

## Senior Committee Announces Contest For Water Carnival

**Entries in Theme Competition Must Be Handed in by April 24;  
Carnival Will Be Conducted the Same as Last Year, With  
a Week of Festivities Planned**

Work on spring term senior activities was officially open this week, when the committee in charge of the Water Carnival, under Wendell Patchett, held their first meeting and began plans for the affair.

It was decided at the meeting to have the carnival extend over a period of a week, with the final two nights, Friday and Saturday, devoted to the water carnival proper. Although no definite plans were drawn up on the festivities for the entire week, it was agreed upon to have the affair about the first week of June.

## PROF. TALKS TO KIWANIS CLUB

**Prof. Herbert Gives Views on Conservation in Regard to Prosperity.**

The conservation of natural resources will occupy a more prominent part in the history of the last year than it has ever occupied before," stated Prof. P. A. Herbert in an address before the Kappa club.

Our leaders of today realize that rugged individualism and materialism has been with it that it has resulted in the rapid deterioration of all natural resource and that our civilization cannot continue without these resources. What is the use of the knowledge to build a huge dam when it may become useless because the reservoir silt up? What is the use of the expert knowledge of farming when flood damages the crops?

Three important judges will be chosen from among the best theme and judge on the entire list of floats at the parade. The names of the judges will be announced later.

The theme for last year, written by Paul Kendrick of Elkhardt, Indiana, was "Age of Ambivalence," depicting a futuristic America. Each year was portrayed by a float progressing down the river Gedar river.

Many senior activities will occur in the carnival week this year. Although plans are still indefinite, it is known that the senior play will be held at the high school.

The first conservation measure inaugurated by the new administration, and one of its most successful proposals, was the CCC, which combined reforestation and conservation of our natural resources, youth with that of forests, land, water and game. Then came the announced policy to expand the public ownership of our natural resources, particularly of forest land. The huge lumber industry finally accepted the government's proposal to create a "hot-sinked" and wasteful, that to secure for posterity its brightest a country as abundantly supplied with resources as possible the government must own

In all, at least 25 fraternities, societies and other campus organizations are expected to enter floats. They will draw names after the theme has been selected, and each

(Continued on page 4)

But even such is the public ownership of forest land is not enough that remaining in private hands must be safeguarded from abuse. So under the timber code of the NIRA all private timber operations must leave their lands in a productive condition. No longer can land be stripped of its timber and allowed to revert to barren wastes so common in northern Michigan today.

**A** freshman from Denton, Texas, won a half-pound of German cheese for being the best liar on the campus at Oklahoma A and M.

The new district, the second in the series, will be the boulevard in East Lansing. The state office building in west of Michigan avenue to Capitol, then to Kalamazoo street, turning west to Walnut street, returning on Walnut to Allegan, on Allegan to Capitol, and then north to Michigan avenue. The series

intensive marching during each of the eight weeks of the grid season, and the amount of ground covered at each of the eight games that the band paraded and went through with tricky formations.

In practice alone it was found that the boys walked approximately 150,000 yards or about 28½ miles. The distance covered at the games amount to nearly 12 miles. An inventory taken of the shoes of the boys attending the games in the regular bus schedule, the new machines providing additional service.

According to officials of the bus company, bus patrons have expressed a desire for this service, which

warden seemed to show that the boys have been getting excellent mileage per half-inch of shoe leather. One of the veterans estimates that he has walked about 150 miles and is still wearing the same pair of shoes.

Among the activities of the unit during the coming term will be included the annual series of concerts given in the Forest of Arden on the campus, and the musical portion of baccalaureate and sym-

ment in June. In previous years the band has been called upon to participate in various festivals throughout the state, but nothing definite has been scheduled to date.

*[The page contains faint, illegible markings and a dark horizontal band across the middle.]*

## Jack DeCamp Will Play for Union Dance Friday Night; Alpha Gamma Rho Has Only Open House of Week

McKinney's Cotton Pickers Will Furnish Music for Party in Masonic Ballroom Tonight; First Week-end of Spring Term Offers Few Social Events; Important Affairs of Future.

A Union dance to be given tonight marks the beginning of the social affairs of spring term and is the only all-college party scheduled for this week-end. Jack DeCamp's orchestra, popular on the campus and well known in music circles, has been engaged to furnish the music. The party will begin the spring series of weekly dances held in the Union ballroom. In past years the parties met with favorable reception. Alpha Gamma Rho will hold the only fraternity open house of the week-end.

McKinney's Cotton Pickers, nationally famous colored orchestra, will play for a party in the ballroom of the Masonic Temple in Lansing, this evening.

### A. G. R. Sponsors Radio Party Tonight

A radio party will be given by Alpha Gamma Rho fraternity tonight. Mr. and Mrs. George Penman and Mr. and Mrs. Lawrence Freeman will be the patrons for the party.

### Alpha Phi

Elmer Christopher, a student at Kalamazoo college but formerly of State, is spending this week at the Alpha Phi house.

### Beta Gamma

Newly elected officers of Beta Gamma are Julia Niedermeier, president; Margaret Millar, vice president; Kathleen Arver, secretary; Margaret Cork, treasurer; and Gretchen Appel, corresponding secretary.

### Ero Alphan

Alma Jacobson, w. 33, Newberry was a guest at the Ero Alphan house the first of the week.

Helen Warren, Virginia Kams and Adele Chapin were dinner guests at the chapter house Thursday evening.

### Chi Omega

Alumnae activities and pledges celebrated the 39th founding of Chi Omega with a buffet dinner and a program at the chapter house Thursday night.

### Kappa Delta

Miss Norma Maurer, South Bend province president of Kappa Delta, was a guest at the local Kappa Delta house Thursday. The chapter entertained for her at a "raking party" in the evening. Barbara Clark, Evelyn Hart, Jean Carbone, Jean Ruchman, Lila Rector, Josephine Carrow, Margaret Hoppen, Betty Hurley and Maxine Callow were guests.

### Delta Alpha

Miss J. G. Hayes, East Lansing will entertain Delta Alpha seniors at a bridge-ten Saturday afternoon.

### Sigma Kappa

Formal pledge was held Thursday evening for Edwina Chaffell, 37, St. Ignace and for Irene Lincoln, 38, Grosse Pointe.

Recent elections of Sigma Kappa officers resulted in the selection of Marian Toby as president; Margaret Kono, vice president; Margaret Fox, treasurer; Ruth Crossman, secretary; and Margaret Berry, house president.

Honoring Miss Olive Torgerson, national first vice president of Alpha Xi Delta, Mrs. Ernest Millar entertained the alumnae and active members of the sorority on Thursday evening. Those present were: Mrs. H. P. Schell, Miss Geraldine Elliott, Mrs. John Brishin, Mrs. Leslie Butler, Miss Catherine Keller.

## NAME APRIL 27- AS FROLIC DATE

No Definite Band Selected for Annual Frosh Party to be Held in Union.

The choice of April 27 as a definite date for the Frosh Frolic was announced today by Ed Lothamer, president of the freshmen class.

As in the past the dance will be held in the Union ballroom, which will be attractively decorated. The Frolic committee is planning to give favors and to bring in an outside band and still limit the charge to \$1.50.

At 193 the definite band has been chosen although several bands have been under consideration for some time. The choice will be announced when tickets go on sale, which will be very shortly.

The general chairman of the dance is Sam Ketchum. To help him with the details of the dance the following committees have been appointed: Music, Richard Pilkington, chairman; Madge Williams and Tom Selby, program; Robert Jones, chairman; Lucy Plowman and Norman Pettig, publicity; Jack LaFolch, chairman; Louise Deberry and John Schaeffer, finance; Robert Livermore, chairman; Mary Louise Wells and Part Collins, reception; Arthur Weimer, chairman; Edward Jones and Robert Cunningham, decoration; Fred O'Brien, chairman; Kay Wallace and Alice Foster.

Through worship and Miss Emma Sater will talk on "The Peril of Worship." The social half-hour will begin at 5.30 instead of at 5 as formerly and will be in charge of Blair Williams. Ruth Robb is chairman of the upper committee.

Other church activities for students this week-end include meetings of Campus Girls' Assembly and Spartan Y Forum at 12 Sunday, and a Fun Nite Friday night. Students attending the Fun Nite will decide whether to continue the parties further this term. Future parties, if any, will be completely in charge of students and committees will be assigned Friday night. Military Fellowship of 1917 and 17 Years Later will be the theme for the party, and the American Home Economics association will be the speaker at the Home Economics club banquet to be held early in May.

Committees have been chosen and are as follows: General committee, Ralph Dicke, John Wood and Douglas Craig; decorations, Chairman Bowman, Meade Babcock, Hansen and Tillinghast; music, Chairman Lindeman, Utter, Ebenberg; arrangements, Chairman Gowing, Ketchum and Livingston; programs, Chairman Sigurd and Fove; tickets, Chairman Golver and Stademan; publicity, Chairman Mason, Glasbrook and Baker; refreshments, Chairman Scallstra, Hupberg and Phillips; and cleanup, Chairman Kingsley, and all frosh and soots.

Announcements concerning the orchestra and programs are expected in the near future.

## Foresters Will Sponsor Annual Informal Party

Committees Chosen But Orchestra and Programs Not Yet Announced.

Midst the clamping of high-tops, the painful look of co-eds whose dainty feet have been stepped on, and the hies coming from the bar, the annual Forestry Stumble will take place in the old armory on April 28.

The Stumble, one of the most colorful parties of the term, is sponsored by members of the Forestry club and represents the culmination of its social activities. Every effort is being made by the club to make this year's Stumble even livelier than before.

Committees have been chosen and are as follows: General committee, Ralph Dicke, John Wood and Douglas Craig; decorations, Chairman Bowman, Meade Babcock, Hansen and Tillinghast; music, Chairman Lindeman, Utter, Ebenberg; arrangements, Chairman Gowing, Ketchum and Livingston; programs, Chairman Sigurd and Fove; tickets, Chairman Golver and Stademan; publicity, Chairman Mason, Glasbrook and Baker; refreshments, Chairman Scallstra, Hupberg and Phillips; and cleanup, Chairman Kingsley, and all frosh and soots.

Announcements concerning the orchestra and programs are expected in the near future.

## Barden Elected S. C. U. President for Coming Year

Wadsworth is Named Acting President During Spring Term.

New officers of S. C. U. for the coming year are: Don Barden, president; Neil Wadsworth, acting president; Hope Carr, personnel secretary; and Howard Tremblay, treasurer. Alice Thompson is program chairman and will be in charge of the meeting Sunday night. For this meeting the theme is "Finding God."

## 'Idol of Air Lanes' and Popular Entertainers

"Yeastfoamer Stars"  
1—Jan Garber  
2—Lou Palmer 3—Fritz Holthron  
4—Rudy Rudisill 5—Lee Bennett

## Home Economics Club Will Have Special Feature

A style show will be the special feature at the April meeting of the Home Economics club held the last of the month. The dresses and hats modeled will be the ones the girls have made in clothing course in the home economics division. Virginia Poczta is chairman for April and is in charge of the style show. Miss Frances Zull, president of the American Home Economics association, will be the speaker at the Home Economics club banquet to be held early in May.

## New Cabinet is Chosen to Take up YWCA Duties

First Meeting Under President Wilma Wagenvoort to be Held Monday Afternoon.

Y. W. C. A. starts the term with a new cabinet and extensive plans for activities, including presentation of the new cabinet at a "Go to Church Sunday" in the near future, the annual May morning breakfast, and all membership meetings for every month.

Wilma Wagenvoort has been elected president. Helen Snow vice president. Marion Dondro, secretary.

and Dorothy Langdon treasurer. Other cabinet members hold their position by appointment of the president, and they are as follows: Program chairman, Virgene Allen; social service chairman, Cara Jean Sanford; social chairman, Virginia Tazart; public affairs chairman, Claudia Ireland; ways and means chairman, Blanche Ross; freshman counselor chairman, June Redman; dramatics chairman, Rhoda Garland; Girl services chairman, Virginia Hance; Campus Girls Assembly president, Alice Jane Knight; publicity chairman, Anna May Childs; Frances Belknap, Florence Joughlin and Arlene Werden are also cabinet members. On Y. W. C. A. cabinet there are representatives from every sorority on campus, and also from the independent girls.

Monday afternoon at 3 o'clock in the President's chamber will be the first cabinet meeting of the term.

## ANOTHER FROSH ERROR

In the Michigan Daily we read of the unconfirmed report that a freshman at Kentucky university signed up for a language course and then attended a geology class for two weeks before discovering it was not his German class.

## DRAW A CIRCLE AROUND THE CENTER OF THIS FINE TOBACCO PLANT

"It's toasted"  
✓ Lucky Strikes are all-ways kind to your throat

These are the  
Center Leaves—the Mildest  
Leaves—the heart of Lucky Strike

As you can see from this picture—Lucky's fine, smooth quality doesn't just happen—for we use only the center leaves! Not the top leaves because those are under-developed—not ripe. Not the bottom leaves because those are inferior in quality—they grow close to the ground and are dirt-covered, coarse, sandy. We select only the center leaves—for which farmers are paid higher prices—for the center leaves are the mildest leaves—they taste better—then—"It's toasted"—for throat protection. And every Lucky is fully packed with these choice tobaccos—made round and firm—free from loose ends—that's why Luckies do not dry out. Luckies are all-ways kind to your throat.

# FIFTY GRIDDERS REPORT TO COACH CHARLEY BACHMAN FOR SPRING TRAINING SESSIONS

Early Drills Are Conducted in Demonstration Hall Because of Inclement Weather and Soggy Turf; Every Candidate Will Be Given Fair Chance to Demonstrate Ability.

**M**ORE than fifty stalwarts answered the call of Coach Charles W. Bachman for spring football drills which, starting last Monday afternoon, will be conducted daily for the next six weeks. Competition is wide open for jobs on the varsity eleven, and individual performances in these workouts will determine to a great extent the make-up of the 1934 Spartan outfit.

Due to the wet weather and soggy turf practice in Demonstration Hall all this week. However, as soon as weather conditions permit the State gridders will do their battling on Old College Field. The work so far has consisted mostly of signal drill and the various assignments for each respective position on every play. The first scrimmage is slated for Thursday and the men are anxiously awaiting their first chance to show their stuff.

Sometime next week Coach Bachman will divide his men up into four teams and two will be held each Saturday, beginning April 14, and continuing until the end of the spring practice. These games should prove very interesting and will give the State football fans

## THIS and HAT

By TOM O'BRIEN

State's fortunes on the diamond this year will depend largely on how the infield shapes up and whether one out of the quartet of sophomores develops into an effective moundman. Coach John Kobs is not hatching over with optimism in viewing his warriors' chances for a banner year on the diamond nor is he exactly downcast. On the whole, the Spartan mentor was not displeased with his team's showing on the southern tour.

The pitching problem is admittedly a tough one. Kobs, in his opinion, has a dependable pitcher who possesses a good curve ball, a fair fast one, and knowledge of the finer points of the art. But Kobs is not the man to let the game break position on the club with only a day's rest, and suffer apparently no physical effects. The pitcher must be given ample time to rest his arm. As the team is slated to play two and sometimes three games a week, the development of another moundman to help carry the pitching burden is imperative.

Thus far, George Hopkins, former Grand Ledge star, has displayed the best form of the sophomores in training. He is a right-handed pitcher, and should progress. Bob Allman, the blonde-thatched Bay City lad, shows considerable relief duty on the southern tour and impressed Kobs with his work. If Kobs, however, has been rewarded by a persistent sore arm. If the husky Bay City athlete can get his arm in condition and master control of a deceptive fork-ball, he will have another southern tour to rank favorably alongside of Jones, Griffin, and Pennington. Johnny Berry, a Hantrawick sophomore, has a fine assortment of curves and fast ones, but inability to hold his shoot within any vicinity of the plate has been his drawback. Once he acquires control, Kobs believes Berry will be a very valuable pitcher.

Allan Kronback, the other benefit of previous high school experience and came to State without even playing a game of football. However, last fall he played a great deal and conditions point towards his gaining a regular berth on this year's team. Warmben came to State untried as a football player and didn't even report for freshman football in 1932 or spring practice in 1933. Nevertheless, he came out last fall and played great football for the Green and White, and with two or more years to go should prove a sensation. All the coaches wish is that you have the desire and if you are willing to learn and you have any ability at all they will bring it out and place you in the position you are best qualified.

The men who have reported to date in an effort to help in giving Michigan State a winning team for 1934 are as follows: Ends, Bennett, Fies, Kutchins, Packowski, Zarka, Jackson, and Wilkenson. Tackles, Zindel, Wagner, Ross, Sieder, McInally, Skellinger, and Strickling. Guards, Demarest, Grete, Jones, Henshaw, Stanley, and Mander. Downbacks, Mitala, Dubler, Miller, and Pettie. Centers, Ketchum, Katz, Schroeder, Vandenberg, Bakoski. Quarterbacks, Reynolds, Latham, Newman, Bishop, and Wisner. Halfbacks, Armstrong, Brandstatter, Sebo, Lever, Kuhn, Leinhardt, Hess, Warmben, Collins, Edwards, Schulman, and Joe Russo. Fullbacks, McCarty, Beaubien, Paynich, Wiseman and Sieder.

# SPARTANS OPEN OUTDOOR TRACK SEASON MAY 30

First Meet Scheduled With Strong Michigan Team at East Lansing.

## PROSPECTS ARE BRIGHT

Keast, Steele, Ottey, Hoff, Pon-grace and Warren are Among Veterans.

Michigan State will open the varsity outdoor track season on Wednesday, May 30, when they meet the University of Michigan at East Lansing. Many of the indoor track stars will take their place on the squad, and several new men will try out.

Among the veterans is Clio Beaumont, Beaumont threw the javelin 18 feet last spring, which is no mean distance, and this year is the man in track. William Hart is expected to become a star in the 400 yard dash, the 800 yard dash, and the 1600 yard dash. He is a very high class sprinter. David Baird, a sophomore, had a track football knee and had to stay out of indoor track but is back in the outdoor squad. Dick Edwards, another sophomore, is all ready to give Baird and Hart some competition in the 100 and 200 yard dashes. Ray Wallis is another track man who shows promise in the sprints.

Russ Keast, who made the All-American track team in his sophomore year, has been out of competition on account of a pulled muscle but will be back again this season to run the 440, Frank Hoff, Andrew Cobb, Alvin Jenks and Robert Edwards should all make well in the 440, 880 and 1760 yard dashes. The 880 event is led by Captain Otto Pon-grace who holds the college record in both the outdoor and indoor 880 run. Pon-grace was named on the All-American team last year in the 800 meter event. Kenneth Warren, running star of the team, should give him a run for the great race this year in the 880 and will be closely followed by Robert Wilson. Running under 4:21 indoors, Wesley Hurd should set well under 4:20 outdoors, and Dennis, the most promising sophomore in a long time, should give him a run for the 880 and 1760 yard dashes. Tom Ottey also ran under 4:21 indoors. He will take part in the one mile in some of the dual meets, but will concentrate on the two mile in which he was named on the All-American college team last year. He is going to give the rest of the United States a run for the money.

Robert M. Gardner, Walter Hentzel, John Hammer and Ralph Small will run in the two mile event. Rex Steele is the only letter winner in the hurdles and will be ably supported by Alvin Jackson, who won both the 100 yard and high hurdles in the Central Intercollegiate indoor meet.

Dick Collins, Kurt Warben and Robert Gredrew will also run in the hurdles. Entered in the pole vault are Willard Tallen, G. Pearsall, and Wade Allen, all of whom have set the 12 foot mark. Jackson is the best high jumper but has been in college for the last ten years and holds the college indoor record. He is one of the most consistent men on the team, clearing six feet in all the meets. In the broad jump, he has Alvin Jackson, who is expected to jump well over 23 feet, and Francis Dietrich who should also hit this mark. Other jumpers are Wade Allen, Dick Edwards, and Dick Collins. Art Ross, football tackle, and Bernard McNitt, football fullback, will furnish the brawn in the discus and shot put. Archie Ross, Alvin Jackson, Bill Smith and Don Wiseman will also leave the shot. Keast, Warren, Pon-grace, Hoff and Cobb will constitute the one-mile relay team. They are all letter winners last year but will be fast pushed by Schroeder, Dennis, Edgerston, Mann and Jenks, anyone of whom may push one of the veterans off the team.

This list is by no means the final line-up. In addition to the above named there are many men who will be heard during the coming season. Coach Ralph Young expects big things from this year's team and from the looks of practice records and time trials that's what he will get.

## CAGE DRILLS WILL BEGIN NEXT WEEK

Coach VanAlstyne Plans Practice Twice Daily.

The first spring basketball practice will be held next Tuesday, April 10, from 7:30 to 9 o'clock in the gymnasium. Practices will be held every Tuesday and Thursday night at the same time for the next six weeks. The purpose of these practices is to acquaint the new fellows with the older ones and with one another, and also to give the new boys a chance to pick up the VanAlstyne system of playing.

sophomore elbow, has excellent control, and a baffling curve ball, but has shown a glaring weakness in fielding his position. Failure to cover first base on a grounder hit to the first baseman which would have retired the side cost Kronback a victory on the southern trip. In the event that these four promising sophomores fail to live up to expectations and are unable to go the full route Kobs will follow the policy of using two or three pitchers in a game.

## NATIONAL SPORT SUMMARY

By TOM O'BRIEN

**DETROIT**—The Chicago Black Hawks, who have been attempting to convince the National Hockey league for the last month that they possess a champion sextet, will continue their little argument Thursday night when they battle the Red Wings for the second time in the Stanley cup series. Although the Hawks won the first game 2 to 1, the Detroit fans are still loyal and are sure that the coveted Stanley cup will find its final resting place in Detroit.

**NEW YORK**—After a series of workouts in night clubs and cabarets, Max Baer has settled down to the serious business of training for his coming fight with Primo Carnera. Baer has been at Lake Tahoe for two weeks, and will complete his training period at Atlantic City. Camera will attempt to catch up with his playboy challenger in training by heading for the Maine woods Saturday.

**TAMPA**—Manager Cochrane was back on the bench after his threatened attack of appendicitis to see his Tigers lose two straight to the Phillies. They trimmed Detroit Tuesday 6 to 5, and walked off Wednesday with a 3 to 1 win.

**COLUMBUS, OHIO**—The New York Athletic club is the favorite to retain its national A. A. U. swimming championship here Thursday, Friday, and Saturday. The New Yorkers won easily last year, scoring 47 points to the University of Michigan's 22. This year, fresh from winning the national intercollegiate, the Wolverines may give the easterners more of a battle. Michigan is almost certain of points in the diving when Dick Degener defends his title.

## FRAT BASEBALL OPENS APRIL 16

Tennis Tournament Will Begin a Week Later.

State's athletic department will inaugurate interfraternity spring term competition with the first baseball game scheduled for April 16. Other spring sports in interfraternity competition include tennis, and relay. The tennis tournament will begin April 23 while the relays are the last interfraternity event and are scheduled for the first week of June.

Stocks are being drawn by L. L. as announced. Baseball games are being drawn by the Alpha Gamma Rho fraternity with the Theta Kappa Nu as runners-up. The Ties won the tennis championship with the S. A. E's as runner-up. The relays were won by the Omicrons with the Ties in second place.

Much rivalry has been shown in interfraternity competition in the past and at present the Sigma Nu fraternity is leading the field with the Omicrons and the S. A. E's second and third respectively. In the past years these three houses with the Omicrons have monopolized the interfraternity trophies. The Ties are leading for the let-year cup with the S. A. E's second.

## NETMEN START SPRING DRILLS

Squad for Year is Composed Almost Entirely of Veteran Players.

Michigan State's tennis team, numbering some of the ranking tennis players in the middle west in the squad, will begin practice immediately for the coming season. For the next few weeks, until the regular clay courts dry out enough to be used for practice, the team will begin its workouts on the cement courts between Lansing and East Lansing.

The varsity squad this year will be composed almost entirely of veterans from last year. Leading the list are Stan Weitz and Rex Norris, whose famous duel for the No. 1 position was a feature of last year's play. Closely following them are Bill Loebe, Guy Stonebreaker and Don Link. Marsh Goodwin is a fourth who ranks almost on a par with the others, and in addition was Norris' partner in winning the Lansing Municipal doubles last summer. Other members of the varsity squad who have already reported are Dick O'Dell, Carl Marzke, Will Klunzinger and Grubbs.

The freshmen have also begun practice. So far 19 men have turned out. Outstanding in the freshmen group is Bob Ross who with a half interest in the Vermont junior doubles crown was a close loser to Bill Does, brother of the famous Johnny Does, in the finals of the national junior singles championship.

Practice for the first few weeks will continue mainly as individual practice in Demonstration hall and downtown. The first match of the season will be with the Grand Rapids Tennis club, there, April 21. A large squad will be sent, with a possibility of Ross and other freshmen making the trip also.
