

Today's Campus

Hearts and Fluffs

Trying to find that "just right" valentine for the roommate can be mighty disillusioning at times. One M.S.C. coed scouted all the local stores for a little red heart with right little verse praising all her roommate's qualities of thoughtfulness, calmness, etc., etc., and finally found one that seemed to fit just right. But yesterday she glanced at her purchase again to find it headed "To the mother of my friend."

Cupid with Wings

Bill Woodman, Ag '45, will testify to the fact that all Valentines are not covered with lace and sweet sentiment. Bill found an early Valentine in his mailbox yesterday. It was from Uncle Sam—the army air forces.

Hannah Clarifies Military Status for Reservists

Pres. John A. Hannah answered the queries of over 300 army reserve members who were uncertain about their military status yesterday, while Col. Dorsey R. Rodney, College P.M.S.T., and Ronald Heath, assistant dean of men, also offered to solve the problems of ERC men gathered in Fairchild theater.

Hannah explained that unassigned members of the reserve could no longer wait until their induction to choose to join the army air forces. Reserve men who wish to join the AAF must notify the offices of the military department or the president of the college of their intent to join by Tuesday noon. Later next week, air force personnel from Selfridge field will visit the college to give examinations to prospective cadets.

Asked what chance premedical students (freshmen), had of staying in school, Hannah said that since there were twice as many premedical students as could be trained by the nation's medical schools, few more than half the reservists intending to study medicine will be sent back to college for that purpose after 13 weeks of basic training.

Pre-veterinary students holding tentative second lieutenant's commissions will resign their commissions when the army technical training program goes into effect, will be put in uniform and given subsistence plus army basic pay. Hannah also

Bad Weather Holds Tunisian Action to Minimum

LONDON, Feb. 12 (AP)—Allied headquarters declared today that snow and rain had stifled ground activity on the Tunisian front but field dispatches reported a successful British commando raid on the Bizerte sector earlier in the week and Axis sources claimed British and American units had been repulsed in two attempts to advance.

Supported by French troops and British field pieces, the commandos penetrated deep into enemy territory and threw the area into a turmoil in what was described as one of the largest and most successful raids of the Tunisian campaign.

The German radio, quoting a DNB dispatch in a broadcast heard here, said a force of British and Americans had attempted a strong assault on forward Axis positions on the northern slope of the Atlas mountains in Tunisia.

FDR Predicts Telling Blows Against Axis Reds Threaten New Trap in Ukraine

LONDON, Feb. 12 (AP)

—The Red army of the Ukraine was reported officially to have captured Krasnoarmeiskaya, a main rail junction 25 miles northwest of Stalino, thus threatening to trap approximately 500,000 Axis troops already hard-pressed by other Russian units attacking in the Donets basin and Rostov areas to the east.

A special Russian communique recorded by the Soviet monitor here told of the cutting of the main Dniepropetrovsk-Stalino railway at Krasnoarmeiskaya.

These other important developments were announced by the Russians:

The capture of Krasnodar, Kuban Cossack capital in the western Caucasus. This left other sizeable German forces based at Novorossik on the Black sea coast stranded.

Their best hope appeared to be an attempted flight by sea to the Crimea. But Moscow has reported the Soviet Black sea fleet's big guns already are in action off Novorossik, and the Germans have told for days of fighting Red marines landing along the coast to prevent a Nazi evacuation by boat.

Shakhty, 45 miles above Rostov, fell to the Russians striking southward toward Rostov where, unofficial estimates say, 250,000 Germans are based. Voroshilovgrad, 25 miles southwest of Voroshilovgrad, Donets industrial capital, also was seized.

'Drums on Mohawk' to Be Shown Tonight

"Drums Along the Mohawk," a full-length technicolor film, will be this week's offering to World Adventure movie goes today at 8 p. m. in College auditorium.

The movie based on Walter Edmund's novel of the same name will portray the stirring action of the Indian-fighting epoch in Mohawk valley. Heading the all-star cast will be Henry Fonda.

Time on Your Hands

'Guess You'll Have to Dream the Rest - - -'

By BARBARA HAFFORD

Valentine's day "good-nights" will not last one hour longer Sunday night regardless of the change from Eastern to Central war time, according to Dean Elisabeth Conrad.

When asked if co-eds could start going on the new time early Sunday evening so that they could stay out one hour later Miss Conrad stated, "The President rules that set back at 2 clocks will be a. m., and only the president can change it."

However, Pres. John A. Hannah said, "I only know that sometime Sunday night building and grounds committee will set the clocks back, and on Monday morning I'll come to work an hour later."

Building and grounds officials said that Beaumont tower would be set back around 9 or 10 p. m. along with other college clocks.

Black area shows gains rolled up in two days' time by Red troops now threatening the German bases of Orel (1) and Kharkov (2). Two other German bases in the same region, Kursk and Belgorod (both shown in black area) have been gained by the Soviets in their westward drive which yesterday sliced a trunk rail line to Dniepropetrovsk. Krasnodar on the Kuban plain also has fallen to the Reds.

Chatel on Mission to De Gaulle

LISBON, Portugal, Feb. 12 (AP)—Yves Chatel, former governor of Algeria, arrived today enroute to London.

It was reported Chatel was carrying an important message from Gen. Henri Giraud to Gen. Charles De Gaulle.

President's Speech Highlights

A fundamental of an effective peace is the assurance to those men who are fighting our battles that when they come home they will find a country with an economy firm enough and fair enough to provide jobs for all those who are willing to work.

Great and decisive actions against the Japanese will be

taken to drive the invader from the soil of China. Important actions will be taken in the skies over China—and over Japan itself. There are many roads which lead right to Tokyo. We shall neglect none of them.

The British government, through Mr. Churchill, took the lead at Casablanca in proposing (General Eisenhower) for the supreme command of the great Allied operations which are imminent.

Before this year is out, it will be made known to the world—in actions rather than in words—that the Casablanca conference produced plenty of news; and that it will be bad news for the Germans and Italians—and the Japanese. The world can rest assured that this total war—this sacrifice of lives all over the globe—is not being carried on for the purpose or even with the remotest idea of keeping the Qui Lings or Lavals in power anywhere on this earth.

How the War Is Affecting You

War developments have raised many questions among college students about their situations and their future. Herein the Michigan State News answers some of the most frequent questions. The answers come from the best available sources.

Q. Is there any way by which I can continue my interrupted studies while I am in the army?

A. Yes. Any enlisted man in the armed forces, after he has been in active service for at least four months, can enroll with either the Army Institute or with any one of the 76 universities or colleges cooperating with the war department in offering correspondence courses. The Army Institute awards a Certificate of Proficiency upon satisfactory completion of work, while courses offered by the universities carry college credit. In addition, several hundred thousand inductees are to be sent back to college for special work.

Q. Does the country really need more educated men now? Or should we all plan to go either into the army or into production jobs?

A. The problem is how many men can be kept in schools and colleges to provide the trained, educated personnel needed for both the armed services and the war industries, while we also meet the immediate requirements of the armed forces and of industries. So far as they are free to do so, it is wiser for men to continue their education but to direct their studies toward greater war usefulness.

Q. What will happen to working women and professional women when the men come back from war to take their old jobs?

A. Plans are being made for orderly demobilization and assistance in finding employment after the war for all those in the armed forces and war industries. Following the last war, women were dropped from many jobs which they had taken on during the war (e. g., street car conductors), but many women continued to work on the jobs and in the occupations which had for the first time been opened to women during the war. It is likely that after this war there will be a wider range of jobs open to women than ever before; but the extent of women's employment will be governed by the general economic situation and availability of employment for men as well as women.

Debating Teams to Gather Today

Five Michigan colleges will have an aggregate of 20 debate teams on campus today in competition for the championship title in the Michigan Intercollegiate Speech league and to participate in the annual Michigan State Debate tournament, to be held at the same time, according to Paul Geisenhof, MSC debate coach.

Debating the question, "Resolved: That the United Nations '45, Arthur Reynolds, L. A. '44, should establish a permanent federal union," will be teams S. '46, and Fred Meyers, Eng. from Albion, Alma, Calvin, Central Michigan, Hope colleges, including four Spartan combinations, Geisenhof stated.

In the official league debates, Michigan State will be represented by Waldo Brooks, L. A. '46 and Bill Starr, L. A. '46, for the negative; Jerry Linton, L. A. '43, and Jerry TerHorst, L. A. '45, for the affirmative.

In the MSC tournament debates, will be Bill Martin, L. A. '45, Arthur Reynolds, L. A. '44, should establish a permanent federal union," will be teams S. '46, and Fred Meyers, Eng. from Albion, Alma, Calvin, Central Michigan, Hope colleges, including four Spartan combinations, Geisenhof stated.

Weekly Letter to Men in the Service

(This open letter to men in the service is a weekly feature of the Michigan State News, describing the outstanding events on campus. Clip it out and mail it to a friend in the service.)

DEAREST JOHNNY:
Add to your list of good reasons for being in the army instead of school, all Liberal Arts seniors with 480 credits or more must take a six-credit, omniscient exam which takes eight hours to complete. However, senior men eligible to take the test may receive a diploma for passing the exam if they are called into military service.

This week-end will be Greek week, with many fraternities and sororities holding open house tonight following the I.F.C.-PanHellenic ball last evening. Stan Kenton and his band furnished music.

Linda Weber is now one of the few women to have held the presidency of a class. She took over duties formerly held by Hal Neumann of the junior class, who will be inducted into the navy today.

Sports aren't going too well this term. Maybe a cheering squad will help Spartan teams along, but anyway, the Wolverines took over a swimming and a wrestling match Wednesday night, and Thursday the Great Lakes quintet won one of the most exciting basketball games of the year with a 56 to 39 score.

Charles Covell was recently appointed head of the college police force, after Bert Daniels, police head here for two years, left to take a position with a Detroit industrial firm.

That's all for this week, Johnny; we've been so busy scaring up rumors that we haven't bothered to make much real news around here. Don't you stop making news, though—good news, that is.

Love to you and you and especially YOU. Won't you be my Valentine?

BAH

CAMPUS CHURCHES

By FRAN HOEFLINGER

WILLIAM and Clarence Harris, John and Alex Scott, Negro quartet from Indianapolis, Ind., will give a program of spirituals and Negro folk songs Sunday during the Vesper hour at 7:15 p. m. in Peoples church.

John Moss, private pupil of Prof. Frank Mannheimer, will play several piano selections including "Mammy" by Ditt and "E Flat Prelude" by Rachmaninoff.

Prof. Paul Honigsheim, of the sociology department, will speak on "Race—a Myth Exploded" at the Fireside hour at 6:15 p. m. The program will be preceded by a "Songspiration" at 5 p. m. and a supper at 5:30 p. m.

"The Divided Church" will be the subject of the sermon at the morning worship service of the College Lutheran church at 10:30 a. m. in the State theater. The Bible classes beginning at 10 a. m. will discuss the topic "Prophecy and Fulfillment."

The Lutheran Student club will meet at 7 p. m. in organization rooms 1 and 2 in the Union. Miss Grace Nelson will be in charge of the program which is to have the devotional topic "How to Meet the Crisis of Sickness."

Canterbury club will have Chaplain C. W. Brickman as its guest Sunday evening. The Brotherhood of Saint Andrew, national organization for men, will meet with Canterbury club.

Holy Communion will be celebrated in the Chapel of Christ the King, Canterbury house, Sunday at 8:45 a. m. and Wednesday at 7:10 a. m.

St. Thomas Aquinas will celebrate mass at 9 a. m. Sunday and 7:15 a. m. weekdays. Open forum will meet Wednesday at 5 and 7:30 p. m. in room 1 of the Home Economics building.

The Christian Science organization will meet Wednesday at 7:30 p. m. in the chapel of Peoples church.

INFORMATION

CHRISTIAN FELLOWSHIP—
Spartan Christian Fellowship will meet in room 206 of the Music building Monday at 7:30 p. m. Rev. Crowell will be the guest speaker and will discuss the numerical structure of the Bible. An executive meeting will follow the lecture.

MASONS—
East Lansing lodge of F. and A. M. will confer the first degree at 7:30 p. m. Monday at the temple on M. A. C. avenue

ENGINEERS—
A primary meeting of the State chapter of the Society for Promotion of Engineering Education will be held Saturday for the purpose of considering any developments on the present program, announced O. W. Fairbanks, drawing and design.

MID-TERM REPORTS—
Mid-term reports will be in the hands of students' advisers Monday. Students should contact their advisers during that week, according to S. E. Crowe, chairman of advisers.

Home Ec to Display Victory Food Dishes

How enriched flour points the way to good nutrition in wartime living will be demonstrated by Miss Alma Swenson, of the Wheat Flour Institute of Chicago, at 7:30 p. m., Wednesday, in room 101 of the Home Ec building.

Miss Swenson's demonstration will be sponsored for students and townspeople by the foods and nutrition majors of the Home Economics club.

Starred on her "Victory Food Parade" are dishes that help to supplement the limited supply of meat. Economical meat breads and rolls are also featured.

Grin and Bear It

By Lichty

"Listen, you guys!—What would people think if they heard the fighting 108th left its crusts?"

In Campus Quarters

By Helen Schmidt and Scottie McNeal

GREEK WEEK is rounding up this week-end with open houses at all fraternities tonight . . . fraternity celebrations on the side were those for boys going into the services.

The Hespies gave a party for Augie Faulkner who was going into the army air forces. The house presented him with a V-neck army sweater and a leather writing folder.

Other boys leaving this week were Delta Chi Clyde Harden, who was called into the army air forces, and Art Morris, another Delta Chi leaving this week, and Delta Chi George Thomas . . . Johnny Becker was back visiting the Sigma Nus this week.

Pinning old and new include the Dick Kieppe Sigma Nu pin now residing with Shirley Simmons, Kappa . . . Charles Sutton's SAE pin guarded by Mike Jones . . . and news of Milt Kirkpatrick giving his SAE pin to Marilyn Dixon, Theta.

The business staffs of the Michigan Daily and Michigan State News have been allied by the pinning of Jeart Whiting, State News business manager, to Ed Pearlberg, Delta Tau Delta, and business manager of the Michigan Daily.

Sigma Nu boy Bill Jennings has given his pin to Mary Louise Willis, Theta . . . while Ginnie Jackson grins happily over Ed Wallace and his Hespie pin.

Hal Diegel has presented his Delta Sig pin to Sally Sieffert . . . Dick Lennox, Theta Chi, passed his pin to Betty Willis and had no more than walked back from the pinning than he reported for active duty in the naval air forces out in the state of Washington.

Delta Sig Jim (I won't give a pin away), Kennedy gave a sweetheart pin during the J-Hop week-end to Jane Watrous, of Central Michigan college.

Cupid function of the week-end is the marriage of Bill Rupp, SAE, to Marge Kellogg in the Peoples church tonight . . . Frat Brother Mickey Faulman will be best man . . . the couple will live in East Lansing.

The selection of the first "Sweetheart of Sigma Chi" on M. S. C. campus will take place this week-end . . . on Monday night the girl who has been elected will be notified, followed by an entire chapter serenade and a simple ceremony at the approval.

sorority house door . . . the official "crowning" of the "Sweetheart" will take place at the hall held in her honor.

Women selected by the sororities to run for this honor are as follows: Jeanne Ringle, Kappa; Betty Ann Wendland, Alpha Phi; Betty Lou Herb, Theta.

Bonita Lesselyong, Alpha Chi; Betty Berry, Delta Zeta; Helen Muncie, Chi Omega; Debby DeRan, Sigma Kappa; Mary Lou Dewey, AOPi.

Peg Rogers, Kappa Delta; Lorraine Burkland, Alpha Gamma Delta; Noreen Alcock, Zeta Tau Alpha, and Fran McCreery, Alpha Xi Delta.

ATO men who were initiated a short time ago are: Bob Jacobs, Roy Roush, Ed MacFarland, Charlie Hendricks, Dick Seebers, Chuck Ahlstrom, Bruce Chapman, Jim Bostwick, John Alotis, Lewis Benson, Hal Schabach, Chuck Leverett, Bud Dunn, Ken Balge, Mary Fraser and Ernie Keckonen.

Down-under-land to Be Talk Topic

"Comrades in Arms: America and Australia" will be Linda Littlejohn's topic when she appears as Australian interpreter of world affairs on the M. S. C. Lecture series Tuesday at 8 p. m. in College auditorium.

She reached America in April, 1942, coming by boat and plane over hazardous travel routes from Australia after General MacArthur had established his headquarters there.

Before Mrs. Littlejohn left, she met the American officers and men who had crossed the Pacific to bolster Australian defenses and to prepare for the inevitable attacks in that area. She was also witness to the increased preparations made on her home continent following the initial Japanese successes in the Philippines, Malay, Burma, and the Netherlands East Indies.

The speaker's American lecture appearances include three trips to New York Town hall where her performances were hailed by Director George V. Denny Jr. as "home runs." Although the leader of the Australian feminist movement did not understand his terminology she deduced that being engaged for three town hall appearances in 10 days amounted to general approval.

Eleven Schools to Compete in MSC Track Carnival

Bachman Hopes to Have 300 'Players' for Spring Football Practice in April

Coach Charley Bachman hopes to have 300 "football players" in uniform at Michigan State for spring practice, he said yesterday, but it won't necessarily be in preparation for an intercollegiate schedule next fall.

Bachman stated that the traditional signal drills and learning of plays will be for the spring in deference to a physical hardening program on the gridiron.

"We've got 300 uniforms in the storage room, and I hope we'll be able to fill all of them," the Spartan mentor declared.

After taking a survey of the Michigan State football roster, Bachman discovered that he had 14 lettermen out of a group of 57 players with experience, either on the freshman or varsity squad.

"None of these boys necessarily will be back in uniform next fall, and we probably won't have an intercollegiate schedule, but I'll consider it a job well done if we can put 300 men through some physical hardening paces

Potsy Clark Advocates Post-War Athletics on Amateur Basis

PENSACOLA, Fla., Feb. 12 (AP)—The return of all college athletics to a "strictly amateur basis" after the war by establishment of a uniform commissioner system was advocated today by Lieut. Cmdr. George "Potsy" Clark, former professional football coach and scout.

The opportunity will be afforded in that our nation's sports program through the army and navy has been built to such a high standard that it will be up to the universities and colleges to maintain it," explained Clark. He now heads the athletic department of the U. S. naval air training center here.

At the outset, Clark said, the commissioner should draft regulations that would carefully protect the amateur standing of each athlete, and then it would be his job to see that these rules are enforced. Some conferences already have instituted a commissioner system.

"Football pays the bill and it can be played by all provided some schools can forget the monetary value," he said. "It is my opinion that if they cannot forget the monetary value, the great game of football will be dropped because the small universities and colleges cannot start from scratch and lose all their games just because the selfish university cannot see the value of competition."

Illness Keeps Spartan Ace Out Tonight

Notre Dame and Michigan are expected to battle for laurels as uncrowned champion and at least a half-dozen Jenison fieldhouse standards may tumble tonight when a record field of 150 performers from 11 colleges enters the 23rd renewal of the Michigan State college indoor track and field carnival.

Other entries include Ohio State, Indiana, Michigan State, Western Michigan, Michigan Normal, Central Michigan, Albion, Kalamazoo college and Loyola of Chicago.

No formal team champion will be determined as none of the events are to be scored, but keen competition is expected throughout the 19-event program between the Irish and Wolverines, each bringing 30-man squads. It will be the first full-fledged appearance for Michigan and a carnival debut for Notre Dame, Ohio State, Indiana and Loyola.

The fur will fly thiest between the Irish and Wolverines in the distance events and relay races, in which Michigan will feature such sterling jockers as Dave Matthews, Bob Ufer, John Foxborough, Jim Spears and Ross and Bob Hume against Notre Dame's strong array of Oliver Hunter, Tony Maloney, Gene Fehlig, Bill Kelly, Bob Crowley and Don Currie.

Michigan State will be without the services of quarter-miler Lloyd Whetter, who was sent to the College hospital Thursday, reported stricken with pneumonia. This will ruin any chances of Michigan State in the distance medley relay and the mile relay, both races depending on good quarter milers.

Ohio State will send a small but select squad which may bob up with a surprising number of fists. Dallas Dupre, who holds the fieldhouse broad jump record of 24 feet, 1 1/4 inches, looms as a possible triple winner for the Buckeyes in the 75-yard dash, the low hurdles and the broad jump. In Russ Owen, Ohio State has the Big Ten outdoor quarter-mile champion, whose appearance against Michigan's Ufer in a special 300-yard race will be one of the features of the evening. Ufer is the Big Ten indoor 440 champion.

Have Three Postal Matches

The Michigan State rifle team will take on three teams next week in "mail" matches.

The rifle matches range from Maine to Alaska as the State men take on those respective universities. Also coming up next week is what usually proves to be the toughest competition of the year in the shape of the "straight shooting" University of Kentucky "Mountaineers."

Jack Cawood, Soph Star, Breaks Precedent by Leading Scorers

It used to be that Michigan State's basketball high scorer would be from Indiana, said by many to be the heart of basketball. However, the custom seems to have been broken with the consistent high-point scoring of Sophomore Jack Cawood, a product of Lansing Eastern high school.

Spartan Matmen Meet Ohio State at 4 p.m. Today

In their second match against Big Ten teams in four days, the Spartan wrestlers will tackle Ohio State on the fieldhouse mat today at 4 p. m. after dropping a close contest to Michigan, 16 to 14 Wednesday night.

Coach Fendley Collins is still shuffling his lineup in the middleweight divisions and is uncertain of the 136, 145 and 155 pound representatives for today's match. Co-captain Bo Jennings and Iggy Konrad will handle the first two weights with Konrad slated to wrestle 145 pounds according to present plans.

In the 155 pound division, Bill Ross and John Marrs drew in the ranking match held yesterday leaving the choice in Coach Collins' hands. However, Collins indicated that Bill Maxwell may wrestle the 155-pound bout if he recovers sufficiently from a cold that has bothered the lanky Oklahoman during the past week.

Herb Thompson will handle the 121 pound class with Co-captain Cut Jennings continuing at his 128-pound berth. Jennings has pinned every opponent so far this season and has a decided lead on the high point race for the Jacob trophy.

Jack Lott defeated Mike Hathaway in a 175 pound tryout bout Tuesday and will wrestle in that division against the Buckeyes this afternoon. Burl Boring is the Spartan representative at 165 pounds and Mike Dendrinis will continue at heavyweight.

Little is known of Coach Al Montenero's Buckeye team since the squad is made up largely of new men this year. Ohio State took a 20 to 8 licking from Michigan earlier in the season giving the Spartans a decided edge on the dope sheet.

The Spartan freshman grapplers will meet the tusslers from Lapeer high school in a preliminary match before the varsity and Ohio State contest. The yearling match will begin at 2 p. m.

All season Cawood's work has been exceptionally good considering the fact he is playing his first year of collegiate ball. His most recent showing in Thursday's Great Lakes tilt definitely stamped him as a really great Spartan scorer.

During the Sailor game Cawood tallied 17 points against the nation's best competition. He constantly grabbed rebounds under both baskets. Few players have been able to score that many tallies this year while facing the Bluejackets.

Standing 6 feet, 3 inches and possessing a great deal of spring in his long legs, Cawood has an ideal build for a basketball player. He is left-handed, but also can shoot from the other side. Tip-ins are one of the Cawood specialties and a great percentage of his field goals each game comes on this type shot.

Proof of his potent offensive ability is Cawood's No. 1 position among Spartan scorers. To date the Lansing lad has 93 points to his credit, 12 better than Ollie White who holds second place.

Individual scoring up to and including the Great Lakes game is as follows:

	FG	FT	TP
Cawood, J.	18	17	93
White, O.	14	15	81
Pjesky, J. G.	21	16	24
Stone, C.	12	17	51
Dehl, J.	20	7	47
Petroski, J. C.	16	12	43
Hathaway	16	6	38
May, J.	11	4	25
Peppier, G.	7	8	22
Kowalski	4	1	11
Jacobs, J.	1	7	3
Patone	1	1	3

The Spartans, still in search of their third win of the season, will entertain Marquette Monday night on the Jenison fieldhouse court. In an earlier meeting at Milwaukee the Hilltoppers beat State.

Greek Week Activities Mark Mid-Point of Social Season

By BARBARA DENNISON

The winter term social season clicked off the halfway mark last night with the IFC-PanHellenic ball held in College auditorium. The modern Greeks staged their annual formal dance, which featured Stan Kenton and his orchestra.

IFC President Doug Reeve escorted Joan Dunfee, L.A. '45, who wore a gown of white taffeta trimmed with rhinestones.

Patty Reddy, PanHellenic president, was the guest of Larry Hardy, L.A. '43. Miss Reddy's formal was of cream colored faille highlighted by panels in shades of burnt copper, orange and brown.

In concluding a week of Greek activities, radio parties are being held tonight at the following fraternity houses: Theta Chi, Delta Sigma Phi, Phi Delta Theta, Sigma Chi, Alpha Gamma Rho, Phi Kappa Tau and Sigma Nu. Reversing her statement to the State News Wednesday, Miss Reddy said no radio parties will be held at sorority houses this week-end.

Co-ops Entertain

Women's cooperative houses held their term dance in the Union ballroom last night. Chairman Donna McLaughlin, who wore black taffeta, was with Bob McLaughlin, L.A. '43.

Completing last night's list of parties, the Lutheran Student club had an informal party, planned by Grace Nelson, L.A. '45.

Topping the list of dances scheduled for this evening is the combined term party of Lambda Chi Alpha and Kappa Sigma fraternities.

Frairs to Dance

Bob Clark, in charge of the Lambda Chi arrangements, will have Pat Fisher, H.E. '45, as his guest. She will wear a gown with black velvet bodice and plaid taffeta skirt. Kappa Sigma General Chairman Bill Gotshall will escort Jeanne Moffet, L.A. '44.

Radio to Play

Alpha Epsilon Pi men will also hold their term party tonight. General Chairman Herman Birnbaum will have Agatha Miller of the University of Michigan as his guest.

Another weekly radio party is being held in Mason hall tonight and Dick Jodry will escort Aletta Hood. The music will be broadcast to the dancers over the dorm radio.

One sleigh ride is scheduled for tonight, by the women of Alpha Gamma Delta. Beth Longergan, in charge of arrangements, will attend with Ed Cavanaugh, Ag. '43.

Light RAF Planes Bomb Germany in Daytime Raids

LONDON, Feb. 12 (AP)—Swift British Mosquito bombers struck at northwest Germany this afternoon, rounding out a full day of varied attack on German war installations and communications stretching from Wilhelmshaven through Holland and Belgium to northern France.

The official report did not name the chief target of the daylight attacks but the designation of northwestern Germany suggested that the bombers returned to the U-boat center of Wilhelmshaven, which was blasted by showers of blockbusters during a heavy preceding night raid.

The whole night and day round of operations, which apparently involved several hundred warplanes, cost the RAF only three bombers and one fighter by official count.

Other attacks on the strained German rail system were made by Whirlwind fighter-bombers which shot up or bombed seven trains in Belgium.

HANNAH

said that third term preveterinary students in good standing will be admitted to vet school.

When mass induction of reserves begins, Hannah said, engineers, mathematics, chemistry, physics and psychology majors "with something between their ears" will "probably" be sent back to school after they have taken their screening tests.

Hannah emphasized that all these plans were based on present information and subject to change at any time.

Cleans Up on Japs in Pacific

The American submarine Wahoo, with a broom attached to its periscope to indicate a clean sweep and with a pennant of eight Jap flags fluttering beneath to denote a bag of two combat ships and six auxiliaries, arrives at a Pacific base. The broom was a token of the complete wiping out of a Jap convoy which included a fully loaded transport.

idea that if we win this war, Russia, England, China and the United States are going to get into a cat-and-dog fight."

With this, he paid a tribute to the "overwhelming courage and endurance" of the Russian armies, the genius of Premier Stalin, and added:

"The tragedy of the war has sharpened the vision of the leadership and peoples of all the United Nations and I can say to you from my own full knowledge that they see the utter necessity of our standing together after the war to secure a peace based on principles of permanence."

College Athletics Out for Soldiers. Bachman Says

WASHINGTON, Feb. 12 (AP)—Soldiers enrolled in army specialized training courses will not participate in college athletics, officials said tonight. Although definite orders to that effect have not yet been issued.

It all boils down, directors of the training program say, to a question of time—or rather lack of time.

They explain that under the intensification of training necessary to speed into service thousands of young men trained in highly technical skills, each man will have a week schedule of 60 hours for each week in college.

"Take the case of a runner or a football player who requires much seasoning and conditioning which involves a great expenditure of time. He simply can't do it due to lack of time," said Col. Herman Bachman, director of the training program.

Brig. Gen. Joe N. Dugan, assistant chief of staff for personnel, services of supply, added: "We are not sending these men there to participate in college athletics."

Choir to Sing in Lansing

The college choir, under the direction of William B. Kimmel, will take part in an all-Lansing community sing to be held at the First Baptist church in Lansing, Sunday, February 21.

No Clothes Rationing for Present, Nelson Stresses

WASHINGTON, Feb. 12 (AP)—Donald M. Nelson, chairman of the War Production board emphasized today that there was no plan and no need for the rationing of clothing at present.

A War Manpower commission estimate of the number of men needed by war plants and the armed forces led Nelson to forecast recently that clothing rationing would be necessary if the estimate were correct, but

he stressed today that he did not accept the estimate.

In his recent testimony before a senate committee he discussed the drain on civilian industries of an estimated 4,300,000 military inductions and 1,800,000 recruitments for war plants and said business casualties would be inevitable and more rationing would be required even where materials were available.

"We will have to reduce the amount of clothing produced

and it will mean rationing of clothing without question, even beyond the question of the amount of material which could be spared," Nelson said at the closed committee hearing Feb. 5.

Belle-Sharmeer Rayons

... the Valentine gift

that fits her legs ... wins her heart

We'll gladly chart* her legs for you ... make sure her lovely Belle-Sharmeer Stockings fit the curves of her legs as well as their length. All Belle-Sharmeer Rayons give her the extra wear, the extra flattery of accurate leg size fit. Even more welcome if you give her two pairs—one to wear while the other dries thoroughly. In *Brev* for small legs, *Modite* for middlings, *Duchess* for tall, full legs. Here exclusively.

*On Our Special Belle-Sharmeer Leg Size Chart!
