## Campus Chest Tops 950 Contributions

More Than \$4,500 Collected;  
Mottek Calls Drive 'Success'

More than \$4,500 was collected by Campus Chest and will be distributed to the six charities supported by this year's drive. The amount is \$700 above last year's total distribution. The drive was a great success largely because of participation of over 300 campus and living unit solicitors, and generous faculty contributions. Carl Mottek, executive director of Campus Chest said.

The largest amount of money came from campus solicitations and Spartiate. Solicitations were \$140 over last year, reaching a mark of \$1,000.

Although the total amount collected by Campus Chest was higher than last year's living unit donations by fraternities, men's dorms, and men's and women's groups fell off this year.

Fraternities and women's dormitories increased their contributions. Six fraternities and seven dormitories contributed 100 percent.

The highest sorority contributor was Kappa Alpha Theta, who gave over \$100 to the drive through personal contributions and donations of over \$40 at the faculty auction.

Dormitory contributions were generally poor, Mottek said. Mason-Abbott out-gave other dorms. West Side was the lowest with a total of \$18.

One reason for the larger amount of money available for distribution this year is the increased efficiency on the part of the Campus Chest administration. Costs of management were cut to one-third of last year's total, Mottek said.

The Campus Chest will continue to function throughout the year giving information on the functions of the organization, and setting up next year's program.

Money is still coming into the fund from living units and organizations. Mottek said. Campus Chest will accept any donations throughout the year.

Students interested in working on next year's drive should leave their names at the Campus Chest office, third floor of the Union. They will be placed according to their experience where they may be most useful, Mottek explained.

## MSC to Host High School Dramatists

Estimated 700 Michigan high school dramatic students will come to campus today for the annual High School Dramatists. Don Buell, MSC director of dramatics, announced.

The program will open at 9:30 a.m. with registration in the main hall of the Union. Following a general assembly, comedies and a special matinee of plays will be presented. The Skin of Our Teeth will be presented at 2:15 this afternoon.

Guests will be welcomed to the Wilson B. Paul, head of research, dramatics, and education department.

The program will also be extended to the departments of Science and Arts. The students, by Charles H. Haskins, senior, president of the Alpha Phi national fraternity.

In the play, a lecture by Gordon Wilder, author of "The Skin of Our Teeth," will be presented by John A. Walter, professor of English.

The series of discussion conference topics will include problems of design and make-up and costume integration of music and picture techniques. The series of discussion conference topics will include problems of design and make-up and costume integration of music and picture techniques.

Four of State facilities, including the television studio, children's theater, and audience view seats of recent design will begin at 1:15.

The day will be followed by the dinner and the day will be followed by the dinner and the day will be followed by the dinner.

## WKAR to Feature History Forum

A discussion of "Presidential Versus Congressional Supremacy" will be featured today at 2:30 p.m. on WKAR. It is the weekly current affairs forum, sponsored by the departments of history and political science.

The panel will consist of Douglas Dunham, social science instructor, and Robert Quimby, history of civilization instructor.

## Force ROTC Sicals Slated

Examinations for admission to the Demonstration hall will be held on Tuesday and Wednesday, May 22 and 23. Captain Rabak, professor of air science, announced yesterday.

Examinations will be held only once, and applicants must completely filled out medical forms to the physical.

These forms may be obtained from the air force ROTC office.

Examinations are to appear at the Demonstration hall on Tuesday and Wednesday, May 22 and 23. Captain Rabak, professor of air science, announced yesterday.

## Announcements Set Picnic for Tuesday

Senior class will hold its picnic on the banks of the Saginaw River, May 22 at 7 p.m.

Food, marshmallows, and beverages will be served on the north shore near the men's dormitory. Walters, chairman, announced.

## Announcements Set Monday

Announcements are expected to arrive at the Union on Monday, according to Walters, manager.

Students who ordered their announcements may pick them up after this date. Any extras ordered on May 28 to those who place orders, Walters

## MSC Band Slates Second Concert

As a special feature of the Festival of Contemporary Arts, the MSC Concert band will present a concert of contemporary music May 23 in the bandshell at 8 p.m.

Under the direction of Leonard Falco, the band will play "A Solemn Music" by Thompson, Andante, Rolland's "Overture," Newstreet, by Schuman, the "Variation Suite" by Tansman, "Variations of a Cowboy Tune," and others.

The concert is the second scheduled by the band this term. In case of rain the concert will be held in the auditorium.

## Copeland Featured on Art Program

Concert to Dedicate  
New Beaumont Bells

The combined Art student exhibition and the Fine Arts festival enters its third day today highlighted by concert pianist George Copeland.

He will present a program of Debussy selections in the music auditorium tonight at 8 p.m. Tickets are available at the Union ticket office.

The evening of the term play "The Skin of Our Teeth" was the main feature of yesterday's program.

A capitol concert Sunday will mark the dedication of the Beaumont bells.

Many new bells have been added to the once single chime tower. It is now one of the seven largest college carillons in the United States. The ceremony will consist of a capitol concert at 4 p.m. Sunday.

The MSC capella choir will present a concert of contemporary and traditional music at 8 p.m. Sunday at the Peoples church.

A chamber music program is featured for Monday together with a concert by the college symphony orchestra and chorus.

The Fine Arts festival will close with a special program by the MSC hand concert in the bandshell 8 p.m. Wednesday.

The MSC art department contributed to the festival a series of three depicting the fine arts.

Michigan State College has been invited to submit entries to the Addison Gallery of American Art in Haverford, an honor accorded to only 25 schools each year, according to Prof. Howard C. Church, MSC art department head.

## Instructors Plan Accounting Meet

About 60 accounting instructors from colleges throughout Michigan are expected to attend the Michigan Accounting Instructors conference at Michigan State College Saturday.

Purpose of the conference is to permit communication between co-professionals in the field of accounting. The conference is sponsored by the MSC continuing education office in cooperation with the department of accounting.

## Holland Tulip Trip

Students may still sign up for the annual Holland tulip festival trip tomorrow. Robert Pingry, MSC chairman, announced.

Buses will leave the Union west entrance for Holland at 6 a.m. Students can sign up in the 1200-entrance office on the first floor of the Union, Pingry said.

## Varied Jobs Still Open for Summer

Approximately 200 summer job openings for men who want outdoor work with the state highway commission are still available, Thomas Dutch, placement bureau assistant, announced.

Stenographic and typing positions for the summer are also available. Packard, Allis-Chalmers, National Biscuit company, H. J. Heinz company, A & P, Boeing Aircraft company and Michigan-Wisconsin Pipeline company still have openings, Dutch said.

## Insurance Firm to Interview Here

Ann Traube, of the personnel department of the Standard Accident Insurance company of Detroit, will interview seniors for supervisory trainee positions today and tomorrow.

Miss Traube, an MSC graduate, is primarily interested in women, but says there are a few openings for men. The company wants students who have the ability to work with people.

Students interested in talking with Miss Traube should obtain further information at the placement office.

Jim Brown, Wolverine editor, presents the first copy of the 1951 yearbook to President John Hannah at the Publications banquet last night.

Prof. A. A. Applegate, head of the Journalism department, looks on.

—State News Photo by Fraser

## Moody Names Three Aides

WASHINGTON — (AP) — Three staff assistants including a former Detroit newspaperwoman, were named yesterday by Senator Moody.

The new Democratic senator appointed James H. Lincoln, 34, as his \$8,600-a-year executive secretary. Lincoln has been an assistant prosecutor in Wayne County and is a law partner of Michigan Governor Williams.

Mrs. Betty Stoll Angelo, a former Detroit News reporter and daughter of the late Albert (Pete) Stoll, former wildlife editor on the News, was placed in charge of Moody's Detroit office in the Federal building. She is the wife of Frank Angelo of the Detroit Free Press editorial staff.

Miss Evelyn Chavon, an employee of a Washington law firm, will join Senator Moody's capital staff.

## Past Benefactor Names College in Research Grant

Securities valued at \$24,500 and 200 acres of forest land have been given MSC for expanded research in forestry. The southern Michigan tract was given to the college in the will of Fred Russ, Cassopolis philanthropist and businessman, who died April 10. The research is to be done particularly with tulip poplars.

The State Board of Agriculture yesterday accepted the tract which is located near the 580-acre forest given to the college in 1942 by Mr. Russ.

## NEW APPOINTMENTS Wolverine Presented at Publications Banquet

Student publication staff appointments for the 1951-1952 year were announced last night at the annual Publications banquet. The dinner was climaxed by the presentation of 1951 Wolverines to members of the Board of Publications.

Presentation was made by Jim Brown, Wolverine editor.

President John A. Hannah, guest at the banquet, said MSC has grown greatly in size and reputation in the last several years, and that student publications and their staffs can do a great deal to keep up the reputation of the college.

It is very important, he said, that young people who will occupy positions of leadership are informed on all issues. If the right answers to these issues are obtained, all thinking Americans must take part in the decision.

"There is a greater likelihood that there will be great progress during your lives than that you will be destroyed by atomic bombs," he said.

In addition to President and Mrs. Hannah, guests at the dinner were board members James Denison, administrative assistant to the president, and Mrs. Denison, William McIlrath, director of student publications and Mrs. McIlrath, Tom King, dean of students, Prof. A. A. Applegate, head of the Journalism department, and Mrs. Applegate, and Philip May, college controller, and Mrs. May.

John Randall, retiring photo editor of the Wolverine, acted as toastmaster. Mrs. Randall was also among the guests.

## Cop Who Shot Self Admits Fake Alarm

FENTON, Mich. — (AP) — A Fenton patrolman who touched off a statewide search when he reported an auto shot him early yesterday morning admitted late yesterday that he shot himself accidentally.

State Police Detective Burt L. Younger said the officer, David Boyden, 42, said he made up his original story to cover his embarrassment over shooting himself in the left arm while killing rats at the town dump.

Boyden later was taken into municipal court on a charge of making a false report to State police. He waived examination and was released on \$750 bond pending a circuit court arraignment May 28.

His superiors in the Fenton police department gave no immediate indication what other action might be taken in his case.

## Campus Drinking Violations Rise

Ten student violations of the no-drinking-on-campus rule have been recorded so far this term, according to Tom King, dean of students. A total of three violations were brought before King all during winter term.

## Summer Class Catalogs Set

Catalogs for the six and twelve week summer sessions are available at the registrar's office today. Class schedules are combined with the catalog.

Registration for summer quarter and the six-week session will be held in Jensen gymnasium, Kermit Smith, assistant registrar, and continuing activities on campus prevent holding registration at the auditorium as usual.

The six-week session will run from June 18-July 27. The 12-week quarter will last from June 18-August 31.

Expected enrollment is 4,400, Smith said.

## CBS to Broadcast New Crop Duster

A new electronic crop duster, the focus of nationwide attention from scientists and farmers, developed in MSC's department of agricultural engineering, will be discussed over the CBS Farm News program tomorrow at 2:45 p.m.

The program will be presented by Walter M. Carleton, MSC agricultural engineer, and Henry Bowen, Adrian graduate assistant who developed the new crop dusting process. Interviewing the agricultural engineers will be Carl Collins, radio farm director of WKZO, Kalamazoo.

## Cop Who Shot Self Admits Fake Alarm

FENTON, Mich. — (AP) — A Fenton patrolman who touched off a statewide search when he reported an auto shot him early yesterday morning admitted late yesterday that he shot himself accidentally.

State Police Detective Burt L. Younger said the officer, David Boyden, 42, said he made up his original story to cover his embarrassment over shooting himself in the left arm while killing rats at the town dump.

Boyden later was taken into municipal court on a charge of making a false report to State police. He waived examination and was released on \$750 bond pending a circuit court arraignment May 28.

His superiors in the Fenton police department gave no immediate indication what other action might be taken in his case.

## Red Casualties Mount in New All-Out Drive

First Impact Tears Hole  
in East-Central UN Front

TOKYO — (AP) — Chinese and Korean communists furiously attacked along the entire Korean front Thursday night and paid a tremendous price in blood for some initial gains.

It was another all-out Red offensive against the United Nations force along an 80-mile-wide front. It mounted steadily in scope, with 400,000 Reds stacked up deep for the big push.

One American officer estimated Red dead exceeded 10,000 for Thursday alone.

—Lt. Gen. Earl F. Partridge, commanding the U.S. Fifth air force, said his pilots killed or wounded 5,750 Reds Thursday.

First impact of the assault tore a big hole in the South Korean Republic tanks on the east-central front. Americans rushed up to plug the gap as elements of 56,000 leading Chinese poured through. The Korean Republics were threatened on the east and west.

The Chinese also threw heavy attacks late Thursday night against American positions on the central front southeast of Chunchon and on the perimeter above Seoul in the west.

In both cases they were beaten off after hours of blasting by American artillery and night-flying bombers.

After counting 100 Chinese bodies north of Seoul on the front, defense officers told AP Correspondent John Randolph they believed their positions there were impregnable.

It was in the center around Chunchon and the east-central front that the Red onslaught was most immediately critical.

The hole, poked in the South Korean lines, was southwest of a line near the 38th parallel, AP Correspondent Nate Polowetzky reported. He said Republican troops were withdrawing north-east and southwest of that hub town.

Even stronger Red attacks were under way Thursday night around Chunchon, pivot point of the central front. Allied troops were reported generally holding after stopping some limited Red penetrations.

Masses of Chinese were streaming southward on the west central front. Allied units made slight withdrawals and steeled themselves for new Red attacks.

At least 30,000 Chinese and North Koreans had driven south of the Pukhan and Choyang rivers on the central and west fronts. Another 25,000 were moving toward the junction of the Pukhan and Han rivers, 16 miles east of Seoul.

The Eighth army's estimate of Red casualties Wednesday, when the offensive was first taking form, was 3,582.

In Washington the defense department announced that total American casualties in Korea reported to families through May 11 were 65,523. The figure included 9,848 killed, 11,006 missing and 44,669 wounded. It was an increase of 1,468 from the previous week's report.

## State Board Gets Grants of \$27,635

Fifteen gifts and grants totaling \$27,635.48 were received for MSC by the State Board of Agriculture yesterday.

Gerber Products company, Fremont, gave \$9,350 to be used by the engineering experiment station for a study of sewage problems at the company's plant.

For a study of nutritive values of crops and cows' milk as affected by soil fertility, the dairy department received \$8,050 from the National Dairy Council on behalf of the American Dairy association.

The Caulking foundation, Detroit, donated \$5,000 to be used by the dean of the School of Agriculture and the director of short courses for scholarships to men going into farming as a vocation.

The board also approved nine resignations, seven leaves of absence and six appointments.

Steven D. Potter was appointed news and special events editor of radio station WKAR. Potter, a June graduate, will replace Donald MacDonald, who was called to active duty with the armed forces.

Resignations accepted were Willard W. Altrich, professor of horticulture; Joseph Norton, assistant professor in the counseling center; Erwin G. Doughty, assistant professor of soil science; and instructors Mrs. Norrine G. Penet, textiles, clothing and related arts; Don B. Feather, effective living; Milton H. Erdmann, short courses; and Emerson Grindall, mathematics.

## Police Check Clue to Kellogg Vandals

College and East Lansing police yesterday were checking on fingerprints from a cigarette lighter found on campus in the hope of finding vandals who damaged the Kellogg center and a used car lot Wednesday. The lighter was missing from one of the cars damaged at the Seillon-used-car lot.

The vandals created nearly \$1000 damage in the lot and at the Kellogg center, by welding a pick or sledge hammer on vehicles.

Police said three students arrested for a minor wave of vandalism on campus Wednesday were not connected with the case.

## Truman Explains MacArthur Firing

WASHINGTON — (AP) — President Truman said yesterday he had considered removing General MacArthur several times in the past year. He said he made up his mind March 24 when the former commander sent what Mr. Truman described as an ultimatum to the Red Chinese leaders.

## Government Announces Steel Cut

WASHINGTON — (AP) — The government yesterday announced a cut in supplies of steel for autos and other civilian "hard goods" to about 65 percent of pre-Korean war levels and warned of deeper cuts ahead.

## UN Votes Embargo on China

NEW YORK — (AP) — The UN political committee, disregarding Soviet objections, recommended yesterday a world-wide strategic embargo against arms and war supplies for Red China.

## Suit Filed against Detroit, DSR Union

DETROIT — (AP) — A taxpayer's suit was filed in circuit court yesterday against the city of Detroit and the AFL bus and streetcar operator's union that struck 27 days ago.

## Western Union Strike Hits Detroit

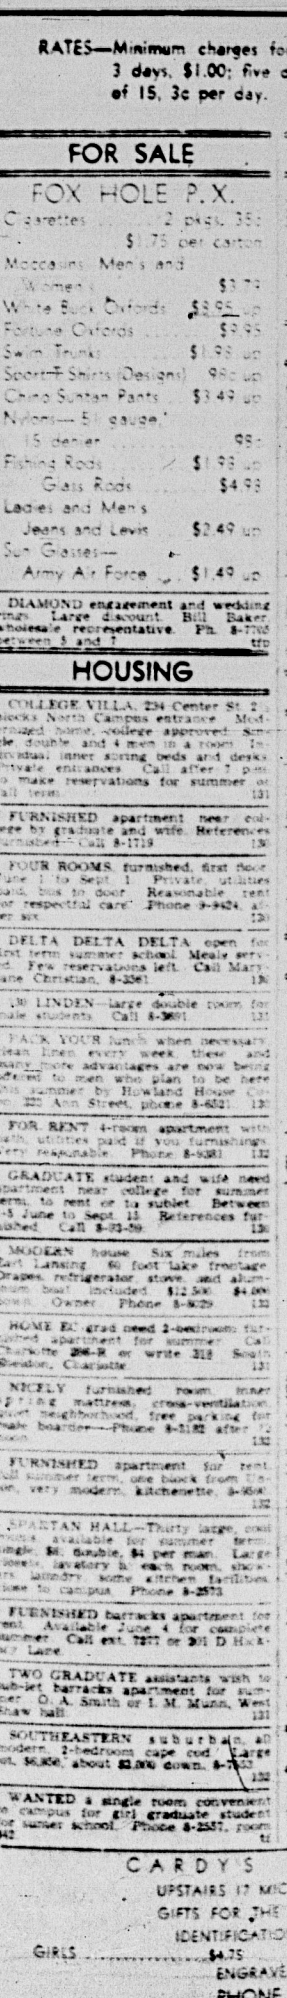

DETROIT — (AP) — A surprise walkout of some 800 employees paralyzed Western Union service in Detroit yesterday. (See story page 6)

# Spring Picnics Highlight Weekend Social Plans

Some on the weather-forecasters take to the Delta Theta derby day and "Ups and Downs" and on fraternity's front porch have been planning for the weekend.

Society of Civil Engineers will hold a picnic at Grand Ledge on May 20. Grand Ledge will be the scene of a picnic to be held on May 21.

Delta Theta has scheduled a picnic at Pinetum today (May 18) at 1 p.m.

Delta Theta has sponsored a picnic to be held in the Pinetum today (May 18) at 1 p.m.

Delta Theta has sponsored a picnic to be held in the Pinetum today (May 18) at 1 p.m.

## Social Circuit

Recently pinned in-Ann Mira, Dearborn sophomore; Robert Swanson, Sigma Chi; Eric, Phi, Amy, Delta Chi; John, Delta Chi; Joseph, Delta Chi; and Randolph, East Lansing.

Delta Chi has scheduled a picnic at Grand Ledge on May 20. Grand Ledge will be the scene of a picnic to be held on May 21.

Delta Theta has scheduled a picnic at Pinetum today (May 18) at 1 p.m.

Delta Theta has sponsored a picnic to be held in the Pinetum today (May 18) at 1 p.m.

Delta Theta has sponsored a picnic to be held in the Pinetum today (May 18) at 1 p.m.

## Home Ec Club Slates Senior Initiation

Home economics graduating seniors will be initiated into the National Home Economics association for home economists Wednesday.

Dr. Marie Dye, dean of home economics, will conduct the initiation. New initiates will wear caps and gowns for the ceremony.

Miss Jeanette Lee, assistant to the dean of home economics, said: "Membership in the organization, valid in Michigan at the time of the initiation, is transferable to any state in the United States in which the member resides. Each member receives a year's subscription to the Journal of Home Economics. Miss Lee added:

## Dance Tickets Still Available

Tickets for the Mardi Gras are still available at the Union ticket office. William Moody, ticket chairman, said:

The tickets for the annual costume ball tonight are on sale for \$1.75. Clare Fischer and his orchestra will play in the Union ballroom while Les Peters and his combo entertain in the parlors.

## Sigma Lambda Chi Group to Install Third Chapter

Five members of Sigma Lambda Chi, housing and lumber merchandising honorary, will leave this evening for the University of Wisconsin to establish their third chapter of the organization.

The honorary, which originated at MSC in 1948, joined the national group last month according to Jerry Carroll, Sigma Lambda Chi president.

## Teachers' Union to Meet Monday

The M.S.U. teachers' union will meet Monday at 8 p.m. in room 34.

Officers will be: President, Mary McLean; Secretary, Mary McLean; Treasurer, Mary McLean; and Executive Board, Mary McLean.

## Alpha Gamma Delta Initiates

Alpha Gamma Delta has initiated a new chapter at Grand Ledge on May 18.

The new chapter is composed of: Elizabeth Hanna, Dearborn; Bill McPherson, Dearborn; Patricia Ireland, Dearborn; and Linda Fritz, Dearborn.

# Six Trackmen to End Home Competition Saturday

By ALEX LAGGIS

Six Spartan trackmen will compete for the last time under the Green and White banner on MSC soil Saturday when the thin-clad clash with Illinois in a Big Ten dual meet.

The seniors will have to make their home exit under trying circumstances when they take the field at 1:30 Saturday afternoon.

The Illini, who won the indoor Big Ten title in a breeze, are heavily favored to take the outdoor crown for a clean sweep of conference honors.

They have a strong entry in every event with the locals being definite underdogs by 15 to 20 points.

Heading the list of seniors are the Spartans' leading scoring trio of Jesse Thomas, Capt. Warren Druetzler and Don Makielski.

These three men leave a brilliant career behind them and will rank as all-time Spartan greats in track. They were largely responsible for State's good showing in MSC's first year of Big Ten competition.

Druetzler and Makielski had the distinction of being on the only grand slam cross country team in history. They were mem-

JESSE THOMAS

bers of track's heyday for State when the track team was rated number one in the nation.

Between them this pair had their name entered in the Spartan record book 13 times and broke a host of meet and field records

including one world's record.

Thomas, besides distinguishing himself on the football field to become one of State's great defensive backs, also became one of the Spartans' most versatile track performers.

Besides being a sure point-getter in the low and high hurdles, he was one of the top broad jumpers in the conference. Thomas was also a top sprinter and ran the dashes during the indoor season.

Other faces that will be sorely missed come next season include Thomas' shadow in the hurdles, Joe Corbelli. Giving this department plenty of depth, he was a steady point-snatcher behind Thomas.

Although he will not compete Saturday because of a sprained ankle, Hugh Dawson in the high jump will also be missing from the Spartan ranks next season.

He won a letter last year and was the mainstay of the high jump crew the past two years.

Last but not least, dashman Ed Berman will also run for the last

time Saturday before a local gathering.

Berman has been one of the un-

DON MAKIELSKI

sung dashmen on the team and has given the Spartans plenty of strength in this department.

## ATO, West Shaw Cop Mural Track Titles

Alpha Tau Omega fraternity and West Shaw dormitory shared honors Wednesday as they strode to victory in the IFC and Dormitory track meets.

The ATO three-man track team of Ken Wolfe, Bob Collins, and Don McInnis piled up 50 points, 11 more than Sigma Nu, who finished second.

Wolfe had two firsts, winning the 50 and 220-yd dashes. Collins won the 440. McInnis followed him to the wire in the race.

ATO's Bob Graves also added valuable points to his fraternity's total with a second in the shot put. ATO also won the 880-yd. relay event.

The victory for ATO broke a five-year winning streak that had been compiled by Sigma Nu.

West Shaw made such a run-away of the dormitory races that their final score was not even computed. They won every race except the two field events.

Cecil Watts was West Shaw's only double winner as he raced to the front in the 50-yd. high and low hurdles.

Other winners for West Shaw were Don Hosie in the 50-yd. dash; Dave Hosie, 200-yd. dash; Dane Fultz, 880; Dick Herberholz, mile run; Harvey Meyers, 440.

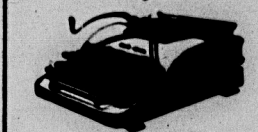

West Shaw was so powerful that they placed two teams in the 880-yd relay and finished one-two.

## Spartans Face Indiana in Crucial Big Ten Game

### Series Slated at Bloomington

By STAN KURZMAN

Michigan State's baseball team opens a crucial two-game series this afternoon at Bloomington, Ind. against Indiana university.

With the Ohio State Buckeyes continuing to win in Western

The Indiana-MSU game will be broadcast by radio station WKAR starting at 3:30.

conference play, the Spartans cannot afford to lose today if they hope to catch them.

Indiana is tied for fourth with Wisconsin, in the Big Ten race with four wins, three losses and one tie.

Coach John Kobs has nominated Bob Carlson to start today's contest.

Either Rog Howard or Tom Lawson may be his choice to start the second game Saturday.

Indiana will have three hurlers ready to go.

Don Colittis has been the workhorse of the Hoosier staff, appearing in five of their eight Big Ten games and may start one of the games.

Also ready to go is left-hander Bob Bower and slow-ball control pitcher Bert Weber.

Weber pitches similar to Michigan's Bob Larsen, who stifled the Spartan sluggers last week.

Leading the Indiana team at the plate is third baseman John Kyle with a .321 average.

After last week's exhibition of weak hitting against the Wolverines, the Spartans dropped from the team batting leadership in the Big Ten.

They are now second with a .303 average in three games.

Indiana is fourth in batting with .257 and last in fielding percentages.

Byron Bancroft Johnson was the only president the American League had from the time of its organization in 1901 to 1927 when he retired.

DARRELL LINDLEY

## Lindley Makes State Fans Forget Kinney

With the graduation of Capt. Jack Kinney, baseball Coach John Kobs was faced with the tremendous task of finding a replacement for the slugging rightfielder.

Kinney's slugging was a big factor in last year's record of 19 wins in 28 games and filling his slot was not an enviable job.

Judged from his work on the freshman team and his high school record, Darrell Lindley was given the nod for this year's rightfield berth.

Lindley has played in all of State's games this year and at present is rated a good bet to surpass the impressive record that Kinney hung up.

In the 17 games he has played, Lindley has pounded the ball for an amazing .406 average to pace the Spartans.

He has amassed 28 hits, including five doubles, one triple and two home runs. He also is second on the team in RBI's with 18.

Lindley, a 19-year-old, 6'1",

190-pound sophomore from Cho, was twice named to the Hearst U.S. All-Star team while playing high school ball.

### Hidden Ball Wins Game in 'Murals

In IM softball games Wednesday, Snyder 17 successfully used the hidden ball trick to beat Snyder 16, 2 to 1 in a close protested game.

Vandervoort and DZV played to a 1-1 tie. The game was rescheduled last night.

Don Snyder, pitching for Snyder 16, held Snyder 17 scoreless as Snyder won, 4 to 0. East Shaw 1 doubled the run production of East Shaw 2, winning 10 to 5.

Phillips 2 blasted Phillips 1, 13 to 0. Pitcher Dave Siegrist allowed the losers only one hit. About 18 weathered a two-run rally in the last inning to defeat Abbot 12 to 7.

Snyder 14 edged Snyder 15, 2 to 1. In another close contest, Mason 3 squeezed past Mason 3, 3 to 2.

### Managers

Freshmen and sophomores interested in winning awards as hockey managers are urged to attend a meeting in room 34 at the Union building Thursday, May 24 at 7 p.m.

# Inbeaten Netmen Seek Ninth Straight

—State News Photo by Vernon Mitchell—  
baseball season is now "officially open." It received its approval during Wednesday's Spartan-Normal game. The talented corner of 85-year-old Albert Gillett, an 1897 grad who is State's oldest patriarch, Gillett comes from Ore. each year to play for Spartan fans.

## Netmen Near Close Spring Practice

By JIM LEAVENGOOD  
Freshman studded Spartan basketball team closes an early four weeks spring practice session Saturday. The 26-man squad are first year men, several of whom have distinguished themselves as fine prospects for next year's varsity. Although the old nemesis, the frosh have shown good and good shooting in their games.

Two top freshmen are Jim Schlatter and Deane Hartman from Ft. Wayne, Ind. Schlatter, a speedy guard with a great two-handed pass, shot Hartman, a 6'2" forward, who has averaged 20-point average in high school. He was voted the top player in the Kentucky-Indiana game as he led the Hoosiers to victory by scoring 26 points while playing only one game.

6'1" forward has lived his reputation in great style for Stackhouse is lead in the Spartan scoring in games.

Hinken, 6'4" forward, is a frosh who came to State with a long line of press clippings. An all-star in Saginaw Arthur Hill, has impressed Coach Newell with his backboard and has hit close in shoot-

ing. The key men in the team for the next three weeks are MacMaster, Schlatter, Hartman, Hill, Hinken, and the guards, which the 6'6" forward, the ball and the guards, MacMaster, is a help in speed attack in the

## Meet Buckeyes Today - after Beating Michigan

By NICK VISTA

The Spartan net squad, fresh from a great victory over arch rival Michigan yesterday, tackles the Ohio State Buckeyes here this afternoon at 2 in a match that will conclude their conference dual meet schedule.

Against the Bucks, State will seek its ninth straight dual meet win of the regular season. The meeting will also serve as their last tuneup for the Big Ten championships to be held next week at Evanston, Ill.

The win over Michigan by an 8-1 score was a splendid team victory. Four of the nine matches went the full three set limit. The only Spartan loss came in the number two singles when Wally Kau lost a tough decision to Wolverine Steve Bromberg.

In singles play, Spartan Capt. Len Briggs faced an old rival in Michigan ace Al Hetzick, with Briggs taking a 6-1, 6-4 win.

Michigan's Bromberg edged Kau 8-6, 10-8, 8-6 in a match that Kau almost had under his belt. Kau was at set point leading 5-4 in the third set but couldn't quite pull it out.

Dave Mills finished strong to beat Jack Smart, 2-6, 11-9, 6-2, while John Sabatiani whipped Mike Schwartz, 6-0, 6-3.

Keith Kimble had to go all out to win over Gene Barrack of the Wolverines, 4-6, 12-10, 6-4. Dick Rieger brought State its fifth singles point when he topped Bob Curhan in three sets, 6-4, 5-7, 6-3.

The number one doubles match was a hard fought affair all the way. After dropping the first set, Brose and Sabatiani rallied to take the next two and the match, 6-4, 6-3, 6-3.

Mills and Kau made short work of Smart and Schwartz, 6-2, 6-3, 6-2. Rieger and Kimble completed State's convincing win with a 6-2, 6-3 triumph over Barrack and Curhan.

## Nats End Loss Streak; Beat Bengals, 11-6

WASHINGTON —(P)—Conrado Marrero, making an unexpected start, pulled the Washington Senators out of their four-game losing streak yesterday by defeating the Detroit Tigers 11-6. For Marrero it was his fifth straight win.

The stubby Cuban right hander was called in when Bob Kuzava reported an aching back before game time. He was pounded for 16 hits but wasn't in trouble after the Senators scored five runs off Freddie Hutchinson in the third inning to grab a 6-1 lead.

Dick Kuyshski, Pat Mullin, Joe Ginsberg and Johnny Lipon each got three hits for the Tigers. Washington mauled Hutchinson for five straight hits in the third inning and was aided by two Detroit errors in that session.

## Chandnois Signs Steeler Contract

PITTSBURGH —(P)—The Pittsburgh Steelers of the National professional football league yesterday signed Lynn Chandnois, former Michigan State halfback, to a 1951 contract.

Chandnois spent the greater part of the 1950 season on the bench nursing a leg injury. He injured the leg in the Chicago 13-0 triumph over Barrack and Curhan.

## Late Sports Wire...

PHILADELPHIA —(P)—Gus Zernial, who had hit two home runs in each of his last three games, drove the ball into the left field stands last night the first time he faced Don Johnson of the Browns to tie the league record set by Tony Lazzeri of the New York Yankees in 1936. The Major league record of eight homers in four consecutive games was established by Pittsburgh's Ralph Kiner in 1947.

ANN ARBOR —(P)—Athletic Director Herbert O. (Fritz) Cralter of the University of Michigan said yesterday he will join three college coaches going to Germany to conduct sports clinics for occupation troops.

ST LOUIS —(P)—The St. Louis Browns traded catcher Les Moss yesterday to the Boston Red Sox for catcher Matt Batts, rookie pitcher Jim Suchecki and an undisclosed sum of cash.

## Band Group Asks College for Uniforms

Recommendation to Go to President

By DEAN MORTON

New band uniforms seemed a more likely possibility yesterday as a student-faculty band committee recommended to President Hannah that any change in uniforms be financed by the college.

Dean Lloyd C. Emmons, chairman of the committee, said that the recommendation recognized the desirability of new uniforms in response to student and faculty demand.

"The possibility that an outside source such as a business interest might pay for and direct purchase of band uniforms was endorsed by the committee's decision. We felt that the purchase of college equipment should be a college responsibility," Dean Emmons said.

According to Dean Emmons the problem of securing funds for any new uniform would now lie with President Hannah and the Board of Agriculture.

If the cost of new uniforms were to be paid for by solicitations, it would be done by the college solicitor, Dean Emmons said.

Burt Spurrer, chairman of the Student council band committee, said it was difficult to determine how much new uniforms might cost. Due to the unstable material and labor situation, uniform companies decline to make quotations, Spurrer said.

The recommendation of the faculty band committee followed consultations with the old Student council band committee. The committee was appointed last October to crystallize student and alumni opinion in regard to new uniforms.

The council band committee found that the student body and alumni groups were solidly in favor of new uniforms. Spurrer said that a great deal of alumni support for new uniforms was gained recently when the Ingham county alumni organization voted in favor of a change.

Spurrer also said that many alumni groups throughout the nation have given the Ingham county organization the power of deciding the question for them.

## Navy, Air Line Jobs Open to Graduates

United Air Lines and the U.S. Navy have job openings for graduating seniors. Students interested in the positions should contact the placement bureau.

A limited number of applications from June graduates for the position of Maintenance Stewardess are being accepted by United Air Lines. Five weeks training at company expense will be given to successful candidates. Further details as to qualifications, and medical forms may be obtained at the placement bureau.

The Medical Service Corps of the U.S. Navy is offering commissions to graduating seniors. Men interested should contact the placement bureau. Commissions will be given in the following fields: bacteriology, entomology, parasitology, pathology, physiology, psychology, radiology, radiochemistry, and public health.

## Activities Carnival Deadline Extended

The deadline for filing entry petitions for the Activities carnival, scheduled for October 11, has been extended to May 26. Black Bird, carnival registration, chairman announced.

Organizations are asked to turn their petitions in at the assistant registrar for men's office in the Administration building.

Organizations filing early will receive the "Phone Booth" assignments next fall.

Any organization that has not been contacted by letter is requested to call Dick Bird at 4-3537 for a petition blank.

## Radio Education Award Given Alum

Prof. Arthur V. Briskin, former MSC graduate instructor and presently the director of radio and television at the University of North Carolina, recently won his second Ohio State university's institute for education by radio award.

His program, "The University Hour," took first prize in its class. Professor Briskin received his B.A. in 1941 and his M.A. in 1942 in speech, dramatics, and radio education.

Cincinnati won only four of its first 29 contests the first National League season in 1876.

## Meat for Fete

State News Photo by Gordon Fraser. Dan Peabody, White River Junction, Vt. junior, displays the ox to be roasted next Wednesday to Ed Greene, Augusta sophomore and John Saylor, chairman of the ox roast committee. Tickets for the roast, which is sponsored by the ag council, may be purchased at the Union ticket office, dean's office in Agricultural hall and from any ag council member.

## ENDS SUDDEN WALKOUT

### Union Orders Telegraph Workers Back to Jobs

By The Associated Press

Union leaders ordered an estimated 5,000 Western Union employees back to work last night after a sudden walkout paralyzed telegraph service in nearly a dozen cities.

Adolph Brungs, national president of the AFL-Commercial Telegraphers union, Western Union division, said back-to-work orders went out after management agreed to discontinue a week-old program of training "excluded" or supervisory employees.

Brungs said the walkout began "spontaneously" without union orders Wednesday in Philadelphia and Cincinnati. It spread Thursday to Oakland, Calif., San Francisco, Boston and Buffalo, N.Y., and threatened to affect workers in Chicago and a number of other cities.

Brungs estimated that as many as 5,000 Western Union employees of all categories joined the walkout. He said it was assumed they all would return to work immediately.

Western Union officials termed the walkout illegal and denied that the company had violated its contract with the AFL union in instituting a new training program as charged by the workers. Labor union officials said their contract forbade excluding supervisory employees from performing duties covered by the contract.

Western Union, in a statement issued at New York, said the public interest will be protected by supervisors training program to assist any further interference with important defense traffic and the messages of the public.

## CSF Plans Concert by A Capella Choir

The Christian Student Foundation will sponsor the M.S.C. A Capella choir concert Sunday evening at 8 at Peoples church as part of the annual contemporary art festival.

Under the direction of Richard E. Knaul, the choir group will sing selections from V. Williams, Percy, Theodore, Poulenc, Harris, Martin, Fletcher, Rotten and Grechaninov.

The concert is open to all and will be followed by a coffee hour in College house.

## Positions Open

The U.S. civil service commission has announced an examination to fill physical science and engineering aid positions in Washington, D.C., and vicinity at salaries ranging from \$2,850 to \$3,825 a year.

Further information and application forms may be secured at most post offices, from civil service regional offices, or direct from the U.S. civil service commission, Washington 25, D.C.

## Marketing Convo to Meet Saturday

The annual Tri-State marketing conference will convene at Michigan State this Saturday. The conference will be sponsored by the director of business of the school of business and public service.

Purpose of the conference is to offer teachers of marketing subjects in Ohio, Indiana, and Michigan an opportunity to meet and discuss mutual problems.

An outstanding football player turned track star is James (Tant) Lawrence, Duke's top man in the shot put. He won first place in dual meets against Miami and Florida State and placed third in the Florida relays.

## 'Skin of Teeth' to Play Again

Thornton Wilder's Pulitzer prize winning play opened last night in Fairchild theater. "The Skin of Our Teeth" will be presented again tonight and Saturday night.

The play is about the destructibility of the human species. Mr. Antrobus, his family, and their maid Sabina go through one catastrophe after the next, beginning with the walls of the Antrobus' house flying apart.

An example of unconventional playwrighting, the story has 22 actors playing 42 different roles. New York critics called "The Skin of Our Teeth" one of the wisest and funniest comedies written in a long time.

## Banquet

(Continued from Page 1.)

Dean Wakefield, editorial director; Paul Batts and Arnold Spellan, co-feature editors; Connie Courtean, women's editor; Alex Lazzis, sports editor; Ed Savle, photo editor.

Associate editors: Dan McCarty, Bill McGraw, James Smallegan, V. Terres and Sara Murray, and assistant night editors, Phil Gony, Bill Smith, Margaret Fuller, Stan Kurzman, John Seashorn, Frank Butkiewicz and Dean Morton.

James Heinrich will act as circulation manager. Advertising staff appointments, made by next year's advertising director Frank Kuna, were Pat Skibensky, local ad manager; Jean Graves, classified ad manager; and Sue Ude, national ad manager.

Wolverine appointments for the 1951-52 year were announced by Duane Polzin, incoming editor. They are:

Peggy Deiss, assistant editor; Connie Courtean, copy editor; Martha Miller, assistant copy editor; Chuck Oldt, engraving editor; Betsy Arnold, assistant engraving editor; Bob Farrah, photo editor; Ron Schultz, sports editor; Dick Levey, military editor.

Others were: Dean Anderson, index editor; Bob Phillips, feature editor; Don Miller, organization editor; Nancy Leonard and Phil Graves, assistant organization editors; Elaine Hiltunen, business editor; and Judy Eise, assistant seniors editor.

Wolverine business staff appointments were Ken Strickland, sales manager; Jim West, promotion manager; Jim Strable, advertising manager; and Winnie Craig, office manager.

Incoming editor Ken Durbin announced the following appointments to the Spartan magazine staff:

Don Marshall, Bob Slade and George Gracraft, associate editors; Glenn Washburn and Charles Dinges, art editors; Bob Graves, photo editor; John Greenberg, circulation manager; Spence Kichham, promotion manager; and Bill Treuter, advertising director.

Arnold Nelson, incoming editor of the Spartan Engineer, announced next year's appointments for the magazine. They were:

Elton Moore, business manager; Robert Kitchin, assistant editor; Bruce Miller, feature editor; Phil Sanford, news editor; Paul Klans, photo editor; William Tarnes, circulation manager; Carl Nonick, and photographer; Robert Gay, advertising manager; and Hal Sandstrom, cartoons and humor editor.

## Administrators to Talk in Alpena

William L. Thyness, MSC, chief director, and John McGuff, assistant director of alumni relations, will travel to Alpena to be guest speakers at the Alpena alumni club banquet Saturday evening.

Davison will speak on the MSC fund scholarships and McGuff will comment on alumni activities.

Elimination of officers will be held and Postmaster East Lansing will be spoken.

## SENATORS VOTE TO KEEP CONFIDENTIAL Bradley Talks Remain Secret

WASHINGTON (AP)—Senate investigators decided 18 to 8 yesterday that they cannot compel Gen. Omar N. Bradley to reveal what was said between President Truman and his advisers at a meeting which led to the ouster of Gen. Douglas MacArthur.

By this action, the senate armed services and foreign relations committees upheld their presiding officer, Senator Russell (D-Ga.), who ruled that Bradley was withholding his rights in refusing to disclose the conversation. Bradley had declared that his value as a confidential adviser to the President would be ruined if he talked.

The vote kicked up a new controversy in the Truman-MacArthur dispute with some charges—and denials—that the

inquiry into MacArthur's dismissal has taken on "political overtones."

In the midst of these arguments, President Truman himself spoke out at a news conference and gave a glimpse into what went on at the White House meeting on April 6—five days before MacArthur was fired.

He said he had been thinking of firing MacArthur off and on for the past year—but hadn't made a decision until the General offered on March 24 to talk peace with their commander in Korea.

The President referred to this offer as an ultimatum. Administration men have taken the view it threw a monkey wrench into a settlement attempt Mr.

Truman himself was planning at the time.

In the now-famous meeting, Mr. Truman said secretary of state Acheson urged caution on the grounds the ouster would kick up a political fuss.

Monday night, he was "Some Economic Problems Mollusks." Wednesday will cover "Distribution Indian Land Mollusks."

William J. Cline, mollusks. Harvard will give the illustrated on mollusks May 21 and 22 in room 28, Natural building.
