Annual Senior Week Starts Wednesday

Hannah, Stewart Will Address Group After Swingout Ceremony

Graduating seniors will don caps and gowns for the first time and start senior week activities when the annual senior swingout is held May 31 at 7:30 p. m., and will hear as a senior climax, an address by Pres. John A. Hannah in Fairchild theater.

The MSC band will lead the procession to Ag hall where senior graduates of the oldest division on campus will join the parade. The next procession will continue to Olds hall to meet Engineering seniors, and from there to the Home Ec building. Vet clinic, chemistry building, for Applied Science seniors, and to Morrill hall for Liberal Arts students.

Seniors are to be picked up according to the date of the creation of their division. All participants are urged to wear caps and gowns.

After the graduates of each division are assembled they will proceed to Fairchild theater where Larry Frymire, Chicago, will introduce President Hannah and Glen O. Stewart, director of alumni relations, who will address the group.

Following the speeches, election of alumni officers will be held. A slate of nominees has been drawn up from whom an alumni president, alumni secretary for men, alumni secretary for women and alumnae director for women are to be chosen.

These officers are to serve for five years. The class of '44 will hold its first reunion in 1949, according to Alumni Director Stewart.

Today's Campus

... Tragedy of the

The college is now one softball short, but a group of coeds are hoping that the administration will overlook that fact after they hear the tale of the missing missile. It seems that this group was playing baseball near ball the Red Cedar and some park how or other the ball rolled in the drink. Current being as it is, the ball soon started toward Lansing with the group hot on its trail. Through the tangled bushes along the banks of the river they ran, with the ball keeping a good five feet ahead of them. Mission was called unsuccessful after they had chased it to the falls in the river, half way to Lansing.

... Woman's Work

She works for B and G, and that usually is not a dainty job, but the other day one coed found that it came in helpful to wear a shirt. Mowing the lawn with great industry, she attracted the attention of Prof. Jonah DeHaan, psychology department head, who must have thought she was working too hard because the kind-hearted professor came out and took over her duties.

Key Positions Given Women at Publications Banquet

'Business as Usual' Predicted for Next Year

Awards and announcements of next year's State News and Wolverine staffs highlighted the annual Publications banquet held in the main dining room of the Union last night. An almost completely feminine staff will assume control of the paper, which will continue daily publication next fall, after becoming a weekly for the summer, Peg Middlemiss, Detroit junior, newly appointed manager announced.

State News assistant editors for next year were announced by Barbara Dennison, East Lansing junior and editor, Kay Besemer, Belleville junior, and Betty Jo Cornish, Standish junior, both of whom have served as assistant editors for the past year will continue in their positions.

Two sophomores, Marion Heckel, Detroit, and Janice Hopps, Ypsilanti, will fill two more of the five positions. The fifth night editor for the year will be Barbara Hafford Jones, Glen Rock, N. J., junior, who will be returning to school this summer after a year's absence.

men's editor and Leone Seastrom, formerly in the latter position will become military editor. Feature editor will be June Wilkinson, Jackson sophomore. Jerry Kenney, Detroit sophomore, will act as sports editor.

Barbara Fearnside, St. Clair Shores sophomore and advertising manager, named Dee Dearing, Pontiac sophomore, as assistant advertising manager and Jane Walker, Rochester, N. Y., sophomore, circulation manager, a position which she has held for the past year. Madelyn Willmeng, Watervliet junior, will continue in her position of contracts manager.

Appointments of members of the Wolverine were announced by Sui Foo, St. Johns junior and recently appointed editor of the annual. Assistant editor will be Dorothy Englehardt, Lansing junior, and her twin, Doris, will act as office manager.

Bethany Beardslee, East Lansing freshman was named as classes editor and Sue Averill, Birmingham sophomore, will be copy and organizations editor.

Play Tickets for Spring Drama Now on Sale

Advanced tickets to "Letters to Lucerne," the spring term play to be staged June 7 and 8 in Fairchild theater will begin sale Monday by speech majors, Theta Alpha Phi, speech honorary fraternity, and Studio Theater members, and at the Union desk and speech office, C. H. Nickle, adviser, announced today.

Tickets may be reserved at the Administration building later in the week. Co-chairmen of the ticket committee are Betty Butler, Buffalo, N. Y., sophomore, and Marjorie Rice, Saginaw junior.

The plot of "Letters to Lucerne" depicts the problem and reaction of the individual to the hatreds inspired by war. The scene is a girl's school in Lucerne, Switzerland, in August, 1939, prior to Hitler's march on Poland.

The girls in the play are of five different nationalities and even though they are not directly concerned with the fighting, their feelings are aroused by letters they receive in such a way that the peace of the school is shattered.

Summer Registration Set for June 1, 2, 3

Preclassification for summer school will take place on June 1, 2, and 3, according to the registrar's office. All students except those in Veterinary medicine should report to their dean's office. Veterinary students should go directly to their advisers.

Regular classification will be held in Jenison gym on Tuesday, June 20. Any students expecting to take less than nine credits, or less than four in the six weeks session, must obtain a statement from his dean before seeing his advisor.

The statement should include the number of hours work expected to be taken.

No students will be allowed to register in both the six and twelve week session without permission from his dean.

Air Offensive Hits French Rail Yards

Thunderbolts Continue Daylight Attacks in Northern Areas

LONDON, May 26 (AP) —Between 500 and 750

Italy-based American heavy bombers blasted rail yards at Lyon, funnel point for Nazi defenses in southern France, for the second time in two days today, and ripped other rail installations in the south of France, bringing a furious aerial offensive against fortress Europe into its eighth straight day.

The weather halted the heavy offensive from Britain after a devastating week in which more than 32,000 Allied aircraft battered pre-invasion targets with some 35,000 tons of bombs.

American Thunderbolts operating as fighter-bombers attacked enemy airfields and rail targets in northern France in the afternoon, however, and Britain-based Mosquito bombers resumed their harassment against Nazi installations in the same area, attacking without loss.

In the last daylight hours American medium Marauders attacked bridges in northern France and an airfield near Chartres while Havoc attack bombed an airfield at Beaumont-Sur-Oise, also in France.

More than 325 medium bombers participated in the operation, in which one Marauder and one Thunderbolt escort were reported missing. One enemy fighter was shot down.

The Marauders, racing 4 miles southwest of Paris for their 17th attack on Luftwaffe bases in seven days, were reported to have caused heavy damage at Chartres.

MSC in War Feature Planned for Saturday

The World Travel series is featuring a movie, "MSC at War for Peace," tonight at 7 and 9 in Fairchild theater. It is a color film lasting 20 minutes and was produced with the cooperation of the many campus departments that are helping in the war effort.

"I Met Him in Paris" is the regular travel movie and will complete the program. The main parts are played by Claudette Colbert, Melvyn Douglas, and Robert Young.

Admission for students is by treasurer's receipt. Servicemen are admitted free.

Allied Armies Approach Nazi Defense Line

Tank, Infantry Forces Close in on Mountain Stronghold of Cori

ALLIED HDQ., NAPLES, May 26 (AP) — Veteran American tank and infantry forces smashed six miles beyond newly-captured Cisterna today and seized the enemy mountain stronghold of Cori and a companion drive to the northwest closed on Velletri, strong-point of the Nazis' new "last ditch" defense line 18 miles from Rome.

Velletri was being pounded by massed artillery and its fate appeared to be sealed, Associated Press Correspondent Daniel de Luce reported from the front tonight, and as the Allies fought up the Apennian way there came word from within Rome itself that the approaching battle already could be seen from there.

The Allied armies swept ahead on all fronts, headquarters announcing the capture of nine towns and half a dozen important heights.

The plunge to Cori carried the beachhead forces nearly halfway from Cisterna to the Via Cassilina, escape highway for tens of thousands of German troops hastily falling back toward Rome from the shattered Hitler line in the Liri valley and adjacent mountains. The imperilled enemy forces represented the bulk of the German 10th army.

There was evidence the Nazis were aware of the danger and were withdrawing with all speed toward their new defense line. Today they abandoned lofty Monte Cairo, towering height just north of Cassino, and the town of Roccasecca, eight miles further west.

San Giovanni, at the southern edge of the Liri valley and four miles from the Via Cassilina, also was evacuated in the retreat. San Giovanni had been the scene of extremely bitter fighting in recent days.

China Reports Fall of Capital Loyang

CHUNGKING, May 26 (AP) —The Chinese command announced late tonight that contact with the ancient Chinese city of Loyang had been cut and an official army spokesman said that it probably had fallen to strong Japanese forces which have been besieging it for days. Tokyo claimed capture of the city yesterday.

"Since the night of May 24 the enemy has been making continuous attacks on Loyang," said a Chinese communique. "Since yesterday morning the situation at Loyang has been obscure, as contact with the defenders has been cut."

Maj. Gen. C. C. Tseng, army spokesman, said that although the city probably had fallen he could not announce it formally until he had received confirmation. Loyang, six times capital of China, lies in northwestern Honan on the Lunghai railway, guarding an historic approach to interior China.

The Japanese drive through Honan westward toward Shensi province has been halted at all main points, General Tsang said.

Weekly Letter to Men in the Service

(This open letter to men in the service is a weekly feature of the Michigan State News, describing the outstanding events on campus. Clip it out and mail it to a friend in the service.)

May 27, 1944

DEAREST Johnny:

IFC officers were elected this week with Jack Carrier, Sigma Nu, coming out on top as president. The IFC has been working strenuously lately with various faculty committees so that they can begin post-war fraternity life with a bang.

"Letters to Lucerne," Don Buell's current offering, will practically have a melting pot cast. Nine coeds will be driving their roommates crazy practicing five various dialects from here on till curtain time. Anything for art's sake.

Our stateliest seniors got quite skittish this weekend and frisked about like mere freshmen when they had an informal game night. Monologues, and magic tricks were only a part of the three-ring circus they put on.

We must all be creeping fast towards our second childhood, or else the kiddies are sharpening up at a terrific rate. I hear that the college will offer a demonstration school in grades one to six this summer. We certainly were dull tools having to wait around till we were 17 to come to college.

The band made a noble attempt at an outdoor concert Wednesday night but the weatherman got temperamental and issued forth with a thunderstorm just beforehand. Prof. Leonard Falcone directed and toedled his way through intricate parts of "Rondo Caprice" in a euphonium solo.

The baseball team took a fierce whelping from Grosse Ile Sunday. Six errors helped to account for the sailors' 14-2 win. Wednesday's encounter with the Romulus air base wasn't too encouraging either, since we ended with a 9 to 6 loss.

Still along the sports line, I've got some news about the return to football. Coach Bachman announced that we will meet the University of Maryland on Armistice day after a game with the University of Missouri Saturday, Nov. 4.

Publications row and the speech department outdid themselves last night honoring worthy members in each group. Speeches and awards were much in evidence, and new publications staffs were announced.

I don't feel eloquent today. Maybe it's because my sins are catching up with me and I realize there's so little time to do so much.

Simply yours,
PEG.

Seizure Case Probed By Subcommittee

WASHINGTON, May 26 (AP) — In stinging language, a senate judiciary subcommittee took to task today every government agency concerned in the Montgomery Ward case and declared President Roosevelt had "no constitutional or statutory authority" to order seizure of the firm's Chicago properties.

The conclusions of the majority, Senators McCarran, (D-Nev.) chairman, and Revercomb (R-W.Va.), were sharply criticized in turn by the third member of the subcommittee, Senator McFarland (D-Ariz.).

Refusing to sign the report filed with the full committee, McFarland filed a statement which said the subcommittee had "denied the interested parties an opportunity to be heard" and had based the report "solely upon documentary evidence" and "the conclusions of investigators whose testimony is necessarily hearsay and second, or third-hand."

Spartans Face U. of D. Team in Home Game

Contest Rated as Toss Up Between Both Teams

By JOE HEAGANY

Striving to get back on the blue side of the ledger, the State nine will enter today in the last phase of their home and home baseball series with the Titans. The game will be played at the old college field and will start at 2 p. m.

The motor city men administered a 10 to 6 spanking to the Spartans a few weeks back, and the Spartans will be striving to even accounts as well as retain their 500 percentage for the season. The Titans have shown hot and cold streaks all during their schedule and were beaten by the Detroit Coast Guard team that late smothered.

Hitling Average

On the strength of these facts the contest must be rated as a toss-up although State, instead of improving, has shown signs of grading. In the last two contests the opposing teams have averaged up 23 runs to the Spartans their lonesome eight tallies.

Coach John Kobs has his two mainstays primed for the encounter. Meredith Yarling, who has been pitching in bad luck, and Bob Krestel, the workhorse of the Spartan staff, are set to pitch. Darrell Couey, heralded till the past week, has a slight chance of seeing action.

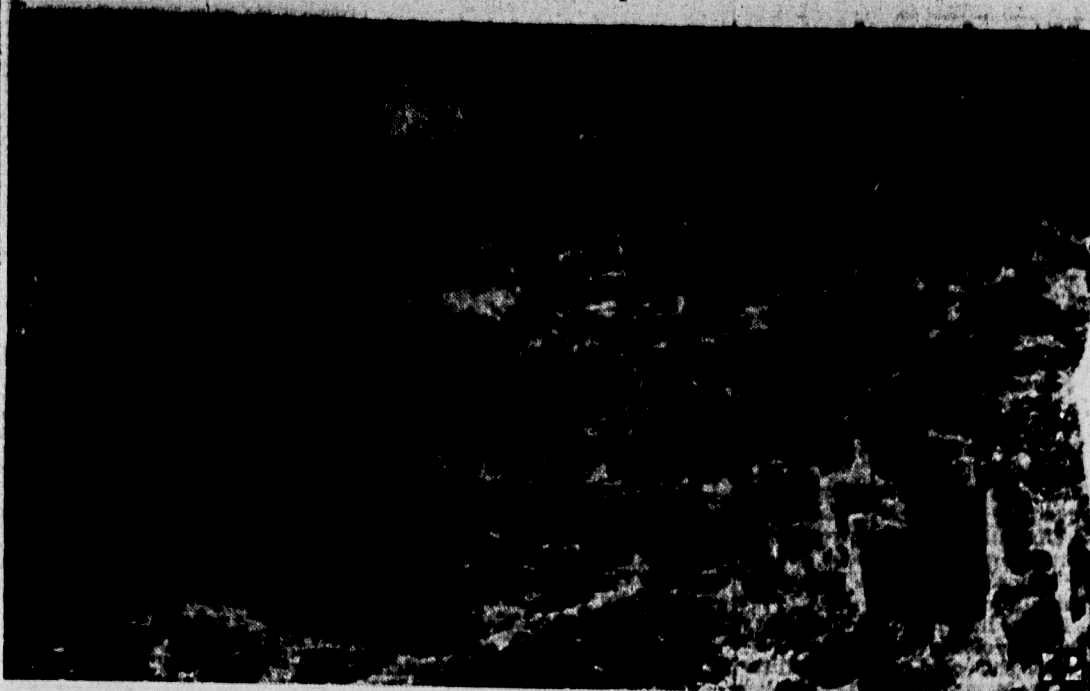

Detroit Hurler

Chuck Cunningham, the Titans' mound star who has chucked all of their contests, will no doubt be the choice of Coach Lloyd Brazil. Cunningham set the Kobsmen down before in convincing style. If Cunningham does not hurl, Bill Pendegrass, who is Cunningham's battery, will get the nod. The Spartan line-up will be the same. Howle Workman on first, Ron Reed on second, Dana Austin at short, and navy-bound MacCris at third. Lee Grunst will be in center, Warren Hennessy in left and Web McDonald in right.

The University of Kentucky has 71 gold stars on its service flag, and 5,700 known alumni and former students in service.

Harvard law school has given Dean and some 1,320 students the war effort.

Cassino—After Four Months of Allied Bombardment

New Student Council Officers to be Elected Monday Evening

Voting for new student council officers will take place Monday evening when all old and new council members will attend a dinner at 6:15 in the Union sun-porch, according to retiring president, Gordon Hueschen, Pigeon senior.

If council members are unable to attend, proxies may be sent with voting instructions. Proxies need not be members of the division of organization from which the member was selected, but will have a full voice in the meeting, Hueschen said.

Newly elected members who will attend the meeting for the first time are Jim Bibbins, Buffalo junior, representing the Ag division; Ed Wallace, Hartford, Conn., junior from the Vet division; Robert Price, Belding sophomore, from the Liberal Arts division; Lois French, Oxford sophomore from the Home Economics division; Helen Fisher, Grand Haven sophomore, from Applied Science.

Others are Bill Coleman, Grand Rapids sophomore from Engineering; Evora Kingan, Grosse Pointe sophomore, representing the women's dormitories; Mary True, Armada sophomore, representing the off campus women; Sally Seifert, Grand Haven junior, representing CDC; Jane Cumming, Detroit junior, president of AWS; Jean McKerring, Flushing junior, as PanHellenic representative.

Women's Sports

By DOTTE VON DETTE

THE SIGMA Kappa's had quite a day Thursday when they played two games in the women's softball tournament. In an afternoon game they hit in 21 runs while keeping the Delta Zetas to 4 runs.

In the evening game, the Sigma Kappas suffered their first defeat of the season at the hands of South Williams. It was a close game, with South Williams winning by only 1 run, the score ending 5 to 6.

Alice Cowles house cinched their block title Thursday night making it a perfect season with their victory over North Williams 4 to 1. The Alpha Phi's chalked up another victory by default from Robinson - Shaw team.

The national telegraphic inter-collegiate archery tournament for women will end tonight at 6 p. m., according to Thelma Junker, Clam River junior, archery manager. High score so far is held by Margaret Mahoney, Whitehall senior, shooting 400. Lucille Cannon, Midland freshman, holds second high score of 306.

State to Return to Before War Sport Program

State will return to a full pre-war athletic program July 1, 1945, Athletic Director Ralph H. Young, announced. The full return was approved by the athletic council recently.

The return to sports decree accepted by the faculty last month, limited Spartan competition to school with only civilian players. Schools having navy or marine trainees were specifically ruled out as foes for State teams.

Young expressed himself jubilantly over the athletic council's decision. "It will permit us to begin negotiating for games during the 1945-46 season right now instead of hoping for games after everyone has completed schedules for this fall," he asserted.

The faculty decision to return to athletics came when most other schools had completed their schedules for this fall. As a result, Young has found booking teams to be a long arduous process. To date only two games have been scheduled, University of Missouri and University of Maryland.

Kenneth W. Kosens, instructor in chemical engineering, is on an indefinite leave of absence. He is now with the Lansing division of the Fisher Body Company designing airships for the army.

Aircrewmen to Hold 'Spring Swing'; Closed Party

Heading social affairs for the weekend, is the Student Club's mixed swim scheduled tonight from 7 to 9 in the pool at the women's gym.

After the swim refreshments will be served at the home of co-chairman, Charles Bostwick, assisted by Eleanor Hammer, Carney freshman.

Patrons for the event are Prof. and Mrs. J. Lill, and Prof. and Mrs. John Price.

The Vets are holding their spring dance in the Union ballroom tonight from 9 to 12, according to Hilda Stroop, Howell junior.

Rosemary Howland and her orchestra will furnish the music. Flowers will be allowed.

All veterinary faculty are invited as guests. Dr. and Mrs. Edward Devereux, and Dr. and Mrs. Lloyd Sholl, will be the patrons.

Tickets may be obtained from any member of the Veterinary council.

College auditorium was opened for the Spring Swing, a closed dance last night for the students of the 2590th base unit.

The Hep Flyers will play from 8 to 11:30 and flowers will be permitted. Refreshments will be served during the evening.

A Sigma Chi radio party will be held in the forestry cabin tomorrow evening from 9 to 12, according to Darrell Couey, social chairman.

Patrons for the party are Dr. and Mrs. Fred Mitchell and Prof. Henrik Stafseth.

Sigma Epsilon Pledges Six New Members

Six new members were elected into Sigma Epsilon, business administration and economics honorary, at the annual banquet last Wednesday in the Union.

Those elected were Virginia Anderson, Cadillac senior, Dorothy Felker, Vicksburg senior; Robert Clark, senior from Branford, Conn., Robert Edgell, Elmira, N. Y. senior; Russell Bailey, Lansing senior, and Ann Moore, Bath junior.

The duties of president are to be handled by Miss Anderson, and Miss Moore was chosen as secretary-treasurer.

Monetary Parley of Allied Nations Asked for July

WASHINGTON, May 26 (AP) — President Roosevelt sent out a call today for a conference of the united and associated nations on post-war money problems starting July 1.

He invited 42 governments, including the French committee of liberation, to send representatives to Bretton Woods, N. H., for consideration of proposals which include:

1. An international monetary plan, revolving around an \$8,000,000,000 gold-based stabilization fund, providing for a value in gold for each nation's currency and restricting fluctuations of any country's market transactions in money of other countries.

2. A \$10,000,000,000 international bank for reconstruction and development — a sort of world RFC.

Any agreements reached at the conference — first full-dress world parley summoned by President Roosevelt — would be subject to approval by the governments represented. In the case of the United States, this would mean congressional approval.

Pilot Draws Reprimand for Bombing Difficult Unassigned Target

LONDON, May 26 (AP) — Capt. Randall W. Hendricks, Thunderbolt fighter-bomber pilot of Youngstown, Ohio, destroyed a vital bridge by himself behind Hitler's west wall in Belgium, — but drew an official reprimand, nevertheless because he wasn't assigned to that target.

Hendricks with other Thunderbolt pilots was on the way to bomb a target in Belgium when he spotted a bridge and flew down and attacked it.

When he returned to a base a reprimand by Col. Gilbert L. Meyers of Milford, Iowa, awaited Hendricks for bombing the wrong target.

SPARTANS

bolt fighter group stationed in Italy, it was reported from the unit's base. Lieutenant Lott has been on active overseas duty for six months.

Emil Nakfeer, '48, has been notified by the war department to report July 1 at West Point for entrance as a cadet. Nakfeer was recommended as a first alternate for an academy appointment by Congress Blackney.

The death of A/C Bill DeCou, '45, from Hastings, who was previously reported missing on a Liberator bomber since March 3, has been announced. His body was found near Riverside Mountain, Calif., May 12.

A visitor on campus last week was Capt. Bob Allman, '36, who has just returned from 23 months in African and Italian combat. Captain Allman is now enroute to Fort Knox for his new assignment.

He served as the administrative officer in the headquarters company of a tank outfit and also witnessed the eruption of Mt. Vesuvius. Captain Allman was a football star while in school.

Another former Spartan who visited the campus last week is Pvt. Tom Smith, '45. Private Smith was home on furlough from the basic training camp of the United States marine corps at San Diego, Calif.

Also stationed in California is Lt. Bob Swabe, '45, who is a navigator on a B-24 at the army air station in Fresno, Calif.

Pfc. Don Winter, '45, is on duty with an infantry unit at Camp Phillips, Kans.

John Bucciero, '44, has recently been promoted to first lieutenant at Central signal corps school, Camp Crowder, Mo. Born in Pietramelara, Italy, Lieutenant Bucciero lived as a youth around Naples and Cassino.

Last Saturday marked the graduation of Robert Essenberg, '46, as flying officer in the army air forces. Lieutenant Essenberg won his silver wings at the Big Spring bombardier school, Big Springs, Texas.

Turner Field, Albany, Ga. recently was the scene of promotions for two former Spartans. A/C Robert Jacobs, '46, has been commissioned a second lieutenant in the army air forces and Richard Keyes, '45, has won his silver pilot wings and was promoted to the rank of flight officer in the army air forces.

Gets Appointment

VICE ADM. AUBREY W. FITCH (above), recently returned after four years in the Pacific, where he commanded south Pacific forces which Secretary of Navy James V. Forrestal said "drove the Japanese out of the air," is to become deputy chief of naval operations for air, succeeding Vice Adm. William S. McCain, Forrestal announced. Vice Adm. Fitch is a native of St. Ignace, Mich.

Cerman Convoys Feel Red Attack in Barents Sea

LONDON, Saturday, May 27 (AP) — The Russians reported early today that bombers of the Red Fleet air force had attacked German troopships in the Barents sea, north of Norway, early Friday morning, sinking two transports and a destroyer and damaging three others.

The Soviet announcement in a midnight war bulletin did not specify whether the transports were carrying new German forces to Norway or withdrawing troops already there.

Earlier the Germans, in a communique, had reported the attack on their convoy and claimed to have shot down 69 of 80 attacking planes. The Russian bulletin said only seven bombers were lost in repeated "mass attacks with bombs, gunfire and torpedoes."

This was the first time in months any large scale German troop convoys have been reported in Arctic waters.

The Soviet communique supplemented said the convoy consisted of five transports, five destroyers and other "guard ships" and an air cover.

Transports sunk, the Russians said, had a displacement of 15,000 tons. The Soviets also claimed they had shot down 10 German planes.

There was virtually no ground activity along the extended eastern land front, the supplement said, the only skirmishes being southeast of Stanislawow where for weeks the Germans have been making reconnaissance raids.

Five new curricula in business have been introduced at Rhode Island State college to qualify men and women for war industries and the armed services.

Invasion Leader Finishes Review of Allied Troops

LONDON, May 26 (AP) — Gen. Dwight D. Eisenhower whose word will hurl the full might of an Allied invasion upon the Nazi-bound continent, returned to supreme headquarters today after a swift inspection tour of British land forces under his overall command, well pleased with the thorough training of this army Britain has assembled to bring vengeance to the Dunkerque of four years ago.

He pronounced the men fit and ready for their part in the job to come — and that probably was his word to their king, who he visited briefly upon his return from the field.

In Moscow, declaring that the whole great fighting alliance was poised on the "threshold" of new events which will be historic, the official Soviet newspaper, Izvestia, said that "the day is not far distant when the world will see Anglo-Soviet-American military might develop in all its power."

For their part, the Germans expect Allied power to reach climatic maximum by this summer, according to the Nazi news agency DNB.

Seeking to take the edge of German tension, drawn out 18 months of faltering defense topped by looming defeat in Italy and merciless battering of Allied bombers, DNB in a dispatch went back to its favorite hint that Germans would not wait forever for the invasion.
