TODAY'S CAMPUS

Smashing Fun

John M. DeHaan in his class was elaborating upon Aristotle's perquisites for a good life—"good looks." "You have heard of this I'm sure," he said. "If a woman is good looking, a college education is superfluous. If she is not good-looking, a college education is inadequate."

You Can't Win

The more it takes to dampen the enthusiasm of Coach John M. DeHaan's football players for the rough and ready game, the more it takes to dampen the enthusiasm of the players for the game. The more it takes to dampen the enthusiasm of the players for the game, the more it takes to dampen the enthusiasm of the players for the game.

CIO Wants GM To Talk \$1-2c Raise

Answer To Come From Corporation Official Today

DETROIT, April 23 (AP)—General Motors Corp. was expected today to answer the CIO's ultimatum to arbitrate a union strike by raising wages 15 cents an hour.

The corporation promised an answer tomorrow as union president Walter P. Reuther described the situation as "homeless dead-end" after another bargaining session in the vital wage talks. The negotiations, expected to settle a wage pattern for a half-century, have been stalled since the corporation insisted upon a 15-cent wage increase for 1947.

Council Sets Number Of Representatives For Each District

Group Adds New Area For Election: Investigates Two More Members

By CAROLYN DICKERSON
Student council last night added one more voting district, established each district's representation, reported that 28 petitions have been received for offices in the coming elections, and investigated possible removal of two more members.

Taft Starts Senate Talks On Labor Bill

WASHINGTON, April 23 (AP)—Senate Taft (R-Ohio) led off Senate debate on proposed union curbs today, telling his colleagues that the laws now stand "many hundreds of thousands of smaller employers are at the mercy of unions and union leaders."

As he spoke, AFL President William Green gloomily told a news conference that his federation has abandoned hope of preventing Congress from passing "various anti-labor legislation."

"We may succeed in having them remove some of the more objectionable parts," Green added.

Taft, chairman of the Senate Labor committee, said that the bill it has approved seeks to amend the Wagner collective bargaining act to remove "unjustified" provisions in the law.

The bill would impose many restrictions on unions, including curbs on their right to call strikes, but is not so sweeping as the one the House has approved.

Animal Husbandry Prof Dead: 'S' Grad Joined Staff In '38

Everett L. Benton, Extension professor of animal husbandry, died Tuesday afternoon in Lansing following the third of a series of operations in the past year. He was 50 years old.

A member of the staff since 1938, Benton graduated from MSU in 1930 and was county agent in Tuscola county prior to his appointment to the faculty.

He was secretary of the Michigan Cattle Feeders' association and the Michigan Farm Feeders' association and held office on the state committee named to study the control of BSE disease in dairy and beef cattle.

Survivors include his widow, Marion, a daughter, Mrs. Leonard Gardner, one grandson and a sister, Mrs. Burr Carroll.

Funeral services will be held at 10 a.m. Friday, with Rev. H. G. Judge of the Peoples Church in East Lansing officiating.

Prof. Quirt To Talk On 'Art. Society'

As the second in a series of lectures, the Spartan Citizens committee will present Prof. Walter Quirt, of the literature and fine arts department, who will speak tonight on "Art and Society" in room 110 A2 hall at 8 p.m.

Quirt will use slides to demonstrate the various relationships between fine art and modern civilization. He will correlate day life, art trends to present day life.

The first in the series was presented Tuesday when Prof. Hans Lohndorff, of the political science department spoke on peace hopes.

23 HomeEcs To Take Trip To Chicago

Business Aspects Will Be Studied In Talks, Tours

Faculty members and students from Michigan State and 19 other nearby colleges will be among those attending the Home Economics Career Days, April 25 and 26, at the Snickerbocker hotel, Chicago.

All junior and senior women interested in business work other than dietetics were invited. Three men have taken advantage of the opportunity, also. A mixed group of 23 students will leave this afternoon accompanied by Leona D. MacLeod, Evelyn Craig and Beatrice V. Grant of the Home Economics department.

Members of the Chicago Home Economics in Business group will be hostesses. A program has been prepared to include exhibits, talks, and trips through department stores and restaurants to illustrate the role of the home economist in business.

Faculty members will confer on guidance and placement practices and the curricula changes necessary to meet the current demand for home economists. This forum will be headed by college and business specialists.

The group plans to return sometime Saturday afternoon.

Women Receive Extension To Go To Sing Program

A one-half hour extension has been granted women attending the Fraternity Sing to be held on May 12 or May 14 depending on the weather, by AWS.

Ten late minutes will be given any woman who signs another in or out on a sign-out sheet. This new rule will include late permissions, overnight permissions, and late sign-outs.

The rule has been put into effect as the result of undue disturbances of women being signed out improperly and then saying they did not sign themselves out.

Women are now required to sign themselves out immediately after they enter the residence. The approximate time of their departure is also being required of the hostess.

The hostess is being encouraged to introduce the guest to the housemother as a practice of better manners.

Basic ROTC Group To Hold Reception For Candidates

Spartan Guards basic ROTC honorary is holding a reception in Demonstration hall at 7:30 tonight in honor of their corps sponsors candidates John Foulkes, publicity chairman, announced yesterday.

Corps Sponsors of the organization will be present on the reviewing stand during Tuesday parades. They will also accompany the Guards on their anticipated trip to Holland for the Tulip festival.

Colonel John Whitely, ROTC commandant, his wife, and Major and Mrs. William LaFare have been invited as patrons of the event. Refreshments and entertainment are included in the program.

President Truman Abolishes Price Office, Other Agencies; Duties Go To Other Groups

Rescues Continue In Texas

Rescue workers remove bodies from a gutted building in Texas City, Tex., following the great disaster there. The tattered flag at half staff is reported to have been torn and buffeted by the explosion but remained standing.

Price Cut Boom Spreads Through Eastern States

NEWBURYPORT, Mass., April 23 (AP)—War on inflation is back.

A half-dozen New England manufacturers and wholesalers, including a hosiery firm, cotton, hosiery, hardware, produce and meat markets, gave stores a 10 percent discount.

Spokesman of the Newburyport group, inaugurated yesterday as a "price experiment," have emphasized that they aim was to force down prices all the way down the line, from manufacturers and wholesalers to retailers.

The plan of several manufacturers was expressed by Cowin Industries, Boston hardware purveyor, in putting into effect a 10 percent price cut with the assertion:

"Price reductions are difficult at this time due to the increased cost of labor and raw material. However, we have learned that increased business volume will more than make up for our percentage decrease in profit, per unit of goods."

Rent Control Switched To Housing Expediter

WASHINGTON, April 23 (AP)—President Truman today abolished OPA and two other major wartime agencies effective June 1, and ordered most of their remaining functions, including rent controls, transferred to other departments on May 4.

Bell Officials Report Cables Cut, Tampered

WASHINGTON, April 23 (AP)—Reports of sabotage of some long distance cables came from telephone company officials today, while the government undertook again to settle the country-wide phone strike.

The new settlement approach is to revive peace talks in Washington between the striking telephone workers and three strategic parts of the Bell system, the long lines division, the Western Electric company, and the Southeastern Bell Telephone company.

At Milwaukee, the Wisconsin Telephone company announced an offer of a \$1,000 reward for information leading to the arrest of persons who cut long distance cables, linking Milwaukee and Appleton.

At Louisville, J. C. McAlister, Kentucky manager of the Southern Bell Telephone company, announced a \$1,000 reward for information leading to the arrest of persons who cut long distance cables, linking Louisville and Appleton.

Wallace Asks Vast Building

PARIS, April 23 (AP)—Henry A. Wallace in a series of speeches today called for a \$50,000,000,000 world reconstruction program and declared the United States would have the gravest depression of its history unless it took the lead in the world-wide repair of the ravages of war.

"This will be one of the most serious depressions the United States has ever had, a most amazing phenomenon which will affect the whole world," the former Vice-President told a French organization in an address tonight.

Predicting the situation would "come to a head in four or six years in a devastating way unless we are prepared to meet it thoughtfully," the American also predicted a minor United States depression next year but said this probably would be alleviated by increased armaments expenditures or by loans to foreign nations.

HERMIE SAYS—

Some 'Funny-Funnies'

By TOM RIORDAN

THE FIELD OF JOKE OR "FUNNY-FUNNIES" is rather limited with one story being retold, again and again, sometimes with a little variation, but usually always just about the same.

However, one Michigan State student appears to have broken the ice. He comes up with one that seems quite fresh and actually new. Maybe we're wrong, but it looks good from the angle from which we sit behind the typewriter.

Ordinarily we would be glad to give credit to the teller, but in this particular case, it would probably be best if we kept his name out of print. The readers will no doubt agree.

This Spartan student was complaining bitterly about a mark he received last term. His venomous statements weren't directed so much at the professor, but more towards a classmate.

"Why I studied twice as hard as that guy and we both got the same grade," the young man fumed.

A bystander, out of curiosity, then inquired, "What was it?"

Here the story teller casually replied, "An F."

HERE'S A DELUXE AND FACTUAL recap that often finds its way into bull sessions around the Phi Kappa Tau fraternity house. It concerns one of the Phi Tau brothers, Howie Neal, a junior, from Dearborn.

While attending high school in 1941 Howie was courted by a young lady from Grosse Pointe, swank residential section of Detroit. At the time Howie owned a one third interest in a Model T Ford, which he drove whenever visiting the girl friend.

The Tin Lizzie raised many eyebrows among wealthy Grosse Pointe residents, because Howie always seemed to be wearing tattered sweat shirts and greasy pants. They thought he didn't care to dress neatly, but it was a case of necessity with Howie.

In making the 22 mile trip from Dearborn the Model T always needed two or three maintenance jobs and Neal had to be ready for anything.

To make a better impression on the neighbors and the young lady's father was a problem. Howie's friends came up with a possible solution. He was employed by a large Detroit automobile research department and had access to several factory-made custom cars.

This fellow was also attempting to "cut a figure" with a young lady, so the idea developed that the pair would combine efforts by "borrowing" a Mercedes-Benz, 16 cylinder limousine for a super one night stand.

Howie was himself up for a prize at Grosse Pointe when Phil and his pal

did the same at Redford for the following evening.

Then they got busy on costumes, visiting a rental shop, where the pair obtained a set of tails, top hat, red satin lined cape, white gloves and cane, along with a complete chauffeur's outfit.

Howie got things under way by casually informing his young lady that his father's car would be available for their use the night of the prom.

When the two gals pulled up in front of her home, one the driver, the other a sophisticated gentleman, neighborhood eyes that had popped before, popped again, but this time with a new respect.

Everything clicked off like clockwork that night and on the second evening, when it was Howie's turn to chauffeur, the deal once more went through just as a Hollywood class "B" film would have done it.

After recounting this hoax Neal always adds, "those people around Grosse Pointe were certainly swell to me after that."

Winter Vacations

Increased enrollment in American colleges has resulted in national educational confusion. Problems to the thousands are today confronting educators and students alike from housing shortages to outlandish prices in the college town-towns.

Now another question is swiftly gathering momentum in the minds of college people, which, if acted upon, could create a national social revolution. Why do institutions of learning concentrate the greater part of the educational processes in the eternal three seasons—fall, winter and spring?

The posers of this question argue that the vacation period should come during the winter months, providing for regular school attendance in the summer. One prominent educator suggested that students and faculty alike are unable to get outside while attending college during the winter period, thus making class attendance and study just another indoor chore, as compared with a greater variety of activity available in the other seasons.

The advocates of a regular summer term state that even a greater degree of accomplishment in the learning process would be a result of the change. More exercise, more fresh air, more sunshine, and for some, fewer mosquitoes and less effort would result in better health, better teaching, and better grades.

During the proposed winter vacation, jobs for students would be more plentiful, because industry and production usually reach a peak in that season.

As for those who take the term "vacation" literally, Michigan is great for winter sports and the "solid south" is packed with sunshine at a price.

YARDBIRD'S CORNER

By DON BALL

Entitlement to terminal leave pay ceases Sept. 1 unless claims have been filed prior to that date. Veterans who are eligible for the allowance should apply before that time. Dependents of deceased veterans may file for such payments.

Open competitive examinations are being held by the civil service commission for dietitians to be employed in VA hospitals at Ft. Custer, Dearborn and in Ohio and Kentucky.

Salaries range from \$2644 to \$4902 for the first year. Pay is based on a standard 40-hour workweek with additional wages for overtime. Substantial and on-duty quarters, when occupied over \$480 a year.

Competition is open to all qualified dietitians, although veterans are given preference benefits. The department or office asking for certification of eligibility determines sex of candidates.

Application forms may be obtained at Civil Service examiners' offices of any first or second

class post office. Examinations will continue until needs of the service are filled.

Naval Reserve Pin

Many trades and skills are available in the new naval reserve training program. These include accounting, electronics, merchandising, meteorology, pharmacy and photography.

Naval reserve training centers are located in many communities, with additional establishments being created or planned daily. Recreation and social entertainment is an integral part of the program. Summer schools are emphasized in the schedule.

— INFORMATION —

PINIS LIMITATION

There will be a meeting of the Pinis Limitations Board at 7 p.m. in 101 Union annex. New members are asked to attend.

JAZZ CLUB

There will be a Jazz Club business meeting at 8 tonight in 101 Union annex.

EXCALIBUR

Excalibur will meet today at 8:15 at the west entrance of the Union building. Transportation will be provided to the club for the weekly meeting.

SPARTAN GUARDS

The Spartan Guards will hold a reception in honor of corps sponsor candidates at 7:30 tonight in 101 Union annex.

ALPHA CHI ALPHA

Alpha Chi Alpha photography society will meet in the Women's office at 7:44 p.m. All charter members please be there.

HOMER CLUB

The Homer club will meet at 8:15 tonight in 204 Hurl Hall. Mr. Kelly will be the guest speaker.

BIDE BUREAU

The Ride Bureau will meet at 8 tonight in the Student Union. Those with rides to offer, as well as those desiring rides, are asked to attend.

BLUE KEY

Blue Key will meet tonight at 8 in 101 Union annex.

PARACHUTE CLUB

The Parachute club will meet at 8 p.m. in 101 Union annex. Reservations for future gatherings will be taken.

SWI

Swi will meet for the week tonight at 8 p.m. in 115 Union annex.

STUDENTS

Students interested in reading are invited to meet at 8:15 in 101 Union annex.

for or public relations for Crowley Miner Co. of Detroit. She will speak on "Retailing" at 10 a.m. in 101 Physics. Interviews will be given to interested students at the Placement office from 1-4 p.m.

AMATEUR RADIO CLUB

The Amateur Radio club will meet in 111 Union annex at 7 p.m. Ideas for a field day are requested.

DELTA GAMMA MI

Delta Gamma Mi will have a business meeting at 7 p.m. in Lecture room 31 of the Women's gym. Following will follow the meeting.

TURA MAJORS

TURA majors will work at costumes for "Student on the Shore" at 7:30 p.m. in 206 Hurl Hall. Bring shears and Singer bobbins.

CHRISTIAN STUDENT FOUNDATION

The Christian Student Foundation will sponsor a swimming party in the Women's pool from 7-9 p.m. Saturday night. Refreshments and entertainment after swim.

PHI KAPPA PHI

Phi Kappa Phi will meet at 8 p.m. in 103 Merrill Hall. All members of the local chapter and affiliate chapters are asked to attend.

NSO

National Students organization meets tonight at 7 in room 204 Union annex.

AMERICAN LEGION

AM Legion American Legion meets tonight at 8 p.m. in the Union for committee officers for the coming year.

TOWER GUARD

Tower Guard will meet tomorrow night at 7:00. Members can consult Bulletin board for place of meeting.

Peace Talks In Moscow Near End

MOSCOW, April 23 (AP)—

The Foreign Ministers Council neared the break up of its longest and perhaps most hectic conference tonight with major issues unsolved. The ministers agreed to try to wind up their Moscow meeting tomorrow.

In a session which was delayed two hours in starting, U.S. Secretary of State Marshall caustically charged the Soviet Union with blocking action on the treaty for Austria and declared the United States favored referring the whole problem to the United Nations Assembly if a treaty is not completed by the time the assembly meets in September.

Marshall also charged Russia with blocking the American-proposed four-power pact to keep Germany demilitarized.

Pointing out that on the four-power pact and essential changes in the Austrian treaty, the three Western nations were lined up three to one against the Soviet Union, the American Secretary of State declared Moscow had rejected the four-power pact by introducing in the form of amendments nearly every important difference between the subject of Germany.

"I will only state that the United States government regards very seriously what in effect is virtually a rejection of this treaty by the Soviet government," he added.

LETTERS to the EDITOR

The Editor:
Complaints on campus regarding the manner of the administration of the University are numerous. Here is one, however, which potentially affects every student enrolled in the school.

The situation in this hospital service fees are charged to the students, or fully come for a call at the hospital before 5:30 p.m. and one dollar after 5:30. This not only applies to the student who registers at the beginning of the term, but the understanding.

Bagwell Defenits Basic College At New York Regional Conference

Professor Paul Bagwell, of the University of New York, will be the featured speaker at the regional conference of the American Society for the Study of the History of the United States, held at New York City, May 1-3.

Professor Bagwell, who is a well-known authority on the history of the United States, will discuss the role of the United States in the world during the past century.

The conference will be held at the New York City Hotel, and will attract a large number of scholars and students from all over the country.

The program for the conference includes a series of lectures, a round-table discussion, and a panel discussion on the role of the United States in the world.

Roberts Stops JV's 4-0, As Varsity Nine Tunes Up For Irish

Baby weather has arrived in East Lansing to help the Michigan State baseball team with their conditioning for their acid test here Saturday with Notre Dame, always a tough diamond foe.

Coach George Hill brought his varsity squad into College field yesterday for a game with the varsity to take full advantage of the warm weather.

Roberts, a likely starting pitcher for the regulars and show-off by setting down four of the first six men to face him in the first inning.

Runners Shine

Through the State varsity was a game to par, their better defense and base running enabled them to top the JV team, 4-0, in six innings. The regulars failed to get a run in the second inning when JV pitcher Bob Brown scored four men, and forced in a sixth run without yielding a safe hit.

Yankee batters reached Roberts for single hits in the first, second, and third innings, but couldn't get a runner past first base in the fourth.

Tom Off

Harry Hansen, brilliant shortstop and captain of the Michigan varsity, slammed a single to left field in the third inning for the first base hit for the regulars.

Second baseman, Ed Barnhart, led off with a long double to right center field. He advanced third on the next play as Harry

Hughes grounded out, second to first. Backs Walsh became a base runner by the assistance of a walk, then George Rubenbauer, batting for Roberts, lined a single to left field.

Walsh and Rubenbauer stole third and second, respectively, then Walsh was out at home attempting to steal. A moment later Rubenbauer scored with a successful attempt to steal home plate.

Pat Pepler and Frank Bagdon walked, and after a wild throw and a passed ball, Pepler crossed the plate to score the regulars' fourth run.

Some muscles will have a better chance to relax the night, worked out with the regulars, temperatures, and the pitching staff, which has been in short of terrific to date, should thrive on the warmer weather.

WOMEN'S SPORTS

Twenty-two teams will open the intramural tennis season on April 26. A round robin scheduling has been set up, consisting of two groups of six teams each and two groups of five teams each.

Each team comprises a number one and number two player, who will play the number one and two players of each of the teams listed in their class.

Results of each class will be posted in the WAA box, and the date scheduled for each game. The dates are April 26, May 7, May 14, and May 21.

Archery Get Chance

Archery targets are in the process of being put out of equipment and will be available to the women interested in the sport. The targets are located in the building at the University of Michigan.

Michigan State college students are to compete in the state basketball tournament, which will be held at the University of Michigan, May 17-19.

Suffolk University students are to compete in the state basketball tournament, which will be held at the University of Michigan, May 17-19.

Boston College Ace Heads For Frisco

BOSTON, April 23 (AP) — Don Jones, 19-year-old passing ace of the Boston College football team, was reported to have coasted today discussing offers to play for the University of San Francisco.

He came as a shock to the college officials, but they remained silent, though disappointed. There were reports that Jones would protest against the move, but he called the "flaming" move the other Jesuit college.

And on top of Pander's flight, rumors, entirely unsubstantiated, that two other Eagles may follow him to the big league.

Pictured here is the sprint medley relay team track coach Karl Schlodman will field Saturday in the Drake Relays at Des Moines. Schlodman has hopes the team will successfully defend the title Michigan State won last year at the relays. From left to right: Jack "Rocket" Dianetti, Fred Johnson, Bob Schepers and Captain Jim Fraser. Fraser is the only veteran of last year's team which won the event in 3:32.2.

Heavy Hitting Dominates Reynold's Two Hitter Defeats Red Sox, 3-0

Sparked by some lusty clouting on the part of Everett Thompson, Quonset K defeated Quonset M 11-7, in the opening set of Quonset league tourney games last night on Amnis Field.

Thompson had a perfect game, hitting three home runs, a double and two singles. The home run came with one out in the first inning.

Big Leaguers Score Wins Over Cousins

CLEVELAND, April 23 (AP) — The Cleveland Indians racked up their third straight victory today, burying the St. Louis Browns under an 18-hit attack good for a 10 to 4 victory in the final of a two-game series.

Tribe manager Lou Benardeau, Les Fleming and Jim Hegan each collected three hits to spark the attack, and help Charles (Red) Evers to his first victory of the season. Denny Graebner was charged with his second straight defeat.

Emory was in trouble only in the seventh when the Browns scored three unearned runs. Chas. (Red) Evers hit a home run for St. Louis in the eighth with none around.

Dodgers Top Phils

BROOKLYN, April 23 (AP) — The Brooklyn Dodgers maintained their mastery over the Philadelphia Phillies today by defeating the Quakers, 9-1, for the second win in a row and their 19th in their last 24 starts over Ben Chapman's crew.

Southern Joe Mauer limited the Phils to eight hits and was in difficulty only in the first and ninth innings when the Phils scored single runs.

The Dodgers sewed up the game by scoring three times in the opening frame on one hit and a two-run error by second sacker Emil Verdon.

Ferrick Halls V's

PHILADELPHIA, April 23 (AP) — Lou Ferrick, frequent with two hits in the ninth together with an unearned run in the sixth inning, gave the Washington Senators a 4 to 3 victory today over the Philadelphia Athletics, who suffered their sixth straight setback.

A total of 3,400 fans and a 14 South Jersey school children saw Ferrick relieve Early Wynn with two out after a double by Eddie Joost and doubles by Pete Suder and George Banks had accounted for two runs.

Homers Humble Chisox As Tiger Swats Tie Record

DETROIT, April 23 (AP) — Loosing a broadside of five homers — three of them in succession to tie a major league record — the Detroit Tigers hammered the Chicago White Sox out of undisputed first place in the American league today with their first loss of the season, 7 to 4.

Roy Cullenbine, Dick Wakefield and Walter (Hot) Evers riddled successive homers off Ed Lopat in the eighth inning to become the 19th trio in big league history to connect for three homers in as many successive turns at bat.

The Tiger's clouting spree started early as Eddie Lake and Cullenbine both homered in the third inning. Eight of Detroit's 10 hits off Lopat and Gordon Maltzberger went for extra bases.

Hutchinson Wins Verdict

Paul (Dizzy) Trout, who served up a two-run homer to Chicago's Bob Kennedy in the eighth that climaxed a three-run rally to tie the score, allowed eight hits before Freddie Hutchinson arrived to replace the last four men and claim the victory.

Evers helped himself to three hits, including his homer and a double. Cullenbine's two homers gave him three for the year, and Jimmy Outlaw contributed a single and a two-bagger.

Right fielder Bob Kennedy was Chicago's batting star with a single, double and homer in four times up, driving in two runs and scoring two himself.

Singles by Kennedy and Taff Wright and Trout's wild pitch put the Sox away to a 1-0 lead in the second, but homers by Lake and Cullenbine erased that and the Tigers never trailed thereafter.

Cullenbine's walk, Evers' single, Wright's error and Outlaw's double tossed the Tiger edge to 4-1 in the sixth before Chicago tied it and chased Trout in the eighth with a walk to Floyd Robinson, Luke Appling's double that was his fifth hit of the series and Kennedy's homer.

Six Pitches, Three Homers

Lopat had been hit hard all day, but not like Detroit laid it on in the eighth. Cullenbine hoisted a 1-0 pitch into the upper deck in left field. Wakefield took two balls and lined his homer into the second deck in right and Evers belted the first pitch over the left field fence.

Outlaw, with a chance to crack an all-time major league record by making it four straight homers, singled to center field off relief pitcher Gordon Maltzberger and was left stranded.

The win gave Detroit its third straight series split of the year and sent the Tigers into tomorrow's clash with St. Louis sporting a 300 mark on three wins and three losses. Virgil Trucks was slated to hurl for the Tigers Thursday.

Orchesis Will Offer Evolution Of Dance At Annual Program

Everything from a Viennese waltz to the Charleston and the Black Bottom will be danced in the annual Orchesis program to be given Saturday night at 8 in College auditorium. No admission will be charged.

Ann Knehl, advisor to Orchesis (women's dance honorary) has had members of Orchesis Dance Dynamics, men's dance honorary, under Forrest Goggin, dance workshop, and student volunteers perform every night for over two weeks. This is the first time that men have danced in any of the Orchesis productions.

Orchestra To Play
The Music Conservatory will start the program off with a concert. A variety of songs and dances will be played by the conservatory. The Orchesis program will follow by the dance workshop, and then the student volunteers will perform.

The final number will be "The Evolution of Ballet." Dances from the state's history of ballet through the present day will be the theme.

Fall Of Jerusalem
How David, King of Judah, the first king of the Davidic line, the biblical story of the fall of Jerusalem, and the Jewish movement to return to the Holy City and to build a new temple.

Tom Reed and Harold Harker of the speech department will reduce the difficulties of the dramatic production. The Wampler of the same department is in charge of sets and lighting. He is assisted by Dolores Kay, Detroit.

Held By Police
Detective Agent Peter A. Connors said that Mrs. Dorothy Smith, 18, above, of Jeanette, Pa. was being held for questioning following the discovery of her infant daughter's body in a culvert. Connors said the child was strangled.

Affairs of State

By JEANNE DWYER

At a big initiation banquet last Sunday six men were made official members of Alpha Chi Sigma, professional chemistry fraternity. The initiates were Ralph Bacon, Detroit sophomore; John Mook, Flint sophomore; Robert Brown, Berkley sophomore; William Ford, Lansing sophomore; Jack Trommator, senior from Muskegon; and Harold D'Arcy, graduate student from Albany.

Better late than never, that's a good motto, even for behind times news, such as Sigma Kappa Delta Fames, Okemos senior, announced her engagement to State graduate Bill Salton of Pontiac away last term, when a tea was given at the home to let the cat out of the bag.

Maria Goodman, Morency junior, who completed nurse's training at Sparrow hospital with Delta, will be marching down the aisle with senior Chris Glenning, of Connecticut, come June 14.

Last Saturday was the day Hal Wiseman, Dearborn senior, got down on his knees in a proposing attitude to Grosse Pointe junior Lynn McKnight. Now it's definite.

COUNCIL

(Continued from Page 1)
also decided to strike from the revised constitution the clause stating that a member or class officer must have a 1.00 average for the previous term. However, they must maintain an all-college 1.00 scholastic average.

In accordance with its previous ruling requiring all college academic averages of over a 1.00 for membership and class officers, the council voted to investigate the averages of Bill Spiegel, Freshman-class president, and Nick Gregory, junior Business and Public Service representative.

Tom Rorand, State News editor, requested by letter that the two be dropped because they have not met constitutional requirements. Council President Tom Loring, stated that he would personally make the investigation and that if State News figures were correct they would be dropped automatically.

The council also decided to put the question of whether or not MSU's chapter of NSU will affiliate with the National organization before the students at the final council election, May 4.

Letters To The Editor

(Continued from Page 2)
that health service is included in the \$45 course fee charged, but is unfair to the student who finds something wrong with his physical well being after 5:30 and is encouraged to forestall his visit to the hospital, an unwise course in any case.

It is stated in the catalog (1945-1946, p. 39), "All students are entitled to unlimited advice and treatment at the dispensary, a medical examination by appointment, and sixty days care in the college hospital per year." And in the same catalog on page 34 is listed "Health service fees," as a component of the \$45 course fee.

This suggests double payment for the benefit of campus medical treatment. By that token this is a swindle, as I understand the meaning of the term.

Perhaps the parties who originated the rule were unaware of the advance payment of the health service by the students for the benefit of the "unlimited treatment" as set forth in the catalog. In that case I hope they verify my statements and be moved to rescind their order.

Perhaps, on the other hand, my information is incomplete or outdated. In that case I would appreciate further information about the situation from anyone in a position to know the complete story.

Thomas D. Cranfield
120 Abbot Hall

We hike to the beautiful steel classrooms, situated on the Lansing-Okemos highway, just three miles out of picturesque East Lansing, four times a week. As if there isn't enough, we have to watch out for these Barney Oldfields gone wrong who ride their bicycles into, through, and over the students. Keep the bikes off the sidewalks!

We don't mind it when the boys who saved their money while in the service in order to buy bicycles rub it into us who were wasteful and now have to walk. However, we do object to them rubbing the bicycles into us. Keep the bikes off the sidewalks!

Bill Buss
Dick Caskey

Wheaton College Man Will Lecture Tonight For Christian Group

Dr. Marion Barnes of Wheaton College will lecture on "Science and Christianity" tonight at 8:15 in the Little Theater, Home Economics Building.

Dr. Barnes is a Professor of Chemistry at Wheaton College and is Secretary-Treasurer of the American Science Association. He is also active in Best Seller publicity work.

The lecture, sponsored by Spartan Christian Fellowship, is one of a series on the Christian philosophy.

Dr. Cannon To Lecture At Nutrition Institute

The Institute of Nutrition has scheduled Dr. Paul R. Cannon of the pathology department from the University of Chicago to speak here May 31. His topic will be proteins.

The lecture will be held at 7:30 p.m. in the Music auditorium.

Ganon Returns Today From AAUW Meeting

Mrs. Isabelle Ganon, counsel at women, is expected to return today from Dallas, Texas, where she has been attending a national convention of the American Association of University Women.

Mrs. Ganon has recently completed a two-year term as president of the Lansing-East Lansing chapter of AAUW.
