TAN STEINHORN
State's basketball
team won an impressive
45-31 victory
over the University of Detroit
last night.

mark in the first half and never
lost it.
The score was 7-6 at the end of
the first period; 20-16 at the half
and 35-18 as the third period
ended.
Leading the scoring for State
was center Ray Steffen with 12.
Detroit forward John Kirwan was

high man for the losers with nine teams in the country, could do
three. In the second half the
Spartans, with Ray Steffen and
Gordie Stauffer leading the way,
moved out in front of a 15-point
lead which proved way too much
for the Titans to overcome.
Coach Pete Newell's men had
little trouble handcuffing Detroit's

star center, Norm Swanson, who
collected only three field goals.
Brendan McNamara, another
Titan stalwart, was able to garner
only two baskets, as the State de-
fense practically overwhelmed
the bewildered Detroiters.
The State dressing room after
the game was the scene of wild

jubilant over the team's upset
victory. The calmest man in the
whole place was Coach Newell
who was one of the most excited
on the court.
Both teams had a lot of trouble
hitting on their shots. State's
shots were constantly rolling

around the rim and dropping out
but only two were short and failed
to hit the rim.
The game was witnessed by a
crowd of 5,696, most of whom
went away convinced that the
Spartans under Coach Pete New-
ell were not going to fare too
badly in Big Ten competition.

Second Coed
In Accident

Truck Driver Held
For Investigation
Marcia Rosen, Detroit
freshman, died Monday night
in McPherson hospital, Howell,
as the second victim of a fatal
automobile accident on US-10
near Howell last Sunday night.
Miss Rosen died, never regain-
ing consciousness, as a result of
spinal injuries received in the ac-
cident.
Her neighbors at West Mayo
gathered in their lounge Monday
night for a corporate prayer for
her recovery.

The accident happened as a
car driven by Donald Slight, De-
troit sophomore, hit the rear end
of a truck parked on the highway
without lights.
June Zieve, Detroit freshman,
was killed instantly while Miss
Rosen was taken to the hospital.

Unauthorized Party Causes Suspension

One student was suspended from school and 11 others
were put on strict disciplinary probation yesterday. Eight
cases of probation were listed because of vandalism at an
unauthorized party at the Haslett American Legion hall
Nov. 4.

George Quigley, Chicago
short course student, was sus-
pended by the short course
department. Quigley rented the
hall and was one of the organizers
of the party.

Another organizer of the party,
Russell Lee, Detroit senior, was
also put on strict disciplinary proba-
tion. Russell and Quigley were
arrested and fined the night be-
fore the party in a hotel room in
the Olds hotel for assault on a
house detective.

Dean of Students, Tom King
stated, "Russell will be allowed
to finish school but will not re-
ceive his degree until the adminis-
tration thinks he deserves it."

Other students put on strict dis-
ciplinary probation were: Don-
ald Strubley, Muskegon freshman;
Eugene Dices, Lowell, Mass.
junior; Robert F. Fitzgerald, De-
troit junior; William Laffey, De-
troit junior; Albert Laffey, De-
troit sophomore; James Todd, De-
troit sophomore; and Ray Witt,
Mount Clemens special student.

State police officials announced
that charges against the students
would not be pressed if they paid
for the damages to the hall which
amounted to over \$1,000.
Two students were also put on
strict disciplinary probation for
falsifying their identity as stu-
dents to visit patients in the col-
lege hospital.
Another student was put on
probation for being drunk and
disorderly and two more for reck-
less driving.

Williams To Address Fall Grads In Union

567 Seniors
To Graduate,
Linton Says

Plan To Include
Reception Line

Informal graduation ex-
ercises will be held for 567
seniors at 7:30 p.m. Dec. 12
in the Union ballroom. Regis-
trar Robert S. Linton announced
yesterday.

Gov. G. Mennen Williams will
be the principal speaker. Presi-
dent John A. Hannah, who will
be in charge of the program, and
Starr H. Keenler, director of
alumni relations, will also appear.

A reception for all graduating
seniors will be held in the parlors
after the program.
In the reception line will be
President and Mrs. Hannah, Gov.
and Mrs. Williams, and deans of
all schools.

No Diplomas
No diplomas will be presented
at the exercises, Linton said. He
stated that it is not known which
seniors will complete graduation
requirements, and after require-
ments are completed, diplomas
cannot be completed in time.

Husbands and wives of married
seniors are invited to both the
ceremony and reception.

Union Raises Food Prices

A five-cent increase in Union
student special lunch prices was
announced for winter term by
Leslie Scott, Union Manager, yes-
terday.

The increase was termed "un-
avoidable" because of the rise in
food and labor costs. The Union
price rise announcement comes
shortly after a similar rise an-
nouncement in dormitories' rates
for next term.

Union student specials at noon
will be increased from \$33 to \$38
and in the evening from \$33 to \$38.
No other increases in either
the grill or cafeteria are expected,
Scott said.

Today's issue is the last of
the STATE NEWS until the
beginning of winter term. Ed-
itor Ron Linton announced
Publication will be resumed
Jan. 9, on the usual five-day-
a-week basis.

Merry Christmas

As in all times of deadly war and numbing tension, it
is hard to feel the inherent joyousness of this season and
what it represents.

Surely there will be one hope in all our prayers this
coming evening of Dec. 24, 1950.

Santa Claus need bring only one item in his pack this
year to make us all happy.

"It's an old Christmas carol that we all know.
"Peace on earth—good will to men."

Once again we would like to wish all the students of
Michigan State College, their families, relatives, and
friends the Merriest of Christmases and the sincere hope
that the New Year will be a truly happy one for them.

Shaw hall residents Joe Torrell and Gene German add glitter
to the Christmas tree set up in the corner of their room.

Add Shaw Yule Tree To Christmas Spirit

Finals or not, room 332, East Shaw Hall is going to
have the Christmas spirit complete with tree, gifts and
Santa Claus.

The tree, a three footer,
has already been enthroned
in a corner of the room.
Santa, in the guise of Don-
ald Burns, Detroit freshman,
and the gifts will make their
appearance at a Christmas
party to be held Sunday eve-
ning for members of the pre-
cinct.

The reason for this extra-
curricular yule festivity?
"We thought we'd make it a
bit like home," said Vic Gil-
lette, Dowagiac freshman,
one of the inhabitants of the
room. His roommates, Chuck
Aurand, and Gene German,
both freshmen from Battle
Creek, helped him set and
trim the tree.
The party will feature ex-
change gifts which those at-
tending will receive. Pres-
ents may be "anything you
can beg, borrow, steal or
buy, but if it's bought it can
not cost more than 25 cents,"
Gillette said.

Sea Escape Route Set If Needed

Enemy Pursuit

BULLETIN

WASHINGTON—President
Truman and Prime Minis-
ter Attlee talked yesterday of
"steps to be taken" in Korea
under any set of circumstances
including, it was reported, the
grim possibility that a Dun-
kerque-type evacuation may
eventually be necessary.

TOKYO—Vanguards of
1,000,000 Chinese Communists
soldiers Tuesday returned the
Red flag to Pyongyang under
scorching air attack and urged
for the "kill" against possibly 30-
600 U.S. troops trapped in north-
east Korea.

As the hard-pressed allied army
battled to set up a defense line
somewhere south of the North
Korean capital, Gen. Omar N.
Bradley was reported to have told
senators in Washington that the
withdrawal had made possible a
great evacuation of Korea by sea
if necessary.

A defense department spokes-
man said that, on the northeast
front the Chinese Reds pushed a
spearhead eastward and cut the
main highway between the two
major east coast ports of Hang-
nam and Wonsan.

Wonsan is headquarters of the
U.S. tenth corps. Hangnam, port
for the industrial city of Ham-
burg, is about 50 air miles north
of Wonsan. It serves as the sup-
ply center for chopped up re-
mains of the U.S. First Marine di-
vision and Seventh Infantry di-
vision, making a fighting withdraw-
al some 50 miles to the northwest.

MacArthur Reports

General MacArthur's headquar-
ters reported three more Chinese
Red divisions were ready to re-
inforce the seven divisions already
smashing through Korea's frigid
northeast ice box.

This swelled the total number
of Chinese Reds in the northeast
to about 100,000 men.

MacArthur's war journal
spoke continuously of a "rising tem-
per" of road and rail movements
behind Chinese lines in Korea.
C.S. planes attacked a 36-mile
long convoy, north of Changjin
reservoir in the northeast, while
farther north they hit a large
body of troops hauling guns and
supplies.

In the northwest, the defeated
U.S. Eighth Army was rumbling
south at a faster pace than Chi-
nese pursuers could maintain.

Heavy Air Blows

Allied aircraft struck heavy
blows at the massed Chinese—
concentrated at points like a vast
crowd "leaving a football game,"
one pilot said.

Fifth Air Force jets swooped
low on the western approaches of
Pyongyang and killed an estimat-
ed 2,000 Reds Tuesday as they
crossed the Yalu River.
Nearby Communist troops
occupied Pyongyang airport at 10
a.m. Tuesday (7 p.m. Monday,
CST) said an Eighth Army
spokesman. This was only eight
and a half hours after the last
U.S. combat cargo command
plane flew out the airport.

Fraternity To Give Free, All-College Yule Dance

Sigma Alpha Epsilon fraternity will give students a brief respite from finals Friday night at a free all-college Greek Christmas party.

Dancing in the Union ballroom to the music of Clare Fisher's orchestra will highlight the evening. Entertainment during intermission will feature the madrigal choir from the music department and Ron Harper's reading of "The Littlest Angel."

Cranberry punch, eggnog, cake and cookies will be served in the second-floor Union ballroom during the dance which is from 9 to 12, according to Don Waples, chairman.

Three Years Ago
The fraternity originated the dance three years ago, using the national decorations to give a last Yuletide farewell to departing students.

Decorations this year will consist of green, short-boy statuettes, and a big Christmas tree at the back of the hall.

Students singing in the madrigal choir are Mary Burrows, Mariene Schmidt and Margaret Walsh, sopranos; Arlene Cassman and Joan McMahon, alto; Richard Goldworthy and James Bronson, tenors; and James Martindale, Charles Myloche, and Charles Hutcheson, basses.

Their program will include "Just As The Tide Was Flowing," "Shuckin' Of The Corn," "Lullaby For Christmas," "Behold The Star," "Ain't That Good News," and "Deck The Hall."

Wives To Present One-Acters

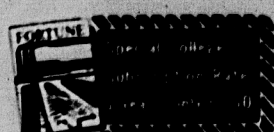

Two one-act plays will be presented by Spartan wives drama group tonight at 8:00 at the Home Economics theatre.

The first play will be "Over the Teacups," by Percival Wilde. Cast for the play which deals with four old women who lead a double life in the depression days, include Mrs. Rosemary Anthony, Mrs. Doris McQuator, Mrs. Betty DeAugustino and Mrs. Jerry Hoffman.

"All's Fair," by Angela McDermott, will also be presented. The play tells the events after a big college dance when four girls tangle while spending the night in the men's fraternity house. The cast includes: Mrs. Addie Terrill, Mrs. Joanne Huss, Mrs. Barbara Kienzenki and Mrs. Bobby Gleeman.

Directors of the plays are Mrs. Jean Kee, Mrs. Marjorie Kowalski, Mrs. Esther Barickman and Mrs. Merle O'Keefe. The plays are free to all Spartan wives, their husbands and friends. Mrs. Beverly Kugeky and Mrs. Kit Vincent co-chairmen of the general meetings announced.

Michigan State set a new all-time attendance record this year with 229,259 spectators going through the turnstiles for an average of 28,209 in the six home games.

IS MICHIGAN STATE THE COLLEGE OF BEAUTIFUL WOMEN?

One night recently, band leader Woody Herman wound up a stand at Michigan State College with "Sweet Sue." Then looking out upon a sea of beautiful co-eds on the dance floor, he said: "Talk about Sweet Sue, this school has the most beautiful girls in the country."

But Michigan State's claims aren't going to go unchallenged, even though it may have a surplus of lovely girls.

This week's PARADE MAGAZINE has a most interesting and provocative story by Robert Goldman on the campus beauties at Michigan State.

'MURAL SIDELIGHTS

Figures released by the IM department show that 1,770 students participated in mural sports during fall term. In track football, there were 98 teams, with 980 men competing. Approximately 164 men made up 22 teams in the IFC bowling tournament.

There were 21 teams competing in the turkey trot with 130 men running. In the other individual events, the report shows 506 participated.

Abbot 18 leads in total point tabulations with 130 points to pace the team league. E. Shaw 1 and Snyder 14 are in second and third with 115 and 103 points respectively.

In the independent league, Wells leads with 120 while El's and Howland House are tied for second with 110 points.

Delta Sig leads the Fraternity league, having amassed 217 points. Rensing in second spot are ATO and Sigma Nu with 215 points. Sigma Chi has totaled 210 and AGR 200. Since the other leagues won't launch their bowling tournaments until winter term, the fraternities have larger point totals.

Deadline for the dorm and independent basketball entries is December 11, and for fraternities, December 12.

Also scheduled for the winter term are badminton, Jan. 22; basketball free throw, Jan. 29; handball singles, Jan. 29; table tennis singles, Jan. 22; and weight lifting, Feb. 7.

'Y' Delegates To Attend National Convo In Ohio

Twelve MSC students will attend the fourth national assembly of the Student Christian Association movement during Christmas vacation at Miami university in Ohio.

YWCA representatives will be Pauline Wolshyn, Lansing sophomore; Jacquelin Trout, Tracy, Minn., junior; and Joanne Triebel, Flint junior.

YMCA Sends
Delegates from the YMCA will be Lewis Tuttle, Holt senior; Burl Romick, Mt. Clemens junior; David Hoste, South Wales, N.Y., sophomore; Duane Vernon, Ithaca sophomore; Cliff Blakemore, Flushing freshman; David Ruhm, East Lansing junior; Richard Taylor, Brighton sophomore, and Bob Forman, Lansing sophomore.

Miss Emma Mueller, college YWCA director, and Lester Dobyns, YMCA executive secretary, will take part in the conference.

2,000 Expected
Nearly 2,000 YMCA and YWCA delegates are expected to attend the week-long assembly at Oxford, Ohio, Dobyns said. It is scheduled to open Dec. 27.

Delegates will set up the association's policies and program for the next four years. They will consider the place of Christian associations in universities, politics and the world.

A special seminar for faculty and staff members will examine contributions of Christians in higher education. Emphasis throughout the week will be placed on "What Does God Require of Us?" theme of the assembly.

Institute Here To Discuss Accounting

A plan to establish a uniform accounting system in hospitals will be discussed by more than sixty hospital accountants who will attend the Michigan Hospital Accounting institute today through Friday.

Sponsored by the Michigan Hospital association in co-operation with the Department of Accounting and Michigan Chapters of the American Association of Hospital Accountants, the institute is designed to promote fuller understanding of the uniform hospital accounting plan.

Discussions will include uniform classification of accounts, general fund accounts, general fund expense accounts, preparation and presentation of balance sheets and financial statements and hospital application of these principles.

Guy Hill To Speak At Alumni Banquet

Guy Hill, co-ordinator of High School Co-operation, will be the main speaker at a banquet of the Tuscola County Alumni club, tonight at the Fisher hotel in Frankenmuth, where local football players will be honored.

MSC-Notre Dame football movies will be shown and narrated by Steve Sebo, freshman football coach.

Ionia Alumni club will hold a meeting Thursday, at the Lacks hotel. Notre Dame-MSC and Indiana-MSC football movies will be shown. John McGoff of the Alumni Relations office will be narrator.

Dennis Cooper To Show Films

Isle Royale, Cruise, Subject Of Pictures

Color motion pictures of an "Isle Royale Vacation" will be shown by Dennis Glen Cooper, explorer and travel lecturer, at 8 p.m. Saturday in College auditorium. Cooper is presented on the MSC World Travel series.

Among the highlights of the movie are a lake cruise on the S.S. "South American" to Houghton, Mich., and an airplane trip to Isle Royale. Fishing trips, picnics, and hunting for precious stones are a few of the activities to be shown.

Cooper is a native Detroit. Photography has been his hobby for the last twenty years and his camera expeditions have taken him all over the United States and into Canada and Mexico.

Experiences in World War II took him to all parts of the South Pacific theater, including Australia, New Guinea and the Philippines. He was awarded the Bronze Star and holds eight major campaign stars and two distinguished unit citations.

Red Cedar Won't Flood If It Snows

Don't run for the hills, men! The Red Cedar isn't going to flood you out this time.

Although the river is perched precariously on its banks, the United States weather bureau in Lansing doesn't expect it to rise. It will be too cold for a while, said the bureau, for anything but snow. By the time the snow melts the river should have gone down.

Meanwhile the MSC department of buildings and utilities nostalgically recalled the time the Red Cedar sloshed over into the power plant. However, no college utilities have been affected at present, according to the department.

Cortisone Plant MSC Professor To Accompany Botanical Search

A desert and jungle search for plants bearing anti-arthritis compounds will be assisted by an MSC professor.

Charles L. Gilly, assistant professor of botany, has been granted a leave of absence next term to join a U.S. department of agriculture expedition in Mexico.

Gilly said that the expedition will collect specimens from two families of plants growing in the Mexican desert, and thought to contain cortisone, the substance which has been used in treatment of arthritis. Gilly said.

Another plant family containing cortisone has been found in Africa, according to Gilly.

His expedition may travel into the jungles of Nicaragua in search of similar plants, he said.

Campus Coeds Called Cuties By Publication

A most interesting and provocative article on State's campus beauties will appear in this Sunday's issue, according to a publicity release.

Talk about Secret Sue, this school has the most beautiful girls in the country," band leader Woody Herman was quoted as saying about MSC.

Head this story in "Parade," the release ends.

"This may be something to write home about," a startled MSC male announced when told of the article.

567 To Receive Degrees Dec. 12

A total of 567 Michigan State College students will be candidates for bachelor and advanced degrees at the close of the fall term, Registrar Robert S. Linton announced.

Governor G. Mennen Williams will speak at the commencement reception to be held Dec. 12 in the MSC Union at 7:30 p.m.

Rifle Team To Compete For Trophy

Air Force Branch Leads Competition

In early February the MSC ROTC rifle team will compete for the William Randolph Hearst trophy. Major Stevens, officer in charge, said yesterday. The State shooters will compete with shooters from other colleges and universities in the 5th Army district which have an ROTC program.

The match will be telegraphic, with each team firing at its own range and then sending the targets to the match headquarters to be judged.

This fall the rifle candidates were divided into four battalions. Major Stevens said, according to their branch of service. Each battalion has fired five matches in competition with the others. The standings are—air force, won 3, lost 0; artillery and ordnance, won 3, lost 2; infantry, quarter-master and signal, won 2, lost 3; and armored and M.P., won 0, lost 5.

Top Five Chosen

The final matches were fired Tuesday. From the results, the twenty best shooters were chosen. These cadets will comprise the winter-term team. From their number the best five will be chosen for the Hearst competition, according to Stevens.

The college pistol team fired its first match last night, against the campus police. Official inter-college competition will begin winter-term. All matches for the season will be telegraphic, except with nearby opponents.

Student Arrested For Theft Of Gun Ball Machine

Joseph R. Barry, hotel administration student, was arrested early Monday morning for stealing a ball-gun machine.

He took the machine from the College mail on Grand River, but he wouldn't give any reason for taking it when questioned by the police, said Charles F. Peck, chief of police, said Barry just said he had it. Barry was released Sunday morning on \$200 bond.

He demanded examination when arraigned Monday.

Offer Three Fellowships To Graduates

Three fellowships to American students for graduate study in Sweden have been made available by the Swedish government through the Sweden-American Foundation. These fellowships for the academic year 1951-52 are offered for study at the University of Gothenburg, Lund, Stockholm, Uppsala, and other institutions.

Applicants should be under 35. Each fellowship carries a cash stipend of 3,800 Swedish crowns which is sufficient to cover room and board. Appointees must have funds to pay the cost of passage to and from Sweden, travel and vacations in Europe, as well as other incidental expenses.

Further information and application forms may be obtained from the Institute for International Education, 2 West 45th Street, New York 19, N.Y., not later than Feb. 1, 1951.

Corporation Taxes To Increase

WASHINGTON, (AP)—The House Ways and Means committee voted to increase corporation taxes \$3,400,000,000 a year by an "excess profits" levy, reaching back to July 1, 1950.

This sum is considerably less than the \$4,000,000,000 in new revenue requested by President Truman to help meet vastly increased military costs.

Andrew Olson Elected 4-H Club Agent President

Andrew Olson, graduate student from Kingsley, was elected president of the National 4-H club agents association at their annual meeting in Chicago Nov. 31.

Olson is currently on leave from his duties as district 4-H club agent for Grand Traverse, Benzie, and Leelanau counties and studying for his advanced degree here.

He received his BS degree from Central Michigan college in 1939.

Lucon Theater To Present First Feature Sunday

Opening of the Lucon theater, located in the new shopping center on Grand River avenue, is scheduled for Sunday, manager Danny Drozen announced yesterday.

First feature will be "The Glass Menagerie," starring Kirk Douglas and Jane Wyman. The film is adopted from the stage play by Tennessee Williams.

Fear Cleaners' Dispute As Trial Period Ends

Renegotiation Foreseen On Pickup System Following Disagreement

The objection of the Lansing Association of Cleaners and Dyers to the interform cleaning-pickup system may be revived at the beginning of next term.

In October, the college opened cleaning service to three cleaners who made the lowest bid for the job. The three agreed to operate under college regulations which include a 22½ per cent rebate to the interform council.

Paul Herbert To Address National Group

Paul A. Herbert, head of the M.S.C. Division of Conservation, will discuss "Habitat Improvement—An Integral Part of Forest Management" at the 50th anniversary meeting of the American Forestry Society in Washington, D. C., Dec. 13-16.

Approximately 1,000 people from all parts of the nation will gather for the four day session, according to Stanley G. Fontana, Society council executive and deputy director of the Michigan conservation department.

The program will include discussions on "American Forestry in the 20th Century" and reports on the latest research by key industry, government and college officials.

Other speakers from Michigan will include Dean Samuel T. Dana of the School of Natural Resources, University of Michigan; Walter M. Zillgitt, federal Lake States forest experiment station; Marquette and George Danzhar, consulting forester and recent Wisconsin Upper Michigan Society chairman.

Tickets Still On Sale For Concert Series

A few season tickets are still available for the music department concert series, the department announced.

Remaining concerts on this year's program include Orfeo Hispanico Choir; Paganini String Quartet; Clair Coci, organist; and Kell and Horzowski, clarinetist and pianist.

'Mr. Belvedere'

Jack Holt, 53-year-old journalism major, fondles his paddle before Pi Alpha Mu, national advertising honorary, initiation ceremonies get under way. Father of three married daughters, Holt will be graduated as an advertising major next summer. He has frequently been referred to as Michigan State's own "Mr. Belvedere."

Holt, who is perhaps older than most of his instructors, is a former electrical engineer.

Circuit Court To Decide Fate Of City Garage

Fate of a planned East Lansing city garage will be decided soon in Ingham county circuit court, Lansing, when the city attempts to secure a writ of mandamus against Meridian township permitting construction of the building.

The township board refused to grant East Lansing a building permit after property owners near the proposed site, Alton road between Burcham drive and M-78, objected to the construction.

This information was announced yesterday by John Patriarche, city manager. He said the city claims the township zoning ordinance is faulty and does not specify what may be built on the property.

Proceedings in the case will resume Dec. 15 with Judge Charles Hayden presiding.

Vets Quitting Must Notify Counselor

Veterans enrolled in school under Public law 346, who do not intend to return to school next term should notify Lyle Thorburn in the counselor for men's office before the end of this term.

Earl A. Howell, supervisor of veterans affairs, stressed the importance today as an assumption must be sent to the Veterans' Administration.

Veterans enrolled in school on an interrupted status should apply for a supplemental certificate of eligibility through William Mann in the college counselor's office on south campus, Howell said.

Journal Publishes Professors' Article

Carl M. Cooper of chemical engineering and John W. Donnell have an article published in December's "Journal of Engineering Education." Entitled "Dilemma of a Young Teacher," it points out the advantages and disadvantages of taking a master's before teaching.

Jesse Smith, State's punting star, was sixth in the nation with a season average of 41.9 yards a try.
