

## Funeral Set Today for W. K. Kellogg, ISC Benefactor

### Philanthropist Dies in Hospital After Long Circulatory Illness

Funeral services will be held at 2 p.m. today for W. K. Kellogg, world renowned philanthropist who took the corn and built it into a multi-million dollar cereal industry at Battle Creek.

## Mossadegh Arrives for N Hearing

### Iran Premier Blasts British Pillagers

UNITED NATIONS, N.Y.—Exhausted after a long ride, Iran's frail Premier Mohammed Mossadegh arrived yesterday with fresh energy that the British want to "pillage" Iran's oil resources.

He immediately went into session on the 18th floor of the New York Hospital in preparation for the present-day efforts of the British-Iranian oil conference. He flew from Tehran to New York to present his country's case to the Security Council, which is to meet Thursday.

Mossadegh issued a statement from the New York Hospital in which he recalled to Americans the efforts of the British in the oil industry. He said that the British had been "pillaging" Iran's oil resources for years. He said that the British had been "pillaging" Iran's oil resources for years.

The only reason for the lack of development of the oil resources of Iran in the last 50 years are due to the fact that a cruel and imperialistic company, under the name of extraction and export of oil, has been trying to get large annual profits of hundreds of millions of dollars. The natural resources of a needy and naked people have been robbed more and more year after year on a progressive scale through all sorts of intrigue and the use of puppet governments.

## Board Named for Carnival Committees

Committee heads have been named and program plans drawn for the third annual Career Carnival scheduled for Feb. 13, 14 and 15.

Appointed to committee positions were: Mary Hartsell, Developmental Secretary; George Bradford, Belmont, Mass., Programs; Harley Burr, Jr., junior, publicity; Scott, East Lansing senior, and Sue Henderson, senior sophomore, reservations. The carnival opening night, Feb. 13, will be set up on the second floor of the Union with various company representatives. On Feb. 14, a banquet at the Union Center will honor company representatives. A speech by the speaker will be announced. The carnival will close at 11 p.m. Feb. 15.

## WKAR Series Government Given by MSC

Your Government," a new 30-minute program, WKAR is helping citizens of Michigan become better informed about government and operation of Michigan's government. The program, numbering 32, is sponsored by the MSC Department of Political Science, the Michigan Education Committee on Michigan Council on Adult Education and radio stations WKAR-FM and WKAR-TV. They aired every Sunday at 2 p.m. The series will be a series of the sixth annual Michigan State and Local Government in Michigan, a workshop last summer on the campus. The stations in 18 other Michigan cities will carry the program at various times during the evening.

## Egypt Voids Agreements With Britain

### Move Calculated to Drive out Troops

CAIRO, Egypt — (AP) — Egypt announced last night she is cancelling her treaties with Britain in an effort to drive the British out of the Suez Canal area and the Sudan.

Prime Minister Mustafa Pasha, leader of the Wafdist (Nationalist) Party, introduced in a cheering Parliament the bills to carry out the cancellations less than a week after British oilmen were forced to leave Iran, another country in the unstable Middle East.

"Long live King Farouk!" shouted the deputies.

"From now on King Farouk will be called 'King of Egypt and Sudan,'" Nahas Pasha declared.

Egypt "isn't going to wait any longer" for the British to withdraw from the Suez Canal zone, he shouted.

The Foreign Office in London said Britain would refuse to recognize the one-sided cancellation of treaties providing for mutual defense and for joint rule of the Sudan.

The Foreign Office showed signs of shock that Egypt had acted before receiving new proposals which Britain promised over the weekend would be forthcoming. These proposals were believed based on decisions reached at the recent Ottawa Conference of the North Atlantic Treaty Organization to create a new Middle East defense command.

This plan envisaged a comprehensive by which a garrison from several nations might hold the Suez, the extremely important link between the Mediterranean and the Orient.

Nahas Pasha indicated Egypt is not without means to force the British out.

He said henceforth British troops would be "deprived of all privileges stemming from the 1936 treaty" pledging mutual defense for 20 years, or until 1956.

## Board Bill Set for Discussion by Congress

Among the issues to be discussed in the Student Congress meeting is a bill introduced by Congressman Lynn Munroe, Lansing senior, to designate the major governing bodies whose presidents would be members of the Student Government Executive Board.

The bill is one step in the overall revamping that the Student Government has undergone since major changes last year. Governing bodies whose president would be members of the Executive Board include: Pan-Hellenic Council, Inter-Fraternal Council, Women's Cooperative League, Inter-Cooperative Council, Inter-Dormitory Council, AWS Judiciary and Activities Board, Men's Council, Agricultural Council, and the Engineering Council.

## Sweet to Attend Metals Conclave

Robert L. Sweet, associate professor of metallurgical engineering at MSC, will serve as an American host to foreign delegates at the International Metals Conference Oct. 13 to 19 in Detroit.

## STARS PRAISE SPARTAN TEAM

### Hollywoodites Pay Visit to Lansing

By DALE ARNOLD  
Lansing became a little Hollywood yesterday when several movie celebrities initiated the "Movie Time in Michigan" campaign at a Lansing country club luncheon.

The movie group included actors George Murphy, Steve Cochran, Kenny Baker, starlets Yvette Dugay and Cindy Gardner, and Steven Longstreet, director and writer.

When interviewed, both Murphy and Cochran commented on the Spartan football team. Cochran, in "Jim Thorpe, All-American," said that he heard "Michigan State has quite a football squad."

Murphy, a native of Michigan, said that he had lived in

## Blood Typing at Shaw

William Boudry, Detroit Junior, has his blood typed by Shirley Johnson, Detroit Junior, at Shaw Hall as Mrs. Rose Anderson (center), private

## 21 Gun Salute Canada Gets First Glimpse of Princess

MONTREAL — (AP) — Smiling Princess Elizabeth landed here yesterday with her husband, the Duke of Edinburgh, and boarded her special train for a month-long tour among the people of Canada who one day may come under her rule.

The train moved leisurely through the Quebec countryside for a stop at an unnamed siding last night. It will push on to Quebec city today for the formal beginning of the tour.

The thousands who gathered at the airport and along the route to the 10-car royal train on a nearby siding got a sample of the charm which Canadians will see as the party proceeds across the country.

As Elizabeth stepped down the gangplank amid a jarring 21-gun salute—she looked very much like any other well-groomed young matron. She wore light makeup, a mink jacket, a blue-green wool dress, with low cut V-neck and tight-fitting skirt, a small velvet hat of matching color, and small earrings.

## Scholarships Still Available for 200 in Foreign Studies

Twenty-five students have obtained Fulbright Scholarship application blanks, according to A. T. Cordray, counselor of foreign studies.

The scholarships are for graduate study in Europe and the Middle East. They are effective beginning the academic year in autumn 1952. About 230 scholarships are available.

Applicants are urged to have all information including reports by professors, transcripts, recommendations, health reports, language proficiency certificates and personal data completed and turned in to Mr. Cordray by Oct. 15.

Applications for Fulbright Scholarships in the Pacific area will be available this spring because of a difference in academic time schedules.

## Blood Typing Team Starts College Drive

The first all-college blood typing drive started yesterday at West Shaw Hall.

This week the blood typing team will visit East Shaw, Snyder, Phillips, and Mason dormitories. The schedule for the rest of the dorms and other living units has not yet been announced.

Miss Shirley Johnson, registered nurse who heads the team, reported that 251 men had their tests taken on the first day. This was one over the minimum daily quota required by the Office of Civil Defense, which is in charge of the all-state drive.

The team is able to handle 350 to 400 persons a day. This number should be more than met in a heavily populated area such as MSC, according to Miss Johnson. The five members of the team are donating 45 hours a week to type MSC personnel. Miss Johnson, a junior, has had to drop her night classes to work on the team.

Only one casualty was reported for the first day. One man, whose name was not revealed, fainted. This happened before the test was taken. After the test was made he felt no ill effects. Nurses said the "weaker sex" are less likely to pass out than men.

The same hours will be in effect throughout the week, 11 a.m. to 2 p.m., and 3 to 8 p.m. The clerks urge faculty members and off-campus students to take advantage of the slack hours 1 p.m. to 2 p.m. and 3 to 5 p.m., to have their tests taken. This way they will miss the rush when the team moves to the Union in the last days of the drive.

## Munn, Gridders Extend Gratitude for Fans' Support

Coach "Biggie" Munn yesterday extended the gratitude of the team and coaching staff for the support they received at Columbus.

Forty pre-game telegrams were received from fraternities and sororities at MSC. Munn also thanked the 7,500 rosters who traveled to Columbus for the "tremendous" spirit they showed.

## Grid Train Trips Gain Fans' Favor

Train trips to out-of-state football games may become an annual affair, Walter Graff, president of the Downtown Coaches' Club, announced Monday.

The club sponsored the train which took 950 MSC fans Saturday morning to the Ohio State game at Columbus. The club sold MSC blankets and mugs in each of the 16 cars of the train, and served box lunches.

## Orders Taken

Orders for the '51-'52 Wolverine will be taken at the Union desk between 9 a.m. and 5 p.m. today and tomorrow, according to Ken Strickland, sales manager.

## Ridgway Okays Future Site for Peace Parlays

### General Favors Panmunjom Area; Denies Extension of Neutral Zone

TOKYO — (AP) — Matthew B. Ridgway agreed yesterday to the Panmunjom area as a site for fresh Korean cease-fire talks, but disagreed with a Red proposal to extend the old Kaesong neutral zone to include Munsan, site of the Allied truce camp.

Instead, in a brief message to the Chinese and Korean Red commanders, the United Nations Commander suggested a small neutral area around Panmunjom, "with Kaesong, Munsan and the roads to Panmunjom from Kaesong and Munsan free from attack."

Panmunjom is a tiny roadside village six miles east of Kaesong and 12 road miles northwest of Munsan.

Ridgway did not mention a further Red proposal that both sides be responsible for policing the neutral zone.

He said he would send his liaison officers to Panmunjom Wednesday at 10 a.m. (7 p.m. Tuesday, CST), to discuss the details with the Communists.

How the Red leaders would react was problematical. Aside from the neutrality and policing questions, they have insisted in the past that the full armistice negotiating teams meet to create "appropriate machinery" for resuming the conferences.

Ridgway, in turn, has insisted that liaison officers settle all the technicalities before the main negotiators meet again.

Meanwhile, the South Koreans got into the act. Pyun Yung Tai, South Korean Foreign Minister, issued a statement saying the Red suggestion to enlarge the neutral zone would extend "the Red sanctuary within South Korea."

The South Korean Government spokesman said such an extension "would be dangerous and we don't like it."

Nevertheless, the latest exchange of messages was the nearest the opposing sides have come to agreement since the Reds broke off the conference at Kaesong Aug. 23.

## Engineer Mag Requests Club Information

The presidents of all engineering clubs and societies are requested to submit an information sheet about the activities of the club, according to Vern Nelson, editor of the Spartan Engineer.

The information should be brought up to the Spartan Engineer office on the third floor of the Union. Information needed is: the purpose of the group, when and where it meets, requirements for membership and activities of the organization, Nelson said. The information should be turned in by Wednesday evening for this month's deadline.

## Yom Kippur Rites to Begin Tonight

Yom Kippur services will begin at 7 p.m. at Congregation Shaarey Zedek, North Pennsylvania at Linden Grove, Lansing. Rabbi Friedman will offer the sermon, "A Letter to My Father."

Traditional services will begin at 8 a.m. Wednesday, followed by liberal services at 11:15 a.m. Rabbi Friedman's sermon will be "You Can't Take It With You."

## UN Forces Flay Reds in Hill Attacks

### Last Peak at Stake on Heartbreak Ridge

U. S. EIGHTH ARMY HEADQUARTERS, KOREA — (AP) — The United Nations offensive in Western Korea rocked and swayed in a savage series of hill attacks yesterday.

In the east, American troops stormed almost to the top of the last northern peak of "Heartbreak Ridge." At last reports, assault forces of the famed 23rd Infantry Regiment of the U.S. Second Division, holders of a presidential unit citation, were within 600 feet of the crest.

They crawled up the crags, blasting their way inch-by-inch in what was literally a fortress assault.

Battling them were tough French infantrymen who joined in the continuing attack a week ago. Together the Americans and French had captured the somewhat higher central peak of Heartbreak on Saturday.

It appeared that in its fourth week, the battle for "Heartbreak Ridge" was being won. Wider scale attacks to the west and east were drawing off some of the concentrated Communist strength.

To the east, South Korean troops stormed and then lost to counter-attacking North Koreans a towering height north of the "Punchbowl," some 20 miles north of the 38th parallel.

West of "Heartbreak," the U.S. Ninth Infantry Regiment battled for the last peaks on "Kim Il Sung" ridge, where some gains were made two days ago. North Korean troops were reported sworn to "defend to the death" the ridge that the Allies have nick-named after the Red premier.

The bitter fighting around 3,000-foot high Heartbreak Ridge was reproduced in the west on a larger scale but at lower altitudes. See FORCES, Page 4

## NEWS IN BRIEF

### Wire Officials Give Innocent Pleas

GRAND RAPIDS — (AP) — The court entered pleas of innocent yesterday for four Western Union officials and three alleged bookies accused of conspiring to violate state gambling laws.

### Gambler Buried Like Chicago Lord

LODI, N.J. — (AP) — Tuxedo-clad gambler Willie Moretti, who once boasted he'd never be murdered because "this isn't Chicago," went on his funeral ride yesterday like a Windy City crime lord of the roaring 1920s.

### Nine Killed as Ship Hits Mine

WASHINGTON — (AP) — Nine sailors were killed and 18 injured when an American destroyer ran over a "probable enemy mine" Sunday off Korea, the Navy announced last night.

### Supreme Court to Hear Red Cases

WASHINGTON — (AP) — The Supreme Court yesterday declined to reconsider its decision against 11 U.S. Communist Party leaders but agreed to hear two other major cases affecting Communist rights.

## Kepford Carries Harriers' Hopes

By NICK VISTA

Living in the footsteps of a famous brother usually the road to success for an athlete a rough one. Not the case of Jim Kepford, Muskegon junior, who is the leader of the 1961 Spartan cross-country team.

His older brother, Ike, was a football star at North-land in the late thirties.

After a war hero in Naval Aviation, Ike, Jim Kepford, off the gridiron in college, has made his mark in the field, which, besides indoor, includes indoor and track.

Muskegon High School, Kepford was an all-around athlete, but his greatest moments came in track.

He won the state class A mile championship two years.

Arrived at MSC, Kepford has been working out cross-country team, although he never ran the long before. He practiced with the team as there was no fresh air.

fall, Kepford was ready to go, and showed Coach Schladerman his ability by placing consistently in dual meets.

He entered in the Big Ten, which was MSC's first cross-country team, although he never ran the long before. He practiced with the team as there was no fresh air.

## 'MURAL SIDELIGHTS

THE All-College doubles table tennis tournament, open to any male student, will swing into action on Oct. 15. Entries should sign up as soon as possible.

THE football pass accuracy contest will be held on the Demonstration Hall field, Oct. 15-19 from 4 to 5 o'clock. This is also an All-College intramural event.

WEDNESDAY and Thursday the All-College swim meet will be held at Jensen pool. Starting time is scheduled for 7 o'clock.

## 'No Horseplay'

## Veek Names Hornsby New Brownie Pilot

NEW YORK — (AP) — Rogers Hornsby yesterday signed a three-year contract as manager of the St. Louis Browns and immediately declared "there'll be some changes made."

And one of the many changes will be "no more clowning."

"I take my baseball seriously and if my club is getting beat, I don't want anybody laughing at some clown," said Hornsby.

Hornsby, one of baseball's greatest hitters a quarter of a century ago, was non-committal about the likelihood of trading Ned Garver, the Browns' 20-game winning pitcher. Garver is considered the only Brownie who would attract big offers from other clubs. All of the leading American League clubs would give plenty for him.

"Maybe we don't have much other trading material," said the Red Sox, but maybe the other clubs don't either. "We'll do the best we can and I guarantee we'll play interesting baseball."

This will be Hornsby's second term as boss of the St. Louis Browns, his last big league managerial job. He piloted the Browns from 1933 through part of 1937. He guided Seattle to the Pacific Coast League pennant during the past season.

## World Series Even as Yanks Score 6-2 Win

NEW YORK — (AP) — Joe DiMaggio snapped out of a prolonged batting slump yesterday and potted a 350-foot home run to help the New York Yankees trounce the New York Giants, 6-2, and square the World Series at two games each.

At the same time, Allie (double no-hit) Reynolds, beaten in the opening game, limited the National League to eight hits and snuffed out a last-inning rally by forcing Willie Mays to hit into a double play.

DiMaggio's blow, coming in the fifth inning with Yogi Berra on base, was one of his two hits for the day. He also hit a single after going hitless in the first 12 times at bat in this series.

The Giants' 23-game winning ace, Sal Maglie, failed to harness the revived bats of the World Champions and he went out for a pinchhitter in the fifth after the Yankees had piled up a 4-1 lead.

Manager Casey Stengel said he would come back today with Ed Lopat, the veteran southpaw who accounted for the Yankees' first victory last Friday at the stadium.

Leo Durocher will try to send the Giants back out in front with Larry Jansen on the mound. Jansen was the losing pitcher in Lopat's game.

The weatherman's forecast is for continued cool weather with a high of 60 to 65.

Most gem diamonds come from South Africa's mines, industrial diamonds from the Belgian Congo.

## State Team Prepares for Marquette Eleven

After exhausting all superlatives with their truly great win Saturday, the Spartan football squad got out the practice suits yesterday afternoon and began buckling down for this week's encounter with Marquette University.

Although the record of the Marquette team lists only one win to date, the coaching staff and players aren't taking the game lightly. Coach Munn believes in preparing for games one at a time, and this one is no exception.

Since taking a one-sided win from South Dakota in their opener, the Spartans have lost to strong Wisconsin, and last week battled Iowa State to a 6-6 tie in the rain.

Coach John Kobs had the scouting job on Marquette, and reported his findings to the staff yesterday.

A check of the condition of the squad reveals that Capt. Bob Carey, who received a bruised leg Saturday, should be ready later this week. Wayne Benson, who didn't make the trip to Columbus, looks about set to step back into his first-string fullback berth.

Linebacker Ed Timmerman seems to have recovered from an injury that has hampered him since the Michigan game. The squad ran through a light workout yesterday. Signal drills occupied the offense, while the defensive backfield worked on pass defense. The team also went through kickoff plays.

No change in any of the offensive or defensive assignments is planned as of now. Some of the Spartan newcomers who gave fine performances on Saturday, undoubtedly will get an opportunity to see action against Marquette Saturday.

One combination which showed well against OSU was the pony backfield which included backs Larry Bolden, Billy Wells, and Evan Stenae. Tom Yewic, who was on the throwing end of the clinching pass play Saturday, will probably be called upon to do more passing, besides handling the team's punting chores.

Basketball Meeting There will be a meeting of all freshman basketball candidates Thursday, according to assistant basketball coach John Benington. The meeting will be in Room 215, Jenison Fieldhouse, at 5:30 p.m.

### Selections of Musical Duo Planned

Best Hammerstein, Rodgers Tunes Set

The best from such favorites as "Oklahoma," "South Pacific," "The King and I" and "Carousel" will be presented at "Rodgers and Hammerstein Nights" in the Michigan State College auditorium Friday, Oct. 19.

Student tickets for the event will be distributed at 1 p.m. Wednesday, at the third floor check-room of the Union.

Beginning as an experiment in entertainment, "Rodgers and Hammerstein Nights" in the last three years has blossomed into a much sought-after program all over the nation.

Consisting of soloists, a chorus under the direction of Clare Colder and a concert orchestra, "Rodgers and Hammerstein Nights" is devoted entirely to the lyrics and music of Oscar Hammerstein II and Richard Rodgers. The singers are Leigh Allen, soprano; Earl Williams, tenor; Carol Jones, mezzo soprano; and Andrew Gainey, baritone.

The soloists will be accompanied by a chorus of 14 and a 30-piece concert orchestra. Highlights from most of the Rodgers and Hammerstein repertoire will make up the program.

Richard Rodgers and Oscar Hammerstein have been collaborators since 1942 and in that time have written together five Broadway hits and a musical film. Other of their successes are

### Society Calls on Cancer Conferences

A double-pronged attack on cancer problems will be launched Wednesday with the opening of the annual training school and workshop of the Michigan Cancer Society at MSC.

The workshop will be accompanied by the third annual Michigan Cancer Conference which begins Friday. Meetings during both sessions will be open to the public.

About 300 persons are expected for the three-day session, planned to study cancer problems and teach volunteer workers and others how to combat the disease.

Problems scheduled for discussion include recruiting and training volunteer workers; cancer education through films, pamphlets, and personal contact; visiting nurse programs, publicity and organizational problems.

The conference is sponsored jointly by the MSC, Continuing Education Service, the Michigan Medical Society and the Michigan Division of the American Cancer Society.

### Forces

(Continued From Page 1)

tudes. Last week's general action involving five Allied divisions on a 40-mile front had narrowed down yesterday to dogged actions by elements of the British First Commonwealth Division and the US First Cavalry with its attached Greek unit.

## Detroit Sets Greeting for Royal Pair

WINDSOR, Ont. — (AP) — Detroit will join this Canadian border city next Monday in welcoming Princess Elizabeth and the Duke of Edinburgh and incidentally put in a demonstration of international good will.

The royal couple will arrive here by train at 11:30 p.m. Sunday and remain aboard the train no a riverfront siding until morning.

From their windows, they will be able to see the downtown Detroit skyline and the colored lights playing on the Belle Isle fountain.

At 9:45 a.m. Monday the royal visitors will start a tightly scheduled day of appearances. Detroit civic and industrial leaders will be among the 222 persons the Princess and her consort will meet in five major receptions.

Henry Ford II, President of the Ford Motor Co.; L. L. Colbert, president of Chrysler Corp.; and C. E. Wilson, president of General Motors Corp. and their wives will be presented to the royal couple at the train.

A group of American and Canadian officials to be presented at a special ceremony include Gov. G. Mennen Williams, Detroit Mayor Albert E. Cobo and Selden B. Daume, chairman of the Detroit 250th birthday festival.

A view of Detroit from the top of the Canadian Steamship Lines Building will be sandwiched in among the receptions.

### Population Up in Some Areas

NEW YORK — (AP) — A spurt in population in large areas of the world has occurred in the post-war period, according to Metropolitan Life Insurance Co. statisticians.

In the U.S. the annual excess of births over deaths has averaged better than 15 per 1,000 population. This is above the level in the post-World War I period.

Canada and New Zealand have been keeping pace with the U.S. France, which had almost no population gain in a century, has shown an annual increase of 7 per 1,000 since 1946. Exceptions to the upward swing are England, Wales, Australia, Scotland, Germany, Italy and Austria.

The population of Asia is increasing fastest. In Ceylon the excess of births over deaths per 1,000 is now 28.

## Bombs Could Ruin Canadian Grain

REGINA, Sask. — (AP) — The greatest civil defense threat in Saskatchewan would be an incendiary-bomb raid on grain fields, says John Probe, civil defense director.

Wheat fields extending for miles across the prairies would be vulnerable to air attack by an enemy wishing to cut Canada's food supply.

Probe said in an interview that in early fall—when grain all over Saskatchewan ripens at the same time—a single bomber with 5,000 one-kilogram magnesium bombs similar to those used on London during World War II could drop a bomb a second at 150-yard intervals for 500 miles.

## Canadian Students Offered Foreign Service Exams

A competitive exam for Canadian students interested in jobs as foreign service officers, grades 1 and 2, will soon be offered, S. C. Lee, head of the Department of Foreign Studies, announced today.

The competition is held so that university graduates or undergraduates of Canadian nationality can apply for positions in the Department of External Affairs of the Canadian government.

Those interested may see Professor Lee, Room 222, Morrill Hall, for qualifications. Date of the examination will be announced later.

## TV Employs Mast Erected by Smith

NEW YORK — (AP) — The dirigible mooring mast that the late Alfred E. Smith had built on top of the Empire State Building is paying off in a way probably never envisioned by "Al."

The television broadcasting mast surmounting this world's tallest building is bringing in \$500,000 a year in rents, according to George A. Hammer of the Charles F. Noyes Co., agents.

Five local TV stations pay \$70,000 a year each to use the mast, plus \$30,000 a year for space for control equipment. In addition, the observation tower brings in \$800,000 a year in admissions.
