

## Blue Key Party Is Feature of Week End Socials as Mothers' Day Draws Students Homeward

Formal Pledging of Thirty New Men Marks Dance With Music by Johnny Raber, Four Societies Hold Open Houses and Spring Terms

Mothers' Day drew State socialists homeward this week-end as was indicated by the small crowd at the Blue Key party held in the Union ballroom. This party was marked by the pledging of 30 new men, directed by Ed. Kemp.

Johnny Raber's orchestra, placed in a setting of crepe paper streamers, furnished the music. The rest of the decorations were made up of various colored floods and corrugated paper covers on the windows with rows of tulips to add more color and a touch of spring.

Society parties during the week-end were the Theta Kappa Nu and Sigma Nu open houses, and the Kappa Delta and Zeta Tau Alpha spring terms.

Alpha Chi Omega  
The members of Alpha Chi Omega entertained their mothers at an informal tea Saturday afternoon. Mrs. Libbey presided.

Zeta Tau Alpha  
Zeta Tau Alpha entertained at a Mothers' day tea at the home of Mrs. R. J. Baldwin Sunday morning. Mrs. Hazel Miller presided at the tea table.

The local alumnae of Zeta Tau Alpha gave a breakfast at the home of Mrs. R. J. Baldwin Sunday morning with the active and pleasing of the sorority as guests.

Gamma Gamma Xi of Detroit was a week-end guest at the Zeta house.

Alpha Phi  
Alpha Phi mothers were guests of honor at a luncheon at the chapter house last Saturday.

Kappa Alpha Theta  
Kappa Alpha Theta had their mothers at week-end guests. The mothers were honored at a Mothers' day tea Saturday afternoon.

Sigma Kappa  
The members of Sigma Kappa remained at a banquet last Friday night in honor of their mothers, who were guests of the sorority for the week-end.

Dr. Marie Dye, dean of home economics, spent Tuesday in Bad Axe where she gave the main address at an achievement day program. Her subject was "A Visit to Some Foreign Homes."

Miss Edna V. Smith, director of home economics extension work in the state, will speak at the regular meeting of Omicron Nu Thursday evening on the subject, "What Extension Work Means to Home Economics Students."

Dr. Marie Dye and Miss Ethel G. Webb of the home economics department were in Hillsdale last week where they attended the foundation day celebration of Hillsdale State Normal school, which was founded at Malmouth college, Illinois, in 1867.

## Girls Rehearse In Saddle Class For Horse Show

Group Meets Three Times a Week in Preparation for June 1 and 2.

For those members of the co-ed equitation class who are interested in entering State's annual R. O. T. C. horse show to be held June 1-2, a special riding class is being held every Monday, Wednesday, and Friday from 10-11.

The co-ed saddle class will be open to any girl enrolled in the college. She is to ride a horse assigned to the cavalry unit here and will be judged on horsemanship, ring manners and smartness of appearance. A trophy and three ribbons will be offered to the winners by Deans Elizabeth Conrad and Marie Dye.

Two single harness hackney pony classes have been added to the events bringing the total of the various classes to 39. The prize money offered amounts now to \$1,250. Entries from Detroit, Chicago and several local entries have been received to date.

The Bloomfield Open Hunt at Bloomfield, which will be held May 25-30, will offer opportunities for those entering the State show to give a pre-showing of their horses. Students who know of individuals who would be interested in receiving complete information on the show are requested to send their names and addresses to the secretary of Michigan State College R. O. T. C. horse show.

## SCHOOLS SEND 170 TO HOME EC DAY

(Continued from page 1)

Among the submission of millinery and Mrs. Mildred Welch Schreiner the draping of dresses. Four demonstrations on the use of yeast dough, including potato rolls, Swedish tea rolls, horseshoe rolls, and whole wheat rolls and muffins, were given by students of the experimental food classes. Josephine Widmeyer, Mary Ann Schreiner, Marie Martin, Eugene Gohland, and Marion Yeaman.

Weaving was demonstrated by Lucille McCue, Janet Smalldon, Josephine Woodard, Eleanor Barr.

## S. W. L. PARTY TO BE GIVEN MAY 18

Irene Malcolm is Chairman; Nate Fry to Play.

Irene Malcolm is general chairman for the Spartan Women's League spring term party which is to be held May 18. Nate Fry's orchestra will furnish the music. Committees for the party are: Decorations, Marie Vallez, chairman; Dorothy Baldwin, Marguerite Griffen, Eleanor Beebe, Frances Scullin, Dorothy Gilt, Jane Nissen, Betty Thorold, tickets, Maurine King and Constance Machzrak, co-chairmen; publicity, Doris Reber and Virginia Taggart, co-chairmen; Helen Gormely, Irene Wager, Marianna Halbert, Ruth Robb, Maxine Callow, Jeanette Smalldon, invitations, Margaret Dornbos, Jean Van Brocklin, reception, Ann Walker, chairman, Mary Ballard, Jean Ballard, Agnes Rodney, Marilyn Radford.

The Kiwanis club has asked Spartan League members to help in a drive May 19 to raise funds for underprivileged children. Girls who can help call Helen Henrickson at the women's building.

## HUNDREDS OF APPLES USED IN HORT BUILDING

(Continued from page 1)

Last fall there was made in the lab an average of 400 gallons of cider a week to be sold in the same manner as the apples. This cider was so clear that the headline of a newspaper could be read through a five-gallon jar of it. In its making, five or six varieties of apples are mixed, and the cider pressed out. An enzyme is then added to the cider in order to precipitate all suspended material, and it is allowed to stand over night. Next it is filtered, and it is then ready for sale.

In cooperation with the engineering department, a cider filter has

## Nine Life Saving Exams Passed By Green Splashers

Red Cross Tests Completed; Water Sports Will Occupy Rest of Term.

Green Splashers sponsored a Red Cross senior life saving class last fall which was taught by the members of the organization.

Last Saturday, Mr. Eaton, a field representative from the St. Louis chapter of the American Red Cross, came here to give the examination to those who wished to secure positions in summer camps or give the life saving examinations. These tests must be passed every three years and those who passed them either for the first or second time were: Miss Garvin, Miss Parker, E. Killham, M. Fox, M. Paul, H. Kurtz, B. Croshaw, F. Weaver and L. Raub.

The rest of the term is to be taken up with the study of water sports such as water polo, and the study of canoeing, that is, practicing of canoe craft, jack-rabbiting, canoe-tipping, turning and technique of paddling. There will be no more business meetings this term.

## CARNIVAL OFFERS CANOEING EVENTS

To Hold Five Men's, Women's Events on Night of Pageant.

Following the custom of former years, the water carnival will include contests in canoe racing and tilting, Mott Heath, committeeman, announced today.

Competitions will be held in men's singles, men's doubles, canoe tilting, women's doubles, and mixed doubles. All students are eligible, the only requirement being that those desiring to enter fill out the blank at the end of this story and submit it to Wendell Patchett, chairman of the committee, or at the Union desk, before June 6. As usual, prizes will be awarded in each event. Last year the awards were small cups, this year they will be bronze medals, on which will be inscribed the names of the winners, the event, and the addition, "11th Annual Water Carnival, 1934." The medals will be distributed in the library in the near future.

It was also announced today that fraternities entering floats in the carnival are expected to submit sketches or plans, and any objections they might have to their allotments at a meeting to be held in the Union lobby at 9 o'clock Monday, May 21. Final plans will be compiled at that time for the events and will be completed by June 10. Meanwhile, the committee is continuing to meet twice a week.

## INSTALL HEADS OF GRANGE CLUB

Men Win Contest to Gain New Members; Get Free Breakfast.

Installation of officers who were elected during the last meeting was held by the Student Grange Saturday evening. Those officers were installed by members of the Portland Grange.

There has been a contest between the men and women of the Grange to see who could get the greatest number of new members.

## Survivors of Class Of '88 Will Hold Reunion

The graduating class of 1885 will hold their second reunion dinner of the year on the Union porch next Saturday evening, May 19. C. Fred Schneider and T. O. Williams of Grand Rapids are to be hosts.

Twenty-four members of the class are living and they reside in all parts of the United States from Maine to California. There are, however, about half of the group who live in nearby cities, and it is expected that between 10 and 15 will attend.

# Here's why-Luckies do not dry out

## why-Luckies are All-Ways kind to your throat

The difference between cigarettes is the difference between what goes into them and how they are put together.

Luckies use only the clean, center leaves, for these are the mildest leaves—they taste better. That's why farmers are paid higher prices for them. And Luckies get the benefit of the famous process—"It's toasted"—for your throat protection.

And every Lucky is round, firm and fully packed. That's why Luckies "keep in condition"—that's why you'll find that Luckies do not dry out—an important point to every smoker.

Yes, Luckies are always in all-ways kind to your throat.

**"It's toasted"**

✓ Luckies are all-ways kind to your throat

**Only the Center Leaves—these are the Mildest Leaves**

*They Taste Better*

## Forced Bath Is Red Cedar's First Casualty

The first casualty of the canoeing season occurred this week when the smooth and calm Cedar embraced in its muddy breast a coed and a collegian who were floating gently down that memorable stream.

Exact particulars as to the cause of the forced "bailing out" remain a mystery, but one can be certain of the fact that the occupants of the canoe were up that well known stream without the necessary nautical equipment.

The canoe may have struck a snag, and that raises the question whether the snag was in the water or in the canoe, because everyone knows that snags in either place may prove disastrous and contribute a great deal toward upsetting a canoe.

Another reason may have been the inability of the canoe to withstand tilting. Arduous and laborious gymnastics pertaining to the neck are extremely dangerous to the equilibrium of the canoe, which must remain at an even keel at all times or—overboard.

Or it may have been that in the course of stepping from the canoe into the Stygian blackness of the bank the occupants lost their footing—and—splash.

Whatever the cause, the participants of this forced evening bath remain with one distinction, they are first on the casualty list—besides that night it was very hot.

## WOODLOT ABOUNDS IN NATURAL LIFE

Red Cedar Holds Flowers and Birds in Great Abundance.

The isolated Red Cedar woodlot of Michigan State college is one of the few areas close to Lansing where spring flowers and birds are still to be found in almost normal abundance. It lies south of the Red Cedar river opposite the golf course and in the past could only be reached by a service road from Harrison road near the constabulary.

## NEW POST OFFICE ON OLYMPIC SITE

Property Must be Vacated Within Two Months.

Word has been received from authorities in Washington that the property purchased from the Olympic society as a site for the new East Lansing postoffice must be vacated by July 5. No definite information has been released, according to Postmaster B. A. Pounce, on the date of construction of the new building will begin, but the recent order may be taken as an indication that work will begin in the near future.

The Olympic property is located on Abbot road, across from the city hall, and to date no arrangements have been made as to the disposition of the house now standing on the site.

and Mildred Moore. Marie Verhelst and Norine Grover explained the use of equipment for testing textiles. An exhibit of rayon and cotton materials was in charge of Katherine Outwater and Virginia Webb.

Examples of the making of home crafts were done by Effie De-Spelder, Ruth Robb, Cecilia Johnson, and Virginia Paul. Kathryn Gaspie demonstrated how to arrange flowers. Mrs. Flora Hannigan, assisted by Minerva Ryckman, lectured on the testing of vitamins.

A dancing party followed the program at the Little Theater Friday evening, at which Dean Dye presided, and at which President R. S. Shaw extended a welcome to the visitors. Concerts and trips to the home management houses, to the nursery school, and Mary Mayor occupied Friday afternoon.

## CLASSIFIED

LOST—Light blue fountain pen. Finder please call Lorraine DeWalle, 277 East Mary Mayo. Reward.

WANTED TO BUY—Carve in first class condition. Call M. H. Converse, 1-8971.

# Spartan Nine Drops Second Decision to Western State Team

George Hopkins Goes Route for Spartans Against "Lefty" Brandt; Spartans Flounder in Ninth to Allow Six Runs.

By TOM O'BRIEN

After bowing to Western State last Saturday 9 to 4 for the second time within a week, the Kobsmen will attempt to regain their winning stride Friday afternoon in tackling Ohio State on the college diamond. The Buckeyes will be met again on Saturday to round out a two-day stand.

The Spartans came narrowly close to blotting the Hilltoppers' undefeated record Saturday. Strapping "Lefty" Brandt, the visitors' talented moundsman, proved no puzzle to the State batsmen, slapping him for 13 solid hits, including a prodigious home run by "Buzz Bartling in the second inning. But with victory in sight, Mr. Kobs' men floundered badly in the final frame and Hyames' men seized the opportunity to push six runs across the plate to sew up the issue.

Hopkins Falters

Up to the fatal ninth George Hopkins had done a noteworthy job of flinging. He had restricted the Hilltoppers to seven scattered hits and struck out six of Hyames' stalwarts. But weakness in fielding his position helped the invaders cause in the disastrous ninth inning.

State pumped into the lead in the first inning. Freddie Ziegel starting his first game for the Spartans, greeted Brandt with a hit over the pitcher's box. Then Emory laid down a perfect bunt to sacrifice him to second. Captain "River" Morse worked Brandt for a walk, and then "Willie" McCann poked a hit into that Fager made a desperate lunge

## YEARLING NETMEN LOSE TO WESTERN

Hilltoppers Shut Out Frosh 7 to 0; Rosa Drops Match.

State's frosh tennis team was handed its first defeat of the season last Friday by Western State Teachers' college frosh netmen, when the Kazon boys won a 7-0 decision over the State yearlings.

Bob Rosa, promising State youngster, took a 6-2, 6-4 drubbing from Carl Fisher, Detroit city champion in the feature match of the afternoon. Rosa, handicapped by the slippery, sandy courts, was unable to cope with the Kazon youth, and lost his first match of the season.

Perrin, in the No. 2 post, lost to Kline in two love sets. The summary: Fisher d. Rosa, 6-2, 6-4; Kline d. Perrin, 6-0, 6-0; Brown d. Laycock, 6-4, 6-2; Smith d. Walker, 6-3, 6-2; Payne d. Zuchke, 7-5, 6-4.

Doubles: Fisher and Kline d. Rosa and Perrin, 6-1, 6-1; Brown and Smith d. Laycock and Walker, 6-2, 6-4.

Hopkins started the second off by running Hubbard on the head with his fast one. This misfortune patently upset George and he walked Secory. But Millspaugh helped matters by popping to Hopkins in attempting to bunt. Emory forced Koch, who ran for Hubbard at third, and was safe on a fielder's choice when a double play failed to materialize. "Hopie" then bore in with his fast one and got Barnabo on strikes. The effervescent Mr. Bartling inserted his soaring four-base in State's half of the second frame, the ball sailing far over the left fielder's head, to give the Spartans a two-run lead.

This was short-lived, however. After Brandt had grounded out, Berkhausen shot a hit past second. Berkhausen shot a hit past second. Berkhausen shot a hit past second.

Mr. Brandt lost his control temporarily in the fifth and as a result the Spartans chalked up another run. Morse and McCann drew free tickets, in succession. Fiedler forced McCann at second but Morse pulled up at third. Bartling came through again by rapping a single into left field to score Morse. Western drew abreast of the Spartans in the sixth by sending two runs across the plate.

The wild Kobs called for a squeeze play in the eighth with Ziegel on third as a result of his hit to deep shortstop, and Fager's sacrifice. Morse then dropped a perfect bunt down to send Ziegel racing across the plate.

Then came the fatal ninth inning to spoil State's chances of routing the Hilltoppers, unbeaten record. Newman opened the inning by parking a pitch into right for a single.

## RAMBLERS WIN FROM SPARTAN TRACK COHOR'

Irish Team Capture Ten First Places to Five for Spartans.

OTTEY BREAKS RECORD

Establishes a New Mark in Two Mile Race; Other Records Smashed.

State's thinclads met defeat at the hands of the Notre Dame Nomads this Saturday by a score of 80 2-3 to 50 1-3. State took five first places to ten for the home team.

The feature of the meet was the breaking of the two mile run record by Tom Ottey. This makes the second record that has been broken by Ottey in the past week. In

Miller dropped a scratch hit between home plate and the pitcher's box. "Hopie" then let Stewart's roller slip through his legs and Newman scored. Nameth batting for Secory, lifted a high fly to Morse for the first out of the inning. Hopkins committed his second misplay of the inning by kicking Millspaugh's bunt to let Stewart score. Catcher Emory whistled a single to center field to drive Stewart and Millspaugh home. Still grounded out and Emory drew up at third when Morse overthrew second. Brandt then pumped a pitch into the river in right center field for a home run.

## STATE NETMEN DOWN OBERLIN AND RAMBLERS

Register Seventh Straight Victory and Nineteen Out of Twenty Matches.

MEET WESTERN STATE

Undefeated Record Will be in Peril Against Strong Kalamazoo Outfit.

By JIM HUGHES

State's varsity tennis team ran its string of victories up to seven straight, and nineteen out of twenty, over the past week-end when they won hands down over Oberlin on Friday and Notre Dame on Saturday. Previous matches during the week also registered a win over Ypsilanti on Thursday afternoon. The Notre Dame triumph was the seventh straight for the Spartan netmen and the 19th win out of 20 starts during the last two years.

This week's competition takes the team away from home for two matches, one of which promises to be rather easy, and the other what will probably be the toughest engagement of the year. On Friday the netters run up against Western State Teachers college at Kalamazoo, and Saturday travel on to South Bend, Ind. to meet the University of Notre Dame in a return match.

Western State Strong

The match with the Teachers promises to be a real tennis match. Kazon has such stars as Benny Laevin, Max Gorman, Papa and Glaser, all of whom are rather well known in state and midwest tennis circles. When these stars of the court bump into State's own tennis luminaries there should be some real fireworks. Both Weitz and Norris should be able to crash through with victories. They are just about the cream of the state intercollegiate ranks. However, Gorman and Laevin will be able to give them just about all of the competition that they desire for one afternoon.

The rest of the matches are somewhat more doubtful. Willard Klunzinger will probably appear in the No. 3 position, with Link at the No. 4 post. Bill Loose, Marsh Goodwin, Don Sexton and Guy Stonebreaker will fight it out this week for the other positions. There should be some real battles.

In last week's match against Oberlin the varsity swept through to a rather easy 9-0 decision. For the second time in as many days Captain Rex Norris stayed on the sidelines to give some of the youngsters a chance. However, Oberlin gave the expected weak opposition and no trouble resulted from the change. Weitz played his usual flawless tennis to defeat Naef 6-0, 6-0. Klunzinger ran into some difficulty with Olds of the visitors, forcing the first set to 9-7 before Klunzinger won. The second set went to the Spartan at 6-4.

Dick O'Dell looked good in pulling out the first set at 7-5 and then going on to take the next one at 6-3 from Reid. The rest of the matches in the singles were all easy victories. The visitors showed real strength in the doubles, forcing two out of the three doubles matches to three sets before losing all of them.

Against Notre Dame the Spartans had more trouble. Norris took Weitz' place at No. 1, with Weitz dropping out, and defeated Prendergast 6-0, 6-2. Some of the rest of the team did not fare so well, however.

Goodwin lost his singles battle to Waldron at 6-4, 6-4, and then Waldron and Prendergast defeated Sexton and Stonebreaker, 6-2, 6-0.

THE SUMMARY

Singles: Weitz d. Naef, 6-0, 6-0; Klunzinger d. Olds, 9-7, 6-4; Link d. Sperry, 6-1, 6-3; Stonebreaker d. Potter, 6-3, 6-3; Goodwin d. Klock, 6-1, 6-2; O'Dell d. Reid, 7-5, 6-3.

Doubles: Goodwin and Klunzinger d. Sperry and Reid, 4-6, 6-1, 6-0; Link and Loose d. Olds and Klock, 6-1, 6-1; Stonebreaker and Sexton d. Naef and Potter, 5-7, 6-4, 6-3.

NOTRE DAME

Singles: Norris d. Prendergast, 6-0, 6-2; Klunzinger d. Seward, 6-1, 6-0; Link d. Cannon, 6-1, 7-5; Loose d. O'Hanlon, 6-1, 6-2; Waldron d. Goodwin, 6-4, 6-4; Sexton d. Weiden, 6-3, 6-2.

Doubles: Loose and Link d. Seward and Cannon, 6-4, 6-0; Klunzinger and Goodwin d. Waldron and O'Hanlon, 6-2, 6-0; Weiden and Prendergast d. Sexton and Stonebreaker, 6-2, 9-7.

Ivan, also of Notre Dame, was second and McNutt of State third. Elser also won the discus hurl, just nosing out Buss and McNutt who took second and third respectively. Elser's distance was 133 feet 3 1/2 inches. Murphy of the Irish leaped 6 feet to win the high jump from Jackson. There was a triple tie for third place in this event between Steele and Pearson of State and Williamson of the Nomads. Edwards was first in the pole vault, and Howard, another Notre Dame man, was second. Talleforn and Pearson, both of State, were tied for third. Edwards vaulted 12 feet. Meagher and Conley were first and second in the broad jump, with Jackson taking a third for the Spartans.

The last event of the meet was the two mile run in which Ottey set a new mark. "McKusbery" Hammer was right behind Tom all the way but Ottey drew away in the final sprint to win by about 50 yards. Duke of the home team was third.

Down where they grow tobacco..in most places Chesterfield is the largest-selling cigarette

—what does that mean?

—it takes good things to make good things.  
—the mild ripe tobaccos we buy for Chesterfield mean milder better taste.  
—the way they are made means Chesterfields burn right and smoke cool.  
—it means that down where

they grow tobacco folks know that mild ripe tobaccos are bought for Chesterfields.  
And because Chesterfields are made of the right kinds of tobacco, it is a milder cigarette, a cigarette that tastes better.  
There is no substitute for mild, ripe tobacco.
