German Defense Position to Dnieper Crumbles;
Large Numbers of Enemy Troops Killed
or Captured in Red Victory

SCOW, Feb. 16 (AP)—Red army troops stormed Kharkov today in a vicious assault, seizing that sky-city of the Ukraine to wrest from the Germans their greatest fortified base in southern Russia and imperil all Hitler's troops east of the Dnieper river.

Capture of the industrial center and former capital of the Ukraine—which probably was more valuable to the Germans than any other Russian city they have taken—was announced in a special communiqué.

All the Nazi forces in the Donets river basin to the south now seem to be in an almost indefensible position, for the Soviets can sweep down to encircle them, and the Germans apparently must yield all the territory along the northern coast of the Sea of Azov and perhaps the Crimea as well.

By Russian estimate, the capture of Kharkov had cost the Germans 120,000 troops killed or wounded. The Soviets tried in vain to take the city last year with attacks between January and June, but were each time driven off.

By Russian account, the Ger-

Heavy Frosh Vote May Follow High Turn-out in Primaries

By Barbara Hafford

Greater interest is expected to be shown for final freshman elections which will be held today from 9 a. m. to 6 p. m. in the lower lounge of the Union. Elections Chairman Bud Fenton predicted.

The elections follow last week's primaries, which more than doubled the voting total of a year ago:

For President

Presidential candidates are Richard Hardman, Sigma Chi, and Pete Navarre, independent. Hardman's high school record shows that he was a Hi-Y member and played football besides taking part in dramatics.

Navarre was president of the senior class at Monroe, and also found time for football, track, cross-country and dramatics.

For Vice-President

Doris Zens, Kappa Kappa Gamma from Grosse Pointe, and Dorothy LaMont, Alpha Chi Omega from Royal Oak, will compete for vice-president. Miss Zens held the office of vice-president of her high school junior and senior classes and took an active part in athletics and dramatics.

Miss LaMont also belonged to her high school dramatics society. Besides working on the school paper she belonged to the "student senate" and a girls' honorary society.

For Secretary

Jean Ross, Kappa Alpha Theta from Grosse Pointe, and Betty Lou Harris, independent from Lansing, will vie for the position as secretary. Miss Ross held secretarial positions in her home room and took part in dramatics and intramural athletics.

Miss Harris was secretary of the National Honor society, vice-

17 to 2 Jap Losses High in 10-Day Action Off Solomons

WASHINGTON, Feb. 16 (AP)—Sea-air actions spread over a 10-day period cost the Japanese 17 ships sunk or damaged against the loss of two American vessels, the navy reported today in communiques which finally fathomed the mystery of the recent "vanishing battle" of the Solomons.

The American ships lost were the 12-year-old Chicago, 9,050-ton heavy cruiser, and an unidentified destroyer, the name of which was not given out because the next of kin of all casualties have not yet been notified. American losses also included 22 planes, while at least 63 Jap planes were destroyed.

In the same 10-day period covered by the communiques beginning Jan. 29, American troops were smashing all enemy resistance on Guadalcanal itself.

Aerial torpedoes from Jap planes first damaged the Chicago and the next day, while she was being towed to port, another torpedo plane attack sank her. The skipper, Capt. Ralph Otis Davis, 52, of Baltimore, Md., and most of the crew survived.

The Japanese losses in the 10-day period were two destroyers sunk, eight damaged and a corvette and two cargo ships damaged.

ROTC Men to Teach Soldiers Next Term

Seniors Will Get Private's Pay

Seniors in advanced ROTC will be put on active duty next term, and will be used as assistant instructors to the incoming soldiers and air force cadets, Col. Dorsey R. Rodney, P. M. S. and T., announced yesterday.

Speaker Stresses War Importance of Australia

Australia is the only place in the south Pacific in the possession of the Allies which is suitable for a base for sustained aggressive action, Linda Littlejohn told an audience of about 1,000 persons last night when she spoke on the Lecture series in College auditorium.

She outlined Australia's extreme importance by pointing out that country alone has the essentials for such a base: raw materials, munitions factories, unlimited food supply, and good climate suitable for land and air training.

Mrs. Littlejohn hastened to add "not that we're not glad you're there—we're intensely glad."

Warning against undue optimism she pointed out that although Guadalcanal has been taken "it is less than a sand on the seas."

"Routing the Japs little by little in this way would take 500 years to win this war," she declared.

The ROTC students will receive privates' pay, \$50 per month, food, medical care, and will be quartered on the campus, either in dormitories or fraternity houses, and will be under military discipline.

It is probable, Colonel Rodney pointed out, that ROTC seniors will be issued private's uniforms.

"However, they will keep their advanced uniforms for use upon completion of training at the army service school and subsequent commissioning as second lieutenants," Colonel Rodney added.

The ROTC seniors will stay in school until graduation in June when they go to army service schools as previously planned.

Naval Meeting Open to 17-18 Year Olds

There will be a meeting of all men students who are 17 years of age and have not reached their 18th birthday at 7:30 p. m. today in 111 Union annex.

The meeting will explain the apprentice seaman V-5 plan.

DZV Victory Queen Contest Aims to Push Stamp Sales Over \$5,000

By DAVE EAST

Seventeen prospective "queens" from the ranks of Spartan coeds have been nominated to DZV's Victory Queen contest, being launched today to promote the sale of War stamps and bonds on campus.

A huge poster bearing the portraits of the candidates is scheduled to go on display this morning near the PanHel-DZV defense booth in the upper deck of the Union. Voting is open to anyone purchasing any amount of War stamps or bonds at the booth.

Total Will Count

Winner of the contest will be decided on the basis of total amounts in defense certificates entered for each woman, rather than the number of stamps or bonds.

The two-week contest will be climaxed at the State-Notre Dame basketball game, Feb. 27, when the winner will be awarded the DZV key on a necklace, and an honorary membership in the brotherhood. Two women will also be chosen for honorable mention in the contest.

List Candidates

According to DZV Ed Kitchen, chairman of the contest, the defense booth, in its fourth week of existence, has amassed well over \$2,000 in stamp and bond sales. During the contest DZV will aim at pushing the total over \$5,000.

Victory Queen candidates include Virginia Lee Lannin, H. E.

Gandhi Weakens After Seven Days of Fast

NEW DELHI, Feb. 16 (AP)—Mohandas K. Gandhi, in the seventh day of his scheduled three-weeks fast, was growing constantly weaker today and there was anxiety among his followers that death might claim the frail little Indian leader this time.

Gandhi began his fast last Wednesday in protest against the refusal of the viceroy, Lord Linlithgow, to give him his unconditional release from the palace-prison of the Aga Kahn six months ago. He drinks only citrus juices and water.

FOR THE first time in ages it is going to be possible for us to give you a little inside news... in the past news about serenades has not been in the column until it was all over, but the Kappa Sigs have condescended to let it out.

Two women are coming up from Rochester, N. Y., this weekend and the boys are going to take advantage of the situation and serenade them... Florence Reidenbach who is pinned to Rod Perry and Dorothy Barry who is pinned to Bill Jewsbury are to be on the listening end of a serenade this Saturday night.

To carry on with news of pins Carol Guettler, AOPi, is now wearing the Lambda Chi pin of John Tesner... another senior at the ATO house has succumbed and, as a result, he no longer is wearing his pin... the lad lowering the average of seniors who have managed to keep their pins on their own sweaters is Bud "Fatty" Wilson, and Jean Adams is the lucky coed.

Barbara Rickerd, Delta Zeta, is sporting the AGR pin of Arthur Pope... Art graduated last year and is taking graduate work at the University of Wisconsin.

Last weekend was a very appropriate one for the giving of rings... you know, Valentine's day and all that sort of thing... as far as we know only two of the boys took advantage of the opportunity... Howard Welch, Hesperian, gave a ring to Josephine Massey some time over the weekend.

Jack Smith of Alpha couldn't wait until Valentine's day to give Mary Jane Kleaver, Alpha Phi, a beautiful diamond... he broke down Friday night... Jini Taylor, Delta Zeta, has taken the big step... she was married to Gordon Smith last Sunday.

Saturday night the AOPis are

New Delta Chi initiates include Tom Monroe, Bob Asher, Jim Colville, Jim Reynolds, Tom Paton, George Thomas, Bert Schimpke, Bob Vigstedt and Jack Kauszler.

LETTERS

To the Editor

DEAR Sir:
Something out of the ordinary—although not without precedent—took place last week in the freshmen primaries. An unaffiliated candidate for president, running against two members of the supposedly invincible Greek bloc, not only sent himself into the finals, but ran up a greater total than any of the other candidates.

The unusually large vote may have been a contributing factor, for when 540 freshmen go to the polls it is obvious that the large majority of them are independents.

Perhaps another factor was that the bloc candidates failed to win complete support from even the Greeks, for the way fraternity and sorority members vote is their own business, despite the fact they are "honor-bound" to vote straight bloc.

In any event, it will be interesting to see the outcome of today's final election.

Perhaps the Greeks will be traditionally successful in the final count, or maybe this year's election will be an upset.

AN INTERESTED FRESHMAN

THINKIN' OUT LOUD

By Sheldon Moyer

ALTHOUGH it's against all the laws of human nature, we're going to make a big, bold suggestion today, namely, that everybody keep still when he doesn't know what he's talking about.

We realize this will be difficult for many persons, but it would unquestionably be a great service to this college community.

At any rate, we would like to start today, on Feb. 17, and continue until March 17, the opening day of final examinations, to have a "No Rumors Month."

The principal idea behind this fiscal month would be to try to discount every story or report that is passed on to you.

Instead of looking for somebody else to tell what you know, the first thing a person should do is ask, "Who said so, and what does he or she know about?"

In the majority of cases, such a challenging reply will bring out the revelation that "they just heard it somewhere," "it was on the radio, but they're not quite sure how it was worded," or "they were talking about it at the Idle Hour club meeting."

Faculty members probably are as guilty as students in getting these rumors started. We realize that it's only human nature when you think you know something. But faculty members are supposed to be mature and responsible enough to restrain themselves in a case like this.

Therefore, we're also suggesting that before you tell somebody something, ask yourself, "How much do I actually know about this?" How much of it is opinion, how much of it is a logical possibility, and how much is reality?

Since last fall the "rumor factory" has closed Michigan State college approximately four times, has called the enlisted reserve corps a half dozen times, turned the women students out of the dormitories twice and shortened winter term at least once.

And never in any case, was there any substantial basis or official action to start these rumors. Always it was a case of idle gossip, stretching the imagination, "logical" preclusion, or just plain vicious rumor.

Such foolishness will never strengthen student morale in this day and age. It only saps the hope and strength from the student body.

So let's try and live the next fiscal month around here in peace of mind and cautiousness of what we say. Remember, Feb. 17 to March 17 is "No Rumors Month!"

WE'RE at least going to start out with Abbot hall again today. Our first man is Herman Struck, '41 from Flint. Struck is serving with a medical detachment in North Africa. His old roommate in Abbot, Ensign Kenny McLean, Theta Chi, is stationed with the naval air corps at Pensacola, Fla.

Where they are stationed will be news to us, but we do know that the following men are in the AAF: Lewis Crandall, Norwich, N. Y.; Bill Elmers, Pleasant Pidge; Dick Graham, Lapeer; Pete Kollins, Detroit; Frank Overton and Bob Young, Grosse Ile, and Lurty "Bud" Reid, also of Pleasant Ridge.

Dick Harley and Art Clifton, Detroit, have gone on active duty with the army, as have Paul Distelhorst, Cleveland, Ohio; Gene Campbell, Royal Oak; Bob McDonald, Merrill, and Murray Foster, Romeo. George Moser, Richmond, is at Camp San Luis Obispo, Calif.

Into army meteorology school have gone several Abbot men. Homer Nichols, Bay City, is tak-

Newton Standout on 'S' Tank Crew

By CHUCK BIGELOW

Leaving East Lansing tomorrow will be the Michigan State swimming team for its two-meet western trip. Both affairs will be against the Iowa State tankers since Nebraska and Illinois originally scheduled for the trip having cancelled their meets.

Unless Coach Charlie McCaffrey can muster another meet the Iowa State races will be the last for Capt. Harold Heffernan, Larry Luoto and Ralph Newton, who are seniors.

This year Newton has had his best season. His 1943 times mark him as one of the best sprint men in Spartan pool history. He has also shown promise as a middle-distance swimmer breaking the 220 varsity free style record in practice, but his speed in the 50 and 100 yard free style make him more valuable in the later events. (Collegiate rules permit a man to swim in only two races and a relay in each meet.)

Like Harry Holiday, U. of M. ace, Newton learned to swim at a Y. M. C. A. summer camp and later became an instructor at a northern Michigan resort. He is in the naval reserve and expects to graduate before being called into the service.

In view of his swimming achievements and driving spirit Newton seems the likely choice for the Porpoise fraternity most valuable swimmer award.

'S' Wrestlers Set for Trip to Westlands

Iowa State Grapplers Replace Nebraska U. on Three-Meet Trip

Iowa State Teachers college have been substituted for the Nebraska team on the Spartan grapplers western road, jaunt this week-end, Coach Freddie Collins announced yesterday.

Nebraska was scheduled to follow the Iowa State match on Friday with the State matmen meeting the Cornhuskers in Lincoln on Saturday. During the past two weeks the Nebraska team cancelled the match with Collins' team and also a swimming meet with Coach McCaffrey's splashes to have been held on the same night.

Acceptance Is Received

Acceptance of the Iowa State State Teachers outfit to the Spartan's bid for a second match came through over the week-end, Collins said.

Collins will send his squad out against the Iowa State team in Ames on Friday and move on to the teachers college for the second fray on the next day.

Maxwell Is Back

Bill Maxwell is slated to be back in the line-up for the western trip but probably will go into the matches as a 155-pounder instead of at his usual 145 pound weight. Iggy Konrad will take over 136-pounds with co-captain Bo Jennings wrestling 145.

Cut Jennings has run up an impressive record in his matches so far this season pinning every opponent. All of his falls have occurred in quick time with only one bout going into the second round.

Burl Boring made quite a come-back in his second try against his Michigan opponent. Boring lost a fall to the Wolverine 165-pounder in the match here early in the season.

Theta Chi Six Takes Close Ice Battle, 1-0

The Theta Chi sextet of the intramural hockey league edged by the Aces, 1 to 0, yesterday in the renewal of play in the ice loop after no action for a week because of poor ice. Bob Laux scored the only goal of the afternoon's action to break up a close defensive battle.

Today at 5 p. m. the Sigma Nus and Hesperians, both unbeaten in league competition, will clash on College rink.

IOWA CITY, Ia., Feb. 16 (AP)—Jim Harris has been appointed "acting" head football coach at the University of Iowa to succeed Major Eddie Anderson, Director of Athletics E. G. Schroeder announced today.

Whetter in Hospital With Pneumonia as State Readies for Illinois Meet

The Michigan State cinder squad meets Illinois Saturday at 7 p. m. in Jenison fieldhouse, hoping to avenge last year's meet in which Coach Karl Schlade-man's charges took a 67 to 37 drubbing.

The Spartans will be handicapped by the loss of Lloyd Whetter, sophomore 440 man from Detroit. Schlade-man was expecting a good deal this year from Whetter, who was confined to the College hospital last Friday with a bad case of pneumonia.

Whetter seems to get all the hard luck intended for the track team. Last spring when Lloyd was just beginning to go places, he was seriously hurt when hit by a shot put and forced out of competition for the rest of the year. Now Whetter who holds the freshman indoor and outdoor records for the 440-yard event, already has missed the annual Track Carnival and will be out for at least two more weeks.

The Spartans showed a big improvement in the carnival held here last Saturday over their previous performances. Although they made no impressive showing in places won, the times were considerably better and the competition stiffer.

So far this season the Illinois

track team has made impressive showings. In a dual meet with Indiana the Champaign cinder-men emerged the victors with a 66 to 38 score. They amassed a total of 88 points in a triangular meet with Minnesota and Chicago who chalked up 20½ and 18½ points respectively.

All State has to show for their efforts so far this season year is a 73-36 defeat at the hands of Ohio State and a 65-39 loss to the Wolverine crew.

AGR Quintet Takes Sigma Chis, 16-14

Alpha Gamma Rho captured its basketball block title last night by dropping Sigma Chi, 16-14, in a closely contested battle. Both teams were previously undefeated.

George Steuwer, AGR forward, hit the meshes in the last 30 seconds of play to chalk up the winning tally. Fred Zieman and Steuwer each dropped in seven points for the winners to take scoring honors. Elmer Holtenbeck paced the losers with five.

In an overtime tilt, Farm-House defeated the Phi Kappa Tau five, 19-18. The contest was a nip and tuck affair all the way. Al VanDyke led the victors with a total of six points.

Bruce MacArthur netted eight points as the Hesperian squad downed the AEPis 20-17. The Hespies held the losers to four points in the second half.

The Sigma Nus rolled over the Sigma Chi quintet to take a 29 to 19 victory. Jack Gale led the scoring when he chalked up 11 points for the winners. The Delta Chis, paced by Fred Kohlmeier with eight points, defeated the ATO five in a lopsided tilt 19 to 3. The SAEs captured their block title, winning from the Pi Kappa Phis by virtue of a forfeit.

American Tanks Drive Nazis Back Six Miles in Tunisia

ALLIED HDQ. IN NORTH AFRICA, Feb. 16 (AP)—American tank forces and combat teams, rising to their first great test of the war, threw back the veteran armored forces of Marshal Erwin Rommel six miles today in a counter-attack west of Faïd pass on the ancient plateau of central Tunisia.

Recovering from the shock of Rommel's first onslaught which broke through their lines for a gain of 20 miles Sunday, the Americans, under an umbrella of fighter planes, were engaged in a heavy action which might hasten the North African showdown by weeks.

Fall Back in South

Some 60 miles to the south, the Allied lines were bent back as American and French troops withdrew from Gafsa, 75 miles west of the gulf of Gabes, and small forces of the enemy occupied that forward base, but the decisive action was being fought around Sidi Bouzid about 125 miles south and slightly west of Tunis.

There were signs that the Germans might renew the attack with an additional thrust down the Ousseltia valley to gain the long ridge of the high mountains running from Robaa to Bou Chebka in the south.

Visits Front

General Dwight D. Eisenhower was at the fighting front for three days, returning to his headquarters today.

(A Berlin broadcast, quoting "competent military quarters" said German and Italian forces had "by no means started an offensive" in Tunisia. The operations were termed of only local significance.)

College women interested in joining the Women's Army Auxiliary corps can find information and advice by seeing Mrs. Lucia Nesom, in her office, 247 auditorium.

"Michigan has a quota of 3,000 to be met by spring, and we are anxious for Michigan State to help fill that requirement," Mrs. Nesom explained. Although the application blanks

for enlistment have not arrived, there is information about the necessary requirements and possible courses for spring term. Recommended are classes in first aid, nutrition and personal hygiene.

Mrs. Nesom emphasized that senior women particularly are urged to finish out the school year and thus be better prepared for service in the WAAC.

War Problems of India to Be Discussion Topic

The problems of India now and in a post-war world will constitute the topic for discussion at the International Relations club meeting today at 7:30 p. m. in the sunporch of the Union, according to Hans Leonhardt, faculty sponsor.

Leonhardt stated that all interested students and faculty members are invited to participate in the forum discussion at tonight's meeting. Lois Hyle, L. A. '43, newly elected president, is in charge of the meeting.

Nelson Ousts Eberstadt in Production Shakeup

WASHINGTON, Feb. 16 (AP)—A tense struggle in the War Production Board culminated today when WPB Chairman Donald M. Nelson ousted Vice-Chairman Ferdinand Eberstadt and handed Eberstadt's powers in toto over to Charles E. Wilson.

Wilson, a production specialist and former president of General Electric company, was stepped up from vice-chairman to executive vice-chairman—of WPB, answerable only to Nelson.

How about a CAREER on the CIVILIAN FRONT?

As a student, you've doubtless asked yourself many times what you ought to do to help win this war. What can you study that will be of practical assistance?

The Retail Bureau at the University of Pittsburgh is offering a new opportunity to college upperclassmen to be trained for a successful career in retailing while gaining actual working experience at a steady weekly salary. You will receive regular undergraduate credit for your work at the Bureau, you'll earn a weekly income in a Pittsburgh department store, you'll be making a definite contribution to civilian wartime morale—at the same time piling up experience toward a career.

Pitt's Retail Bureau came into being during World War I to help retailers replace executives and junior executives lost to the armed forces and government services. In this war, we're bringing 24 years of successful store service to the problem of training new people. And we believe opportunities in retailing have never been greater than they are right now.

NEW SEMESTERS BEGIN MONDAY,
JUNE 25, AND SEPTEMBER 27, 1943

Application blanks will be furnished on request.

WAR WON'T WAIT

THAT'S WHY WAR CALLS MUST HAVE THE *Right-of-Way*

It requires many millions of telephone calls to wage this war . . . and those important war messages must get through promptly.

By limiting your use of Long Distance, especially to points outside of Michigan . . . calling only when it really is necessary . . . and by making *all* your calls brief, you help keep telephone wires and switchboards clear for the Nation's vital war-use.
