New Student Council Constitution Initiated With Coming Elections

All students aspiring to Student council offices should pick up application blanks which are now available at the Union desk. They must be filed with Student council by noon Friday, the deadline for candidate petitioning.

Primary elections will be held next Wednesday, and the following Wednesday, May 15, is the date selected for the final elections.

Members Elected by Schools

Under the new constitution, representation on the council will be divided between the six schools and Basic college in proportion to student enrollment. Basic college representation will be divided according to class, with two-thirds sophomore and one-third freshman.

According to the present enrollment, two members each will be elected for the schools of agriculture, business and public service, engineering, home economics and veterinary science and four from science and arts. Basic college will have seven members, four sophomores and three freshmen.

Regulations to be Announced

Campaign regulations for the elections will be announced later this week, council elections chairman, Bill Page, Muskegon sophomore, has indicated.

Candidates surviving the primary elections will be given an opportunity to express their views and make a statement of the policies they expect to pursue in office.

Court Grants City Time For Appeal

Seeking to maintain the standards built up in the city in the past years, the city of East Lansing has requested and been granted a 10-day period by Circuit Judge Paul G. Eger in which to appeal to the state supreme court.

Judge Eger ruled Monday that the city would issue a permit for construction of an apartment house near Bailey school which it had previously denied upon petition by the citizens.

City Attorney Harry Hubbard asserted that the usual time granted in such cases was a 20-day period, although only 10 were allotted.

The case was brought up when Arthur Teglund, Lansing contractor, was denied a permit to build a 15-unit apartment house within the multiple dwelling zone because of danger to safety, health and general welfare of the area.

Senior Class to Hold Informal Date Dance

First of the three Wednesday night senior dances will take place tonight in the Union ballroom, Jack Breslin, senior class president, stated yesterday. The dances will be from 9 to 11:30 p.m. and senior women will be given 12 a.m. permission.

Orchestra for the event will be Jimmy Shafer. Couples admitted will have to have at least one a senior who will identify himself at the door.

Firm Agents To Visit MSC

K. W. Thompson, assistant personnel relations officer of Michigan Bell Telephone company will be on campus tomorrow to interview men and women seniors in technical and non-technical training who would be interested in working in the company's commercial department as service representatives.

Members of National Field staff of Girl Scouts will be at the placement office next Tuesday to interview women interested in professional girl scout work for the summer, preferably majors in sociology, education, physical education, home management and child development and those interested in working with young persons.

Counseling jobs for men and women, preferably upper classmen, will be open during the summer at Camp Sherwood for boys, and Huntington camp for girls both in Boyne City, Michigan. Jobs in the commissary are available to senior hotel administration majors. Inquiries and appointments for interviews may be made at the Placement office.

Representatives from three national and state organizations will visit Michigan State this week and next to interview students interested in jobs. Tom King, placement office head, has announced.

News in Brief

LONDON, April 30 (AP) — Prime Minister Stalin promised tonight that the Soviet union would be true to a policy of peace and security but charged that what he described as "international reaction" was hatching plans for the new war. In an order of the day broadcast by the Moscow radio, the Russian leader also declared that "the nations of the world do not wish a repetition of the calamities of war."

EARLE, N. J., April 30 (AP) — A series of three explosions followed by fire wrecked a navy destroyer escort, the U. S. S. Solar, while it was unloading ammunition today at the navy's Earle depot pier in lower New York bay, putting one officer and four (CQ) enlisted men on the missing list and injuring nearly 150 others.

New President Tapped

The nine junior women who will wear their mortar boards to classes today include new president Jane Cade, East Lansing, who is treasurer of Town Club. She is also treasurer of the junior class, and was a member of Tower Guard during her sophomore year. Miss Cade is affiliated with Pi Phi Beta sorority.

Also tapped was Gloria Capriano, of Detroit, who is vice president of the judicial-legislative branch of AWS. She has served as dorm representative to AWS, and is a counselor at Williams dormitory under the new honor system in women's residences.

Phyllis Collins, a new mortar board from Spring Lake, is a music major who gained fame as the Grand Rapids symphony contest winner. She is a member and officer in the music major's club, and plays in a string trio that has appeared on campus for many activities.

Discussion Enlivens Learning

Many instructors at State pursue a policy of lectures only in the classroom and turf thumbs down on discussion by members of their classes. In subject matter conducive to discussion and controversy, this procedure is in direct contradiction to the laws of learning.

What is the professor's role in the classroom? Shouldn't he be more than simply a guide in the student's quest for learning?

By furnishing background for learning and thinking, the uninterrupted lecture may be necessary, but lectures can only provide material for thought and not thinking itself. This must come from the student.

Interchange of ideas through discussion is fundamental to learning. Cold facts must be enlivened by comments and discussion. Only by hashing them over do they become meaningful.

A professor's competence should be determined by his ability to inspire discussions rather than his ability to merely mouth well-worn postulates.

Through added class discussion, MSC can turn out students who will know how to think as well as what to think about.

May To Begin With Crowded Social Life

The "merry month of May" is proving just that with numerous social events crowding the calendar for the coming weekend.

Among mid-week affairs is a birthday dinner at East Mayo dormitory tonight from 5:30 to 7, according to Betty Rypsam, Detroit sophomore.

Also included is the Abbot hall and South Campbell exchange dinner Thursday, for which Mrs. D. Meyers is patron, announced Jennie Hutton, Yale sophomore.

The Alpha Tau Omegas will hold an exchange dinner tomorrow with the Kappa Deltas.

Events Planned for Friday
Starting the first May weekend, Friday night events are many and varied.

The Wells hall term party will be held in the Union ballroom from 9 p.m. to 12 midnight, said Wallace Van Stratt, social chairman.

Radio Parties Held

Prof. and Mrs. Walter Quirt and Lyle Maxwell and guest will be patrons for the Phi Kappa Tau radio party, said Paul Saunders, Hamburg N. Y., senior.

Rochdale house is holding a werner roast at Pinetum at 6 p.m. A radio party at the house will conclude the evening, according to Pat Lamic, Detroit sophomore, social chairman.

A radio party at the Pi Beta Phi house will be held from 9 p.m. until 12 midnight stated Margaret Jury, Pleasant Ridge junior.

Palestine Report Publicized

Anglo-U.S. Commission Calls For Holy Land Open To Jews

WASHINGTON, April 30*

An official British-American committee of inquiry on Palestine recommended today that the gates of the Holy Land be thrown open immediately to 100,000 European homeless victims of Axis aggression.

In a 30,000 word report on its 10-month investigation, the committee went firmly on record against making Palestine a Jewish or an Arab state.

It said that the government ultimately established there "international guarantees to protect Christian, Jew and Moslem."

Called for continuance of the mandate under a trusteeship of Britain since 1922.

Called for the execution of a trusteeship agreement under the United Nations. This, it accepted, would nullify Britain's plan to terminate the mandate by establishing an independent Jewish state.

Simultaneously, the committee called for a mandate if its report is accepted. It should be made clear to both Jews and Arabs that any attempt from either side, by threats of violence, terrorism, or by the organization or use of illegal armies, to prevent its execution, will be immediately suppressed.

Through the committee was formed by the two governments, there was nothing in its recommendations to make acceptance of the recommendations obligatory upon either Britain or the United States.

Oppose Plans Jewish Solution

Jerusalem, April 30 (AP)— Jewish leaders declared tonight that the British-American inquiry committee's report on Palestine would plunge the Holy Land into bitter strife and drive the middle east into the hands of Soviet Russia.

An office in a state department report — which urged the immediate admission of 100,000 European refugees to Palestine — "must be rejected by the unanimous endorsement of the Arab and Moslem peoples."

Mayor Card Outlines Two Weeks' Program To Help Europeans

Mayor Carl G. Card called on the people of East Lansing at a meeting Monday night to participate in the current nationwide campaign to collect money and canned goods for Europe's starving peoples.

Starting May 12, the drive will be carried on for a two-week period. Money and canned goods collected will be utilized through the food distribution section of the United Nations Relief and Rehabilitation association.

The type of canned goods sought includes milk, soups, vegetables, fruit, peanut butter, fish and meats. Collection depots will be made available to receive contributions.

Recalling the enviable record East Lansing made during the clothing drive, Mayor Card expressed his belief that the people would do as well in this forthcoming food collection campaign.

Ag Honorary Reorganizes

With the postwar world becoming a reality, more and more campus organizations are reactivating. Kappa chapter of Alpha Zeta, national agriculture honorary, inactive since April 1943, is the most recent group to begin reorganization.

Alpha Zeta, very strong nationally, has as its purpose the development of leadership and scholarship, and the fostering of a closer relationship between faculty and students. Approximately 76 grad students are members of the organization, one of the oldest honoraries at MSC, which has been on campus for over 40 years.

At present there are only three active members, but smokers are being given to acquaint prospective members with the organization and its purposes.

Members are selected on the basis of activities and scholarship, having to be in the upper two-fifths of the agriculture division and be juniors or seniors. Each year the freshman with the highest scholastic record is presented with a cup.

Character, potential usefulness and service to the community are also features of Alpha Zeta, the only honorary for men in the agriculture division.

Before the war, the organization boasted a membership of 87 graduate and faculty members and 42 active members.

Albion Ceremony Viewed by MSC Faculty Group

Fourteen members of the staff of Michigan State College appeared in an academic procession in Albion Friday as Dr. William Whitehouse was inaugurated eighth president of Albion college.

Chosen by their own alma maters to represent them in the honorary march and ceremony, the fourteen state men heard Dr. Harold Genn Moulton, president of Brookings Institute, Washington, D. C. outline the economic future of the United States in his inaugural address.

Dr. John L. Seaton, retiring president of Albion voiced the sentiment of "the joys and sorrows of being a college president" in his charge to the new president.

Home Ec President Named

Home Ec club president Jane Hellog is affiliated with Kappa Delta sorority and is from Cleveland Heights, Ohio. She has served as editor of the Home Ec Herald, publication of that department, and was another Mountain Board member who was also tapped during her sophomore year for Tower Guard.

Ann Metzger, of Toledo, Ohio, who was also honored today, is president of the Women's Athletic association. She is dormitory representative to AWS and is affiliated with Alpha Gamma Delta sorority.

Also tapped was Jean Proctor, Detroit, who was recently elected president of the activities board for AWS, affiliated with Chi Omega sorority, and a mem-

ber of Green Splash, women's swimming honorary.

Active Home Ec Major Named

Ninth coed to be tapped was Margaret Wallace, Dearborn. She is province president of the American Home Economics association and vice president of the MSC Home Ec club. Another Tower Guard member, she was awarded the Snyder cup for the highest scholarship in home economics during her freshman year. Miss Wallace is a member of Alpha Phi sorority.

Mrs. Don Buell, former assistant professor of home management and child development and retired head and organizer of the MSC nursery school, was tapped by the group as the second non-career Michigan State member. Mrs. Buell has been active as the faculty advisor of the organization for two years, as well as being in other campus activities. She retired from the staff last year. Qualifications for honorary members are comparable to those set up for active members.

Miss Elizabeth Conrad, former dean of women, was the first honorary member of the group. The 34 freshmen tapped for the sophomore honorary by Pres. Judy Longnecker, East Lansing sophomore, make up the second largest group of women the organization has had.

College Coeds Follow Long-Standing May Day Traditions

Campbell Women Will Fete May Day With Serenading

By SYLVIA CIERNICK

In line with May day festivities throughout the country Campbell hall women will continue a tradition when they once again hit the high notes this evening.

For the past three years May, the month of flowers, has been officially announced to Mrs. John Hannah and Mrs. Isabelle Gonon, counselor of women, by the serenading of Campbell hall coeds.

Sometime after sunset the women gather around the President's and Mrs. Gonon's homes with a host of songs and a bouquet of "first of May" flowers which are left on the doorsteps.

Women Extend Plans

This year plans have been made to extend the May serenading so that it will include the fraternities and men's dormitories on campus. After leaving the President's house the coeds will find their way through the streets of East Lansing stopping at the various men's residences with a song as part of the May day program.

The tradition can be traced back to England where English lassies were supposed to go out into the fields all night to collect spring flowers. The next morning they would return and

sing to the various villagers leaving bouquets in front of the doors.

Coeds Compose Songs

Included in the list of songs to be sung this evening are two new Campbell songs written by Norma Smith, Bellaire sophomore, and Irene Kraski, Dearborn junior.

Theta Sigma Phi Pledges Women

Five women were pledged yesterday to Theta Sigma Phi, women's journalism honorary. President Jean Jarvis, Detroit senior announced.

Journalism students pledged were Laz Corry, East Lansing junior; Pat Delahunte, Grand Rapids junior; Helen Gover, Mt. Pleasant junior; Margie Hale, Wyandotte junior, and Jill Lippert, Detroit junior.

AWS Warns Women On Late Returns

Women are asked by AWS to remember that when they return on Sunday night from out-of-town on a late permission they will receive straight late minutes for the time that they are late.

While any woman may petition to the board to have late minutes excused whether they number 15 or less they must have a reasonable excuse for the action, judicial-legislative head, Margaret English, Dearborn junior, said at the meeting last night.

Previously the board has ruled that there will be no guests in the women's residences the weekend before final examinations. An exception is being made for graduating senior women by enabling them to have that week-end since it is also the weekend of graduation.

Schools Celebrate Coming Of May In Varied Ways Throughout Nation

May day celebrations at colleges throughout the country take on various forms today as coeds welcome the outbreak of spring and the end of winter's hold.

May 1, at one time recognized with Roman festivals in honor of Flora, goddess of flowers, and later with ancient Druid rituals, has been taken over in recent years by the women and younger girls as their day.

Schools from the first grade through college throughout the country choose a Queen of the May on this day to preside over planned festivities.

Vassar Has Games

Women's colleges in the East are especially noted for their May day celebrations. Vassar and Bryn Mawr each year plan a day of games, athletic contests and May pole dancing. Alumni from all over the country return to their colleges to watch the festivities.

At Wellesley coeds have chosen May 1 as the day for the annual hoop rolling contest for sen-

iors. The winner of the race is marked as the next one to marry.

Albion Uses Flowers

Flowers also play a large part in May day celebrations. At Albion college coed underclassmen hang traditional May baskets filled with spring flowers on the doors of all the senior women.

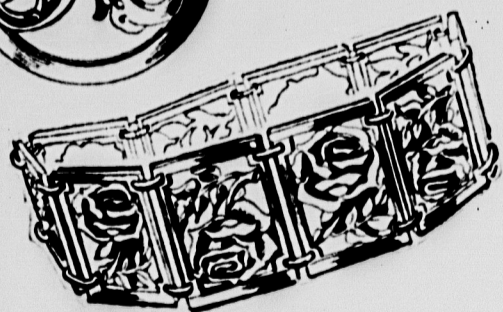

One tradition which the American girl has not continued since the advent of rouge and freckle creams is explained in an English diary. On the morning of May 1 if a young woman goes into the fields just as the sun rises and washes her face in the fresh dew in a private place where no one can see her, for 12 months she will have rosy cheeks and never need fear the curse of freckles.

The umpire had the last word and Durocher was banished from the game. However, his charges whipped the Giants to the tune of 11 to 3.

Peppers Pitches Farmhouse To 4-0 Victory In IFC League

In the Interfraternity softball games played last night, Farmhouse came through with the best pitched ball game of the evening when it toppled the Phi Kappa Phi 4-0 behind the stellar pitching of Bert Peppers, who gave up but two hits while striking out eight. Herb Lang was the batting star for the victors, riving in two runs.

Alpha Tau Omega continued its winning ways, beating Sigma Alpha Epsilon, 7-3. Jack Sprague pitched effectively all the way for the ATOs, and helped his win cause at the plate with a two-base hit. Dick Forbish and Sam Ferraro came through with no hits apiece to lead the attack. This was the third straight win for the ATOs.

The Sigma Nus ran up a landslide 16-2 score over the hapless Ignatius outfit as every batter in the winners helped himself to base hits. Jim Pruitt won the title for the winners without any trouble, while Fred Meyer ayed the distance for the losers.

Chet Aubuchon Signs With Dow Cage Team

By CHARLEY GABEL

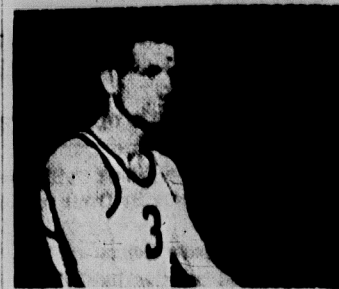

An all-American cage star while at MSC, Chet Aubuchon has signed to play with the Dow Chemical professional five for the 1946-47 season. Aubuchon, was discharged from the navy last January, after 27 months in the Southwest Pacific.

It will be a long time before Spartan cage fans forget "Little Aubie," the fellow who could do no wrong on the hardwood.

Aubuchon came up to State with the "Gary gang," the name of a group later to be synonymous with "tops" in MSC basketball. The five-eight sharpshooter came to State in 1938 and quickly gained a first-string berth. At the end of two bril-

lant seasons, Aubuchon was named team captain, but fate intervened.

While working in the campus electrical shop that summer, he scratched his finger. The scratch

CHET AUBUCHON

became infected and a severe blood poisoning resulted. Transfusions became necessary. For a time, doctors held little hope for him, but they didn't know "Aubie."

Aubuchon recovered and heard the doctors' verdict: he would never play basketball again since the infection had infected his heart.

By constantly appealing to doctors and to Coach Ben A. Alstyne for permission to play "Little Aubie" finally came back and again proved himself to be the "Houdini of the hardwood," his ball handling, passing, and dribbling was beyond peer, his leadership beyond reproach.

WOMEN'S SPORTS . . . By Barbie Allen

APPROXIMATELY 60 women golfers turned out Monday afternoon at Glenmore golf course for the annual nine-hole tournament consisting of three games. Bunny Genebach and Mary Kyte of Kappa Kappa Gamma both shot 45.

Sigma Kappa was second having the combination of a 47 for Len Coolman and a 59 for Martha Brown.

West Mayo took a third as Mary Bomgarten hit a flat 50 and Joyce Seatey slugged in a score of 53. With Jenny Chaplen's 47 and Sally Woodbury rounding the greens with 47 and 60 respectively, Delta Zeta pulled into fourth place.

Other top linksters were Kitty Weiss with a 50, Doris Dedrich, Jane Hite, Barb Tuttle, and Lois Dingledey all with 57 strokes.

The next tournament is scheduled for Monday at 4 p.m. Contestants' names and fees must be in Miss Parker's office today by 5 p.m.

As the women's softball loop reaches the mid-season mark, several teams are having a tough time trying to take over the first place position in their blocks.

Alpha Phi and Masop 1 are tied for first place in their respective block with three wins and one tie each.

Yesterday these two clubs

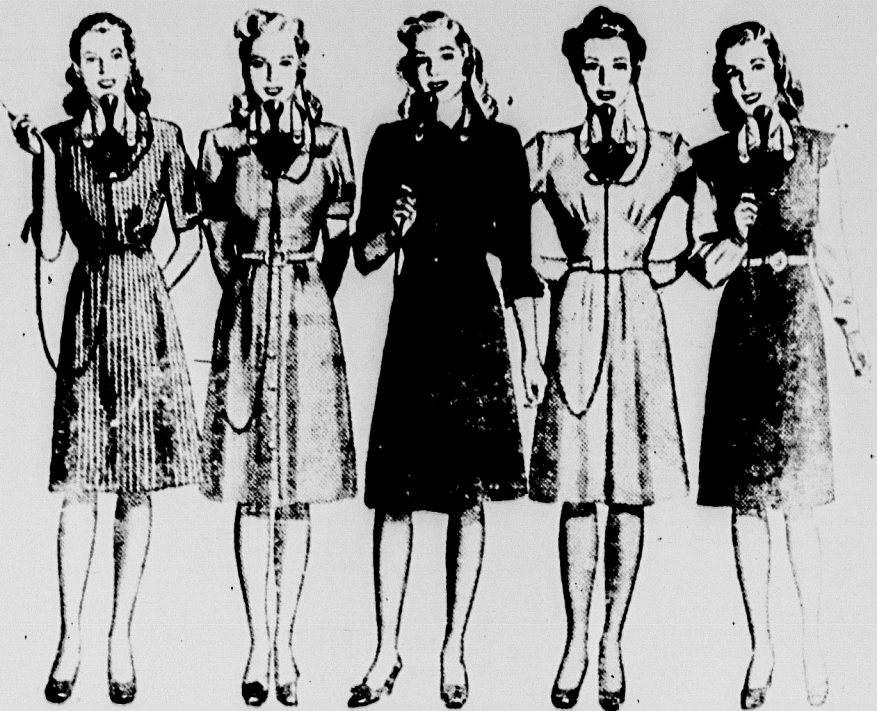

played each other in a tie game. The league leader, Delta Zeta, collected as the score was three runs.

Joyce Johnson pitched for the Alpha Phis as they had better luck last week when trouncing the Theta Chi 11 to 4.

Robinson, however, is a contender for first place in the block as it remains tied with Kappa Kappa Gamma, 2-1, and took a close game at West Mary Mayo.

"We're featured in the program!"

As a part of its big expansion and improvement program, Michigan Bell expects to train more new operators this year than the total number of operators in 1940 . . . while the Bell System is adding as many miles of new Long Distance circuits as the total mileage twenty years ago.

But, right now, Long Distance lines are carrying the heaviest load ever: calls home by returning service men, business and recreation calls, and just plain "social" calls. So along certain routes at certain times, delays may occur for a while longer.

MSC Out To Stop Titans, Break Local Losing Jinx

When the University of Detroit baseball team comes into East Lansing Saturday for the third Spartan home game, State will be trying to shake a jinx that Michigan schools have cast over them so far this season. The Spartans, once the possessor of a perfect 11-game record this spring, have not been able to win a game from the last three colleges that they have played.

The University of Michigan named the MSC nine back a week ago by the score of 4 to 2 and then the Spartans dropped the following day to Wayne Detroit, 8 to 7.

Again playing away from home Saturday, Western Michigan pitching power proved too much for the State hurling staff when they pounded the three, top Spartan pitchers for a total of 13 runs and beat State 9 to 1.

Surprise of League

The Detroit Titans are the surprise of the Michigan college baseball season having won three straight games. With wins over Central Michigan, Selbridge and an base, and Michigan when they met the Wolverines in Michigan yesterday their record test.

In the 12 previous tilts between the Spartans and Detroit, State has taken nine of the games.

Jayvees Win Second In Row

Trying for their third straight win, the Spartan Jayvees will meet Muskegon junior college today at 4 p.m. on the freshman diamond. Coach Doc Mantop's junior club won over Motor Wheel of Lansing yesterday, 6-4, for their second victory.

Behind 1-0 in the seventh, the Spartans scored five runs on only one hit. Three errors and three walks proved to be the downfall of Motor Wheel pitcher Norm Stofer. Norm Schmitzer got the lone hit, a single, to drive in two runs.

Motor Wheel rallied in the eighth for three runs on three singles, a walk and an error, but fell short of tying the score by one run.

Jim Grubosky tripled to open the eighth for the Spartans and scored on an error for the final run of the game.

Ken Jordan pitched the first five innings for Michigan State and was touched for two hits and a run in the second inning. Lefty Mardian, who relieved Jordan, was wild and in trouble every inning but managed to work out of the bad spots.

Motor Wheel will return for a second game Saturday, May 11.

Bobby Feller Hurls No-Hitter As Indians Beat Yankees, 1-0

NEW YORK, April 30 (AP) — Rapid Robert Feller, Cleveland's fire-balling righthander from Van Meter, Ia., convinced 37,144 Yankee stadium fans and the New York Yankees today that he isn't slipping by throwing a no-hit, no-run game against the Bronx Bombers for a 1-0 decision on Frankie Hayes' ninth-inning homer.

The 26-year-old speedster walked five men and struck out 11, allowing only one Yankee to reach third base, as he duplicated his opening day no-hit feat of 1940 when he blanked Chicago by the same 1-0 score.

Never in the history of the stadium and not since 1919 had a Yankee ball club been held without a single safety. Ray Caldwell of the same Cleveland club did the job in the first game of a doubleheader.

Drama in Finish

Just a week ago, Ed Head of the Brooklyn Dodgers had tossed a no-hitter against the Boston Braves for the first near-perfect game since Sept. 9, 1945 when Dick Fowler of the Philadelphia Athletics turned back St. Louis without a safe blow.

Feller actually was pitching out of turn as it had been Albe Reynolds' assignment to pitch the opener of the New York series. But when yesterday's game was rained out, Manager Lou Boardman switched to Feller who was slightly amused and just a little peeved at reports he was slipping because he had lost two of his three starts.

The no-hit story was strictly a drama of batterymen for the opposing pitcher, Floyd Royen had gone right down to the wire with Feller in an eight-inning, scoreless duel, and the winning blow came off the bat of Bobby's catcher, Hayes.

No-Hitter Last Week

There was drama in the ninth inning finish as George Starn was got on first when Le Fleming let his bunt go through his legs for an error. Tomm Henrich's bunt moved him a second and he advanced to third on Joe Dimaggio's infield out. Keller then rolled to second baseman Ray Mack to boost thunderous roar from the tens throng.

Feller had nine of his 11 strikeouts in the first five frames and he whiffed first basemen Ellen and Royen three times each.

Boston Blanks Detroit, 4-0

BOSTON, April 30 (AP) — With manager Joe Dolson turning in a hard straight win with a no-hitter, the Boston Red Sox advanced their western campaign by shutting out the championship Detroit Tigers before an 18,887 paid crowd.

Following with Hal Newhouse, the Boston pitcher got the nod from his team, including an eighth-inning homer by Bobby Doerr. Feller had nine strikeouts and Newhouse presented the Sox with their first run on a wild pitch.

Newhouse greeted with a leadoff, Eddie Lake, who did not give the Tigers a hit until he had two out in the eighth. Hank Greenberg doubled off the left side but, after Dick Green hit out an infield fly, Newhouse ended the game by grounding Pat Mullin to ground.

Newhouse was the first Boston pitcher to walk in the eighth, he was advanced to second by DiMaggio's two-out, right-center, and Newhouse on Newhouse's leadoff.

Tommy Calbertson singled in the seventh, Newhouse struck out Williams and both were New York double to end the game.

Newhouse, his second straight win, and the club's 10th, was the right fielder in Newhouse's first game of the season.
