

## Few Checks Will Arrive On Schedule

Vets Under PL 16 Are Not Affected By Fund Shortage

Only 23,000 of 58,000 Michigan veterans under PL 16 are receiving their subsistence checks on time this month. VA's Columbus, Ohio, branch office said in a telegram to the State News yesterday.

They explained that Treasury officials cannot release the remaining checks because of deficient funds.

PL 16 vets will not be affected, they added. Checks for stu-

### BULLETIN

A late AP report said that Congress has approved the \$7,530,000,000 deficiency bill and sent it to the President who signed it last night.

Of this, \$1,500,000,000 is designated for the Veterans Administration.

It is expected that checks will immediately be sent out to veterans under PL 16.

## Bells Ring Again

A truckload of Pennsylvania Bell Telephone maintenance employees leaves a depot in Philadelphia enroute to work following settlement of their part of the telephone strike, the first major settlement in the telephone dispute.

## State Stalls Home Ec Celebrates 50th Year At State Pay Decision On Buildings In Two Day Festival

College Program May Be Delayed By Labor Demand

Michigan State's building program received another jolt yesterday when the Associated Press reported that the Building committee of the State Administrative board expressed fears for the program's continuation because of union demands.

The board stalled yesterday on rendering a decision concerning higher wages demanded by building trades unions in connection with the state's \$35,000,000 institutional building program.

According to the Associated Press, Dr. Eugene B. Elliott, Superintendent of Public Instruction, pointed out that MSC and the University of Michigan had constitutional authority to continue construction at higher wages, until present appropriations run out. However, he added that both institutions had agreed to act in uniformity with other state agencies.

Hannah Uninformed  
We have not been officially contacted by the building committee, concerning its present plans, Pres John A. Hannah said last evening, although we understand meetings have been held.

Both Hannah and McDowell pointed out that in the event the building program is discontinued, heavy loss will be involved, including water-proofing and the danger of water damage.

May Line Closes  
Henry Leuges, Lansing, contractor representing organized contractors, said he feared that if the projects were closed even for a few days, the contractors would lose work crews and be hard put to resume operations.

It was reported that Governor Sigler had advised the committee to close down the projects for financial reasons. Elliott said it was possible that if they were closed now they would stay closed for several years.

Members of the Administrative board, Governor Sigler and the Legislative Appropriations committee, scheduled a conference for today.

### State Wives Hold Political Rally

Spartan Wives are sponsoring a political rally Sunday at 7 p.m. for candidates from the married veterans housing area in an effort to arouse greater interest in the forthcoming class and council elections.

A feature and program will be held by the pond south of Chestnut road off Cherry Lane.

## Teas And Open House To Feature Golden Anniversary Of Founding

By JUDY GRAM

The two-day festival commemorating its 50th anniversary for which the Home Economics school has been preparing since last fall officially begins at three this afternoon. The celebration will close with the Golden Ball in the Union ballroom Saturday evening.

## Graduates Plan Annual Swing On Wednesday

Seniors will swingout led by the MSC band Wednesday at 7 p.m.

The annual ceremony will start at the Agricultural building and swing through the campus to the Engineering building and then to Home Ec. Morrill hall and Veterinary Medicine.

Seniors from the respective schools will meet the procession in front of these buildings and be led by the band to Fairchild theater.

At the meeting in the theater, President Hannah will address the prospective graduates, and then an address by Gen. O. Stewart, director of alumni relations. The alumni officers will be chosen.

The Swingout is a traditional affair. The seniors meet in front of their schools and are picked up in order of the length of time the school has been on the campus.

At each Swingout, alumni officers are elected. These include a president and secretaries and directors for both men and women.

The senior committee requests that all seniors pick up their cars and go to the home economics building during the Saturday open house hours.

## Dairy Staff Men Win Recognition For Field Work

Two members of Michigan State's dairy staff have received national recognition for work in their respective fields.

Prof. G. M. Trout of the milk lab has been named chairman of the technical committee of the National Research Council.

This committee will meet in Buffalo, N. Y., June 28 to study methods of marketing milk and make recommendations for more efficient milk distribution.

Prof. W. W. Snyder, coach of the dairy cattle judging team, has been in St. Charles, Ill. for the past two days attending a conference to study the judging of Brown Swiss cattle.

Judging team members from all over the country are at the conference to qualify them to judge Brown Swiss cattle in shows in their own states this summer and fall.

The new home management which is under construction east of Grand River next to the Old

Hold Open House

The nursery school, the Home Economics building, and the Home Management houses will be open to inspection today from 3 to 5:30 and tomorrow morning from 8 to 10 and 12 to 2 in the afternoon.

The new home management which is under construction east of Grand River next to the Old

Donnell's radio program broadcast over WKAR from 5 to 5:30 today will feature a case room scene of 1898, one of the many scenes of the Home Economics program which will be performed Saturday afternoon in the College Auditorium. This scene is directed by Mr. Ruell.

memorial hospital will be open to visitors. Work on the building is nearly completed.

Expert Visitors  
As the many alumni visitors will be attending open houses Friday, students and the general public are asked to visit the open houses and displays in the home economics building during the Saturday open house hours.

At 6:30 tonight, the golden anniversary dinner for alumni will be held in the Peoples church. The feature of this event will be the 12 presentations to outstanding MSC alumni.

Gifts To Speak  
Miss Maude Gilchrist, first dean of the division of home economics at MSC, will speak at this banquet. The topic of her speech is "Glimpses Over The Years."

Miss Gilchrist recently completed a book on the history of home economics. This book will be released on the first time at this banquet.

President John Hannah will discuss the future plans of the college at this dinner and Dean Maude Gilchrist, recently completed a book on the history of home economics. This book will be released on the first time at this banquet.

## Political Group Announces Party Platform

Platform of the Green and White political party was set up by candidates at a recent organizational meeting. The group, which has been organized until after final council elections, is headed by Joe Pernack, Highland Park junior, acting chairman.

Plans of the Green and White party are:

1. To give the members of the student body true representation in its student government.
2. To compile a campus guide book, printed by the administration, explaining what individuals and organizations may and may not do.
3. To promote an all-campus group composed of representatives from the various student organizations.
4. To secure a more concrete and understandable cut system.
5. To secure a more evenly distributed social calendar.
6. To provide a better opportunity for low cost recreation on campus.
7. To support NSO.
8. To secure an ambulance on campus as a functional part of health service.
9. To secure a system of lights for tennis courts to permit night usage.
10. To secure an improved system of transportation in the East Lansing area by the present bus line.

## Students Produce Musical Studio On The Square

Curtain Will Go Up Tuesday On First Of Three Showings

"Studio on the Square", the musical-comedy which will be staged in Fairchild Theater May 6, 8, and 9, is the first of its kind to be produced by a college group in this city.

Mer Opland and Joe Greenhoe have taken the play "When the sun doesn't shine."

The men in Hedrick Co-op house are entertaining this evening at an informal term musical-comedy production. Robert Herber, John Rogers and Opland have created the times for all of the original songs. The songs are by Bill Lind, Lawrence O. Lane and Howard Kitzman.

When George S. Kaufman guest to permission to Opland to adapt "Bengal in the Jungle" last June, he stated that it was the first time a student had been permitted to stage a musical comedy. He stated that the production was a success and that it was the first time a student had been permitted to stage a musical comedy.

Maude Walters and Theda Ann Smith, chairmen of the Home Economics department, will be the first to appear in the play. They will be followed by the 28 members of the department.

Lois Maffei, in charge of the department, said that the production was a success and that it was the first time a student had been permitted to stage a musical comedy.

"Studio on the Square" will be staged at three performances, and curtain has been announced for May 6, 8, and 9.

He recalls that it was many years ago that he had put his office window with earlier foresters using insecticide spraying horns perched on the front steps and vigorously.

## Help Wanted

He recalls that it was many years ago that he had put his office window with earlier foresters using insecticide spraying horns perched on the front steps and vigorously.

## Forestry Honorary States Ten

Alpha Pi, forestry honorary, has 10 men into the fraternity.

Initiates were Arthur C. Henry, A. Stoehr, and C. Decker.

Those initiated were Maynard Wright, Carlsbad, N. M.; L. W. Hart, Highland Park; M. Potter, Kalamazoo; L. Potoway, Ortonville; L. Lerner, Long Island, N. Y.; T. Dubovsky, Mt. Morris; Miguel A. Hernandez, Puerto Rico.

Following the initiation ceremony a banquet was held in the gymnasium.

After dinner speaker was Dr. Statheth of the bacteriology department.

Guests included Gordon and Ted Dams.

## Injured Student Conveys Thanks To Blood Donors

George H. Hay, sophomore pre-med student, injured last Thursday when a truck hit the bicycle he was riding, wants to thank all of the men who so generously donated their blood to him.

Given eight blood transfusions, Hay is now slowly recovering in the Memorial Hospital center. Hay suffered severe hip lacerations and internal injuries when the truck hit him while riding on a semi-truck in front of the Veterinary clinic.

He thanks to the following men: Calvin Sandberg, Robert Sponheimer, Albert Walcott, Cornelius Lewis, Vanderlip, Freshman, Ralph Lee, Tomlinson, Joseph Greenlee, Freshman, West Virginia, sophomore, Joseph Tison, Dearborn, Freshman, Thomas Foster, Maynard, Freshman, James C. L. Lerner, Freshman, and Ralph Williams, Detroit junior.

## Spring Harvest Of Maple Syrup Now Completed

By PAUL PALMER

Michigan State's first crop for 1947, 230 gallons of maple syrup, has been harvested by the forestry department this spring.

Total amount of sap collected was between 11,000 and 12,000 gallons, according to Putnam W. Robbins, associate professor of the forestry department. It takes 35 to 40 gallons of sap to produce a single gallon of syrup, he said.

Instead of being distributed to the dorms as formerly, the syrup this year was sold directly to students, faculty and college officials at a cost of six dollars a gallon.

The college sugar bush takes in 55 acres of maple trees along the Red Cedar road bridge. Another bush is located at the MSC experiment station at Chatham.

This is State's 31st year in the maple syrup business, which began in 1916.

The complete staff of the psychology department and three psychology majors will represent Michigan State college at the Midwestern Psychological Association meetings today and tomorrow at the Edgewater Beach hotel, Chicago.

Members of the psychology club who left for Chicago yesterday are Dorothy Elsey, Detroit junior; Minnie Holstra, Cadillac junior; and Virginia Radin, Detroit senior.

## System Of Registration Gets National Attention

Michigan State's system of registration has attracted national attention, reported college registrar Robert S. Linton yesterday. Linton attended a national convention of the American Association of Collegiate Registrars in Denver, Colo., last week.

He said that from the beginning of the conference he was beset by eager representatives of other colleges and universities asking for information about the MSC system.

Increased enrollments in colleges throughout the country have forced the installation of International Business Machines. The registrars have found that they don't know enough about the use of these machines, Linton declared.

Many other schools have some sort of machine procedure, he stated, "but none of them seem to have as complete a procedure as we have."

Other schools have asked MSC to set up an informal workshop during June registration this year and for March next year in order that they may study our system.

He added that the registrar office is swamped with requests for more information at the present time.

## NEWS IN BRIEF

Ramadier Asks Confidence

PARIS, May 2 (AP)—Premier Paul Ramadier will ask the French National assembly today for a vote of confidence and if the vote goes against him he will resign, it was officially announced today.

House Approves Death Law

LANSING, May 1 (AP)—The House of Representatives in a test vote today informally approved capital punishment for Michigan after an absence of 100 years, but later deferred final vote until Tuesday.

Chaplin Settles

NEW YORK, May 1 (AP)—A \$5,000,000 plagiarism suit against movie comedian Charles Chaplin ended in Federal court today when Judge Harold S. Burke announced the case had been settled for \$25,000.

Prophesies New Tax

LANSING, May 1 (AP) Rep. Elton R. Linton, chairman of the House taxation committee, said today that Michigan smokers could be "pretty sure of a two-cent cigarette tax."

When It Comes

## THEY'LL HAVE FUN WITH BONUS

By JANI NITE

The veterans on campus have never had any difficulty finding places to spend their sixty-five a month. With the advent of a bonus from the State of Michigan, the vets' wallets will be bulging with extra cash, eventually.

Going on the supposition that the guys have minds of their own and are not under the influence of designing crews, we asked men studying in the grill, the question "What are you going to do with your bonus check as a veteran resident of Michigan?"

To Relax

Dick Massuch, Lansing junior, said "I'm going to relax and have a good time on mine. I plan to go to Cleveland and Chicago this summer. With the money left over from the Chi trip I'll buy golf clubs. I figure by that time I'll have about enough to buy a putter."

What's a senior year for if not a car?" said Moh Akerman, Birmingham senior. "I'm going to put all the money I get into

wheels for my own personal enjoyment."

Thor Jorgensen, (with a name like that we were sure he'd buy a car) Detroit freshman, is another who plans to use his check for a car. "But I'm going to invest the money first, let it collect some interest, and then get one of the really modern cars when I'm in my last term here."

"I'd like to buy a car," said Jack Berry, Bay City freshman. "But I'm not going to get that kind of money. I guess I'll get a Whizzer motor bike and a sidecar for my date."

To Pay Debts

Jack's hut mate, Dick Alban, a Columbus, Ohio sophomore, will spend his bonus check on his state government on paying back debts he has somehow accumulated. "And that will take just about all of it."

What's left will go to buy a new razor," he said, rubbing his hand over a two-day growth of beard.

Bob Green, Magna (that's the name of an old and honored Indian chief) junior, said "Unfortunately, I'll have to put my

check in the bank as a backing to draw on. The \$65 I get a month doesn't seem to keep me solvent."

To Be Bored

Jack Murphy, East Lansing senior, plans on investing his money in government bonds. "I think that in about two years that'll be the best place for any body's money," Jack is a business administration major.

The answers we received from these and other men show that practically every vet has given some thought as to how he will spend his bonus check. About 75% of those interviewed answered "a new car."

But every one questioned whether planning to save the money or spend it, feels that he won't have to concern himself with the problem in the immediate future.

As one veteran said "The wheels of the bonus paying machinery downtown are grinding slowly—but when my check comes I'm going to have a good time on it."

As one veteran said "The wheels of the bonus paying machinery downtown are grinding slowly—but when my check comes I'm going to have a good time on it."

## Odds On Failure

No names were mentioned, but the obser-

## YARDBIRD'S CORNER

In line with War Department's aim to give regular commissions to college graduates, a board of reviewing officers will be present on campus.

Reserve officers sign up for a 4-month tour of duty. During 2 months they are judged and rated. If qualifying they receive regular army commission as 2nd lieutenant. They can not be commissioned if over 27 years of age.

Powers and duties vested in the two agencies would be transferred to the new commission. Twelve veterans appointed by the governor would head the commission.

Any student, graduate student, faculty members, or others who are interested in the health of college students are asked to send their suggestions on any of the topics to Dr. English by Saturday or to her at the Hotel New Yorker.

Harry Campbell, former Michigan State college student and graduate of the Juillard school of music will present a violin recital at the Bohman street Methodist church Friday at 8 p.m.

**NEWCOMERS CLUB**  
The Newcomers club will hold a Bohemian Luncheon as its final social at 1:15 today in the Masonic Temple Dinner room at East Lansing. Election of officers. All newcomers not contacted should call Mrs. Joseph Dewe or Mrs. Harold Black if they wish to come. All family newcomers and wives are welcome.

Harvey Lodge, Pontiac Republican appropriates \$200.00 for payments of \$500 to the parents on the difference between that amount and the bonus of the veteran collected if before he died of service connected causes.

The House vote is scheduled tomorrow.

# ... And All Of A Sudden, IT'S SPRING!

Photo by Arnold Brandtner

Photo by Crawford

## ALL - THE SOUTH WIND!

### With Sports 'N Things

Spring's belated appearance was made this past week, and with the robins and flowers came other familiar harbingers of the equinox. For example, the upper left picture, to which we attach no comment other than it must be the warm weather. At the upper right, a group of stout men give the heave ho to the canoe dock, opening that familiar haunt to local sailing enthusiasts.

The men of muscle have gone outdoors for their daily stint too, as at the left we see Merv Pregulman, former U. of M. star under Biggie Munn and stand-out with the Green Bay Packers, looking on as Mark Blackman and Ed Hagdon prepare to go at each other's throats. The feminine side of it is in evidence at right as a girl's tennis class gets the low-down on the old championship game.

In anticipation of the high winds of campaign speeches next week, the League of Women Voters maps plans (see right) for the coming elections. In back of the desk is Jane Mitchell, Pontiac senior and vice-president, while from left to right in front are Vivian Gehy, Detroit freshman, treasurer; Margia Alexander, Fenton sophomore, president; Peggy Swikart, Yonkers, N. Y., sophomore, publicity chairman; Gretchen Bush, Muskegon junior, secretary.

Below the headlines look over the two puppies which were left in an ice cream cone carton on their first morning last week. Holding the pups are, left, Pete Spanos, a next door neighbor who was given one of the dogs; Jack Pettis, Falmouth sophomore, and Larry Nelson, Grand Rapids sophomore. The second abandoned pup was turned over to the SPCA for treatment.

## Woman Earns Co-op Award

Maxine Finkbeiner, Middleville, junior, was presented with the president's gavel of the Women's Cooperative League at the annual Stardust ball.

A scholarship check for the most outstanding woman in cooperative houses for 1947, was awarded to Mary Margaret Heller, Detroit sophomore. This new award is presented to the woman living in a cooperative house who shows the most cooperative spirit and has a high scholarship and citizenship average.

Mrs. John B. Harrison, the WCL advisor, presented the plaque to Robinson house for the second consecutive year. The plaque is given to the house having the highest point average for fall and winter terms.

## Crew Picks Up Coeds

ROTC men broke out with a mechanized version of advertising this week, but still retained some eye-catching features prominent since Cleopatra. They roared around campus with cavalry's new M-8 armored car blasting with sirens and portable public address system. For a picture, however, they added (L. to R.) Janice Young, Charlotte Snyder, Kathie Mull and Eleanor Jacobs to the crew of Sgt. Elmer Markhardt, Phil Werner and Dave Bogie.

## YW-YMCA Outline Plans For Summer Projects

Students Take Industrial, Clerical Leadership Jobs During Vacation

Want to earn some money this summer and yet get college credits?

The YWCA and YMCA have a list of three self-supporting seminars, three president's leadership schools, and numerous

local camps, settlement houses, and work projects both in the United States and foreign countries, which college students may attend.

Washington, D. C., is the locale of the Washington Citizenship Seminar. The students take government jobs and work in recreation projects. Leaders in governmental affairs and tips to surrounding points of historical interest and to Congress are all part of this program.

**Do Factory Work**  
Students interested in the industrial, labor and management problems of work can find their way to the George Williams College, near the University of Chicago. These unemployed students will work in the factory work, attend the factory seminars in Hartford, Conn., and participate in the program.

College camps are held at Lake Geneva, Wis. YW-YMCA members take jobs in bellhops, desk clerks, and waitresses. They find their experience, team and bond, friendship, and a whole new way of life, a gratuity fee and a dividend bonus if they stay through Labor Day.

A similar camp is held at Lake Park, Lakes, Cal., in the Rocky Mountains.

At all three of these seminars, the students work, in four week and live in cooperative houses. They also have three discussion meetings a week where the students bring up questions about their work, and business leaders speak on any phase of industry.

See YW-YMCA 6

**'S' Wives Will Learn To Remodel Chaparrals in Next Sewing Class**

The Spartan Wives sewing class will receive instructions on remodeling hats at a meeting from 2 to 4 p.m. Tuesday in room 206, home economics building.

Mrs. Cecilia Clark of the home economics department will be assisted by seniors Mary Rader, Melvyn, and Irene Krieger, Dearborn. They will teach the class to either remake old hats or to make new hats.

Those who prefer may work on cotton dresses.

## WOMEN'S SPORTS

The first women's all-college golf tournament is scheduled for Sunday at 4 p.m. at Glenmoor golf course.

Thirteen women will vie for first place in a series of four matches, May 4, 7, 14, and 21.

Mary Byington, Flint senior, champion for the last two seasons, will be out to defend her title.

**Softball Play-off**  
Despite unpredictable weather, softball teams have managed to get their games played off on schedule.

Kappa Delta, in a one-sided game by Concord house, 7-1, The Zeta Taus came through to hand Alpha Chi a 11-3 trouncing.

Kappa Delta, in a one-sided game, overpowered the Kappa Kappa Gamma nine, 21-0. Sigma Kappa handed a 6-1 loss to the Delta Zetas, while the Gamma Phi tallied a 11-5 victory over the Chi Omegas. South Campbell emerged the victor in a game with the Gamma Phi by a 4-1 score.

**Tennis Tournament**

Matches in the women's all college tennis tournament must be completed by the date of rounds posted in the Women's gym. For singles the deadline is May 7, 14, and 21. For doubles, results of matches must be in by May 7 and 14.

Participants are asked to check their matches by the schedule posted in the Women's gym.

**Archery Equipment**  
Open loans for the use of archery equipment are Monday, Wednesday, and Friday from 11-12, and Tuesday and Thursday from 12-1. Archers may also use the equipment and Saturday afternoon when the gym is open.

Any woman student is entitled to use the archery equipment. To learn beforehand in the Women's gym with other Miss Parkers, Miss Rader, or Mrs. Denney.

Tickets are now available at the Union ticket office for the annual Green, Golden, swim, pageant, and banquet in the Park.

## 'S' Extension Will Present W.K.A.R. Series

Special radio programs over WKAR have been arranged in connection with National Home Demonstration Week, May 4 to 11.

Mrs. Rachel Markwell, state home demonstration agent leader at Michigan State college, was named to the home demonstration series and extension club members from Lansing and nearby counties will participate.

On Monday at 9:45 a.m. Miss Olive C. Meek, extension specialist in home management, will discuss "The Part of Home Management in the Extension Program."

She will also discuss "Accomplishments That Bring Satisfaction" on Tuesday at 4:15 p.m. "Dressing Up Your Furniture" will be the topic of a discussion given by the Ingham county group at 11:16 a.m. on Wednesday.

The Thursday program at 11 a.m. will be "Our First Year in Extension," presented by the Clinton county women, and on Friday at 4 a.m. the Eaton county group will bring "Extension Continues to Serve."

Strike Hits Detroit

DETROIT, May 1 (AP) — The worst construction tie-up since 1910 hit the Detroit area today as 16,500 members of the AFL building trades unions walked off their jobs.

## Allen, Vincent Will Speak At Festival

Home Ecs Will Hear Talks On Changes In U.S. Families

Dr. Florence E. Allen, judge of the United States Circuit court of Appeals, sixth district, and Miss E. Lee Vincent, dean of the New York state college of home economics, Cornell university, Ithaca, will be speakers at the 50th anniversary of the School of Home Economics.

Dr. Allen's speech on "The effects of Social, Economic, and Political Forces on the American Home" will be given at 10 tomorrow morning in College auditorium. Miss Vincent's speech on "The Influence of the Family on Social Change" will be next, followed by a pageant on the 50 years of progress of the home economics school.

**Appointed In 1934**  
In 1934, Dr. Allen was appointed to the bench of the court of last resort by the late President Roosevelt. She is the first woman to be awarded this distinction.

As a circuit court judge, Dr. Allen has had an excellent opportunity to view American life, and as a result has become a student of the American home and its relation to contemporary life. Her speech will be based on her experiences.

**At Merrill-Palmer**  
Dean Vincent worked for many years in Detroit on the staff of the Merrill-Palmer school and the

Today will be the last day for women students to draw numbers for dorm rooms for fall term, announced S. H. Kresler, director of student housing.

Children's hospital before she transferred to Cornell. She has also been a lecturer at the college of medicine, and the graduate school of public affairs and social work at Wayne university, and the graduate school of education at the University of Michigan. Dean Vincent has written many articles for professional journals and women's magazines.

## AER Members To Participate In Radio Meet

Approximately 1500 education and radio personnel will meet at Columbus, O., to discuss mutual problems at the seventeenth Institute for Education by Radio to be held this weekend.

Prof. Joe Callaway, director of radio education, Prof. J. D. Davie, Eugene Cahill, Battle Creek senior, L. F. Foster, Bay City senior, Louise Osterholt, Detroit senior, and graduate students Noble Richardson, Montgomery, Ala., Robert Kamins, Lansing, Kenneth Hemmeier, East Lansing, and Marion Hoffman, East Lansing, will represent MSC at the conference.

All of these students are members of Alpha Epsilon Rho, radio honorary. Callaway is advisor to the group.

Cahill and Foster are the official delegates of the Delta chapter of AER and will represent the organization in voting and suggested changes within the organization.

The conference will last from Friday night until Monday morning. On his return trip Callaway will address the Federated Women's clubs in Akron, O.

## Affairs of State

By JEANNE DWYER

Glow, little glow worm, while you've got the chance. Electric lights are here to stay, they say. But then there are other kinds of glows.

Firstname Anna Woodward, Grand Rapids sophomore, is all glow these days. The reason is an Alpha Gamma Rho pin by-on-side by side with her Zeta Tau Alpha one. The donor is one Bob Ross, Marlette freshman.

The coincidence is amazing. Just after one year ago at the IFC dance, the pinholder last Saturday at the IFC dance, the transaction on SAE pin, soph Bob Knowles to Sault Ste. Marie sophomore Donna Hees, Gamma Phi Beta.

From Delta Gamma: K. Ann Wattles, Detroit junior, pinned to Jim Rohdeau, Monroe sophomore. The latter is an ATO.

From Delta Tau Delta: initiation ceremonies last Sunday made official for the following new officers: Bob Morrison, Lansing; Sam Grail, Saginaw; Raymond Schmitzer, Bob Bostel, Ed Wagner, and Phil Werner, Battle Creek; Steve Jensen, Muskegon Heights; Bob Smith and Ted List, Detroit; Jim Dawson, Cass City; Richard Spitzer, Toledo; Ed Tolson, Jena Kennedy, Belmont, N.J.; and George Kuehn, Leaning, Ill. Mrs. Davis, Vermont; Bob Alth, Mt. Pleasant; Gordon Sprague, Cass City; Don Schmidt, Ypsilanti; Ohio; Jan G. Van, Vananda; Henry Usher, Berwyn, Illinois; Ben Fleming, Kenmore, N.Y.; Bob Schmeck, Higgins Park and Paul Potts, Buena Vista, quite an impressive list.

From Psi Upsilon: New initiates as of Sunday: Joan, Boston, Larchmont, N.Y.; Pierce Leavitt, East Chicago; and Bob Kohhorst, Detroit; Harvey Lynn, Lansing; Charles Miller, Huntington Woods; Tom Bennett, Midland; Jack Backsdale, Clarksville; Frank Ellis, Charlotte; Robert Harris, Huntington Woods; James Kamling, Jackson; and John Eckmeyer, Jr., Birmingham.

From Theta Chi: New pledges are Ken Brink, Plymouth sophomore; Dave Coats, Spring Lake freshman; and Bill Derck, Abingdon, Pa. freshman. No linker pledges since Sunday's initiation are freshmen Reg Dickhaus, Park Hills, Ky.; Budd Quinn, Detroit; and Gerald Wilson, Dearborn, sophomores Ned Sharp of Buffalo, and George Irwin, Detroit. Juniors: Bill Bowman, Alpha; David Conway, Wyandotte; and Ernie Luhrs, Bronx, N.Y.

DR. FLORENCE ALLEN

## MSC Omicron Nu Plans Breakfast For Drummond

Omicron Nu will honor Dr. Laura Drummond with a breakfast Saturday morning.

Miss Drummond has been national president of Omicron Nu since 1945. She has been active in teaching home economics in all levels of the educational field. At the present time, Miss Drummond is a professor in home economics at Teachers' college, Columbia university.

She will speak on the Saturday morning forum of the home economics festival.

Omicron Nu, honor ry home economics sorority, was founded at Michigan State in 1912. About 25 student members will attend.

# MSC Track Squad Faces Notre Dame In Initial Outdoor Appearance At Home

By WALLY SCHRAMM  
Seeking to make it two straight victories over Notre Dame's track squad, Michigan State thunders will meet the Irish in the first home meet of the outdoor season on the track behind Macklin field at 1 tomorrow afternoon.

For the Irish it will be an opportunity to exact revenge. The Spartans' 60-52 victory at South Bend was the only defeat on the Notre Dame indoor season record.

One week after the State-Irish meet, the Spartans added to their tally as they swept into the title spot at the Central Collegiate conference indoor track and field championships here, Notre Dame, defending team champion, finished 17 points behind in second place.

Jack "Rocket" Dianetti, who furnished the spark with a terrific last-lap kick as the Spartans won the Drake Relays, spent the last week, will be in the mile Saturday.

Dianetti won the quarter and half mile at the Central Col-

legiate indoor meet. For the Irish, Bill Leonard is slated to furnish the power in the mile. Leonard was 1946 CCC mile king.

Rip Sewell, Roy Niemeyer, and Clark Atkinson, in the two mile give the Spartans added supremacy over the long distance runs.

With Bob Schepers powering down the straightaway, State

rates an edge in the sprints. Schepers scored a double win at Ohio State two weeks ago with :56.7 in the 100 and :31.7 in the 220. Freddie Johnson and John Faughn gave additional dash insurance.

Bob Vosburg and Mayo Arndt form the top Spartan pole vault duo which figures to rack up

some important points. Fred Johnson, injured indoors, has been handicapped by bad weather in attempting to get back in top form, but after his 23-foot, 9 1/2 inch leap in the Drake meet, figures to top any Irish jumper.

Bill Mayhew and Bob Fraser are the potent names for State in the high and low hurdles, respectively. John Smith, of Notre Dame finished second to Fraser indoors and came back to top Mayhew in the high bar event.

On the Notre Dame side of the ledger, weight men Luke Higgins and George Sullivan have both done over 40 feet in the shot. In the middle distances, Notre Dame consistently displays its greatest strength. Ray Sobota, Bill Tully and Dave Murphy are the big threats for the 440 and 880. Capt. Jim Fraser and Walt Mack will lead the MSC contingent in these events.

## DOWN THE SIDELINES

By CHUCK STRATTARD

WEDNESDAY was one of those "red letter" days in reverse for Michigan State teams. It was one of those days that give reporters the blues and sports headline writers a nightmare.

Yes, Wednesday was just one of those days we all would have fared better staying home in bed. Four Spartan sports teams were in action and the net results showed a clean sweep on the victory ledger... for the other guys.

As far as I know, nobody at State is upset about it and that's the way it should be. It's brought to attention because a 100% losing day for us is not a common occurrence.

## State Golfers Suffer 23-13 Loss To U-M

By JACK O'HARA

Michigan State's golf team lost their second meet of the season Wednesday at Ann Arbor to the Wolverine squad with Brian Charter, top medalist for the Spartans with a 77.

State lost two matches, tied one, won one, and came out on the short end of a 23-13 total score. Ed Scholten was low marker for the day, firing a one over par 74 on the back nine, one less than par for that end of the course.

Bob Tansey and Don Ventner lost 78-83 against the Michigan threesome of Dave Barclay, John Jenswold, Barclay had 76 and Jenswold 79. State split the match with them, 43-45. Both Ventner had 39's and Barclay had a 37 for M on the out-nine.

State Loves 2nd Match  
Bob Billing and Duncan Fisher lost to Scholten and Roger Kessler in the second four-ball match by a score of 14-15. Scholten's 73 and Kessler's 50 topped an 84 by Billing and an 81 by Fisher.

The third Spartan duel of Jack Mounteer and Charter won from Garry De Vries and Bill Ludolph 12-2 to 21-2. Charter's 77 and Mounteer's 85 were better than Ludolph's 81 and De Vries' 84. Brian paired a 36 and a 39 for us 77 and took two out of three points from Ludolph. Mounteer's 81 was good for 24 points.

State was only two points behind Michigan as the last four-some teed off. The results were nil for MSC as football star Pete Elliott and Paul O'Hara swept the match 81-71. The Wolverine quarterback shot 79 to Jack Gale's 86 and again 34-9. O'Hara took 21-2 points from Howard Visger when he shot an 84. Visger had an 87.

WESTERN Michigan played heads up baseball and beat a great Spartan team, 9-1. The Broncos were a better ball club Wednesday. They deserved victory. No excuses are offered.

Ben Van Alstyne's golfers shot good scores at Ann Arbor but lost to Michigan's unknown who fired better than good.

On the tennis court, the Michiganers made it a two-way by defeating a Spart team 6-3 and one Jack Dahlgren, otherwise winning tennis team.

In the only horse activity, the Jayvies basketballers lost an early lead to Hope at Old College field, and fell to the visitors, 6-3 in 19 minutes. They had previously defeated Hope.

Every team has one or more bad days in its system, and no fan expects the gang has rooting for to knock every opponent out of the fair-minded universal.

It just happened four of our teams picked the same day to have a let down.  
It's nice to be able to lose as gracefully as you win. Already this spring MSC teams have compiled a win record far exceeding the losses. It doesn't hurt to lose once in a while. To Wednesday's victory over Michigan State, a pat on the back for a job well done.

WEDNESDAY afternoon, Biggie Mohn gave your reporter a lesson in how an outdoor postman, as well as football coach.  
Biggie displayed 10 or 12 aerial photographs showing panoramic views of northern Ontario wilds where he filmed his fishing trip in color.

Along with extending an invite to members of the sport staff to view the films after he has finished directing spring football drills, Biggie said he plans to make a similar trip this year. Good fishing, Biggie.

STUFF On The Cliff Dept. Last week an interesting letter reached the sports department from Batavia, Java, by way of Holland.

It carried a request from N. Stam, president of the Batavia Polo and Swimming club,

who asked for information, books and pamphlets containing activities of American college water training programs, and swimming records.

We enlisted the aid of Charlie McCallister, Spartan swim coach in procuring this material for Stam.

Mac rolled up his sleeves and went to work on the project. In a half hour he produced enough reading material to stock a complete book shelf. The information Stam asked for is en route to Batavia. Thank you, Coach McCallister.

Incidentally, Stam's brother, whom he failed to name, swam in the 1936 Olympic games in Berlin. We assume he wore the colors of Holland.

## State Tennis Team Seeks Eighth Win

By JACK WORTH

With hopes for fair weather, the Spartan tennis team will travel to Kalamazoo today for two matches, the first with the Broncos of Western Michigan this afternoon, and the other with Kalamazoo college Saturday.

Capt. Jake Dahlgren has decided to juggle his lineup once again in an attempt to use more strength in the top singles positions. At Ann Arbor Wednesday, State lost the first three singles points and against Notre Dame the squad dropped the first five.

Cesena Back  
Roger Cesena, who scored an easy three-love victory over Bill Miksh of Michigan, has moved back to the second spot behind Al Reynolds. Cesena played at second singles for the southern trip and the Cincinnati and Chicago matches.

Dahlgren plans to use either Don Chuck or Jack Shingleton at third behind Cesena. Both Shingleton and Chuck lost their matches at Ann Arbor, but played strong defensive tennis although handicapped by the tricky conditions.

Malaga Is Set  
Don Malaga, the only singles winner against Michigan, since then Cesena is set for No. 5 but Tom Matheson's complete victory against Mickey Elliot. Against Notre Dame Elliot was in good form but his play fell off again Wednesday.

The first doubles team of Reynolds and Cesena will remain intact and Dahlgren will continue with his winning combination of Chuck and Shingleton.

## Fighting Shortstop Tops At Plate, Afield

By BUD LAWSON

Captain Martin W. Hansen of the 1947 varsity baseball squad is a lean, fair haired athlete who wields a big stick at the plate, and covers his shortstop position in a manner which leads fans to think of him as the "Mr. Shortstop" of collegiate baseball.

Standing just under six feet and tipping the scales at 155 pounds, "Marty", as he is better known, displays tremendous power at the plate, and hits a long ball to all fields.

Currently ranked second among Spartan hitters, Hansen has ripped out 22 safeties in 53 trips to the plate for a .415 average. Ten of these were for extra bases, including seven doubles, two triples and a pair of round trippers.

Powerful Throwing Arm  
Possessor of a powerful throwing arm, Marty wows the fans with his lightning throws. Hansen developed his throwing arm while playing at Flint Northern during his prep days when he put in record appearances as well as covering the shortstop position.

The amiable infielder joined coach John Kobs squad in 1945 when as a freshman he hit .339 and led the team in RBIs. Last year he dropped to .295 but still led the team in runs scored and was third in RBIs.

He's Got It  
Last week against Notre Dame, Marty stepped to the plate with a man on base and exploded his slugging ability by pounding the ball over the fence in right field to give State a 4-3 lead over the Irish.

Such hitting tests usually bring a host of questions among the spectators concerning the future of the player. Marty brings up the question of whether he will be able to drive the ball into the far corners of Old College Field.

## Wrong Way Cards Do Not Alarm Owner

NEW YORK, May 1 (AP)—

President Sam Breadon of the St. Louis (wrong way) Cardinals spoke kind, reassuring words today to his manager, Eddie Dyer, who had maintained that the players' point of view would encourage only a "stronger position" that will strengthen the team.

The owner's reply came down from St. Louis last night by way of a cable message, he said, to remind that it was "down" after pumping into the National League player and might approach the "stronger" encouragement.

"If I have nobody with the idea that I'm thinking of changing manager or anything silly like that, he played Eddie's manager and it's no fault of his that the team has gotten off to a poor start."

"I don't know what I could do to help the team," he said, "but I'll do my best to help the team. I'll do my best to help the team. I'll do my best to help the team."

"I don't know what I could do to help the team," he said, "but I'll do my best to help the team. I'll do my best to help the team. I'll do my best to help the team."

"I don't know what I could do to help the team," he said, "but I'll do my best to help the team. I'll do my best to help the team. I'll do my best to help the team."

"I don't know what I could do to help the team," he said, "but I'll do my best to help the team. I'll do my best to help the team. I'll do my best to help the team."

HANSEN

## Tilts Rescheduled

Last night's softball games, postponed because of rain, have been rescheduled for next Wednesday night, at the same time, and on the same diamond, it was announced yesterday by Ed Pagan, director of intramural athletics.

Pagan also said applications for faculty softball teams will be accepted until Monday evening at Jensen fieldhouse.

## Weekend Socialites Plan Events Around Springtime Themes

Mayday Inspires Radio Parties, Lantern And Maypole Themes

By AUDREY DAVISON

Optimistic students who believe the calendar when it says May is here will dance around gayly decorated May poles this week end, probably to the patter of rain on the roof. This spirit proves that MSC students can make "hey-hey" even "Beggars on Horseback" writ-

ten by George S. Kaufman and Connelly, and completely adapted the script for party from 9 to 12. The theme and decorations have been planned around a Maypole with lantern streamers.

used by the Christian Student Foundation. They are sponsoring a May Pole Hop at the Masonic temple from 8:30 to 11:30.

### YM-YW

Continued From Page 4

politics or leadership. The seminar at Lake Geneva holds six discussions a week.

The three presidents' leadership schools are the Union Theological seminary in New York City, the Divinity school at the University of Chicago, and the Pacific school of Religion at Berkeley, Calif.

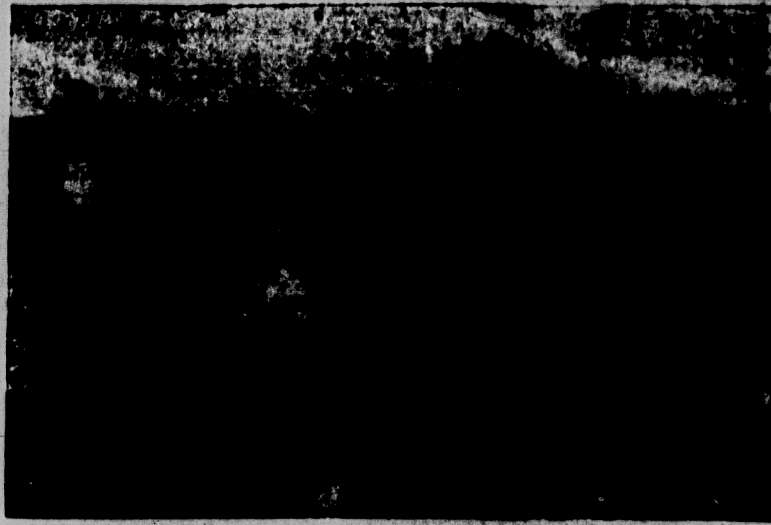

Faculty Teachers. Faculty members of these colleges teach the six week course for which a tuition fee is charged. Credits are transferable if the student makes arrangements with his college registrar. Anyone may attend these schools; but preference is given to those students who are presidents or will be presidents of their local college YW or YM organization.

A regional conference will be held June 11 to 18 at College camp, Lake Geneva, Wis. Colleges in Michigan, Illinois, Indiana, Wisconsin, Ohio, Minnesota, North Dakota, South Dakota, and Iowa will send representatives. Emphasis is placed on small discussion, technique, and study groups rather than lectures by experts in the fields of government, leadership, and industry.

Other radio parties will be given by Mason hall men, the Delta Zetas, and the Zeta Tau Alpha. An informal dance will also be held in the Union.

Another May pole theme will be

## Comb Tornado Wreckage

Survivors of the tornado which whipped through Worth, Mo., search among the wreckage on hour after the storm. Thirteen persons were killed and the entire town was wiped out. Over 100 were reported injured as the storm passed over southern Iowa and Missouri. During the storm, which struck suddenly, a school house was leveled, but the teacher led the students into a fruit cellar and none were injured.

## 'Apollo Club' Will Present Annual Spring Concert

By BEA WILSON

Lansing's 40-member male chorus, the Apollo club, will give their annual spring concert Monday, May 5, at 8:15 p.m. in the auditorium of West Junior high school. Alexander Schuster, professor of music at MSC, will be guest soloist, and the chorus will be under the direction of N. R. McIntyre.

Schuster will play six selections for cello, two of which are his own arrangements. His first trio of compositions will include Etude and a Mazurka by Chopin, and "Meditation" by Schumann. The last two numbers were arranged by Schuster.

"Elegie" by Faure and "Serenade" by Kantzenbach will also be played by Schuster, with Howard Silberer at the piano. Silberer is a music instructor at State.

This concert is the first postwar program to be given by the Apollo club. Organized in 1937, the group chose their name from several choruses in the East, having the same name.

The services took all but four of

the members when the war came along, but this didn't prevent another four from making a name for themselves in several barbershop quartets.

Tickets for this concert may be obtained at Style's Music shop, and will also be sold at the door.

## Crowe Announces Summer Session

A special four-week summer session opening Aug. 4 for ROTC students returning from camp has tentatively been arranged, Dean S. E. Crowe announced last night.

Plans are based upon the number of interested students. Approximately 200 enrollees are needed to make it successful.

Forms declaring intention to register for the session in economics, sociology, psychology, political science and geography are available in ROTC offices, Demonstration hall.

## Visiting Head Wins Loan For Mexico

WASHINGTON, May 1 (AP)—The United States promised Mexico a loan to build up its postwar economy today even as Mexican President Miguel Aleman told a cheering joint session of Congress that democracies must be strong lest they whet "the appetite of dictators."

President Truman and the visiting chief executive of Mexico announced in a joint statement that the United States will approve "additional credits" to Mexico and that the two nations "concur in the desirability of signing a new agreement to stabilize the rate of exchange between the peso and the dollar."

Government officials said Mexico is virtually assured of initial credits of at least \$50,000,000 from the U. S. Export-Import bank on her application for loans of \$150,000,000 to \$175,000,000. The funds would be used for the development of Mexican power, irrigation and industrial projects.

In addition, Mexico has applied to the World bank for a loan of more than \$200,000,000, but since the Bank has not yet made any loans, no action on this request is expected in the near future.

FARMERS WHO WISH TO INSURE AGAINST LOSS RESULTING FROM INJURY TO EMPLOYEES CAN PROTECT THEMSELVES BY CARRYING WORKMAN'S COMPENSATION INSURANCE OR EMPLOYER'S LIABILITY INSURANCE.

## Carnival Heads Plan State Publicity Campaign

Chuck Monaghan, chairman of the 1947 Water Carnival, called a general meeting Wednesday at which all committee chairmen made a report.

Don LaMont, water sports chairman, announced that an attempt will be made to get pre-carnival pictures of various groups at practice for distribution to papers throughout the state.

Program chairman Carl Rush said the "Spartan" magazine will be on sale during the three festive days and will contain the complete carnival program.

Merrill Walker, chairman of the music committee, is working on the coordination of music with floats. No definite plans have been made as to who will provide the music.

The production committee has obtained blue prints of past carnivals, according to Jerry Anderson, chairman. These will provide the pattern for the 1947 layout. Anderson said there will be a total of 48 floats.

Publicity co-chairmen Ted Carlson and Bill McCartney announced that, pending permission from authorities, banners will be placed in conspicuous positions around Lansing and East Lansing.

Monaghan announced that the dates of the carnival are now definitely May 29, 30, and 31. It will be held each night from 8 to 11. Prices of admission will be 80c and \$1.20.

## LETTERS TO EDITOR

Continued from Page 5

I only hope that Mr. Shackleton speaks more kindly of my Giants after remembering they whipped the Texas A&M team in an exhibition game at Austin, Texas, Nov. 14, 1946.

A Pioneer who lives in East Lansing.

**TO THE EDITOR:**  
The fellow who called this college a pigsty is surely a pretty keen fellow. He was talking about Jackson, Mich. in relation to a small number of students that turned out for the football game. Stated Coach Cooper, "We took 100,000 fans to the game." I would say that we are progressing rapidly into modernity and civilization.

**TO THE EDITOR:**  
An article in today's State News about the death of Edward Lewis, the construction worker who accidentally fell last week stated that he is survived by a wife and four children.  
It occurred to me that this man

unexpected death might have a drastic effect upon his family's financial condition. If this is true and a fund was collected for them I would be glad to contribute a small sum.

Judging from the generosity usually displayed by the student body, I believe others would contribute also.

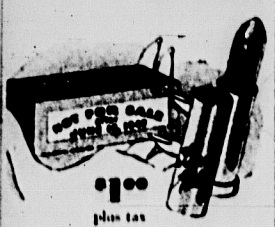

A Student

## Fleck To Interview Seniors

D. C. Fleck of the Ingersoll-Rand company, Detroit, will be at MSC Monday, May 5, to interview senior mechanical engineers. Appointments can be made by calling the Placement office, extension 525.

Poached and panfried smelt can be served with onion gravy, tomato sauce, horseradish, sour cream, tartar, Spanish and barbecue sauces.

## Women's and children's wear manufacturing...

## AN ILLUSTRATION OF INDUSTRIAL MATURITY

For 14 years there has been no major strike in the women's and children's apparel industries . . . and only one in the past 21 years.

In the first post-war year, while American industry in general was losing 120 million man-days of work as a result of labor-capital disputes, the women's wear trades were again setting an inspiring example of continuity of operation.

The history of employer-worker relationship in these industries is a story of consistent progress. The freedom from strife affords them the necessary opportunity for concentrating their attention and effort upon product improvement—enhanced beauty of design and perfected skill of craftsmanship.

This attainment of industrial maturity places the women's and children's wear industry in the vanguard of American progress.

This is the second in a series of interpretations of the general economic highlights of the women's and children's wear industry of possible interest in the choice of a field of endeavor. Series sponsored by Women's Wear Daily, a Fairchild Publication, 8 East 15th Street, New York 3, N. Y.
