Over Four Hundred To Receive Diplomas At Commencement

Second Largest Graduating Class in College History Will Participate in Seventy-sixth Annual Commencement Exercises Monday.

Over 400 seniors, the second largest graduating class in the history of the institution, will receive their diplomas from Michigan State College in the 76th annual commencement exercises to be held in Demonstration Hall, next Monday.

Baccalaureate services, to be conducted Sunday, will also be held in the Army, with the address, "He Whom a Dream has Possessed," to be given by Dr. Edgar DeWitt Jones of Central Woodward Christian church of Detroit.

The commencement address will be presented by Dr. Ernest O. Melby, professor of education at Northwestern university, who will have as his topic "Education for Tomorrow."

Faculty Honors Home Ec. Girls

One of the most interesting functions tendered senior home economics was the annual affair given by the faculty Monday evening on the lawn of home management house No. 4 following Lantern night ceremonies.

One of the features of the evening was a mock faculty meeting for the purpose of selecting home economics graduates who would accompany Byrd on his next Polar expedition. The group selected was as follows: Table stewardesses, Mary Huston, Fannie Harris, chefs, Jane Stockton, Eleanor Barr, study of standardization of clothing, Maurine King, Margaret Spore, dietitian in penguins, Catherine Geb, nursemaid to the Eskimo puppies, Ellen Stryanjen, give home economics touch to igloos, Florence Findley, uphold home economics standards in Little America, Martha Summers.

Dr. Irma H. Gross was in charge of the affair assisted by Miss Kathleen Hart, Miss Winifred Gettemy, Miss Geraldine Cooke, Miss Marian Hillhouse, and Miss Gladys Winegar. Mrs. Amy Newberg acted as mistress of ceremonies.

LIST SOPHS FOR HIGHER R.O.T.C.

Over 100 Second Year Men Apply for Advanced Military Science.

Over 100 sophomore military students have made their application for entering the advanced R. O. T. C. course leading to commissions as second lieutenants.

These men have successfully passed the physical examination required and have received high grades in their military work. Aside from these two requirements, those who have been placed on the eligibility list must also have satisfactory grades in all their college work and must have shown themselves capable of becoming army officers.

The allotment quotas for the divisions have not yet been received. When the allotments are made this summer the allotments will be completed. It is more than likely that the quotas will be large enough to admit most of the men who have applied.

A list of the applicants follows arranged according to their division: Cavalry—Robert Allman, Rudolph Barlow, Philip Baker, Jack Beech, William Britton, Wallace Clark, Theodor Chappeil, David Geary, John Converse, Watson Conner, Harold Decker, James Davis, John DeHorn, John Davison, Charles Failing, Walter Jacob, Willard Klunzinger, John Krauss, Luther Lawrence, Stuart Melville, John Pittwood, Jackson Pitzer, Reginald Reynolds, Clifford Smith, Huron Smith, William Stephenson, Francis Schell, Roland Scott, Robert Somers, Erich Sieder, Carl Sutton, Lewis Taylor, Hugh Wilson, Harold Welch, Richard Williams, Roy Willis.

Infantry—Frank H. Bopp, Mark Carpenter, Ross E. Clark, Paul Cochran, Gordon Dahlgren, Charles Deamus, Victor Duch, Walter Elsner, John B. Engelbreit, Richard L. Gray, James M. Hughes, William Kirkpatrick, Martin Krauss, Stanley Leithner, James Lewis, William Lutz, J. Howard McMillan, John L. Marley, Carl Marzke, Charles W. May, Barney E. Medders, James O. Moore, Harris Newman, Carl Nosal, John W. Perkins, Robert R. Ploger, Lawrence Rathburn, Dan G. Reck, Neil E. Roemer, A. D. Sargent, Casper J. Strong, Earle M. Stump, John Westman, Harry Wismer, David Baird, Francis Dittich, H. M. Sarason.

Artillery—Fred Ainslie, I. M. Anderson, F. Ward Brundage, Dick Collins, Howard Con, Harold Cooper, Guy W. DeKemper, Edmund Haman, Robert K. Field, Joseph Harvitt, Harold Hunt, David Ireland, K. H. Kahhoveik, Harold Lee, Walter Leithner, William A. Robinson, William G. S. Pitt, Donald Smedley, Leonard G. Schneider, Clark Shaler, Dallas F. Spencer, D. W. Stencel, James Thomas, Lloyd VanAntwerp, Floyd Verantone, Edwin C. Whitney, Miles M. Wilson, William P. Wilson, Norman Reed.

Lecture Board Arranges For Interesting Program

Amelia Earhart, Cornelius Vanderbilt, Jr., Richard Halliburton Among the Speakers to Appear Here Next Fall and Winter.

By GORDON MILLS
Eight lecturers, with topics varying from "Japan and the Eastern Problem" to "Farewell to Fifth Avenue," have been obtained by the Liberal Arts board for the lecture series to be presented next year. This is an unusual number of speakers to have on the series, as five or six are generally presented. Before opening negotiations for lecturers, the Liberal Arts board invited a number of seniors to criticize the selections of previous years, and these seniors generally agreed that the programs had been too heavy. As a result in making its selections this year the board attempted to arrange a program that would be lighter and at the same time more entertaining. During next fall term the Liberal Arts board expects to issue a booklet giving the schedule and details of the lectures.

The first lecture is to be on or about October 12 and will be given by Amelia Earhart, world-famed aviator, and will be known as a speaker. She will talk on "Aviation." Next on the series is William Hard, internationally known for his broadcasts of the great European conferences, and famous in this country for his work in reporting the political news from Washington. Articles by him, pertaining to political and economic problems, appear frequently in some of the important magazines. He is the author of "Women of Tomorrow," "Theodore Roosevelt," "Raymond Robin's Own Story," and "Wings of Heaven." Hard will come here about November 26, and will speak on "Behind the News at Washington." Cornelius Vanderbilt, Jr., is to speak on "Farewell to Fifth Avenue." Mr. Vanderbilt, foregoing the traditional banks and railroads, has been turned instead to newspaper reporting and editing advertising. He has interviewed Leon Trotsky, Adolf Hitler, Benito Mussolini, and Al Capone, in the course

of his newspaper work. In the World War he served for two years as a mule driver and a dispatcher, although he was a close friend of Wilson and Pershing. "Miracles in Nature" will be the topic spoken on by Arthur Pillsbury, noted naturalist and inventor. He will show reels of pictures taken in lapse time and technicolor, of especially interesting things found in nature. He recently spent a summer in the south sea, where he took undersea pictures of marine life. Richard Halliburton, well known for his romantic lectures and books such as "The Royal Road to Rome" and "Glorious Adventure," has a new book, "Flying Carpet." The original story of the flying carpet has been emulated by Halliburton in his plane, "The Flying Carpet." He took two years to explore the globe in this plane, and he will bring the tale of his adventures on that flight. Will Durant, who has appeared before on the series, will speak on "The Roosevelt Revolution." Mr. Durant is widely known as a philosopher, author, and lecturer. His book, "The Story of Philosophy," has had a sale of over 500,000 copies. Other well-known books by him are "Translation," "Mansions of Philosophy," and "Studies in Gentleness." He is generally accepted as one of America's greatest public speakers. "Considered by Maxwell to be the greatest living American poet," Joseph Auslander will lecture on the subject "Poetry Can Make a World." Mr. Auslander has won more prizes for poetry than any other American. He has published four volumes of verse and is acclaimed for his recitals over the radio. In his early thirties, he has accomplished more than most poets do in a lifetime. "Japan and the Eastern Problem" is the subject of the lecture by George Sokolsky.

SOPH VOTE HAS SAME RESULT

Ziegel, Campbell, Pickett and Sargent Again Elected to Offices.

Exactly the same four candidates who won last year's sophomore election were re-elected as officers of the Sigma Nu fraternity at the annual election held in the Union yesterday afternoon. In all cases except for the presidency the margin of victory was nearly the same as that enjoyed last week. Fred Ziegel, Detroit, and a member of Sigma Nu fraternity will lead next year's J. Hop by virtue of his election to the post of president of the class of '35. Ziegel was a member of the varsity swimming team last term and was awarded a major letter in that sport. He is a member of the Applied Science division. Ziegel defeated Bill Kirkpatrick of Plymouth for the office by a vote of 167 to 150. The margin of winning last Thursday was 177 to 125.

In the voting for vice-president, Katherine Campbell, Flint, increased her total ballots over that of last week to gain the office from Ruby Barrier, Alpha Chi Omega. The ballots this week were 176 to 136 as compared with 162 to 134 last week. Miss Campbell is a member of Alpha Gamma Delta society.

Ever secretary of the junior class, Evelyn Pickett, Kappa Alpha Theta, of Saginaw, assumed the office which she won last week, polling 204 votes yesterday to defeat Martha Konop, South Bend, Indiana, 104. The voting last week was Pickett, 195 Konop, 100.

The treasurer of next year's Lambda Chi Alpha of Little Rock, Arkansas, who defeated J. L. Hurlie, East Lansing, 187 to 124. Last week Hurlie polled 185 while Hurlie had 116.

The seniors who will be given small gold drums for four years service in the band are: Earl T. Austin, George W. Patterson and Graham J. Terry. Juniors who will receive State blankets are: William J. Coburn, Garret E. Elmeyer, Edward F. Gervais, Lawrence E. Monnier, Max H. Smith and Emory Weisman. Sweaters will be awarded to the following sophomores: Forrest E. Allen, Warren C. Russell, George W. Cochran, John Coggill, Donald W. Dawson, Eidon M. Durkee, Don F. Engel, Vaughn H. Hill, Richard E. King, Gordon Mahana, Francis E. Mapley, Robert H. Martin, Charles M. Miller, Ray W. Pratt, Leon O. Rockwell, Donald G. Trapp.

The annual election of officers for the band for the coming year was held during the past week. William J. Coburn, Allegan, a third year public school music student, was elected president. Lawrence Monnier, Detroit, was elected vice-president, and George Cochran, Lansing, was named secretary-treasurer.

Coburn was also honored by being elected to the presidency of the Michigan State Band club at its election this week. Bob Martin of Lansing was named vice president, and Forrest E. Allen of Oxford was made secretary-treasurer.

COUNCIL PLANS TO REVIVE OLD SPARTAN SPIRIT

New Seating Capacity in Stadium Guarantees Satisfactory Placement.

PLAN IS ENTIRELY NEW
Organized Cheering is Part of Plan as Announced by Student Council.

Continuing with their project, begun last January, to intensify Spartan spirit at football games, the Student Council decided at their last meeting that the student body should be seated on the east, rather than on the west, side of the stadium; that a new system should replace the usual segregation of classes at important games and that fraternity and cheering groups should be given blocks. The Athletic Council aided the student leaders in making their plans.

The plan to seat all students on the east stands, it was stated, would alleviate crowding on the west end and would afford students a better chance to get near the center of the field, all of them being guaranteed seats between the 30-yard lines. Henceforth, alumni and outsiders have usually chosen the west stand, with the result that only one side was occupied, with subsequent crowding and unsatisfactory placement at the ends.

The need for an organized cheering section was also recognized and was partially answered when Prof. A. J. Clark, head of the chemistry department, promised to devote a portion of his freshman lecture to coaching on the school cheers and to singing.

Also in connection with cheering it was decided that Wes Hurd, head cheerleader, was planning to cooperate with the department of music in cultivating a singing pep section and in improving the knowledge of rhythm among cheerleaders.

The book life, according to "The Student Council," is merely suggested for the convenience of societies and dormitory groups. Such a system would probably make for a more enjoyable time at games and thus heighten enthusiasm among the spectators.

Charles Bachman was extremely pleased with the ideas of the Council. "That's an excellent method of fostering school spirit," he said. Ralph Young, director of athletics and one of the pioneers in the drive for more spirit, was also enthusiastic.

Among students, the consensus seemed to be that such a procedure would be an improvement over present conditions, stating that only lack of initiative has held it back in the past.

Dr. Kimball, the advisor to famous aviators such as Lindbergh, Cronberian, Byrd, Earhart, and others, is a graduate of M. S. C. with the class of 1912. He received advanced degrees from Richmond University and New York university. Through his vasty important services to aviation, he has become an honorary member of the International League of Aviators and has been honored by two nations. Poland granted him the officers cross of the order Polonia Restituta. France awarded him the famous Chevalier Legion of Honor. In addition, New York City gave him its scroll of honor and gold medal.

Mrs. Stockman, though not a graduate of the college, was for some time a lecturer for the Michigan State Grange and was active in the group's educational and legislative projects. Active in the establishment of a liberal arts and home economics course here, Mrs. Stockman is noted mainly for her accomplishment in serving on the state board of agriculture from 1919 to 1932, the first woman in the country to be a member of a board of control at a land grant college.

Colorful Parade of Thirty-six Floats to Be Carnival Feature

Plan to Accomodate Large Crowds at Water Carnival Held Tonight and Tomorrow Night on Red Cedar Near Farm Lane Bridge; Award Prizes Saturday.

Preparations for the eleventh annual Water Carnival to be held on the Red Cedar river at Farm Lane bridge tonight and tomorrow night are far ahead of schedule, according to Tom Warner, in charge of work on the floats. The theme selected was the "Pursuit of Peace" and was submitted by Lucille Kennedy, a senior. The carnival will open with canoe races and canoe tilting contests at 7:30 sharp, and the floats will begin their parade down the river as soon as it is dark enough for the colored lighting to be effective.

The first of the 36 floats will carry Gerald Muscott, president of the senior class, and Coila Anderson, vice-president of the class, who will reign as King and Queen of the carnival. After 16 floats have passed the reviewing stand, there will be an intermission of half an hour during which two acts of entertainment will be presented. Excelsior senior men's honorary will tap its new members during this period Saturday night. The senior class banners will be presented to the incoming class by Gerald Muscott.

While descriptions of each float are being given by Prof. O. J. Drake, master of ceremonies, an accompaniment of appropriate music will be provided by an orchestra consisting of leading music students, and directed by Julius Stulberg, a violin student. Special musical scores have been secured for each of the floats, and promise to be one of the treats of the program.

Prizes, consisting of three loving cups, will be awarded for the best three floats after the final judging Saturday night. Judges will be Fred Patton, Dean Marie Dye, and Prof. J. T. Caswell. Coach Jake Daubert will officiate over the canoe events and medals will be presented to the winners.

There will be no reserved seats this year according to the committee, and all seats will be 50 cents. The committee to which credit for the carnival should be given consisted of Thomas Warner, Robert Klime, Gladys Cow, Mott Heath, Robert Mueller, Helens Skovsen, William Gilliland, Curtis Rogers, John Young, Donald Pierce, Charles MacLean, and Russ McComb.

The committee wishes to emphasize the fact that no one except those participating in the carnival will be allowed on the south bank of the river during the performance.

The names of the floats and the organizations presenting them in the order of appearance are as follows:

- The Naming of Athens—Chi Omega
- The Birth of Christ—Kappa Alpha Theta
- The Apostle Paul Spreading the Gospel—Kappa Delta
- The Turtur of the Early Christians—Delphi
- The Spread of Christianity—Ero Alpha
- The Worship of Allah—Hesperian
- The Crusades—Phi Kappa Tau
- Utopia—Kappa Kappa Gamma
- Birth of New Religious Ideas—Alpha Chi Omega
- The Massacre of the Heretics at Amboise—Timoura
- The Landing of the Pilgrims at Plymouth Rock—Zeta Tau Alpha
- Intolerance Among the Puritans—Alpha Phi
- Death of the New World Huguenots by the Spaniards—Phi Delta Theta
- William Penn and His Quakers—Lambda Chi Alpha
- The Boston Tea Party—Religious Council
- The Marseillaise—West Mary Mayo
- The Imperialism of the Pre-War Period—Phycan
- The World War—East Mary Mayo
- In Planders Field—Women's Building
- The Treaty of Versailles—Sigma Alpha Epsilon
- The League of Nations—Hermanian
- The Worship of the American Dollar—Sigma Nu
- The Wall Street Crash—Alpha Epsilon Phi
- The Depression and the Crime Wave—Phi Chi Alpha
- Technocracy—Alpha Phi
- Ohardi and Non-Resistance—Alpha Gamma Rho
- Higher Education and the Betterment of Humane Nature—Alpha Gamma Delta
- Making War Obsolete Through Literature—Delta Alpha
- Tolerance for All Religions—Delta Sigma Phi
- Disarmament—Phi Kappa Phi
- Peace and Elysium—Eta Gamma

Delta Management
Thanks State
Dean Warner will inaugurate the Delta and Gamma Phi popular dancing spree for the State students, which will bring the students for their patronage and wish everyone a happy summer. Great Casino which will open in the fall is new on its third anniversary.

ALUMNI DAY TO MARK WEEK-END

Record Crowd Expected Here Saturday for Annual Festivities.

According to reports received from secretaries of the various classes, indications point to a banner attendance for the annual Alumni Day which is to be celebrated at M. S. C. all day tomorrow.

E. C. Shields of Lansing who is NRA arbitrator of the state of Michigan and legal advisor for Michigan State college will be the principal speaker at the sunset Supper to be held at 5:30 in the Union ballroom for all the alumni present.

L. T. Clark, president of the M. S. C. association, will be toastmaster and the program will also include music by the McKee Trio, Marian Irene and Katherine and a short talk by Pres. R. S. Shaw.

The days program promises to be an eventful one for everyone returning and a doubly interesting one for the classes which are planning special reunions. Foremost among these will be that of the class of 1884 plans of which are in the hands of Homer D. Luce, of Lansing. At the noon luncheon of the class, its members will be initiated into the Patriarchal club composed of men who graduated fifty years or more ago. Approximately 50 are expected to attend this luncheon, including Charles Garfield, 70 of Grand Rapids, honorary president of M. S. C. association, Daniel Irving, 67 of Grand Ledge, oldest living graduate, and Henry Haigh, 74 of Detroit, who will give a short address on the history of the college.

Other large-year classes are expecting five-year representations. Leading the list is the class of 1934 who will have between 60 and 70 members here for the 10th anniversary of the class. The 25 year group, class of 1909, are expecting 40 or 50 to be on hand.

The grand finale of the day's program will be a dance for returning grads, faculty, and seniors, which will be given in the Union ballroom from 9:00 to 12:00.

Following is the entire program for the day:

Morning
9:00-12:00—Registration in the Union lobby, baby show and golf tournament.
11:00—Annual meeting of the M. S. C. association. Election of officers.
12:00—Class luncheons in Union building.

Afternoon
1:00—Class reunions.
3:30—Baseball game, M. S. C. vs. University of Iowa.
Evening
5:45—Sunset Supper in Union ballroom.
7:30—Water Carnival on Red Cedar River.
9:00-12:00—Alumni dance sponsored by Alumnae League in Union ballroom.

RARE FLOWERS COME TO SHOW

Week-end Exhibits in Lansing Feature Many Unique Varieties.

Several new and unusual varieties of peonies and other flowers will be featured at the State Peony show and National Farm and Garden shows being held in the Women's building in Lansing on Friday and Saturday according to Paul H. Krohn, secretary of the State Peony society.

One of the feature exhibits will be a display of 2,000 blooms of Mikado, a beautiful red Japanese variety with yellow center. Another display will feature the beautiful and rare yellow tree peonies. There will be a great many new and interesting varieties recently imported from France, as well as several new Japanese varieties including Isami Gidai, a beautiful large white.

The Garden Club show will also feature many new and unusual varieties of flowers including many new delphinium, new varieties of hardy primroses, lilies and roses. The flower arrangement section will include many classes that are new and interesting, including miniature arrangements which are less than six inches high, arrangements in various types of bowls, shadow boxes and flower arrangements for all types of tables.

A special feature for school children has attracted considerable attention. A flower poster contest has been conducted in the schools and the posters will be on display at the show. In addition a class featuring miniature gardens has been arranged for school children. It is anticipated that there will be several interesting and attractive gardens displayed.

Prize schedules for the show can be obtained free from Mrs. Harry B. Wainwright or Paul H. Krohn in East Lansing and from Mrs. Frank Thomson or Dr. O. A. Tester in Lansing.

Outlook Reported Good For Senior Employment

Partial List Shows That Many Seniors Have Already Secured Jobs for Next Year; Many Will Teach.

With Dr. E. L. Austin of the education department reporting a much bigger demand for teachers this year than for the last three years, and other departments reporting a large number of seniors already placed in positions and others still considering offers, the prospect ahead of 1934 graduates is much better than it has been for some time.

Dr. Austin thinks the improvement in outlook is permanent, and his optimism is reflected by the reports of other departments taken at random from all the divisions. It is impossible to get a complete list of all the seniors who have accepted positions because the records are not complete, and because seniors are being placed all the while the paper is being published.

The partial list of seniors who have accepted teaching positions is as follows: Clark Brody, teaching public school music at Scottville; Eugene White, teaching home economics at New Troy; Alberta Holmsten, teaching home economics at Haines; Doris Hummel, teaching home economics at Bad Axe; Lucille Blomstedt, teaching home economics at Severn; Norman Peterson, teaching agriculture at Meridian; Edwin James, teaching agriculture at Deatur; Marion Kink, teaching English at Manket; Mary Carter, teaching home economics at Farms; Gladstone Burkhardt, teaching home economics at (Continued on page 4)

EDITORIALS

To the Seniors . . .

In presenting this final senior edition, we wish to dedicate the last issue of the year to the outgoing seniors of the class of '34. Having been here three years ourselves, we can somewhat appreciate the general feeling of regret which you will have in leaving this school.

GRADUATION GIFTS

He will enjoy gifts purchased from May Bros. . . Fine quality without premium. Neckwear, 50c to \$1.50. Sweaters, \$1 to \$3.95. Ladies Pullovers, \$1. Chinese Sport Shirts, \$2. Flannel Shirts, \$1.95, \$2.95. Sport Coats, \$11.45. Interview Hats, 25c, 30c. Celler Pins, 50c. Tie and Collar Sets, \$1. Ladies' Tailored Shirts, \$2. Van Heusen Shirts, \$2.

MAY BROS.

The Hat Store of the Town. 233 South Washington Ave.

IN MEMORIAM

By The Two K's. And so to the last issue. For most students this will be the last newspaper of any kind that they will see until they come back next fall. And for the seniors, most of us won't see one then unless free distribution becomes a common practice. But then, with a cow in one hand and an egg in the other, some paradise enow.

Goody, me and some other kid gets their degrees Monday. So what. The turnout for dress rehearsal of the senior play was far beyond expectations. In fact there were more people for dress rehearsal than usually attend the play.

The romantics of some people is zero. There were those that begged a light for a cigarette from the torch girls along the way. Others stopped to read magazines and newspapers. Others sat down for a foursome or a hand of pennuhki.

Here's this work go to Sphinx, cretwhile girl, honorary, for its work.

And while I'm on it I might as well go on. The question is this: Why is stress placed entirely upon scholarship in so many cases? It's all very well to be able to be a photograph and toss back intricate figures, statistics, but unless certain college instructors believe in statistics, the average C student stands a lot better chance of succeeding than the all A student. And here have been a few students that flunked out that will some day make a lot higher than the men and women that flunked them out. So cheer up, you girls that were overlooked by Sphinx, McClellan, Krenn, Verbeke, Madney and a bunch of you others, your record will mean a lot more to you and to the rest of the students than mere membership in Sphinx. And that's that.

A group which included among others the captain of the football team and a large fellow that plays center on our team. I guess I didn't mention any names that time attempted last fall a new kind of racket with Coral Gables. They went up to Stan Bower and mentioned the fact that they were as popular about the campus that where they went so went the State students just to hang about and to gaze in awe at the football heroes. They even suggested that it might be well to give them each a season's pass so that they could always come bringing their following with them. If Stan wouldn't give them a pass they wouldn't come and by heck none of their admiring followers would either. The pass didn't come, neither did the football heroes, very often, but the crowds didn't seem to realize that the certain football hero weren't there. I guess they should have been.

Some one noticed that the Aethon house is bulging up again. Upon investigation it was found that Len Montgomery had been around for eye a week. Still no trace of the snambulist.

And the great unwashed public standing about now under my cement windows waiting for the great master to say his fond farewell before he leaves for the Detroit bridge. Ah, the windows open, a trip is taken. A bus settles upon the crowd. A few people brush it off but it settles again. The master appears on the cement. He speaks. "G'bye."

We offer congratulations to the Graduating Class of 1934

CAMPUS BARBER SHOP

233 South Washington Ave.

21 H. E. SENIORS HAVE POSITIONS

Home Economics Department Places Graduates for Next Year.

Twenty-one girls graduating from the home economics division have already secured positions for next year. There are more positions open this year than there have been for several years. Three girls have institution positions. They are Kathleen Cutler, Campus hotel, East Lansing, Virginia Pieszki, assistant to Miss Vera Francis Howard, in charge of food service at Helen Newberry residence, Ann Arbor, and Eleanor Salisbury, Cleveland Mills restaurant, Cleveland, Ohio. Miss Salisbury will train for a managerial position and will begin her work in Cleveland July 18.

The girls who have positions in hospitals are: Lillian Rosewarne, Ann Arbor; Catherine Goh, Iowa State hospital, Lida Frost, Ford hospital, Detroit; Esther Gattie, Johns Hopkins, Helen Noel, Western Pennsylvania hospital, and Elizabeth Hunt, Ann Arbor. Mrs. Marie D. Byers attributed the reason for the unusual number of openings for home economics teachers to the fact that so many of the teachers are getting married. The girls who have secured positions in schools are: Mary Cutler, Parma, Barbara Taylor, Morenci, Lucile Rigdon, Beaverton, Evelyn Ulrich, Edwardsville, Henri Becker, Mattawan, Claudine Burkhardt, Kellogg Agricultural school, Augusta; Elsie Horstmyer, Marlette; Alberta Holmden, Haskett, Doris Blumenthal, Bad Axe; Laverne Solomon, Bangor; Eugene White, New Troy; and Helen Hennickson, Walled Lake.

As calls are coming in every day for teachers, probably many more girls will have positions by the time school opens in the fall. If they can get those men quines up the river to me, they would be most grateful. I am able to be the Water Carnival. I have a lot of good seed in the front of a boat and whoops and yells. The boat making the boat had rails, hammer, barrel and board, snatched right out of their hands by the mosquitoes. That was a bad job when a mosquito was in the way. I was up while the fellows were making a boat he really got sore.

Don Montgomery saw and in charge of the circulation for the State News, went up the river the other night checking up on the progress of the Water Carnival. The only trouble was that he went the wrong way and didn't know the difference until some one told him the next day that the boats were on the east end of the river.

McClellan and Quello got arrested, I guess. They got arrested out of Bible class (other day) on not saluting before the altar of wisdom and learning.

For the benefit of the 300 and some high schools that maybe read parts of the here paper I might say that Tony's is not a beer emporium. It is a hamburger restaurant. And what is more, when we say quelling the subs it is only our quaint way of saying that every time a fellow uses nasty language he has to have his mouth washed out with soap. And what is more, that Quello had his snuggle in the subs, it means that he got soap up his nose. Yes, when we use soap we wish that we well there's a chance for a mistake here and there.

COLLEGE SENDS CATTLE TO GLADWIN FOR SALE

The fourth annual consignment sale of beef and dual purpose cattle will be held at Gladwin, Michigan, on the date of June 14. Only registered cattle under two years of age will be sold for breeding purposes. Of the ninety-head of college cattle offered to the consignment committee, forty-five were selected to be sent to the auction next week.

SOME FEAT

Some boys get cold FEET when they asic for a girls HAND.

The Passing Show

One of the most elaborate plays ever produced at Michigan State was presented to the huge audience which attended the performance of "Molamunee Night, Dream" at the Forest of Arden Wednesday night. Impressive lighting effects, an enormous well-balanced cast, natural scenery, appropriate musical selections, and effective dramatic interpretation all seemed to make the well known Shakespearean drama probably the outstanding senior presentation ever to be given on this campus. The natural scenery of the campus gave the production a reality which pleased the audience in a new world. The location of the play, around into three parts, were well chosen and the audience followed a torch-lighted trail over the campus to natural theaters where trees formed a beautiful background and floodlights were skillfully manipulated to produce eerie effects and add mystery to the costumes of the dancers and actors. Dancers, and musicians showed an almost perfect coordination which was marred only in the second act when a signal for the music was given a bit prematurely. The scenery in the first act provided the most elaborate picture with fountains, trees, and gnomes dancing to the concerted orchestra's impressive interpretation of Mendelssohn's music. The performance was brought to a graceful close with the orchestra beautifully playing "Nocturne" and the dancers giving an effective and charming interpretation.

The parody of "Pyramus and Thisbe" which brought the play to a rollicking climax stole the show. The madcap antics of the artisans who presented the play for Thisbe and his wife convinced the audience. Their appearance throughout was clever and commendable. Dick Harrison handled the role of Bottom in a most entertaining manner and his artisan supporters furnished the cleverest acting of the evening.

Individual laurels of the evening went to John Yale as Puck and Inez Scalding in the role of Helena. Yale handled what was undoubtedly the most difficult role in a masterly manner. His voice and actions were typical of Puck. Inez Scalding possessed excellent stage presence and grace as the heroine. Helens. Others whose performance was outstanding were Katherine Campbell as Titania, Robert Kluge as Oberon, Laverne Minckley of the deep bass voice as Thousas, and Charlotte Pike as Hippolyta.

BLUE LANTERN ISLAND LAKE

Michigan's Most Beautiful Summer Resort. NEW DECORATIONS. NEW MANAGEMENT. This Week Featuring Mickey Lowther and his WASHINGTONIANS. 14 Columbia Broadcasting Artists. Booking Nightly Except Mondays. Admission 50c.

Instructions to Graduates

Baccalaureate - Demonstration Hall, Sunday, June 10, 1934. Assemble at gymnasium at 2:30 p. m. Procession to Demonstration hall will be headed by the president, speaker, minister, and class president.

Seniors will form two single lines one on each side of walk in front of gym divisions together in the following order beginning at north door of gym: Agriculture and forestry engineering, home economics, veterinary science, applied science, and liberal arts. The platform party will pass down between the lines, the line falling in behind, and proceed in double column to the Demonstration hall. There you will be met by ushers, who will escort you in single columns to seats reserved for the graduating class. Remain standing until those on platform are seated, then be seated. Men remove caps for invocation. Tassels should be worn on right side of cap until after you receive your diploma. Graduate students, excuse Sunday.

At conclusion of service the ushers will lead the procession to the gymnasium. In front of the gymnasium, in front of the state show being held in Lansing next Friday and Saturday in conjunction with the National Farm and Garden club show, according to Paul R. Krenn, extension specialist in horticulture at M. S. C. This fan is done, however, with little difficulty and cold storage facilities have been arranged to handle the blooms for all amateur exhibitors without charge.

Extension Dept. To Store Blooms

Hot Weather Makes Cold Storage Facilities Necessary.

Due to the unprecedented hot weather of the past week it may be necessary to store blooms of early varieties to hold them over for the state show being held in Lansing next Friday and Saturday in conjunction with the National Farm and Garden club show, according to Paul R. Krenn, extension specialist in horticulture at M. S. C. This fan is done, however, with little difficulty and cold storage facilities have been arranged to handle the blooms for all amateur exhibitors without charge.

To store the blooms successfully they should be cut when the buds are just about half open or when they are just starting to open, and preferably about 9 o'clock in the morning after the dew has dried off. The stems should then be placed in water in a cool basement for one or two hours, just long enough for the bud to close again to the bud form. They should then be taken from the water and carefully dried, then wrapped in tissue paper which will absorb any moisture present on the blooms which should then be placed in a box and held in a temperature of 32-35 degrees until the morning of the show.

Pennies stored in this way will keep in storage for several weeks, according to Mr. Krenn, and will keep as fresh as freshly cut ones upon being taken from the storage.

GREGG AND KETTUNEN HEAD SHRUB PLANTING

Through the interest developed by A. G. Kettunen, state 4-H club leader and his staff, 500 shrubs were planted on the grounds of the 4-H club in Gladwin, Mich. The work was done on May 18 under the direction of O. I. Gregg, of the hort department. The plants will not only beautify the grounds but will also be used as specimens for the 4-H club boys and girls in learning the names of the various shrubs.

ANNOUNCE NEW FROSH COUNSEL

Miss Virginia Kamps Picks "Big Sisters" to Help Prospective Freshmen.

Virginia Kamps, head of the freshman counselor system, announced last night that members of the Freshman Counselor Committee for next year will be Ruth Martin, Winifred Ann Grant, Mary Ballard, Grace Husius, and Edith Johnson. These girls were chosen from the eighty freshmen girls who attended the lectures given for prospective freshman counselors, as showing the most interest in the work, and being the best able to carry out their duties. One girl represents each dormitory and Lansing and East Lansing, and each girl on this committee will have about fifteen counselors under her.

The following girls have met the requirements for being freshman counselors next year and each girl will be "Big Sister" to two or three freshmen, and will come back freshman week to help her freshmen get started. June Tebey, Elizabeth Watson, Dorothy Works, Elma Smith, Helen Amorth, Jane Cummings, Addie Pospelich, Margaret Markle, Eleanor Sandham, Betty Gilroy, Ann Duval, Geraldine Paul, Martha Green, Donna Messenger, Lillian Courchill, Bernita Taylor, Winifred Ann Grant, Mary Ellen Radford, Dorothy Anderson, Katherine Harrison, Beryl Campbell, Ruth Waleck, Margaret Holchin, Dorothy Baldwin, Hester Green, Jane Sivin, Phyllis Gibson, Ruth Greenwood, Mary Ellen Grover, Elizabeth Ziegler, Mary Barden, Gretchen Beech, Virginia Lyon, Betty Harley, Maxine Callow, Arline Richardson, Martha Keeney, Josephine Van Eberstein, Isabel Thompson, Mary McCheslin, Jean Boneman, Jeanette Baird, Alice Eastwood, Barbara Bernis, Marjorie Phelps, Louise Lertz, Jeanette Miller, Jane S. Saw, Agnes Rodney, Mildred Young, Betty Fraker, Sylvia Westrate, Marguerite Griffin, Shirley Ellis, Grace Johnson, Louise Doherty, Mary Ellen McCheslin, Helen Cooper, Francis Langford, Laura Kincaid, Arlene Ann Galters, Lois Sherman, Ruth Hardy, Ruth Strimling, Arlene Rodney, Velma Rae, Cora Dewey, Sally Baker, Georgene Walker, Jane Richardson, Margaret Parry, Virginia Thomas, Joan Harreman, Marian Taylor, Marjorie Kinder, Mary Kolkman, Rosemary Thompson, Maria Dusenbury, Freda Broadstreet, Betty Stafford, Kathleen Williams, Lois Roche, and Helen Ryerse.

ALUMNI GATHER AT BLANEY PARK

Sixty Upper Peninsula Grads Hold Celebration Saturday.

More than 60 alumni of the upper peninsula attended the organization meeting held last Saturday, June 2 at Blaney Park. Glen O. Stewart.

GLEN STEWART TO ATTEND INDIANA ALUMNI MEETING

M. S. C. alumni of Indiana will meet at the country home of Mr. and Mrs. I. J. Matthews Saturday, June 23 at Winamac, Ind. for a statewide business meeting and picnic.

COMMENCEMENT COMMITTEE

Each senior or graduate student must secure reserved seats for his personal guests for baccalaureate and commencement exercises by calling at the registrar's office.

ELEVENTH ANNUAL WATERBURY June 8 and 9 Beautiful Floats Vaudeville Contests! Music! 7:30 P. M.—Farm Lane Bridge—50c

"Pursuit of Peace" Will Climax Social Activities; Last College Affair Before Commencement

The Water Carnival with its 36 floats in the theme of "Pursuit of Peace," climaxes 1934 social activities and is the last college function before the seniors assemble for commencement exercises. Attention of the college for the rest of the term is focused on the graduating class of 1934, which will bid Michigan State adieu next week. The usual swing-out, lantern night, and senior play have already taken place and there remains Baccalaureate on Sunday and Commencement on Monday with which the seniors will complete their four years' work.

Several fraternities are winding up the social season with open houses Saturday evening. Sigma Nu, Theta Kappa Nu, Phi Kappa Tau, and Phi Delta Theta will entertain.

Sigma Nu Open House
Bronson Scruby and his orchestra will furnish the music for an open house to be given at the Sigma Nu house Saturday evening. Dean and Mrs. E. H. Ryder and Mr. and Mrs. H. C. Rafter will act as patrons.

Theta Kappa Nu Spring Term Party
The East Lansing Masonic temple will be the scene of the Theta Kappa Nu spring term party tomorrow night. Bill Walker and his band will play for the affair. Mr. and Mrs. A. H. Leigh, Mr. and Mrs. J. A. Clark and Mr. and Mrs. S. G. Bergquist will serve as patrons.

Party Given by Phi Kappa Tau
Major and Mrs. C. Thomas, Stahl and Mr. and Mrs. S. E. Crowe will act as patrons for the Phi Kappa Tau open house Saturday evening. Ray Vickerstaff and his orchestra will play.

Zeta Tau Alpha
Frances Scullin, 26 East Lansing, and Kathryn Kempfer, Albion, will be formally initiated into Zeta Tau Alpha Saturday morning. They will be guests of honor at the alumnae breakfast afterwards.

Ero Alphan
Seniors of Ero Alphan society were entertained at a pajama party at the house Wednesday night. Mr. and Mrs. Paul Kantz and family of Pontiac are guests at the Ero Alphan house today. Ero Alphan breakfast will be held tomorrow morning at Hunt's. Betty

Blake and Mary Frances Maughey of Worcester, Ohio, are among those returning for the affair who will spend the week-end at the E. A. house.

Chi Omega
Beverly Meacham will entertain the girls living at the Chi Omega house at a luncheon at her home Saturday.

Seniors of Chi Omega and their parents will be luncheon guests at the Chi O. house after commencement on Monday.

Katherine Fagner, Helen Carruthers, and May Groose, are guests at the Chi Omega house this week-end.

Alpha Phi
Alpha Phi alumnae entertained the actives at a picnic at Margaret Hurd's cottage on Mirror Creek last Monday.

The Alpha Phi hope chest will be raffled off at the alumnae tea Saturday afternoon.

Sigma Kappa
Patronesses of Sigma Kappa entertained the seniors of the society at dinner at the Country club of Lansing last Tuesday evening.

Phi Delta Theta Hold Open House
Bronson Scruby and his orchestra will play for the Phi Delta Theta open house tomorrow evening. Coach and Mrs. Charles Bachman and Prof. and Mrs. G. E. Taylor will act as patrons for the affair.

New officers of Omicron Nu home economics honorary were installed at the regular meeting of the chapter Thursday evening, as follows: Barbara Aldrich, president; Doris Davis, vice president; June Hagelshaw, secretary; Katherine Hart, treasurer; Harriet Wilcox, editor; Dr. Jean Hawks, faculty advisor.

Regina Gabriel will be in charge of the testing kitchen and visitors service of the Kellogg company in

DYE WILL ATTEND HOME EC. MEETING

Annual Convention Will Be Held in New York June 25-29.

Among the faculty and student members who expect to attend the annual convention of the American Home Economics association in New York city June 25-29 are Dr. Marie Dye, dean of home economics, Miss Edna V. Smith, director of home economics extension, Miss Margaret Harris, assistant director of home economics extension, Mrs. Lydia Ann Lynde, Miss Roberta Hershey, Miss Irene Taylor, Miss Frieda Gilmore, Dr. Irma H. Gross, Miss Catherine Miller, Mrs. Amy Newberg, Miss Beatrice Grant, Miss Ethel Webb, Miss Geraldine Cooke, Miss Katherine Hart, Miss Gladys Love, Esther Leberman and Virginia Grant.

Dr. Dye is chairman of the food and nutrition division, and Dr. Gross is chairman of the division on economic problems and family relations.

W. A. A. to Honor Co-ed Athletes Saturday, June 9

Awards will be given to the outstanding girls in athletic activities at a luncheon to be held Saturday, June 9, at 12:30 in the W. A. A. cabin. Upon receipt of these awards the girls will automatically become members of W. A. A. There will be two types of awards given, numerals and small 8.

Those girls receiving numerals are Virginia Rae Evelyn Hogan, Barbara McAvey, Helen Gotsch, Anne Richardson, Charlotte Pike, Barbara Clark and Margaret Johnson. Those who earned the small 8 are Betty Eaker, Alice Hase, Frederica Morse, Barbara Egan, Leora Smith, Betty Harvey, Laura Hunt, Janet Elliot.

In order to receive numerals, 100 points must be acquired by participating in W. A. A. activities. To earn the small 8, 500 points must be acquired. Other awards are for \$1,000 points and honor roll, 1,500 points.

COLLEGE BULLETIN

Water Carnival with music, entertainment and 36 floats. Tonight and Saturday night at Farm Lake bridge. Admission 50 cents per person.

Baseball: University of Iowa vs. Michigan State at College field Friday at 4:15 p. m. and Saturday afternoon. Admission by student book orders.

Baccalaureate services for senior graduating class will be held Sunday afternoon at 3 in Demonstration hall.

Annual Commencement day exercises will be held in Demonstration hall, Monday morning.

Final examinations will begin Tuesday and continue through next Friday. Summer vacation begins Friday, June 15. Freshmen week will begin Sept. 19 and regular classes will be resumed Sept. 24.

Union board meeting will be held in the Union office next Wednesday afternoon, June 13, at 5.

All seniors who have not yet called for the caps and gowns which they ordered are asked to get them at the Union desk today or tomorrow.

Seniors who have not yet signed the refund slip for the first-year alumni dues may do so Monday afternoon at the Union desk. The special rate for the first year out of college is \$1. George Chapp will be at the Union desk immediately following the exercises Monday to take orders.

Glee Club Elects Officers For 1934-35

Next year's officers of the M. S. C. glee club were elected yesterday at the club's final meeting of the term. Neil Wadsworth, 35, was chosen as president.

The two vice presidents for next year are Doug Craig, 35, and John Baxter, 36. Other officers elected were Edna White, 36, secretary; Merrill Lemmon, 36, treasurer; and Joe Sharpe, librarian. The two assistant business managers appointed

Battle Creek during the summer and until her return to school next winter term.

Miss Winifred Gettemy of the home economics department will study at Cornell this summer. Miss Beatrice Grant will take work at Columbia and Miss Julia Tear at the University of Chicago.

Zeta Tau Alpha sorority will hold its annual alumnae breakfast at the Union tomorrow morning at 9:00 o'clock. The scholarship and activity awards in the local chapter will be made at the breakfast.

Guests at the Zeta house this week-end are Dorisand Norma Streeter of Hastings; Joy Vaughn, East Texas; Christine Dyer, Owosso; Gwendeneve Ivory, Phat, Margaret Stevenson, Port Huron, and Kathryn Kempfer, Albion.

Kappa Delta
Kappa Delta will hold formal initiation for Virginia Hurley, 36, of Coldwater, Saturday night.

Lantern Night Is Dye Entertains Home Ec. Group

Dirner Held at Women's Building for Retiring Board and New Officers.

Sphinx Sponsors Ninth Annual Presentation of This Ceremony.

Traditional Lantern Night which was held last Monday night marks the ninth annual presentation of this colorful ceremony.

Until 1928 no effort had been made to establish this sort of festivity which commemorates the responsibilities which are passed down from the women of the upper classes to the following classes. However in 1928 Mrs. H. H. Halladay and a few other prominent women on the campus decided that the proceeds on the campus should have some affair during senior festivities which was uniquely their own. Consequently a play was created which would include all college women. The idea was partially taken from a similar ceremony at Ann Arbor.

Sphinx, having already been organized for ten years, decided to sponsor the affair. This group together with other outstanding senior women made extensive plans and outlined the route. As a result the first Lantern Night was carried through amid great bursts of enthusiasm. The procession followed practically the same paths that were followed this year. It started from the porch at the Halladay home, proceeding through the Real Botanical Gardens and ending at the Forest of Aden.

Immediately after the ceremony each year Mrs. Halladay has entertained the old and new members of Sphinx at her home. The last two years this has had to be discontinued because of the many other activities.

Every year the weather has been perfect for this out-of-door affair. Monday night the weather looked threatening but true to M. S. C. tradition the evening turned out to be fairly adding the perfect touch to the Lantern Night of the class of 1934.

ed by Prof. Fred Patton, director, were Carl Jorgensen, 36, and Mark Lewis, 37.

Captain Gollightly To Replace Blanton

Capt. Harvey J. Gollightly from the 24th division of infantry, Fort Benning, Georgia, will arrive here at State before June 20 to take over the duties of Capt. S. G. Blanton who has been transferred to Leavenworth, Kansas.

Capt. F. B. Crabb will become ranking infantry officer as a result of this change.

Dr. Marie Dye and Mrs. Amy Newberg were hostesses at a dinner Wednesday evening at the Women's building for the retiring board and new officers of the Home Economics club.

Guests at the affair included Mrs. Marie D. Byers, Miss Gladys Love, Martha Summers, Esther Leberman, Wilma Wagoner, Helen Henrikson, Elizabeth Musser, Lavern Solomon, Kathleen Cutler, Harriet Wilcox, Doris Blumenthal, Jean Sanford, Edith Keleh, Virginia Grant, Doris Reber, Eleanor Barr, Adelaide Guenther, Mary Huston, Lillian Rosewarne, Florence Findley, Evelyn Unruh, Virginia Pozick.

OVER 400 TO GET DIPLOMA NEXT MONDAY

(Continued from page 1)

President Shaw outlined briefly the accomplishments of the class of the M. S. C. campus, then turned the meeting over to Helen Amos, retiring president of the W. A. A. who introduced her successor, Marion Goodchild to the students, and presented her with her lantern. Seniors thereupon gave their lanterns to the juniors, the juniors relinquished

Kobsmen Bring Season To Close Against Iowa Nine in Two Games Here

Hawkeyes Meet Spartans Friday and Saturday; Two State Triumphs Would Help Polish Rather Spotty Record; Saturday's Game Open to Public.

By TOM ORRIBEN

Anxious to climax their season with a percentage above the 500 mark, the Kobsmen will attempt to wrest a pair of victories from the University of Iowa nine in games played here Friday and Saturday.

With a record now of six victories and seven defeats, a clean sweep of the Iowa series would serve to embellish an otherwise drab record, and boost the Spartans' record for this season. Friday's game will start at the usual time of 4:10 o'clock, while Saturday's contest will get under way at 3:30 o'clock.

State's mediocre record on the diamond this season is attributable to several things. First of all, the Spartan schedule was one of the most difficult ever devised for a State nine. Eight games with Western conference teams confront the Kobsmen and two each with Western State Teachers, Michigan Normal and Notre Dame. This set-up included some of the best college teams in the country.

Their pitching staff depleted by graduation, the Kobsmen had to depend almost entirely on their own batters. Berg, Krontsch, and Honkins, to carry the mound burden. Despite their inexperience the trio pitched fairly creditable ball that amply will for next year's club.

The big disappointment of the season was the failure of the Spartans to win more than two of their

seven games with teams in the State. State measured only Hillsdale and Michigan, losing two games to both the University of Michigan and Western State Teachers and Notre Dame and wins over Ohio State and Northwestern helped lighten the winning column.

Saturday's game will mark the final appearance of the Bill McCann, Art House, and Floyd Moore in the Spartan uniform. All have figured prominently in State's destinies on the diamond the past three years. Saturday's contest will be open to the public.

The Hawkeyes cannot be regarded too lightly, although their record against teams in the state the past week has been none too impressive. Last Saturday the Hawkeyes dropped a 2 to 1 decision to Michigan when Western held them to two hits. Against Michigan Normal the score was all tied at 3 all when a thunderstorm broke up the proceedings. Lefty Brandt held them to eight scattered hits Wednesday and his teammates punch out an 8 to 7 triumph.

WILL BROADCAST TWO IOWA GAMES

A play-by-play description of the University of Iowa and State baseball games will be broadcast from College field by WKAR, 140 kilocycles, both Friday and Saturday afternoon. Those outside a radius of 50 miles are being asked to send in reports of reception to the station. They will be used in helping college officials reach a decision on a proposal to broadcast home football games next fall.

then takes Grace home. Tommy handled the Roubing Table this spring. He has written everything from sports to society in the papers for the past three years. He is now engaged to "Jill" Rodney, a great politician, has a flair for writing heads, his pal "Skip" McCauley drops in every week to see how things are progressing.

Jack "Raz" Berry, the boy from Bixby, entertains the staff with his N.Yak brogue. Cocky and always willing to talk about his Gotham gal, got lazy and quit track. He will make cross-country next fall. Plans to summer up in the Bronx. Did a creditable job of covering track. A contract. Neal Taylor, the soft-spoken southern lad, wrote inter-trait tennis and varsity golf played freshman golf this spring. showed great promise.

There is little doubt but what Weitz and Norris are the class of midwestern collegiate circles. Both have been undated in dual meet competition for two years, and both have defeated some of the best men in this section.

Of particular brilliance was Weitz' victory over Capt. Max Davidson of Chicago in a match this spring. Davidson had just won the Big Ten championship, but Weitz won handily. Norris was just as impressive in the same match, winning over Weiss, a player of national importance, in a tough three set match.

The possibility of a seeding for either of the men is very small. Weitz may have been among the best created players, if he had not lost to Norris in the finals of the Michigan Intercollegiate last week, but this defeat will probably cost him his seeded position.

Stars of national repute who will probably be entered in the Nationals include Jack Tidball of California, who won the tourney last year, and is a strong favorite to repeat. Ernie Suttler, brother of the famous Cliff Suttler of Tulane, and Donald Budge, former national junior champion, Gene Mako, winner of the Michigan Open at Saginaw last summer, and a protégé of Big Bill Tilden, is also expected to attend, and would be a dangerous competitor.

THIS and HAT

By TOM ORRIBEN

This final column is dedicated to the lads on the sports staff who have striven to give you complete and adequate coverage of Spartan sports the past year. As they are a quiet unassuming coterie of scriveners who seldom make Quillo's pillar on the second page, we feel that it is only fair and just they be given some recognition in the final "This and That." Well, here they are.

Harry Wismer, the lad who prepped at St. Johns Military academy, made his debut in politics this spring by winning the sophomore class presidency. He's both a quiet unassuming coterie of scriveners and a strong candidate for the quarterback job on Charles' eleven next year. Takes time off every State. News night to call the Chi O house. Calls everyone "Sport" on a tennis and baseball player of the first rank.

Jim Hughes, who was christened Primo by Wismer this spring, is a lumbering affable chap. Doesn't care about moving around too much, but one of the most dependable men on the staff. Followed tennis closely this spring. Went out by spring football but took care of practice. Still laughs over the glowing compliments Wismer showered on him in one of his grid pieces.

And now for the Warner clan. Jack and Tom. The black-haired Jackie is the clown on the staff. After flinging the paste jar to Bobbie Martin for a few minutes he sits down and grinds out the sport summary. Writes a couple of lines and

then takes Grace home. Tommy handled the Roubing Table this spring. He has written everything from sports to society in the papers for the past three years. He is now engaged to "Jill" Rodney, a great politician, has a flair for writing heads, his pal "Skip" McCauley drops in every week to see how things are progressing.

Jack "Raz" Berry, the boy from Bixby, entertains the staff with his N.Yak brogue. Cocky and always willing to talk about his Gotham gal, got lazy and quit track. He will make cross-country next fall. Plans to summer up in the Bronx. Did a creditable job of covering track. A contract. Neal Taylor, the soft-spoken southern lad, wrote inter-trait tennis and varsity golf played freshman golf this spring. showed great promise.

KEUNZINGER ELECTED

Willard Keunzinger, former East Lansing star, and a sophomore at State, was elected captain of the 1934 varsity tennis team at the annual banquet held Tuesday night. Elgin Laycock, also of East Lansing, was elected honorary captain of the 1934 freshman net team.

Keunzinger placed No. 3 man all year, and was a consistent runner. He should hold down a No. 1 position next year. He has two me reverals of competition.

There is little doubt but what Weitz and Norris are the class of midwestern collegiate circles. Both have been undated in dual meet competition for two years, and both have defeated some of the best men in this section.

Of particular brilliance was Weitz' victory over Capt. Max Davidson of Chicago in a match this spring. Davidson had just won the Big Ten championship, but Weitz won handily. Norris was just as impressive in the same match, winning over Weiss, a player of national importance, in a tough three set match.

The possibility of a seeding for either of the men is very small. Weitz may have been among the best created players, if he had not lost to Norris in the finals of the Michigan Intercollegiate last week, but this defeat will probably cost him his seeded position.

Stars of national repute who will probably be entered in the Nationals include Jack Tidball of California, who won the tourney last year, and is a strong favorite to repeat. Ernie Suttler, brother of the famous Cliff Suttler of Tulane, and Donald Budge, former national junior champion, Gene Mako, winner of the Michigan Open at Saginaw last summer, and a protégé of Big Bill Tilden, is also expected to attend, and would be a dangerous competitor.

FERGUSON HEADS NAT'L MUSIC HONORARY

H. Harold Ferguson, Flint junior and a music major, heads the Beta chapter of Alpha Epsilon Mu, national music honorary, for the coming year as a result of the recent elections. The new director is a member of the orchestra and has played in the band. The assistant director's position was voted to Wm. Coburn, a band player. Filling the secretary-treasurer capacity will be found a third music major, George Cochran of Lansing, and also an orchestra member.

There is little doubt but what Weitz and Norris are the class of midwestern collegiate circles. Both have been undated in dual meet competition for two years, and both have defeated some of the best men in this section.

Of particular brilliance was Weitz' victory over Capt. Max Davidson of Chicago in a match this spring. Davidson had just won the Big Ten championship, but Weitz won handily. Norris was just as impressive in the same match, winning over Weiss, a player of national importance, in a tough three set match.

STATE DEFENDS TRACK CROWN IN MEET SAT

Enter Team in Central Intercollegiate at Milwaukee.

17 MEN ARE ENTERED

Will Compete Against 34 Other Schools; Otley Seeks Revenge.

By JACK BERRY

On Saturday the Spartan track team will defend its title in the annual Central Intercollegiate against 34 schools. Many teams from the Big Ten conference, such as Indiana, Iowa, Chicago, Purdue, and Northwestern, will be entered in the meet, as also will be the Ramblers from South Bend and the Pittsburgh Panthers.

Ralph Young, Spartan track coach, is taking 17 men with him on the trip. Heading the list of runners and field event men are Tom Otley, Otto Pongrace, Wes Hurd, Cleo Beaumont, Dietrich Hart, Keast and Buss. The other men are Warren, Hoff, Munn, Dennis, Colina, Ernst, Hammer, Steele and Agett.

Otley will run the two mile against Sears of Butler and Zepp of Michigan Normal. Both of these boys are very good and Otley will have to step it he is to win this event. Hammer is the other State entry in this event.

Otto Pongrace, captain of the State team, will have a tough week ahead of him when he meets Hombrecht of Indiana, Popejoy of Purdue, and Keller of Pittsburgh.

Pictures of varsity and freshman track teams will be taken in front of the gymnasium Monday at 4:30 p. m.

To have to run against one of the above athletes would be a good athlete's work for anyone but with all three in the same race, records are sure to fall. This half mile should be one of the fastest runs in the country this season.

Dietrich Favored

Dietrich is one Spartan who should win his event, the broad jump. In practice he has jumped over 22 feet, under the spur of competition he should do much better. Wes Hurd will run in the mile against some of the best in the midwest, but should place if he runs true to form. There is no definite information as to who will run in this event but there are sure to be some boys in the race who will make it interesting for Wes. Dennis will also run in the mile with Hurd. Beaumont is entered in the javelin in which event he placed fifth in the ICAA meet two weeks ago. Cleo is another man who is sure to score points for M. S. C. Art Buss will compete in the discus throw, as will Beaumont. The probable winner of this event will be Tony of Central State who won the state meet here at East Lansing this season by a good margin. Buss took third in that meet.

Hart Runs

Willie Hart is scheduled to run in the century the 220 and also the 800 yard relay. If his leg holds up under this load Hart will be among the high scorers on State's team. Keast will run in the quarter, which has such men as Hershey of Notional, Mullins and Pfingst of Western, and the probable winner Ivan Fuqua of Indiana, entered. Fuqua is one of the fastest men in the country in this event. Hoff will probably be entered in the 440 with Keast and may run the 220 yard dash also.

Warren will be company for Pongrace in the half mile when Otto tries to win the title. Munn, Agett, Colina and Hart will run in the 800 yard relay while Keast, Hoff, Warren and Pongrace will be entered in the mile relay for State.

In the hurdles, M. S. C. will have three men, Colina in the highs and lows, Steele in the highs and Agett in the highs and lows. This will be Colina's first race since he strained his shoulder in football practice this spring. Rex Steele should place in the highs in the mile with Hoff, entries are exceptionally good. Agett and Colina will be close to each other at the finish. Colina will also broad jump.

On June 22 and 23, Otto Pongrace and Tom Otley will go to California to compete in the National Intercollegiate championships. Held there they are the only two men who are definitely going to compete. Several other men have been entered but whether or not they make the trip depends on the expense account of the track team.

This Saturday, some of the freshmen will go to Grand Rapids to run in the A. U. meet held there. Gardner, Holton, Wright, Clark, Lauterbach, Skinner, and Ben Gardner will run in the 1500 meters and should place. Holton and Ben are entered in the 3,000 meters, which is approximately two miles. The other four men will run on the mile relay. Last week this relay team came within one second of breaking the track record.

"Bugs" Crobin, former State student and national walking champion of 1929 and 1930, is also scheduled to run in the 3,000 meters. Crobin did not defend his title in 1933.

DeWay Erms, former Michigan State track star and holder of the world's record for the 60 yard dash, will officiate as starter at the Central Intercollegiate at Milwaukee this Saturday.

NATIONAL SPORT SUMMARY

By JACK WARNER

ASHBURY PARK, N. J.—Whether it's ballyhoo or not, the fact still stands that Herr Baer has asked the New York state athletic commission for a postponement of his fight which has been scheduled for June 14. Anel Hoffman, his manager, claims that Baer is in no condition to meet Primo Carnera on the scheduled date. Col. John R. Kilpatrick, president of Madison Square garden, said that the demand for a week's postponement of the match would be denied. Meanwhile in the monster man's camp, both Carnera and his manager are getting panicky. They are afraid that if the postponement is granted Carnera will be stale by the time of the fight. And the battle between the two managers is still going hot and heavy.

BOSTON—Babe literally Ruth has had his poor little feelings hurt and is in heavy-sinking training. The Babe recently benched himself because he thought his nasty teammates were talking behind his back. He has been hitting around 399 in his usual high class manner, and Manager Joe McCarthy claims that he is still his own boss. "I don't think that is the way to treat a fellow who has given as much to baseball as I have," mourned the Babe. And so he squats until his bruised feelings heal because he heard that his teammates thought he was a drawback to the team.

A hit off the bat of Charley Gehring, the only one in the game, gave Detroit a 2 to 1 victory over the Cleveland Indians last Thursday and moved the Tigers up to the top rung. With both sides at a scoreless tie the sixth inning opened up with Fox grounding out Goshin, the next man up walked, and then stole second. Walker was also passed, and Gehring stepped into one for his single, scoring Goshin. Gehring was forced at second and Walker scored on the play. Thursday's game was the first of 30 consecutive games in which Goshin did not hit safely.

GREGG RETURNS FROM N. Y.

O. I. Gregg of the horticulture department has just returned from attending the funeral of his brother, Dr. G. W. Gregg, in Canandaigua, N. Y.

W. S. Ligon Accepts Soils Position in Georgia

By JACK WARNER

W. S. Ligon has accepted a position in soil erosion control work in Georgia, where he will have the ranking of assistant soils expert. Mr. Ligon is a graduate of the University of Kentucky and took the master's degree in soils at West Virginia university. He has held the fellowship in soils at Michigan State college supported by the Potash Export corporation, for the past two and one-half years and has completed the work for the doctor's degree, which he will receive this June. Mr. Ligon's research problem had to do with the effects of sulphur, lime, and height of water table on the availability of fertilizers applied to pined soils and the quality of crops produced. This thesis will be published as a technical bulletin of the experiment station.

Mr. Ligon is widely known to both students and staff members on the campus because of his singing and playing of Kentucky mountain songs on the mandolin.

100 COMPETE FOR 32 SCHOLARSHIPS

High School Seniors Try for Alumni Tuition Awards.

Nearly 100 high school seniors of Michigan will be given the M. S. C. alumni scholarship test June 19, 20, and 21 in various Michigan cities. Of this number 32 will receive scholarships.

Prof. L. C. Plant, head of the mathematics department, who is chairman of the scholarship committee will conduct the tests. He will appear at the Davis Tech high school in Grand Rapids June 19 and on June 20 the tests will be given at the Union building in East Lansing. Professor Plant will be in charge of the test at Gas. Technical high school in Detroit June 21 and on the same day the county school commissioners at the court houses at Gaylord and Marquette will give similar tests for scholarship candidates in their sections.

The scholarship entitles the winner to a year's paid tuition at Michigan State and is given by the M. S. C. Alumni association. Three students from each of the 32 senatorial districts have been chosen by district scholarship committees to take the test and the one in each district who has the highest score on the test receives a scholarship.

OUTLOOK FOR SENIORS IS REPORTED GOOD

(Continued from page 1)

economics at the Lakeview consolidated school at Battle Creek. Helen Henrickson, teaching home economics at Walled Lake; Alvin Jenks, teaching physical education and history at Dimondale; Elizabeth Shigley, teaching history and English at Greenville; Barbara Taylor, teaching home economics at Morenci; Alice Wells, teaching English and history at New Hudson; Elsie Hortmyer, teaching home economics at Marquette; LaVerne Edolmen, teaching home economics at Bangor; Evelyn Unruh, teaching home economics at Edwardsburg; and Jennie Becker, teaching home economics at Mattawan.

Engineers Get Jobs

A partial list of seniors going into positions from the engineering division this year includes Arnold Pauker, who will be with the Oliver Machinery Co. at South Bend, Ind.; Clarence Lenhardt, to be with the Dow Chemical Co. at Midland; Arley Morse, William Gill, Henry Winnick, and LeRoy Kline, all to be with the Dow Chemical Co. in various capacities; and Kenneth Priestly, who will be with the Eaton Heat Foundry Co. at Vassar.

The dairy department reports that some of its seniors who have accepted positions are Lemuel Rhodes, who will be field man for the Fairmont Creamery at Detroit; Howard Dick, who will be an assistant in the dairy department at the University of West Virginia; Andrew Cobb, who will work for the Arctic Co. of Lansing in the milk division; David Falconer, who will be with the National Dairy Products Co. in Michigan and northwest Ohio; Newell Hart, who will work for the Arctic Dairy Co. in Detroit; and Arthur Josey, who will take a position with Berden's in Detroit when he finishes this summer.

Several veterinary students have announced their intentions to set up veterinary practice in various places. A. H. Frank will set up practice in Niles, J. W. Seales will set up practice in Mississippi, James Cook

will be a veterinary doctor in Holland, and Harold Taylor will be at Stockbridge.

Two medical biology students, Ruth Stover and Margaret Meade will be at Sparrow hospital in Lansing and at the Blodgett hospital in Grand Rapids, respectively.

Many seniors from the sociology department will be in welfare work in Lansing and other cities, and there are several departments not yet heard from.

LUTHERANS HOLD FINAL GATHERING

Student Club Elects New Officers at Banquet June 3.

The Lutheran Student club met for the last time this term Saturday evening in the Union. A banquet was the feature of this final session. Rev. Sawyer, a historical figure in the Lutheran church, gave an interesting talk.

Election of officers was held during the evening. James P. Hansen, Muskegon, was named president. Edith Kelch, Northport, was elected vice-president, and Virginia Anschutz, East Tawas, was elected secretary-treasurer.

The new club has made remarkable progress during the past year, and all indications point toward greater success for the coming year.

will be a veterinary doctor in Holland, and Harold Taylor will be at Stockbridge.

Two medical biology students, Ruth Stover and Margaret Meade will be at Sparrow hospital in Lansing and at the Blodgett hospital in Grand Rapids, respectively.

Many seniors from the sociology department will be in welfare work in Lansing and other cities, and there are several departments not yet heard from.

Over the top without ballyhoo

WHEN a Spartan pole-vaulter stakes his life on a small bamboo pole to clear a bar at 12 feet or more, he does so because he likes to, and his natural modesty prevents the cheers and plaudits of thousands from affecting his ego or his ambition.

But we'll wager that the athletes of the Class of 1934 will admit that plugging for a great school and an active, interested alumni "family" has a great part in helping them to set track and field records.

YOU can be blasé about school spirit if you wish, but the fact remains it plays a part in events one encounters during four college years. Your part before leaving school, SENIORS, is to identify yourself with one of the best Alumni Associations in the country.

Without ballyhoo most of the class has signed a card allowing cap and gown refund to pay for one year's alumni membership. For those who still desire this plan cards will be available at the Union COMMENCEMENT DAY when caps and gowns are returned.

The Michigan State College Alumni Association

Official Organization of Alumni and Former Students
