TODAY'S CAMPUS

... Now We'll No

And now comes the breaking of the suspense, now we find out... Will George get to do it? Who is that Knif? And the Dave Lucas really need the money? Is O'Rourke worth his salt? What does those colors stand for? Are the Spartans progress-ive? Will Bud get full of Buckshot if he goes out on a limb? and Wellman, did the folks ever get on the lower shelf?

... Alpha-Beta

Greek is no longer a popular language for college students. This was brought clearly to the attention of one Delta Chi yesterday when he went to exercise his selective personality. Whoever typed the frat-ernally voting list had made it safely through the Delta but stumbled at the Chi, putting Ki.

... Dandy Sign

A Quonset Student council candidate was fresh out of paint brushes so he made his last minute signs out of dandies. Printer lions which grew in back of Campbell hall. His five opponents were all very real about their had nothing to do with flowers.

NEWS IN BRIEF

Mundt Bill Opposed

NEW YORK, May 14 (AP) — A committee of newspaper editors and executives, members of Sigma Delta Chi, the professional journalism fraternity, expressed opposition today to proposed federal legislation, embodied in the Mundt Bill, which they said would require the establishment of a government news service.

Germans May Strike

FRANKFURT, Germany, May 14 (AP) — Stuttgart factory labor leaders in the first major strike action in the American occupation zone voted tonight to call a general walkout May 22 unless the German food crisis is solved immediately.

New Palestine Blasts

JERUSALEM, May 14 (AP) — Explosions rocked areas in the Northern and Southern portions of Palestine tonight. First reports said at least two persons were injured. Earlier 30 persons were detained for questioning after an unexploded bomb, camouflaged with netting and leaves, was found in a tree fork near the military courts building in Jerusalem.

Dairy Group Ballots On Officers' Slate For 1947-1948 Year

The Dairy club's annual election of officers was held Thursday night in the Dairy building. Harold Weaver, East Lansing junior, was elected president, and Don Falter, River Edge, Minn., was elected vice-president. Bob Dancer, Jackson, junior, will serve as secretary, and Tom Anderson, Maumee, Ohio, junior, as treasurer. An all council representative for the coming year will be Bob Warner, Schenectady, N. Y., junior, while activities chairman for the coming year will be Clarence Smith, Pocomong, sophomore.

Distinguished Alumni To Receive Honors

Awards Will Be Presented To Grads At Annual Commencement Exercises

Former MSC president Robert S. Shaw and four prominent alumni will be presented with alumni awards for distinguished service at the 89th annual commencement exercises, Friday, June 6, it was announced today.

Besides Shaw, those named to receive the awards are Charles E. Ferris, 1890, Perry; Greeley Holden, 1899, Dr. Newell A. McCune, 1901, and Dr. Chauncey Earl Webb, 1912.

Former president Shaw, who retired after 39 years of service to the college, now lives in East Lansing. He was named president in 1928 after serving as dean of the school of agriculture and director of the agricultural experiment station from 1908 to 1928.

Dr. Ferris, an honorary member of the American Society of Mechanical Engineers, is now emeritus dean of Engineering at the University of Tennessee, Knoxville.

Dr. McCune, minister of the Peoples church in East Lansing, has been connected with that church since its founding. He is also religious editor of The Michigan Farmer, and an official of the National Council of Community Churches.

Holden, who lives in Belleville, is a former vice-president of the department of agriculture at Iowa State college, and is generally credited with the establishment of cash breeding in the Central states.

Dr. Webb of Pittsburgh, Pa., civil engineer for the American Bridge company, has been head engineer for the San Francisco-Oakland Bay bridge, and designed and supervised other important bridge projects.

The alumni awards were initiated a year ago by the Michigan State College club of Washington, D. C. Nominees for the awards are chosen by alumni clubs throughout the country.

Chinese Group Asks Volumes For Schools

Chinese student group on campus are initiating a book drive to send donated books to Lanchow university, Canton, China, and the first modern veterinary college in Lanchow, China.

General college texts are needed at Lanchow. Veterinary science and applied science books will go to the veterinary college.

Newer editions are requested since the shipping costs are high. Books later than 1930 are desired. Tsung Wen Tai will donate funds to ship the books to Washington, D. C., where the Chinese embassy will send them on from there.

Books that can not be used will be returned to donors by Chinese students. Donor names should be on the flyleaf so the receivers can acknowledge them.

All books to be donated should be brought to the International Center.

Russia Asks Dual State In Palestine

Joint Government Of Jews, Arabs Called For In Holy Land

NEW YORK, May 14 (AP) — Secret Russia called on the United Nations today for creation of an independent Jewish-Arab government in Palestine.

The Arabs, immediately rejected the idea of a dual state, would be impossible unless Jews were kept up against Jewish immigration into the Holy Land.

Union Board To Hold 'Ladies Day' Dance

The union board will sponsor a ladies day dance at the union hall, 1000 E. Michigan, May 15. The affair will be a social event for the ladies of the union. The dance will be held from 8 to 11 p.m. and will be a free affair. All students are invited to attend.

The dance will be held in the union hall, 1000 E. Michigan, May 15. The affair will be a social event for the ladies of the union. The dance will be held from 8 to 11 p.m. and will be a free affair. All students are invited to attend.

Hotel Group All-Time Vote Record To Sponsor Established; 4,987 Students Ballot

Sigma Gamma Upsilon To Bring Noted Men Here For Conference

The annual Hotel Day of Michigan State college will be held at the Union Memorial building Saturday, May 17. This is the first time the conference will have been held since 1942.

According to Michael Dmochowski, East Lansing senior, manager of Sigma Gamma Upsilon, honorary hotel administration fraternity, the conference will give graduating students a chance to meet and talk with employing hotel and restaurant men.

Hotel Men Coming

The association is bringing to the campus numerous well-known hotel men from several cities in Michigan. Charles Horowitz, Executive Vice President of the American Hotel Association, will be the principle speaker.

Other speakers will be Harry G. Mosick, Vice President of the Chrysler Corporation, and Robert Waldron, personnel manager of the Hudson Motor Car Co.

Salt To Be Presented

A short feature, Photo E. R. Hadden and Ray Hadden of the U. S. State Dept. of Commerce, Testing and Training in salt, will give employment a chance to review the techniques of salt mining.

The morning and afternoon sessions of the conference are open to all hotel students, but the luncheon is open to all classes. Luncheon tickets will be sold Thursday at the ticket office in the Union Lounge.

Senate Okays Entire Amount Of Relief Fund

WASHINGTON, May 14 (AP) — The Senate voted resoundingly today, 79 to 4, to grant the full \$200,000,000 asked to relieve suffering abroad.

The Senate bill does carry, however, a requirement that the food and medicine be clearly shown to have come from the U. S. A.

The legislation now goes to a Senate-House conference committee for adjustment of the difference. Besides the money difference there is the House requirement that no aid go to any Communist-dominated countries unless they agree to rigid U. S. supervision of the distribution of the relief.

Countries to be aided are not named in the Senate bill but Secretary of State Marshall has said that the main bulk of relief will go to Austria, Greece, Hungary, Italy, Poland, China and Trieste. He said not more than \$150,000,000 should be available to meet emergencies elsewhere.

Surpassing last weeks record breaking primary election vote by almost 500. Students cast 4,981 ballots in yesterday's biggest MSC student council election of all time.

Not to be outdone by the Student council, 2,426 students turned out to break every standing record in class officer elections.

In addition, the National Students Organization received the overwhelming support of the student body with 1,664 ballots marked "Yes" and only 430 "No". Mason-Abbot Leads

Leading in the number of votes cast per district was Mason-Abbot hall with 677, followed by Quonset village with 501. Married Students quarters showed the greatest increase in number of votes since the primaries, turning out 448.

Featured by ultra-close races, election returns showed that in six of the council districts less than 25 votes separated the winner from the loser.

Top Senior Race Close

Closest race among class officers was between candidates George Guerre and Joe Bogart running for the presidency of the senior class. The first count showed Guerre to be only eight votes in the lead out of 850 cast. Several recounts established Guerre's lead at 14 votes.

Council president Tom Loring announced that all winners in the council race are to meet tonight in room 113 Union annex at 7:15 to nominate officers for the coming year.

The election of officers will be held next week at the annual Student council dinner for incoming members.

The election was directed and the ballots counted under the direction of John Cox, Buffalo, N. Y., sophomore.

The official results are as follows:

SENIOR CLASS
PRESIDENT: George Guerre, 412; Joe Bogart, 418.
VICE-PRESIDENT: Ruth Melinko, 462; Larry Johns, 374.
SECRETARY: Gwen Stephenson, 421; Fay Kelly, 392.
TREASURER: Dick Minewasser, 441; Dave Lucas, 394.
JUNIOR CLASS
PRESIDENT: John Buda, 531; Carl Mikko, 419.
VICE-PRESIDENT: Barbara Babcock, 516; Doris Owens, 419.
SECRETARY: Jacqueline Allen, 531; Dorothy Waldo, 388.
TREASURER: Joseph McCarthy, 503; Robert Youngman, 439.

SOPHOMORE
PRESIDENT: Joe Bruno, 341; Jim O'Rourke, 235.
VICE-PRESIDENT: Barbara Fox, 318; Mary Lou Young, 295.
SECRETARY: Marjorie Dunlap, 402; Barbara Finney, 213.
TREASURER: Carl Moom, 440; Ellen Lee, 167.
FRATERNITIES (two elected): Neale Schermerhorn, 180; Richard Ernst, 155; William Gaylord, 138; Richard Poole, 130.
SORORITIES (one elected): Jani Mitr, 67; Marian Douglas, 61.

COOPERATIVES and North Hall (one elected): Helen Joford, 90; Earl Reed, 67.
MAYO HALL (one elected): Marilyn Klein, 186; Janet Redger, 93.
CAMPBELL HALL (one elected): Evelyn Van Steenburg, 240; Sylvia Cierneck, 130.
OTHER AREAS (both candidates elected): Douglas Kelly, 39; Edgar C. Kidd, 7.
LANSING (four elected): Libby MacGowan, 347; James E. Cawood, 309; Arnold Brumbyer, 299; Don Hartmann, 289.
LOUIS F. HEKHUIS, 150; Larry Wisniewski, 146; Keith Boldwin, 143; Stanley Carr, 89.
MASON HALL (two elected): See ELECTIONS, Page 4.

Manker Will Talk To Agronomy Club

B. C. Manker, field representative of the Michigan Fertilizer company, will speak to the Agronomy club Thursday at 8 p.m. in room 312, Ag hall.

Manker will discuss fertilizer as an international commodity. He has been in the fertilizer business for 30 years. He also serves as president of the Insecticide and Fungicide institute, a state-wide educational organization.

Accompanying Manker will be W. N. Branson. Branson will discuss the manufacture of fertilizer from raw material to the finished product.

The cell in which Joan is imprisoned is being reproduced in all its massiveness. The design is based on the dungeons built during the 11th and 12th centuries. It was in just such a Norman-Gothic cell that the young saint was held throughout the days of the trial.

Much painting still must be done on the sets and Wampler will welcome all students interested in working on them in the auditorium workshop.

Play Sets Display Workmanship, Art

Many hundreds of hours of work will be represented in the settings for the term play, "Joan of Lorraine," which will play in Fairchild theater May 29 through the 31st.

Production actually began months ago when Set Designer Ben Wampler and Director Harold Hansen got together to plan the fundamental design of the stage settings.

Immediately Wampler started

digging into books and magazines in a program of research which will end in the most detailed and perfectly finished scenery yet constructed at MSC.

Every detail of design and construction has been carefully planned to give an accurate picture of the scenes of Joan of Arc's brief military career, her trial and her imprisonment.

Fourteen feet stained glass windows are being built, combining the elements of the most noteworthy

glass work of the 13th and 14th centuries. The deep ultramarine blues, brilliant reds and yellow, purple and green accents of the windows of the cathedrals of Rheims and Chartres are being simulated with modern paints and plastics.

Prominent in another scene will be several large tapestries, skillful copies of masterpieces of the 11th, 12th and 13th centuries. Although primitive in perspective they are elaborate in detail and rich in

color. The cell in which Joan is imprisoned is being reproduced in all its massiveness. The design is based on the dungeons built during the 11th and 12th centuries. It was in just such a Norman-Gothic cell that the young saint was held throughout the days of the trial.

Much painting still must be done on the sets and Wampler will welcome all students interested in working on them in the auditorium workshop.

Sigmund Romberg To Offer Concert At State Tonight

"An Evening with Romberg" is to be offered to the local audience tonight at 8:30 in the College auditorium.

Built around the tunes which made Sigmund Romberg operettas famous, the program will be of a semi-classical vein. The troupe has been touring

the country this spring playing two interchangeable rosters of 14 tunes each, so no minute program can be given.

Probably the rocks tonight will be numbers like Nicola's "Merry Wives of Windsor," Tales of the Vienna Woods by Johann Strauss, de Sousa's "El Capitan" march, French and Spanish numbers will be used to give the show variety, and a number of medleys are included, including the works of Johann Grieg, Pader Kerm, and Sigmund Romberg.

The remainder of the program will be centered on tunes from "The Merry Wives of Windsor," "The Merry Wives of Windsor," and "The Merry Wives of Windsor," all by Romberg.

Five vocalists, chosen from an audition group of 80 for this tour, will be heard. They are Gene Maule, Nita Carol, Esther Borgia, Gail Farnes, and Leonore Hall.

At the close of the concert series, members in June, the Romberg group will start a summer radio show.

Special Concert

An Evening with Romberg is a special number, and this is unique to students without charge. The policy for regular lectures (concert series) must be paid.

There are still tickets left.

New Gains In War On TB Announced In Barty Meeting

PHILADELPHIA, May 14 (AP) — A partly synthetic world, which he said is the future of approach to tuberculosis and possible immunity has been announced to the Society of American Bacteriologists today by Dr. J. B. Dubs of the Rockefeller Institute, New York.

Tuberculosis bacteria thrive in a community in which there is a large, Dr. Dubs said, to start a new colony with only one TB germ. One result is that all the bacteria in tuberculosis terms can be found and studied better, more quickly and more cheaply than heretofore.

Air Force Offers Training In Flying For College Men

All graduating men between the ages of 18 and 26 are eligible for the Army Air Forces Cadet Training Program, according to a letter received by President A. Manner from Major General St. Clair Streett, chief of the United States Army Military Personnel Procurement service.

The next class of Aviation Cadets opens on July 1. It offers an opportunity to young men interested in learning how to fly. When an applicant is found to be qualified, his name will be placed on a priority list, and he will become eligible for flying training at Randolph field, Texas, according to his position on the list.

The program will offer training in jet and rocket propulsion, airframe, heavy aircraft, improved navigation facilities, and

many other of the latest developments in the field.

Men selected for training as pilots under the terms of the program must be single and have had at least two years of college education or the equivalent in an accredited institution.

Keith Steffee, Veteran Pitcher, Leaves Varsity Baseball Team

Freshman Hurlers Share Credit For Wisconsin Win

Keith Steffee, veteran righthander, turned in his uniform following the Western Michigan game last Saturday, and thus voluntarily ended an outstanding playing career at Michigan State college, it was announced yesterday by baseball coach John Kobs.

Steffee had been dissatisfied with his pitching assignments this season, according to Kobs and reached his decision to quit the squad after he failed to get the nod for a relief role in the Saturday game, which State lost 4-1, their only defeat on the home diamond this year.

Morgan Makes Good Start
Kobs said that he had slated Steffee for the number two relief job, but that he had later elected to save the fast ball hurler for the Wisconsin tilt Monday night, and sent in Red Morgan, a freshman from Lansing, who turned in a creditable debut.

Joining the squad in 1945, Steffee now in his senior year, won seven and lost none, then last season dropped but one game while winning six, and so far this year had three victories and one loss for an all time record of 16-2.

In making the announcement Kobs praised Steffee's past performances, and added that he was sorely missed in the Wisconsin series, the opening game of which he had been scheduled to hurl.

Dieters Set To Go
Dick Dieters, freshman pitcher from Detroit, may be ready for second duty again soon. Dieters lined in a good record on the Southern tour this spring. He pitched 12 innings and gave up no seven safeties in that time, and gained credit for one victory and no losses.

Robin Roberts, workhorse of the Spartan mound staff, took over the starting for the State team in the last Wisconsin game Monday night after a five run ninth inning Spartan rally tied the score at eight all.

Roberts made a well worn path for the Badger dugout to the plate retiring 10 men on strikes, the 15 that faced him, then in the 14th allowed a walk, a stolen base and a single to score a Wisconsin run and cost him his first defeat of the season, against four hits.

Ed Erickson, reserve first baseman for the Spartans, learned a good lesson in Chicago Sunday afternoon where the squad stopped.

Reds Hold Dodgers Runless To Win

CINCINNATI, May 14 (AP)—Tom Tatum, sold by Brooklyn to Cincinnati in time to win last night's game with a two-run single, helped down his old Dodger mates for the second straight time today, 2-0, with a first-inning home run to back up Ewell Blackwell's six-hit pitching.

The 27-year-old outfielder from Nashville was the second to face starter Joe Hatten in the opening inning. He belted his first Major League homer over the right field screen with nobody on base.

Golf Team Loses Match To Wolverines, 16-10

Playing in a constant mist on a soggy Walnut Hills course, the Spartan golf team dropped a match to the University of Michigan yesterday afternoon, 16½ to 10½.

In a previous meeting at Ann Arbor two weeks ago, the Wolverines were victorious by a 23 to 13 count. Wednesday's loss makes the season's record for the State linksmen two matches won and six lost.

Bob Tansey of MSC took medalist honors in yesterday's play. Despite the highly adverse conditions—the greens were miniature lakes—Tansey shot a neat 74 in his singles match with Dave Barclay, which he won, 2½ to 1½.

Fisher Ties Jensen
Barclay's total was 78. Pat for the course is 72. Spartan Duncan Fisher and Wolverine John Jensen each had 79, tying their singles, 1½ to 1½.

Michigan's Roger Kessler had a 75, the second lowest score of the afternoon. He downed Brian Charter, who shot 77, 2 to 1.

Dan Vantine of State made a 78 and split his round with Ed Schallert, 1½ to 1½. Schallert toured the course in 79.

Mounter Blanked, 3-0
Wolverine Bill Ludolph scored a 78 against Jack Mounter's 83, to blank the Spartan golfer, 3 to 0.

In the final singles, Paul O'Hara of Michigan shut out Bob Billig, 3 to 0. O'Hara's total was 82, while Billig went around in 85.

State's top doubles pair, Tansey and Fisher, defeated Barclay and Jensen easily, 2½ to 1½. Vantine and Charter, number two.

It was achieved behind Joe Dobson and in 48 degree temperature accompanied by a cold stiff wind which made top flies out of high clouds in the outfield.

For Dobson it was his third victory of the season, against one defeat and the fourth in a row for the American League champions.

MSC's football team will travel from coast to coast and across the Pacific during the 1947 golf season. The Spartans will play in Philadelphia, Pullman, Wash., and Honolulu, T. H.

JV's Given 2nd Setback At Flint 2-0

Michigan State's JV baseball team lost its second game in six starts yesterday to Flint JC, 2-0 on the victor's diamond.

Jim Cleveland, who pitches despite the fact that the lower part of his right leg is missing, hurled a brilliant game, limiting Spartan bats to four hits. His mates collected nine off the slants of starter George (Lefty) Johengen and Chuck Dietrich.

Flint scored what proved to be enough in the first inning. Sam Topham walked, Bob Sarhatt sacrificed, and Don Oldham doubled to center scoring Topham.

They tallied their second run in the sixth on singles by Louis Alward and Bob Jackson, and Bill Zerrill's double to center.

State only threatened once, when with two out in the seventh Bob Crewe and George Pavlick singled. Ted Maupin lined out to end the inning.

The Flint outfield, which, according to Dave Gordon, team manager, was the best State has seen this year, gave their hurler outstanding support.

Crewe was the only State man to get two hits, and Rex Carrow got the fourth one. Jackson and Topham each got two for Flint.

Johengen was tagged with the loss and yielded seven hits and one walk in seven innings. He also fanned seven men.

Hilltopper Thinclads Appear Easy For 'S'

The only "breather" on an outdoor schedule that has seen Michigan State face Ohio State, Notre Dame, Penn State and Purdue, is slated for Saturday when the Spartans travel to Milwaukee to meet Marquette.

Michigan State compiled a top-heavy 106 point total as they overwhelmed Marquette in the dash events and the polo vault. Bob Schepers who has taken six victories in three outdoor meets will be up against a tough opponent in Mike Maragos, Hilltop sprint ace.

Maragos headed the 1946 scholastic honor roll in his 100 yard dash specialty. The 1947 Track and Field Guide credits him with a .007 century while he was performing for Gary (Ind.) Emerson High school. Schepers was clocked at .007 this year against Ohio State.

Pole vaulter Roy Potelchuk of Marquette has cleared 13 feet, 6 3/8 inches this season. Best vault for Michigan State this year is 13 feet.

The Marquette squad is now under the direction of assistant coach Mel Shimek, acting in place of Athletic Director Conrad Jennings, who is ill.

Schladekman has decided to rest his top shot putter, John Mueller, this Saturday. Mueller has had trouble regaining the form he displayed during the indoor season when he set a new varsity record of 47 feet, 4 1/2 inches.

Sprinter Rivals Schepers
Marquette's main strength lies

Rain, Mud Feet To Halt 'Maval' Softball Tilt

Two days of rain that turned Amias field into a sea of mud didn't bother Johnny Roebuck last night as he twirled a one-hit, 6-1 victory for the Square Dealers over the Wolverines in intramural softball competition.

DZV and Alpha Chi Sigma staged a hitting contest with the DZV squad crossing the plate 11 times in the first inning to coast to an 11-7 triumph. Quonset V gave hurler Al Sauter plenty of support as they smashed out 11 hits to whip Quonset T, 9-2.

Fred Jergens double that sent in the winning run in the last of the fifth with one out, highlighted Club 323's 4-3 victory over Hedrick House.

In the only game played on Old College field, Wells F came from behind to put the game on ice in the third frame, piling up seven runs on four hits and six walks to swamp Wells C 11-3.

Intramural Director Ed Pogue has rescheduled the games, which were rained out Tuesday night and last night.

Tuesday's games will be played next Monday night on the same diamonds as previously scheduled.

Fraternity games which were slated for yesterday will be run off tomorrow on Amias field. ATO will clash with SAE on diamond two, while Sigma Nu battles Phi Kappa Tau on diamond one. Other games played today were day will be played Tuesday.

Sorority Sing Set For Sunday

Groups Will Offer One Song; PanHel Announces Selections

Fifteen sororities will raise their voices for the annual PanHel sorority sing Sunday at 7 p.m. in the band shell. Each sorority will sing one song with a group of some 30 voices, according to Barbara Reid, Detroit junior, general chairman of the event. The groups are listed in order below with the song they will sing.

Bill Would Finish All MSC Building

Continued From Page 1

LANSING, May 14 (AP)—A plan to reshuffle allotments for institutional building projects has been submitted to the state postwar victory building board.

The administrative board building committee recommended a halt to plans for 26 construction projects to permit 28 others to be continued through the shifting of \$2,553,700.

Projects at the University of Michigan and Michigan State college would not be affected. Five other projects at Wayne University, Northern Michigan College of Education, Northern State hospital and the Marquette Branch hospital also would remain untouched.
