YEARBOOK POSITION PRECARIOUS

J-HOP TICKETS PLACED ON SALE IN LOBBY OF UNION YESTERDAY; DECORATING SCHEME REVEALED

Reserve Full Reservation of Seats to Junior Class; Green and Silver Theme to be Carried Out in Metallic Cloth and Special Lighting Effects

WITH THE OPENING of the J-Hop for the 1931 J-Hop to members of the class, the amount of the decoration scheme for what is proving to be one of the most outstanding and unusual formal affairs in recent Michigan State college history. This year's J-Hop will be held at the Masonic temple, downtown, on Tuesday on the night of January 6.

An expensive and pretentious decorative scheme for the ball has already been completed by Arthur Lawrence, committee chair-

SENIORS

Most one-fifth of the members of the senior class have had their arrangements for caps and gowns taken in date. The remaining 500 are asked by Gerald Green, class president, to give their attention to the task within the week, as the deadline has been set for Saturday night.

The measurements are to be taken at Harry East Lansing store. Each graduating senior is required to make provision for a cap and gown. However no deposit is required until a later date in the spring term.

FROSH FROLIC PLANS FINISHED

Montgomery and Committee Heads Decide on Patrons, Orchestra, Decorations.

This photo for the year's Frosh Frolic has been arranged by Leonard Montgomery, general chairman, and the other four senior committee members. The extra lighting effects made an exceptionally fine picture of what the year's J-Hop is intended to be.

Ticket sales for the formal began yesterday with complete success. Members of the class were provided for. For the present the sale will be held on Friday and here duets may be had to last during the day and at 6 p.m. on Saturday from 4:00 to 6:00 every afternoon.

Tickets this year are \$1.00 each. The first tax for a J-Hop has been set on the campus for many years. This year's J-Hop is to be the most outstanding social function of the season.

ICKLY FUNERAL HELD AT HUDSON

and Rites for Student Attended By Faculty Members Monday.

Services were held in the Episcopal church in Hudson afternoon for Lucille L. Sibley, Michigan State freshman engineering student who died while attending a swimming in the college pool Friday afternoon.

Officials who attended the funeral included Director of Athletics Ralph M. Young, Acting Dean of Students E. B. Dicks, Variety Purchasing Coach Bruce Daubert and Prof. J. M. Cade of the Engineering department.

Sibley's death was attributed to heart disease. The news of her death was received by the community who conducted an autopsy following the death. Conductor W. Ray Garrison of Lansing was in charge of the services.

SWEENEY TO TALK AT C. E. SEMINAR

College Purchasing Agent to Address Senior Group Today.

The third semi-weekly seminar of the Senior Civil Engineering students meets today at four o'clock. The speaker will be W. H. Sweeney, college purchasing agent.

Prof. C. L. Allen, who is the motive power behind these meetings said: "We are trying to get speakers that will describe the various fields of activity and endeavor that the civil engineer is likely to be interested in after graduation. Mr. Sweeney is one of these men."

At the last meeting Prof. F. R. Thorsen addressed the men on the subject of sanitary engineering. He took up various activities of the sanitary engineer and discussed them individually.

TED SHAWN AND HIS TROUPE TO BE IN LANSING

Will Give Special Presentation in Prudden Auditorium To-morrow Night.

IS WORLD WIDE SUCCESS

Scores Extraordinary Triumphs in Germany, England, America and the Far East

Ted Shawn and his troupe in dance with Renate Day, the most noted dancing troupe in the world, will appear in the Prudden Auditorium tomorrow night at 8:30 o'clock, as a special presentation of the Institute of Music. Tickets are being sold on the campus for \$1.00, \$1.50 and \$2.00, the latter price being almost wholly reserved for students.

Ted Shawn is rated by critics of his art as being a magnificent dancer with an insouciant grace that is almost classic in its perfection. Assisted by a highly trained troupe of women dancers the most outstanding of which is Miss Priscilla Day, he enlivens central Michigan a program that is said to have been originally popular with refugee audiences in all parts of the United States.

The Denishawn dancers have lately settled a strenuous tour of Germany, to the extraordinary success of America, England and the Far East. The Berliner Tanzball, organized by newspaper famous for drama and music, the Paris edition of

SAVANTS VISIT COLLEGE SOON

Officials to Bring Educational Exponents Here for Convocations.

DATES DEFINITELY SET

Deans Laing, Boucher Scheduled to Give Talks at Meetings.

Michigan State students and faculty members will have the opportunity to hear two of the educational leaders of the country this term, according to an announcement made by President R. B. Brown today. Deans G. Laing, head of the graduate school and University of Chicago, and Dean C. E. Boucher, head of the Art, Literature and Science school, will appear at the ten all-day convocations planned by the faculty for winter term.

The first conversation is set for Thursday, Jan. 28, when Dean G. Laing will speak to the students at the Michigan State Auditorium.

Dean Laing has selected as a topic for the discussion that the student government is to be held on the third floor of the Michigan State Auditorium.

Dean C. E. Boucher has been selected as a topic for the discussion that the student government is to be held on the third floor of the Michigan State Auditorium.

Dean Laing has selected as a topic for the discussion that the student government is to be held on the third floor of the Michigan State Auditorium.

Dean C. E. Boucher has selected as a topic for the discussion that the student government is to be held on the third floor of the Michigan State Auditorium.

Spartans Wallop Colgate Twice

STATE PROVES SUPERIORITY OVER EASTERNERS ON COURT AS WELL AS ON GRIDIRON WITH DOUBLE WIN

Coach Van Alstyne's Athletes Return With Pair of Scalps Dangling From Belts After Invading Hamilton, N. Y.; Win 41-31 Friday and 50-30 Saturday.

COLGATE UNIVERSITY now has little doubt about the athletic prowess of Michigan State college, because on two successive evenings the court team of the eastern school was shown under by the fast traveling Spartan quintet who administered the first trouncing Friday night, 41 to 31, and followed it up with another smashing victory Saturday night, 50 to 30. Coach Ben Van Alstyne and his victorious cagers returned Sunday afternoon from Hamilton, N. Y., feeling amply revenged for the more or less odious defeat that was handed them in 1929 when the Maroons emerged with a one-point win after a hectic battle, the final score being 36 to 35.

Friday evening State's cagers set a scoring record for the season by piling up 41 points, but they completely smashed that record the following evening when they literally played Coach Jordan's men off their feet to amass a total of 50 points. The outstanding stars of the first evening's encounter were Roger Grove, Spartan forward, and Art Haga, guard, who accounted for 12 and 11 tallies respectively.

On the next night the Spartan quintet had an even bigger scoring bee, everybody collecting points. Roy Grove and Dee Pinneo tied for scoring honors with 14 points credited to each. The Maroon coach tried every combination he could muster in a desperate effort to check the surging Spartans.

Friday's game was the more thrilling of the two encounters from the spectators' standpoint. At half-time Coach Van Alstyne's men were trailing the eastern team by three points. The Spartans received their characteristic inspiration and helpful instruction during the rest period and came back to put the game in the bag with a comfortable margin soon after the second half opened. Alton Kircher, sophomore guard, and Montie Holcomb, second year forward also saw service in the

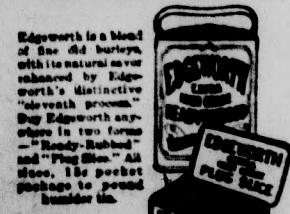

The FAVORITE tobacco of the Dartmouth man is . . .

If you want to know the Dartmouth man's favorite tobacco, watch him as he loads his pipe between classes in front of Dartmouth Row. Watch him as he strolls along Wheelock Street and pulls the familiar blue tin of Edgeworth out of his pocket.

A pipe and Edgeworth—this is the smoking combination that has won the college man—Harvard, Cornell, Michigan, Stanford, Illinois . . . all agree with Dartmouth. Natural merit has made Edgeworth the favorite smoking tobacco in America's leading colleges and universities.

College men everywhere respond to the appeal of pipes packed with cool, slow-burning Edgeworth. Be guided by their choice; try Edgeworth yourself. Taste its rich natural flavor that is enhanced immeasurably by Edgeworth's distinctive "eleventh process." You will find Edgeworth at your nearest tobacco shop—15¢ the tin. Or, for generous free sample, address: Laur & Bro. Co., 105 S. 232 St., Richmond, Va.

EDGEWORTH SMOKING TOBACCO

Edgeworth is a blend of fine old burley, with its natural flavor enhanced by the "eleventh process." Edgeworth's distinctive "eleventh process" has been in two forms—"Ready-Baked" and "Ping-Pong." All these, the pocket package to prove him.

W.A.A. Term Sports Attract 175 Co-eds; Sophs Enroll Most

One hundred and seventy-five co-eds have signed up for W.A.A. sports this term. The class of '33 has the largest representation with the class of '32, '34 and '31, following respectively.

Volley ball for which 100 have reported, has attracted the greatest number, while basketball with 86 followers is a near second. Although swimming is offered as a major sport only 40 have reported so far. The same number are out for fencing which is an unusually large class for this sport. Twenty have signed up for the folk dancing which is being offered this term for the first time.

Basketball and volley ball are being supervised by Miss Dorothy Jane Parker, instructor of physical education. Fencing is under the instruction of George Bauer. Folk dancing is being taught by Miss Ann I. Kuehl, instructor of dancing, and swimming is supervised by Miss Josephine Garvin, instructor of swimming.

Dr. Lydia L. Lighting, head of the Women's Physical Education department, expressed herself as pleased by the interest that is being taken in athletics by the co-eds of Michigan State college.

SPARTAN SPORT SHOTS

BY HARRIS COATES

Welcome Surprises

MICHIGAN STATE sprang a big welcome surprise by turning back the highly touted Colgate university quintet twice on successive evenings during an eastern invasion over the weekend. The Spartans triumphs were even more gratifying because they were scored by safe margins of 16 and 36 points each.

Coach Ben Van Alstyne's eagles all went into a fast strike with the regular scoring freely. Pinned midget forward failed to tally from the court Friday evening but came back strong and rang the bell five times with field goals in Saturday's game. Dee is showing a steady improvement and showing himself a valuable cog in Coach Van Alstyne's high powered basketball machine.

Because State's quintet had not known the form typical of last season's starting combination, many followers held fears for the chances of victory in the east, especially in both games. A large number of fans would have welcomed an even break in the two tilts but the double win is an important achievement.

Randy, Dee Score

The game had hardly gotten under way when Randy Boeskool, Spartan pivot, slipped away from his man and dropped a short one through the hoop. Dee Pinneo, State's half-pint eager, anxious to prove stature wasn't essential to point getting, then snared a deuce to add to Boeskool's counter giving State a 4 to 0 lead. The Maroons were completely baffled by the elusive Spartans and the scoreboard head 16 to 0 before the Colgate men had garnered a single point.

At the second half the Maroon defense led by Anderson and Peckham functioned a little better and Coach Jordan's men cashed in on more scoring opportunities than in the first period. The Spartan, however, were never headed and State's court mentor allowed two of his reserves to get some action towards the end of the game. When the final gun barked State had 50 points to the 30 accumulated by the easterners.

Grove Goes Ahead

ROGER Grove did some heavy scoring in the two games played with Colgate over the weekend and displaced Art Haga as the leader in individual scoring on the State basketball squad. The Spartan forward and co-captain now leads his co-captain and guard by seven points. Grove accounted for 26 points in the two tilts with the Maroons, while Haga scored 19, a credible performance for a guard.

Dee Pinneo, mighty atom of Coach Van Alstyne's 1930-31 team, more firmly entrenched himself in third

For the fifth time in six years of competition, Michigan State college has been honored by the inclusion of one or more of her athletes on the All-American honor roll in track according to notice recently received by Coach Ralph H. Young from the office of the National Collegiate Athletic Association. Lauren Pringle Brown, last year captain and Clark S. Chamberlain, his running mate and 1930 cross country leader both attained the coveted honor for their brilliant individual performances in the two-mile run.

Brown's chance came in the indoor season last winter when he bounded the boards at the University of Chicago gymnasium for a new indoor record of 9:31.2. Chamberlain, also during the indoor meets, proved himself a distance runner of All-American caliber during the outdoor season when he outran the field at the Central Intercollegiate in Milwaukee to set a new state meet and varsity record of 9:32 flat.

Each year the National Collegiate Athletic association picks the five best performances turned in by any winning event and includes these men in its honor roll. Since 1925, the sophomore year of Freddie Alderman, State's lone Olympic star, Spartan athletes have been named fifteen times on this list. Alderman was mentioned in both the

200 and 100 yard dashes in 1926 and 1927. In 1927 he also placed in the 440 and as a member of State's famous 880 relay team. The other members of that team were Lyle Hanson, Robin Green, and Forrest Lang.

In 1928 under Mort Mason's instruction, two Spartan distance men took their places in track's private hall of fame when Henry Wylie ran a 4:22 mile in the Central Intercollegiate meet and Brown turned in a time of 9:37.5 for the two-mile in the same meet.

The year 1929 was a barren one as far as official recognition for performances is concerned. However, in the National A. A. U. meet at Denver following the close of school, Harold McLean, pole-vaulted 13 feet nine inches a height that would have won him a place on the mythical squad had he done it in college competition.

In 1929 also Brown ran what was probably the fastest two-miles of his career at the L. C. A. A. A. meet. He was clocked by Mason in 9:36 but inasmuch as he failed to take first place, his time was not considered in the final check-up.

The year 1930 was a barren one as far as official recognition for performances is concerned. However, in the National A. A. U. meet at Denver following the close of school, Harold McLean, pole-vaulted 13 feet nine inches a height that would have won him a place on the mythical squad had he done it in college competition.

In 1930 also Brown ran what was probably the fastest two-miles of his career at the L. C. A. A. A. meet. He was clocked by Mason in 9:36 but inasmuch as he failed to take first place, his time was not considered in the final check-up.

Acting dean of Engineering H. B. Dirks is attending a conference of the National Electric Light Association at Milwaukee as a delegate and in the capacity of a member of the committee on power.

The year 1931 was a barren one as far as official recognition for performances is concerned. However, in the National A. A. U. meet at Denver following the close of school, Harold McLean, pole-vaulted 13 feet nine inches a height that would have won him a place on the mythical squad had he done it in college competition.

In 1931 also Brown ran what was probably the fastest two-miles of his career at the L. C. A. A. A. meet. He was clocked by Mason in 9:36 but inasmuch as he failed to take first place, his time was not considered in the final check-up.

The year 1932 was a barren one as far as official recognition for performances is concerned. However, in the National A. A. U. meet at Denver following the close of school, Harold McLean, pole-vaulted 13 feet nine inches a height that would have won him a place on the mythical squad had he done it in college competition.

In 1932 also Brown ran what was probably the fastest two-miles of his career at the L. C. A. A. A. meet. He was clocked by Mason in 9:36 but inasmuch as he failed to take first place, his time was not considered in the final check-up.

The year 1933 was a barren one as far as official recognition for performances is concerned. However, in the National A. A. U. meet at Denver following the close of school, Harold McLean, pole-vaulted 13 feet nine inches a height that would have won him a place on the mythical squad had he done it in college competition.

In 1933 also Brown ran what was probably the fastest two-miles of his career at the L. C. A. A. A. meet. He was clocked by Mason in 9:36 but inasmuch as he failed to take first place, his time was not considered in the final check-up.

The year 1934 was a barren one as far as official recognition for performances is concerned. However, in the National A. A. U. meet at Denver following the close of school, Harold McLean, pole-vaulted 13 feet nine inches a height that would have won him a place on the mythical squad had he done it in college competition.

In 1934 also Brown ran what was probably the fastest two-miles of his career at the L. C. A. A. A. meet. He was clocked by Mason in 9:36 but inasmuch as he failed to take first place, his time was not considered in the final check-up.

The year 1935 was a barren one as far as official recognition for performances is concerned. However, in the National A. A. U. meet at Denver following the close of school, Harold McLean, pole-vaulted 13 feet nine inches a height that would have won him a place on the mythical squad had he done it in college competition.

In 1935 also Brown ran what was probably the fastest two-miles of his career at the L. C. A. A. A. meet. He was clocked by Mason in 9:36 but inasmuch as he failed to take first place, his time was not considered in the final check-up.

The year 1936 was a barren one as far as official recognition for performances is concerned. However, in the National A. A. U. meet at Denver following the close of school, Harold McLean, pole-vaulted 13 feet nine inches a height that would have won him a place on the mythical squad had he done it in college competition.

In 1936 also Brown ran what was probably the fastest two-miles of his career at the L. C. A. A. A. meet. He was clocked by Mason in 9:36 but inasmuch as he failed to take first place, his time was not considered in the final check-up.

The year 1937 was a barren one as far as official recognition for performances is concerned. However, in the National A. A. U. meet at Denver following the close of school, Harold McLean, pole-vaulted 13 feet nine inches a height that would have won him a place on the mythical squad had he done it in college competition.

In 1937 also Brown ran what was probably the fastest two-miles of his career at the L. C. A. A. A. meet. He was clocked by Mason in 9:36 but inasmuch as he failed to take first place, his time was not considered in the final check-up.

The year 1938 was
