JUNIOR CLASS DEVISES PLAN TO FUND DEBT

Petitions to be Presented to Members of Class Asking for Assessment.

STATE BOARD TO DECIDE

Favorable Action Will Result in Levying \$1.25 Blanket Tax Next Term.

A plan whereby the present indebtedness of the senior class can be financed was formulated by the officers of that class and was arranged last night by Charles Ladd, president. The amount of the J-Hop deficit must be reduced in order that the class may function throughout the senior year, so a petition form of presentation will be used to obtain the sentiment of the class.

Petitions will be circulated during the rest of the week and the first of next week to obtain at least 285 junior signatures asking that a blanket tax be assessed of \$1.25 on each member of the junior class at the time tuition are collected next term. The paper will be presented to the State Board of Agriculture at their next meeting when they will be asked to sanction the advisability of placing the assessment against the class.

Inasmuch as some plan will have to be used immediately to get the junior class out of the red action is necessary before the close of the term. The decision comes from the fact that due to lack of support behind the junior party and the resulting debt cooperation must be obtained to extricate the class from the present situation.

It is hoped that if a sufficient number of names are affixed to the petition the state board will be entitled to accept the idea as representative of the body. As nothing definite is known how the

GRAVEURE WILL CLOSE COURSE

Noted Tenor Expected to Draw Immense Crowd for Last College Concert.

Louis Gravure, internationally known tenor and head of the voice department of the Michigan State Institute of Music will close the college Arts Course in the auditorium of Peoples Church next Thursday evening March 20, at 8:30 o'clock.

Past popularity of Gravure in his appearances in Lansing and Fleetland and the anticipation with which his coming concert is viewed, and can to make the last concert of the course the most interesting and most widely attended of the year. The noted artist first made his central Michigan debut on the Lansing Philharmonic course last year and was a decided sensation. Later in the year he accepted part of the faculty music concert given in the gym before the student body. It was then that he made the case for the immense college popularity.

At present he is on tour in Atlanta City and New York City from where he will return Wednesday evening for his appearance here. Many believe he has as much admiration for Gravure as do those in the East who have often sung before packed houses. Although his concert here has been awaited in this vicinity and will be heavily attended, it is said that 900 out of town groups have learned their intentions of coming to the campus for his presentation on the college course.

Students will be admitted on the student coupon book issued to all college people at the beginning of the year.

FORMER M. S. C. INSTRUCTOR DIES AT EAST LANSING HOME

Elmer C. Baker, a former instructor in the Engineering department of this school died at his home, 262 W. Grand River avenue late Tuesday, March 13. Mr. Baker who was 78 years of age had been employed by the Reo Motor Car company for the past five years. Previous to that time he had been a member of the college faculty for 17 years.

CONVENIENT CAMPUS CALENDAR

IS ONE OF SOCIETY'S BEST Work of Warren Shook is Highlight of Term's Last Play; Play Well Cast.

J-HOP FINANCE — REPORT GIVEN

Class Fund Deficit is Explained in Detail; Amount Still is Outstanding.

The financial standing of the junior class was given in a statement last night by Charles Ladd, president, and was confirmed by Karl Jensen, class treasurer. The junior Prom deficit was explained in detail and the manner in which the debt incurred was set forth in full.

The difficulty in the complete fulfillment of the agreement between the Varsity club and the junior class in regard to the joint use of the Masonic Temple, the orchestra and the decorations was given as one of the primary reasons for the situation. One hundred and forty dollars is still outstanding against the club as a result of the loss of part of the Varsity party receipts. This loss will have to be assumed by the junior class indirectly unless the club makes it a part in the expenditure.

It is hoped that if a sufficient number of names are affixed to the petition the state board will be entitled to accept the idea as representative of the body. As nothing definite is known how the

(Continued on page 3)

"The Clean-Up" political comedy was presented by Theta Alpha Phi, honorary dramatic fraternity, Wednesday evening in the State theater before a medium-sized audience. It was the last offering of the dramatic society for the winter term.

The play given was one of the finest ever staged on this campus and will rank with other successes of the student group. A cast of campus thespians extremely well supported held an audience of more than 500 spell-bound with an intriguing plot that concerned the political aspirations of a young married woman. The highlight of the offering was the very able characterization of a ward political presented by Warren Shook.

Subscription, \$1.50 the School Year.

REGARDING THE JUNIORS—

The report of the J-Hop financial condition and the proposal of a special assessment upon all members of the class to make up the deficit of the class comes from the leaders of the class after long deliberation on their part to find a plausible way out of the class debt.

Inasmuch as the class must be on a sound financial basis next year and well out of the red in order to properly carry on senior activities and the commencement week program, it is essential to the best interests of the class to clear themselves of this debt while it is still fresh on the books. It was due to a lack of interest on the part of juniors in supporting their class activities that the Hop first went in the hole, and it is only right that those same class members should now contribute in bringing their class back on an even financial stand.

The assessed amount as figured by the class leaders is just sufficient to pay off the outstanding bills and to bring the books back to balance. Inasmuch as the class officers are men of student choice, they deserve the support of the students. And it is to the best interests of the junior class and its members to accept the only apparent way out of this difficulty and cooperate in clearing their class of all financial embarrassment.

BLUE KEY IN ACTION—

Following a lull in activity, Blue Key, campus service fraternity, has assumed the responsibility of meeting and entertaining the entrants from twenty Michigan high schools who take part in the State Interscholastic swimming meet on the campus today and tomorrow. The junior men have arranged to take care of some eighty high school men during their stay on the campus.

It is to the interest of the college as a whole that these high school men should be properly received and entertained during their brief visit here as it may materially influence them in making a choice of Alma Mater for their education following high school.

In this respect Blue Key has chosen a wonderful opportunity to be of service and to carry on the purpose of the society and further the interests of the college of which it is a part.

UPPERCLASS LEADERSHIP—

As we watch the slow whirl of campus activities we are greatly impressed by an unusual situation on this campus. The noticeable lack of upperclass personnel in important campus functions. A careful study and analysis of certain organizations reveals that it is in reality the underclassmen who are carrying the brunt of the load, and that our system of weeding-out and eliminating is too severe.

We believe that the Michigan State News, as the official organ of the Student Council and the official student publication of the college, should be managed and written by upperclassmen, who have a knowledge of the campus and who are interested in printing the campus news and a frank expression of campus opinion on timely subjects. At the present time the editorial staff of the paper has but one senior man and three junior men among its personnel. The rest of the men on the staff are underclassmen, and upon them largely rests the job of news gathering.

The same condition exists on the Wolverine, where the editor, business manager, and art editor are the only seniors. And the number of juniors aspiring for the position for next year is noticeably weak. The staff of that publication is largely co-ed.

We have one word to say in favor of such a situation, the freshmen men are enthusiastic and they are not tied down by petty committee jobs. But on the whole, we are not in favor of this underclass leadership and we would like to see political friction and petty grievances overruled in favor of cooperative leadership by a group of representative upperclassmen who join together to rule and run campus publications according to campus ideals and standards. We predict slight improvement on the campus until the upperclassmen take over active leadership, instead of merely a bystander interest.

ELECTIONS—

During the last few years, there have been a number of general elections at which time various class officers and activity managers have been chosen. Each time, invariably, the turnout at the polls has been small, not large enough to warrant what one might call a "voicing of the sentiment of the student body toward the people selected."

The same trend has been noticeable in city, state, and national elections. It might be that the interests in the government of the country is dying out, that only those who are running for office care at all about seeing that the right man gets the largest number of votes. It is hard to believe that there is so little to the question that it does not deserve an unqualified expression from all concerned. —Purdue Exponent

To Be Well Dressed You Must Be Well Shod

Shoes can "make" or mar any costume. When you wear WALK-OVERS you may be sure you are correctly and stylishly shod—may be proud of the appearance of your feet. You'll enjoy the comfort, too, of your WALK-OVER shoes. They feel so good because they are made tight and fit your foot at all points. We'll be pleased to show you the new Spring Styles.

Sphinx Progresses With Work on Michigan State Song Book

Work on the Michigan State college song book, which Sphinx is sponsoring, is under way. A meeting of the committee chosen to work on the song book was held recently and the work was organized. Plans were made to secure copyrights for the songs and Sphinx hopes to have the book completed next fall.

UNDERCLASSES MAKE CHOICES FOR ELECTIONS

(Continued from page 1)

Olyn Cook, Katherine Lipka. Those that ran were: Maris Coates 25, Hardinge 28, Meir 40, Cook 24, Helen Grove 13, Lipka 36, and Margaret McQuade 23.

Out of a field of four candidates for the Student Council the freshman class named two in their meeting held in the Chemistry lecture room. Jack Clark and Lewis Thornton placed highest in the polling. The results were Clark 43, Thornton 40, Roy Jensen 30, Clyde Lambert 10, James Mitchell 39.

One man will be elected from the three men left in the voting for the Union Board. Those that will run are Richard McDonald, Dan Lau and Horton Stickle. The polling was Lau 32, McDonald 38, Stickle 32, Lyle Hauger 9, Carlton Spencer 11, and Charles Pawlett 28.

No junior class elimination was held due to the fact that not enough persons were nominated to make that necessary. The candidates placed in the preliminary nominations will be placed on the ballot with the exception of Gerald Breen who has withdrawn his name from the list of Union Board candidates.

WHAT YOUNGER COLLEGE MEN ARE DOING WITH WESTINGHOUSE

Special cars were needed...
railway tracks had to be lowered, to handle
the transformers these men built

At Conowingo, Maryland, is the second largest hydroelectric development in the world. Power generated here at 230,000 volts will be fed into lower voltage transmission lines of the Public Service Electric and Gas Company, Roseland, near Newark, New Jersey.

The transformers that will perform this transfer of energy are physically the largest ever built, for their capacity is sufficient to serve the home lighting needs of a city of a million people. Four in number, each is larger than a house, weighs when empty as much as a large locomotive and holds three

tank cars of oil—four specially built railway cars and fifty-two standard cars of various types were required to transport them from the factory to the job. At one point the railway tracks had to be lowered so the units would clear an overhead viaduct, so great was their size.

When spectacular jobs like this come up, it is natural that they go to an institution like Westinghouse. Pioneers in electrical development, Westinghouse engineers often know the thrill of achieving the "impossible" in seeing their work through from design to erection.

Frosh Frolic Leads Party List For Prominence in Week's Events

THE FROSH FROLIC, the most popular informal dance of the season, will climax the list of open parties for the term on Friday evening. Elaborate decorations built around a Saint Patrick's Day theme, novel programs, and "Sonny" Klang's famous piece band, will be chief among the attractions. The Ero Alphians, Themians, Hesperians, Delta Sigma Phi's and Hermians will hold their formal dinner dances this week-end. Six societies will entertain with house dances.

They are Chi Omega, Alpha Gamma Rho, Lambda Chi Alpha and Phi Chi Alpha. The Spartan Fencers club are making plans for their winter term dance to be held Saturday evening at the Little Theater.

The Ero Alphian formal dinner dance will be given in the Wisteria room of the Hotel Oids on Saturday evening. The tables at which the guests will be seated will be attractively decorated with a pink and white color scheme. The Play Boys orchestra will play between courses and during the evening. The patron list for the party includes Dr. and Mrs. C. S. Robinson and Mr. and Mrs. L. L. Frimodig, while Dean Elizabeth Conrad and Mrs. John Gane will be present as guests of the society. A number of out-of-town guests are expected for the dance.

The Wisteria room of the Hotel Oids will be the scene of the Themian formal dinner dance on Friday evening. Fry's "Gold Diggers" will play for the dancing. Lieutenant and Mrs. L. H. Rockafellow, Mr. and Mrs. L. Leininger will patron the party. The guests for the party are Dean Elizabeth Conrad, Pres. and Mrs. R. S. Shaw, Prof. and Mrs. B. Roseboom, Miss. Charlotte Yates and Miss Katherine Miller.

The Delta Sigma Phi formal dinner dance will be given in the main ballroom of the Hotel Oids on Saturday evening. Bob Cruzet's Cotton Club of Detroit will play for the dancing. The patrons for the party are Prof. and Mrs. George Taylor and Mr. and Mrs. M. D. Weldon. Many alumni are expected to be among the forty-five couples who will be present at this dance.

A Faverweather orchestra will play for the dancing at the Lambda Chi Alpha house dance on Saturday evening. The patrons are to be Mr. and Mrs. Joe Shedd, Mr. and Mrs. A. Sweeter and Mrs. and Mrs. Ike Kelly.

The Spartan Fencers club will hold its winter term dance Saturday evening at the Little Theater. The Western Collegians will play for the dancing. Patrons for the party are Prof. and Mrs. A. J. Clark and Mr. and Mrs. L. Belknap. Pres. and Mrs. R. S.

ORCHESTRA TO HOLD ELIGIBILITY DANCE

Honorary Dancing Sorority Plans Contests for Prospective Members.

Orchestra honorary dancing sorority will hold an initiation during the latter part of the spring term. At this time a special class will be offered for those women who wish to try to qualify.

Eligibility includes an appreciative spirit as well as faultless technique. There are three divisions of technique which the candidate must master: the fundamental principles, an original interpretation of some given piece of music, and two original dances, one lyrical and one dramatic.

The sorority is open to women of all classes. Seven State co-eds are now members; if others are interested in joining, they should consult Miss Jane Garland for information.

DETROIT TRIP PLANNED

With the object to study the actual business conditions, the classes of Eben 312 and Commercial Horticultural, will jointly make a trip to Detroit, Friday, March 14. The Detroit Terminal Produce market, railroad inspection yards and cold storage plants are planned to be visited.

NEW BULK-HEAD REDUCES POOL STANDARD LENGTH

Michigan State can now boast a regulation length pool for the state high school championship meet to be held Friday evening and Saturday afternoon.

A bulk-head has been installed in the natatorium, cutting the length to 25 yards rather than 30.

Coach Russell Daubert believes that this will greatly aid his Spartan swimmers when they swim in meets away from home, as well as being a material advantage in the state meet.

JUNIOR CLASS DEVISES PLAN TO FUND DEBT

Continued from page 19

board will regard the question it will be offered with the hope that favorable action will be taken.

One of the reasons why optimism is felt toward the adoption of the plan by the state board is because twice in past years the same scheme has been utilized to remove deficits from the books of the minor class when similar debt have been marked due to the failure of the financial end of the class formal function. In 1924 a blanket assessment was levied against the individuals in the minor class to the amount of \$3.00. Again in 1926 a fee was raised of \$1.50. The petition method was used in these cases, and the approval of the state board was secured.

The junior class has been working on a suitable plan for some time and it was at the suggestion of Pres. R. S. Shaw that the petition system was devised. Every detail has been carefully considered and it is being presented only after assurance that this is the most tenable avenue of action. A complete knowledge of the financial status has just recently been finished and this offers a concrete foundation for all calculations.

LA COFRADIA SELECTS OFFICERS FOR NEXT YEAR

At a meeting of La Cofradia Spanish laundry society, the day night, the following officers were elected for the coming year: President, William Kerslow, Detroit; vice-president, John Williamson, Oak Park; secretary and Treasurer, Ralph Freedman.

MASONS TO STAGE ST. PATRICK'S PARTY

A St. Patrick's party in the nature of an informal dinner dance will be given at the Masonic Temple in Lansing the evening of March 17 by the Lansing Lodge No. 33. Because most of the entertainers and several members of the orchestra are from Michigan State, a special invitation is being given the students.

Following the dinner, which will be at 7:15, the welcome will be given by Sherman Reed, W. M. community singing will be led by E. A. Dodd, and the Swartz Creek band will give a few specialty numbers. Then the dancing will begin with music by the Gold Diggers' orchestra.

DRAMA SOCIETY CULMINATES TERM WITH SUCCESS

(Continued from page 1)

Theta Alpha Phi is to be congratulated on the setting and smooth mechanics of the play. The furniture arrangement on the stage was both appropriate and attractive, and the action proceeded with scarcely a hitch due to the splendid effort of the actors and the careful coaching of Professor E. S. King, head of the dramatics department.

DE MOLAY RAINBOW BLUES FACULTY FOLK CLUB PARTY SET FOR MARCH 21

HOLDS MARCH MEETING

A DeMolay-Rainbow Blues party will be staged on March 21, at the Masonic Temple in Lansing. The party will last from 9 to 1, with Nate Fry's Gold Diggers playing. Tickets may be secured from any member of these two organizations. This party is open to all the students of Michigan State college. The price is \$1.50 per couple.

The last party put on by these two groups was highly successful in every way. Many college students were present, and expressed very favorable comment on the party. The ballroom floor, one of the best in Michigan, is large and spacious, and is really a pleasure to dance on. There is a large, elegantly furnished reception room, with many comfortable overstuffed day-chairs and chairs, for the use of the visitors.

Dean Elizabeth Conrad was a dinner guest of the Sigma Kappa sorority on Thursday evening.

COLLEGE PUGS PUT PUNCH IN BOXING FINALS

Much Ring Ability Shown in the Seven Bouts Thursday Night.

HANDLER SCORES AGAIN

Four Technical Knockouts Are Secured; Enthusiasm Runs High.

The annual All-College Boxing Tournament was held in the Gym last night and was featured by four technical knockouts. All seven bouts of the evening served to key the large crowd up to a high pitch and were featured by many brilliant displays of ring generalship and punishing ability. The quickest knockout of the evening was secured when L. Handler, last year's title holder, landed a haymaker on his opponent's chin, winning from Sweeney by a technical knockout in the first round.

The evening's festivities commenced when Rendell managed to outlast The Reumes in a veritable slugfest. The two banties were evenly matched and battled on even terms until Rendell's reach advantage enabled him to get in his left for many telling blows. The bout was received with much enthusiasm by the crowd and both fighters were cheered by the crowd.

Zisman and Brown battled in the next bout of the evening which was featured by Zisman's aggressiveness and straight punching which enabled him to win the bout by a decision in three rounds.

Langer and Werner next put on a battle royal from which Langer emerged with a decision after three rounds. Langer won second place with 19 points.

Chamberlin was awarded a technical knockout over Sutson in the fourth bout of the evening. Referee Bremes, representing 17 fraternities and according to L. J. Frimond, a student director of athletics who is in charge of intramural sports, considers the meet the most successful ever held. All but two of the fraternities were represented although the two banties fought in the last bout of the evening only eight societies figured in the scoring.

The most exciting bout of the evening was staged by R. Monette and A. E. Elowitz who put on a hectic battle royal. The two banties were evenly matched in the second round when Monette slipped sprint and the 150 yard medley relay across a sleep producer and won by a technical knockout. Elowitz won the meet. Ulyssian took first place in the two events. The Lambda Chi, Ulyssian, S. A. E. Place Second, Third and Fourth Respectively.

Members of the Electric society easily won the inter-fraternity swimming championship in a meet which was concluded Thursday evening. The Ties held a one-half point lead over the Lambda Chis after the first half of the competition Monday evening and a tie for first place in the specialty of the Central Intercollegiate relay was held at Notre Dame university.

The meet this year attracted 22 men representing 17 fraternities and according to L. J. Frimond, a student director of athletics who is in charge of intramural sports, considers the meet the most successful ever held. All but two of the fraternities were represented although the two banties fought in the last bout of the evening only eight societies figured in the scoring.

The Ulyssian's copped third place with Bayless who immediately started looking for his bicycle. Langdon won 16% points and Sigma Alpha Epsilon ranked fourth with 13%. The outcome of the technical knockout follows: Hesperiata was staked by R. Monette and A. E. Elowitz who put on a hectic battle royal.

The last bout of the evening was a battle royal from which Langer emerged with a decision after three rounds. Langer won second place with 19 points.

Handler retain his crown of last year by administering a decisive defeat to Sweeney. The freshman boxer was a veteran of many ring battles.

The summary:

115 pound class: Rendell d. Beames decision in three rounds.

125 pound class: Zisman d. Brown decision in three rounds.

135 pound class: Langer d. Werner decision in three rounds.

145 pound class: Chamberlin d. Sutson technical knockout in two rounds.

160 pound class: Langdon d. Elowitz technical knockout in two rounds.

Heavyweight class: Handler d. Sweeney technical knockout in one round.

Referee: Don Bremer.

Judges: Burhans, Frimond, Collins.

M. S. C. MEN'S RIFLE SQUAD SHOOTS WINNINGS TO 14

The men's rifle team scored two victories this last week to bring the total number of wins to 14. The team defeated New Mexico, A. & M. State college 3618-3374, and Gettysburg college, Gettysburg, Pa. (woman team) 2907-1968.

D. D. Smith was high point man shooting 374. J. Teachman 372, C. A. Kinley 368, and L. Farman 362 were the next four highest.

LOST: A figured black silk belt with tan buckle. On Wednesday evening between the State theater and the Womans building. Finder please return to me or phone the Womans building. Macie Ernst.

GOOD YEAR FOR MATMEN; SCORE 110 POINTS TO 84

Michigan State wrestlers scored 110 points to opponents 84 during the past season, a summary of the results compiled by Coach Feindlay Collins reveals. Captain Marion Joslin, of Grand Rapids, a heavyweight, Tompkins, 145-pound candidate, and Marshall, the 155-pounder, were the big winners for the Spartans. Each won five bouts while suffering but one loss. Joslin was high point man with 21. Tompkins totalled 19 and Marshall 17. Norman Stoner, lightweight, won four bouts and lost one gaining 16 points.

The team won 28 bouts on the mat and one by forfeit while losing 29.

THREE THINCLADS GO WITH CASTEEL

Captain Brown, Olsen, and Russow Will Run at Champaign, Illinois.

Coach Miles W. (Mike) Casteel and three members of the Michigan State track team left Thursday afternoon for Champaign, Ill., where they will compete in the annual Illinois relay carnival to be held Saturday. Captain Brown beat Arnett in the two-mile run in the time of 9:39.4, which is considered very good time for indoor running. Arnett had previously defeated the Spartan thinclad leader in a triangular meet held at Ann Arbor.

Olson made a strong bid for fame when he soared over the bar at 12 feet 7 inches to share first place honors in the meet at South Bend. He barely missed his try for 13 feet and looks as a worthy successor to Harold M. Alce, State's A. A. U. junior outdoor pole vault champion who graduated in June.

Tommy Van Zanden has decided that these three men are the most probable Spartan point winners, with the first two most likely to add to their own in the last two matches in defeat.

Captain Brown will compete in the University of Wyoming 483-489

1500-meter run. Olson, who carried on by loans to the University of

the Central Intercollegiate relay and makes the record of the team stand

held last at Notre Dame university.

city last week will enter the pole vault. He has been showing fine form. Russow will compete in the 300-meter dash and possible in the low hurdles.

Captain Brown evened the score with his state rival, Roger Arnett, of Michigan Normal at Ypsilanti in the Central Intercollegiate last Saturday.

"Brownie" beat Arnett in the two-mile run in the time of 9:39.4, which is considered very good time for indoor running. Arnett had previously defeated the Spartan thinclad leader in a triangular meet held at Ann Arbor.

Olson made a strong bid for fame when he soared over the bar at 12 feet 7 inches to share first place honors in the meet at South Bend. He barely missed his try for 13 feet and looks as a worthy successor to Harold M. Alce, State's A. A. U. junior outdoor pole vault champion who graduated in June.

The College Shop five gained an early lead and was never headed, although the game was closely contested throughout. The score was 3 to 2 at half time.

Tommy Van Zanden was the high point man with three field goals and one free throw for seven tallies. Gerold Breen sank three baskets from the
