**STUDENT PULSE**

Signed and Initialed articles on any topic pertinent to student interests are welcomed in this column.

**Advocates Discipline For Noisy Basketball Fans**

The Student Pulse, Michigan State News, East Lansing, Mich. Yes, this is satire.

I just couldn't resist this chance of warning the student body of a few things. It is in regard to athletics, basketball games in particular. I suppose you have noticed that so far this year basketball has really had a good turnout as far as spectators are concerned. Well, this is true and many are very happy over this outcome. Especially those at the head of the athletic department.

I am very much afraid, however, that many of you will have to remain at home hereafter if you can't be more quiet. You must realize that the coaching staff and the players work hard all week and cannot stand the least bit of noise on the eve of an important game. In the future the only circumstances under which anyone may watch a game will be under his solemn oath that he will not raise his voice above a whisper throughout the entire performance.

If by any chance any of you should take it into your head to follow the boys in front of the bleachers as they go through their gymnastics, you will be immediately ejected from the whole. I know that on the whole this is not the fault of the students directly, but more the fault of wild rumors that these boys will wild their arms in the air and cheer leaders. This is very silly and absurd and it does not seem as if any college student would lower himself to think such a thing. Who not? They are the reserves and are working for a sweat between halves merely to keep in condition.

Another thing that should be watched is this. Sometimes when the score is very close State either being one point ahead or behind, someone is called at this point many times the college band will play the school fight song. Now once in a while some disloyal supporter will start singing along with the band. Please do not do this in the future as it disturbs the band and they do not play as well. No one should ever sing the college song under any circumstances unless authorized to do this by the president of the institution.

Please cooperate with the above rules more closely in the future. W. A.

**COLLEGE BULLETIN**

The college band will hold its annual formal dance at the Hotel Keweenaw in Lansing tomorrow evening from 9 to 1. Music will be furnished by "Red" Tremaine's orchestra. Tickets may be purchased at the Glass dock for \$1.00 per couple.

Blue Key formal party will be held Saturday evening in the Union ballroom. Dancing to Johnny Habb's music will continue from 9 until 12. Tickets are being sold at \$1.50 per couple.

The formal dinner dance of the Faculty Fox club will take place in the Union ballroom Friday night.

Due to initiation the 4-H club will not hold its regular monthly meeting this Friday evening. Watch for announcement in a later issue of the State News.

Excalibur will meet tonight at 7.

**Athletes Dumb?**  
Survey Says "No"

NSFA—The universal belief that the average athlete is a "dumb-bell" has been exploded by tests made at the Milwaukee State Teachers college. The median score for the athletes was 78 and for non-athletes, 62. The slight variation is due to the fact that athletes study less according to Dr. Billings—Arkansas Woman.

**There will be a Union party this week end because of the Blue Key formal party.**

Students who made application for work through Mr. Edmonds of the Union party should be present. The Blue Key will meet tonight on the Union party at 7:30. All members should be present.

The manly art of self-defense

... now applied to telephone cable

Western Electric, manufacturing unit of the Bell System, now makes a tape armored telephone cable ready to meet all comers. When laid directly in the ground, this cable defends itself against moisture, grit, corrosion and other enemies.

Besides the usual lead sheath, the tiny copper wires in the cable are guarded by seven layers of paper, jute and steel tape—all saturated or covered with asphalt compound.

In pioneering and producing improved apparatus, Western Electric contributes to the year 'round reliability of your Bell Telephone.
