Coming from a university noted in this country for high scholastic standards, the school boy pranks of the young-sters from Ann Arbor seem slightly incongruous. There was no originality in the vandalism and consequently no bumor. Defacing landmarks long ago passed out of favor among practical jokers. It has come to be looked down amon not only by the jokers themselves, but by people who appreciate jokes. Defacing landmarks draws little but sour looks, because that method of spreading school spirit

As any addict of the cold stuff can verify, these automatic vendors supply, for a price, chorolate covered rectangles of various jice cream flavors. That is the general definition: the name is another thing.

'The problem- of what to call these frozen delicacies was brought up in a "bull session" recently. The following were presented as the semi-official nanea around the country: (1) East icc cream suckers, (2) New England iechergs, (3) Mid-west paddle pops, and (4) West—ice cream sticks.

Certainly in this case, ohe picture (on the machine) is worth a thousand words.
