The above gives the substance of Ray Rieger's opinion of the manager, only to the criticism of last week. Draw your own conclusions.

Definite plans for improvements were begun this week when the new Union board president, Milo Reese, asked the student relations committee to make a study. The study board, which would be composed of student leaders on the campus, such as editors and business managers of the State News and Wolverine, president of the student council, and others, would be organized to promote a better understanding of the student body.

Luckies are all-ways in all-ways kind to your throat. For every Lucky is made of the choicest of ripe, mellow Turkish and domestic tobaccos—and only the clean center leaves—they taste better. Then, "It's toasted"—for the protection. And every Lucky is

SPARTAN NINE WILL OPPOSE HILLSDALE TOMORROW WITH GEORGE HOPKINS ON MOUND

Game to Take Place of Postponed One Scheduled for Last Saturday; Berg, Allman, and Keonbach May See Service Before Ninth Inning.

Backed in their first try by the weather man, Coach John Kohn's baseball men will make another attempt to pry the lid off the diamond tomorrow Wednesday afternoon against the Hillsdale nine at 4:10.

Cold weather and snow combined to cause the postponement of Saturday's festivities which were scheduled to launch the Kohnmen on one of the most difficult schedules ever tackled by a Spartan nine. Coach John Kohn indicated Monday that he will stick to his original plans of starting George Hopkins, sophomore twirler, on the mound against the Dales. Hopkins proved his mettle on the southern trip by hurling a effective ball when called upon by Captain Floyd "River" Morse will catch Hopkins.

TWENTY MEN OUT FOR BASKETBALL

Spring Practice Teaches Fresh Fundamentals.

Spring practice for the basketball team is being held on Tuesday and Thursday nights from 7:30 to 9:00 o'clock in the gymnasium under the supervision of Coach Ben VanAlstyne. There are about twenty men out for the spring practice which consists of learning the fundamentals of the game and getting acquainted with one another. Most of these men are from the freshman ranks of the past season and those men that are not out for some other sport on the campus.

Coach VanAlstyne is able to devote more of his time to basketball now than he did last year. He is ready for the spring practice run in the very past week. The question of the spring practice is being discussed by Van and his team as they have not been able to get into the links yet to practice and they are scheduled to meet University of Michigan basketball team April 19 at Ann Arbor. This will be the opening game of the series of eight to be played this spring, four of which will be played at home on the Country Club golf course.

VANALSTYNE IS MUM ON RUMOR

Report Michigan After Spartan Cage Mentor, Not Under Contract.

Ben VanAlstyne, for eight years coach of basketball, remained non-committal Monday when questioned about his visit to Ann Arbor last Friday, reported to have been made to confer with Wolverine athletic authorities about accepting the head coaching job at the university.

VanAlstyne made the following statement on his return to East Lansing: "I was in Ann Arbor Friday and talked with Franklin Carpenter, basketball coach at the university, and assistant director of athletics. Beyond that statement, I do not feel at liberty to discuss the matter."

His visit gave credence to the rumor going the rounds for several weeks that Michigan is dickering over the services of the basketball star. VanAlstyne is generally regarded as one of the sharpest coaches in the country. There is widespread disappointment with Carpenter's coaching despite the fact that the Spartans have won three consecutive state titles.

VanAlstyne is a former basketball player at Michigan and has been coaching since 1926. He is a native of Michigan and has been coaching since 1926. He is a native of Michigan and has been coaching since 1926.

Result of Meet Hinges on Last Event; Smyke and Terwilliger Star for State.

State freshman fencers lost a hard fought meet, eight to seven, to the Lawrence fencers, Saturday afternoon. The meet results were in doubt up to the last bout at which point the teams were tied at seven bouts apiece. At this point Coach Lawrence's strategy paid off.

Flank Material Plentiful In Spartan Football Camp

Klewicki Zarza, and Jackson Are Three Letter Winners Returning.

By HARVEY WISMER
Michigan State's varsity eleven should be well fortified at the end of the football camp. Every man coming out for an end job last fall is back again, including the three letter winners, Klewicki, Zarza, and Jackson. Along with these three regulars of last year are several promising freshmen.

Klewicki Heads Ends
Heading the list of capable ends is none other than Edward Klewicki, a regular wingman these past two years and one of the best ever to wear the green and white. Klewicki played high school football at Hamtramck high, where he was their star quarterback. His first year at State, however, Jim Crowley saw Klewicki's possibilities at end and he has played there from then on. In case Klewicki is in good luck this fall he should prove to be one of the best ends in the mid-west, as he is a terrific blocker and a sure tackler. Klewicki at present is out for baseball, but he is terminating with River Rouge in the spring.

Zarza Excited
Moving over to last year's regular left end we find Louis Zarza, who has been daily working out with the spring candidates. Zarza played a great game for State last fall and with last year's varsity experience under his belt Zarza should prove to be a star performer this year. Zarza hails from East Chicago where he played football, basketball and baseball. Zarza also holds the college middleweight boxing crown. Zarza is looking forward with great interest to the trip to Texas next fall as he expects to see his old friend Jack Chevinsky, who was head coach at the University of Texas.

The third letter winner from the back through Lawrence brought a three man team, Zarza being the star by winning four of his five bouts with Edrick trading closely with three. State used five men against the team each man fencing three bouts. Smyke and Terwilliger led the Spartans with two bouts each. Redneck, Thompson, a red boxer, were the other men on the State team, each taking one bout.

The fencing as a whole was rather rugged and wild, many touches being missed by inches when the opponent was wide open. Coach Hart is of the opinion that practice will cure this and give him some good men to represent State and Michigan in the future.

The team was very much excited and seemed to be the fastest of the freshmen, while Terwilliger's year will give him quite an advantage when he learns how to use it.

WIND CUTS DOWN TIME

Willie Hart, Soph Ace, Runs 100 in 10.3 Against Heavy Head Wind.

The annual Freshman-Sophomore track meet, previously scheduled for Thursday, Friday, and Saturday of last week will be held this week on Monday, Tuesday, and Wednesday. Three places will count for points in all events, the points being 5, 3, and 1, except in the 80 yard, which will count 5 and 0.

Weather Hinders
In the first part of the meet held on Monday April 16 the second year men swamped the freshmen to a score of 33 to 12. The sophs were every first place, two second, and two thirds. It was a bad day for the meet due to the fact that the trackmen had a heavy head wind to back but even under this handicap the times were quite fast.

Willie Hart, the sophomore sprinter, lived up to his reputation leading the field in the 100 yard event to break the tape in 10.3, which is fast time considering the conditions. Charles Dennis took another first place for the sophs in the 800 yard run, travelling the distance in 1:30.6. Nelson Gardner, a promising freshman track man, placed second with Jack Berry, freshman, in the third position.

Sophs Star in Shot
In the 120 yard low hurdles Albert Agert and Dick Collins placed first and second for the sophs. Agert broke the tape in 1:21. Herb Lash placed third for the freshmen. The sophomores walked off with all three places in the shot-put. Willie Smith, weighing the weight 40 feet 3 inches for first place Archie Ross and Francis Dietrich took second and third in this event. Wade Allen carried off honors in the pole vault, taking first place with a height of 10 feet 6 inches, and setting the sophs five points. Chester Quinlan placed second for the freshmen with Earl Smith third.

Top Events Tuesday
The events to be run off on Tuesday are the 220 yard, the 220 yard low hurdles, the high jump and the discus. The contestants may enter additional events other than those they are already in by seeing Coach Young.

Following is a summary of the results of Monday's meet:
100 yard dash: Hart (S), first; White (F), second; Hard (S), third. Time 10.3.

120 yard high hurdles: Agert (S), first; Collins (S), second; Lash (F), third. Time 1:21.

NATIONAL SPORT SUMMARY

By JACK WARNER

CINCINNATI—The Detroit Tigers closed their pre-season training at Cincinnati by pounding out a 7 to 4 victory over the Reds for a clean sweep of the four games. The Tigers' record is an enviable one, especially on the eve of the big league pennant races. The fans are beginning to sit up and take notice, and many of the big league big shots say that the Tigers have their best chance in ten years.

WASHINGTON—The Washington Senators and the Red Sox are slated to initiate the 1934 ball season on Tuesday April 17. Mr. Roosevelt will leave the first ball across the plate, and the scramble will be on. Without a doubt it will be the closest pennant race in years as the wholesale shakings in material will diminish the previous gaps in the club standings. But that's what they say every season, which all goes to prove that Lady Luck is a big factor.

CHICAGO—Miss Lenore Knight, defending title holder, outsped her rivals in the qualifying heats of the 500 yard free style event at the Women's National A. A. U. swimming meet, covering the distance in the record time of 6:46.3. Five qualified for the final, among them Miss Knight's principal rival, Miss Olive McKean.

NEW YORK—Gene Venke has been doing some intensive training in preparation for the renewal of his relations with Glenn Cunningham. The two track stars will be matched against each other in the Penna relays on April 20. Venke is working particularly hard in an effort to perfect a closing start, something his career as a miler has not been noted for.

Notre Dame announced that "Pamphile" Joe Salvoldi's boy who was born last Tuesday has been entered in the 1934 class at that school.

Eighty per cent of all college diplomas issued each year in the United States come from a single printing concern in Philadelphia.
