THE HORSE SHOW

People of distinction not only from throughout Michigan but also from adjoining states will visit our campus this week for the purpose of exhibiting their valuable horses and witnessing the events which compose our annual R. O. T. C. Horse Show. This feature of Michigan State College Memorial Day has grown from the very small beginning of that first show in 1923, organized by Col. Sherburne and Capt. William C. Chase, to the exhibition which will be presented Tuesday and Wednesday of this week in which 131 mounts will be displayed.

played by some fifty enthusiasts. Starting with practically no aid, six years ago, these men interested prominent people of the state for support and participation, persuaded merchants to donate prizes, arranged for care of mounts and entertainment of guests, worked out a scheme of finance. Year after year, these various factors have increased and widened in scope. Among the most socially prominent people of Detroit and vicinity have given their whole-hearted support, served on committees for arrangements, given prizes. Riding and Hunt clubs about the state have become interested. The show has been placed on an independent financial footing. Each successive year sees more out-of-state people attending with their prize animals, articles in riding hunt magazines of the country have given space to the affair. It is gradually reaching a position of national reputation.

An achievement of this nature is of invaluable benefit to an institution. The attention of the type of people which we need and their visitation to the campus at the time of year when it is most needed cannot help but result in our great benefit. In reality, it is a matter of bringing essential and prominent people of the state to look in our show window just at the period when we have redecorated it and enabling them to see what we have to offer, what advantages we have here. annual horse show is one of the best advertisements that could possibly have, a medium which reaches a vast group of people.

To the student body, the show offers a picturesque entertainment in a beautiful setting. The trained and valued animals, the brilliant costumes of the riders in the harness races, the skillful work in roping, present an affair of interest among the most colorful of the year.

The work of Col. Sherburne and of Dr. William C. Chase, who has acted as secretary in recent years, is being such successful results to be appreciated.

In the 60 yard dash, Norman Gallup, and in the 100 yard dash, Shirley Miller took first and second place respectively. Margaret Targo made first, Margaret Longneck second, and Norma Gallup third.

SPRING BALLOTS TO BE VOTED NEXT THURSDAY
(Continued from page 1)
The organizations on the campus, the student council has drawn up a resolution regarding formation and conduct of organizations. The resolution will be placed on the all-college ballot as follows:
Resolved: That, first, beginning fall term, 1928, all groups of the students of Michigan State college wishing to form any organized body must first secure the consent of the student council.
Second, that the student council shall be the sole judge as to the need, advisability, and purpose of such a proposed organization.
Third, that the student council shall investigate to determine whether the proposed organization will in any manner coincide or conflict with any organization already existing on the campus of Michigan State college.
Fourth, that the student council shall grant a charter to any group of students wishing to form an organization after complying with sections two and three of this resolution.
Fifth, that the student council shall have the power to declare a student organization disbanded, if this organization shall pass two consecutive terms without a regular meeting.
In order to create some method by which conflict of dates in the activities of the various organizations can be avoided, the council will also present a resolution which, if passed, will allow for a clearing house for dates of the functions of the many organizations. This resolution follows:
Resolved: That dates for all student functions including class meetings, class parties, class activities, all college activities, shall be submitted to the president of the student council before the close of the first regular week of classes of each regular school term.
That the president of the student council shall be notified three days in advance of the date for any special meeting or function.
That all dates to be changed shall be submitted to the student council accompanied by the reasons for the change of date and the student council shall be the sole judge as to the advisability of the change in date.
If the student body votes favorably upon these resolutions they will be incorporated into the constitution of the council as amendments, and govern their actions in regard to these matters thereafter.

Soph Prom To-night Leads Mid-week Entertainments

As the term nears its close, the college social calendar continues to be filled with a long string of social activities. The Sophomore Prom tonight is the new armory promises to be one of the most elaborate parties of the season and a large crowd is expected to take part in dancing to the music of Al Steiner and his band from Elkhart under the crimson and black decorations in the ballroom of Demonstration hall. This is to be the largest party of the year for the second year class and plans have been carried out for a most brilliant affair.

The only Union party of the term was a large attendance on Friday evening. Wallie Bennett's orchestra furnished the music for the dancing. The Omega, Alpha Phi, Kappa Delta, Phi Kappa Phi, and Psi Chi are among those to hold parties over the weekend. Others not attending these parties went to the various lakes to enjoy the most brilliant party.

The decorations for the Chi Omega party carried out the plan of a Chinese garden. The party was held Friday night in the Little Theater. Mr. and Mrs. E. T. Hartman, Prof. and Mrs. J. C. Clark, and Mr. and Mrs. E. Laurin acted as patrons while Gillo and his Boy Friends provided the music. The Kinsman was chairman of the committee on arrangements.

The Kappa Deutias entertained at a large tea given in honor of their new business, Mrs. C. D. Ball, on Saturday afternoon. In the evening, they held their spring term party at the home of Mrs. J. B. Hasselmann and Mrs. R. M. Olin. Mr. and Mrs. F. W. Merrett and Mr. and Mrs. C. L. Blalock were the patrons. The program included the lighted Kappa Delta pin, and the programs, which were extremely clever bore a little dancing girl on their covers. The Golden Knights wore the uniforms of the party.

On Saturday night, the Alpha Phi party was held in the old armory. The dancing was accompanied by Mr. and Mrs. J. B. Hasselmann and Mr. and Mrs. R. R. Rosoborn. The armory was prettily decorated in lattice work, flowers and garden benches to give the impression of a garden. A large number of alumni returned for the party.

The Phi Kappas held the formal opening of the new addition to their home for their spring term party on Saturday evening. About 75 couples attended the party, for which Dean and Mrs. Howard Kinsman, Dr. and Mrs. R. C. Houston, Prof. and Mrs. C. L. Allen and Miss Hill were the patrons. The guests included O'Neil Mason and Roy Melmon, Maurice Davies, orchestra leader for the dancing.

Gillo and his Boy Friends played for the Herman party Saturday evening. The patrons were Mr. and Mrs. F. S. King, Mr. and Mrs. Harry Kiple and Lieutenant Chase. Early Sunday morning the party resumed with the best of the Phi Kappas for breakfast. This breakfast carried out the annual tradition of the Phi Kappas. Dr. R. C. Houston was the chairman of the committee on the party's arrangements while Alton Stroud made the plans for the breakfast.

Wally Bennett's orchestra played for the Hesperian open house Friday night. Mr. and Mrs. Mike Custer were the patrons for the party. The members of Sigma Kappa entertained the rest of the society at the annual senior breakfast on Sunday morning.

LOVE BRINGS TWO BIG STARS TOGETHER

John Gilbert and Greta Garbo, who in a team scored one of the sensation successes of the year in "Fish and the Devil" and whose on-life romance was immortalized following a whirlwind courtship for him, have the world over again before the camera for the first time since in "Love, Metropolitan" Mayer's spectacular production of Anna Karenina. Distinctive of Russia, which comes Thursday and Friday to the State Theater.

The new picture, one of the most gorgeous and spectacular film romances of the season, presents both in roles that perhaps in them better than any others that could be imagined. Gilbert, splendidly informed, is seen as the debonair and romantic Count Vronsky, a role that recalls his great

SENIOR EXAMS TO BE THURS. AND FRI., JUNE 7 AND 8

According to announcement from the registrar's office, senior examinations will be held Thursday and Friday, June 7 and 8, and the seniors will be excused from classes the following week.

All seniors who have a class average of B are excused from examinations. This applies only to time grad mates.

Richardson, Rochester, Bloomfield, Green, Hunt Club, Detroit, Mrs. C. M. Higbie, Detroit, Mrs. T. R. Bowman, Detroit, Detroit Billing and Hunt Club, Detroit, William E. Fellers, Flint, Dr. F. S. Keadle, Harry Harper, A. J. Hager, E. J. Stahl, J. Edward, Inc., John Hartman's Sons, all of Lansing.

Challenge trophies are again being offered by two Lansing firms, E. E. Rice & Co. and Hotel Ohio. An exhibition must win these trophies twice in order to gain permanent possession of them.

Prizes offered at the show are: C. C. Harris, Lexington, Ky., saddle horses and ponies; D. O. Perry, Midlandburg, Van hunters and jumpers and hunter hacks; and Mason T. Johnson, Colfax, Ind., all military classes.

Charles X. Halstead, Lansing, is chairman of the horse show committee. Officers of the show are: Dr. Gal T. L. Sheehan, president; H. H. Halstead, secretary; Dr. John P. Halstead, treasurer; Jacob Schepers, secretary; Dr. J. A. Rockefeller, assistant treasurer.

Students are being admitted to each performance for an athletic book coupon and twenty five cents.

Mary Colleges to Take Part in Lake Geneva Conference

Over thirty colleges and universities in the central west will be represented in the annual Lake Geneva student conference which opens June 12 and continues for three days of intensive instruction, discussion, and recreation.

The Geneva conference is unique as an intercollegiate event, for no other gathering of students during the year affords a similar opportunity for leaders in all phases of campus activity to come together to discuss common problems.

Thousands of students have participated in the student conferences at Lake Geneva during the last twenty years. This year more are invited to attend than in any previous year.

The general aim of the conference is, according to the official statement from the student Y. M. C. A. headquarters, to give men who are working at interesting activities on the campus an opportunity to examine, evaluate and resolve those activities from the point of view of what is most meaningful, creative, and Christian.

Colleges and universities in Ohio, Indiana, Michigan, Illinois, Wisconsin, Iowa, Minnesota, North Dakota, and South Dakota are eligible to send representatives to the conference. The total expense for the three days of Geneva amounts to \$20, which includes board, lodging, and transportation.

Application blanks may be secured from the Y. M. C. A. of from Y. M. C. A. at North 100 West Adams Bldg., 610 Chicago.

Next Sunday, Professor DeHann is to speak on "Maintaining Poise."

COFFMAN ADDRESSES MEETING OF S. C. L.

The Student Citizenship League members enjoyed an interesting discussion on "Why We Act As We Do" under the leadership of Professor Coffman at the Peoples church, Sunday morning.

Professor Coffman discussed his topic from the viewpoint of our inheritance, emotions, and the situation involved at the time. The biggest point of interest brought out was the fact that we base our actions on "What will others think, and what would they expect of us?"

This fact that public opinion plays an important part in governing our actions and reactions, was clearly illustrated by a graph made on the bases of the question sheet filled out by the members of the league a few Sundays ago on such questions as the right of the wrong in smoking, drinking, and gambling.

The results of this questionnaire showed that the College men and young ladies believed in moderation at least in the first two subjects, but in the majority of cases voted that gambling was not in the right.

Next Sunday, Professor DeHann is to speak on "Maintaining Poise."

SPARTANS TIE PRINCETON AT HARVARD MEET

Both Teams Gain Ten Points for Eighth and Ninth Place, Taking Position Over Some of Best Teams in Country.

CENTRAL I. C. NEXT

Having successfully completed in the I. C. A. A. meet at Harvard last Saturday, the Spartan athletes now turn their attention to the third annual Central Intercollegiate meet at Marquette university, Friday and Saturday. Notre Dame won the first of these meets, and State came through for first place in the second encounter. Whatever develops this year, there is certain to be a race for first place between the three schools, Notre Dame, Marquette, and State. There is about an even chance in each case.

State tied with Princeton for eighth and ninth places at Harvard, with 10 points. In doing this they defeated 15 of the best teams in the east and some of the best institutions as Columbia, Dartmouth, Brown, Cornell, University of Pennsylvania, Colgate, University of Southern California, and California were further down the scoring column than State.

The Stanford aggregation had little trouble in taking the I. C. A. A. A. A. championship for the second time in two years. They amassed 43 points while its nearest competitor, Yale, collected only 25 1/2 points. For second place, Cornell and Penn State tied for 17 points.

DETROIT SCHOOL TAKES 'A' TITLE

Four star athletes from Detroit Northwestern capped the state intercollegiate track and field title in class A last Saturday by collecting 35 points. Bertie, the husky colored boy, took first in the high and low hurdles and first in the broad jump. He was also a member of the winning relay team as its anchor man. This made him the high point man of the class A division with a total of 10 1/2 points. The three other men who represented Northwestern were Dickie, who won the 110 yard dash while his teammate Eckman took second. Snowden was second in the 100 and fourth in the 220. He was the favorite in the 100 yard event, but it was not apparent that his left leg was bothering him as he exhibited a slight limp in his stride.

Class B of Detroit and Grand Rapids South tied for second place in class A, each having a total of 14 points. Detroit Northwestern, a former winner of several previous state meets, was next in line with 10 points. The class A teams managed to take a nice out of four records one in the high jump when Simpson, of Cass Tech, leaped over the bar at 6 feet 3 1/2 inches. This mark is 1/8 of an inch better than that made by Deane of Detroit Northwestern last year. The school's another Cass Tech man added 3 feet 3 inches to the javelin record made by Cooley of Kalamazoo in 1924. The new record is 105 feet 1 inch. The half mile record was set by Arnold of Detroit West. He stopped the stopwatch at 1:59. The previous record was 2:01.5 made in 1925 by Kenrick of Mt. Clemons. Swartz, Kalamazoo Central, the winner of the mile last year, chopped 8 of a second from the record in this same race. Porter of Calhoun made the previous record of 4:23 in 1927.

The half mile and high jump records were set in class C while in D new records were set in the low hurdles, 800 broad jump, javelin throw, pole vault and the relay. The class B 100 yard dash record was tied.

The champions of the other classes other than A were class B, Dearborn class C, Yale, and class D, Okemos.

FRESH CLOSE SEASON VICTORY OVER

The Michigan State ball team closed its season with a victory Monday afternoon at the Central State Teachers' school. The visitors got a very early lead when they scored first frame but the State team came back in the second frame to obtain a lead which they held during the rest of the game. The seventh inning was the turning point in the game as the State team pushed across the plate in the eighth frame but they were unable to score back in the second frame to obtain a lead which they held during the rest of the game. The seventh inning was the turning point in the game as the State team pushed across the plate in the eighth frame but they were unable to score back in the second frame to obtain a lead which they held during the rest of the game.

Captain Wyke and Clark did about as was expected of them in the mile run. Wyke was third, while his teammate was fourth. Loren Brown came through for a third in the two mile run in a field of 24 men. Wilmarth was not running in his usual form, however, he managed to grab off sixth place, which was outside the money. Brown's time of 9:24 was just 6 seconds slower than the winners time. This time is 1 of a second better than the new variety record made by Wilmarth a few weeks ago.

STATE IN TIE FOR WESTERN STATE AND SPOKANE FOR CROWN MAY

The annual State Intercollegiate Tennis tournament held at the Michigan State College courts last week and did not get under way until Friday owing to the judgment weather on Thursday. However the singles were all played off and the doubles matches were all run off except the finals.

The final in the doubles will be played on court between the Western state and Michigan State doubles teams. The match is expected to be close and hard fought because the two teams struck up about even. Heller and Lewis will play for the visiting school while Farberman and Kane will form the team representing Michigan State.

Both Western State and Michigan State have each scored ten points in the meet so the winner of the doubles match will win the state intercollegiate crown. The Detroit Teachers' College team with eight points was next, while Grand Rapids Junior was fourth with five points. Other Battle Creek College Central State Teachers' College and the Michigan State Normal were the other schools who were represented.

The summary: Singles: Quarter finals, Lewis (Western State) 4, Mottin (Western State) 6, 1, 5, Swain (State) 2, Weighin (Hillsdale) 16, 6, 6, 3, Kane (State) 4, 1, 6, 2, Braxton (Detroit City) 4, 1, 6, 2, Battle Creek, 6, 3, 6, 2.

Semi-finals, Lewis (Western State) 4, Swain (State) 6, 3, 7, 2, Braxton (Detroit City) 4, Kane (State) 3, 6, 2, 3, 3.

Finals, Braxton (Detroit City) 4, Lewis (Western State) 6, 2, 6, 0.

Doubles: Quarter finals, Garlough and Michigan (Hillsdale) 4, Kelly and Stevens (Central State) 6, 2, 6, 2, Heller and Lewis (Western State) 4, Baird and Miller (Battle Creek) 6, 1, 6, 2, Cawley and Berg (Detroit City) 8, Hancock and R. Hancock (Detroit) 6, 2, 6, 1, Farberman and Kane (State) 4, 6, 1, 6, 2.

Semi-finals, Heller and Lewis (Western State) 3, Garlough and Michigan (Hillsdale) 6, 1, 6, 8, 6, 2, Farberman and Kane (State) 4, Cawley and Berg (Detroit City) 6, 1, 6, 4, 6, 1.

Finals, Heller and Lewis (Western State) 4, Garlough and Michigan (Hillsdale) 6, 1, 6, 8, 6, 2, Farberman and Kane (State) 4, Cawley and Berg (Detroit City) 6, 1, 6, 4, 6, 1.

Dr. O. E. Reed, head of the dairy department, yesterday accepted the position of chief of bureau of dairy industry in the United States department of agriculture. The appointment was made by Secretary of Agriculture William Lindbergh.

Professor Reed was one of the three highest certified for the position by the United States civil service commission. He will take up his duties at Washington on September 1.

Professor Reed is recognized as one of the outstanding men in the United States in the field of dairy research and education. He came to the college in 1921. In 1925 and 1926 he was president of the American Dairy Science Association and was recently nominated by President Coolidge as a delegate to the World Dairy Congress to be held in London in July.

He is chairman of the Athletic Council at the college, is a member of Phi Kappa Phi and Alpha Zeta, and has served as a member and officer of a large number of dairy groups. He was favorably mentioned for the position of dean of agriculture of the college to succeed Robert S. Shaw, now president of the institution.

Mass Miller and Miss Whitaker of the home economics faculty spent the week end in Detroit attending the national band tournament.

Man Riled by Rivals' Time Claims

Rutherford, N. J. March 9, 1927

Larus & Bro. Co. Richmond, Va. Gentlemen:

I sure get some riled when I see where some fellow is crowing over the fact that being older, and having run into Edgeworth sooner than his less fortunate competitors, he challenges the world as the champion long time member of the Edgeworth Club.

He doesn't deserve any medals. He got his reward in the enjoyment of his smoking for the added number of years. He was just lucky in starting sooner, that's all.

However, if you care to delve into ancient history, look up when they first started to pull down the old Grand Central Station in New York; then add at least six months to that, and you will arrive at the approximate time when I first joined the club.

I have smoked at least one pipeful of every other tobacco I have seen advertised, sometimes through necessity, but most of the time to prove to myself that I have been right in sticking to the old blue tin.

Yours truly, H. M. Wittridge

Beatrice Comstock and Robert Wood are on the first junior team.

The following have met the requirements for the class swimming teams: Freshman, Margaret Stevens, Mary Thomas, Bernice Sexton, Isabelle King, Joanne Stokes, Violet Hamer, Mary Louise Lipka, and Myrtle Mae Nimes; with Margaret Gillies, Eleana Hamilton, and Louise Williams as substitutes; sophomores, Irene Chapin

Dr. O. E. Reed, head of the dairy department, yesterday accepted the position of chief of bureau of dairy industry in the United States department of agriculture. The appointment was made by Secretary of Agriculture William Lindbergh.

Professor Reed was one of the three highest certified for the position by the United States civil service commission. He will take up his duties at Washington on September 1.

Professor Reed is recognized as one of the outstanding men in the United States in the field of dairy research and education. He came to the college in 1921. In 1925 and 1926 he was president of the American Dairy Science Association and was recently nominated by President Coolidge as a delegate to the World Dairy Congress to be held in London in July.

He is chairman of the Athletic Council at the college, is a member of Phi Kappa Phi and Alpha Zeta, and has served as a member and officer of a large number of dairy groups. He was favorably mentioned for the position of dean of agriculture of the college to succeed Robert S. Shaw, now president of the institution.

Mass Miller and Miss Whitaker of the home economics faculty spent the week end in Detroit attending the national band tournament.
