

Candidates State Policies

Candidates for class offices in the final elections have submitted the statements of policy which are listed below. Because of space limitations, the statements by Student Council candidates will not be printed until tomorrow, election day.

Polls will be open in the Union for off-campus students, and residents of sorority and fraternity houses. Dormitory residents will be able to vote in their living units. Union polls will be open tomorrow from 8 a.m. to 6 p.m.

Here are your candidates:

Senior President

GENE McDERMOTT, Staten Island, N.Y.: To give my open and full support to the newly drawn up Student Council constitution. To continue with the present form of Senior Council. A registration next fall, a questionnaire would be distributed to all seniors, getting their views on matters such as outdoor commencement, senior coffee hour, core alumni club representing the class, senior of the week, and the remainder of all senior class activities, giving recommendations and criticisms. It is hoped by the use of this questionnaire that the senior council and the class officers will emerge worthwhile new class activities along with correcting possible present class functions.

JIM MITCHELL, Grand Rapids: I believe that in order to have an effective class government, the officers of the class must be able to co-ordinate their class projects with the other classes and the student government. To accomplish this coordination there must be good communication between the different organizations. I have worked with the administration and student government and I believe that this experience will help me to exercise efficiently the position of senior class president.

Senior Vice-President

JOSY RUBOLZ, East Lansing: As candidate for this office, I sincerely believe the job of senior vice-president can be transformed from an honorary position to a functional opportunity to benefit the senior class. This can be accomplished by an active participation, interest, and co-operation in class activities.

BILL CASS, Frewsburg, N.Y.: I believe the office of senior vice-president is not an office in title only. The person elected should actively work in administering and assisting in all class functions. The senior vice-president should co-operate with the class officers, the Student Council, and the administration.

Senior Secretary

ANN FOSTER, East Lansing: I believe that commencement is an important event in college life and therefore the time and place of that event should be determined by the senior class. Through co-operation of the officers and members of the class I think that a time suitable to the majority of the class can be secured.

NANCY HOTOP, Kalamazoo: Secretary of the senior class is a job with a team of detail—the responsibility of making sure that all senior activities are properly recorded, of executing the decisions of the class and its officers, doing the paper work connected with the many events. Because my major (journalism) and my interest are in that direction I would like to serve the class of '52 as secretary.

Senior Treasurer

ROSEMARY CORCORAN, Saginaw: If I am elected on my honor I will try to do my duty to God, my class, and its treasury. I will work to put each senior dollar to use in the most

economical and beneficial manner for the whole class, and to co-operate with the other officers under the constitution.

CARL EICHER, Newberry: I am grateful for the overwhelming vote given me in the primary election. The confidence shown has inspired me all the more to serve the senior class and Michigan State College as senior treasurer. I hope to work closely with the other senior class officers with the aim of uniting the class of 1952.

Junior President

ROGER HEKHUIS, Lansing: I have already stated my views on the student football ticket situation, the campus parking problem, and my plan for allowing the student body to select the J-Hop orchestra by means of a straw vote. However, I feel that the junior class needs something other than the J-Hop to hold it together—something which can be an industrious and potent force. I believe the junior class can progress, but we need harmony of effort and unity of purpose in order to accomplish anything. I want to be a part of this progress—I believe sincerely in its possibilities, and I believe my experience on last year's Frosh-Soph council can prove to be very valuable in attaining those ends.

DON HOSIE, East Aurora, N.Y.: Through the experience I have gained as a class officer I have found that full co-operation of the class and their officers is absolutely necessary. Therefore, regular meetings of the class should be held to enable interested persons to state their views. If their ideas are sound, committees should be organized to carry them out. In this way it is my intention to promote class participation and unity.

Junior Vice-President

JIM OSBORN, Lansing: I wish to extend my appreciation to all those people who made it possible for me to run in the final elections. It is my wish, and I would like to see it fulfilled, that the junior class have a more stable and closely knit organization. My past experience in class activities would help me qualify for this. I therefore would feel it a great privilege to act as the present junior vice-president of the class of 1953.

DUANE VERNON, Ithaca: The office of junior vice-president should not be a name, it should be a job. It can be one of the most important offices held, if it is given the proper time and consideration. I can give it both of the above, and through my past experience in class activities, I feel that I can fill the job in an active capacity. Our junior class has a big year ahead (J-Hop, Career, carnival, etc.) and through the efforts and co-operation of the class of 1953, I can promise, if I am elected, to do my utmost to make it a successful year.

Junior Secretary

KAY HAMMERSTROM, Highland Park: As one of two candidates for the office of junior class secretary, I would like to reiterate my sincere desire to reiterate this active position on the junior class executive rather than an honorary station. In order to do this I will, if elected, fulfill the obligations of the position to the very best of my ability and will set forth to promote a smooth running and active class government.

OLGA TORSKY, Cedarville: Platform: 1. To work with the other officers and representatives for a more efficient and interesting junior class. 2. To support the other governing groups on campus. 3. To keep and have available accurate minutes. 4. To create an accurate and permanent record system.

Junior Treasurer

DON STEWART, Charlotte: Policy—To work with and for the junior class of the coming year to do all possible to help in

putting the class of 1953 ahead financially. Not only is the J-Hop the largest class activity and source of income for the junior class each year, but it is also considered each class' largest function throughout the entire four years of college. I am aware of the unsatisfactory financial condition of the class of '53 and feel that I am in a good position to continue working for the class by taking on the responsibilities of junior treasurer.

GENE JACKSON, Pontiac: As a candidate for the office of treasurer of the junior class I believe that the formulation of our class policy rests primarily with the president of the class. Nevertheless, I feel that it is the responsibility of each officer of the junior class to assist the president in determining worthy while class efforts and their execution. In addition to the specific duties of the office of treasurer,

Sophomore President

WARREN BOWNE, Ionia: If I am elected to the office of sophomore president, I will strive to make our class, the class of 1954, the greatest in the history of Michigan State College. Today our class is better off financially than any freshman class has been in many years. After a year's experience in class office, I promise that I will represent the interests of the class to the utmost of my ability. I will revise the Frosh-Soph council and make it a coordinating group, instead of an organ for political power of a few individuals as it has been this year. I will always stand up for what I believe is best for our class.

PHILIP THORNTON, East Lansing: I believe in a strong class unity, not a group of kids who have too many credits to be freshmen and too few to be juniors. The way that this unity can best be promoted is through the Frosh-Soph council, because it establishes 16 leaders for the class and a means by which the class can express itself. Furthermore, I want to uphold the Frosh-Soph council because it unites the two classes and gives them power that they would not have alone.

Sophomore Vice-President

WINNIE ANDERSON, Dearborn: If elected to the office of sophomore vice-president, I intend to do my best to carry out this policy: 1. Encourage class spirit through better organized and more publicized activities. 2. Co-operate with other classes and other colleges with the purpose of exchanging ideas for activities and improvement projects. 3. Inform class members of all important proceedings and report their opinions and suggestions to the cabinet. 4. Promote unity of the class by getting more of the students to work on committees so that no individual will be overloaded with work.

LOU VARGHA, Plymouth: The office of vice-president is usually one considered as a soft job—good for prestige, but not much else. The official duties of vice-president are simply to take over in the absence of the president. However, a vice-president who has a feeling of responsibility can do much more. I feel that the vice-president can do much to aid the president by working with, generally assisting and pushing various class committees which are functioning during the year. Our sophomore year is an important one in our college careers and we will have many activities. Also, I feel that the vice-president can co-ordinate the workings of the class officers with the opinions of the class as a whole by keeping in contact with the students in the class.

Sophomore Secretary

SALLY COLLINS, Birmingham: If I am elected to the office of secretary of the sophomore class, I intend to promote the following policy: 1. Greater co-operation between the classes. 2. To arouse class interest in activities more fully. 3. To keep and post an accurate account of all class proceedings so that all interested students will know exactly what is going on.

JANET MATTERSON, East Lansing: If it is my honor to be elected sophomore secretary, I can only say that I will do my best to perform the duties capably and efficiently. Having served in this capacity, I realize

the requirements to be fulfilled in representing you, the sophomore class. If elected, the duties as secretary would come first and foremost in my next school year's activities.

Sophomore Treasurer

DICK LAIVER, Buchanan: The policy of my campaign, places emphasis on smooth operation and betterment of relations between faculty, student class officers, and students.

JANET WEINHEIMER, Grosse Pointe: I want to make our class more permanent than it has been in past years by reviving our activities, such as the Sophomore ball, so that we shall have more money for our junior and senior projects.

Letters To The Editor

Reader Blasts Double Think, Calls for Faith

TO THE EDITOR:
One might well ponder a while on what type of thought process prompted the "Double Think" editorial. If that thinking is "a la mode," I'll take mine without ice cream, thank you.

I hope that MSC students (who have been branded as opponents of a "Nonthink" process) will read or re-read Saturday's indictment of the American public. If we are to swallow this line we would believe that Americans, along with the rest of the world, are arming for war, not peace, "only they won't admit it."

We would also believe that MacArthur backers are aggressors. (Does not the G.I. in Korea say also that if he must fight let him use his military advantages?) Still further we would believe that "most people" ignore facts and think as they want to think and MSC students don't think at all.

Sounds as though almost everyone is on the writer's list. Maybe there should be a term coined for this type of cynical thought process, like "Cynthink."

If Mr. Terres does not think Americans believe they are arming for peace then he'd best come down from his tower and meet the people or at least select his reading material a little more carefully. I believe a little Double Think entered into the writing of this editorial.

Even his own "facts" don't warrant the conclusions; read them and form your own opinion on that. To my mind the real danger was unwittingly pointed out. The real danger is a lack of faith in American purposes and in the American people.

THE STORY
OF AN*Amblin' Man*... WHO MADE JOBS FOR
THOUSANDS THROUGH FREE
ENTERPRISE

IF THERE WERE ANY DULL MOMENTS IN THE LIFE OF **ERNEST ROBERT BREECH**, EXECUTIVE VICE-PRESIDENT OF THE

FORD MOTOR CO., FROM THE TIME WHEN, BORN FEB. 24, 1897, SON OF AN OZARK BLACKSMITH, HE BOUNCED ON THE SCENE, A THOROUGH SEARCH INTO THE AVAILABLE RECORDS FAILS TO REVEAL IT.

USING THE OLD SAYING ABOUT VARIETY BEING THE SPICE OF LIFE AS A YARDSTICK, HIS ADVANCEMENT FROM A SMALL TOWN YOUTH TO THE TOP WITH THE WORLD'S LARGEST INDEPENDENT MOTOR CO. HAS BEEN HIGHLY SEASONED AT EVERY STEP UP THE LADDER...

THE ELDER BREECH WAS RATED THE BEST BLACKSMITH AND CARRIAGE MAKER FOR MILES AROUND LEBANON, MO. FROM EARLY BOYHOOD ERNIE HELPED AROUND THE SMITH, WHERE HE SHOWED HANDINESS AS A MECHANIC...

THE STORY IS TOLD THAT HIS FATHER WOULD NEVER PERMIT HIM TO SHOE A HORSE FOR FEAR HE MIGHT "GET THE FEEL" OF THE TRADE, AND SPEND HIS LIFE AS A BLACKSMITH. HE PICTURED IN HIS MIND BIGGER THINGS FOR HIS SONS...

TO PROVIDE SOME READY MONEY ERNIE DID VARIOUS ODD JOBS...

ONE CONSIDERABLE SOURCE OF INCOME WAS TRAPPING RABBITS, WHICH HE SOLD FOR 10 CENTS EACH DRESSED OR FIVE CENTS WITH THE PELT ON. THIS NOT ONLY GAVE HIM A MEASURE OF INDEPENDENCE, BUT LIGHTENED THE DEMANDS ON THE NOT TOO PLENTIFULLY STOCKED FAMILY PURSE.

ERNEST ALWAYS EARNED HIGH MARKS IN GRADE AND HIGH SCHOOLS... AS THE NEXT-TO-TOP STUDENT HE LOST HIS CHANCE FOR THE MEDAL GIVEN TO THE OUTSTANDING STUDENT OF HIS SENIOR YEAR BECAUSE OF A HISTORIC INTER-CLASS FIGHT...

HOWEVER, HE WAS AWARDED A DIPLOMA. HE ALSO WON A SCHOLARSHIP IN NEARBY DREYER COLLEGE IN SPRINGFIELD. THIS WAS AN HONOR WITH A TEMPORARY SETBACK...

...THERE WAS AN OLDER BROTHER, ALSO WITH A SCHOLARSHIP, WHOSE AMBITION WAS A BANKING CAREER... BECAUSE OF LIMITED FAMILY FINANCES, ERNEST UNSELFISHLY STEPPED ASIDE FOR A YEAR... HE CLERKED AND WORKED AT VARIOUS JOBS... HE NEARLY LOST A HAND WHEN A BOTTLE OF POP IN A FILLING MACHINE HE WAS OPERATING BLEW UP...

...FINALLY ENROLLED IN COLLEGE, TO HELP FINANCE HIS EDUCATION, BREECH OPENED A CLEANING AND PRESSING SHOP IN A BASEMENT ROOM... FEW OF THE STUDENTS HAD MONEY, SO MANY BORROWED THE IRON FROM HIS EASY-GOING OWNER THAT IN TWO DAYS HE WAS IN AND OUT OF BUSINESS POORER IN MONEY MATTERS, BUT WITH SOME DEFINITE IDEAS ABOUT MAKING A MARKET SURVEY IN ADVANCE...

WAITING ON TABLE AND SWEEPING FLOORS HELPED CARRY BREECH THROUGH THE COLLEGE YEAR. DURING VACATION, IN 1916, HE SOLD VICTROLAS FROM DOOR TO DOOR.

...WITH HIS FATHER HE OPENED THE FIRST DODGE AUTO AGENCY IN LEBANON. THE BLACKSMITH SHOP SERVED AS SHOWROOM, WITH ERNIE AS SALESMAN AND MECHANIC - A VERY GOOD ONE, THE TOWNSPEOPLE RECALL.

IN COLLEGE, WHEN WORLD WAR BROKE BREECH SOUGHT TO QUALIFY FOR OFFICERS TRAINING, BUT WAS UNDER AGE, AND WAS TOLD TO WAIT. THE WAR ENDED JUST AS HE RECEIVED HIS DRAFT CALL. MEANWHILE HE HAD BECOME A BOOKKEEPER WITH FAIRBANKS, MORSE AND CO., IN CHICAGO. WHEN HIS SALARY REACHED \$15 A WEEK HE MARRIED MISS THELMA ROWDEN, HIS LEBANON SWEETHEART.

ORDINARY BOOKKEEPING WAS NOT THE MOST IMPORTANT GOAL OF THE YOUNG MAN FROM THE OZARKS... HE SPECIALIZED IN FACTORY ACCOUNTING, DIGGING IN WITH CHARACTERISTIC THOROUGHNESS...

HE CONTINUED TO STUDY IN NIGHT SCHOOL AND WON THE CPA GOLD MEDAL FOR TOP GRADE IN THE STATE OF ILLINOIS... THE UPWARD MARCH WAS ON, WITH A SPEED THAT WAS QUICKLY TO MAKE HIM OUTSTANDING IN BIG BUSINESS... THERE WAS NO ALCHEMY... GRASP OF DETAIL, VISION, BOUNDLESS ENTHUSIASM AND STICK-TO-IT-NESS WERE MAJOR FACTORS THAT MADE HIM SOUGHT AFTER.

WHEN AS PRESIDENT OF NORTH AMERICAN AVIATION, IN 1934, HE PROPOSED AIRPLANE MANUFACTURE ON A WIDE SCALE, THE DIRECTORS DEMURRED. ARMY AIR FORCE HIGH-UPS DECLARED THERE WAS NO ROOM FOR ANOTHER COMPANY. "THEN WE WILL MAKE ROOM," WAS BREECH'S QUIET CHALLENGE. IN RECORD TIME HE BUILT THE COMPANY INTO ONE OF AMERICA'S LARGEST MAKERS OF MILITARY AIRCRAFT, WHILE OPERATING 3 MAJOR AIRLINES - TWA, EASTERN AIR LINES AND WESTERN AIR EXPRESS...

HE STARTED IN THE AUTOMOBILE BUSINESS WITH YELLOW CAB MANUFACTURING COMPANY IN 1923.

THIS COMPANY MERGED WITH THE GENERAL MOTORS TRUCK AND COACH DIVISION, G.M.C., IN 1925. HE SERVED IN MANY CAPACITIES - COMPTROLLER, GENERAL ASSISTANT TREASURER OF GENERAL MOTORS CORP. AT 32 AND VICE PRESIDENT AT 42.

AS WARTIME PRESIDENT OF BENDIX AVIATION CORPORATION, HE SAW SALES ZOOM FROM 1938 TO 1943.

FOR HIS WARTIME RECORD AT BENDIX HE WAS AWARDED THE PRESIDENTIAL CERTIFICATE OF MERIT.

IN JULY 1946, AT THE INVITATION OF HENRY FORD II, PRESIDENT OF THE AUTOMOTIVE EMPIRE BEARING THE FAMILY NAME, BREECH BECAME EXECUTIVE VICE-PRESIDENT OF THE FORD MOTOR CO.

HE IS ACTIVE IN THE LEADING ENGINEERING ORGANIZATIONS, CLUBS AND ALONG WITH HIS EXACTING DEMANDS AS AN INDUSTRIAL EXECUTIVE IS IDENTIFIED WITH MANY CIVIC ORGANIZATIONS HELPING THE UNDER-PRIVILEGED AND HANDICAPPED.

HE IS A VESTRYMAN IN ST. JAMES EPISCOPAL CHURCH, IN A DETROIT SUBURB AND LIVES MODESTLY IN NEARBY BLOOMFIELD TOWNSHIP.

IT IS A FAR JOURNEY FROM BLACKSMITH HELPER AND SELLING RABBITS FOR A NICKEL A PIECE TO THE TOP IN THE LARGEST INDEPENDENT AUTO COMPANY IN THE WORLD...

ERNEST BREECH STILL IN MIDDLE LIFE MADE IT WHILE WINNING THE RESPECT OF LABOR AND EMPLOYER ALL ALONG THE WAY.

HE IS A FIRM BELIEVER IN THE AMERICAN WAY OF LIFE AND THE SYSTEM OF FREE ENTERPRISE, FOUND ONLY IN THIS COUNTRY, THAT LIMITS ONE'S RISE ONLY TO INDIVIDUAL ABILITY AND DETERMINATION TO GET AHEAD.

Diamondmen to Face Bronco Nine Today

Spartan Nine Out to Break Jinx: Carlson Stated for Mound Duty

By BILL COZENS

That "jinx" will be present again when the Spartan nine plays host to the Bronco of Western Michigan today at 2:30 on Old College field.

Not since 1946 has a MSC baseball team beaten Western Michigan on Spartan home ground and only once in that five-year span have the Spartans beaten them at all. Last year at Kalamazoo the diamondmen eked out a 2-1 victory after suffering a 7-3 11-inning defeat at home.

Carlson to Start
Coach John Kotsch stated that right-hander Bob Carlson will start the mound in today's game. In his first start, the 23-year-old Spartan, Carlson, who has only one hit in the five innings he worked while striking out three.

The rest of the Spartan lineup will probably be the same as the one that defeated the Broncos last season. The Spartans' impressive record.

Western Michigan's lineup is expected to be fast. The Spartans have won two important games at home and one at Kalamazoo.

Athletics Whip Sinking Tigers

DETROIT — (AP) — The last place Philadelphia Athletics, who hadn't won in their last 10 starts, battered the Detroit Tigers 9 to 1 yesterday with an eight run barrage in the 11th inning.

A small crowd of 3,583 saw rookie pinch hitter Lou Lamber start the game winning rally with a bases loaded double off losing pitcher Dizzy Trout.

Before relief pitcher Gene Bevens could retire the side Philley blasted home five more runs to give the A's their second win against 12 defeats.

Relief pitcher Hank Wynn replaced starter Carl Schein in the ninth, received credit for the win, his first. The Tigers got only six hits.

Philley, making his first appearance since he was traded from Chicago, smacked two of the A's top hits and worked out.

HEAR YE! HEAR YE!

It has come to the attention of the MEN of Beta Theta Pi Fraternity, that the BOYS of the Phi Kappa Tau Fraternity have been conspicuously contaminating our beloved Delta Street with Banana Peels. We of the BETA HOUSE feel that proper punishment is due in the form of a dunking in the Soul-Cleansing water of the Red Cedar. Therefore we challenge these "phi kappa BANANNIES" to a Tug-of-War on Saturday afternoon, May 5, 1951 at 2:00 p.m. behind the Women's gym. We invite the students of MSC to come and witness the Annual Dunking of the phi taus which will see due punishment inflicted upon these uncooly BOYS.

Tension Rises in Vice Charge

By JIM SMALLEGAN
State News Capitol Reporter

Tension between Rep. Robert E. Faulkner's claims of Grand Rapids being "a city of sin" and the city's mayor, Paul Goebel, increased yesterday.

Faulkner said he would turn over his information concerning vice to a legislative committee in the house of representatives, after a conference with the mayor yesterday.

Faulkner was scheduled to appear before Judge Leonard B. Verrier today with his information and "documentary proofs" that Grand Rapids is a city of gambling and vice.

The representative declined to appear before the judge, however, and said he would give his facts to any legislative committee empowered to issue subpoenas on all the information he has.

On the other hand Mayor Goebel said, "You have indicted me and my administration and placed a stigma on Grand Rapids and you can turn your information over to any legislative body you like."

"I can not call him a liar until I know what he has to offer

and I don't want to see it, as I am one of those indicted by his claims," Goebel said.

The sincerity of Faulkner seems to be in the balance of the situation. If he has his facts and brings them out through the house committee it should be a matter of great concern not only to the legislature, but also to the citizens of the state.

The state Republican party is about ready to announce a new publicity director in an attempt to off-set the able work of Governor Williams' Democratic press secretary, Paul Weber.

Indications have it that the party may offer the \$15,000 plum

to Arnold Levin, Detroit News reporter.

Weber draws \$9,500 a year as the governor's press secretary.
