## I keep coming back to that word "balanced"

on the back of the Chesterfield package

YOU often hear the word balance—something is out of balance—top heavy, not on an "even keel."

What you read, "Chesterfield Cigarettes are a balanced blend," means that the right amounts of the right kinds of tobacco are welded together; that is, home-grown tobaccos, the right kind, the right quantity—are blended and cross-blended with tobaccos from Turkey and Greece.

When these tobaccos are balanced one against the other, then you have a mild cigarette.

When they are in balance, then you have a better-tasting cigarette.

May we ask you to read again the statement on the back of the Chesterfield package? May we ask you to try Chesterfield?

# Syracuse Opposes State in Homecoming Tussle

## STRONG ORANGE ELEVEN TO ARRIVE FRIDAY FOR WORKOUT; MANY OLD GRADS TO RETURN

State Eleven in Good Shape for Intercollegiate Battle After Victory Over Marquette Last Week, 6 to 0, in Sea of Mud; McNitt Scores Touchdown After Recovered Fumble.

Syracuse university's undefeated grid eleven, coached by the veteran Vic Hanson, arrives in town early tomorrow for a pregame workout in the stadium field before tackling Michigan State here Saturday in the annual Homecoming day festivities.

Coming with a veteran and heavy eleven which boasts a formidable record this year in Eastern competition, the Syracuse Orange is slightly favored to return with a victory. Nevertheless, Coach Charlie Bachman's fighting Spartan outfit is rolling up steam after their 6 to 0 victory last week over Marquette and will provide a barrier which may put a serious crimp in any plans the Orangemen might have for an undefeated record.

One of the largest crowds of the year is expected to witness the fray. Augmenting the regular student body rooting section will be the addition of several hundred old grads who will return to the campus Saturday. The game is scheduled to start at 2 p. m. the hand parading the field about 1-1/2 minutes earlier. Ideal weather is predicted for the game, though the air will be crisp.

The Spartans journeyed to Milwaukee, Wis., last week to shatter Marquette's hopes of a good season and ended the trip with a 6 to 0 victory. The game was a hard-fought battle that wound up in a 6 to 0 State grid advantage of an 11-0 record. The game was a hard-fought battle that wound up in a 6 to 0 State grid advantage of an 11-0 record.

**McNitt Scores**  
It was a fumble which Zarna McNitt recovered on the Huskies' 40-yard line which paved the way to the lone touchdown. McNitt was given the ball on the first play and cracked off a 10-yard pass to Zarna McNitt, who cracked off a 10-yard pass to Zarna McNitt, who cracked off a 10-yard pass to Zarna McNitt.

**Points 26 Times**  
The Spartans resorted to the safe and sure Michigan method of leading their advantage and punted the ball 26 times during the game. They only ran the ball about ten times, which was disappointing to the fans.

**Most Fall Back Managers**  
Most fall back managers are needed by Coach Hanson H. Young. Also, men interested in the work of the Spartans are requested to report either to Mr. Young in Room 1 of the gym or to Ed Hart, varsity manager.

## Pigskin Corner Football Personalities

By TOMMY WARNER

Robert M. Armstrong, halfback of the Michigan State team, has played against many old friends and other men on the grid since he has been in college. He has shown great form so far this season, establishing a record of some sort for State last week against Marquette when he scored 26 times in the mud.

As much responsible for the win as was McNitt. Has shown mark of ability at passing and is a consistent grid game. Has shown a steady spring which distinguishes him anywhere on the campus. Has made the take to the Alpha Chi house as much as anyone still in school. Another prominent member of the Student Council, and Blue Key.

An advanced military man, a good natured and peppy. Keeps the squad on its toes even in practice when he is in the lineup. Another member of the squad who attends many of the college functions, and also some of the off-campus affairs.

**DAUBERT CALLS TANK PRACTICE FOR NOV. 15**  
Coach Hanson has called his first call for the 1933-34 season. The call is for a tank practice on November 15. Preliminary conditioning for the team will begin immediately from 8 to 10 p. m. every day in the gym.
