

## Now It's Up To You

The local committee for the World Student Service fund has done its job. It has set up the necessary facilities to collect money for relief to students throughout the world. It has almost 60 volunteers in the field to collect funds personally and has placed collection boxes on the upper deck, in Mason and Abbott halls, and in the Quonset cafeteria. Now it's up to us, the students, to put the drive over the top.

We have seldom seen a drive with a higher, more worthy cause to support. As students we must realize that we are being trained for leadership, not local or national, but world leadership.

We cannot expect world cooperation in the future if we cannot deal with persons with similarly adequate training from other countries.

To win requires more than just the will or the determination. It requires food, clothing, shelter, textbooks, money to support the institution and pay the fees. We are not living in a paradise here, but we have the fundamental needs. They are not.

To attain the goal of \$7,491 each and every student will have to make a generous contribution. It's up to us.

## AWS To Hold Primaries For Activities, Judiciary

Women Voters Must Present  
I. D. Cards, Activity Books

Primary elections for AWS activities and judiciary boards will be held on the lower deck of the Union today from 8:30 a. m. to 5 p. m. To be eligible for voting, women students must present their college identification cards and activity books.

These running for office are: Fay Blakely, Rockwood junior; Pat Crane, Jackson junior; Cora Frey, Detroit junior; Gladys Gilchrist, East Lansing junior; and Lois Goodman, Ingalls junior.

Other candidates are: Marilyn East, Grand Rapids sophomore; Jane Baker, Bay City sophomore; Anne Miller, East Lansing sophomore; Gladys Sommer, Grand Rapids sophomore; and Gwen Schuchman, New York junior.

Members eligible to run for an office on the AWS are: Rachel Hogg, Ypsilanti junior; Jane Baker, Bay City sophomore; Gladys Sommer, Grand Rapids sophomore; and Gwen Schuchman, New York junior.

The three candidates on each board will poll the largest number of votes will complete in the final election next Monday for presidency of the group.

Members of the AWS are urged to vote in the final election.

## Faculty Group Calls AYD Members

## Spartan Cagers Nose Out Marquette, 56-55

### State Outlasts Last Minute 'M' Rally

Roberts Sets Pace With 16 Points; Caswood Gets 11

MILWAUKEE, Feb. 3 (AP)—Michigan State's Spartans made it two in a row for the season over Marquette tonight, edging out the Hilltoppers 56-55 in a hard fought game.

The Spartans romped off with an 8-2 lead in the early minutes and the Hilltoppers caught up at 16-14 only to have Michigan State roll away to a 30-22 lead at the intermission. Robin Roberts, State forward, poured in nine points in the first half and added seven more in the second period to take the scoring honors.

Marquette flaked in five consecutive shots to open the second half and pass the Spartans for the first time, but shortly afterward Hilltoppers forward Ed Sutowick and Gene Bercy fouled out and Michigan State regained the lead. MSC stayed off a Hilltop rally in the closing moments.

(See MARQUETTE, Page 3)

### Adler, Draper Team To Give Top Exhibition

By MARYAN HARCUS

With a harmonica and a pair of taps, Larry Adler and Paul Draper played and danced their way through a concert program in the college auditorium last night.

They opened the concert with slow, classical numbers, gradually speeding up and ending with the ever popular, Mary's Little Lamb.

Adler's best numbers were "The Hungarian Rhapsody No. 1" and "Apropos of a Fair." He played the highlights of "Dancing Queen" and "Milk and Honey." The Draper's best numbers were "The Blue Bird" and "Folk Music." Both artists presented their versatile abilities.

The first duet, "Improvisation," was played in the style of Antonio Gaudin. Both artists presented their versatile abilities.

The Ad Lib duo, was the most novel piece of the show. Adler and Draper called for songs from the audience and proceeded to compile a medley of "Smoke Gets in Your Eyes," "On the Street," "Dark Eyes," and "Tiger Rag" (requested by Adler).

The two artists, and John Coleman, pianist, completely won over the audience which was small in number, but loud in praise of their versatility and originality.

### WSSF Adopts Symbol

World Student Service fund publicity director, Lou Price, East Lansing, is shown above with co-chairman Harvey Smith, La Crosse, Wis., and Judy Lomberger, East Lansing, before the organization's symbol on the Union's upper deck. Their goal is \$7,491 for aid to destitute students throughout the world.

### Thirteen Enter Speech Contest In Auditorium

Thirteen students will compete in the Campus Oratorical contest tonight at 7:30 in the Student theater, room 49, College auditorium.

Subjects in the women's division will be: Bernice Gifford, DeKalb; Leslie Erickson, Taylor; Ruth Hays, St. Louis; Mary Kay Hagfield, Gloria Patton, Saginaw; and Vern Jean Smith, Lansing.

Men's division entrants include the following: Lerne Block, M. Pleasant, Flint; Clark Saginaw; William Grant, Fairport, N. Y.; Richard Goldfinger, New Rochelle, N. Y.; Samuel McGee, Lansing; Earl Rader, Cadillac; and Richard Thurm, East Lansing.

First and second place winners in each division will not only become eligible to represent State in the Michigan Intercollegiate at Kalamazoo on March 2, the State Peace Oratorical at Ypsilanti on February 18 and the Provincial P. Kappa Delta at Bowling Green, Ohio, but will also receive from the Student council cash prizes of \$10 and \$5 respectively.

The five following faculty members will act as judges: Prof. Paul Bagwell, Acting Chairman, Department of Speech; Asst. Prof. J. D. Menchhofer; Mr. Harold Sponberg; Mr. Reginald Holland; and Charles Hampton, Coeditor of Oratory.

The event is open to the public.

### Journalism Frat Meets Thursday In Sandy's

Sigma Delta Chi, national professional journalism fraternity, will have a dinner meeting at 6:30 p. m. Thursday at Sandy's grill, according to Tom Riordan, president.

Professional men from the Lansing area have been invited to the dinner at which the 10 members will be pledged.

The speaker for the evening will be Mr. Edwin Wintermute of the journalism department.

## NEWS IN BRIEF

### Promote Arms In Palestine

JERUSALEM, Feb. 3 (AP)—Mayor Israel Rokach of the all-Jewish city of Tel Aviv declared tonight that the British plan to create a Jewish agency that would face military countermeasures should it cooperate in stamping out Holy Land terrorism within the next seven days. The agency is the official spokesman for approximately 600,000 Palestine Jews.

### War Power Fight Looms

WASHINGTON, Feb. 3 (AP)—President Truman asked Congress today to continue his wartime powers to allocate any materials that he determine how they should be shared in an emergency. Senator Taft (R-Ohio) immediately said "No." He contended that this grant of authority would be too sweeping.

### Admiral Mitscher Dies

NORFOLK, Va., Feb. 3 (AP)—Admiral Marc A. Mitscher, who scoured the Japanese with spectacular carrier-based airblows, died quietly in his sleep today at the Norfolk naval hospital, eight days after he was stricken with a heart attack on his sixtieth birthday.

### Mattress Brings Fire To College Apartment

A folded mattress falling over the flickering pilot light of an oil heater caused minor fire damage in an empty barracks-type apartment Friday night.

Firemen from the new fire station at Harrison and Kalamazoo answered the call immediately, and extinguished the small blaze hurriedly without incident. Slight smoke damage to the wall of the kitchen unit was the main result of the fire, which will not hamper further construction work on the building.

## Michigan Executive Secretary Ran On State Communist Ticket, Now Calls Sigler 'Red Baiter'

### Hint Student Demonstration

Robert Cummings, executive secretary of the state American Youth for Democracy, who yesterday lashed out at Governor Sigler for ordering an investigation of the campus AYD group as a possible Red organ, today hinted a Communist.

It was learned last night that Cummings is the same man who ran for state representative of Wayne

### NO COMMENT

When asked to confirm rumors that Michigan State and the University of Michigan have settled football schedule differences, Spartan Athletic Director Ralph Young offered, "No comment." Detroit papers had announced that State has accepted a Sept. 28th opening date in Ann Arbor for the 1947 game and that the Wolverines will play the 1948 game in East Lansing.

### ISA To Sponsor Get-Togethers With Faculty

Independent Students' association announced yesterday that plans are being formulated to provide informal get-togethers between students and faculty members.

In an effort to permit students and faculty to get better acquainted, the plans are intended to make it possible for members of a department to meet interested students in comfortable surroundings for the "bull session" type of discussion.

Working on the theory that an exchange of ideas in small, informal groups is more beneficial and stimulating than the formal classroom period, ISA has appointed a committee to put the plans into practice.

The committee of three is composed of Jean Luft, LaSalle freshman; Helen J. House, Lake City sophomore; and Harold L. Robinson, Detroit freshman.

### Bill To Limit Presidency

WASHINGTON, Feb. 3 (AP)—A house judiciary subcommittee today approved a constitutional amendment that would prevent any president from serving more than eight years.

Only steps will be admitted to the sweater and skirt mixer. Tickets are on sale at the ticket office in the Union.

### Bill To Limit Presidency

WASHINGTON, Feb. 3 (AP)—A house judiciary subcommittee today approved a constitutional amendment that would prevent any president from serving more than eight years.

Only steps will be admitted to the sweater and skirt mixer. Tickets are on sale at the ticket office in the Union.

### Freshmen Home Ec Students To Hold Organization Meeting

By BARR CRIST

An organization meeting for Freshman Home Economics students will be held tonight at 7 in room 101 Home Ec building.

Mary Jane Helbig, Cleveland Heights, O., senior, president of the Home Economics club, will open the program with a short talk on the organization of the club.

Following this explanation will be a tour through the Home Ec building conducted by three staff members.

Miss Shirley E. Newsom, of the home management and child development department, will conduct the tour through the nursery school, and explain the equipment and the functions of

### FOR THE PAPAS Lecture Series Will Educate Fathers-To-Be

Dr. Harold A. Adler will give the first in a series of three lectures for fathers-to-be Wednesday at 7:30 p. m. in the recreation hall of the MSC Y. M. C. A. camp.

He will discuss various medical aspects of pregnancy and the father's responsibilities at this time.

Bathing the baby will be the topic of the second lecture February 12. Don Mitchell, East Lansing, will give a demonstration of the process.

Loy B. LaSalle, director of the adult education program in the Lansing public school system, will speak on child development for the final lecture February 19.

Mrs. Barbara Radcliffe, public health nurse from Ingham county assigned to the trailer camp, Miss Esther Anson, of the adult education departments of MSC

### Council Asks For Probation

Eight Michigan State students, connected with the American Youth for Democracy, have been ordered to appear before a special meeting of the faculty committee on organizations at 3:30 this afternoon, chairman Tom King stated yesterday.

King's group of six faculty members is acting upon the evidence sent it by Student council, which voted last week that the faculty render disciplinary action against AYD executive council and other members. The council recommended that the students be put on probation as a minimum action.

Names of the eight students were not revealed, but it is believed that all of the executive group of the AYD who signed letters to the State News have been ordered to the meeting.

These were turned over to the council by the News as evidence along with a copy of the leaflet marked "Printed by Spartan AYD." Which was passed out at the recent Fair Employment Practice Commission rally on campus.

"Our group will translate the recommendation of the Student council," King said. "We feel that some of these people were sent to MSC with the purpose of organizing this thing. It is our job to find out who they are in our investigation."

### Off Campus Cards Plan Stag Mixers To Begin Saturday

Off-Campus Girls' council is planning a series of mixers with a mix them and meet them theme designed to help men and women living in Lansing to become acquainted.

The first of the parties will be held in the Forestry cabin Saturday afternoon from 2 to 5.

The council is sponsoring the program to enable off-campus students to participate more fully in college activities although they are hampered by transportation difficulties.

Only steps will be admitted to the sweater and skirt mixer. Tickets are on sale at the ticket office in the Union.

# DOLLARS FOR DESTINY—GIVE TO WSSF

## NERMIE SAYS—

## Something For Us To Think About

By TOM RIORDAN

AFTER MONTHS OF PREPARATION the MSC campaign to raise funds for the World Student Service Fund is now on. It certainly deserves our thoughts and moreover what we are able to give. We college students in the United States seem to have all sorts of troubles, but when we stack them against those of our fellow students in Europe and Asia—well, there just isn't any comparison.

We complain about the crowded living conditions and overflowing classrooms, but after all we do have plenty of food and warm clothing. In the countries that were battered and beaten by the war, students don't even have these necessities of life.

Now is our chance to help them. The money contributed to WSSF will truly be "Dollars for Destiny."

IT WAS QUITE A surprise to learn that Notre Dame's basketball team was able to make only two field goals the entire second half in its recent 60-30 loss to Kentucky. Maybe there is something to the stories our Spartans brought back from the Blue Grass country about the Colonels having a powerhouse.

FOR THE POLITICAL minded on campus, that is for those who have intentions of run-

ning for office, these words might be kept in mind: "We need more politicians and fewer social climbers." They were contained in a recent letter to the News from Jerry Warren, a Student council representative.

If you plan to run with the idea of helping to better Michigan State college, fine. Run by all means. But if you just want to have "another activity," forget it. There is only room for conscientious persons in our student government.

COMMENTS FROM our readers are always welcome, but of late some letters have been exceedingly long. Due to lack of space we must request those who write to limit their letter to no more than 200 words.

ANNOUNCEMENT OF the annual water carnival's return this spring was welcomed news and now we'd like to go on record with our congratulations to the senior class of officers who are getting things underway.

Senior President Glenn Diebert states that the total cost will be twice that of the last carnival in 1941. Not only will expenses be doubled, but also the number of people wanting to see the affair. Now all Diebert and his fellow officers have to do is find out where they're going to put the crowd.

## Young To Present Evans To Give Recital Of Classical Music

Robert B. Young of the chemistry department of General Electric Company will give a lecture on "Opportunities in Industrial Chemistry" tonight at 8 p.m. in the 122 Lecture Theatre.

This is the first of a series of lectures sponsored by Alpha Chi Sigma, a professional chemistry fraternity. The speakers are student chemists and chemical engineers with the opportunity to give the field of chemistry.

Dr. Young graduated from the University of Nebraska and received his Ph.D. from Michigan State in 1944.

## Baskus Will Lecture In Keszler Chem Lab

Dr. Robert A. Baskus, director of the Michigan Department of Health, will speak at the Keszler Chem Lab tonight at 8 p.m. His subject will be "Physical Investigations."

Dr. Baskus is acting senior research scientist at the State Health Lab, working on the centrifuge. He got his master's degree at the University of Michigan.

## Suggest Express Buses

Saturday night about 200 men and women, most of them students from East Lansing, were forced to wait at the main bus stop in downtown Lansing while one bus after another drove up, unable to take on more than 12 additional passengers.

The fact that an unprecedented enrollment at Michigan State college has caused a population increase of more than 11 per cent within the East Lansing city limits during the past year and a half still is being disregarded by the Intercity Bus Company.

No other area served by this common carrier is suffering to a similar extent.

The addition of more buses to this run has become imperative. This newspaper suggests that the Intercity Bus Company also put some of its buses on an express Lansing-East Lansing run that is, no stops from downtown Lansing to the East Lansing city limits.

The Saturday story need not recur.

Direct ancestors of the "mountain sheep" of Australian streams can be traced back millions of years.

Joseph Evans of the MSC music department will present a special recital tonight at 8 p.m. in the Music Auditorium.  
Chapters of Alpha Chi Sigma, Beta Beta Beta, Phi Kappa Phi, and Psi Chi are sponsoring the event. The recital is open to the public.

## LETTERS to the EDITOR

## TO THE EDITOR:

My opinions on what the word "Communism" means, and what aspects of it are "deliberate to humanity" follow.

Communism is:  
1. The name of the Russian system of dictatorial government.

2. The word affiliated with the internationally organized Russian "red system" as well as its ring of intelligence and espionage agents, and other agencies who have been installed in various countries to promote the Russian plan of turning elements to factions against each other, thus attempting to prevent harmony from existing within these factions.

3. I firmly believe this last is a reason with the foundation for the inability of industry in the U. S. to function harmoniously since the war. Or is this too harsh an opinion?

4. The theories that Karl Marx once developed and had printed in the standard dictionaries—not in the common usage of the word in the world today.

5. No, nor is it any form of economic system of living. When considering its effects on humanity, Communism is determined by its goals.

6. It adheres to Russian foreign policy.

7. Russian foreign policy throughout the world has proven to be controversial to that of the U. S. And as an American citizen I owe my allegiance to this branch of humanity.

8. The word "communism" is used in a broad sense as the U. S. and Russia are also at the same time, and as Mr. A. Lovins has pointed out in his debate the only sound basis is able to recognize the claims of the other.

John P. Cox

## TO THE EDITOR:

It was once said by a great statesman, "I do not agree with a word you say, but I will defend to the death your right to say it."

These words have been backed up by thousands of American boys who have given their lives for their country and think as such.

Recently John Hannah, Tom Loring and John Cox believe that this is just as much nonsense, and that they know best what is good for the proletarian masses.

These three men claim that the AYD is a communistic group and that the "reds" live behind an iron curtain where the freedoms of the world are so meticulously are forbidden.

Yet they, "the big three," would deny the AYD the right to hold meetings on or off the campus. Could there possibly be a more contradictory line of reasoning? We have not, and do not intend to make any affiliations with the AYD under any circumstances.

We are merely espousing the cause of true democracy and not the interpretation given by "the world's bourgeoisie" of MSC. Don Brown, Norm Cogans, and John Lukes.

## TO THE EDITOR:

The main topic of discussion these days seems to be "Is the Spartan AYD communistic?"

I think this question is easily answered. Last fall an article was printed in the State News stating that J. E. Hoover had proven the national AYD is a name for the Youth Communistic League.

I feel that as long as this group is associated with the national headquarters, and they tell us they are, then they must carry on all their activities, especially those of national importance, in connection with the flames of the national headquarters.

I have been proven correct. What other stand can the Spartan AYD take?

Rudolph O. Carlson

## TO THE EDITOR:

I would like to take this opportunity as one of the campus "big three" to say thank you to all the women who worked so hard to present the AYD State style show. Watching the show I could not help realizing how much time and effort had been put into it.

It is unfortunate that the affair was not better attended but those who were there certainly enjoyed and appreciated the show.

Carol H. Sanford

## AWS To Elect New Leaders

An election calendar has been set up by AWS Activities Board for the women's organization on campus. Primaries for AWS Activities and Judiciary board will take place today, with the finals being held the following Monday.

The second week of February SWL Town Girls, and the Co-op League will name their officers, while WAA will hold election the following week.

Home Ec club and The Sigma Phi will elect officers the fourth week in February, and YWCA will choose officers the first week in March.

Following the elections, AWS Activities Board will sponsor a Leadership Training program for the new officers.

## Radio Program Will Feature Student Wives

The Students Wives' club of Michigan State college will inaugurate a series of broadcasts over WKAR on February 6.

The programs are intended to give the people of Michigan an insight into the problems faced by the married veterans and the methods they have adopted to meet these problems.

The first broadcast will outline the organization, the purposes and activities of the club. These programs will be broadcast at 2 p.m. each Thursday during February. The series may be extended if the programs receive sufficient listener interest.

Later programs will present various club members who will discuss different phases of the life of the married student, their wives and children living at college.

# MSC Natators Push For National Fame

## Gilbert Gets Ecuadorian Invitation As JV's Swamp Arthur Hill, 58-26

By JACK WORTH

Michigan State's mighty tank squad is bidding to change "Big Four" in swimming, Ohio State, Michigan, and Wisconsin, to national prominence for the third straight year.

Spartans, 1945 outdoor AA champions, and third winners last year, are again increasing pool of champions. Wisconsin, 1946 champion, was defeated by Michigan State last night. Coach Arthur Hill's squad bested Wisconsin in five victories, the last four over Big Four.

Michigan State's swimming team, one of two individuals, said, "We are here this year, and we are here to stay."

# 'S' Matmen Pin OSU By 17-9 Score

By AL REYNOLDS

The Spartan wrestlers put the squeeze on Ohio State's previously unblemished mat record Saturday night at Columbus with a 17-9 setback. It was the second win for the MSC grapplers in three meets while the Buckeyes had come three in a row.

The meet, witnessed by more than 1,800 fans, was closer than the score indicates, with several of the individual matches decided by one or two points.

Coach Fensley Collins took a revamped line up with him, shifting Gene McDonald from the 121 post up to the 128 position, in place of Dick Dickenson who suffered an ankle sprain last week. In McDonald's place went Don Ripberger. The remainder of the line up was almost the same with the exception of the 175 assignment. Carl Nestor made his first start in the position, previously occupied by Earl Fering, who had a cold.

The Michigan State squad got off to a bad start, losing both the 121 and 128 matches. Ripberger went down to a 5-2 decision to Capt. Bob Kesselring of the Scarlet and Gray. In the 128's McDonald suffered his first defeat of the year in being out-pointed by Hal Ewart of Ohio.

John Nestor, having recovered from a strained rib that he received last week, had little trouble with John Belfrage in turning in a 10-0 decision for State's first win of the meet.

Immediately following came States' undefeated one-two punch in the form of Don Johnson at the 145 post and Gayle Miles at 155. Johnson racked up his third straight win of the season in defeating Joe Stora, previously unbeaten, 5-3.

Miles provided the highlight of the evening in pinning another undefeated Buckeye, Dick Ambrosek at 141. Miles, five points, put MSC into a lead that was never relinquished.

John Dowell, returned to the State lineup after a one week lapse, rung in his second win in defeating Vince Ardito 7-6, in the closest match of the meet. Dowell was another boy to sport a Buckeye clean slate. Carl Nestor lost his first start to Joe Harpster of Ohio, 7-3.

Don Johnson, who was also out of last week's lineup against Indiana, took a 5-4 decision over Bill Acker.

The next match will be at Lafayette, Indiana.

# Former White Sox Pitcher Honored

Monty Stratton, former Chicago White Sox pitcher who lost a leg as a result of a target shooting accident in 1928, was given "The Most Courageous Athlete Award" of 1946 for his comeback with the Sherman club in the East Texas Baseball League. The award is made annually by the Philadelphia Sport Writers Association. (AP Wirephoto)

# State Fencers Down Irish; Big '9' Next

Michigan State's fencing team bounced into the win column with a convincing 17-10 victory over Notre Dame last Saturday night in the Women's gym before 100 spectators.

State lost the foil match to the Irish by a close 5-4 score. Di Cicco and Witucki took two bouts for Notre Dame, and Gonzalez won one. Bill Lacey won two for State. Al Kewitler and Dennis Murphy each took one. Murphy lost a couple of very close decisions to the Irish.

State commanded the epee match 8-4. Jacob Venema stretched his string of consecutive victories to six, by sweeping all three matches. Ed Popper also won three times, and Chandler Washburn took two. The Irish took one bout, Gross winning a match from Washburn.

In the sabre contest, State took a thrilling 5-4 decision. Jack Connell and George Custer won two bouts apiece for State and John Findlay won one. Di Cicco and Schlosser each won two matches for Notre Dame.

The Schmittmen will travel west this weekend, meeting Northwestern Friday at Evanston, and Illinois Saturday at Champaign.

Events will be scheduled for a definite time in the evening, but the day will depend on the weather. Dates will be announced in the State News the day before the events are scheduled to be run off.

# Three Spartans Star In Michigan AAU; Silver Relays Near

By WALLY SCHRAMM

Repeating his triple win performance of the Saturday before, Fred Johnson, Michigan State's stellar trackman, surged into the limelight Saturday night at the 19th running of the Michigan A.A.U. track and field meet in Ann Arbor.

The versatile freshman cracked the A.A.U. and Yost fieldhouse records in the broad jump with a leap of 24 feet, 3 1/2 inches. He went on to take first place honors in the 60 yard low hurdles and the 60 yard dash.

Hal Mayhew added to the Spartans' total with a victory in the 60 yard high hurdles turning in a performance that "brands him as one of the nation's great hurdlers," according to State's Coach, Karl Schladehman.

Michigan State's four firsts gave them unofficial second place behind a power-laden U. of Michigan outfit, which captured top honors in six events, including the one and two mile relay.

One other A.A.U. and fieldhouse record fell to Charles Fonville, Michigan sophomore, who tumbled the shot put mark, tossing the 16 pound ball 32 feet, 3 3/4 inches. Fonville has been entered in the silver anniversary Michigan State Relays to be held here Saturday.

Prize was handed out to Jack Danetti for his "brilliant running" in the relay. Schladehman, the "Rochester Rocket" went into the anchor leg of both the one and two mile relays by late margins, his flying spikes in both cases out the lead in half.

Vosburg, Carr Disappoint: Other scores for State were: Joe Nemeyer, third in the two mile run; Johnnie Mueller, third in the shot put; Lloyd Whetter, third in the 800 yard run.

The failure of Bob Vosburg and Bob Carr in the pole vault, they lost fourth place at 12 feet, 6 inches.

## Affairs of State

By JEANNE DWYER

"Hey! Turn that light out and get back to work!" It's 4:30 a.m.

"But I just got out of bed a couple of hours ago. I can't go to bed now."

Could it be that the members of the Alpha Chi Sigma are so tired from their work that they are having a bit of a difficulty in the stuff about campus? Not a simple question, it seems to me, for church members.

### Election Officers

The Alpha Chi Sigma did not just that, and the business concerned was choosing new officers last week. Official reports on the results of their elections show that their new president is James Haligan, senior from Boston. His right hand man, as vice-president, is Vaughn Hildebrandt, junior grad student. Waiting the pen and counting the money, as secretary, is Richard Nyquist, Detroit Junior, and George Savage, St. Clair senior.

Following suit, the members of Alpha Epsilon Pi got out the ballots and called up with the following winter-spring term officers: Master, Theodore Gordon, Monroe senior; Lt. Master, Leonard Schreiber, Detroit junior; exchequer, Marvin Lapatin, Detroit senior; scribe, Bob Klein, Theta Omicron student; correspondence scribe, Hugh Kaplan, Jackson terminal student; sentinel, Bernad Fine, Chicago junior; and member at large, Herts Sall, Saginaw sophomore.

### Many Initiated

Doing things in a big way, with the largest initiation ceremony yet, the AEPi's gained fifteen new members. Following their formal dinner recently, shedding place, they were welcomed by Master, Vaughn Hildebrandt, and his staff. Among the new members were: Warren Hertz, and Dan Slack, Chicago residents; Fred Barnett, Perry Phillips, and George Rosen, from Detroit; Sheldon Blomfield, Saginaw; Jerry Boardman, Atlantic City; Dave Gordon, Monroe; Jesse Eschenberg, New York; Harry Seaver, New York; and Joe Simon, Alameda. Plus three members of the sophomore class, including Dave Orloff, from New York; Yeard Schwartz, of Wyandotte; and Ed Lazarus, all the way from Roxbury, Mass.

There are six more proud wearers of the Maltese cross of the ATO fraternity as of last Sunday, when formal initiation made everything legal. The newly active ATO's are all sophomores and the list of names reads like this:

Marty Hartz, from Royal Oak; Dick Brown, from Tiffin, Ohio; Bruce Maynard, who hails from Birmingham; Bob Pack, Port Huron; Culver, Flushing; and Cornelius Carrigan, East Pittsburgh resident.

### More Elections

We don't want anyone to think that the column is a bit busy or anything, but there's no getting around it: all the news concerns elections and initiations so far. Still going strong in that department here's more election reports for your files.

At the recent Hillel foundation elections, the following officers were called upon to head activities in the future: Edward Cohen, president; Ruth Stein, vice president; Betty Chern, secretary; and Harriet Flamm, treasurer. As freshman, sophomore, junior and senior representatives the group chose Mel Moss, Yeard Schwartz, Phil Krawitz, and Doris Stellar, respectively.

### What Romance?

No, not actually. Two of them, saved by the bell, Alexander Grayham. The campus hasn't been completely demoralized since the advent of mid-terms.

Campbell Hall isn't dividing their admiration between two bright and shining diamonds which are new in the dorm this term. The honors go to Retey Woolfow, Detroit senior, who's wearing the jeweled token dance Josh McIntyre presented her with on New Year's Eve. Jack is a Phi Delta from Ohio. Wesley is now taking medicine at U. of M. And in the spotlight is Sally Eklund, who just got herself engaged to Skip Skilman, also a U. of M. student.

## Reports On Soviet

MAURICE HINDUS

## Hindus To Talk About Russians

Russian born Maurice Hindus will speak on the past and contemporary history of Russian peoples Thursday night at 8:15 in the College auditorium.

Hindus has written several books about Russia, including "Hitler Can Not Conquer Russia," "Russia and Japan," "Red Bread," and "The Cossacks." He is a graduate of Colgate University.

The Columbia Broadcasting system commissioned him to broadcast daily events that led to the Munich agreement. After the fall of Czechoslovakia, he was assigned by the Herald-Tribune to report on Czech liberation progress.

Tickets may be had in exchange for coupon H.

## Ag Council To Hold Final Elections: Berlin Victorious

Final elections for class representative to Agricultural Council will be held tomorrow in Ag hall. Live in Carpenter, president, announced today.

It will be necessary for all the candidates to show their identification cards at the voting booth.

The results of Friday's election suggest that Douglas Berlin, now at night, has a chance for senior class representative.

The two candidates from the freshman, sophomore and junior classes who polled the highest number of votes will be present on Wednesday's ballot.

Candidates for the office of junior class representative are Jim Barnett and Alan Vincent. Seeking office from the sophomore class are Harriet Weaver and John Baker. Freshman class candidates are Ed Foster and Don Davis.

The first woman pilot to fly the English Channel was Harriet Quibben, who made the trip in 1912.

## YARDBIRD'S CORNER

By DON BALL

While in service men shuddered and turned pale at the mention of "through proper channels." Involved and complicated, the term meant that a request for a three day pass possibly could end up six months and 80 endorsements later in a wastebasket as being obsolete.

VA is modeled after service administration techniques. Communications between echelons follow the same channels as army and navy procedure. It is apparent a few more roadblocks have been established however, not in offices that directly handle veterans in school, but in higher branches.

In the middle of January, VA informed University of Michigan officials that veterans would forfeit leave time for cuts taken during school hours. Immediately local VA officers were contacted to learn how this affected MSC students.

No one on campus could say with authority that it would affect MSC, nor if it did, to what extent. Through two weeks following nothing definite could be found on the subject. Finally on Jan. 27 college administrators announced that cuts would be held against student veterans. Yesterday, local VA officials still had no information on cuts and their cost from higher headquarters.

In the first two weeks it is probable that veterans on campus unwittingly lost over \$2000 in accrued leave.

A Jan. 26 news release from the VA Columbus branch office declared students under PL 16 can work while in school and that there is no income restrictions.

VA officials on campus know nothing about it since no information from higher headquarters has been received. Therefore they can not authorize PL 16 students to accept employment.

Before campaigning for increase in subsistence, more attention should be given to clearing out deadwood and inefficiency blocking capable administration of the GI bill. First consideration is receiving checks promptly and not meeting with illegal or obsolete restrictions.

Organizations such as AVU, American Legion, VFW, Senior F. B. O. and independent student veterans can do this by petitioning legislatures to smooth out VA procedures. As a group veterans swing a dominating vote and this personal problem should be given prompt action.

### YM, YW Sponsor Movie

The YMCA and the YWCA are sponsoring a French commercial movie tonight at 8 in the student parlors of Peoples church, as a part in the WSSE drive.

The Academy of Fine Arts, oldest art institute in the United States, dates officially from 1805.

## Roof Or Wall?

A problem that would tend the sagacity of Solomon must be solved by San Diego, Cal., superior court soon.—It must decide where a roof ends and a wall begins. This would settle a heated dispute between roof painters and wall painters as to who does what on those Camp Pendleton quonsets, and where they'll start doing it.

The Navy's Bureau of Ships and Accounts has ordered a refrigerator in the ward at the 2nd, Va., base. It costs \$900, pounds of meat. It is to feed 100,000 men a month and 600,000 dozen eggs.

# DOBB'S

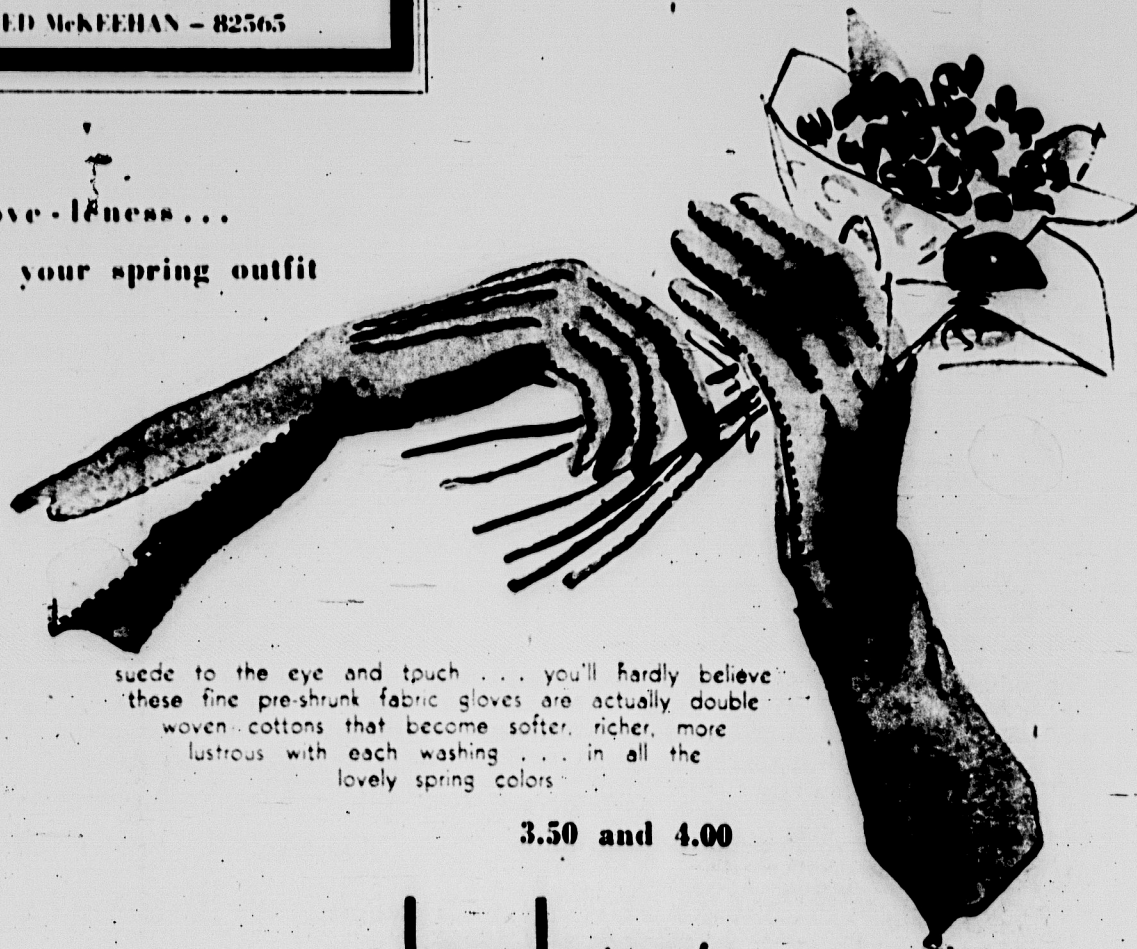

and it's called  
the "Perky"...

spus little sailor with a  
bumper brim and a  
padre crown... tilt it  
back on your head... wear  
it and know you're looking  
your brightest and best...  
styled and sized to fit

10.95

glove-fitness...  
for your spring outfit

suede to the eye and touch... you'll hardly believe  
these fine pre-shrunk fabric gloves are actually double  
woven cottons that become softer, richer, more  
lustrous with each washing... in all the  
lovely spring colors

3.50 and 4.00
