U. S. British Troops Clear Enemy Forces From Kasserine Pass

LONDON, Feb. 26 (AP)—The British eighth army was reported by Reuters tonight to have penetrated to the precipitous, rock-strewn gorge of the Wadi Zizau which forms a part of the Mareth line defense system.

ALLIED HDQ. IN NORTH AFRICA, Feb. 26 (AP)—American and British troops striking out beyond recaptured Kasserine pass were carrying forward a general advance today, smashing at retreating Axis columns which were headed back toward Gafsa, 75 miles southeast of the farthest westward penetration made by Marshal Rommel in his broken offensive to the west.

Northeast of the Kasserine, other Allied forces had advanced

Impressions of An Examinee

(Editor's note: Following appears the impression of a typical senior who took the Graduate Record examination Thursday and Friday.)

Even the seals left a bad taste on my mouth . . . never felt so dumb before . . . it was a breeze, which swiftly turned into a gale . . . who in hell was Don Quixote's horse? I left wondering . . . what I done with my four years here? . . . It takes a F. P. Spartan V Queen Will Be Revealed at Game Tonight

An impressive coronation ceremony will take the spotlight tonight at halftime period of the Notre Dame basketball game when DZV brotherhood presents the winner of its Victory Queen contest with an honorary membership, climaxing 10 days of concentrated war stamp and bond selling.

The contest, which opened Feb. 17, and will continue up until noon today, was launched to push stamp and bond sales over the \$5,000 mark. To date sales at the upper deck defense booth are well over \$6,500, and it is hoped that a \$7,000 total will be reached by the close of competition today.

Names of 18 Spartan cogs were submitted as contestants and the winner will be decided on the basis of total amount of stamps and bonds sold under her name.

In addition to the honorary membership, the queen will be awarded the DZV key on a necklace. Two women will also be given honorable mention ratings, as a result of war certificates entered for them.

Russian Advance Continues Along Central Front

MOSCOW, Feb. 26 (AP)—Russian troops advanced steadily today through the deep snow fields west of Kharkov and north of Kursk, shattered wave after wave of German counterattacks in the thawing Donets basin and captured a district center and railway station northeast of Novorossisk.

The noon communique listing these gains also drew a scene of hardened German resistance southwest of Voroshilovgrad and Kramatorsk and in the area west of Rostov where the Soviets are beating along to sea of Azov toward Taganrog.

(The Germans said the Russians were advancing west of the Kharkov-Kursk line and attacking heavily north and south of Orel. South of Lake Ilmen in the Leningrad sector, the Russians were said to have extended their "powerful attacks to other front districts with an overwhelming number of infantry and tank formations.")

Manpower Quota Overdrawn, Senate Committee Charges

WASHINGTON, Feb. 26 (AP)—

An estimate that American working and fighting forces must total 62,500,000—nearly half the population of all ages—by the end of 1943 led a senate committee to the conclusion today that the nation's "personnel bank account" appears overdrawn by "several million men."

After questioning of Chairman Paul V. McNutt of the War Manpower commission and Chairman Donald M. Nelson of the War Production board, Senator Thomas (D-Okla.) asserted it appeared "we ought to consider reorganization of the civilian population to do the job on all the fronts."

Chairman Bankhead (D-Ala.) of the senate committee asserted the figures as to 1943 needs "simply failed to give" with the amount of manpower available.

Bankhead said Wickard would be called Monday in an effort to clarify what the senator called conflicting figures.

The estimate of 62,500,000 in the armed services and the working forces came from McNutt who said the 1942 total was 59,800,000.

Asked where he intended to find the 2,700,000 additional workers, he replied:

"They just have to be found; that is all."

UNDER THE WIRE

WASHINGTON, Feb. 26 (AP)—

A forthcoming price increase in soft wheat flour raised the likely prospect tonight that housewives in the east, south and midwest may have to pay more for bakery products such as cakes, cookies and crackers.

ALLIED HDQ. IN AUSTRALIA, Saturday, Feb. 27 (AP)—A Jap merchant vessel has been bombed and damaged off the New Guinea coast, the Allied high command announced today.

The bombers also delivered a big attack on the Wewak airdrome.

Still another heavy blow was dealt Gasmata, New Britain, where two waves of Allied planes "bombed the airdrome runway and dispersal areas, dropping 10 tons of bombs, causing wide damage."

Senior to Give Recital

Murray Present, L. A. '43, will present his senior piano recital Friday, March 5, at 8 p. m. in the Music auditorium. The recital is a requirement for a B. M. degree. Present is a student of Prof. Frank Mannheimer.

Congress Acts to Halt Labor Difficulties

WASHINGTON, Feb. 26 (AP)—Action to stop absenteeism and fresh demands to curb strikes developed in congress today following a work stoppage at a Flying Fortress factory and production tieups in other vital war plants.

1 Senator Connally (D-Tex.) announced he would introduce Monday a bill authorizing the government to take over any war plant where production is interrupted by a "labor disturbance or any other cause."

2 Rep. Patman (D-Tex.) moved to force a speedy house vote on his bill outlawing conspiracies "for the purpose of preventing, stopping, hindering, delaying or interrupting any work or service necessary to the national defense program."

3 The house rules committee approved for action on the floor, probably Monday, a bill by Rep. Lyndon Johnson (D-Tex.) administration supporter, requiring navy yards to report to draft boards every three months the names of all employees absent without cause. Johnson said he had introduced another measure applying the same provisions to all war workers.

"When I see men like Mr. Johnson, so close to the throne as I know him to be, sponsoring legislation like this, I take heart," observed Representative Cox (D-Ga.) of the committee.

Interfraternity Sing Entrance Deadline Listed for Monday

Entries for the sixth annual Interfraternity sing must be in by 5 p. m. Monday, according to Earl Reed, chairman.

The sing is scheduled for Wednesday, March 10, at 7:30 p. m. in College auditorium. This year rather than on its traditional May date due to the recommendation of Interfraternity council.

The sing is sponsored by Alpha Phi Omega, national service fraternity, which awards a trophy to the fraternity placing first.

Rules state each fraternity is required to sing one fraternity and one harmony song and should not exceed eight minutes.

Should Await Call; Army to Take 50 Per Day at Custer

Unless advised to the contrary in the near future, Michigan State college men in the Enlisted Reserve corps are not to register for spring term and are requested to remain at home until they receive their orders to report for active duty, it was announced yesterday.

The announcement that ERC students should not return to school next term came from Col. Dorsey R. Rodney, PMS&T, who said that only about 50 men a day could be inducted at Fort Custer, but that about 200 men a day could be processed if other induction centers also were used.

The announcement that ERC students, other than those in Veterinary Medicine and senior ROTC, need not see their advisors about next term's class schedule came from the registrar's office.

For other details about registration next term see the notice on page 4 of today's State News.

Seniors Will Receive Exam Grades Before Close of This Term

Men and women who took the graduate record examination yesterday and Thursday will be informed of their grades before the end of the term, possibly in two weeks, Prof. Paul Dressel, orientations chairman who was in charge of the test, said yesterday.

Over 450 seniors wrote the two-day, eight hour examination. Liberal Arts seniors with a few exceptions, were required to take the test, but several students from other divisions chose to take the examination. Ninety-three senior engineering students and almost 50 in both home economics and chemistry also took the test by choice.

Results from the test may be used to aid men going into the armed services—or as credit for graduation if they face induction and have 120 credits.

Pre-Pre-Flight Program Ready for Air Cadets Coming Here

Michigan State's newest wartime administrative staff has found its campus niche and is making ready for the influx of hundreds of aviation cadets for "pre pre-flight training."

Approximately 50 officers and enlisted men, mainly from gulf coast training units in Texas, have established headquarters in spacious Jenison fieldhouse where they will direct activities of the aviation program soon to get underway.

Maj. Raymond S. Risien, who will be commanding officer of the detachment here, said first arrival of air rookies was expected around March 27. He said fewer than 1,500 youths

were anticipated "at the start." College officials previously had estimated between 2,000 and 4,000 cadets would be assigned here.

Major Risien explained that cadets sent here substantially will be youths recently called to active duty from AAF corps whose training at Michigan State will prime them for future training at regular pre-flight centers.

"Reserves who have studied the basic subjects to be offered in this program will be by-passed directly to pre-flight centers," he said, "so our personnel probably will be boys just out of high school or college men in need of refresher courses. Actually, we

will conduct a pre-pre-flight school."

Despite the collegiate atmosphere, the trainees will be subject to the same military discipline they'd get in army camps, Major Risien said. The rookies will be divided into 28-man groups, or multiples of that number, each section to attend classes, room, eat and train as a single unit. The groups will march between classrooms and dormitories in military order, he said.

The major said that one-fifth of the trainees will be displaced each month in the scheduled five-month training period. He said that college dormitories would

be used at first to house the cadets and fraternity houses later if necessary.

The army also has assigned 750 engineering students to Michigan State, with 500 scheduled to arrive next week. The engineers will be under direction of the military department, headed by Col. Dorsey R. Rodney.

In addition to more than 740 hours of study, military training and physical education to be crammed into the five-month stay, air cadets also will have 10 hours of flying instruction under supervision of the Civil Aeronautics administration's war training service.

MORE girls are receiving pins before they kiss the boys goodbye. Alpha Gam Barbara Hoard received Fred Poole's Michigan Delta Upsilon pin last weekend on Valentine's day. Seymour Flamenbaum, Alpha Epsilon Pi, passed his pin to Elaine Resnick, and brother Ted Gordon slipped his AEPi pin to Frances Goldberg of the University of Michigan. Jane Rowley now has Bob Jacobs' ATO pin, and last Friday night SAE Max Dillingham pinned Alpha Chi Peggy Hall. SAE Bill L. Peterson has planted his on Betty Croner.

A few fraternity boys leaving their books in wastebaskets were Warren Vincent, FarmHouse, now with the meteorology division at Denison university in Ohio, and Paul Vasques, Sigma Chi, now lodged at the same place. The FarmHouse Polar Bear club says it will throw a farewell party for its departing members in the near future.

Sigma Chi's Dick Hardman and Dale Reynolds now work for Uncle Sam's army air forces. Bill Argyle, Phi Tau who dropped out of school last term, was back visiting last week. Bill is now working for the Dow Chem-

ical company in Midland.

A special initiation was held at FarmHouse Sunday for Shirley Freeman's father. Mr. Freeman now has the title of associate member.

There are four marriages which must be brought to the attention of the general public. Last Saturday Ensign Charles Jarratt, Delta Chi's president last year, was married to Betty Gail Wells, Kappa. Arthur Mitchell and Betty Guenther of Grand Rapids are to exchange vows today in G. R. today also is the wedding day for Lorraine McCarthy, Kappa Delta graduate of '42, and John St. John. Gomer L. Jones, the well-known music professor, composer and lecturer has announced his engagement to Helen E. Worcester who is in nurse's training at the U. of Michigan.

Alpha Phi initiates last Saturday were Mary Ritenour, Katie McGill, Sally O'Connor, Janet and Joyce Johnson, Betty Oles, Jane Clark, Marion Clark, Diane Brownlee, Georganne Browder, Betty Boatman, Jeanne Cooper, Helen Wieder and Rosemary Howland.

Weekly Letter to Men in the Service

(This open letter to men in the service is a weekly feature of the Michigan State News, describing the outstanding events on campus. Clip it out and mail it to a friend in the service.)

Saturday, Feb. 27, 1943

DEAREST Johnny:

Senior Liberal Arts students and senior men subject to service call are busy today recuperating from the six-hour test given yesterday and Thursday. From all reports, they don't dare ask those questions on quiz programs.

Senior ROTC students who were enlisted in the ERC last term as sergeants will be sergeants with sergeants' pay next term while they are instructing student cadets who will arrive next term. Men who recently enlisted will be privates, but will be given the rank of corporal when placed on active duty. Room, board, tuition and medical care will also be supplied by the army.

Milton Erdmann, Ag student, received top recognition at the annual Ag honors banquet held Wednesday night. Erdmann was inducted into the army five days before the banquet.

The M.S.C. band presented its second pop concert to 1,000 persons, and played a new college loyalty song, "Hail, Michigan State."

Twenty-nine seniors and seven faculty members were initiated into Phi Kappa Phi, national honor society, Thursday afternoon. And last night the sophomore class held its prom, with Dick Rogers' band.

It's getting to be spring—or it was until yesterday morning when snow tore down from a clear blue sky. Hope we may see you soon, Johnny, and don't forget to let us know about yourself once in a while.

Love to you and you and especially to YOU.

MSC Frosh Tankers Slated to Compete in Varsity Meet

Spartan freshmen will compete in varsity competition for the first time since 1918 at the M.S.C.-Illinois swimming meet at Champaign, Monday night.

Best of the frosh mermen is Bob Allwardt, whose times in practice make him a serious threat to the Illini.

Among the other frosh that McCaffrey intends to use are Freshman Captain Mickey Elliott, backstroke, and John Beckner, University of California and Pacific coast freestyle champion.

With practically the same team that defeated Iowa State twice last week, the added strength of the freshmen will make the Spartans the strongest they have been all season. Now that the Mac men have had the experience of meeting two of the strongest teams in the Big Ten, they will be out for the scalp of the Illini, and their first win over a Big Ten tank team this year.

One of the most consistent tankers this year has been Larry Laoto, who is having a fine year on the one and three meter boards. In both the Ohio and Michigan meets, Laoto's dives have been compared with the best of the Big Ten, and he came into his own by taking two firsts in the Iowa State meets.

Spartan Fencers Will Take on Two Foes

The Spartan fencers will take on both Wisconsin and Chicago in a double header today at Chicago. The Badger match will take place this morning and the Maroons meet tonight.

State has beaten Notre Dame and Oberlin, lost to Ohio State and Case so far. Captain Lyle Burdy will lead the team at foil along with Maurie Sheppard and Ed Popper.

In epee there will be Don Krushak, Chuck Sherman, and Gordon Hueschen. Sabermen are Tel Bourbonnais and John Wicham. Burdy and Krushak will probably double in saber also.

State Wrestlers Take Purdue, 23-11, by Sweeping in Lower Weights

LAFAYETTE, Ind., Feb. 26 (AP)—Michigan State, superior in lower-weight classes, defeated Purdue's defending Big Ten champions 23 to 11 in a dual wrestling meet today.

The Boilermakers, after forfeiting the 121-pound bout and losing the first four matches, came back to win three heavier weight tilts in a row.

121 pound—Forfeit to S.
129 pound—Merle Jennings (S) threw Soward (P), 1 minute, 6 seconds.
136 pound—Konrad (S) won decision over Nettlesheim (P), 7-2.
145 pound—Ross (S) threw Stendel (P), 2 minutes, 34 seconds.
155 pound—Maxwell (S) threw Claxman (P), 5 minutes 40 seconds.
165 pound—Davis (P) won decision over Boring (S), 12-4.
175 pound—Eviston (P) won decision over Hathaway (S), 7-2.
Heavyweight—Rungieri (P) threw Fuller (S), 4 minutes.

Petroski Elected Captain of Spartan Fire

State-Irish Tilt May Be Last Collegiate Game During War

Michigan State will send its basketball team into what will probably prove to be the last Spartan intercollegiate cage game for the duration when State takes on favored Notre Dame tonight at 8 on the Jenison fieldhouse floor.

Technically only one State Man—Carl Petroski—will be closing his career, but the chances are the rest of the Spartan cagers who compete in tonight's contest will all be in the armed forces before many months. Incidentally Petroski, the blond center from Schenectady, N. Y., was elected honorary captain of the 1942-43 quintet by his teammates last night.

Irish Use Fast Break

In order to keep his team comparatively fresh under the assault of Notre Dame's fast-break Coach Ben Van Alstyne will alternate his players freely. The starting lineup will include Jack Cawood and Earl May, forwards, Petroski, center, and Nick Hashu and Dan Plesky, guards.

Fred Stone, center; Clay Kowalk, guard, and Ollie White, forward, will all see plenty of

action, sharing floor duty with the starters, according to Van's present plans.

Torrid Shooters

A couple of torrid shooters—Bob Renseberger and Bob Faught—will also add to the worries of the Spartans. It seems that whenever one of these lads gets the ball within range it's two-points. Capt. Charlie Butler, Irish playmaker, will also cause State plenty of trouble.

Van Alstyne will try to counter Faught's and Renseberger's scoring ability with his best point-getters, Cawood, Plesky and Petroski. Petroski, best known for his jinx of the Notre Dame

team each time the Spartans and Irish tangled in his years of varsity ball, has outscored his opponent in all but one of the last six games he's started. Cawood and Plesky are the team's high individual point-makers.

Dorm Drag, Six Greek Dances Share Weekend Spotlight

By BARBARA DENNISON

A preview of what may be a regular occurrence at Michigan State next term will take the spotlight in the weekly social parade tonight when all dormitory and off-campus women sponsor their semi-formal drag in College auditorium.

Dancing will be from 9 to 12 p. m., with music provided by Lowry Clark and his orchestra. A patriotic theme will be used, and corsages will be banned.

Chi Os Dance

Six Greek organizations have term parties scheduled for this weekend. Women of Chi Omega held theirs last night in competition with the Soph. prom. Repeating their fall term precedent, the dance was informal, in the Masonic temple. Rosemary Darlington, Chi O president, attended with Rog Bonine, Ag. '43.

Sigma Kappas Entertain

Perky Lowery is social chairman for the Sigma Kappa term party being held at the house tonight. Her escort will be Bob Tingley, A. S. '44.

Tonight Alpha Chi Omega and Alpha Phi will hold their combined term formal, with Bonnie Lesselyong and Mary Bent in charge. Mat Wrocklage, L. A. '43, will escort Miss Lesselyong.

Mary Bent, Alpha Phi president, will have Bill Patch, L. A. '43, as her guest.

Queen to Reign

Jeanne Ringle, recently chosen Sigma Chi sweetheart, will be crowned at the Sigma Chi term party tonight in the Union ballroom. Her escort to the dance will be Bob Bowersox, A. S. '44. Sigma Chi social chairman Walt Mischley will be with Lillian Metsker of Lincoln Park, Ill.

Pi Kappa Phi fraternity also will hold its term dance tonight. Al Bennett, social chairman of the fraternity, will have Betty Fink, A. S. '46, as his guest.

10 to 15 miles in the area of Sbiba.

The retreating Nazis were under heavy and unending attack from the Allied air arm; Allied headquarters announced strong raids on both Gafsa and Sbeitla, the latter in the Sbiba region. British forces at last report had advanced to within nine miles of Sbeitla.

The French advanced 12 miles south and east of Sbiba in pursuit of an enemy who offered no serious opposition.

There were indications that Rommel planned to withdraw to a line running northeast from Gafsa through Sened and up the secondary dorsal through Faid.

Navy Branch Open to Some ERC Men

Members of the ERC with a V-1, V-7 or V-5 preference, who failed to pass the examination given by the naval board here last week, may enter Class V-6, for immediate service in the navy, it was announced yesterday by the military department.

Those desirous of so transferring must go to Detroit, at their own expense, and if they successfully pass the requirements, the navy will request their release from the army. If army approval is then given the reservists will be notified here and will be sent to Detroit at the expense of the navy, for immediate service.

If they so desire such transportation they should ask the navy recruiting station when they are in Detroit to make such arrangements for them with the Lansing office.

It also was announced by the U. S. navy recruiting substation in the Federal building, Lansing, that literature and application blanks concerning the WAVES and SPARS is available at their office.

Along FACULTY ROW

By Jack Leonard

Though he's bugs about bugs, Walter F. Morofsky, assistant professor and research assistant in entomology, manages to remain popular as a campus lecturer and research worker.

A member of Sigma Chi and also of Sigma Xi and Xi

Sigma Pi, biology and forestry honoraries, respectively, Morofsky is an ardent fisherman and track fan, and his interest in track has led him to officiate in pole vault and the dash events for many years.

Known for Research Studies

He is also an excellent badminton player, but his favorite hobby is fishing, and he likes to spend rainy days tying flies for that sport. Recently he has devoted some spare moments to ice fishing on local lakes and reports that "luck was good."

A native of Lapeer county, where he spent his early life on a farm, and a graduate of Michigan State, Morofsky has gained some reputation for his research study of forest and aquatic insects.

Yanks, British Put Air Clamps on Axis

LONDON, Feb. 26 (AP)—American Flying Fortresses and Liberators pounded the German docks and U-boat lairs at Wilhelmshaven today while the British hammered the Nazis thrice at Dunquerque before dawn, to round out 20 hours of what competent observers said was one of the greatest sustained aerial offensives of the war.

Weary, grease-smudged crews of the U. S. precision bombers said the results were good at the northwest German naval base and submarine center despite intense fighter and ground fire opposition. Seven U. S. bombers were lost, equalling the heaviest toll yet paid by the eighth U. S. air force.

The heaviest British attack in the 20-hour cycle was in 20 concentrated minutes before midnight at Nuernberg, a vast industrial center in Bavaria in South Germany which makes submarine engines and fittings. The British paid nine bombers for the large destruction they left in the night.

Musium to Feature Restoration Songs

A program of accompanied song from the period of 1600 to 1750, will be the subject of Collegium Musium tomorrow at 4 p. m. in the Music auditorium.

Prof. W. B. Kimmel, of the music faculty, will be commentator for the program. Six numbers will be given by Phyllis Kinney, L. A. '45, soprano, who will be accompanied by Prof. J. M. Barbour, playing the harpsichord.
