demand for a course of this nature was stimulated this winter by a school for scouts, a series of lectures given on Wednesday night each week in Abbot Hall from the early part of January to the middle of March. On March 15, 22 completed their training for scouts, which included an overnight trip in drifts

## Society Quiet Over Week-end; Student Council Dance Tonight

With many students home for Mother's day, the campus spent the quietest week-end of the term. On Friday night, the banquet in honor of Mrs. Wickersham was given in the Union ballroom as the opening of the Model League of Nations. A large number of students from other colleges were in attendance as well as many local students. The business sessions of the League were held at the capitol on Saturday.

Of interest also was the state high school band tournament held Saturday on the campus. At night the college was host to the winning bands, the University of Michigan band, and the Michigan State band at a banquet.

The Olympics held their spring term men and women who view it.

## W. S. GIFFORD LAUDS HIGH SCHOLARSHIP

The following article by Walter S. Gifford, president of the American Telephone and Telegraph company.

### 7 STUDENTS ENTER IN SHORT STORY CONTEST

The story of "Sorrell and Son" is that of a British war veteran whose wife deserts him and his 6-year-old son. The veteran, Captain Stephen Sorrell, M.C., thereafter struggles against ingratitude, poverty, vice and physical exhaustion to rear and educate his beloved son, in whom he is ultimately well pleased. Interspersed with the story of father-and-son devotion are the sub-plots of Stephen Sorrell's friendship with Fanny Garland Kit, Sorrell's love for Molly Ro and Roland's kindness for Stephen Sorrell. Sergeant Buck's jealousy of her drunken husband and angry passion for Captain Sorrell, and Dora Sorrell's bitter struggle to win from her husband the love of their son Kit.

During the winter term, an announcement concerning a short story contest was made in all the English classes. The English department of the college was sponsoring it, and there were to be cash prizes for the winners. The entries were allowed their choice of subjects; they were also permitted to hand in more than one if they so desired.

When the contest closed, on Monday, May 7, seven neatly typed short stories had been submitted. It is difficult to suggest what is to follow each story seems to be deserving of a prize. Among those sent in are: "A Modern Musk," by Emily Louise Lyon; "Gleam of the Moon," by Charlotte Gordon Murray; "At the Border," by Martha Farley; "Freaks," by Jeanette Rose Smith; "Derelict," by Donald H. Rothfuss; "Lured," by Mary Josephine Thomas, and one by Everett Pessoton.

## Four Visiting Pros to Teach During Summer Session

Four visiting professors will teach during summer session. Professor Miller, of Kalamazoo College will teach two courses of English. Professor C. Sherman, head of political science at Detroit Teachers' College, will give two courses in political science. Professor B. J. Ford, assistant supervisor of Public Instruction, will conduct a course in rural education. Miss Page of Howell will take charge of the education course.

## GRADUATE STUDENT TAKES POST IN TRAINING SCHOOL

Mr. J. Pine, 17, has accepted a post with the Wayne County Training School located at Northville, Michigan, to have charge of instructional work in agriculture and field work in both agricultural lines.

During the past two years Mr. Pine has been serving as orchard foreman in the horticulture department and has been doing work leading toward the master degree in hort. He is to assume duties on May 15.

Most of the big jobs are held by men who don't even name three months' wages.

## PROF. NELSON GIVES TALK BEFORE JOINT MEETING

Prof. C. L. Nelson spoke on the Ministry of Education at the joint meeting of the Campus Girls' assembly and the Student Christian League Sunday evening. Separate meetings of these organizations are held from 12 to 12:45 in the student parlors of the Peacock church every Sunday, which is open to any of the students interested. Prof. W. W. Johnston and H. C. Johnson are the speakers for the meetings on Sundays for the boys' group. The program for the Campus Girls' assembly is not yet definitely arranged.

## DR. HUDDLESON TO CONDUCT EXPERIMENT USING MONKEYS

An interesting experiment worked out on monkeys has been made possible through funds provided by the Bechtel Foundation. Dr. Huddleson of the Zoology department is in charge of the experiment concerning the malarial fever, comments those in "Health" in man.

In Europe the organism causing the disease is pathogenic for monkeys, inducing the same symptoms among the monkeys. It is not known whether the conditions for man in this country are the same as those in Europe.

The source of infection is not yet determined, and the symptoms peculiar to the disease, many doctors being unable to recognize the disease easily. No cure has been discovered, the fever sometimes lingering over a period of several years.

## HERBERT BRENON'S "SORRELL AND SON" COMES TO THE STATE THEATER

Father-and-son love is the theme of "Sorrell and Son," Herbert Brenon's production of Warwick Deeping's best selling novel, made into a United Artists picture, and offered at the State theater Tuesday and Wednesday.

H. B. Warner appears as Stephen Sorrell and Mickey McBan and Nils Asther, junior, respectively, the child Kit and the matured Kit Sorrell. The notable cast includes Anna Q. Nilsson, Doris Sorrell, Carmel Myers, Florence Palfrey, Norman Trevor, Thomas Roland, Alice Joyce, as Fannie Garland, Mary Nolan as Molly Roane, and Louis Wolheim as Sergeant Buck.

Much of "Sorrell and Son" was filmed in England and with the aid of the author, Warwick Deeping. All of the film "Sorrell and Son" is faithful to the spirit and letter of Warwick Deeping's book, and the ending of the film is that of the book. Herbert Brenon, who made "Peter Pan" and "Beau Geste," says that "Sorrell and Son" is his best motion picture. A

## SPARTANS HOST INTERCOLLEGIATE TRACK CONTEST

**Thineclads Lose Dual Meet to Indiana Squad in Hot Contest.**

### SMASH RECORDS

Michigan State will be the host of several Michigan colleges Friday and Saturday in the 13th annual Intercollegiate Track and Field-meet. This meet brings together some of the best track talent in the state. Apsilanti will probably be the Spartans' chief toe. All of the entries for the meet have not been turned in, but it is expected that by the time this paper goes to press they will have been.

Notre Dame won the dual meet Saturday from State's crackers by a foot and a half, or by two points. The score after a breath-taking half-mile was 64 to 62. State was on the short end. Hackney did his best to win from Abbot of Notre Dame in a race that proved to be one of thrills. Hackney took the lead on the first lap, but on the last stretch Abbot sprinted to win from State's half miler. A short time previous to this race Abbot also won the 440-yard dash from Kroll. Abbott's time for the half was 1:59.9 and for the 440, 50.4.

The fact that Notre Dame secured seven first places out of a possible 14 shows the closeness of the meet. They also secured four second places and 13 thirds. Add to this a tie for second and third in the high jump. The Irish captured a share in the high hurdles as was expected, but Kenyon gave State a welcome surprise when he won the low hurdles from State and Englund of Notre Dame.

State's one miler and two miles performed even better than was expected. Bill Brown of Notre Dame was the chief contender of the Spartan miler. Captain Wyke won the event rather easily, and at the same time he cut .35 seconds from the old varsity record which he himself made in 1926. His new record is 4:21.2. Clark who won the mile from Wyke last week, also passed Brown to take second place.

One of the most exhibitions of distance running was staged in the two mile which was another record-smashing event. Until the last lap J. Brown of the Irish proved a strong contender, but after this lap was half over, Brown of State lengthened out his lead on J. Brown. Willmarth soon passed the weakening Irish runner and on the stretch he displayed a burst of speed that beat the Spartans. Brown's time was 8:42.7, which breaks his record of a week ago by 9.8 seconds. J. Brown was third and Loren Brown of State was second.

Another varsity record was shattered in the javelin throw by Haydon of State when he hurled the stick 182 feet 1 1/4 inches. He made the previous varsity record in the Freshman meet which was 171 feet 8 inches. The Notre Dame State dual meet record was broken when McAttee soared up to 13 feet in the pole vault to win from Boy of Notre Dame. The old record was 12 feet.

The Irish's crack sprinter, Elder, started the meet off by winning the 100-yard dash from Henson of State. Lang was third. Elder also won the 220. It was expected that Henson would reverse events by taking this race. For some reason he did not seem to be up to form. He did take second rather easily, while Lang was unable to place.

State won both the discus and the shot put. Tillotson took the discus and Smith, former captain of the football team, captured the shot put. Tillotson was second.

The Indians won both the high jump and the broad jump. Baldwin tied for second and third with Grimal of Notre Dame in the high jump while Potter, a Spartan boy, was second to the Irish's jumper, Enright, in the broad jump.

Although Fred Alderman broke McAllister's record of 247 for the 250-yard dash, his time of 23.9 seconds will not be officially recognized because of the breeze that was at his back. Otto, formerly of Apsilanti, was the only other competitor in this event. He was left 20 or better yards behind Freddie.

## FRESHMEN WIN IN TWO GAMES

**Defeat Hillsdale Yearlings Twice Over Week-End, 7-3 and 6-3.**

The fast traveling Michigan State freshman baseball team scored two wins over Hillsdale college freshmen nine over the weekend. On Friday the Spartans won 7-3 and on Monday on the East Lansing diamond the Hillsdale fresh lost by a count of 6-3.

The game played in East Lansing on Monday was by far the most interesting. The visitors came with the intention of evening up matters, but despite the efforts of "Lefty" Smith, the Spartans again won out. Smith, who worked on the mound for Hillsdale, was very effective, but his teammates could not score enough runs to win. The visiting porters struck up 17 State batsmen and allowed seven hits.

Langdon hurried all the way for the Freshmen and held the visitors at bay throughout the contest. The big righthander allowed but five hits and struck out six men. While Langdon was holding up his end of the battle his teammates bunched their hits to score one run in the third, two in the fourth and three in the sixth. Hillsdale scored in the first, fifth, and ninth.

In the game at Hillsdale Friday the

## Sigma Delta Psi to be Separate Organization From Varsity Club

Sigma Delta Psi, national honorary athletic fraternity which is about to have a chapter installed here, was founded at Indiana University in 1912 about 15 members. He also stated for the purpose of developing among the student body an interest in general all-around development. The society has steadily grown and at the present time has 37 active chapters in the United States. The Michigan State chapter will make the 38th.

The idea of having a chapter of this fraternity at Michigan State has been in the minds of the men of the physical education department for several years. It was brought up in a meeting of the Varsity club last fall and the resultant interest has brought about a resolution favoring the establishment of such a chapter here. The men of the Varsity club feel that there is a need for such an organization which will create an interest in the all-around development of the men in the physical ed classes and intramural sports and the student body in general. The Varsity club itself, which is a traditional organization on the campus for major letter men, will in no way be affected by the establishment of the new society here.

The society is open to all who have the ability to pass the required tests for membership and while the consensus of opinion is that the individual tests alone are not so severe, it will take a very good all-around athlete to pass them all.

Spartans held a good margin through the tilt, winning 7-3. Kahl and Byrne were the winning battery. Kahl received good support and struck out ten opposing batmen. Warner and Gibbs led the hitting with two hits each.

**DAZZLING DISPLAY OF COLORS MARK BRILLIANT MUSICAL DAY**

(Continued from page 1) struck this vision got himself a glass of water, and sat down all with an elaborate think nothing of it air. He summoned the independent soul behind the counter with his impersonal eye and that worthy, used to being approached timidly at his sanctum behind the counter, actually left it and approached to see what the gorgon one would have.

Humbly we rose and, paying for our ten cokes, left the room and the building to be immensely cheered by our meeting with one of our homely and unattractive "monkey suits" on the steps. We'd had enough glory for one day.

**BASEBALL GAMES By RADIO at Washburn's SMOKE SHOP**

A Suit Cleaned and Pressed by us Free for any member of the M. S. C. baseball team who knocks a home run in any game for the balance of the season.

In the event of no home runs, the player having the highest batting average for the game will be entitled to the same reward.

# 98 C CLEANERS

222 Abbot Road EAST LANSING

The name of the winners will be published after each game.

## STATE NETMEN DEFEAT NOTRE DAME AT TENNIS

Coach Olds of Apsilanti said that there are only eight men in their chapter and that the U. of M. chapter has about 15 members. He also stated that it has been his experience that the student body has an interest in general all-around development. The so-called classes make Sigma Delta Psi thus far.

The opening match of the meet was lost to Markey, Notre Dame star, by Kenean of State, in three hard fought sets. Markey won 6-4, 6-4, 6-4. In the second match of the program Capt. Farleman evaded the count by beating Burns of Notre Dame in three hard fought sets. Burns then defeated Jennings, 7-5, 6-4. In the east-Yale, William and Mary, Englund wins over O'Connor and Clancy, respectively, 6-2, 6-2, and 16, 7-5, 6-3. Schools Northwestern, Ohio State, Farleman and Kenean for State defeat Michigan, Indiana, Minnesota, Wisconsin, Marion and Oberlin in one doubles match. 7-5, 3-6, 6-1, while Griffen and Michigan State Normal, Detroit City, Burns of the visitors upset Jennings college, and Kalamazoo college.

## ROCKNE TELLS OF ATHLETIC VALUES AT CONVENTION

(Continued from page 1)

Acting President R. S. Shaw was chairman of the convocation and introduced the members of the "Quarter Century club" including himself, R. H.

Pettit, E. S. King, F. S. Kedzie, M.

Linda Landin, W. O. Hedrick, Thomas

Gimson, L. E. Fuller, E. C. Crawford,

A. P. Krentel, Frank Mitchell, Charles

Newman, H. S. Reed and Andrew

Krense. These individuals have served

more than 25 years on the college

staff and are guests of honor during

the day and patrons at the dinner

the evening.
