Farm Boy Confesses To Vicious Murder Of Four Playmates

Admits Shooting 14-Year Old. Three Sisters While Hunting

IMLAY CITY, Mich., May 27 (AP)—A dark and slender 14-year-old farm boy, described by his father as a "problem child," confessed today to the slaying of four rural playmates because "I just wanted to see someone die."

State police said Oliver J. Terpening, Jr., readily admitted turning his small hunting rifle on his 14-year-old friend and neighbor, Stanley Smith, and shooting down the latter's two sisters as they searched for wild singing flowers Monday afternoon.

Surrender Sighed

Justice Albert Perkins signed a warrant accusing the quiet, 14-year-old farm boy of murder.

"I don't know. I just don't know why I did it," State Police Commissioner Donald Leonard Terpening said. "Then the officer said the youth always was kind of weird."

Leonard said the boy then told him he was hunting for wild singing flowers. He said the boy then told him he was hunting for wild singing flowers.

Instead, the commissioner said, Leonard said the boy then told him he was hunting for wild singing flowers.

Nicaraguan Head Called Unfit Prexy

Flees To Mexico Seeking Asylum; Successor Named

NEW YORK, May 27 (AP)—Leonardo Arguello, president of Nicaragua for 26 days, was reported seeking asylum in Mexico yesterday after having been deposed in a national guard coup planned by former President Anastasio Somoza and replaced by a wealthy cattleman-banker.

A news dispatch from Managua, the Nicaraguan capital, said the congress of the Central American country had declared Arguello "unfit" to hold office at a special session last night, and had named Benjamin Lacayo Sacasa acting president. Lacayo Sacasa, a veteran politician, was the first presidential alternate.

This dispatch reported that Arguello had sought diplomatic asylum at the Mexican embassy, and might try to slip into Mexico. Somoza had ruled Nicaragua as chief of state for 10 years, but stepped down from the presidency May 1 in favor of Arguello, his protégé, who was elected with his blessing.

Somoza Engineers Coup Sources close to the Nicaraguan situation in Panama said Somoza had engineered the coup because Arguello had turned against him and had tried to order him into exile.

Groups Honor A.A. Applegate At Banquet

Prof. Albert A. Applegate, head of the journalism department, was honored last night at a joint dinner of Sigma Delta Chi and Theta Sigma Phi, men and women's journalistic fraternities, respectively.

Professor Applegate was presented with a leather letter holder and a testimonial scroll in recognition of his service in promoting the two organizations as well as his work in building up the journalism department.

Carmen Kanney, president of Theta Sigma Phi, and Bill Johnson, vice-president of Sigma Delta Chi, presented Professor Applegate with the letter holder and scroll.

Guy Jenkins, chief of the Lansing bureau of the Booth newspaper, was the guest speaker for the evening. He spoke of his experiences covering political news.

Jenkins declared, "Waste is the price of our freedom. The less waste the better, but democratic methods are wasteful and that waste is the price we pay, he stated."

APU Will Collect Reading Matter For Ill Students Starting Saturday morning, Alpha Phi Omega will begin a weekly magazine collection at all dormitories for the college hospital.

All persons having recent copies of magazines they would like to donate are requested to contact William Staples, Jackson sophomore, phone 8-1531, Snyder hall.

This service will be resumed on a monthly basis for term.

Aid Bill Signed In Simple Ceremony

Sitting alone in his hotel suite at a table covered by a white cloth President Truman looks up after affixing his signature to the \$400,000,000 Greek-Turkish aid bill in Kansas City, Mo. (May 22). The ceremony, first scheduled as an elaborate White House affair, took place in a small room attended only by newsmen.

Bleachers Being Erected For '47 Water Carnival

Tickets for the Michigan State college 1947 Water Carnival are now available at the college ticket office in the Union building, according to Chuck Monahan, general chairman.

Approximately 4,200 seats will be erected on the north bank of the Red Cedar river near the college auditorium. Of the total, 500 seats each night will be reserved. Individual seats will not be reserved, but the sections will. Prices will be \$1.20 for the reserved sections and 80 cents for general admission.

Tickets for either the reserved or general admission sections will be for a specific night, Thursday, Friday, or Saturday, May 29, 30, and 31. In case of rain on any one night, the event will be cancelled, and tickets will not be good for a succeeding night. Plans for any refund that may be made necessary in case of bad weather will be announced later.

The parade of decorated floats will be presented at the close of the Saturday night program. Musical programs have been arranged for the intermissions on Thursday and Friday, with tapping for Excalibur senior men's honorary, taking place at Saturday's intermission.

With finals drawing near, the social events for this weekend are at low tide with only two parties scheduled.

The Union tea dance will be held Thursday afternoon from 3 to 5 p.m. in the ballroom.

The second party, planned by the Alpha Gamma Rho, is the "Ploughboy Prom" to be held in the forestry cabin. The affair will be very informal and decorations will consist of bales of straw and old-fashioned lanterns.

There will be entertainment and refreshments during the evening.

Techniques of Dance Presented Tonight By Senior Rathier Techniques of dance and dance composition will be presented tonight in the Women's gym, by Senior Rathier, dance artist from Buffalo, N. Y. Faculty and students are invited to the exhibition, sponsored by Orchestras, dance club.

Miss Rathier will present three numbers, and others will be given by beginners and advanced students.

'S' Research Kills Adage: T-Bones Out

Modern research methods have a way with adages, and MSC experimental staffs have a way of proving them wrong. "It's the bone that gives the meat its flavor" is now on the list of don't-you-believe-its.

Dr. Pauline Paul, assistant professor of foods and nutrition, and L. J. Batzler, assistant professor of animal husbandry, cooperated in discovering the fallacy of Grandma's saying.

Experienced taste testing committees assisted the researchers, and testified that meat with or without bones was equally as delicious.

The new discovery saves 35 percent of frozen food storage space, makes meat easier to wrap, and simplifies packing it in food lockers.

However, the bone is not entirely forgotten. While it may not affect the flavor of the meat, the bone will give good flavor to soup stock.

Seniors To Dance, Swim, Golf, Eat At Pleasant Lake Seniors who plan to attend the annual Senior picnic, Wednesday, June 4, at Pleasant Lake, are asked to sign up at the Union desk either today, tomorrow, next week Monday, or Tuesday, announced Glen Deibert, senior class president from Pontiac.

Buses will be available in front of the Union at 11 Wednesday morning. Seniors are to use the buses rather than drive their own cars. One guest may be invited by each senior.

There will be dancing from 3-5. Other recreation facilities include golf, swimming, tennis, softball, and boating. The lunch will be served at 5:30.

Public Memorial day services will be conducted in front of the East Lansing city hall on Abbot road at 10 a.m. Friday by American Legion Post No. 205, Norman Kunkel, committee chairman announced.

Dr. N. A. McCune of the Peoples church and the Rev. Fr. J. V. MacEachin of St. Thomas Aquinas church will appear on the program.

The East Lansing high school band will provide music and the East Lansing post of the American Legion will provide a color guard and firing squad.

Six Runs In Fourth Give 'Robbie' Easy Road In 6th Win

Spartan Big Guns Rake Three 'M' Hurlers For Eleven Base Hits

By HERKIE BOWEN

Behind the four hit pitching of Robin Roberts, the Spartan nine swamped University of Michigan in yesterday's twilight game by a lopsided 8-1 score.

Michigan State slammed out 11 hits, including three doubles and a pair of triples, off three Wolverine hurlers. Ed Sobczak, with three for three, and Pat Pepper, with three for four, led the Spartan slugging attack with two singles and a double apiece.

Score In First After the Wolverines had scored in the first on a single and a double, Roberts tore down allowing only two hits for the remainder of the game. Chalmers Elliott singled in the third and Jack Weisenburger singled in the fourth.

Only two Wolverines reached first in the last five frames. Dick Backus, batting for pitcher Art Dore, walked in the fifth and Weisenburger got a life in the ninth on Marty Hansen's bad throw to first.

Michigan State scored their first tally in the third on Pepper's single, a wild pitch, and a long single by Bud Erickson to tie the score.

The Spartans had their big inning in the fourth, scoring six runs and putting the game on ice. Hansen started the rally with a triple under the scoreboard in right-center field, followed with singles by Sobczak and Bucky Walsh.

Roberts then chortled a triple to deep center, followed by doubles by Pepper and Frank Bagdon.

The Spartans scored their final tally in the fifth on a gift by pitcher Bob Hicks. Sobczak drew a walk to open the inning, advanced to second on Harry Hughes sacrifice, and went to see VICTORY, Page 3.

Roberts then chortled a triple to deep center, followed by doubles by Pepper and Frank Bagdon.

Lee Celebrates 25th U. S. Teaching Year

By JEAN BOWEN

"East is East and West is West," but the train met when Prof. Shao Chang Lee, director of foreign studies, came to America. Lee is celebrating his 25th year as a professor in the United States. He is the first oriental to receive his professorship in the States, and, of course, has taught in America the longest of any of them.

33 Years Amer Lee attended Lingnan university in Canton, China, and Tsing Hua university in Peking, China. He won the "Boer Institute" scholarship at Peking in 1914, entitling him to six years of study in the United States.

It was 20 years ago that Lee left China and his 85-year-old mother to "go to America to study." After receiving his B. A. from Yale university in 1917, and his M. A. from Columbia university in 1918, he went to Honolulu to teach. He became a professor of Chinese history and language at the University of Hawaii.

In 1922 he married Nora C. Wong, also a teacher, who graduated from a normal school in Canton, China.

Professor Lee has written many books and articles, among them his autobiography, "My First Fifty Years," or, as Lee prefers, "Reminiscences of a Half-Lived Life." The first copies of the book reached Lee two weeks after the attack on Pearl Harbor and were hidden on one of the last ships to sail from the Orient.

Students at MSC who have had Professor Lee for a course rarely leave him after a term without memories of amusing anecdotes he has told of his life, or bits of Oriental wisdom he has passed along. Lee believes that "life is enriched if our ideas and interests are shared with others."

An Hawaiian student has written, "Alien in one, citizen in the other, S. C. Lee serves two countries, the United States and China. In turn, he is served by a vibrant love of life, studying human faces as intently as his books."

The Chinese club on campus is giving a banquet at the end of the term to honor Shao Chang Lee and his 25-year-professorship.

Lantern Night Plans Are Set

Approximately 100 senior women will be honored at Lantern Night, Tuesday evening at the bandshell, co-chairmen Barbara Fanner, East Lansing sophomore, and Margaret English, Deborn senior, revealed today. The traditional procession is sponsored jointly by Mortar Board, Tower Board and AWS.

The newly elected president of Lower Guard and the officers of the other two sponsoring organizations will be announced at the ceremony.

After the procession, to be led by Fay Blakely, Rockwood junior, President John A. Hannah will speak. Mistress of ceremonies will be Jean Proctor from Detroit. Maxine Finkbeiner, Middleville junior has been selected as song leader.

Women Athletes To Wind Up Year With Party Today

The Women's Athletic Association will wind up this year's activities at the annual Spring term party this afternoon in the Women's gym from 4:30 to 5:00.

Special guests of honor will be the housemothers from dormitories, co-operatives, sororities, and off-campus homes, all sport managers, and the faculty of the physical education department.

Presentation of awards will be made by Miss Parker. The coveted Intramural cup which is awarded the residence earning the most points for the past year, will be presented. South Campbell won it last year.

Also to be awarded are the tennis and softball plaques which Kappa Kappa Gamma will be awarded the golf plaques.

S' Linksmen Face Tartars In Last Meet

By JACK O'HARA

In its last dual match of the season, Michigan State's golf team will meet the Wayne linksmen at Walnut Hills today at 2. Coach Ben Van Arman announced the team would field a six-man team for eighteen holes of competition.

Hoping to repeat his stellar performance of the 17th against the D's, will be the Spartan number one man, Bob Tansey. Tansey posted a 72 in the Detroit match, and a Red Run course in Royal Oak.

Virtually assured of the second position is lanky Don Vantine, who is recovering from a bad cold that handicapped him at Red Run. Following Vantine at the third slot is Dunc Fisher, currently leading the squad in competitive points scored against opposition.

Charter is slated to get the fourth tee-off slot in the fifth and sixth positions. The rest of the team is made up of Jack Mautner and Ed Billings. On the day of the showdown against the Tartars, the Muskogean, Fred Gale, may get a chance to break into the scoring column against the Tartars.

Gale matched Tansey's score of 72 at Red Run and defeated his opponent by a 3-0 whitewash. Earlier in the season the Spartans had defeated Wayne by a 2-1 score at Backham golf course.

ARCHERY scores for the National Intercollegiate telegraphic meet are: first team, 2767; second team, 2363; third team, 2028; fourth team, 1778; fifth, 1785; sixth 1713; seventh, 1618; and eighth, 1525.

Teams are arranged by scores, first eight highest scores comprising team one, until there are eight complete teams. These figures are well above last year's total, so that prospects for national placement are bright.

Larry Cannon again topped all scores with her high of 430. This is the third consecutive year that she has topped first place. Pat Monroe with 406 finished second.

Other scores above the 300 mark are: Shirley Brehm, 340; Sue Matson, 330; Allene Hefly, 311; Mary Ellen Evans, 309; Dorothy Delaney, 306; Doris Owens, 309; Rosemary Mills, 305; and Norma Hurdle, 301.

Best winners in the tournament are Vantine, who defeated the Tartars by a 3-0 whitewash. Earlier in the season the Spartans had defeated Wayne by a 2-1 score at Backham golf course.

third on a wild pitch after Walsh had also worked Hicks for a walk.

After Roberts fled out to deep center field, Hicks passed Peppier to load the bases and walked Bagdon to force a run home. Barabito ended the frame forcing Bagdon at second on a grounder to short.

Sparks in Bottoms
Several sparkling tie-die plays were turned in by the Kobsmen. In the seventh, Peppier went beyond the line of the left field sands to pull in a foul fly. Also in the seventh Sobczak snared what looked to be a sure extra-base hit after a long run to deep left-center.

Top defensive infield play was the snappy double play in the second. Hughes went hard to his left to take Harold Raymond's hard grounder, flipped it to Barabito to nail Charley Ketterer at second, and Barabito whipped a fast throw to Erickson to complete the double play.

Snyder 18, TCA Meet Tonight For All-College Softball Title

By EDWARD HOOVER

Snyder 18 pushed two runs across in the fourth inning to beat Sigma Nu 3-1 on Old College field last night, thus winning a spot in the all-college championship game which will be played on Old College field at 6 tonight. They will face TCA, which whipped Quonnet X, 7-3, last night.

Snyder 18 drew first blood as they scored one run in the second inning of their game. Sigma Nu tied it up in the fourth, when Al Emsley, hurler for the Inners, slashed out a triple and came home on a long fly ball.

Ed Johnson doubled in the sixth with one man on end when the ball got by left fielder Tom Riordan, he went all the way home for Snyder's other two scores.

Walt Sewell gave up two hits to lead TCA in its win over Quonnet X. The victors collected seven hits off the offerings of Bill Saunders.

The winners scored five runs in a big fifth inning rally.

Truman Merger Puts Housing Under One Permanent Agency

WASHINGTON, May 27 (AP) — Merger of the government's loosely-knit housing functions under a single, permanent "Housing and Home Finance Agency" was ordered by President Truman today.

Mr. Truman sent his proposal to capitol hill as "reorganization plan number three of 1947." The new agency will come into being 60 days hence unless Congress specifically disapproves.

While the proposed set-up would leave the emergency housing program untouched, Mr. Truman said it would set up a long-range federal establishment which will unquestionably make for greater economy and efficiency.

Housing Major Objective

The task of housing its citizens will remain a major objective of the nation "throughout the next decade," Mr. Truman said in a message accompanying the plan. He added that unless reasonably prompt action is taken, the improvised wartime marriage of the housing agencies will dissolve with "consequent confusion and

disruption" upon expiration of the first war powers act.

Three Units Planned

At the top of the new housing pyramid would be the new cover all agency roughly comparable to the present national housing agency. Under this would be created three principal operating units as follows:

1. A Federal Housing Administration, performing the same duties as the present FHA.
2. A Home Loan Bank board to administer the Federal saving and Loan Insurance corporation, the Home Owners Loan corporation and the functions of the Federal Home Loan Bank board.
3. A Public Housing Administration to assume the functions of the present Federal Public Housing Authority.
