Truman Schedules Talk At Key West Dedication

KEY WEST, Fla., Dec. 5 (AP) — President Truman enjoying his Florida vacation in bright sunshine, took time out today to put the finishing touches on the conservation policy speech he will deliver at the dedication of the 454,000-acre Everglades National park at Everglades City tomorrow.

More than 20,000 persons, including Seminole Indians whose home is the legendary Everglades, will attend the exercises.

Mr. Truman will speak at 1:30 p.m. (CST) for 12 to 15 minutes. He will occupy a platform with Democratic senators Pepper and Holland and Gov. Millard F. Caldwell of Florida, Interior Secretary Julius Krug, and others.

The ceremonies will be broadcast by both the National Broadcasting Company and the Mutual Broadcasting System, beginning at 1:31 p.m. (CST).

Mr. Truman is scheduled to leave Key West aboard the Seagrass for the Gulf coast town of Naples at 9:30 a.m., arriving there at 10. He will then motor the 40 miles to Everglades City.

The President, enjoying his Florida holiday immensely, and in one of his top moods, was handed a new weapon at the submarine base where he is staying, to deal with Congress and any dissenting politicians.

The weapon is in the form of a scroll and a commission—formally designating the Chief Executive as a submariner, a veteran of a November 21, 1944, voyage.

Partition Riots Enter Fifth Day As Death Toll Nears 100 Mark

Flaming Five Mile 'Front' Reported In Tel Aviv-Jaffa Border Area

JERUSALEM, Dec. 4 (AP) — The toll from five days of riot and battle as the Arab world's 40,000,000 Moslems violently protested the partition of Palestine mounted close to 100 today with belated reports of a reign of terror in Arabia's Aden where 44 persons were said to have been killed.

Arab guns cracked along a five mile smoke-blackened "front" in the border area of Tel Aviv and Jaffa and Palestine's death toll, by Associated Press count, mounted to 48.

Elsewhere in Egypt, Iraq and Lebanon, Arabs faced Holy Mecca and prayed to Allah for help against partition. Most of them then turned to peaceful pursuits on the Moslem sabbath, but in Aden, the British colony on the Arabian coast, serious disorders prevailed.

The British Colonial office said the trouble started Tuesday after a partial Arab strike erupted into an invasion of the Jewish "crater" quarter which resulted in the deaths of four persons, 225 Arabs and 19 Jews.

British Fly In Troops — The British flew 300 troops into the town from Khartoum and two companies of infantry were dispatched from the Suez canal to support a naval landing party which was attempting to restore order. A curfew was clamped on the area.

Twenty thousand Egyptians gathered at Al Azhar mosque in Cairo and broke through police lines in a threatening moment after hearing a fiery priest call for a holy war.

Volunteers Start Training — From Damascus, Syria, the rumble of future trouble for Palestine were loudest. Basic military training was started for volunteers at secondary high schools and Fawzi Bey Kawthar, military leader of the 1936 Palestine Arab revolt, was reported eager to go on the warpath again.

In most of Palestine, a stilled peace was maintained by the parallel action of Arab leaders and the British army which kept the Arabs tightly to themselves in all but the volcanic market place between Jewish Tel Aviv and Arab Jaffa.

Flaming Battlefield — There, however, roaring flames illuminated a battlefield where 30 Arab homes evacuated by Jewish families were set afire.

The Arabs began a two-pronged attack on Tel Aviv's Hatikvah and Zablani quarters a few minutes after Moslem congregations had streamed from Jaffa mosques. One Jew was known to have been killed immediately.

Hagana fighters at once sent out flanking patrols and returned the fire. Heavy explosions were heard in the Manshia quarter.

Six more Jews were known to have been injured in the border fight. Arab casualties in the battle were not known.

The battle raised the Associated Press count of dead for five days, however, to 25 Jews and 23 Arabs. Hundreds have been injured.

National Convoc Will Hear Profs

Dr. L. C. Ferguson of the history and political science department will participate in a meeting of the American Political Science Association in Washington D.C. over the Christmas holidays.

His part of the discussion will deal with the role of political science in the general science courses.

Dr. Wilbur Brookover, department of social science, will present a talk on the content of the general social sciences at a gathering of the American Sociological Society which meets in New York city over the holidays.

Louis Makes Comeback To Outpoint Jersey Joe

The Challenger Before Defeat

Jersey Joe Walcott, 26th consecutive challenger removed from the title road by Heavyweight Champion Joe Louis is shown getting in last licks on the heavy punching bag as he wound up training for the fight in Madison Square Garden last night.

Top Crowd Sees Champ In Trouble

NEW YORK, Dec. 5 (AP)—An older and slower Joe Louis just barely did save his world heavyweight championship tonight as Madison Square Garden when Jersey Joe Walcott, a smooth customer from Camden, N.J., carried him the limit of 15 grueling rounds and forced the three ring officials to make a close and exacting decision.

Knocked down twice in the early rounds and his left eye beaten until it was a mere slit, the Brown Bomber had to come

According to a radio broadcast picked up, Louis revealed later in the dressing room that he had broken his right hand in the 6th round of his fight with Walcott.

back with a furious rush in the closing stanzas to gain the verdict of the two judges, Frank Forber and Marty Monroe. Rully Goldstein, the referee, marked his card for Walcott. It was that close.

The crowd that packed the Garden roared its disapproval of the verdict. Louis himself, was so disgusted at his showing against his veteran Negro opponent that he attempted to jump through the ropes the instant the last bell rang and had to be forcibly restrained by his handlers.

Far from scoring his 15th straight knockout, as he had been expected to do, Louis himself dumped to the canvas twice in the early rounds and never succeeded in putting Walcott down.

The champion hit the floor for a two count in the second chapter and went down to a toll of seven in the fourth, both times from whistling rights to his jaw.

There could have been no doubt after the first few rounds that Louis, the great champion, had slipped. The old punch wasn't there. In the ninth round Louis hurt Walcott with a right and then backed him against the ropes with a fusillade of blows. But Walcott never looked like going down and before the round ended he was trading punch for punch with the champion.

Minors Ask Final Round Due Tonight In College Boxing Tilt

Miami, Fla., Dec. 5 (AP)—The minor leagues quit juggling the convention's "hot potato" today and dumped it into the laps of the majors when they asked the Big Leagues to vote either "yes" or "no" on the Pacific Coast league's resolution to become a third major league.

Passing a resolution of their own, the minors requested the majors to decide on the controversial issue at their meeting in New York next week and send their decision back to the National association so the minor league presidents can immediately take a mail vote of their own.

The resolution was introduced by Victor Collins, president of the Hollywood club.

Michigan State's all-variety boxing tournament swings into the final round tonight with six championship and two exhibition bouts. The fights are open to the public and will be held in Jenison fieldhouse at 8.

Tonight's card was completed last night with the qualification of four more boxers.

Jack Tierney moved into the finals of the 145-lb. class with a decision over Jack Braden. Tierney exploded in the third round, flooring Braden once to break up what appeared to be a deadlock.

In the 155-lb. class Vito Klenivius took a close split decision over Rex Seger. Klenivius and Seger excited the fans for three rounds with furious charges and counter charges to draw a long

round of applause. John Flynn wasted no time in showing his superiority over Jim Clasper. Flynn unleashed terrific right crosses which sent Clasper to the canvas twice early in the first round and forced the fight to be called.

Tonight's card: 125 pounds, Ernie Charbonneau vs. Hank Anson; 130 pounds, Jim Baker vs. Al Lieberman; 135 pounds, Rex Seger vs. John Flynn; 145 pounds, 195 pounds, Jack Tierney vs. Dick Gibbons; 155 pounds, Pat Dougherty vs. Vito Klenivius; Chuck Daves (135 pound champion) vs. John Hatherill (165 pound champion); 175 pounds, Phil Marshall vs. Gilbert Alderson; Heavyweight, Art Huthett vs. Gabby March Exhibition.

Tocs, Phillips 7 Cop Semi-Final Berths

By LES MILLER

Winning their third straight game in the last minute of play, the Tick Tocs, champs of the Independent "A" division, stopped Quonset 14-0 in the quarter-finals of the Intramural Touch Football league.

In the following game Phillips 7 nosed out the Snyder champs, 6-0, to take the Philip-Snyder championship.

In a see-saw fashion the game went scoreless for three periods, but Tony Rhodes broke loose with a long pass to Baum for the first Tick Tock touchdown. The extra point was Rhodes to Jerry Blanchard.

Hank Meier, star passer for the Quonset 1 team, was tagged by Harold Bernhardt for a safety to make the score, 9-0.

Meier came back, after that, and passed a long one to Dale Corcoran for Quonset's first trip

into pay territory. Al Zvada went over for the extra point on a pass from Meier.

With only three minutes left to play Meier again passed to Corcoran who took the ball over for six more points to make the score, 13-9, in Quonset's favor.

The Independent team was not satisfied with being on the short end of the score, and 40 seconds before the end of the game Rhodes repeated with a pass to Baum for another TD. Bernhardt made the extra point on a short pass from Rhodes.

In the Snyder-Phillips game, both teams came close to scoring several times in the first three periods, but it wasn't until the fourth period was half over that R. Sampson scored on a pass from Paul Jordan.

A forfeit by the Mason-Abbot champs advanced the Shenies to the semi-finals and they will play Phillips 7 at 1 this afternoon.

Ten Hollywood Officials Indicted By Grand Jury

WASHINGTON, Dec. 5 (AP) — Ten Hollywood scenario writers, directors and producers were indicted today by a federal grand jury here for refusing to tell a House investigating committee whether they are Communists or ever belonged to that party.

The charge was contempt of Congress. Their trials are expected to begin early in January. If convicted, they face possible penalties of up to a year in jail

and \$1,000 fine on each count.

Ten Named

Those indicted were Edward Dmytryk, a motion picture director; Herbert Biberman, a director-producer; Robert Adrian Scott, a writer-producer; and Albert Maltz, Dalton Trumbo, Samuel Ornitz, John Howard Lawson, Ring Lardner, Jr., Lester Cole

and Alhan Besie, scenario writers.

Lawson and Dmytryk were indicted only on one count each; the others on two. The additional contempt citations were based on refusal of eight to tell the house committee on un-American activities whether they belong to

the screen writers guild.

Further Developments

There were related developments, meanwhile at the capital: 1. Chairman J. Parnell Thomas (R-NJ) of the house committee on un-American Activities looked over the list of 88 or so organizations which Attorney General Clark last night classified as sub-

versive, and called it "woefully incomplete and 'hazal'."

2. Senator Caghart (R-Ind) demanded a congressional investigation of what he called a "breach of trust" by Clifford L. Durr, member of the Federal Communications Commission, to "sabotage the Federal Bureau of Investigation."
