## In Campus Quarters

By Helen Schmidt and Scottie McNeal

**B**EFORE we get too far into this term it is necessary that a loose string left over from last term be picked up so we can carry on with a clear conscience . . . about two weeks before the end of winter term Roy Dygert passed his Sigma Nu star to Porge Browder, Alpha Phi . . . Rowdy is now in the army air forces and is stationed in Mississippi.

Now that that little matter has been taken care of it is possible to carry on with a clean slate. There are three more newsy bits along that same line . . . Bonnie Hirschman, Kappa, is now sporting the Phi Chi badge of Bob Corley, one of those Michigan men who bring ohs and ahs from the very depths of the female heart.

Two Kappa Sig star and crescent pins are no longer with their original owners . . . Verne Sorge passed his to Jeanne Burton, Sigma Kappa, and Pete Muller's was given to Dottie Carle, Delta Zeta, when she was at Annapolis paying him a visit.

Matters of love seem to be running in three threads . . . there were also three engagements revealed recently . . . Jean Holznagle, Kappa, who has been wearing Bob Canham's SAE pin for some time, has made the match secure by accepting a ring from same.

Carol Edmonson, Delta Zeta, and George Hackman, Phi Tau, are also making plans for the future . . . the other couple who are up in the clouds is Jack Midgough and Barbara Baird.

The Kappa Deltas got right down to business this week and elected their officers for the coming year . . . those who will be in charge are: President, Pat Patterson; vice-president, Lois Walker; secretary, Mildred Butler; and treasurer, Pat Jones.

Sigma Nu Jack Preston is doing as other fraternity men on campus are doing . . . he is holding down the fort and also is planning to edit a bi-monthly gazette which will be sent to the boys in the service and will give all of the news from all of their brothers—it will include campus news also.

The Kappa Sigs and Sigma Nus are now passing their empty houses sadly; however, some of the boys have done something about it—they have moved in . . . Ed Sewell is keeping things going at the Kappa Sig house all by himself . . . he answers to the name of Hermit Eddie.

Frank Northway and Don Otto are reported to be haunting the Sigma Nu domicile . . . this is their compensation for having to take ROTC this term.

New Zeta Tau Alpha officers for the coming year are: President, Betty McCoy; vice-president, Janet Webb; secretary, Mary Shearer; treasurer, Shirley Culver; and historian, Gerry Schubel.

## INFORMATION

## STUDENT CLUB—

The Student club wishes to extend an invitation to the air force cadets to participate in its activities. Tonight's entertainment will be a course in Funology 101. Presented by the co-ed members, it will include folk dancing and group games. It will be in social hall of Peoples church at 8 p. m.

## MARRIAGE LECTURE—

The first senior marriage lecture will be Monday evening at 7:15 in Fairchild theater. Dr. Ralph Higgins of St. Mark's church, Grand Rapids, will speak. His subject will cover the religious and philosophical aspects of marriage.

## NEWMAN CLUB—

Election of spring term officers will be the subject of the meeting of the Newman club Sunday at 4 p. m., Spartan room.

It is estimated that American housewives during 1943 will can more than five billion jars of foods, or enough to supply every man, woman and child in the country with about 40 jars of food.

CONTINUOUS TODAY 1 to 11 P.M.

**A** FULL schedule of services for Peoples church tomorrow will include regular 9:30 and 11 a. m. sermons by Dr. N. A. McCune. Student vespers will be held at 7 p. m. in the church auditorium, with Rev. Arthur Cruickshank talking on the subject "What Do You Believe That You Won't Take Back?" Patricia Fisher, H. E. '45, will sing a soprano solo, "I Heard a Forest Praying."

An informal social period and supper with group mixers will be held at 5 p. m., with all students and others invited.

**Christ Lutheran church**, of the Missouri synod, in Lansing, schedules services Sunday at 10:45 a. m. on the topic "A Majestic Surrender." Wednesday Lenten service will be at 7:30 p. m., on "A Man of Sorrows—Crucified."

The College Lutheran church, located in the State theater of East Lansing, will hold worship services at 10:30 a. m., with Rev. William Young speaking on "Righteous Through Christ." Bible class will be at 10 a. m. The lecture series will be at 3 p. m. on "What Lutherans Believe," at the parsonage at 510 Linden street.

**Christian Scientists** will worship in the East Lansing Masonic temple at 11 a. m. Sunday, with Sunday school at 9:30 a. m. Wednesday evening service will be at 8 p. m. in the temple. The reading room and lending library in 211 Abbot building will be open daily from 11:30 a. m. to 4:30 p. m., and from 3 to 6 p. m. on Sunday.

**Wesleyan Methodists** will hear Pastor Royal Woodhead twice Sunday. He will speak at 11 a. m. on "Be Careful! It Leaks," and at 7:30 p. m. on "Christ, the Son of God." The church is located at East Michigan and North Magnolia streets.

**Mifflin Avenue Church** of the Nazarene will hold morning services at 11 a. m., under direction of Rev. C. A. Bruch, with Sunday school an hour earlier. Evening meeting will feature Mr. and Mrs. Harold Bentley, radio singers from Flint, at 7:30 p. m. This church may be reached by getting off the College-Fisher bus at Francis street.

Holy Communion will be celebrated by Episcopalians in Canterbury house Sunday at 8:45 a. m., Tuesday at 10:30 a. m., and Wednesday at 7:10 a. m. St. Paul's church in Lansing will observe Holy Communion at 11 a. m. tomorrow. Canterbury club will meet at the house at 7 p. m. Sunday, with Fernando Rondon, native of Venezuela, as guest speaker.

## Independence Asked for Puerto Rico

WASHINGTON, April 2 (AP)—Complete and absolute independence for Puerto Rico was proposed today by Chairman Tydings (M-Md.) of the Senate Territories committee when he introduced a bill to haul down the flag that has flown over the tropic sugar island since Spanish war days. "When Puerto Rico gets her independence, this government will have exhibited modern concepts of civilization which are in line with the highest aspirations of the human race."

No definite date is set for freedom. Ultimate withdrawal of American sovereignty would occur on the Fourth of July following accomplishment of all preliminary steps.

## partan Tennis Squad Shows Promise With Five Veterans

Three lettermen and two new experienced men will make up the most promising Spartan tennis squads in several years, Coach Charles D. Ball announced yesterday.

Coach Ball will run off an intramural match between his squad and varsity contenders today, after permitting, to give his men some game competition before the netters open their dual season against the University of Michigan here on April 19.

### Matches Carded

Capt. Frank Beeman, Earl and Bill Maxwell, the top returning men on last year's team, all returning for another season's play. The team last year won 10 of its 15 matches to complete one of the best tennis seasons in Michigan State history.

Only undefeated Notre Dame, six champ Oklahoma and the ten titleholder Michigan, preceded in downing Ball's squad last year.

### in 10 in '41-'42

Mike Elliot, Dearborn sophomore, and Fred Ziemann, transferred from Fordson junior college, are the team the added power promises to carry them through another good season. Both men have experience that will make the three veteran Spartans hustle to keep their positions.

Coach Ball has a nine match schedule signed up at the present time. Maxwell is still working with the wrestling team in preparation for the national A. U. tournament next week. Basketball during winter term, and Beeman are already hitting the ball around waiting for the season opener.

## Beau Jack Captures Ten-Round Decision Over Armstrong

NEW YORK, April 2 (AP)—Beau Jack ran away to a 10-round decision over Henry Armstrong tonight before a crowd that jammed Madison Square Garden to the rafters and booted the verdict at the end. Armstrong was scaled 138; Jack 135½.

For 10 rounds Armstrong, returning to New York for the first time since he began his booming comeback last fall, chased the younger, supposedly more powerful Jack all around the ring.

And for 10 rounds the ex-shoe-shine boy from Georgia kept on the run, desperate to stay out of harm's way and landing only at long range.

That was the pattern of the fight from start to finish, and at the end the Associated Press score card gave Armstrong five rounds, voted four for Jack and called one even.

Though the decision was unanimous on the part of Referee Billy Cavanaugh and Judges Bill Healy and George Le Cron, it didn't sit at all well with the crowd of 19,986.

They went wild with cheers as Hammerin' Hank climbed through the ropes at the end; they booed as Jack headed for his dressing room.

Pres. Edmund E. Day of Cornell university recently was elected president of the Association of Land Grant Colleges.

## Duquesne U Drops Varsity Sports for Duration

PITTSBURGH, April 2 (AP)—Duquesne university, a little school with a big football and basketball reputation, became a "war casualty" today, scrapping its entire intercollegiate sports program for the duration.

John D. Holahan, graduate manager of athletics, said the action was necessary because of "the uncertainty of athletes and opponents for next fall and winter." He said the school would concentrate on intramural sports and a physical fitness program.

While numerous schools have dropped either football or basketball—or both—Duquesne is one of the few major schools to sever all its collegiate sports ties.

The Dukes' action brought down-right sorrow from football Coach Aldo T. (Buff) Donelli and Chick Davies, floor mentor, whose teams were nationally known.

### Four Service Awards

Coach Charles McCaffree, secretary-treasurer of the College Swimming Coaches Association of America, disclosed today the organization had awarded plaques in recognition of 25 years of service to four veteran eastern coaches.

The men honored were, Robert J. H. Kiphuth, who this year completed 26 years as head coach at Yale university; Harold S. Ulen, coach at Harvard university, another 26-year veteran; William S. Merriam, retiring as coach at Pennsylvania university, and Pete S. Morrissey, who retired as coach at Lehigh in 1941.

## Intramural Sports Program Headed for New Low from Student Shortage

Loss of manpower from the campus will knock Lyman L. Frimodig's intramural sports program for a loop this spring from the present outlook.

Lack of both student players and officials will weaken chances for complete baseball or softball tournaments as have been held in past years, Frimodig said.

It is probable that the baseball league will be dropped entirely unless fraternity men left on campus can scrape enough men together to enter teams in the inter-frat league. Previously, baseball was played only in the fraternity loop while softball was taken over by independent and dormitory organizations.

Frimodig expressed his willingness to keep the intramural program intact as long as there

A check-up on the whereabouts of 1602 rural young men in an Ohio county showed that about 40 per cent were in the armed services and 32 per cent had moved to nearby industrial centers.

is demand from the men students to keep competition going.

Air force men here will be "out" as far as the daily contests are concerned, Frimodig added. But games may be arranged when the soldier students have time off on Saturday afternoons.

# Michigan State Coeds to Get Free Chest X-Rays in TB Campaign

**Success Depends  
on Cooperation,  
Says Dr. Holland**

All Michigan State college women will have an opportunity for a free tuberculosis chest X-ray from April 13 to 24 as part of the Early Diagnosis campaign being promoted this month by the Michigan Tuberculosis association, according to Miss Elaine Abbott, representative.

## Deans Cooperate

Organized by the Christmas seal organization, the program will be carried out on the State campus through cooperation of Dr. C. F. Holland, director of College hospital, Dean of Women Elisabeth Conrad, and Dean of Home Economics, Marie Dye.

All women in physical education classes will have an opportunity for X-rays during these classes, according to Dr. L. L. Lightning, physical education head. All other women, including students, faculty members and employees, are asked to register at women's gym Monday through Wednesday for X-ray appointments.

## For Student's Benefit

"This is an unusual opportunity for the women of Michigan State college, an opportunity which, previous to this time has been impossible because of the expense involved," Dr. Holland stated yesterday.

"I have often wished for a complete tuberculosis survey of coeds and now money has been made available for this study," he added. "But without 100 per cent cooperation, the work will be in vain and the statistics of less value than the donors desire. Let's get behind this thing wholeheartedly, it's the students who will benefit personally."

## Planes Get Checked-up for Battle

U. S. army fighter planes get a final check-up by army mechanics as the navy carrier transporting them to the war zone nears its destination. Other vessels of the convoy swing astern of the aircraft carrier. (Associated Press photo from U. S. Navy.)

## Reds Report Gains Against Nazis In Winter Offense

LONDON, Saturday, April 3 (AP)—The Red army in its winter offensive killed 850,000 Axis troops and captured 343,525, the Soviet information bureau announced early today in a special communique.

In addition to these losses between last Nov. 10 and March 31, the Germans lost 5,090 planes, 9,190 tanks and 20,360 guns, said the communique recorded by the Soviet monitor.

The special communique in telling of the German equipment losses said 3,600 planes, 4,520 tanks and 4,500 guns were destroyed and the remainder were captured as the Russians swept westward from Stalingrad to liberate the Volga and Don river valleys, and most of the Caucasus.

A total of 185,328 square miles of territory "of great economic and military strategic value" has been freed of the invaders along with thousands of villages and dozens of big cities, the Russians said.

## — THE — WOMAN'S WORLD

By NEVA ACKERMAN

### Defense Courses

The communications course sponsored by Bell Telephone company proved favorite of women's defense courses to be offered this term, with 103 registering for the class, according to Mary Greenfield, L.A. '44, chairman of registration committee.

Airplane spotters' course and surgical dressing classes proved next in popularity with 52 and 51 members respectively. Other enrollments include communications, 46; first aid, 38; knitting, 33; home nursing, 19, and advanced first aid, 6.

## AFRICA

(Continued from Page 1)

As in the Wednesday raid by nearly 100 American Flying Fortresses on the Sardinian port of Cagliari, not a single Allied bomber or escort was lost in the damaging assault.

## Radio Speaking Course Is Revised to Train Women in 'Mike' Work

By WINN POTTS

Complete revision of the beginning radio speaking course has been made to train women specifically for radio station announcers and staff work, Joe Callaway, director of radio education, stated recently.

"The reason is that when Northwestern university conducted a survey of radio stations willing to use women staff members, all but two out of 200 indicated that they would if the women had ability and training. The radio education department is cooperating in offering a year's course in radio speaking beginning spring term and continuing every term," Callaway explained.

All work will be done before a microphone. It will consist of reading commercials, news reports, announcing musical programs, and all the details of station routine. All students will make recordings throughout the

course to test and compare progress, Callaway said.

"There is no doubt that Michigan State college boasts the newest and best classroom radio equipment of any school in the country," added Callaway. He pointed out that soundproof studios, efficient "mikes," turntables and recording equipment have made a growing number of students take advantage of these facilities.

## O. E. Robey Retires from State Faculty

Prof. O. E. Robey, for 26 years a member of State teaching staff, retired Thursday from the Agricultural division.

Professor Robey plans to devote his entire time to designing machinery for treating and bending in finished tools of steel.

Excellent Opportunities Are Yours For  
**PRACTICAL EXPERIENCE** in News-  
paper Reporting and Editing, Business  
Practices, and Writing and Selling Ad-  
vertising.

THE STAFF of The Michigan State News offers you an excellent opportunity for practical experience in newspaper work, and a chance to compete for paying positions on the paper.

It offers you a chance to become acquainted with a newspaper plant, to participate in the editorial and business branches and to observe in the mechanical department.

You will have an opportunity to write news stories, features, editorials and interviews.

You can learn how to "make-up" a page, judge the news value of stories and to become familiar with type faces and their use.

Try-outs will have the opportunity to learn copyreading and proofreading procedures.

The General News Staff has at its disposal the Associated Press wire service through two teletypes, and Associated Press teletype picture service.

Business staff work affords you experience in office practice, bookkeeping, salesmanship, meeting merchants and observing current commercial customs.

You will have a chance to work with a complete mat service and layout and sell your own ads.

Women are especially welcome. No previous experience is necessary. Come to the State News office or contact the manager of the department in which you are most interested any day this week or next.

- Editorial Tryout Meeting Thursday at 4:45 p. m. Room 7, Union Annex.
- Business Tryout Meeting Friday, April 9, at 4:45 p. m. Room 7, Union Annex.
