HUGE FROSH ENROLLMENT PREDICTED

FACULTY STAFF APPOINTMENTS ARE REVEALED

Emmons Named Acting Dean of Liberal Arts in Ryder's Place.

COLEMAN HEADS WKAR

21 Other Appointments and 18 Resignations Also Announced.

L. C. Emmons, professor of institutional management and instructor in mathematics, was appointed acting dean of the liberal arts division of Michigan State College, when Dean E. H. Ryder was given leave of absence until January 1 by the State Board of Agriculture at a meeting last Friday. Many other minor appointments were made by the board to fill vacancies in the college personnel.

Dean Ryder who has been dean of the division since its beginning in 1925 will assume the duties of dean of the history and political science departments upon his return. His association with this college began in 1905 when he was instructor of history and economics.

Professor Emmons joined the faculty in 1909. After serving as instructor of mathematics, assistant professor and professor of the same subject, he became statistics adviser for the college in 1926. He was appointed research professor of institutional management in 1928. It was announced recently that Robert J. Coleman, publicity director of the music department, had succeeded Keith Himebaugh as program director of the college radio station, WKAR. Under the newly approved arrangement Himebaugh will devote two-thirds of his time to the arranging of radio programs and one-third of his time to his duties with the music department.

MUSIC DEPT. TO HOLD TRYOUTS

Plan to Have 60 Members in Men's Glee Club.

Tryouts for men's and women's glee clubs, chorus, and orchestra will be held next week, according to Prof. Lewis Richards, head of the music department.

The men's glee club increased its membership last year from 35 to 60 students and had a successful year. Prof. Fred Patton, head of the voice department, is director of the club. It is planned to have at least 60 members in the organization again this year. Included in last year's activities was a radio broadcast, a three-night engagement at the Strand Theater, and numerous programs on the campus. The women's glee club, directed by Mrs. Josephine Karkley, are making various plans for the coming year. Their most important affair of last year was a concert during spring term.

Positions in the orchestra are open to students who qualify at any orchestra instrument. Those who play unusual instruments are especially urged to try out. The orchestra gave one concert last year and this was recognized as one of the finest ever presented at Michigan State College. This year four concerts are scheduled, each concert having a faculty member as soloist. Michael Press is director.

The chorus, which was composed of nearly 200 voices last year, will again sing at the Christmas program. Professor Patton will be director of the group and any college student, faculty member, or East Lansing resident is invited to come out to the meetings which are held every Wednesday evening from 7:00 to 8:00.

The various groups will hold try-outs next week. Prospective candidates may obtain information about the time of try-outs at the Music Building. Both glee clubs meet every Tuesday and Thursday afternoons in Abbott Hall. The girls rehearsals are from 4:00 to 5:00 and the mens from 5:00 to 6:00. Orchestra rehearsals are on Tuesday and Thursday evenings from 7:00 to 8:30.

All new men who play musical instruments are urged to try out for positions in the organization during this week. A canvass is now being made of those enrolled in the various divisions who have musical ability, and a desk will be placed in the Union during the balance of the week where members of the band will explain the details and requirements of membership to the newcomers.

Tryouts began this morning at 10 o'clock in Mr. Falcone's office in room 113 Abbott Hall, and will be held Wednesday, Thursday, and Friday from 10:00 a. m. to 12:00 noon, and from 2:00 p. m. to 5:00 p. m. Special appointments may be made by calling Director Falcone.

Concerning tickets for the University of Michigan game, the athletic department has requested that all students send in their student coupons before 6:00 p. m. on Wednesday, September 26. After that date only will be issued without regard to seating arrangement by classes.

21 Appointments were made by the board, as follows:

Miss Ruth Jameyon, research clerk in department of economics.

Miss Elizabeth Shuter, stenographer in department of education.

Miss Margaret Folkerts, stenographer in department of agricultural engineering.

Appointments of E. M. Banzel, H. H. Kummer, assistant professor of history, and F. T. Mitchell, associate professor of education, continued. Previous appointments had been made for one year.

TWO SOCIETIES TO GO NATIONAL IN NEAR FUTURE

Alpha Xi Delta Will Install Ero Alphas Early This Fall.

PETITIONS ACCEPTED

AeTheons to Become Thirtieth Chapter of Delta Chi.

AeTheon society, local fraternity, and Ero Alphan, local sorority, have had their petitions accepted into national societies and will be given formal installation later in the year.

Alpha Xi Delta accepted Ero Alphan's petition at the national convention last June. The formal installation will take place early this fall. Ero Alphan is one of the oldest sororities at Michigan State College, having been founded in 1904. It will be the 11th national sorority on the campus and will make the 57th chapter of Alpha Xi Delta. The national society was founded at Lombard College, Galesburg, Illinois, and now has chapters all over the country.

The petition of the AeTheon society for a chapter in Delta Chi was accepted late last spring term. The installation will be held during Christmas vacation. The local society was founded in 1915 in Wells Hall. In the spring of 1933 the Union Literary Society combined with the AeTheon Society.

Delta Chi was founded in Cornell University in 1894. The local chapter will be the 39th chapter of the fraternity, which was originally a lawyers' organization. The fraternity will be the 11th national fraternity on the M. S. C. campus.

This year's officers of the Ero Alphan society are: president, Frances Beckman; vice-president, Mary Margaret Dunks; secretary, Mary Sue Kantz; and treasurer, Lucille Kelly.

UNION BOARD TO OPEN BOARDING HELP FRESHMEN CLUB THURSDAY

Questionnaires Aid New Students In Extra Curricula Activities.

Clubs Will Have Charge of Non-Profit Organization at Wells Hall

Again under student management, the Wells Hall boarding club will open at 10:00 a. m. Thursday morning with board priced at \$325 a week.

Applications are limited but tickets are being sold at Wells Hall and during registration in the Union. Three hundred freshmen and one hundred upperclassmen are expected to eat at the club.

The club was first organized by independent students two years ago during the "panic" for the purpose of providing students with a place to eat. The reputation and popularity of the club have grown steadily during the last two years until now a rapidly growing group is expected.

The manager of the club, Tom Otley, wishes to stress that the boarding club is not a profit-making organization. It is an economical eating club for students who otherwise could not afford to attend school at regular board rates. It makes no attempt at serving special dishes or fancy foods. It follows a simple, wholesome menu.

FALCONE PLANS 100 PIECE BAND

New Men Are Urged to Try Out This Week.

Plans to make the Michigan State College band a one hundred piece organization are now being carried on by the Band Club and Director Leonard Falcone. The unit which has become famous throughout the middle-west for its high caliber performances on the gridiron and the concert stage and which was somewhat depleted in numbers last year due to the decreased enrollment, will have as a nucleus a large number of veteran musicians and is also open to new students on the campus.

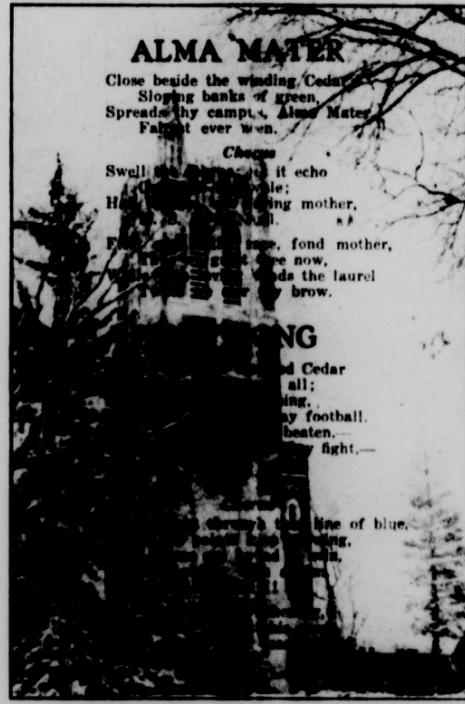

All new men who play musical instruments are urged to try out for positions in the organization during this week. A canvass is now being made of those enrolled in the various divisions who have musical ability, and a desk will be placed in the Union during the balance of the week where members of the band will explain the details and requirements of membership to the newcomers.

Tryouts began this morning at 10 o'clock in Mr. Falcone's office in room 113 Abbott Hall, and will be held Wednesday, Thursday, and Friday from 10:00 a. m. to 12:00 noon, and from 2:00 p. m. to 5:00 p. m. Special appointments may be made by calling Director Falcone.

State Theater Cuts Admission Price On Pictures

The State Theatre opens Saturday, September 22, under new management and with a slight change in policy. This season prices will be cut from the former 25c and 40c admissions to 15c and 25c. Mr. W. H. Thompson, formerly of Bridgeport, Conn., will be the new manager.

The theatre opens Saturday and Sunday with "The Girl from Missouri," following this Monday and Tuesday with "The Scarlet Empress," then "Treasure Island" Wednesday and Thursday and "Hide-Out" featuring Robert Montgomery the following Friday and Saturday. Some notable pictures which will be presented in the near future are "Chained" starring Joan Crawford and Clark Gable, "Baby Take a Bow" with Shirley Temple and "The Loves of Bob Red," "Big Caddy's Ideal."

Freshman Gals-Learn Your Greek Alphabet

Here's a Chance to Get the Inside Dope on Sorority Rushing Tactics.

By KATHERINE CAMPBELL.

Freshman girls start out Alpha Beta, Gamma—

As the daze of Freshman week draw to a close, sorority rushing begins to get under way. Girls hear bits about a Panhellenic association, then a snatch of something reaches them about a week called Silence week, then the wonder why some upper class friend goes snooty on them and won't be seen talking to them on the campus (but, Mary Stewart's, that is different), then something to sign called a preference slip—and it all seems to simmer down to a comparison between the girls as to whether this girl got more bids than that girl for a certain party.

To help remove the mystery from this procedure called formal rushing, a list of Panhellenic rules with understandable explanations will be the first to be considered:

1. Any girl may attend any number of parties but may not stay longer than a half hour at each house.
2. Invitations will be given for each rushing party and must be left at Dean Conrad's office before 8 o'clock a. m. of the day of the party for which the invitations are given—except in the case of those invitations given for the formal dinner. These shall be in the office at 8 o'clock a. m. of the day preceding the party.
3. All girls not living in the dormitories will receive their invitations at a postoffice on the second floor of the Union, in the women's lounge off the ballroom. Invitations for all parties excepting the formal dinner will be handed out between 11:30 and 12:30 noon of the day of the party. Invitations for the formal dinner will be handed out between 11:30 and 12:30 noon of the day preceding the party. Girls must call for their own invitations or send a written order with their friends.
4. Girls living in dormitories will have acceptances at the dormitory desks before 3 o'clock of the same day that they receive the invitations.

EIGHT NUMBERS TO BE FEATURED ON ARTS COURSE

Liberal Arts Board Has Chosen Interesting and Diversified Program.

FLYER TO OPEN COURSE

Amelia Earhart, Will Durant, and Cornelius Vanderbilt, Jr. to Appear Here.

The Students' Lecture Course for the 1934-35 season will be made up of eight numbers, according to announcement made by the Liberal Arts Board recently. The purpose of the series is to bring cultural and highly educational entertainment to the campus and the numbers decided on will present a diversified program, including one woman and seven men whose accomplishments have brought them fame. Those selected for the series are: Amelia Earhart, William Hard, Dr. Emil Lengyel, Will Durant, Joseph Auslander, Cornelius Vanderbilt, Jr., George Sokolsky, and Arthur C. Pillsbury.

Amelia Earhart, famous trans-Atlantic aviatrix, who has charmed audiences throughout the country will open the course on October 11. Her subject will be "Aviation" and the Story of Trans-Atlantic Flight. Since 1920 Miss Earhart, who, in private life is Mrs. George Palmer Putnam, wife of the New York publisher, explorer and author, has been interested in aviation. Her record breaking cross-continent flight brought her much fame. Her story not only deals with her own accomplishments but also with the vast possibilities in aviation, especially in their relation to women.

Political Writer Will Appear

Probably the best known commentator and interpreter of political events in Washington, William Hard, whose duties have taken him to all parts of the globe will come to the campus on the evening of November 1. Mr. Hard has served on the staffs of several of the country's foremost magazines and his articles are a constant source of interest in the Forum magazine of late. His topic will be "Behind the News at Washington."

A native of Budapest, Dr. Emil Lengyel, noted speaker on the course, and noted journalist, lawyer, and author will lecture on "Hitler and the German Situation," December 12. After becoming a newspaper correspondent and having many thrilling experiences in European revolutions, Dr. Lengyel came to this country in 1921, where he has interpreted Europe to America and America to Europe. His articles in the New York Times, New York Herald-Tribune, Current History, and the Nation have attracted much favorable attention.

1509 New Students; Get Entrance Cards; 407 More Than '33

Spartan Citadel Again Scene of Hurried Activity as Newcomers Pack Fraternity Houses and Dormitories; Possible Total Enrollment Seen as 3480

PROSPERITY IS HERE!

The proverbial wolf may be ravishing other localities but present indications at Michigan State point to the largest boom year in the history of the school from an enrollment standpoint.

A surprising record of 1509 admission cards had been given to prospective students this morning—an increase of 407 over the number granted last year. Board and room prices soared as the incoming freshmen packed the fraternity houses, dormitories, and local rooming houses. According to reports seven girls in the over-crowded Women's building slept in the dining room while four others were required to pay their nocturnal homage to Morpheus in the living room on the second floor. Three fraternities are reported as having active members sleeping on davenport in order to make room for newcomers. All of which forms a hearty endorsement for the publicity drive inaugurated last year by the administration and students.

Possible Total of 3480

Out of the 1192 admission cards granted last year, 952 students were enrolled. If percentages can be relied upon, the college can look forward to an enrollment of approximately 3203 which would considerably surpass the record of 3232 freshmen and transfer students enrolled in the fall of 1931. The total enrollment in 1931 with 1297 freshmen was 3299 students. The computed number of freshmen this year being 1303, ratio computations point to a total enrollment this fall of 3480 students—an enrollment figure that dwarfs all others in the annals of the college.

ENGLISH TEST TODAY

Following a plan that has been successful during the past several years, all applicants were mailed coupon books that cover all freshman activities. Divided into ten large groups comprising forty-five sections, the beginners were launched into a program that will last three days with English tests the main obstacle today and expect events such as medical and physical examinations, library trips, psychological tests, photographs, convocations and military uniform measurements extended over Thursday, Friday and Saturday.

The results of the English tests were turned over to class officers this afternoon at 1:00, but will not be released for publication until later. Freshmen whose inaptitude for English will require them to classify in English 1023 and take four terms of the subject will be notified as soon as possible.

CONVOCACTIONS FRIDAY

The highlight of Friday's event will be the convocations for men in the gymnasium and for women in the Little Theatre. At these meetings Robert Armstrong, president of Student Council, Charles Palmer, editor of the State News, Richard O'Dell, editor of the Wolverine, Jane McCellan, co-ed editor of the State News; Walter Essler, president of the Blue Key; Mile Rouse, president of the Union Board; Jean Kreuter, business manager of the Wolverine; John Brattin, president of the Y. M. C. A.; Richard Pendell, president of the Interfraternity Council and other student leaders will address the new students with the intention of explaining the purpose of such campus organizations.

MIXER TONIGHT

The ever popular freshman social activities began yesterday with an informal coffee for girls under the auspices of the Y. W. C. A., continue today with a Girls' Counselor Hour and two mixers, include a Y. M. C. A. mixer tomorrow, and end Saturday with a W. A. A. hike for fresh girls and a Student Grange Mixer in the Little Theatre for all Agriculture and Home Economics students. Only freshmen will be admitted at the mixers this evening and must present coupons at the door.

BETA GAMMA TO INDUCT FORMAL BANQUET AND ANNOUNCEMENT BALL WILL FOLLOW IN UNION.

Formal installation of Beta Gamma, local sorority at Michigan State College, into Alpha Omicron Pi will take place Saturday afternoon, Sept. 22. Following the installation there will be a formal banquet and announcement ball in the Union building.

The installation ceremony will be given by Mrs. Edith Huntington Anderson, Grand President of Alpha Omicron Pi. Mrs. Virginia Snyder, state chairman of the national sorority, Ethel Philbert, Penn State College, alumnae Mrs. Ruth K. Witter, president of Detroit alumni chapter, and Mrs. Bernard Ansley and Mrs. Mortimer Waldo, advisors of the local chapter and University of Michigan alumnae.

After the installation a formal banquet will be held from 6:00 to 9:30 in the Union building Mabel Petersen, 32, first president of Beta Gamma, is to be toast-mistress. Mrs. Anderson will welcome the new chapter into Alpha Omicron Pi and Marguerite Cork, president of the group, will give the response. Mrs. R. S. Shaw and Dean Elisabeth Conrad are to be guests at the banquet.

A reception for faculty members and heads of campus organizations is scheduled to take place from 9:15 to 9:45. The Announcement Ball will be held from 9:45 to 12:00 in the Union ballroom. The affair will be informal and Nate Fry's Orchestra will play.

Beta Gamma was founded at Michigan State College, May 16, 1932. Their petition to Alpha Omicron Pi was accepted last May. The chapter will be the 10th national sorority on the campus. Beta Gamma will be the 46th active chapter in Alpha Omicron Pi.

EDITORIALS

A NEW YEAR...

And so they start coming back—the old friends and the new ones too. Another year has rolled around and everyone seems anxious to get into the swing of college life. Every hour, more

cars roll in, loaded with baggage and with eager students anxious to greet those they haven't seen for three months.

It seems good to be back on the old job. Although we started work on this publication last spring, it still seems like new work after a long summer's layoff and all the editor's are glad to get things moving.

There have been a lot of changes on the campus. Some familiar faces are gone. Staff changes are numerous. And a lot of the buildings are revised. No longer will the student teachers have to quake and worry when they enter the old library building, the education department is now in ag hall. The administration is still housed in the old library, however, and the roof of the building has been given over to the accounting department. Charley's Smoke Shop is remodelled and the street is finally fixed. Yet, even with another year here, Michigan State seems like home and we're glad to get back. They can change the looks of the town, but it will always be the good old Alma Mater.

Band concerts in Mr. Falcone's office, 113 Abbot Hall, Wednesday, Thursday and Friday, from 10 to 12 a. m., and from 2 to 5 p. m.

In an effort to aid bewildered freshman co-eds, the above map is presented showing the location of all sorority houses on the campus. The sororities, addresses and membership follow:
1. Alpha Chi Omega—national, 548 M. A. C. avenue, 29 actives, 9 pledges.
2. Alpha Gamma Delta—national, 139 Bailey street, 15 actives, 8 pledges.
3. Alpha Phi—national, 321 Hillcrest, 26 actives.

4. Beta Gamma (Alpha Omicron Pi)—national, 235 Ann street, 13 actives.

Bergquist, to become professor of geology and geography; E. P. Waite, to become associate professor of English; C. H. Nickle, to become assistant professor of English; Leonard Falcone, to become assistant professor of music.

'Y' to Give Stag Party and Mixer for Frosh Week

Mixer for Yearlings Will Be Thursday; Bachman to Talk at Meet in Wells Hall Sat.

Formal activities for the college Y. M. C. A. and Y. W. C. A. will be inaugurated with the staging of a student mixer at the Peoples church Thursday evening at 8 p. m. in which every new student is cordially invited.

Group singing at the convocation will be led by the popular Fred Patton of the music department, while there will be brief welcomes by John Beatty, president of the Y. M. C. A. and Rollo May, new director of men students, at a meeting held exclusively for the men.

At the same time that this is taking place, the girls will be welcomed by Virginia Taggart, general chairman, and will be given an introduction to campus activities of the year, with the cabinet girls in charge of this innovation.

At nine o'clock the two groups will merge and the remainder of the evening will be devoted to refreshments, securing of "autographs and group singing.

Saturday evening at 7:30 there will be a stag party in Wells Hall which should prove to be lively entertainment for all spirited State males. Peppy talks will be given by Coach Charley Bachman, Ralph H. Young, director of athletics, Tom Otley, captain of State's national cross-country championship team, Bob Armstrong, State gragger and student council proxy, and Charles Palmqvist, editor of the State News.

Cheers will be led by Wes Hurd, head cheer-leader and erstwhile miler, to complete an evening which has been labeled "A Musical Jamboree."

Although his first lecture tour of the United States was made but two years ago, George F. Solokosky, author and lecturer on China, Japan and Russia, has met with phenomenal success. A native of New York, he travelled to Russia to report the revolution in 1917 and edited an allied war paper in Petrograd. His articles have appeared in famous publications throughout the country. "Japan and the Eastern Problem" will be his subject when he addresses students here on February 26.

Arthur C. Pillsbury, who will give the Student Lecture course on March 7, is one of the most interesting of American naturalists. His work with photography in connection with plant growth, and his roots of flowers in lapse time and technicolor have given the world an interesting glimpse of nature. His quiet but interesting studies have carried him under the sea, as well as to all parts of the world. He will lecture on "Miracles in Nature."

Nate Fry and Red Drennan Will Entertain Tonight for Frosh Mixers at Armory and Union

Frosh Mixer, Grange Mixer, Stag Party at Wells and W. A. A. Hike on Saturday Will Round Out Freshman Social Activities Before Classes Commence Monday.

Staglines made up mostly of upperclassmen will form the Union ballroom tonight at eight o'clock to mingle with the freshmen to music furnished by Nate Fry's orchestra, while at the same time, upperclassmen and women will cavort with the Frosh to the strains of music furnished by Red Drennan's band at Demonstration hall.

Those who are church minded and interested in Y. M. C. A. and Y. W. C. A. work will gather at the Peoples church Thursday at eight p. m. Freshmen girls were entertained at an informal coffee party Saturday night in the parlors of the Peoples church. This party was sponsored by the W. C. A. Representatives on each sorority acted as hostesses. Grange and 4-H workers will be entertained at the Little Theatre Saturday night at 8 o'clock, following a stag party for freshmen in Wells hall. The freshmen women will end their week of activities with a hike Saturday morning at 8:30, sponsored by W. A. A. The girls will meet at the gymnasium and go from there to the W. A. A. cabin.

Freshmen Aides Work Overtime For Huge Class

Heavy Enrollment Demand Extra Work From Counsellors Assisting New Girls.

With newcomers to the campus numbering about 1400, Virginia Kamps and the eighty freshman counsellors under her direction are working overtime assisting the new girls to orientate themselves to Michigan State College. Every girl wearing green and white ribbons is a counsellor, and new girls may look to her for help in anything from registration to a good date.

The set-up of the counselor system has Virginia Kamps at its head. The Junior cabinet is composed of Marion Andros, Wilma Wagenvoerd, and Dorothy Langford. Nan Gallery, Virginia Lyon, Edith Johnson, Mary Ballard, and Mary Ruth Martin make up the Sophomore cabinet.

All girls who have no counsellors should call Virginia Kamps at the Women's Building, and they will be assigned one.

Concert Board Names Artists for Next Musical Series

With a fourth number yet to be secured, the Michigan State College Concert Course Committee has approved the following artists for their season's program: Roland Hays, tenor; Arthur Schabel, pianist; Bronislaw Huberman, violinist.

15. Men shall not be used in rushing.
a. No sorority member shall make a date for a rushee.
b. No men shall attend rushing parties.
16. There shall be no rushing done except at the chapter houses of the respective sororities.
17. There shall be absolutely no rushing by either actives, pledges, or alumnae except at rushing parties.
18. No personal invitations or bids shall be issued by individuals.
19. Rushees may obtain information concerning various sororities by consulting Baird's Manual, Banta's Greek Exchange and the sorority publications to be found in the dean of women's office.
20. If a girl should be unavoidably delayed for some reason and is late for a party, she should not hesitate to go anyway.

21. It is beneath the standard of local and national Panhellenic for any girl to speak disparagingly of any group. A member of one organization who so far forgets herself as to criticize any member of another group or the group as a whole will discredit herself in the eyes of all prospective as well as active members.
And now for some tips—first one who is going through the mill for the third time) as to how to go about this rushing business and the easiest way to make up one's mind about ONE'S sorority. A sorority can be judged by the type of rushing it does. "Dirty" rushing is a positive sign of the standards of that sorority.

Sunday is the formal tea, an open house, as it is listed on the program. Put on your best "Sunday-go-to-meeting" dress, your most ravishing hat, go to every sorority house (you'll walk miles and drown in tea), stay no longer than a cup of tea, don't be afraid of

SORORITY RUSHING RULES FOR CO-EDS

(Continued from page 1)

7. Girls not living in dorms will phone acceptances to the respective houses before 5 o'clock of the same day that they receive the invitations.

8. Acceptances to either of the two parties listed "Preference Party" may be considered indications of preference on the part of the rushees for those particular sororities. It is inadvisable to accept invitations to these two parties unless the rushee is seriously considering becoming a member of some group.

9. There shall be a period of silence from Thursday, Oct. 4, to Monday, Oct. 8. There will be no communication whatsoever between sorority actives, pledges and alumnae, and rushees. This includes telegrams, special delivery letters, telephone calls or any direct or indirect message.

10. Each rushee who has been invited to join any sorority will receive a preference slip by messenger Saturday morning. This preference slip must be filled out and signed and returned to the office of the dean of women before 2 o'clock on Monday morning, Oct. 8. The information must be gotten back to the sorority in no other way than through the committee report.

11. Rushees will call for their formal invitations at the office of the dean of women Monday, Oct. 8, at 12:30 noon, Oct. 8.

12. Each rushee who has received a formal invitation and wishes to accept, must present herself at the sorority house at 7 o'clock Monday evening, Oct. 8.

13. Patronesses, alumnae and pledges shall be bound by Panhellenic rushing rules, as well as the active chapter members.

14. A sorority must not call for a rushee but may take her home.

15. The rushee shall leave the house not later than the hours appointed for the rushing parties and shall be taken directly home.

16. No rushee shall be a house guest of or spend the night with a sorority member.

anyone or anything because the girl entertaining you is hoping and praying you will come back, talk about something besides classes and professors (if possible), then do the same thing every place you go for the rest of the rushing weeks. Don't make the mistake of going to the same sorority every time, even if your sister is a member, or your best friend's cousin recommended you, every group of girls has some qualities worth investigating at least once.
When the preference slip is signed consider:
1. Can the sorority you are going into give you the kind of standing you want on the campus?
2. Are the girls in that sorority the type you want to live with for the rest of your college career?
3. Has the sorority been fair and square with you during the rushing?
4. Do you know everything about this sorority that you can find out?
After the pledging is over there will be "marks to be made." The various chapters have individual standards, ranging from a high B to a C average. Along with this goes what are known as pledge lessons and is a part of the life of every pledge.
So freshmen girls end Alpha, Beta, Gamma—

Football Opens with Lack of Reserves and Weak Forward Wall

Bachman's Boys Dig in for First Game a Week From Saturday; Season's Travelling Will Take Team Into East and Down South.

By HARRY WISMER

THE 1934 EDITION of Coach Charles W. Bachman's eleven opened its fall campaign for football victories Monday, September 10 when 55 young and eager warriors on the invitational list reported for their initial practice session.

Coach Bachman, famed mentor of the Spartans, has almost a month in his efforts to work out a winning combination from a rather inexperienced assortment of material. The first major test of the season will be against Michigan at Ann Arbor, October 6th. State, however, will open the season a week earlier on September 29th with Grinnell coming to the home stadium.

State's coming football season may not be a winning one, but it will probably be the hardest and most interesting one in the history of this institution. Here are some of the outstanding features of what lies ahead.

1. A 14,000 mile road pilgrimage between Oct. 6 and Dec. 2.
2. Thirty-two inexperienced candidates. Eighteen played freshman football, while 14 have never tasted any phase of college competition.
3. An outstanding weakness in the line.
4. The traditional absence of good reserve material.

A glance at Michigan State's schedule shows there are only four home games this season, including the game with Grinnell. The other teams which will be seen in action near the Red Cedar are Carnegie Tech, Marquette and the University of Detroit.

State played to slim crowds at home last year despite a heavy schedule. The faithful may not see the development—full development of Bachman's young team until late in the season. Most of the mainstays have had so little competitive experience that no one can predict just how soon they will develop into a winning combination.

NATIONAL SPORT SUMMARY

By JACK WARNER

NEW YORK—In one of the bloodiest battles on record Jimmy McLarnin won a decision over Barney Ross Tuesday night to regain his title and thumb his nose at the old saying "they never come back." But the old jimx still hovers over the welterweight title, a champion has never successfully defended his title in Madison Square Garden. In the eighth round Ross hung one over the Irishman's eye and almost stopped the fight right there. It was an alley brawl all the way, both men smashing in rights and lefts until the final bell. It was a hard decision to make and the judges left it up to Referee Arthur Donovan, who cast his vote for McLarnin.

DETROIT—The pennant-chasing Tigers increased their lead to six and one-half games by defeating the Yankees 3-0 Monday. General Crocker was on the mound for Detroit, and as far as we can see that's where he is going to stay. He allowed only six hits, against nine by Gomez. Joe McCarthy, manager of the Yankees, is bloody but unboiled. He still has faith in his team and refuses to admit that the Tigers can't be overhauled. "We're not out yet by any means," he told reporters. Mickey Cochrane was buoyant after taking all four games from the Senators, but after Monday's conquest he feels a little nearer the world series.

The change should favor revenues but may be hard on a young, inexperienced eleven. In the past few years State has built up a strong reputation away from home, particularly in the East where Syracuse, Fordham and Colgate have been their victims. On the strength of this reputation State is hopeful ticket sales will justify the four long trips on the schedule.

The faithful may not see the development—full development of Bachman's young team until late in the season. Most of the mainstays have had so little competitive experience that no one can predict just how soon they will develop into a winning combination. Bachman is as well fortified in

FROSH FOOTBALL PRACTICE CALLED

Freshmen Draw Equipment Today as Fall Workouts Begin.

The freshman football men will have their first work-out at 4 o'clock on Wednesday, September 19, and Coach Kohn and Van Alstyne have requested that all men interested in football report to the gymnasium office, room eight, to sign for equipment.

There are many aspiring grid stars who have entered college this fall, but many of them feel that previous experience is the main prerequisite. This is not necessarily true, however, for the freshman squad is essentially to provide training and experience. Fundamentals will be stressed, and the squad will have their own scrimmages instead of being used for tackling dummies by the varsity. They will have a schedule of their own, and will learn their own plays instead of those of other teams to be used in scrimmage against the varsity.

Fall Track to Start Next Tuesday Afternoon

Fall track will begin Tuesday and all men interested are expected to be present Monday afternoon, according to word received from Director of Athletics Ralph H. Young, as the preparatory period for the annual Inter-class fall track meet gets under way.

Six weeks of intensive training precede the annual handicap meet, which, while being an inter-class affair, is also individual. Medals will be awarded to the first four men placing in each event. The training is scheduled for the regular winter term indoor meets and tournaments.

Any freshman, and all others who may be interested, will report to Coach Young before Tuesday if possible.

The backfield as last year. This specially will be left to Miles Gascoed, the solemn veteran of many Spartan coaching regimes. It is in the line where there is much work to be done.

There are four holes in the line Bachman must plug for victories. The outstanding loss is Art Bass, the best tackle here in years and now with the Chicago Bears. The guards of last season, Russ Lay and Bob Terlaak have also gone along with Bachman's big temperamental tender, Frank Butler.

A bright aspect finds End Coach Tom King better fortified at the wings than he was last year. He has four veterans returning, Lou Zaiza, Ed Kiewicki, Al Jackson, and Al Baker.

SPARTAN TRACK TIGERS TO PLAY STARS PREPARE STATE CAPITOL FOR X-COUNTRY

Ottey, Hammer, and Gardner Are Senior Members of Team.

SIX VETERANS RETURN

No Official Schedule of Meets Announced as Yet; Dates Tentative.

State's cross-country team, winners of the National Championship last year, began practice last Monday with a veteran squad back. Coach Loren P. Brown, himself a former star harrier at State, is shy just one man, Otto Pongrace, of having the entire team, which captured the title in Van Cortlandt Park last fall, back for this season. Pongrace, although one of the mainstays of the team last year, will be replaced by members from the fresh squad of last year who turned in some fine running times themselves.

Tom Ottey, blonde Spartan senior who is present champion of the United States Intercollegiate harriers, will lead the boys in their mad dashes through the woods this year. Other seniors on the squad will be Johnny Hammer, wild man from the north country, who did some mighty fine running himself last season, and Robert M. Gardner of Hastings.

Eddie Bechtold, second only to Ottey in speed on the courses last season, leads the returning juniors. Charley Dennis and Walt Hartzler are the other two juniors who saw service under the last year. Three promising sophomores from last year's freshman squad are also pushing the veterans for positions: Nelson Gardner, Howard Clark and Paul Holton. Neil Gardner, brother of the veteran Robert M., is the lad who is expected to replace or even better the feats of Otto Pongrace. Robert Foreman will replace Wild Bill Macauley, who was lost through graduation, as manager.

No official schedule of meets has been drawn up as yet, the present dates all being tentative but there are rumors about that if the team does as well as last year it will even go on and attempt to cop the A. A. U. meet and possibly break some more records.

Candidates for this year's freshman squad are requested to report to Coach Brown as soon as possible.

Local Team Meets Detroit Here In Benefit Game Tuesday

The Detroit Tigers, league-leading club in the American league race, will play the Michigan State Capitol nine at 3:00 p. m. next Tuesday, Sept. 25. This game, sponsored by the Lansing Shrine will be a benefit game for the Palmer Shoe Fund. Fans will have an opportunity of seeing Mickey's boys in action and judge for themselves as to the possibilities of the world series.

Luke Hamlin, the "Pied Piper of Lansing," one of the regular twirlers for the Detroit team this season, will be honored by the local fans preceding the game. Hamlin was a former pitcher in the city leagues before going into professional ball.

The State Capitol club will have at least two former stars from Michigan State's baseball teams in their line-up. Johnny Gagner, former Spartan star and quite a slugger, is present manager of the Capitol team. Ed Kiewicki, State senior and veteran end of this year's football team, is the second. Kiewicki has played both as catcher and in the outfield for State. Ed will also be one of the few Spartans to ever pull the double job of competing in two

sports at the same time. While he will be playing for the Capitol club Tuesday, Kiewicki is also working out daily with the football squad in preparation for the coming season. Detroit's squad will include all the player the fans have heard of: Gehring, Mary Owen, Goslin, and read about this season. Goslin, Jo-Jo White, Pete Fox and notably Hank Greenberg, Charley Manager Mike himself.
