

Harry M. Goss of the class of 1933 whose home is in San Francisco, Calif., was the oldest alumni to attend Homecoming. Laying an honored businessman in Kalamazoo, Mr. Goss has spent most of his alumni days in San Francisco as a furniture dealer and Y. M. C. A. worker.

Asked what he thought the most significant change since he graduated, Mr. Goss said, "It was the tremendous growth of the school that impresses me most when I was here there were only about fifty in my class."

Mr. Goss has followed State football fortunes ever since they began playing with the pugkin. He expressed the wish that he could be in his home town to see the M. S. C. gain a victory over the Crusaders.

Certain fraternity pin wearing students doubtless thought they were smart when, under cover of darkness Saturday night, they made the rounds of East Lansing fraternities and sororities houses to collect Homecoming decorations. Sunday morning a stack of stolen decorations entered the back yard of one fraternity.

These men were not smart. Were it not for them and others like them all the houses could have their decorations up all day Sunday, and many persons would be given a chance to see the displays that took many hours of hard work to erect.

After reading about Dr. E. L. Jones' professor of education, who had classes with talking pictures, State News and other staff members got their heads together and worked out a plan whereby talking pictures would be available in their offices. The plan had nothing to do with motion pictures, as had Dr. Austin's, but was about an entertainment house. To be brief, radios were installed in both the State News and Wave offices. The understanding theory is that a room full of music is easier to work in.

Chief Spartan cheer leader James Hays III was disappointed and thoroughly Saturday afternoon. He hurried from Detroit after holding the position of best man at a wedding in time to see the happenings of the second half of the Carnegie Tech-Spartan football game. "I won't miss much," Jimmy said, "nothing ever happens in the first half anyhow." However it seems the entire football team conspired against James and the game was lost and won in the first two quarters.

Men may come and men may go but I go on forever" might well be the motto of the former science building, soon to emerge as a home management building. The new building, house No. 4 for the title of "Old House on Campus." Each of the structures is approximately twenty-five years old.

At one time, before he became president of the college, Robert S. Hays lived at No. 5 Faculty Row. Then it became the sociology building and now before winter comes, it will change again to home management house No. 5.

The interior will be completely redecorated. Miss Winifred Getz's classes in home furnishing are planning the furniture, while home management class last spring arranged the kitchen.

Miss Beatrice Grant, assistant professor of foods, will speak to a woman's club in Owosso Thursday on "Historic Foods."

EAST LANSING, MICHIGAN, TUESDAY, NOVEMBER 16, 1937

M S C RETAINS NATIONAL TRACK TITLE

Glen Stewart Calls State's Homecoming Celebration Success

Varsity Broadcast Starts Annual Event Off on Right Track.

College President Receives Plaque

Alumni Gather After Game for Get-together on Grid Field.

"Homecoming was an all around success," that was the statement of Glen O. Stewart, alumni secretary, who had general charge of homecoming festivities.

The radio broadcast Friday night started things off with a bang. It was the added touch for this year's homecoming that made it the best since I can remember," said Stewart.

Opening with the broadcast, homecoming got under way Friday night at 8 p. m. A hundred alumni gathered at the Hotel Olds at the alumni-varsity banquet and had a party until late in the evening.

Plaque Dedications. Saturday morning the Huntington elm ceremonial was held. Pres. Robert S. Shaw accepted a plaque given by the Forestry club which was placed on the elm planted by former President Theodore Roosevelt in 1907.

At noon the varsity club banquet was given at the Forestry cabin. The cabin proved such an excellent place for the banquet that those in attendance requested that it be used again for next year, according to Mr. Stewart.

The biggest feature of the festivities was of course the football victory over Carnegie Tech. Following the game, at least 1,500 alumni gathered on the field for an informal get-together. Markers designating the graduating classes by years were on the field to guide homecomers to their old classrooms.

Homecoming came to a close Saturday night with the student-alumni dance in the Union, sponsored by the Varsity club.

Commenting on the lack of rowdiness at this year's homecoming, Mr. Stewart said, "I talked to two policemen after the football game and both of them said that there was less drinking at the game than at any home game all year. Also, I was up late three nights with alumni and I didn't see a single drunken one among them—something I can't say for homecoming crowds of past years."

Sorority Teams Are Undefeated

Standings in the intra-mural volleyball league show that the Chi Omega and the Alpha Chi Omega sororities are both as yet undefeated, and both teams have amassed over 95 points to their opponent's 40 or more.

Alpha Phi, Delta Alpha, Zeta Tau Alpha, Sigma Kappa, North Hall, and Independents have all won two games and lost one. Kappa Delta, Kappa Kappa Gamma, Alpha Gamma Delta, Alpha Omicron Pi have each won one and lost two. Rochdale House has lost all three of its games.

Tonight Kappa Kappa Gamma meets Chi Omega and Delta Alpha plays Alpha Phi. The games are played in the gymnasium.

FREE SHOW. Students will be given their annual free show Thursday night, November 18, according to V. R. Sirote, manager of the State theater. A new show, Big Business, will be shown. Students will be admitted at 9 by presenting their pass-books at the door.

Lambda Chi, Kappas Win

Book and Spider Web Held Best of Homecoming Decorations

Kappa Kappa Gamma took first prize in the sorority contest, and Lambda Chi Alpha won first place in the fraternity division of the Homecoming decorations competition.

The Kappas, winning for the third consecutive year, refined the cup from sorority competition. Their theme, "Another Page in History," consisted of a book ten feet high that was opened at the Carnegie Tech page. The letters were in plain. Each of the preceding pages was marked for each of the games played to date, with one page left for San Francisco.

The Lambda Chi won in their division with a spider web that covered the front of their house on which a giant spider, Michigan State, was approaching a small fly, Carnegie Tech, that was caught in the web.

Elizabeth Conrad, dean of women, with A. G. Scheele, professor of art, and Maj. J. A. Person, instructor of art, who were judges of the sorority contest, announced the winners of second and third places for sororities to be Chi Omega and Alpha Xi Delta, respectively.

The Chi Omega display was a cow munching away contentedly on a piece of plaid, while a Scotchman who was clutching a barrel about his middle stood by with a surprised look on his face.

Two telephones with the captions "Hold that line," and "We've got your number Carnegie Tech" were the decorations that won (Continued on page 3)

Student Speakers Talk Downtown

In preparation for the state contest to be held a week from this evening, two students of speech have been given the opportunity for some practical practice.

Miss Ruth Fagen recently appeared before the Current Problems club of the Y. W. C. A., Lansing, and gave a 20-minute speech, after which she conducted a detailed discussion. Miss Fagen chose "The Spanish Situation" as her topic.

On Thursday evening, November 15, Carl Estes will appear before the Y. M. C. A. Phalanx club, also in Lansing. There he will give a 20-minute speech and conduct a discussion in the same manner as did Miss Fagen. Estes will elaborate on "The Far Eastern Situation."

Spider and Fly Win For Lambda Chi

The decorations that won first prize in the fraternity division of the Homecoming decorations competition were a spider web that covered the front of their house on which a giant spider, Michigan State, was approaching a small fly, Carnegie Tech, that was caught in the web.

Crowds Fill Hall During Pianist Solo

Josef Hofmann Presents Variety of Classics in Peoples Church.

By ROBERTA APPELGATE. Sixteen hundred students and townspeople greeted Josef Hofmann with applause when he appeared on the Michigan State college concert course in Peoples church last night. The crowd was so great that many stood in the halls to listen to the artist whom Life recently called the world's greatest living pianist.

Mr. Hofmann's playing was characterized both by exceptional power and by facile and light fingers. At times it gave the effect of humming-bird wings and at others rumblings of thunder. Sparkling staccato passages, unbelievably rapid trills, and lofty melody were artistically blended at all times.

Beethoven's Sonata, opus 53, although unfamiliar to most of the audience, immediately caught and held the attention because of its unusual combination of brilliance and melody. Kreisleriana, by Schumann, was interesting from a technical standpoint, but only a few numbers of the group—the andantino con molto sentimento, and the adagio—were musically enjoyable. The remainder were more or less gymnastic oddities.

The group of Chopin compositions which followed was composed of the Polonaise in E flat minor, the Nocturn in B major, Mazurka in B flat minor, and the Ballade in F minor. The rhythmic precision and skilful interpretation of these numbers revealed their beauty and helped explain the reason for Chopin's popularity. (Continued on page 3)

Music Group Is Organized

Musicology Society Chapter is Established.

Members of the music department were hosts Saturday afternoon to a group of musicians who met to organize a Michigan chapter of the American Musicology society.

Dr. Leonard Ellinwood, theory and musicology professor of the music department, was elected chairman of the meeting. Professor Stahl of Ann Arbor was elected secretary.

William Kimmel read a paper on "Some Aspects of the Melodic Style of Vaughan-Williams." Following discussion at the close of the paper tea was served at the home of Doctor Ellinwood.

Present at the meeting were Doctor Dett and Mr. McGheoch of the music department at the University of Michigan, John Challis of Ypsilanti, F. S. Roland and T. R. Voeberg, of Albion, and Prof. Lewis Richards, William Kimmel, and Miss Jean Lincoln of East Lansing.

Winter Term Registration Plan Revised

Students Will Not Enroll Till Start of Second School Session.

The new registration system, which proved so successful in eliminating long lines of waiting students last fall, will be used again for winter term registration, Kermit Smith, of the registrar's office announced yesterday.

Instead of the usual pre-registration early in December, sections will not be reserved until the opening of winter term. This will postpone the beginning of classes until Wednesday, January 5. Hitherto, classes have started on Tuesday, with Monday reserved for late registration and new students.

Students will be admitted to the gymnasium to reserve sections, Monday, January 3, and Tuesday, January 4, according to an alphabetical schedule to be printed at a later date.

Students are to see their advisers or class officers to obtain their registration material and make out their enrollment cards according to the schedule which is printed on page 2 of this issue of the State News.

Girls Set Up New Activity

East Lansing Athletic Association Reorganized

The Senior Girls Athletic association at East Lansing high school has effected new plans for its reorganization under a board of directors.

The new plan of organization is different from the old in that G. A. A. in East Lansing will no longer be considered as a club but as an activity. The board will consist of a general manager, a senior manager, a junior manager, class managers, recorders of points, and a business manager.

The board of directors will meet on the second and fourth Mondays of the month. Any girls interested can form contests for games such as ping pong, shuffleboard, and others. Parties will be sponsored under the new arrangement.

Local Man's Kin Dies in England

An account of the funeral in England of Richard Slater was received here by his son and daughter-in-law, Mr. and Mrs. Joe Slater, and three children, 326 Michigan Ave. He died just a few days before reaching his seventy-fourth birthday.

Richard Slater spent all his life in and around coal mines; and at the time of his retirement he was employed as a chieftain at Dorchester and Long's, Ltd., Mainsforth colliery. In his early days he devoted a good deal of his time to music and was the organist both at Trimdon Grange Parish church and the East Howse Methodist church.

The deceased was well-known to many East Lansing people through his correspondence with them.

Engineers Will Hear Talk on Combustion

H. Kreisinger of the Combustion Engineering company, New York city, will speak at a meeting of the student branch of the American Society of chemical engineers at 7:30 p. m. Wednesday in the physics lecture room. Kreisinger's topic will be "Combustion."

He is engineer in charge of research and development for the Combustion Engineering company and is an authority on combustion.

Spartans End Quest For Prized Cup With Fifth Straight Win

Dads to Give Fine Team Balance Provides Narrow Margin of Victory

Trojan Football Squad is to be Feted at Annual Banquet.

The annual banquet for the East Lansing high school football squad will be held Wednesday, November 17 at 6:30 p. m. at the Peoples church.

William Searl will act as toastmaster, and William Otto will give the main address. Motion pictures of the Michigan State-Temple game will be shown by Coach Tom King, and short talks will be given by Donald O'Hara, superintendent, and F. Morse Cook, principal. The members of the football team will be introduced by Coach Fred W. Shaver. Additional entertainment will be announced later.

The committee for the banquet is composed of G. F. Griswold, George MacKichan, C. S. Phillips, R. J. McCarthy, E. Gardner, C. X. Anderson, Frank Gaines, James Robertson, Coach Fred Shaver, Ferdinand Schieve, L. E. Omer, Mr. Hughes, E. S. Pearce, and Dr. E. Fabian.

Tickets are available at the high school, Hurd's men's shop, or from any member of the committee.

New Director Meets Group

Lange Leads Three-Hour Orchestra Practice

Meeting the orchestra for the first time, Hans Lange, new director, who has replaced Michael Press, held a three-hour rehearsal Sunday afternoon.

Mr. Lange, associate conductor of the Chicago Symphony orchestra, proved to members of the orchestra that he was most exacting in regard to tones and technique, yet courteous in corrections, with a good sense of humor.

The orchestra is putting the finishing touches on rehearsals for its first concert of this term, Monday evening, November 29.

The Union tea dances are returning to their old Tuesday and Thursday afternoon schedule this week and will be held on these days throughout the remainder of the term. Don Hedstrom and his Dixie Land band play between the hours of 4 and 5:45 p. m.

Welch of Cornell Sets Pace as Spartans Fail to Capture Individual Championship; Waite Leads Spartan Runners in Fifth Place, Followed by Frey.

NEW YORK, Nov. 16.—Michigan State's cross country team made it five in a row yesterday when the Spartans carried off the I. C. A. A. championship for the fifth straight year in Van Courtland Park.

By winning the title, the Spartans gained permanent possession of the championship cup, which has been baffled for since 1914. State won with 50 points, beating out Syracuse, the runner-up, by 10 points. While winning the team honors, the Spartans for the first time in five years, failed also to carry off the individual title Howard "Weir" Welch of Cornell saved the day for the East when he led the crack field of more than 100 runners to the finish wire.

States Ken Waite, the defending champion, could do no better than take fifth place, trailing Welch, Southard and Caviller, both of Syracuse, and Smith of Maine. Waite was 50 yards behind Welch at the tape.

At the heels of Waite came Dick Frey, a teammate, who last year captured the national freshman crown. Waite was clocked in 27:14, two seconds faster than Frey.

The third Spartan runner across the line was Art Green in fifteenth place. He quickly was followed over by Harold Sparks and Gerald Ross to sew up the title for the Michigan team.

For Syracuse, despite the fact it placed runners second and third, lacked the balance possessed by the Western invaders and had to be content with second place in the standings.

Welch ran a winning race most of the way over a testing course, made soggy by the recent heavy rains. His winning time was 26:54.

At the very start of the race, the Spartan hopes received a setback when Harry Butler, who finished sixth last year, was spiked by his teammate, Green. Half of Butler's right shoe was torn from his foot and he ran the entire five miles with his toes bleeding and scraping along the ground.

Although in pain, Butler finished thirty-sixth. Art Hills, the seventh member of the State team, was No. 26 among the finishers, but his performance did not count since only the results of the first five men are used in tabulating the results.

Manhattan took third place in the team race with 75 points. Penn State, fourth, with 126 and Cornell, fifth, with 155.

The State team left here late last night and will arrive in East Lansing late tomorrow afternoon.

Honorary Invites Faculty Members

Members of Sigma Epsilon, local business administration honorary, issued an open invitation to economics professors and instructors to attend their meeting Wednesday at 7:30 in organization room 2 of the Union.

This meeting will give the professors a chance to air their opinions of problems in economics discussed by the fraternity members at their last meeting, a closed bull session.

At the same meeting results of recent questionnaires will be announced. The questionnaires were sent to the business administration departments of 50 colleges and a 60 percent return was received.

Sigma Epsilon plans a joint meeting with the Lansing Sales and Advertising club for November 23.

COATS REFINED AT TWICHELL'S

New War Is Unavoidable

Dr. Caswell Gives Talk at Peace Armistice SCL Program.

The World Affairs committee of the Student Christian union presented an Armistice peace program at the Peoples church last Sunday night.

Before an unusually large crowd, including visitors from the University of Michigan, the Armistice program was presented at 8:30 p. m.

The main attraction was Dr. J. T. Caswell's talk on war and peace. In his speech Dr. Caswell outlined the tendencies of modern events toward a world cataclysm but denied any probability of the nations' unpreparedness with arms, money and men.

He stated no nation's greed for power, glory, and territory in his statements and concluded with the announcement that as long as human beings refuse to accept their intelligences to rise above the passions of greed, lust, and the passions of the flesh, war will be inevitable.

The program also included the play "Unknown," a dramatization of the spirits of unknown soldiers who had died in the major wars of earth's civilizations and now hovered over the tomb of an unknown soldier who fell in the last great war.

They wondered if mankind at last realized the futility of battle because of their knowing him who died unknown to the battlefields of the World War and it marked would cherish memory in such a way that no other would meet inglorious death.

The entire presentation was enhanced by candlelight and shadows to provide the proper mood. Other features included as prelude the play "Evening Star" and in cello and piano, the singing of the hymn "America the Beautiful" and in conclusion the reading of the poem "Peace on Earth."

JOSEF HOFMANN

Debate Team Opens Year

Forensic Association Preliminary is Staged Against Hastings.

East Lansing high school held its first Michigan High School Forensic association preliminary debate Friday evening at 7:30 in the new auditorium when it met a negative team from Hastings.

East Lansing's affirmative team was composed of Helen Hyer, Grace Nahstoll, and Albert Gill. The judge for the debate was a single critic judge, Gordon Fischer, of the Michigan State department of speech.

Tuesday afternoon East Lansing engaged in two practice debates with two teams from Lansing Eastern to put the group in final shape for the contest with Hastings.

Last week the debaters engaged in a demonstration debate at the Kelloggsville school, Grand Rapids and in two practice debates with Ottawa Hills high school, Grand Rapids. Friday evening an affirmative team composed of Ann Fagan, Grace Nahstoll and Albert Gill met a negative team from Lansing Central in a practice debate.

In another practice encounter the same evening, Richard Williams, Leslie Willis and Melvin Lill met an affirmative team from Elsie.

The placing of the Monday debate is necessary in order to allow results to be placed in the December Spartan before it goes to press, according to Harrington. The first winners in the preliminary will be announced at the end of the month when the magazine comes on sale.

The contest, the first of its kind sponsored on the campus, is the purpose of selecting Michigan State's most popular girl. She must be cast on the ballots placed in the November Spartan and either mailed to Box 108, the post office, or dropped in the box at the Union lobby. The girl receiving the most votes on Monday night will be listed as candidate in the final contest to come next month.

The winner in the final, the contest of 1938, will receive a cash award of \$15 from the magazine, together with several prizes contributed by advertisers. The complete list of prizes will appear in the December Spartan.

The contest, the first of its kind sponsored on the campus, is the purpose of selecting Michigan State's most popular girl. HOFMANN PLAYS FOR CAPACITY AUDIENCE

(Continued from page 1)

Mr. Hofmann played the Minute Waltz, also by Chopin, as an encore.

PLAYS OWN COMPOSITION

The Orientale by Stojowski, which followed the intermission, was oriental in rhythm but not in tonal patterns. The familiar Moment Musical, by Schubert, was presented in an unfamiliar arrangement by Godowski. Kaledoskopi, Mr. Hofmann's own composition, presented a series of pictures in such rapid array that it left the audience rather confused, as one is after seeing pictures from a speeding train. Prelude in C Sharp Minor, by Rachmaninoff, vividly described the burning of Moscow by Napoleon's army.

Mendelssohn's "Spinning Song" was the last encore.

Mr. Hofmann notified the audience that he was ready to begin his numbers by playing quiet chords before each group.

The only man to the program was that all 3,000 students had no place to see and hear so great an artist.

Speech Instructors

To Judge Debates

Members of the speech department will judge two debates during this coming week. G. F. Fischer, J. D. Menchhofer and J. A. McMonagle will be in Zeeland on Thursday evening, and on Friday night, Mr. Fischer and Mr. McMonagle will remain in East Lansing to judge a second debate.

The University of Iowa possesses one professor, in the college of education, who understands the undergraduate mind. He occasionally warns the students, "I think I'll sleep through class some time." And he does.

Y Will Hear Talk Tonight

Lecture Prepared by National Forum to be Given

An illustrated lecture on international problems will feature the Y. M. C. A. meeting in the parlors of Peoples church at 7:30 this evening. The lecture was prepared by the National Forum of Chicago and presents many of the facts underlying international problems.

This lecture was planned for students of current events, psychology, education and sociology. Problems of commerce and communication, density of population, economic rivalry, the rise of dictatorships and war costs will be presented.

This regular meeting of the Y. M. C. A. is open to all college men and is sponsored by the world affairs committee, with Robert Allured, chairman.

Plans will be made for cooperation with the Y. W. C. A.'s Christmas play and several important announcements concerning future plans and meetings will be announced.

With the Modern Greeks

By MARYANN SMITH HESPERIAN

The Hesperians wish to announce that they are up in arms and are going on a date strike for three weeks. They give as their reason the fact that girls haven't invited them to enough of their society parties. If the girls change their ways by December 4, there will be a semi-formal as scheduled, if not, there will be a long strike. Mr. and Mrs. W. L. Blair were Sunday dinner guests.

ALPHA GAMMA DELTA

The Alpha Gamma held initiation last week for Amelia Fodas, Detroit, Pauline Wein, Dunkirk, N. Y., Valerie Friedman, Quebec, and June Olive, Detroit. Mrs. R. S. Shaw was a guest at the ceremony.

PHI KAPPA TAU

The Phi Kaps held their alumni breakfast in the Union Sunday. One of the pledges, Van Deyckel, is losing sleep nights over a feud which started when his North

DELTA CHI

The Delta Chis are having their fall term semi-formal Saturday night. The Dixieland band will play.

ELECTIC

The Ties were swamped by 150 alumni this weekend. The pledge football team played the Delta Sig Sunday morning and won, 12 to 6. Three men have just been pledged; they are: Morris and Al Bond and Ernie Bremer.

KAIPPA KAPPA GAMMA

The Kappas entertained their field secretary last Monday, Tuesday and Wednesday. A formal dinner was held Monday at which Dean Conrad was guest of honor. Dr. and Mrs. W. W. Johnston were dinner guests Wednesday night, after which Doctor Johnston recited poetry.

ALPHA CHI SIGMA

The Alpha Chi Sigma had their house remodeling completed in time for the alum open house they held this weekend. The boarding club has been started again.

College Bulletin

The Householders' association will meet in room 3, Union annex, at 2:30 p. m., Thursday, November 18.

La Cofradia meets tonight at 7:15 in the Union annex. Mrs. Alice Leathers will speak about her trip to South America. Thirty-four new students who will be invited into the club will be present.

There will be a meeting of the Mathematics club in room 103 of Morrill hall at 7 p. m., Tuesday, November 16. The program will be a "mathematical treasure hunt."

All students who have not had their pictures taken for the Welfare picture make appointments at the studio as soon as possible. Prints on pictures, already taken should be returned to the Veritas studio at once.

There will be a regular Student Grange meeting Saturday, November 20, at 8 p. m., in room 100, ag hall. Refreshments will be served.

Block and Reide fraternity will meet in room 109, ag hall, Tuesday, November 16, at 7 p. m. This is a social meeting and open to all interested. Dr. Brady of the University of Minnesota and the "unknown" student magician from St. Louis will participate.

Block and Reide fraternity will meet in room 109, ag hall, Tuesday, November 16, at 7 p. m. This is a social meeting and open to all interested. Dr. Brady of the University of Minnesota and the "unknown" student magician from St. Louis will participate.

Sole Party Packs House

Open Union Dining Room to Take Care of Overflow

Nate Fry melodized as "Tune and undergraduates gathered to dance at the Varsity club party, the only one on the campus, Saturday night.

The second floor dining room, complete with amplifier and red and blue spotlights, was opened, as well as the ballroom, to accommodate the overflow crowd.

Nate Fry handed his baton to his bluesinger, Betty Jane Wolfe, when he played the trombone.

Saturday afternoon after the game, fraternity and society houses were packed as alumni and active congregated at coffees and admired homecoming decorations.

Sunday afternoon the annual Canticle of Peace was staged in Demonstration hall.

The Altheans will meet tonight at 7:15 in the Union ballroom. There will be an all-membership Y. W. C. A. meeting at 5 p. m. Wednesday in the church. Tea dances today and Thursday will feature Don Hedstrom's new orchestra.

Home Ec personality clinic is making personal appointments this week for color tests, advice on hair arrangement, and posture tests on Tuesday, Thursday, and Friday afternoons from 3 to 6 p. m.

State Eleven Rests After Turning Back Carnegie Tech, 13-6

Frosh Meet "B" Eleven In Practice

Jack Pingel's Passes Bring State Two Scores Against Tech.

For the second straight day the "no practice" sign will hang over Old College field today for Michigan State's varsity football players.

Badly shaken and bruised in Saturday's game with Carnegie Tech, the Spartans probably will have more than enough to do in the afternoon of rest before commencing preparations for their final game with San Francisco in the coast city a week from next Saturday.

While the regulars are taking it easy, the reserves, many of whom are out to convince Coach Charley Bachman they are worthy of the job, will get an opportunity to show their wares in a game with the State freshmen at 4:30 p. m.

Despite the heavy going in Saturday's game, no serious injuries were reported in the State game. Bachman expects the team will be in the best physical shape of the season by the time the San Francisco game rolls around.

NO HARD WORK

Little, if any, hard work is booked for the regulars this week. Bachman may stage a scrimmage the latter part of the week just to keep the players on edge.

For the first time since early September, the Spartans will have the week-end off, but most of the team expects to take a business holiday and take in the Michigan-Ohio State game at Ann Arbor, the scene of State's big victory of the year in October.

In defeating Carnegie Tech the Spartans reversed the procedure which had characterized their play in all of their previous major games this season. Instead of scoring in the fourth quarter the team put over two touchdowns in the second stanza to win, 13-6.

Again State came from behind, after being outplayed for more than a quarter by the battling Pittsburgh eleven. During the first stanza the Plaid pressed the play and when the quarter ended were one yard from the goal line.

LEE GOES OVER

It was an easy job for Jack Lee, big Carnegie fullback, to plunge the remaining distance on the first play of the second quarter.

Then the Spartans began rolling—and roll they did in the next nine minutes.

Two touchdowns, both the result of brilliantly executed passes, sent the Spartans to the front before the period was over and brought the team its seventh victory in eight starts and incidentally its fifth straight triumph.

The first touchdown came on a 14-yard pass from Jack Pingel to Eddie Pearce, the latter grabbing the ball in the clear on the 7-yard line and running the rest of the way without a hand being laid upon him.

That deadlocked the score and the count remained unchanged when Leslie Bruckner missed the kick.

PINGEL TO NELSON

Four minutes later, with the ball on Tech's 41, Pingel let loose another pass, this one to Ole Nelson. The "Big Swede" snatched the ball over his shoulder, eluded one Tech back, and stepped down the sidelines for the deciding touchdown. Bruckner added the point.

State outplayed, outcharged and outfought Carnegie in the final half and had several good scoring chances, the best of which came in the fourth quarter when a blocked punt gave the team the ball on Tech's 7. But four plays resulted in State losing ground, rather than gaining.

It was the final home game for eight Spartans—Speedman, Swartz, Schroeder, Lueck, Coolidge, Gaines and Miknavich. More than 20,000 fans turned out to see football fade out of the local picture until 1938.

Heppinstall Travels

Jack Heppinstall, Spartan trainer, has become quite a rover in the last few years. He will have traveled nearly 30,000 miles with the football team in the last three years when this season ends.

SPORT INTERLUDES..

It Wasn't Called For

by George Maskin

Michigan State's football team has played its final home game for 1937. In defeating Carnegie Tech the Spartans won from the best opponent the team played this season.

State whipped a powerful football machine here Saturday. The Spartans also defeated one of the toughest elevens which has stepped onto the green turf in Macklin field in several decades.

Rough and dirty football has no place in collegiate competition, and for that matter doesn't fit in the type of game played by the high schools, professionals, or the kids in pickup games. During the heat of a game, the unnecessary stuff may go over big—with the fans.

These same fans, once the game is over, in their analysis of the afternoon's proceedings are quick to recall the extra punches and kicks and elbow-socks. And they also waste no time in criticizing the teams which employed such tactics.

It's easier to talk about "dirty work" than actually receive it. A glance into the locker rooms of the respective teams at the close of Saturday's game revealed the amount of uncalled-for maneuvers was extensive.

A dozen or more State players today are strolling the campus sporting injuries of one kind or another, all of which possibly could have been avoided. The same holds true, only to a lesser degree, at Pittsburgh where Carnegie Tech is located.

Michigan State in recent years (we aren't too familiar with the football history here prior to 1930) has been noted for its clean and sportsman-like teams. Charley Bachman, great as his desire to win is, always has instructed his teams "if we can't win clean and fair, let's not win at all."

This motto best was brought out the Monday preceding the game with Michigan. In a huddle with his team, Bachman said: "There has been some talk Michigan may resort to some unnecessary tactics Saturday. I don't think they will, but even if they do, we'll play clean football and nothing else."

Enough is Enough and Spartans Follow Tech Eleven, Although Breaking Local Precedent

For the first time this season, in fact for the first time in several campaigns, State failed when it came to "holding back on the trigger" Saturday. Carnegie roughed it up from the start and State followed suit shortly after.

Both teams gave plenty and took as much. Despite the fact it was breaking a long standing precedent, we can't help but feel the Spartans were justified in returning what the Plaid's had started.

There is such a thing in life as "enough is enough," and the Spartans figured they had enough when the first quarter was completed. At that the Plaid escaped with less injuries than the Spartans which should prove

PINGEL

who was doing most of the damage. Carnegie linemen and backs centered considerable attention on State's Jack Pingel, especially after Pingel had thrown a pair of touchdowns passes to Eddie Pearce and Ole Nelson.

The Plaid weren't satisfied in just tackling Pingel. When they had the Spartan ace down, invariably one or two men would perform the famous "one-two" before the referee could step in and stop the play.

Good officiating generally can prevent the uncalled for in sport. The official is well compensated for his work and in return should make certain players not only are not violating the rules of the game, but also the common rules of life.

Good a team as Carnegie Tech is, the Plaid won't be missed by the Spartans in the future, as long as they continue to add extra features, all of which are contrary to the well being of football, to their games.

Bremer Figures Wrong and Falls on Blocked Punt, Thus Costing State Third Touchdown

A few pickups. Ernest Bremer was playing safe and smart football when he fell on the blocked kick in the fourth quarter. Bremer figured the two men behind him were Carnegie Tech players. As it turned out they were Spartans. Numerous ex-State football greats saw the game, including the three musketeers of a year ago—Steve Sebo, Sammy Ketchikan, and Norman Fertig. The trio now is coaching Sebo at Traverse City, Ketchikan at Sparta, and Fertig near Battle Creek.

Leslie Bruckner insists he'll make a field goal before the season is over. He has been close several times. It was an appropriate gesture by the State coaches to name Tommy Gortel acting captain for the game. It was a less appropriate gesture when the board of strategy didn't allow Charles Halbert to see action in his final game at home. Despite a bad ankle, Frank Gaines asked and received permission to play the last few minutes. Gaines was one of nine seniors who performed in Macklin field for the last time.

In the business of making winners, we enjoyed a perfect week-end Saturday with all the Michigan teams winning.

Griffith Stands Out on Frosh "11"

By HAL SCHRAM

Who's who in freshman football and who are the probable new faces on the 1938 varsity?

That is a question which only time can answer, but we're going to put ourselves behind the eight ball and blossom forth with a few predictions.

Perhaps one of the greatest football players to enter State from southwestern Michigan in years is a 185-pound guard named Paul Griffith. Paul is blessed with everything natural football players possess.

He has speed, weight, precision, and a fighting heart. The varsity guards will have plenty of trouble in keeping this Sturgis high school graduate off the starting lineup next fall.

Equally as brilliant at the other guard position is Edward Abdo of

Detroit. A fast charger, fine blocker, and a sure tackler, Abdo's freshman performance served notice that he, too, would be in the fracas next fall for the varsity guard positions.

A possibility for the fullback position is found in the 170 pounds of football dynamite wrapped in Merlin Mitchell, the human battering ram from Battle Creek, Michigan. This boy is a smashing line plunger with his only handicap being in weight. Nevertheless, it is the opinion of many that Merlin will see plenty of action in the Spartan backfield next fall.

The three mentioned above are outstanding performers with great possibilities. Other yearlings who have displayed sparkling football at times include Ward Walstrom, who is an excellent punter, Mi-

leuchnich, a defensive end; Archie Mapes, a nice runner and a fine rier with good possibilities; Squires and Batchelor, running backs; Handier, a huge tackle; Hartman, an outstanding end prospect; Flynn, another good looking end, and Seymore Knight, a tackle.

Any of the above mentioned gridders may develop into a 1938 Spartan.

Men's League Begins Play In Grid Final

Snyder's Corners Lead Block; Seem Headed for Second Title.

The Men's League football race which closed last week, brought forward the prospect that the games for the championship would exhibit some real football and would bear plenty of watching.

Last week's games definitely decided the winners in three of the four blocks. The one exception was in block one, where the Chemistry Kids threw a monkey-wrench into the well-oiled machinery and turned it into three-way tie between themselves, Bakerboro, and the Sleeping Beauties.

The Kids weren't expected to cause the Sleeping Beauties much trouble, but when the game was over they were on top, 6-0, by virtue of a pass to Blyth which netted them a touchdown. The game assured them of 5 chance to play off for a shot at the title.

EVERGREEN MANOR WINS

Other games found the favorites coming through as expected. Evergreen Manor beat the Hashslingers from Wells hall by a score of 6-0. A pass to Tucker scored the touchdown which brought the defeat to the Hashslingers.

Evergreen Manor continued to exhibit power when on the next night it defeated the Highfliers, 12-0. Hupp and Rudy scored the Manor touchdowns.

Bealtown turned on a real scoring spurge when it beat the Pushovers, 30-0. Rice and Cole were the stars of this game, each scoring two touchdowns on neatly executed passes. Graft also scored a touchdown for the winners. Bealtown won the championship in block four.

The winner of the block one playoff will play Briggs Acres, block two champs, and the Snyder's Corners team, winners in block three, will tackle Bealtown, block four champions in the semifinals. The survivors of these games will play Thursday, November 18, for the Independent Men's League championship.

Polo Players Face Opener

Spartans Schedule Team From Fort Sheridan

The Spartan polo team is proceeding to round into great shape. The daily practices are now getting the team's candidates polished up on their horsemanship as well as their polo form, and also to get the horses themselves into tip-top condition. Getting the horses "hardened" takes some time, and it is stressed in their daily routine in practicing.

The team has not encountered any games thus far, but Captain Taylor plans to have the initial contest with the Officer's team from Fort Sheridan, Saturday, November 20.

The probable lineup for this year's team, as Captain Taylor now sees it, are Tom Matlack, Manuel Artyga and Burns. Two freshmen and two sophomores look promising so that Captain Taylor can mould his team around them for next year.

Spartan Cagers Overpower Frosh in Stubborn Battle

Every Player Sees Action in Game; Sophomores Look Promising

By VIC SPANIOLO

With the opener against Hope college less than a month away, the Spartan cagers have been going through intense preparation in order to get off to a flying start.

From this early in the season, State should have a powerful team although the squad may not be as strong this year as it will be next. Len Osterink, Spartan high point man last year is not expected to join the team until the beginning of winter term.

Last week Coach Ben VanAlstyne sent his varsity against a freshman quintet in order to find out the weaknesses. On the whole the Spartan mentor found his men were performing satisfactorily.

PACK SCORING PUNCH

Using every member of the squad against the frosh, VanAlstyne noted the potential scoring power. The starting lineup consisted of a pair of sophomore forwards, Marty Hutt and Frank Shidler along with the veteran guards, Howard Kraft and Leo Callahan. Ben Dargish occupied the center spot.

This quintet showed plenty of offense and was fair on defense. No doubt the defense is a bit disorganized because of the fact that it is early in the season. VanAlstyne overlooked no bets, giving every member of both squads a chance to show their stuff.

Although it is early in the season and a difficult schedule is facing the Spartans, VanAlstyne sees no reason why the team should not improve on last year's record.

Other sophomores who showed promise of developing into varsity calibre were Marty Ruth, Howard Burr, Carmen Mercadante, Herm Marabell, and Max Dalrymple.

State's chances for success this season with the toughest schedule in the history of the college rests mainly on inexperienced players. With five letter men returning, Van no doubt will mould the varsity around those who have been tested.

Hope college, M I A A champions, initiate the Spartan schedule December 8. Incidentally, Hope is reputed to have a promising crop of second year men.

Mercadante, sophomore guard who has shown VanAlstyne some stellar defense work, will be out for several days because of a sprained ankle that he suffered last night.

CHIEF SAYS: One Play Benches Tech Guard

By Harry Speedman State Football Star

Lytle Rockenbach, a guard who is rapidly causing people to forget Sid Wagner, today is sporting a couple of "shiners" he received in the Carnegie game.

Alex Kethko happened to see Lytle and asked him how it felt. "Oh," replied Lytle, "they are all right!" "Well," said Alex, "why don't you try opening them up?"

Bill Kawchak came home Saturday rated as one of the toughest guards in the east. He was forced to leave in the third quarter, being carried from the field, after a half dozen Spartans blocked him on one play.

In the third quarter, Ulf Hanes snapped back at one of the Techs: "You haven't seen our regular fourth quarter drive yet," after the Tech man had remarked: "We now have State on the run."

By the way, I wonder what happened to that fourth quarter drive?

Ties Defend Frat League Grid Title

Battle Heapsies in First Round Playoffs; SAE Plays Lambda Chis.

Tonight at the college practice field the battle for the Interfraternity grid championship eliminations will begin.

The Ties, last year's champions and favorites to repeat this year, will meet the Hespies. In the other battle, the SAEs take on the Lambda Chis.

The Lambda Chis are particularly anxious to win their game with the SAEs so that they can get another crack at the Ties who defeated them for the league title in a thrilling game last year.

Although no direct comparison between any of the teams can be made, none of the games appear to be runaways. The Lambda Chis do not have a high powered scoring machine, but they can score when necessary and their wide awake defense more than makes up for their lack of scoring punch.

The SAEs boast a well balanced offensive attack that combines running and passing to the best advantage. If the Lambda Chis expect to win they will have to stop Tom Merry and Dale Granger, the big guns in the SAE attack.

The Hespies have a job on their hands in their battle with the Ties because the Ties have been working hard in preparation for the playoffs so that they can win their second consecutive title.

Only the Ties have the honor of being the defending champions.

Michigan has placed its hopes on the Ties for the championship.
