Michigan State News

Published twice weekly during the college year by the students of Michigan State College. Entered as second class matter at the postoffice, East Lansing, Michigan. The Michigan State News office is located on the fourth floor of the Union building. Telephone, college exchange, extension 104.

Representative Collegiate Special Adv. Ag. Inc., 563 Fifth Ave., New York City. 612 N. Michigan Ave., Chicago, Ill. Roy Barnhill, Inc., 40 E. 34th St., New York City. 80 Boylston St., Boston, Mass., 410 North Michigan Ave., Chicago, Ill.

Editorials appearing in the Michigan State News are written by the editor-in-chief and his assistants, who are students. They can no way be interpreted as representing the official viewpoint of the college or of the college officials.

Subscription, \$1.50 the School Year.

DETERMINED ACTION—

In a former edition of the State News, we recently advocated that something be done about the disregard for tradition on the part of the freshman and sophomore men. If our hopes are realized, that something will start in the Sophomore class meeting on next week.

The sophomore class needs a band of men who are not ashamed of the fact that they are still underclassmen, and who have the courage to put freshmen in their place when they refuse to stay there voluntarily. We believe that there are such men in the second year group and that they will not only put negligent freshmen in their place but will also carry a little discipline toward those sophomores who are apparently too good for their class.

The State News wishes President Jaehnig of the sophomore class all success in bringing this thing to a sudden end. A little display of determined action will be greatly welcome to the upperclassmen and probably produce amazing results among underclassmen. In accomplishing this thing we do not feel that it would even be out of order for loyal freshmen to combine forces with the sophomores and wage war jointly against men who respect neither class nor campus custom.

A CHANGE OF ATTITUDE—

Recently we criticized the prevalent attitude of the student body toward the unpleasant custom of "browning" and advocated that some sort of change be brought about which would make for more intimate and friendly relations between the faculty and students.

First of all, we believe that this attitude has developed because certain students are too quick to condemn a man for "browning" who has not the remotest idea of doing any such thing. The smirks and smiles and casual remarks among the condemning students is disheartening to a man who may approach his professor only to satisfy some question in his own mind about the lecture or the assignment.

To correct this we might advise that all audible or visible signs or disapproval be repressed until some form of investigation has been made and evidence is produced which proves a man warranting of condemnation. Such an investigation is not always possible indeed, but our point is that our student body is too quick to judge a man and to form an opinion without legitimate grounds.

When a man is truly "browning", we are not for him. But when a man approaches his instructor in order to clear up some obscure point in his own mind, or to seriously discuss some phase of the course, or to ask advice pertaining to further study, we do not call it "browning". We believe that that student shows good judgment in exercising his privilege and his right to demand that his instructor clearly convey to him the information that he is trying to give to the class as a whole.

Our purpose in college should be, after all, to glean some bit of knowledge while we are here. In order to do this, we know that more understanding can be obtained between individuals, and a better grasp of the subject through a friendly discussion, than through wholesale lectures. That is why small classes are the most successful, and that is why deficient students are called into the Dean's office one at a time, rather than holding a mass meeting for them all and giving them all the same fight-talk.

Therefore we urge that the students forget their smiles and side remarks when someone approaches the instructor and come to realize that the professor is not someone to be avoided, but that he is really under obligation to us to convey his subject to us and if necessary, to clear up the personal problems of each one.

INCREASED PRODUCTION—

Every growing business concern finds a time when it is necessary to change its system in order to cope with its own growth. Such a growth on the part of the college is the reason for the change in credit systems which will go into effect next fall term. The college has reached that point where it is necessary to make a shift in order to make the best use of available time and existing campus facilities. In other words, it is planned to increase production.

The faculty committee has assumed that students in college come here to work, and that they therefore can put in workingman's hours, working six days a week with a half holiday on Saturday. Such a system would increase the efficiency of the student and hold him on the campus and closer to business. The present schedule system with a two, two and a half, or three-day holiday in each week has long proved a detriment to good work.

Furthermore, the new system provides an opportunity for the underclassmen to take a greater variety of courses, offers more sections in each course, and fits more closely together into a better organized program of studies. We believe, therefore, that the student body will find such a change a decided improvement over existing conditions.

CO-ED RIFLE TEAM BEATS SOUTH DAKOTA STATE

Spartan co-eds last week defeated South Dakota State College in the first rifle match of the year by a score of 186 to 477.

Miss Kaiser, captain of the team, and Miss Schussberger led the scoring, both shooting a 99. Miss Kinton and Miss Diller were but one point behind with a 97 and Miss Rehkopf followed with 96.

On the team reserves, Miss Markle, Miss Walker and Miss Fox each shot a 95. Miss Hard and Miss Kaechele fired a 93 and 92 respectively. The alternates were Miss Connor with a 97 and Miss Floten with a 93. Captain E. B. Crabb is coaching the rifle team and is well pleased with the prospects. This week the University of Idaho is firing against the Spartan co-eds.

SOCIOLOGY DEPT. LISTS FEATURES FOR 'AG' WEEK

Dr. E. L. Kirkpatrick, of the U. of Wisconsin sociology department, will appear as the main speaker for Wednesday evening, Farmers' Week. His address will be "Factors in Costs and the Standard of Living on the Farm".

In addition to this, the State sociology department has secured Warren H. Wilson of New York to speak Tuesday and Wednesday mornings at the meetings of the Michigan State Association of Farmers' Clubs. The Michigan Country Life Association in conjunction with the Y. M. C. A. and the Y. W. C. A. will also meet with the sociology department during Farmers' Week.

ECON. DEPT. TO GIVE TALKS DURING FARMER'S WEEK

A series of talks in the field of agricultural economics is to be given Feb. 6 by members of the economics department as a part of the Farmers' Week program.

The topics scheduled are: "Adjustments to Changing Conditions in American Agriculture" by Dr. H. S. Patton; "The Agricultural Marketing Acts and Co-operation" by Prof. O. Ulrey; "Problems and Policies of the Federal Farm Board" by G. Patch, extension specialist in agricultural economics; and "The Agricultural Outlook for 1930" by R. V. Gunn, extension specialist in agricultural economics.

DECORATE H. E. BUILDING FOR FARMERS' WEEK

The lower floor of the home economics building is transformed into a veritable sunken garden in honor of the women visitors of Farmers' Week. Ferns and palms line the stair landings; bouquets of flowers brighten the tea tables; plants and palms, and ferns bank the stage of the Little Theater.

The college greenhouse, displaying the materials for the decorations, is in charge of the committee in charge. The committee in charge includes: Anna Bayha, chairman; Shubin, Merle Byer, Gert Merle Ramer.

ANATOMY BUILDING PLANS UP BEFORE STATE BOARD

The long proposed physiology and anatomy building looms as a possibility on this campus if architectural plans now being drawn up are accepted by the State Board of Agriculture.

A Lansing firm, Bowd & Munson, the same partnership that designed the new portable basketball floor in Dean's operation hall is at present working on plans for the new building on the campus. If the designs are satisfactory, it is expected that the board will accept them.

SOIL IMPROVEMENT ASS'N TO MEET FARMER'S WEEK

The Michigan Soil Improvement Association, which is composed of over eight hundred Michigan farmers, will meet during the Farmers' Week program, Feb. 4 to 7.

Talks will be given by members of the college soil department, including G. M. Grant, M. D. Weldon, C. E. Miller and Dr. M. M. McCool, head of the department. Other features on this part of the program will be the talks of various farmers in the organization. Prof. Gardner of the Hort. dept. will also deliver a speech pertaining to soil.

You want PEP?

Here it is in BETTER BRAND FLAKES

The most popular ready-to-eat cereals served in the dining-rooms of American colleges, eating clubs and fraternities are made by Kellogg in Battle Creek. They include ALL-BRAN, Corn Flakes, Rice Krispies, Wheat, Krumbs, and Kellogg's Shredded Wheat. Wheat Biscuit, Also Kaffee Hag Coffee—the coffee that lets you sleep.

Kellogg's PEP BRAN FLAKES

TRY Kellogg's Pep Bran Flakes tomorrow. Each crisp, delicious spoonful gives you the concentrated nourishment of health-building wheat—energy to keep you wide awake in classes, pep to keep you on your toes throughout the afternoon's athletics. Just enough bran to be mildly laxative. Ask that Kellogg's Pep Bran Flakes be served at your fraternity house or favorite campus restaurant. They're great with fruit or honey added.

...on the table it's SKILL!

...in a cigarette it's TASTE!

"JUDGE A TREE by its fruit." The endless detail of ageing tobacco, blending and cross-blending, the standard Chesterfield method, is not what interests you. But its "fruit"—keener, spicier aroma, true mildness with unmistakable tobacco "character"—is just the one thing that smokers can judge by—

"TASTE above everything"

MILD...and yet THEY SATISFY

Varsity Party Climax Season's Formals

J-HOP IS TONIGHT. Tonight, the premier social affair of the year is given and the social season of the campus is closed. Tonight when the grand march is formed, it will be the result of weeks of planning and the working out of many details which will make this year's prom the most brilliant and elaborate of all. The grand march which will take place about midnight will be led by Governor and Mrs. W. Green, Miss Carol Johnson and Charles Ladd, president of the Junior class, Miss John...

...a sophomore at the University of Illinois and is a member of the Alpha Phi sorority. Nearly 400 couples will be in the march. The other guests of honor at the party will be President and Mrs. S. Shaw, Secretary and Mrs. H. Day, Hon. and Mrs. L. Whitney, and Dean Elizabeth Conrad and Mrs. Edward Davis and Mrs. James Crowley will act as hosts. Henderson's orchestra of 12 members has been engaged to play the dancing and the fact that the nationally known recording orchestra has been lent much to the anticipation of the occasion. This band has been popular in the eastern collegiate circuit and the following week-end will be in the city.

...suede leather lettered in black and gold. Proceeding the Hop, many of the fraternities have planned dinner parties. Following the banquet, many of the Prom guests will attend the Union Open before going to the Hop. The annual Varsity party will be held in the Masonic temple the following evening. As is the usual custom, the orchestra and the decorations of the J-Hop will be used. This party is the second social event of the year and this party will outshine all others in brilliance.

The Chi Omega sorority will hold their formal dinner dance in the Wisteria room of the Olds Hotel on Saturday evening. Zooper Tan Rhythm Kings of Detroit will play for dancing. Mr. and Mrs. A. J. Clark and Dr. and Mrs. C. S. Robinson will chaperone the party.

Twenty-four outstanding freshman girls were honored Tuesday evening at a dinner given by Dean Conrad at her home. The purpose of this dinner was so that Dean Conrad might meet the freshman girls as a companion rather than a supervisor. Also so that the freshman girls might get to know each other. Later, dinners will be given to 24 selected girls from the sophomore, junior and senior classes.

Michigan State College Brides' club of 1930 held its annual "sweetheart party" Wednesday evening at the home of Mrs. Fendley Collins, 316 Ann street. Mrs. Collins was assisted by Mrs. Mort Mason. A decorative scheme of red and white in keeping with Valentine's Day was utilized. Refreshments were served and appropriate games played. Bridge was played later in the evening. Those present were Mr. and Mrs. C. Dorman, Mr. and Mrs. E. R. Handcock, Mr. and Mrs. J. O. Hardesty, Mr. and Mrs. C. Rossmann, Mr. and Mrs. J. W. Shedy, Mr. and Mrs. J. W. Thayer, Mr. and Mrs. Mort Mason and Mr. and Mrs. Fendley Collins.

Miss Helen Finnigan, Detroit, was a guest of Clare Jacques at the Eta Alpha house over the week-end. Miss Jane Parker of Owosso was also a guest of Miss Catherine Lapka. The society entertained Dean Rose Marie Dye and Dean Elizabeth Conrad at dinner Thursday evening.

Of interest to many people on the campus was the wedding of Miss Betty Leadley, Lansing, and William C. Beck on Saturday at the home of the bride's mother, 221 North Pine street, Lansing. The bride is a graduate of last year's class and is a member of the Theta Chi sorority. The groom is a member of the Phi Delta fraternity, Scabard and Blade and was a lieutenant in the R. O. T. C. The young couple will make their home in Lansing.

Coming as a surprise to many of their friends was the announcement of their marriage on Saturday noon at 4 p.m. of Miss Evelyn Horan and Curtis Bowker. The young couple left East Lansing immediately following the military ball and were married by the bride's uncle, Rev. Hiley Baker.

Mr. Bowker is very prominent on the campus, having been president of the sophomore class last year. He is a member of the Herman fraternity and Blue Key, national honorary campus fraternity. He was active in completing arrangements for this year's military ball. Mrs. Bowker has been employed with the J. B. Ford company of Waukegan. Mr. Bowker has returned to Michigan State to resume his studies.

Because of the Farmers' week programs, the campus has been a busy place. Banquets have been held throughout the week by the various organizations of the work. Luncheons were served each day at the Women's building for the speakers and heads of the committees. This was a social gathering so that the faculty might become acquainted with the guests. R. W. Terry of the short course department was in charge of the luncheons.

ALUMNUS SPEAKS TO C. G. A.
June Ramsey Lyman, class of '27, will speak on her social service work in the Kentucky mountains at the Campus Circle assembly Sunday at 12:00. The Alpha Phi will have charge of the program.

Y. M. C. A. SPONSORS BANQUET FEB. 12

Lincoln's Day Program Planned
For Foreign Students.

The Y. M. C. A. is sponsoring a Lincoln's day banquet to be held on Feb. 12 for the purpose of further acquainting the foreign born students and native born students at Michigan State college. The banquet will be held at Peoples church at 6:30 p. m. Tickets are being sold by the members of the Y. M. C. A. cabinet, foreign students, however, are being invited as guests. All students and faculty are cordially invited to attend.

A very successful banquet of this type was held in 1929 at which time C. W. Otto, secretary of the Lansing Chamber of Commerce, was the principal speaker, and over 100 people attended. An equally good speaker has been secured for the program this time and the success of the banquet is expected to surpass that of last year.

Students who are chairmen of the committees for the banquet are as follows: Bob Riss, general chairman, Eugene Barbour, banquet, Larry DeVries, program, Carl Heavens, decorations, Glenn Hedell, tickets.

Those who relish good food and who are looking for a grand surprise...

Our pies and pastries, delight lovers of food confections. Of choice fruits and baked with the skill that used to make mother's pies such food-event.

Over the Horizon

HERE they come—the nucleus of an all-electric merchant marine. Yesterday, they were a dream. To-day, they are well over the horizon, linking the ports of the east and west coasts with fortnightly service. The goal of the Panama Pacific Line is to build three more turbine-electric ships, thus enabling weekly New York-Frisco sailings.

Even now, the three liners, *California*, *Virginia*, and *Pennsylvania*, constitute the largest fleet of turbine-electric commercial ships in the world.

Besides propelling these ships, electricity hoists freight, raises anchors, runs pumps, turns rudders, drives winches, and warps the vessels into their berths. It lights lamps, spins fans, operates elevators, cooks and cooks food. Its magic touch is apparent on every deck.

All electric equipment, above and below deck, is a product of General Electric.

The planning, production, and distribution of such equipment has been largely the responsibility of college-trained men who are working with General Electric and who have aided in bringing these ships over the horizon.

GREEN AND WHITE BASKETEERS GO INTO ACTION A FAVORITE TO TAKE VISITING KALAMAZOO FIVE

Week's Vacation Sends Fresh Team Into Action Against Kalamazoo
Hornets Who Come With Recent 28-15 Victory Over
Chicago Y. M. C. A. Five.

AFTER a week's layoff, Coach Van Alstyne's fast traveling Michigan State basketball team will get into action again tonight when they meet the formidable Kalamazoo college quintet on the new floor in the armory. Although the Spartans are favored to win, the contest is not expected to be a walkaway for the Hornets usually are represented by a clever court aggregation.

The Kalamazoo basketball team will meet the Spartans fresh from a victory over Chicago Y. M. C. A. earlier this week. The Y team presented a strong zone defense but the Hornets came through with a decisive 28-15 win. Coach Barnard had to reorganize his team with the beginning of the semester because of the ineligibility of Capt. Sam Burrows, but the recent victory gave proof that the team has not lost its winning ways.

Following the week's rest the Spartans are primed for the game tonight. Roger Grove, who starred in the Marquette game last week by scoring half of the team's total points, has given proof that he can cope with strong competition and is favored to start at forward, teaming with his brother Don. Den Herder will get the call at center with Hara and Scott at the guards. Rudy Borskoel has been making a bid for the reserve center position and may see service in tonight's game. Capt. Van Zelen, Barnard, and Pinneo are others who will no doubt get into the fray.

In the past games between Kalamazoo and Michigan State have not been lopsided. In 1926 the Spartans won 36-22 while in 1928 the score was 36-24. In all the two quintets have met nine times, State winning seven. While Ralph H. Young was coach at the Homer institution, the Kalamazoo team turned back the Spartans twice, 39-28 in 1922 and 24-22 in 1923.

The probable starting lineups for tonight's game are:

Kalamazoo	Pos.	State
Murdock	F	D. Grove
B. Schau	F	R. Grove
M. Schau	C	Den Herder
Knight	G	Scott
Owens	G	Hara

Officials: Jerpe (Kenyon) Thompson (Lawrence).

TRACKMEN VIE IN CLASS MEET

Close Scores Expected in Annual
Inter-Class Competition
Saturday.

Another interclass track meet will be held tomorrow, open to men of all four classes. The purpose of this meet is largely to get a line on possibilities and prospects for freshman and varsity indoor track teams. The varsity will start off their schedule next week with Marquette at Milwaukee, Wis., and the men who show up best in the interclass contests will be taken on the trip.

It is impossible to tell at present which class has the advantage. From all present indications the meet will be hotly contested and the winning team will not have a great margin over the other three. There are many varsity and lettermen participating as well as prominent men from the freshman squad.

There are no McAtees or Aldermans on the team this year, but the majority of the events will be represented by at least two fairly good men. This year's team will be well balanced, even if there are no outstanding men.

STATE SWIMMERS IN TRIANGULAR MEET

Cass and Western Reserves Will
Compete Against State Next
Saturday at 1:30 P. M.

For the first time in many years Michigan State will be entered in a triangular swimming meet to be held in the local pool. Saturday afternoon at one thirty the varsity tank men will compete with Cass and Western Reserve paddlers of Cleveland, Ohio.

Both Cass and Western Reserve have formidable swimming teams and the three cornered meet should develop some exciting speed events. Coach Dorn's men are in fine shape after their win over the stellar Grand Rapids Y team and expect to be in top form for Saturday.

State will probably be represented by the following swimmers: Craig, Scheid, Chataworthy, Vaughan, Cronenworth, Schachtel and Capt. Cook.

COACH YOUNG GIVES VIEWS ON STALLING

Fans Usually Place Blame for
Delayed Play on Wrong Team,
Says Spartan Mentor.

In view of the attitude taken by the majority of basketball fans at the Marquette game last Friday night regarding the stalling tactics adopted by both teams, the following announcement was made last night by Ralph H. Young, director of athletics:

From a spectator's point of view, stalling is to be frowned upon, due to the fact that it slows up the game considerably. Nevertheless, there are times when stalling is good basketball, and as such is perfectly justifiable. The use of this ruse by both teams in the Marquette game falls into the category of good basketball.

Young further stated that the average basketball crowd places the blame for stalling on the shoulders of the wrong team, and substantiated his statement by reference to the basketball rule book, which says:

Stalling is becoming less and less of a problem, and as predicted a few years ago is not going to require any special legislation to keep it under control. Occasionally bitter complaint is heard about it, but wherever the public has been educated to the idea that the defensive team, the team not in possession of the ball, is responsible for stalling, this type of play has ceased to cause trouble.

The length of a time a player in bounds can legally hold the ball is indefinite, Young went on to say. It depends entirely on the activity of his opponent.

PICTURE APPOINTMENTS FOR VARSITY LETTERMEN

Picture appointments for the Wolverine have all Varsity letter men scheduled for a group picture at 8 o'clock Wednesday in the gymnasium. The cheerleaders are requested to be at the gym at 4:45 p. m. on the same afternoon for a sitting for the yearbook.

STATE GRAPPLERS TAKE ON OHIO U.

Tomorrow afternoon at four o'clock Coach Fendley Collins' varsity wrestlers will meet the Ohio University matmen in the local gym. The grapplers from Athens, Ohio always furnish plenty of opposition and this year have a slight edge on State's team according to past performances. Coach Collins' men will try to avenge the defeat handed them last year by Ohio when they secured a close victory, 18 to 16.

Varsity wrestlers who will compete are Miller, 115 pound class; Wilber, 125 pound class; Storer, 135 pound class; Tompkins, 145 pound class; Marshall, 155 pound class; Shepard, 165 pound class; Slaght, 175 pound class and Capt. John Heavyweight class.

MEN'S RIFLE TEAM TAKES WYOMING

Gives Squad Five Wins and One
Loss; Score This Week
is 3,561-3,465.

The Michigan State men's rifle team defeated the University of Wyoming this week by a score of 3561 to 3465. J. B. Falver was high-point man with 368.

Other men whose scores aided materially in the low tally were: D. D. Smith, 367; S. L. Slater, 366; C. A. Risley, 361; A. Smith, 358; L. Farman, 352; H. C. Giverson, 350; I. P. Hichman, 347; H. R. Button, 347; M. W. Hammond, 345.

The team has now won five shoots, and lost one, that being to North Carolina State on Jan. 25. The report from University of Washington has not yet been received.
