### Major Divisional Changes Included in Action

Numerous Appointments, Resignations Accepted at Monthly Meeting

By JANICE HOPPS

Proposed changes in the names of four major divisions of the college and the reorganization of two others became official at yesterday's meeting of the state board of agriculture, according to an announcement by Karl H. McDonel, secretary of the board.

Recommended by Floyd W. Reeves, from the University of Chicago, the approved plan calls for renaming the major divisions as schools, combining the Liberal Arts and Applied Science divisions into one school, and creating a School of Business and Public Service.

#### Studies Regrouped

The School of Science and Art will consist of six divisions of study: Language and literature, which will include English, literature, foreign language and speech; fine arts, which will include music, art and dramatics; social science which will include economics, history, political science, philosophy, psychology and sociology.

The division of physical science will include chemistry, geology, geography, physics, astronomy and mathematics; biological science will include botany, entomology, physiology, zoology and bacteriology; and the division of education.

The new School of Business and Public Service will consist of departments formerly included in the division of Applied Science and Liberal Arts. They are: Social service, public administration, journalism, hotel administration, business administration, police administration, health, physical education and recreation.

In addition to these, two-year curricula in secretarial and clerical services, merchandising, salesmanship, and real estate will be offered.

Reorganization plans also include the regrouping of student personnel services such as student counseling, guidance, entrance examinations and job placement services. These activities, now guided through the office of the dean of men and dean of women, will be headed by a dean of students.

#### Faculty Changes Made

Faculty appointments and resignations, approved by the board yesterday, added Dr. C. E. Erickson, professor of education from Northwestern university, to the list of faculty members. The board accepted the resignation of Mrs. Catherine Buell, who has been associated with the department of home management and child development since 1927.

Another major appointment transferred Dr. C. S. Bryan from his position as associate professor and research associate in bacteriology to the head of the department of surgery and medicine. Dr. Bryan will relieve Dr. J. P. Hutton who has been at State for 32 years. Dr. Hutton, however, will retain his position as professor of surgery and medicine.

#### Leaves Granted

Dr. B. H. Grigsby, who has been on leave of absence to work with the U. S. bureau of plant industry, was reinstated in the botany department, and Floyd W. Young, associate professor of anatomy, was transferred to the department of surgery and medicine.

#### He Who Laughs Last

Even after laughing at her all evening, the early crowd of auto-graph seekers stood outside Gracie Fields' dressing room and burst into spontaneous chuckles when Miss Fields' manager started to open the door. The singing lady roared "Not ready" and a moment later appeared in her stocking feet.

#### ... Fashion Shown

What the well dressed male will be wearing this spring was capably demonstrated by Prof. Don Buell in drama class yesterday. By student demand, Buell paraded across the stage modeling his newest spring attire, complete with saddle shoes and that extra little touch—a crisp green handkerchief peeping out from his breast pocket.

### Positions Open

Student Council, Union Board Petitions for Membership Due

Gordon Hueschen, Student council president, will receive petitions for membership on Student council for next year through noon of May 17. Representatives are to be chosen from each of the six college divisions.

Petitions are to include name, division, point average, activities, special interests, and other qualifications as well as reasons for desiring a seat on council.

No signatures are necessary in order for a person to submit a petition. All petitions must be delivered direct to Hueschen.

Union board petitions will be received at the Union office through noon on May 15. Requirements are the same as those for the Student council. Selection will be based only on the need for additional members.

No printed forms will be furnished for petitioning either group.

### Sabang Base Suffers Heavy Loss in Early Morning Allied Raid

ABOARD AN ALLIED AIRCRAFT CARRIER OFF SABANG, SUMTRA, April 19 (Delayed) (AP)—Allied carrier-based planes—Hellcats, Dauntless Avengers, Corsairs and Barracudas—planned down the Japanese airforce and destroyed military installations at Sabang to their hearts' content in a furious 15 minute attack this morning.

The raid was launched from Allied carriers screened by battleships and lighter units under command of Admiral Sir James Somerville, commander of Britain's eastern fleet, who personally attended the "show."

The Japanese attempted reprisal raids on our forces—perhaps from airfields at Padang, or in the Andaman or Nicobar islands, or even from Singapore—but it availed them nothing.

### Allied Planes Hit Cologne, Bucharest in Heavy Raid

RAF Strikes at Invasion Coast Area

LONDON, April 21 (AP)—The RAF in its strongest blow of the war poured more than 5,000 tons of bombs last night on Cologne and three other key railway centers behind the Nazis' invasion front, and today American heavy bombers were reported by Berlin to have carried out a "major attack" on Bucharest and other targets in southeastern Europe.

More than 1,100 aircraft, the largest number of planes ever sent out by the British bomber command, ripped apart the enemy's four rail centers, presumably busy with last-minute preparations for strengthening the vaunted Atlantic wall against the forthcoming Allied invasion. Sixteen of the bombers were lost.

Besides Cologne, described by the air ministry as being by far the most important railway center in western Germany, the RAF shattered and burned Lens, in the Pas-De-Calais "invasion coast" area, Ottignies, in Belgium about 15 miles southeast of Brussels, and La Chapelle, on the outskirts of Paris.

In addition RAF Mosquitos, capable of carrying two-ton block-busters delivered a sharp night attack on Berlin.

From Britain American light and medium bombers hammered again at the Atlantic wall targets, Marauders and Havocs making repeated flights during the day. Five of the bombers were lost as the Nazis sent up fighters for the first time in more than a month in this area.

### 310th Head Discredits Rumor That Airmen Will Go This Week

Contrary to a rumor circulated yesterday that all men of the 310th CTD will leave the campus within 10 days, Lt. Col. Paul Johnson, commandant for the aircrew, said that the air men will remain at Michigan State until June 30 as a previous order stated.

Colonel Johnson credited the starting of the rumor to the misinterpretation of an order coming from the sixth service command which said that the name of the 310th College Training Detachment would be discontinued and a new name would be used to designate the unit.

The new title for the army students has not been announced.

### Amused Audience Hears Britain's Gracie Fields

Gracie Fields took No. 1 on the laugh parade last night and an audience of approximately 4,000 kept her coming back with more songs sung in that untireable Fields manner.

With shades of "over there" in her repertoire Gracie Fields showed an MSC audience why she is the world's biggest little morale builder. She burlesqued through "My Hero," ran as close a second as anyone ever will to Frankie Sinatra in "This Is a Lovely Way to Spend An Evening"; and rollicked through "I Never Cried So Much in All My Life" until she had even staid professors lapping from her hand.

Gracie also did justice to the most critical eye with her beautiful gowns, and her inevitable chiffon scarf which she tied around her head or neck or just waved. Always the essence of perpetual motion, Gracie punctuated her singing with shrieks, whistles, moans, and even a little touch of a hip swish.

Ingolf Dahl, young American concert pianist and composer, played the highbrow and semi-highbrow in as exciting a manner as Gracie put over her songs.

Earlier in the evening, an honorary colonelcy rank was conferred upon her by the 310th CTD aircrew men, at retreat and, afterwards, facing the massed formation of airmen she gave with several of her choice songs. Gracie, then, as many times before, stood in the chow line with the men.—DEE

### Journalism Honorary Elects New Officers

Matrix society, journalism honorary, elected officers for the coming year at a meeting last night. Rosemary Howland, Detroit junior, was chosen president and Maggie Mintling, Birmingham junior, was elected vice-president.

Barbara Dennison, East Lansing junior, will serve as secretary while Peg Middlemiss, Detroit junior, will handle financial matters.

### Diversified Work Done by SWL Groups

By JEAN MacDOUGALL

Most successful SWL venture of the past year, according to the enthusiastic comments of retiring president Meribah Rowlette, Detroit senior, was the "Campus Carrousel."

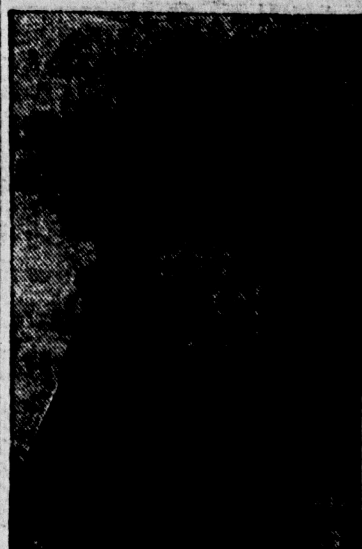

"The response of both the faculty and student body was most encouraging," Miss Rowlette continued, adding that she felt quite safe in saying that the Carrousel is well on its way toward becoming an annual event.

An outgrowth of the student-faculty banquets of former years, the event was sponsored in keeping with the policy of SWL to present to the women of MSC opportunities to develop leadership and to master its techniques.

Founded in 1931 by Pearl Perlin Barley and Mabel F. Petersen, women's housing director, Spartan Women's league has been active in breaking down the barrier which, at the time of its organization, existed between sorority and non-sorority women on campus.

With this end in view, it has been the policy of the league to maintain an executive board whose membership is half sorority and half independent. Toward this same end they once sponsored an organization known as the Athenians, open only to non-sorority women. Later, however, it was decided that the principle of SWL was the better of the two and the newly organized Athenians were dissolved.

### Big Game Hunter to Show Movies of Experiences

CLEVELAND GRANT  
... big game filmer ...

Utilizing pictures of a big game hunt through the Rocky mountains, Cleveland Grant, wildlife photographer and lecturer, will present his color movies in College auditorium tonight at 8:15.

As the last speaker on this term's world adventure series, Grant will show films studying the annual cycle of instincts of game birds, sea birds and song birds.

A graduate of Oberlin college, Grant has had the presidency of the Audubon Society of Ohio and the Chicago Ornithological society as well as being a staff member of the Field museum of natural history.

Treasurer's receipts will be needed for student admission and servicemen will be admitted free to this program and to the movies which will be shown every Saturday in Fairchild theater.

### System of Furloughs to Be Announced

HONOLULU, April 21 (AP)—A system of furloughs for soldiers in the central Pacific, to be granted on a percentage basis, is being worked out and will be ready for announcement soon, Lt. Gen. Robert C. Richardson's headquarters said today.

There has been no general furlough system in the central Pacific theater because of the lack of shipping. As a result many soldiers have been in the Pacific for two years or more.

Furloughs have been granted to wounded men and to other emergency cases.

## How About the Commoners?

**T**HE current measles epidemic is taking a back seat for the recent queen epidemic. When the first queen was crowned last fall, many organizations with insufficient ingenuity to dream up a new idea popped out with more queens. As a result, the campus is overflowing with nobility.

The crowning of a queen was at first a real honor and an outstanding event. As each new queen makes her four-star appearance, however, students are beginning to say "Ho hum, another one" and pass it off with a yawn.

The competition involved in the selection of such candidates has involved the demonstration of definitely unqueenlike qualities on the part of some coeds and has resulted in knock-down, drag-out battles for supremacy.

Perhaps students might select a few more queens to get enough to form a baseball team in time for spring practice. Such procedure might be good for a few laughs and would put their royal highnesses to some use besides interior decoration.

Or we might get off this queen-crowning spree before an I'm-trying-for-a-two-point queen or a I-don't-have-any-late-minutes queen add their photogenic faces to the starry-eyed galaxy.

## House Refuses Bill to Draft War Workers

WASHINGTON, April 21 (AP)—The house military committee stuck to its guns today in opposition to labor draft legislation in the face of a renewed drive by the army, the navy and the maritime commission for a law to conscript war plant workers.

If anything, the latest plea of the armed services as expressed in a joint statement by Navy

Secretary Knox, War Secretary Stimson and Maritime Chairman Land solidified the oft-voiced position of the committee that national service legislation is not the answer to the manpower problem.

"We have spoken and we meant what we said," declared Representative May (D-Ky), chairman of the committee.

# Spartan Nine Opens Season Today

## Kobsmen to Play Jackson Team in Exhibition Game

### Tilt Will Demonstrate Strength of Untried Members of Squad

A Spartan athletic team will leave the campus today for the first time in almost a year, when Coach John Kobs take the baseball nine to Jackson to play the team of the State prison. The game will begin at 1 p. m.

The Spartans will play another exhibition game Tuesday when they meet the Reo Motors team at 4:30 p. m. on old college field. No admission will be charged for the game, and anyone may attend.

#### To Play Tartars

The first regularly scheduled game will be next Saturday, when the Tartars from Wayne university come here for the first half of the home and home series.

Kobs put his players through a fielding and batting drill yesterday in preparation for the game at Jackson. The morale of the team is good, he says. They want to win, and to find out how they can play against outside competition.

Tom Ashley, Detroit freshman, will be the starting pitcher, Kobs said. Jack Breslin, Battle Creek junior, will complete the battery.

#### Former Players Return

Twenty players will make the trip to Jackson. Saying that last minute changes might be made, Kobs announced that the following would go: catchers: Buckenhizer and Breslin; pitchers: Ashley, Krestel, Yarling, Meyer, and Couey.

Infielders to make the journey will be Costin, Reed, Pardee, MacCris, Treharne, Windt, Cook, Turk, and Workman. The outfielders will be Hennessy, Grunst, Prashaw, and Sullivan.

Newcomer to the team is Howie Workman, who played on the squad last year.

Lt. Glenn Deibert, '44, is home on leave from Fort Benning, Ga., where he was recently commissioned a second lieutenant in the infantry division. While at State Lieutenant Deibert was a member of Sigma Alpha Epsilon.

Another former Spartan who ranks as a lieutenant is James Auchterlonie, '43, who studied chemical engineering at MSC.

Lieutenant Auchterlonie is home on a two-day leave from the field artillery unit at Fort Sill, Okla., before changing stations.

Lt. Ellis Brandt, '43 former editorial director of the State News, is home on a six-day leave in transit from Camp Lee, Va., to Camp Reynolds, Greenville, Pa., where he will be stationed with the quartermasters corps.

While at State Lieutenant Brandt was a member of Phi Kappa Tau, Sigma Delta Chi, Alpha Phi Omega, and Blue Key.

Pvt. Ernie Harper, '46, is also home on furlough while transferring from Selfridge field, Mt. Clemens, where he received a course in weather observing, to Romulus field, Detroit.

## German Take Large Losses in Old Poland

### Red Artillerymen Bomb Trapped Nazi Troops in Sevastopol Area

LONDON, April 21 (AP)—The Red army killed 1,500 enemy troops and destroyed 68 tanks today in repulsing attacks by large German tank and infantry forces southeast of Stanislawow in old Poland. Moscow announced tonight in a brief communique which again omitted mention of besieged Sevastopol in the Crimea.

Dispatches from the Soviet capital, however, said that the battle of Sevastopol was in its final phase. Russian troops captured key positions in the Mt. Sapoun valley four miles southeast of the city, these advices said.

Red artillerymen hurled tons of shells into a churning mass of enemy troops trapped inside the city.

Soviet naval airmen inflicted thousands of casualties on those troops trying to escape across the Black sea to Romania aboard ships of an Axis "scrub fleet."

The Russians made no effort to cover the persistence of the German assaults in southeast Poland, but insisted the Nazis were beaten back.

The German communique said that German and Hungarian troops had "gained further ground" against stubborn Russian resistance southeast of Stanislawow, and declared that the Hungarians had captured the village of Ottynia, 12 miles southeast of Stanislawow.

## Cleveland Indians Take Game From Detroit Tigers

CLEVELAND, April 21 (AP)—The Detroit Tigers seized the lead in the American league game today for the first time this season, but pitcher Frank (Stub) Overmire couldn't hold it as the Cleveland Indians went on a 7 to 4 victory. It was Detroit's fourth straight defeat.

Spotting the Indians a 2 to 0 lead in Cleveland's home opener before 13,643 spectators, the Tigers rallied for three runs in the sixth and seemed to be headed for their first victory. Detroit didn't hold the lead long, however, because rookie Pat Seerey belted a three-run homer in the bottom half of the sixth that clinched the decision.

Overmire retired after six innings, and Walter (Boom Boom) Beck made his debut with the Tigers in the seventh. Mike Rocco singled and Roy Cullenbine doubled before manager Steve O'Neill could get Beck out of there. The Indians scored twice in this frame before Hal Newhouser could get the side out.

The Indians outthit Detroit, 12 to 7. Three of the Tiger hits were contributed by catcher Bob Swift, who drove in two runs and scored another himself.

## Weekly Letter to Men in the Service

(This open letter to men in the service is a weekly feature of the Michigan State News, describing the outstanding events on campus. Clip it out and mail it to a friend in the service.)

April 22, 1944

**D**EAREST Johnny: Gracie Fields topped all other entertainment this week when she belted her way through a sparkling program last night in College auditorium. Miss Fields is really a right white gal as the aircrew will testify.

Shunning the officers, she had dinner with the rank and file last night after receiving an honorary colonelcy from them.

Baseball has begun again and the first game is set for this afternoon. The team is going to Jackson prison—not as customers—but to play the prison team. In case you're there visiting your other friends, you might drop in and watch the game.

Coeds are in the sporting limelight these days, too. I've heard complaints all week of aching muscles so I decided to try out for softball myself. I lasted about five minutes, and was invited to leave the team after my first strikeout.

Ernesto Montenegro, handsome Chilean journalist, has been lecturing here this week. It's speakers like him that help to weld the good neighbor policy, although after your description of your trip to Mexico I'm beginning to think that isolationism has its points after all.

Union board is swinging right along with its spring term schedule with another dance tonight in the Union. An all-girl orchestra will officiate again.

We're apparently going to have a royal galaxy before long since Alpha Phi Omega has decided to add another queen to the roster. This time it's a flower queen to be crowned at the Poinciana prom. About now I'm ready to pass over this queen crowning in favor of a new idea.

News is scarcer than a three-day pass this week but I'll send my spies out for a scoop for next week.

Cynically yours,  
POINCIANA PEG

## All-Girl Orchestra to Furnish Music for Union Dance

Virginia Ball and her orchestra will furnish music for the Union board dance to be held in the Union ballroom tonight, from 9 to 12, according to Chairman Bob Edgell, Elmira junior.

Tickets are on sale at the Union desk and in the public relations office in Abbot hall. The dance is informal and open to civilians and servicemen. The grill will be open during the dance.

If weather permits, today's meeting of the Student club will be a hike. Members and their friends will assemble at Peoples church at 8:30 p. m. dressed for the occasion.

Those attending will tramp out to Pinetum, with games and refreshments at the home of Darrell Cook, 503 Division, East Lansing, after the hike.

Women of Alice Cowles house are opening their doors for a tea tomorrow afternoon from 3 to 5.

"Kiss and Tell," the Broadway play adapted for the stage by F. Hugh Herbert, will be read by Nan Moore, Mt. Clemens junior, for the reading hour in room 49 of College auditorium at 4:10 Tuesday afternoon, Moire Compere, director of the readings hours stated.

"Kiss and Tell" is a light drama built around some of the adolescent problems of the authors, Corliss and Dexter.

Margaret Bradbury, Detroit junior, will interpret "Western Star," the last book published by Stephen Vincent Benet and planned by him as the first of five epic poem stories of the settling and development of America.

Reading hours are open to the public and planned for the enjoyment of students, townspeople, and faculty.

## Soviets Approve Fund Measures

Soviet Russia dramatically gave its approval at the last minute. Word of Russian concurrence with the money experts of other united nations was received only a short time before the agreement was made public here and in other Allied capitals.

## Cosmopolitan Program Planned for Teachers

**Michigan Music Teachers association will meet Tuesday at Michigan State for a one-day convention. Highlighting the day's events will be a lecture-recital on Latin-American music by Rafael De Silva, noted Chilean pianist.**

**Dr. Shao Chang Lee**, former professor of oriental culture at the University of Hawaii, will lecture on Chinese music.

De Silva will also appear in a piano forum to discuss and play the music of Debussy. Prof. Karl O. Kuersteiner of the University of Kansas will discuss "Functional Piano Study."
