

Truman Asks To Arm American Nations For 'Developments'

Cape Horn-To-Arctic Defense Is President's Proposal

WASHINGTON, May 26 (AP) — President Truman asked Congress today to hasten a program of American defense from Cape Horn to the Arctic in view of "world developments."

He appealed for broad authority to supply arms to all Latin American countries and

to train the men of their armies and navies, and to bring their equipment into synchronization with that of the United States.

The program is identical with that approved last session by the House foreign affairs committee, but when failed of passage.

Mr. Truman wrote that "world developments during the year" have given still greater importance to this legislation.

Meanwhile the Army and Navy have scheduled new maneuvers for this summer. The Navy is pushing a program of converting submarines to other warships for operations in the western Pacific.

De United States and Canada are working closely on military cooperation through the Canadian-American joint defense board set up in 1940 and is operative.

The legislation asked today by the president would permit the United States to arm, equip and train the armies, navies and air forces of all nations of the western hemisphere.

Super On Tariffs Takes First Place In Nash Contest

A prize of \$300 in the Nash-Nash essay contest was won by Herbert D. Hoover, graduate student in economics. The announcement was made by E. A. Gee, head of the business administration department.

Hoover's paper was entitled "Tariffs and Free Trade."

Second prize of \$100 was won by James F. Schoener, Muskegon senior, social science.

Other honorable mentions, with prizes of \$25 each, were awarded to: E. Goss, Okemos graduate student, business administration; Elwin D. Farwell, Quincy senior; Norman Berkowitz, Detroit, graduate school; and Charlotte Payne, Lansing, social science.

Thirty-five papers were submitted to the judges, who were C. C. Killingsworth, Professor of English, and Dr. F. K. Hardy, head of the business administration department.

Phi To Perpetuate World War II Deed Memorial Trophy

Receiving their four war dead, the chapter of Alpha Epsilon Phi fraternity is establishing a World War II memorial.

A 15 inch bronze traveling trophy will be awarded annually in memory of those men to the chapter achieving the highest program in human relations.

"It is the chapter's aim to perpetuate and enhance those ideals which all of us recently lost and many died," said a spokesman for the group.

Urges Peace

NEW YORK, May 26 (AP) — President Herbert Hoover today urged the United States to make an immediate separate peace with Japan and charged at the same time that Russia was conducting Allied efforts to force the Japanese into unconditional surrender.

Hamer, Young Win Crowns

Rolie Young, East Lansing junior, and Jane Hamer, Detroit sophomore, reign as king and queen of the Mardi Gras. The "royal" couple were crowned by President John Hannah. The queen's court was made up of Mary Kyle, Jarlie Elliott, Barb Davis, and Barb Tanner.

Honoraries Tap Eleven At Dance

Blue Key Announces Seven, Green Helmet Four, In Ceremony

Blue Key, national junior men's honorary, held formal initiation ceremonies for seven men yesterday. The men were tapped during the intermission of the Mardi Gras Saturday night in conjunction with formal tapping of four men by Green Helmet, sophomore men's honorary.

Men named to Blue Key were: Henry Anderson, Aigonac; Charles Bachman, Jr., East Lansing; Albin Beck, Muskegon; Alfred Berglund, Newberry; Don Borgeson, Chicago; Elmer Longnecker, East Lansing; and Charles Peterson, Wayne.

Initiates to Green Helmet were: Bill Russ, Marquette; N. J. Don Lettman, Lansing; James McCarty, East Lansing; and De Vere Ruhl, East Lansing.

The men were selected on a basis of leadership in extra-curricular activities and high all-around scholarship average. Green Helmet and Blue Key function as service organizations on campus.

Library Group Picks Knappen As President

Dr. Marshall Knappen of the MSC faculty was elected president of the Friends of the Library of Michigan State College at their recent annual meeting.

Dr. Knappen, acting head of the department of history and political science, succeeds Clifford McKibbin of Lansing. Other officers include: vice-president, Dr. W. O. Hedrick, retired professor; Harry D. Baker, St. Croix Falls, Wis., and alumni secretary; Gertrude Stewart, in that order; Jackson Towne, college librarian was chosen secretary.

Gifts included the Ray Stannard Baker rare book collection, and \$200 from Mrs. Edna Stevens to establish a classical memorial collection. The late Alva Stevens graduated in 1893.

Winged Spartans Will Participate In National Show

Bombing practice runs and landing stages are being completed this week by the Winged Spartans flying club in preparation for the National Inter-Collegiate air meet scheduled for Friday and Saturday at Willow Run airport, Ann Arbor.

All students interested are invited to witness the flying competition, which will include teams from Michigan, Harvard, Dartmouth, Ohio State, and Stevens college.

In the Army and Navy air show, Sam Napolitano, Detroit freshman, will lead a flight of Navy Corsairs. Verne Matson, Big Rapids freshman, will be in charge of the Michigan State flying team as the club's head flight instructor.

Summer term flying plans and the appointment of temporary officers for that period will be discussed during the meeting tonight at 7, room 163, Union building. President Robert Johnson, Grand Rapids junior, announced.

NEWS IN BRIEF

Condition Improves

GRANDVIEW, Mo., May 26 (AP) — Word of "some improvement" came today from the bedside of President Truman's critically ill mother as she amazed her son by a determined show of vitality. The plucky little woman, holding tenaciously to life, encouraged her son's physician to say in a 4:30 p.m. (CDT) bulletin, "Mrs. Truman's condition during the day has shown some improvement."

Foreign Affairs Rushed

WASHINGTON, May 26 (AP) — Two foreign affairs bills rushed through the Senate today by Secretary of State Acheson. The Foreign Affairs Committee approved unanimously a measure to allow the United States to join the United Nations International Refugee Organization. A bill to let the State Department continue its broadcasts and foreign information service was started toward Rules committee clearance to the floor for action, although a decision was postponed until Wednesday for lack of time.

Business Upgrading Halls

WASHINGTON, May 26 (AP) — A possible turn in the economic tide was called by the Commerce department today with a finding that the long business upswing is in fact in April. The Commerce department noted that business activity still is at a high level, but its declaration that expansion had stopped pointed up contentions from some government and business analysts that a move toward moderate recession is underway.

HOW MUCH, WHY, AND WHERE

Building Program Hits All-Time High

By WALLY SUECKLER

What's happening to the housing and buildings under construction on campus? Now that the end of the term is rolling around, this is one question that has been left unanswered in the minds of students.

First of all, a large number of men who live in Quonset village would like to know just how much each hut costs. Complete with plumbing, heat, electricity and the cost of the shower room divided among each one, a hut costs \$1.63.

Huts Last Five Years

The entire village rings up a bill of \$45,000 for material and construction costs. The huts are supposed to be intact for occupancy from five to ten years.

Married students inquired as to how many barracks apartments are being used to house them. The total to date runs up to 604, but by July 19, an additional 605 will be added.

One hundred-two of these apartments will have a living room, bath and kitchen. The rest will have an additional bathroom and

Soviet Union Abolishes All Capital Punishment

LONDON, May 26 (AP) — The Presidium of the Supreme Soviet has abolished capital punishment in Russia and substituted 25-year sentences in labor camps for the death penalty, the Moscow radio said tonight.

The broadcast heard here by the Soviet monitor, said the

Presidium's decree applied to all crimes which heretofore have been punishable by death under Russian law.

Presumably the decree applied not only to crimes of violence, but also to political offenses. Political offenders frequently have been punished by execution in Soviet Russia and the purges of groups of persons in the government or army employ were carried out only after trial and conviction.

The decree harked back to the days of czarist Russia when capital punishment was not in force and all malefactors guilty of capital crimes were sentenced to perpetual exile at hard labor in Siberia. The czars abolished the death sentence in 1753.

The decree said "the application of capital punishment is no longer necessary in peacetime conditions" in the Soviet Union.

Robert Shackleton, East Lansing junior, was honored for his fine work as president of the Delta chapter of Alpha Epsilon Rho, seven honorary, and for his constant radio work in sports-casting.

Norman Tipton, Dearborn junior, received the award for his achievement in radio workshop, and for having contributed most of this activity, and for the general excellence in the department of speech.

The "Oscars" designed and created by art major Howie Neale, Dearborn junior, were presented to Shackleton and Tipton when Joe Callaway, director of radio education, placed the awards on the table before the two students.

President John A. Hannah was a guest speaker at the banquet, which was attended by more than 100 students and members of the faculty.

The banquet is an annual event sponsored by the Speech Majors club in honor of the work done by students in the department of speech.

Bridges In Fall

The suspension bridges which have been promised to students who make the daily trek to steel classrooms are to be built during next fall term. There is only one being planned. It will be located near the bandshell.

The bridge will not only help to transport students to classes but will carry steam pipes from the power plant to the various buildings on the other side of the Red Cedar.

Another question that needs explanation are the statistics about the future addition to Macklin stadium. The seating capacity will total 50,000 when finished, and will seat three quarters of that number between the goal lines.

Eight stories

The size of the stadium will reach a possible height of eight stories. The dormitory for men which is to be built behind it will climb five stories. However, both of these structures are still in the planning stage.

A number of men have been

complaining about the apparent large-scale growth of women's dorms compared to the construction of only one men's dorm.

S. H. Kessler, director of the student housing states, "Male students are getting the lion's share of housing. There will be an increase next fall of 450 female residents over the capacity of last fall, and for the men, a 220 increase."

Too Many Applications

"Applications from women who wish to enter State are more than present housing can accommodate. This is not true of men."

Quonset and Red Cedar villages hold 1000 residents. The amount, together with dormitory capacity far exceeds the number of women housed on campus.

"A library addition is one of the most badly needed structures on campus," stated Karl McDonald, secretary of the State Board of Agriculture. "It was built for only 2000 students and now is completely overcrowded," he added.

News Channels Silenced As Army Takes Over In Nicaraguan Revolt

Whitelaw To Reward Top ROTC Men

Agriculture Board To Attend Parade Of Cadet Groups

Colonel John L. Whitelaw will present gold and silver awards to four advanced military students in recognition of their past year's activities at the ROTC parade on the secret practice field today at 5.

Members of the State Board of Agriculture will be guests of honor at the final parade of the year. Students receiving decorations will accompany the board on the reviewing stand.

Two Medals Given

Gold medals, for outstanding activities in second year advanced classes, will be presented to Cadet Colonel Jack Rouch, East Lansing senior, regimental commander, and Cadet Lt. Colonel Don Ball, Mt. Clemens junior, commanding the infantry. Whitelaw stated.

Silver awards will go to Cadet Lieutenants Herbert Thompson, Lansing freshman, and Phillip Werner, Battle Creek sophomore, he added, for their performance of first year advanced ROTC duties.

Awarded By Tribune

The medals are awarded each semester to outstanding ROTC students by the Chicago Tribune, Colonel Whitelaw explained. With MSC's quarterly schedule, however, two sets of awards are presented at the end of the year.

Students are chosen on the basis of their scholastic achievements in academic and ROTC classes in addition to leadership ability, he said. Interest and outside activities in ROTC are taken into account by the selecting board of staff officers.

Four Awards

Roach received the gold senior award for fall and winter term and Thompson the junior award for that period. Ball and Werner were designated for citations covering the spring quarter.

This is a revival of a pre-war custom, Colonel Whitelaw continued. The awards were made annually until the war closed advanced ROTC classes.

The honorary colonels, coeds elected by the various branches, will also be present at the parade as ROTC cadets don their uniforms for the last parade of the season.

'Leader Reported Held By Troops In Palace

MANAGUA, Nicaragua, May 26 (AP) — The Army took over the government today.

A strict censorship was clamped on communication within Nicaragua after the apparent downfall of Dr. Leonard Arguello, who was installed as president May 1 to succeed Gen. Anastasio Somoza, who had ruled as chief of state for 10 years.

Arguello, whose candidacy was supported by Somoza, was chosen in February in the first presidential election in Nicaragua in a decade.

The Associated Press received the brief dispatch telling of the army's action shortly after 11 a.m. (CDT). Attempts were made to reach Managua by telephone, but the New York Telephone company said calls could not be put through because of censorship.

Travelers Tell of Battle

Travelers arriving in San Jose, Costa Rica, from Managua said Somoza had overthrown Arguello and that the deposed president had been held a prisoner since 1 a.m. today. They said also it was rumored in Managua there was gunfire yesterday between troops of the presidential guard and a group supporting Somoza.

Arguello's Prisoner

Reliable sources in Panama said Arguello was being held a prisoner in the presidential palace. Also arrested, they said, were about 30 commissioned and non-commissioned officers of the National guard who remained loyal to Arguello.

No Opposition

Travelers arriving in Guatemala said the National guard (army) had taken over the government in Managua without opposition, and that the capital of 100,000 population was quiet. Communications companies posted notices in Guatemala that messages to Nicaragua were subject to delay. However, Pan American Airways said that travel to Managua was normal.

In Washington the State department said it had only meager information on the situation in Nicaragua, largest of the Central American republics.

Council Will Plan Revised Program For Fall Quarter

Groundwork for the future was the keynote of the final meeting of Men's council, held Thursday night.

To better fulfill their general purpose, the integration of activities of all men's groups on campus, Bob Cardinell, East Lansing senior, will work on constitution revisions during the summer.

Among points slated for fall

term are prevention of duplication of work by member groups, furnishing a news outlet to and for groups, and promotion of more inter-group activities.

Cardinell urged that all member organizations choose their representatives for the next year now in order to be ready for fall.

Hannah Will Hold Two Receptions For All Seniors

President John Hannah announced yesterday that graduating seniors who have not received invitations to the President's reception are nevertheless invited to attend.

The reception will be held in the Union ballroom tonight and tomorrow night from 7 to 10.

He explained that the lists being used to send invitations are not complete and that, unfortunately, several seniors have been overlooked.

His statement concerns all seniors who will graduate at the end of this and next terms.

Burk Will Speak To Police Group

Detective Lt. Paul E. Burk, Dearborn municipal police department, will speak at an open meeting of the Police Science association tonight at 8 in 110 Ag hall.

Burk will give a headachrome illustrated lecture on crime photography. A graduate of the Chicago Institute of Applied Science, he has worked with fingerprinting, ballistics, photography, and identification.

The meeting is open to all those who wish to attend.

History Society Initiates Group In 'S' Chapter

A new chapter of Phi Alpha Theta, national honorary society for history students, was installed at MSC last night by A. F. Zimmerman, director of graduate studies at the Colorado State college.

Students initiated were Charles Bayer, Detroit senior; Henry Moran, Berkley senior; Elinor Treloven, Lowell senior; Elaine Lanta, Puritan junior; and Carolyn Kirk, Meross senior.

James Schoener, Muskegon junior, Charles White, Vanderbilt senior, Betty Lou Emerson, East Lansing senior; and Herbert Hoxie, Dearborn senior, concluded the list.

Soprano To Sing Grieg, Debussy In Vocal Recital

Harriet Hillier, soprano, will give her graduate recital tonight at 8 in the Music auditorium.

Miss Hillier received her bachelor of Science in Music degree at Baldwin-Wallace college in 1945.

Included in the program will be Grieg's "Haugtussa," a four movement composition, and Debussy's "Recit et Air de Lohengrin" songs by Dvorak, and Mozart's "Un moto di gioia" will also be sung by Miss Hillier.

Compositions by Schubert, Brahms, John Duke, and "Three" by Mediner will complete Miss Hillier's concert.

Spartans Pointing For Second Victory Over Michigan Nine In Twilight Game

Phi Delt's Take IFC Golf Tournament

By HOWARD HOOVER
Facing a field of 11 teams, Phi Delta Theta copped the interfraternity golf championship last Saturday on Glenview golf course by scoring a low team total of 331 points. Seven points behind with team scores of 338 points were Sigma Alpha Epsilon and Delta Sigma Phi in a two-way tie for second place.

After leading the field for nine holes played on the pro-gram, Saturday, only to have the championship bid nullified by a tie of fraternity team captain Lambda Chi Epsilon's 335 and Phi Delta Theta's 335, the Spartans took the lead with their 331 score.

Phi Delta Theta's team, which included a team of 11 players, was led by a team of 11 players, which included a team of 11 players, which included a team of 11 players.

Net Team In Finale Today With Broncos

Jake Dahlgren's Michigan State tennis team will attempt to make it two straight Western Michigan's net team when the two teams meet in the Central Collegiate tennis tournament on college courts at 10 o'clock.

The Spartans won the first round of the tournament, 1-2, after a hard-fought match with the Broncos. The match was a close one, with the Spartans leading 1-0 in the first set, but the Broncos fought back to win the second set 2-1.

The brothers Stuckert, Bob and Ray, hold down the number one and two positions for the visiting Broncos, and they team to form a formidable duo.

Kobsmen Won Ann Arbor Tilt From Wolverines, 2-1

By HERB BOWERS
Seeking a clean sweep for the season, Michigan State's baseball team meets University of Michigan this afternoon at 6 p.m. on Old College field. The Spartans edged out the Wolverines in the initial contest, 2-1.

Again it will be Robin Roberts, ace of the Spartan mound staff, facing 'M'. In the previous tilt, "Robbie" limited the Wolverine hitters to eight safeties. The lone tally was scored against him in the first inning on three singles after State had picked up their pair of counters in the top half of the first to take a lead they never relinquished.

Harling for Michigan probably will be either team captain Cliff Wise or southpaw Walter Rankin. Wise is top man on the Wolverine pitching staff and Rankin is their leading left hander.

Ed Erickson, whose split finger kept him out of the lineup last week against Notre Dame, will be back on first base for the Spartans in place of Dick Massuch. Remained of the Michigan State roster probably will be the same as in the Irish tilt if the squad faces a right hand hurler.

However, if Michigan counters with a southpaw on the hill, Kobs plans to move Ed Barbatto up to the number three hitting spot and drop team captain Marty Hansen to the fifth or sixth slot.

Another switch against left hand chukking will be George Rutenber playing in the left garden and Pat Peppier moved back to his old position in center replacing Ed Sobczak.

For Michigan it probably will be nearly the same starting lineup as in the preceding contest with the possible exception of Ralph Morrison replacing Paul Vieth in right field and the lead off position in the batting order.

In commenting on today's game coach Kobs expressed the hope that the Spartans would come through with a fair quota of base hits. "Michigan is not a team to be taken lightly and I hope the boys will get Robbie a few runs to work on."

Roberts hurled a masterful game in the previous tilt after saving up the single counter in the bottom of the ninth.

R-e-a-c-h! TCA, Sigma Nu Win; Advance To Semifinals

Pushing over one run in the seventh inning, TCA edged out a close 4-3 decision over DZV in last night's softball games on Amias field to take the championship of the Independent league.

Brilliant pitching by Joe Anderson of TCA featured the close contest, as he fanned the last two batters after his team had forged ahead in the first half of the final inning.

The game was a nip and tuck affair all the way with neither team scoring until the last of the fourth when DZE took the lead on a walk, a bunt single, and a clean one base knock.

Styger Scores Winning Run
The victors scored one run in their half of the fifth to send the game into extra innings. They scored two more runs in the sixth to lead 3-1, but the losers countered with two scores and the game was tied up again.

Then came the seventh and Pete Fusi, hurler for DZV, hit Marty Styger with a pitched ball. Styger went to second on a wild pitch and stole third. Dinty Moore batted a single off third baseman Bob Clancy's glove and Styger came in with the winning run.

In the other game, Sigma Nu, IFC champs, shut out Delta 15-0, cleaned the one-hit pitching of Al Ennsley.

Sigma Nu Scores Early
Sigma Nu took an early lead as they tallied two runs in the first inning. That was all they needed to win but they got one run in the third and five more in a big fourth inning spangle.

Chuckley very effectively Ennsley cut down 11 men via the strike out route, and walked only one. After the first inning when Fred Fox got the snuck hit for Delta.

A reserved spot of 734 seats in sections G and H on the 50x line has been laid out for an organized cheering center.

Flash card cheering, famous at the University of California, Stanford, UCLA, and Indiana State, will be inaugurated at MSC for the first time in the school's history.

All classes being represented by quotas: 10 freshmen, 20 sophomores, 30 juniors, and 40 seniors, a general complement from the student body will be represented.

Aldrich also stated that membership cards will be issued next September to those students who apply during the year that each student will hold throughout the season.

Green and white poster-board cards will be placed on each seat before each game along with instructions about the design to be used during the game.

Senate Votes To Act On Income Tax Cut

Republicans Defeat Motion
By George To Delay Talks

WASHINGTON, May 26 (AP) — Hard-pressed Republicans cleared the way today for possible Senate approval this week of a bill to slash individual income taxes July 1 by beating down, 48 to 41, a Democratic motion to delay action until June 10.

Holding their own party members well in line, GOP leaders mustered a four-vote margin to defeat a proposal by Senator George D. Aiken, D-Me., to postpone consideration until Congress knows more about the extent of government spending for the fiscal year beginning July 1.

This postponed Senate action, possibly Wednesday or Thursday, on a measure lifting about \$4,000,000,000 off the yearly liabilities of the nation's taxpayers, crosses party lines.

Senators Morse (R-Iowa) and Wilson (R-Iowa) were the only members to cross party lines in the close vote. Morse and Wilson voted with the Democrats to delay action.

Before the vote, Senator Lister (Ill.) the Democrat, who protested that the Republican leadership had refused to compromise in lining up pairs for Senators Overton (D-La.) and McKellar (D-Tenn.) However, McKellar arrived from Bethesda, Md., at a hospital where he had been undergoing treatment before the roll was called.

Pairing Cancels Votes
Under the custom of pairing a senator forced to be absent on a vote arranges with another senator to abstain from the vote.

Some of the Democrats who voted for the George D. Aiken motion, including George D. Aiken, D-Me., declared they would support the bill on its final passage.

However, there are pending Democratic amendments, including a proposal by Lister to delay the tax cut until next July 1, which are expected to affect the vote.

President Truman, who has an immediate tax cut, although he has said he would favor a reduction at a later time. The Democrats feared this could be done.

Democratic Support
Some of the Democrats who voted for the George D. Aiken motion, including George D. Aiken, D-Me., declared they would support the bill on its final passage.

However, there are pending Democratic amendments, including a proposal by Lister to delay the tax cut until next July 1, which are expected to affect the vote.

MUIR'S CUT RATE DRUGS COLLEGE MEN

Become A Merchandiser!

Muir's is operating in Michigan, Wisconsin, Indiana and Ohio is putting out training a group of young men 21 to 26 years of age—merchandise college graduates—but there are still a few positions open for those who have not graduated. The first objective is store manager. Starting salary is \$100 per month plus commission on individual sales and at least 1 advancement within the first year. Persons with average sales ability should earn \$1000 the first year.

All executive positions are filled from within the organization, so you can start today and know you can become an executive if merchandising is going to be your life work. Experience in the drug field is not necessary.

Contact the Placement Office immediately for interview to take place on Tuesday, May 27. Mr. And Mrs. President Director of Muir's Cut Rate Drugs will be available from 10:00 a.m. to 5:00 p.m. for personal interviews. All those interested are invited to drop in at Room 201, Placement Office.

What's on Father's mind?

A day at the beach?

Give him some of our open-air
Manhattan Sportshirts—and
let him bask in the compliments.

An afternoon on the lake?

Give him Manhattan Slacks,
comfort-cut, beautifully tailored.

A hammock siesta?

Give him a Manhattan Sportshirt—
cool, casual, comfortable.
Lots of summer shades.

A sailing outing?

Give him a rephrased
Manhattan Sweater. Warm,
serviceable, colorful.
