

Deans Review 'Troops' Today

Members of the various schools will review ROTC troops (shown last week's practice) in their first official appearance tonight at 5 on the baseball diamond. Colonel Whitelaw, commandant, announced yesterday that 1800 students will participate in the ceremonies. They will be grouped in four composite battalions under the command of officers.

While they are drawn up in formation on the parade grounds, the deans will drop the line, inspecting units and cadets. Corps sponsors will accompany the cadet Colonel and guests on the reviewing stand. As has been the custom, they will judge units on appearance and present a streamer for the best marching company. MSC's marching band will also participate.

Moderates Pull Into 2-1 Lead As Ballot Count Continues In Italy

Legislature Vote Trends Shows Leftists Trailing

ROME, Tuesday, April 20 (AP) — Premier Alcide de Gasperi's Christian Democrats took a three-to-two lead early today over the Communist-led popular front in the national senatorial election. The unofficial returns were from 2,306 of Italy's 41,647 electoral sections.

'S' Building Plan Faces Senate Test

Senate reception last night of the appropriation bill for state building and construction purposes indicated that the \$8,065,000 share by the house last week, passed by the house last week, faces rough treatment.

As was expected the bill was introduced with a \$1,000,000 cut on the requested \$1,500,000 appropriation to complete the new Physics and Mathematics building. Entirely eliminated from the bill was the \$181,000 item for a new poultry building.

However, an amendment to add \$375,000 for agricultural research, not included in the original bill, received strong support from the finance committee, though adjournment prevented a vote.

Michigan State college was not singled out for appropriation cuts. The entire senate appropriation bill totals only slightly more than \$21,000,000, in comparison with the \$25,000,000 sum passed by the house last week.

A motion to add \$181,000 for the poultry building appeared to have little chance in the face of the stronger argument for the agricultural research needs.

The controversial \$1,000,000 cut of the Physics and Mathematics building appropriation did not come up for debate last night.

Prep Oratory Banquet, Meet Finals Tonight

The state finals of the Knights of Pythias' high school oratorical contest will be held tonight at 8 in the Music auditorium.

Six contestants each of whom has previously won a local and district contest, will be the guest of the speech department at a banquet in Union memorial building at 6 p.m.

Judges will be B. J. Knittel, Harold E. Sponberg, and J. D. Menchhofer of the speech department.

William Swicker, grand vice chancellor of Knights of Pythias will be in charge of the program.

Studio Term Play Tryouts Scheduled

Tryouts for the Studio theater's term play will be conducted tonight at 7:30 in room 49 of Fairchild theater, according to Bill Slout, group president.

A meeting of all interested persons will precede the tryouts. Included in the proceedings will be the election of secretary and treasurer for Studio theater. The group will discuss a three-act play scheduled for this term.

'School Spirit' Reigns As '48 Ticket Sale Starts

By RUDY VOGELREUTER

"School spirit" prevailed last night at the Downtown Coaches Club Kick-Off dinner, as 200 members were literally unleashed on the "fill the stadium" campaign, set up to sell a quota of 4,602 season tickets for the coming football season.

Union Board Sets Royalty Contest Date

King and queen to reign over the annual MSC March Gras parade ball may 7 will be elected from candidates submitted to Union Board this week, according to Al Bransdorfer, president of the board.

Any recognized student organization or living unit is eligible to enter one candidate for either king or queen of the March Gras, according to Bransdorfer. The name and picture of each candidate must be left at the Union desk by 5 p.m. Friday, April 23. Maximum size for a poster displaying the picture will be 10 by 14 inches.

Primary election of candidates will be April 29, and final election May 6.

The royalty will preside, as in past years, over the dance, and be crowned during the evening. This year the affair is to be costume, and begins with a parade at the Union. Lavish decorations and extensive entertainment plans are being made by the committees, to make the event follow the New Orleans festivities.

Music for the dance will be by Skitch Henderson's orchestra with two "combos" playing in the basement where refreshments will be available.

Week Boosts MSC Council

"Student Council Week," designed to familiarize all students on campus with the activities of the council starts today, according to Marilyn McCowan, council public relations chairman.

Topping the agenda of the week will be the open Student council meeting Wednesday night in the Union Tower room at 7. More than 69 letters to fraternities, sororities, and co-ops have been sent inviting the officers or representatives to attend the meeting.

In addition the meeting is open to all students desiring to attend. Two bulletin boards depicting the work of the Student council will be on display this morning and for the rest of the week in front of the main Union entrance.

Included on the boards will be the present constitution, committee activities, minutes of past meetings, election rules, and picture of the present council members.

Parade Groups Meet Tonight

All campus organizations who wish a float in the Alumni Day parade are asked to send a representative to attend a meeting tonight in room 102, Home Ec building.

The parade is scheduled for Saturday, June 5 at 2 p.m. It will consist of floats, bands, clowns and other entertainment.

An urgent appeal to all campus organizations to participate in the parade is being made by the committee.

State News Adds Five Assistants

Five assistant night editors have been appointed to the editorial staff of the Michigan State News for spring term.

They are: Bob Burns, Marine City junior; Ed Howard, Ovid junior; David Rood, East Lansing junior; James Smith, South Lyon senior; Beatrice Wilson, Grosse Pointe junior.

DAY'S MPUS

Varied

Student we know had a married life severely curtailed last week, when opening day was found instead of a picnic sandwich and a plate of slightly decayed material. A slight resemblance to last night's supper might have picked up a paper bag on the usual sprint for the were still wondering.

Water Falls

That guy looks familiar. Bob Siebenthaler, a body hurtling past a window at the SAE.

Education

Education, they say, is not out superstition. It is to be thriving at fifteen minutes only one hour passing beneath a banner, used to charge program on the State Education Act, 1944 and To Be Teacher, 1945. The book Dent has been in the hands of primary and secondary schools in Great Britain.

'As You Like It' Set Workers Meeting Today

Don Hoell, director of Dramatics, announced today that the first production crew meeting for the term play, "As You Like It," will be held Tuesday, April 20 at 3 p.m. in the Drama Theater room.

He extended an invitation to attend this meeting to all students wishing to work in the production of a slight resemblance to last night's supper might have picked up a paper bag on the usual sprint for the were still wondering.

Sets for the production have been designed by Professor Ben Wampler of the speech department. They will be specially constructed to suit the needs of an Elizabethan production which allows no time for changing sets between acts.

Production manager, Barbara Weil, Tuxedo, N. Y., stated that there is painting and other work for art majors interested in learning the type of set construction.

British Colleges Subject Of Talk

"British Universities Today" is the subject of Harold J. Dent's open lecture Tuesday, April 20 at 7:30 p.m. in the Chemistry lecture room.

Dent is editor of the Education Supplement of the Lansing Times. He is also the author of "A New Order in English Education," Education in Transportation, and The Education Act, 1944 and To Be Teacher, 1945.

The book Dent has been in the hands of primary and secondary schools in Great Britain.

Sigma Delts To Initiate 25

Twenty-five spots will be initiated into Sigma Delta Chi, national professional journalistic fraternity at 5 p.m. today in Union Organization room 1.

New initiates and present members will attend a banquet in the Health room at 6 p.m., according to Fred Jack Leonard, Mt. Pleasant, Mich.

The after-dinner program will feature Frank Mainville, wirephoto man and news photographer for the Lansing State Journal. He will demonstrate the wireless apparatus of a wirephoto of leased by the Associated Press. The dinner also marks the fraternity's eighth anniversary on campus.

Third Son, Fourth Child Of Hannah Family Arrives

Cigars and candy greeted visitors to the president's office yesterday and with one question leading to another we discovered that became the parents of a seven pound, eleven ounce boy Sunday.

Born at Edward Sparrow hospital in Lansing, the boy has been named David Harold Hannah. It is the Hannah's fourth child, and the third boy.

Another local sports review will be heard at five every Saturday afternoon, beginning in May. With Hal Greenberg as your sports reporter, the weekly sports review will be a capsule review of the national sport scene for the past week.

Sportsmen interviewed Mort Neff's transcribed program, "The Sportsman's Guide," features interviews on the scene, in the midst of Michigan's fishing and hunting areas. Neff flies his light plane to favorite sports arenas and talks with outdoorsmen about immediate prospects, and gets them to tell yarns of many years ago.

"Eyes On The Ball," another transcribed show, features Bill Stern, ace sportscaster, as the "better vision sports reporter." Stern tells the way eyes are important to various sports, and illustrates his story with anecdotes about the athletic great and near-great. Harry Sosnick's orchestra provides musical interludes for this show.

WKAR Sked Will Cover Spring Sports

Coverage Begins With Home Games

You won't hear the umpire shout "Play ball," but you will hear a play-by-play description of the Michigan State-University of Wisconsin baseball game if you tune in WKAR at 3:45 Wednesday afternoon.

Broadcasting both of MSC's initial home games, Wednesday and Thursday, WKAR brings Michigan listeners action-broadcasting by Bob Shackleton, college station sports director, and color description by Larry Frymire.

On The Air At 3:45 Broadcast time Wednesday is 3:45, for a special pre-game airing of the ground rules at Old College field. Shackleton will take his moving microphone onto the field, where the officials will outline the ground rules to coaches and team-captains. Thursday's broadcast is scheduled for 3:55.

The college station's sports schedule includes many other programs, including the Wednesday afternoon "Spartan Sports Review," originated by MSC Sports Publicity director, Nick Kerbawy. When Kerbawy leaves for his new job with the Detroit Lions, the five o'clock show will be taken over by Bob Shackleton.

Another local sports review will be heard at five every Saturday afternoon, beginning in May. With Hal Greenberg as your sports reporter, the weekly sports review will be a capsule review of the national sport scene for the past week.

Sportsmen interviewed Mort Neff's transcribed program, "The Sportsman's Guide," features interviews on the scene, in the midst of Michigan's fishing and hunting areas. SDX PLEDGES

All pledges of Sigma Delta Chi will meet at 4:30 today in Org room 1. They will be initiated at 5 p.m. in the same room.

Progressives Hit Callahan For Actions

MSC's Progressive party passed resolutions commending President Callahan's actions before the Callahan committee, and condemning the committee's work, at a special meeting Friday night.

Parade Groups Meet Tonight

All campus organizations who wish a float in the Alumni Day parade are asked to send a representative to attend a meeting tonight in room 102, Home Ec building.

State News Adds Five Assistants

Five assistant night editors have been appointed to the editorial staff of the Michigan State News for spring term.

The NEWS IN BRIEF

Eleven Miners Killed

LILLE, France, April 19 (AP) — Eleven miners were killed and 96 were trapped tonight in the pit of Sallaumines coal mine by a dust explosion. Scores of other miners were led to safety through an adjoining shaft. Approximately 350 miners were reported in the pit, 15 miles south of here, when the explosion occurred at 6 p.m.

Settle Costa Rican War

SAN JOSE, Costa Rica, April 19 (AP) — An agreement aimed at settling Costa Rica's civil war was signed today by President Teodoro Picado and a representative of rebel chieftain Jose Figueres. The agreement provides that Santos Leon Herrera, third vice president, will assume the Presidency until May 8.

GOP Names Keynoter

PHILADELPHIA, April 19 (AP) The Republican national committee today named Gov. Dwight H. Green of Illinois as temporary chairman and keynoter of the Republican national convention to be held here in June. The committee, which opened a two-day meeting to select top officials of the convention, also named House Speaker Joseph W. Martin, Jr., of Massachusetts, as permanent chairman of the convention.

Program Pointed To Fill Real Need

Organizations will get what they asked for when the leadership training program swings into action Wednesday night.

The entire three day meeting program is based on questionnaires sent out winter term by AWS and Men's Council. The Adult Education department has taken the results and come up with the answers.

This program is coming at a time of greatest need. All year groups on campus have been criticized for lack of efficiency. Now something positive is being done to help, them, and especially their officers, prove their worth.

Spring term is election time on campus.

Attendance at the three meetings will show what students who are running for office are sincerely interested in wanting their jobs. It should also show who is interested in leadership on campus. You don't have to be an officer to attend.

New officers will find the material offered invaluable in starting them out on their new role, and old officers will have a chance to clear up problems that have been confusing them.

Ninety-nine percent of the organizations on campus have indicated that they wanted a leadership training program and would make attendance compulsory for their officers. If the student groups live up to their promise the entire campus will benefit.

SO HELP ME

Un-American Activities

By GORDON HANNA

LEGISLATION TO CURB COMMUNISTS in this country has been recommended by the Committee on Un-American Activities, the so called Thomas committee. The committee has proposed the following bill:

1—MAKE ILLEGAL THE KNOWING and willful advocacy of the overthrow of the government of the U. S. by any means, for the purpose of subverting the interest of the U. S. to that of a Communist power.

This provision will extend the Smith bill, which makes it a crime to advocate the overthrow of the government by force and violence.

2—THE PORTION OF THE MUNDT bill which requires registration of Communist front organizations has been approved by the Committee.

This follows the recommendation of the Attorney General who asked that the vouching act, requiring the registration of organizations which are agents of foreign governments, be strengthened.

Full publicity would be given to the registration statements and tax exemptions would be denied contributors to front organizations.

3—DENY GOVERNMENT JOBS TO members of the Communist party.

This section also provides for penalties for government officials who knowingly hire members of the Communist party.

4—A PROPOSAL TO REGISTER ALL aliens annually with the Department of Justice and allow the Justice department to hold deportable aliens in custody until arrangements for deportation can be concluded. Visas would be issued on a basis of reciprocity for aliens from Communist-dominated countries.

5—RAISE THE PENALTY FOR CON- tempt of Congress to strengthen the hand of the un-American activities committee.

6—STRENGTHEN THE ESPIONAGE laws to cope with the new techniques and strategy of the international Communist movement.

Missing from the bill is a provision that many have said it would include. This missing provision is the outlawing of the Communist party.

The committee report says: "Barring the Communist Party from the ballot by federal law would, in the opinion of the subcommittee, be unconstitutional, in that the States have the power to declare what parties and individuals may qualify for appearance on the election ballots."

THIS OF COURSE LEAVES THE DOOR open for any state to bar the Communist party.

In Michigan, the Callahan committee has such a proposal under consideration. It is interesting to note that only a federal constitution revision can remove the right of a state to bar any political party, even the Republicans and Democrats.

Jersey Voters Pick Delegates

New Jersey voters chose their delegates today to the Republican and Democratic national conventions, but the results are expected to give little indication of trends in the presidential race.

The 44 Democratic candidates for delegates are unopposed, and Frank Hague, the state's party leader, has given his approval to the "outstanding candidate for the presidency, Harry S. Truman." There will be 36 convention votes, some of the delegates having half a vote.

There are contests for five of the Republicans' 25 delegate seats, but all the candidates have committed themselves to a "favorite son," Governor Alfred E. Driscoll.

Anderson's announcement followed a meeting of the field day committee yesterday. Other members of the committee are: Richard Montague, Caro senior, publicity; Bob Larson, Pav Paw senior, and Charles Bachman, East Lansing senior, orchestra.

The committee outlined plans for the "Shed Rite Spring," which will climax the day's events. The dance is scheduled from 9 to 12 and will be held on the pavement in front of the auditorium, Anderson said.

Engineers Set Field Day Date

Tentative plans for the Engineers field day on May 15 include softball games, a picnic, and an all-college dance, according to Henry Anderson, Algona senior, president of the Engineering association.

Anderson's announcement followed a meeting of the field day committee yesterday. Other members of the committee are: Richard Montague, Caro senior, publicity; Bob Larson, Pav Paw senior, and Charles Bachman, East Lansing senior, orchestra.

The committee outlined plans for the "Shed Rite Spring," which will climax the day's events. The dance is scheduled from 9 to 12 and will be held on the pavement in front of the auditorium, Anderson said.

Five Enter Photo Group

Kappa Alpha Mu, honorary in pictorial journalism, initiated five students as pledges last week. Robert Crawford, pledgeman, announced.

They are Dorothy Dreher, Brooklyn, N.Y. sophomore; Frank LeClear, Lansing junior; Graver Neal, Detroit sophomore; Charles Phoenix, Lansing sophomore; and Dick Thompson, Lansing junior.

Professor E. W. Buttgen Gets Research Job

E. W. Buttgen of the Journalism department was recently appointed by the American Business Writing association to serve on a research committee.

Buttgen will study the extent to which Business Writing is taught throughout the country.

Negro Officials Ready To Fight Jim Crow Draft

WASHINGTON, April 19 (AP)—A Negro official from New York state proclaimed today a nationwide campaign of civil disobedience against "any Jim Crow draft or universal military training law."

"Our organization has placed an initial order for a hundred thousand buttons which state, 'Don't join a Jim Crow army,'" Grant Reynolds told the house Armed Services committee.

Consider Draft Bill The committee is considering a military draft bill and Reynolds testified in support of anti-racial segregation amendments. He is chairman of the "committee against Jim Crow in military service and training" and a member of the nine-man New York state correction commission.

As for the campaign to encourage disobedience of any military law which permits segregation Reynolds quoted President A. Philip Randolph of the Pullman Porters' union.

"While I do not minimize the dire consequences of a civil disobedience program, it may yet prove ironically true that the army's headlong drive for permanent Jim Crow slavery was the last straw which has ignited within us the spark of revolt that sets men free."

Reynolds said he served in the last war as an army chaplain. He added that he was a Republican candidate for the house from the 22nd New York district in 1946.

Reynolds and Randolph testified along similar lines before the senate Armed Services committee March 31. At the time, Senator Moses (R-Ore.) told Randolph such a civil disobedience campaign would lead to charges of treason.

Beta Tau Elects Year's Officers

Robert Youngman, Lakeview junior, was elected president of Beta Tau for the coming school year. Aiding him will be vice president, Ralph Lee, Ionia sophomore, and secretary, Fred Severance, Detroit sophomore.

Other officers elected were treasurer, Charles Kraft, Detroit junior, assistant treasurer, Albert L. Green, Port Huron junior; sergeant-at-arms, James Anderson, Niles sophomore; IFC representative, Donald Hill, Oscoda sophomore; and Louis Legg, Coldwater sophomore.

GRIN AND BEAR IT . . . By Leo

"We better not see each other again, this is suspicious and bought me a washing machine."

Tau Beta Pi Elects Officers For '48

George W. Michel, Saginaw junior, was elected president of the local chapter of Tau Beta Pi, national engineering honorary last week.

Other officers chosen for the coming year are vice-president, Charles H. Single, St. Joseph junior; corresponding secretary, Melvin Nuechterlein, Frankenmuth junior; recording secretary, Robert W. Jurgensen, Niles junior; and cataloger, John C. Bullock, Niagara Falls junior.

Also elected were two representatives of Tau Beta Pi to the engineering council. They are Ross Ronnette, Lansing junior and Raymond E. Mohle, Battle Creek senior.

Bloch To Hurl Against Badgers

Wisconsin To Open State's Season Tomorrow

By LES MILLER

Expectations will be pinned on pitcher Lou Bloch tomorrow when the Spartans seek their first victory against the Wisconsin Badgers in the first of the series.

Bloch, who pitched in practice after its return from the circuit and his improved great time.

John Kobs, the Spartan, states that "a good pitcher is essential to good baseball." Bloch relieved Dick the Wildcats to three through six and was able to get across the curve in his fast ball, Bloch struck eight batters.

Bloch held the 'Cats to seven in the game when the end of the eighth inning.

Bloch's practice session, stress was on fielding and this was indicated by errors piled up in the game.

Bloch pitched against the team was good. Bloch hit 500 to the plate. Ed had up a 430. Jack George, Dinter, and Lawrence came in.

On Saturday came when Lou Bloch pitched out a triple and making 75 in favor of western squad. Bloch pitched eight in the game.

'S' Runners Swamped By Bucks

Ohio State, running team to form, clipped the winged feet of the Spartan and Badger maker trackmen last Saturday at Columbus, amassing a 93-point total.

A surprising Buck team took second place with 34 points, leaving State in the rear with only 31.

Walt Atkinson, Ohio's only first place for MSC, captured the two mile run in the time of 9:38.

The brilliant Lloyd Hill, Buck eye pointman, finished in the outstanding performance of the meet, winning each of the three events he entered.

Sports Skills

The Sports Skills meet, which will be held on the 24th and 25th of this week, will feature a 5-part on Michigan, including and Friday of next week.

Reds Win

CINCINNATI, April 19 (AP)—The Cincinnati Reds won their first game of the season today, defeating the Pittsburgh Pirates 1-0 in their early opener.

At the eighth inning, the Reds, with players and fans, celebrating light pitching by Carl Hubbell, and a pair of strong home runs by Boston's Hank Greenberg and Philadelphia's Andy Green.

High school pitcher, James showed outstanding speed in the 15 seconds, while Steve Lamer placed third in the 22-second race.

Time trials will begin today in preparation for the Drake Relay next Saturday. The Drake Relay is a 22-mile relay race.

Four 'S' Wrestlers Qualify For Berths In Olympic Trials

Four more Michigan State wrestlers qualified for the Olympic trials today, including the following: Jack Harbeck, Lee Hanson, and two others.

Jack Harbeck, a senior, was the first to qualify, followed by Lee Hanson, a sophomore.

Homers Win For Yanks, Reds; Athletics Thump Boston Twice

Big First Inning Assures Victory For New York

WASHINGTON, April 19 (AP)—Exploding a seven-run first inning, including homers by Tom Henrich and pitcher Alie Rementer, the New York Yankees went on to beat the Washington Senators 12 to 4 today in the opening game of the American league season here.

Henrich hit the 41,238 fans who thronged the stadium after President Truman got out of a nice game, promptly went to work in Washington.

George Stinney, who had pitched in the temporary stands, 330 feet away in left field.

Joe DiMaggio and George Mauer, who had pitched in the temporary stands, 330 feet away in left field.

Three Hit Homers

A crowd of 22,409 fans saw the Sox lose an 11-inning morning contest, 5-4, as the A's Phil Marchildon weathered successive home runs by Stan Spencer, Vern Stephens and Bobby Doerr in the second inning.

In the afternoon contest, witnessed by an additional 33,675 fans, rookie left hander Lon Bessie, whose left leg was so badly shattered by German shrapnel he has to wear a shinguard, routed the powerful Boston pennant contenders to four hits.

DAVID DILLON, 28, assistant basketball coach at Colwater, Mich. high school, today was named basketball coach of Sturgis high school.

One June 1 he will succeed Robert Miller, recently named principal of Sturgis high school.

No-Hit Game Not Enough—Loses 2-1

By BOB BELL

Chuck Foyle can claim the title of being the number one hard hit pitcher of the intramural softball circuit.

Foyle's team, Trailer N., was defeated last night by Trailer L, 2 to 1, even though Foyle pitched a no-hit ball game. Trailer N. gathered five hits but tossed away a no-hit victory because of bad fielding.

The combination of good pitching and long ball hitting led to two victories last night.

House Dener Star

Jack House and Bob Dener were the two big guns for Makris Manor as they defeated Grove A.C., 5 to 0. Dener completely baffled A.C. with his pitching mastery and allowed them only one hit. House's home run with the bases loaded was the other big factor in the victory.

Rookie Holds Sox To Four Blows In Second Tilt

BOSTON, April 19 (AP)—Patriots' day which began with bright sunshine ended in a drizzle and so did the hopes of Boston rooters whose Red Sox were defeated twice by the Philadelphia Athletics, 5-4 and 4-2.

In the first set Riggs was out to prove that like Kramer, he could also use attack. At every opportunity he raced to the net. There his volleys were usually final.

Heaven's Sake!! Saints In Trouble

JONESBORO, Ark., April 19 (AP)—Two Saints and an Angel were fined \$10 and costs in municipal court here today for public drunkenness.

They were Virgil and Dick Saint and Louis Angel, arrested last night by city police.

The small seldom exceeds a foot in length.

Sports Afield.

JV's Blank Hope 6-0 In Opener

MSC's junior varsity nine racked up a handy 6-0 victory in their opener against Hope college Saturday, behind the competent flinging of right hand hurlers Wally McLean and Harry Simcox.

McLean On The Mound

Coach George Hill started Wally McLean on the mound. McLean went five innings and gave up three scattered hits. Harry Simcox then finished up the game, blanking the Hope batters.

Hill Pleased

Hill had good reason to be pleased with the showing of his squad. The team played errorless ball in the field and garnered seven hits. Five of them were in the fifth inning, which produced five runs for the victors.

The game was close until the fifth frame. Hope's Bill VerHey held the Spartans scoreless for four innings, but in the fifth, the Dutchmen began to fall apart.

Cage Coach Named At Sturgis High

STURGIS, Mich., April 19 (AP)—David Dillon, 28, assistant basketball coach at Colwater, Mich. high school, today was named basketball coach of Sturgis high school.

One June 1 he will succeed Robert Miller, recently named principal of Sturgis high school.

Bobby Riggs Bows To Kramer's Serve

By JOHN STERLING

Big Jack Kramer defeated Bobby Riggs 10-8, 6-2 in the college auditorium last night to win his 50th victory compared to 18 for Riggs in their professional cross country tour of 86 matches.

In the first set Riggs was out to prove that like Kramer, he could also use attack. At every opportunity he raced to the net. There his volleys were usually final.

CONTEST RULES... Mollé "What do you say?" Contest

- Merely write, in the blank cartoon balloons above, your answers to the questions. Mail your entry to the address given elsewhere in this ad. Be sure to fill in your complete name and address in the space indicated.
- Each contestant must be a registered male student of the college in whose paper this contest is published, and each contestant must compete in all ten sets of cartoons in order to be eligible for prizes. If you did not receive a copy of this newspaper, a reasonable facsimile of the cartoon or a written description of it will be accepted.
- With Sets No. 3 and No. 8, the contestant must include a cartoon from a 2 1/2 or 3 1/2 tube—or from any size jar—of Mollé. Remember, only two cartoons (of any size) are required, but be sure you send one in with No. 3 and one in with No. 8 of the sets.
- Only one entry will be accepted from each contestant in each set and all entries must be the original work of the contestants, submitted in their own names.
- Entries will be judged by the Krubben H. Donnelley Corporation, an independent judging organization. All ten cartoons submitted by a single contestant will be considered as a unit in judging, and the judges' decisions will be based on the originality, aptness and interest of each set. First prize winners of \$50 from each school will be eligible for the Grand Prize of \$1300.00 to be awarded to the best series of entries from all the schools. The decision of the judges is final and duplicate prizes will be awarded in case of ties.
- All entries become the property of Sterling Drug Inc., and no entries will be returned.
- All ten sets of answers must be mailed before May 14, 1948, final date of the contest. Entries with inadequate postage will not be accepted. Prize winners will be announced here the week of May 24.

Judge Finds Lewis Guilty Of Contempt

Miners Resentful Of His Decision

WASHINGTON, April 19 (AP)—John L. Lewis was found guilty of contempt of court today.

Within a few hours after Judge T. Alan Goldsborough had announced his ruling, soft coal miners began to show their resentment.

Some miners in West Virginia, Pennsylvania and Alabama didn't show up for work on the afternoon shift. And some night shift workers in Indiana stayed home.

Among miners in other areas who did resume their labors there were intimations that if Lewis should be sent to jail, there will be more walkouts among the United Mine Workers.

The world must wait until tomorrow to learn whether Lewis will get a prison sentence. Goldsborough put off sentencing until the next episode of the courtroom drama at 9 o'clock in the morning.

His words hinted a severe punishment but he gave no definite outline of what he will do.

Second Conviction
Goldsborough—for the second time within 17 months—convicted both Lewis and his United Mine Workers of criminal and civil contempt of court because they didn't promptly obey a court order to cancel a soft-coal strike.

Lewis took the judgment in silence. He sat motionless as the 70-year-old federal judge spoke.

Stoppage A 'Strike'
Goldsborough ruled that the coal stoppage was indeed a "strike"—despite the union's denials—and that Lewis himself started and stopped the strike with "rode" words sent to the miners.

He put forward what he called a new principle of law—that "as long as a union is functioning as a union, it must be held responsible for the mass actions of its members."

Has Responsibility
Solemnly, Goldsborough said there's a "tremendous responsibility" on him.

Goldsborough said he didn't think "expediency" ought to determine the penalty.

Seniors Warned Of Cap And Gown Deadline Date

"It won't be possible for seniors to order their caps and gowns after April 26," Leslie Scott, Union manager, warned yesterday.

Scott explained that there is a shortage of caps and gowns throughout the country due to the record graduation this year.

To avoid any last-minute complications, all seniors must get their orders in by Monday, he stated.

Orders are being taken at the Union desk every day from 7 a. m. to 10 p. m. There is no charge for placing the order, Scott said.

Gas Output Raised 25% By Chemical

By ALTON L. BEAKESLEE, Associated Press Science Reporter

CHICAGO, April 19 (AP)—A chemical that boosts the output of gasoline by 25 percent was reported today to the American Chemical Society.

It also yields more fuel oil from the same starting amount of crude oil, said R. W. Richardson, F. B. Johnson, and L. V. Robbins Jr., of the Esso Standard Oil company, Louisiana division, Baton Rouge.

The chemical is a new catalyst, which simulates the cracking or break-down of crude oil into gasoline and fuel oil.

This catalyst is silica-magnesia, a combination of dried-out milk of magnesia and common white sand. It's used in powder form as a swirling cloud in a stream of hot oil vapors. Afterward it is recovered in virtually unchanged form, and is used repeatedly.

One disadvantage, they reported is that the gasoline is not of high quality, but this can be remedied by blending with other fuels.

"Because of the present shortage of crude oil, the advantage of higher gasoline and heating oil yields from the conversion of a given amount of petroleum has a very real value in improving the over-all gasoline and heating oil situation," the team of chemists said.

"The process has been tested in model refineries and full-scale demonstrations probably will be made soon, they added.

It's a man's world: Of all the thousands of engineers, lawyers and judges, only .01 percent are women.

Legislature Moves To Stop Curb On Pay

LANSING, April 19 (AP)—The house today approved presenting to the voters constitutional amendments which would remove the present ceiling on state officers, and legislators' salaries.

With well over the needed two-thirds vote, the house passed the proposals. They were voted on favorably earlier by the senate.

At the same time, the house passed and sent to the senate legislation giving law officers the right to make searches and seizures in suspected conservation law violations.

The proposed amendments would remove constitutional limits of \$5,000 annually for salaries of the governor and other state officers, and \$3 a day for legislators.

The legislature by law could set the salaries for successors of incumbents when the law is passed.

Rep. George Gillespie (R-Gaines) sought to limit legislators to \$6 a day but he was defeated.

The woodchuck is a true hibernator. That is, he does not store food, but uses up his fat while sleeping. His burrow varies in length from eight to ten to forty or more feet. —Sports Attchd.

High Court Rule Aids Negro Vote

'Private Club' Theory Blasted

WASHINGTON, April 19 (AP)—The supreme court today cut the last ground from under southern Democratic groups which had sought to bar Negroes from their primaries by operating as private clubs outside the legally established election machinery.

That is the effect of a decision not yet to hear an appeal from Democratic party officials of Highland county, S. C. The decision, from which no dissents were noted, leaves in full force the following finding by the federal circuit court of appeals at Richmond, Va.:

No election machinery can be said to be the purpose or effect is to deny the Negro, on account of his race or color, an effective voice in the government of his country or of the state or community wherein he lives.

In 1944, after the supreme court ruled that Negroes could vote in Democratic primaries in Texas and Louisiana, South Carolina repealed all the laws which had tied the party operations to the state election machinery. The 1945 primary then was held under party rules alone.

The theory, advanced in the appeal to the high court, was that as a purely voluntary association the party could pick its own members.

George Elmore sued when he was denied a vote. He won a judgment in federal district court that he was entitled to cast a ballot. That ruling has now been upheld all the way up.

There has been unofficial speculation that a quiet muscle with an atomic warhead might be tested.

The atomic energy commission, in an eight-line announcement, said "there has been a test of an atomic weapon at the proving grounds of the commission on Fort St. Vrain, in the Marshall Islands."

For security reasons, the announcement said, the date of the test is not being announced.

Atom Weapon In Secret Test In Pacific

WASHINGTON, April 19 (AP)—An "atomic weapon" has been tested in greatest secrecy on a Pacific atoll, it was announced today, but whether it was an improved bomb or some wholly new weapon was not disclosed.

The atomic energy commission, in an eight-line announcement, said "there has been a test of an atomic weapon at the proving grounds of the commission on Fort St. Vrain, in the Marshall Islands."

For security reasons, the announcement said, the date of the test is not being announced.
