## Refineries Shut Down By Oil Strike

DENVER (AP)—An often-postponed strike of oil workers swept across the nation yesterday. It closed some refineries, curtailed pipeline operations and started motorists lining up for gasoline.

Union officials estimate 44 percent of the nation's daily refinery capacity—2,850,000 of the 6,500,000 barrels—is affected by the strike. The cut could go deeper as the movement of crude oil is reduced by pipeline strikes.

Interior Secretary Oscar Chapman reported that aviation gasoline supplies may be the first to feel the pinch.

Many motorists were taking no chances of running out of gas, lining up to fill their tanks. Some local shortages could develop in a day or two but most retailers reported two to three weeks' supply. Shortages could be intensified where tank truck drivers find picket lines at bulk distribution points. The nation's over-all stocks, however, are at a record high.

Railroads reported diesel fuel supplies on hand to last 30 to 60 days. Industries and utilities depending on oil had anticipated the strike and have larger-than-normal reserves.

# Circuit Court Gives Steel Mills Back to Government

## Final Decision Awaits Supreme Court Appeal

WASHINGTON (AP)—The U.S. Circuit Court of Appeals put the strike-bound steel mills back in possession of the government last night, but only temporarily, pending an appeal of the whole historic fight to the Supreme Court.

Meanwhile, the nationwide strike continued. The administration hoped that the CIO steelworkers, who once again were technically employees of the government, would call off the walkout, but Union President Philip Murray was silent on his plans.

The Circuit Court, in a 5 to 4 decision, stayed until Friday afternoon the effectiveness of an anti-freeze order issued by Federal District Judge David A. Pine.

Judge Pine, ruling that President Truman acted illegally and unconstitutionally in seizing the vast industry, would call off a strike, issued an injunction declaring the mills must be returned to their owners.

The appeals court made its stay indefinite, a period that could run into weeks. It will remain in effect until an appeal to the Supreme Court is acted upon and should the Supreme Court refuse to review the case, the stay would continue, allowing continued seizure, until the appeals court issues a further order.

The only requirement to keep seizure in effect until the high court acts is that the government file its supreme court appeal by 3:30 p.m. (EST) Friday—something government attorneys promised to do.

In the 5 to 4 decision of the circuit court, Chief Judge Harold M. Stephens and Judges Bennett Champ Clark, Wilbur K. Miller and James M. Proctor dissented.

"We are of the opinion that the government has made no showing whatever which would justify this court in staying Judge Pine's order," Chief Judge Stephens said in behalf of the minority.

The judges who voted for granting the brief stay are Charles Fahy, Henry W. Edgerton, David L. Bazelon, E. Barrett Prettyman and George T. Washington.

The ruling by the nine-man appeals court does not in any way deal with legality of seizure. It simply postpones for almost two days the effectiveness of the Pine order.

It does, however, return the 650,000 CIO-steelworkers to the technical status of government employees who can not legally strike. CIO President Murray called a strike Tuesday afternoon as soon as Pine's decision was announced and most steelworkers are already out.

## Ike Scores New Victory In Primary

BOSTON (AP)—Gen. Dwight D. Eisenhower scooped up 27 delegates to the Republican national convention in Tuesday's Massachusetts presidential preference primary, nearly complete returns showed last night.

In record-shattering balloting, Eisenhower received more than 240,000 write-in votes on the Republican ticket—136,000 more than Sen. Robert A. Taft of Ohio—and was second only to Sen. Estes Kefauver of Tennessee on the Democratic side. The "write-in" result does not bind convention delegates.

Informed of his victory in Paris, the General said it "is an overpowering sort of thing," adding "It has begun to look kind of serious."

In Washington, Taft said he was "somewhat disappointed."

It was the general's biggest primary victory and, in figures compiled by the Associated Press, moved him up to within two of Taft on the basis of delegates pledged, favorable or committed nationally to the two leading contenders for the GOP nomination.

The Boston Bruins have participated in the Stanley Cup playoffs in 22 years of the 28 they've been a member of the National Hockey League.

Joe (Skipper) Lewis, ace pitcher on the Duke University baseball team, hopes to repeat his earned run average of last season. His mark was 0.9.

Ethan Allen, head baseball coach at Yale, jumped from the University of Cincinnati campus straight to the major leagues. He played pro ball in both the American and National Leagues for 13 years.

# Williams Hits Winning Homer in Last Game; Browns Split With Yanks, Giants and Cubs Win

BOSTON (AP)—Ted Williams said his second baseball farewells in 10 years with a game-winning two-run homer yesterday to give the Boston Red Sox a 5-3 victory over the Detroit Tigers.

Williams' first 1952 four-bagger, the 324th of his Major League career, strengthened the Red Sox' hold on first place as he left them to rejoin the U.S. Marines for a 17-month tour of duty as a flyer. Making his first appearance in the starting lineup since the opening game in Washington, during which he pulled a leg muscle, Williams homered into the right field stand against Dizzy Trout with Dom DiMaggio on base in the seventh inning to break a 3-3 tie.

The Red Sox had pulled away to a 3-1 lead at the expense of starter Virgil Trucks in the fifth frame, and Mel Parnell, seeking his third straight win of the season, appeared to have it clinched.

Parnell had given the Tigers a fifth inning but when Johnny Lipon singled and George Kell doubled. In the seventh, after Kell drew a base on balls and was forced by Steve Souchock, Vic Wertz made Parnell the vic-

Paul Trout

tim of his third homer of the season to deadlock matters.

That mighty blow upset Parnell. With two out Don Kolloway and Batts connected safely and rookie righthander Ivan DeLoach was rushed to the Boston mound. The youngster retired the last seven Tigers in order, striking out three, to gain credit for his second win in relief.

Williams, who reports for duty at Willow Grove, Pa., on Friday, was showered with gifts during the pre-game ceremonies. One of them was a Cadillac sedan from a group of close friends.

### BROWNS WIN, LOSE

NEW YORK (AP)—Ripping into Vic Raschi for five runs in two innings, the revamped St. Louis Browns yesterday blasted out a 9-4 first game victory over the New York Yankees but had to be content with a split in the double-header. Allie Reynolds throttled them with a four-hit 4-1 Yankee triumph in the nightcap.

St. Louis manager Rogers Hornsby threw in six rookies against the World Champions in the opener but it was a pair of grizzled veterans—Marty Marion and Satchel Paige—who did most to pave the way for Raschi's first defeat of the season.

The 34-year-old Marion, showing the same brilliant form that established him as "Mr. Shortstop" of the National League for a dozen years, rapped out a single and two doubles, drove in two runs and scored another.

Paige, age unknown although he insists he's only 44, sauntered in from the bullpen in the sev-

Ted Williams

enth inning, throttled a Yankee threat and pitched one-hit runless ball for three innings to preserve Bob Cain's third victory against no defeats.

### JANSSEN STARS

CINCINNATI (AP)—Veteran Larry Jansen and young Davey Williams combined yesterday to give the New York Giants a 4-1 victory over the Cincinnati Reds.

Jansen shackled the Reds with an impressive three-hit job for his second straight win of the young season while Williams rapped out four straight hits to figure in the Giants' three run-scoring innings.

The Giants scored once in the third, twice in the fifth and once in the sixth.

The 31-year-old New York righthander doled out the hits to the Reds one at a time. Their lone run came in the fifth on

Hank Edwards' second homer of the year, a hefty clout over the right centerfield fence near the 300-foot mark. Jansen now has beaten the Reds 16 times against two losses to them.

### DUTCH BEATS PHILS

CHICAGO (AP)—Outfielder Bob Addis doubled in the twelfth inning with two out to score Bob Ramazotti with the winning run yesterday as the Chicago Cubs nicked the Philadelphia Phillies 9-8 and jumped into second place in the National League.

Addis' blow was his third hit of the game and the 20th that the Cubs batted off seven opposing pitchers in the 3 hour 15 minutes struggle before 7,221 Wrigley Field fans.

Dutch Leonard, the 42-year-old knuckleballer, bagged his first victory of the season in a relief role. He hurled the last five innings with a yield of three hits. In all the Phils collected 14 hits off three Cub pitchers.

The Cubs spotted the Phillies four runs in the first three rounds for a 4-0 lead, then blasted eight hits for seven runs in the last of the third as 12 men went to the plate.

### BUCS FINALLY WIN

PITTSBURGH (AP)—The Pittsburgh Pirates broke their 10-game losing streak with an 11-5 victory over the Boston Braves yesterday but had to survive three Boston home runs to do it.

Murry Dickson won his first victory after three setbacks. He held the Braves to two hits going into the eighth when a five-hit attack routed him in favor of Ted Wilks.

Every player in the Buc starting lineup got a hit except catcher Joe Garagiola. George Metkovich had a three-run homer in the seventh inning.

For Boston Ed Matthews homered in the fifth inning and Ebba St. Claire and Earl Torgeson hit four-sackers in the eighth.

### CHISOX DROP NATS

WASHINGTON (AP)—Bill Pierce and Harry Dorish combined to limit Washington to two hits as the Chicago White Sox won a 7-3 decision in the game of a two-light double-header. Bob Porterfield, first of the Senators' pitchers, gave up six of Chicago's 11 hits and was charged with the loss.

## The amazing height of Remington Feeny

Remington Feeny's money went to his feet. Being extremely cautious, he hid his money in his shoes so he could always keep it with him. By the time he was 48, he was nine feet tall.

Money can be used to grow on, but not necessarily by Mr. Feeny's method. For instance, more than 4,000,000 people have shown their faith in the future of the Bell Telephone System by investing their money in it. About one-fifth of them are Bell employees who bought stock through a payroll savings plan.

It takes both money and people to keep the Bell System growing and improving to meet our country's telephone needs. That's why college men with the right qualifications can find interesting opportunities with us—in engineering, research, operating and administration.

Your campus placement office will be glad to give you more information.

## Jobs Taps JV Freshmen for Added Batting Punch

By JACK ROLL

an attempt to bolster the offensive line-up, has brought up three freshmen from the Jayvees. Stan Kobs, who will be in charge of the freshmen, says they are very impressive at the bat and may give veteran players some trouble if the freshmen find their batting

## Track Team Faces First Dual Meet

By BOB LEWIS

Penn State will furnish the opposition for MSC's track squad as the Spartans travel to State College, Pa., Saturday for their first taste of dual competition. Coach Karl Schladerman and a traveling team of 23 men will be out to repeat last year's win over Penn State. The Spartans' track team will make their debut the following weekend when they host the University of Wisconsin Badgers.

In the sprints Schladerman will have Chuck Roland, Dick Henson and Russ Olexa, while Steve Little, Norm Harwick and Tom Pavette will be counted on in the 440.

Little, Harwick and Pavette will make up the mile relay crew, along with Lee Jones.

Running in the 880 will be Dick Jarrett, Lyle Garbe and John Cook. Cook and Kephord will compete in the mile while Wayne Scutt and Ron Barr will run the two mile.

High hurdles include Hank Gillis, Harlan Benjamin and Jim Lincoln. With John Corbelli still sidelined with an injured heel, starters in the low hurdles will be picked from Henson, Gillis, Lincoln and Doug McFeters.

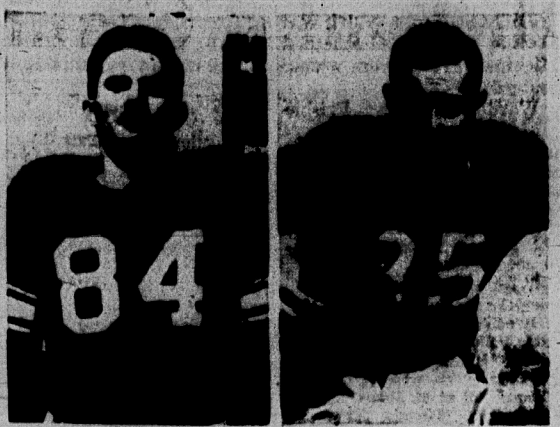

State's pair of high jumpers will be Jim Vrooman and Ray McKay while Roland, McFeters and Olexa will compete in the broad jump.

Single-event men Arnold Smith and Bob Dust will compete in their specialty, the pole vault. Bob Carey and Don Schiesswohl will carry Michigan State's colors in the shot put. Carey, who won the shot put at the Drake Relays last week with a heave of 51'4", is also entered in the javelin event, along with Vrooman and McFeters.

## Arizona State Job Given to Smith

TEMPE, Ariz. (AP)—Clyde Smith, football coach at Indiana University from 1948 to 1941, was named head grid mentor at Arizona State College at Tempe yesterday.

The 46-year-old proponent of the T-formation will succeed Larry Sigmaring, who resigned in the wake of a scandal over use of an ineligible football player all last season.

Doug Bobo, left, and Ed Luke are two of the returning letterman that bolster Earle Edwards' end squad. Bobo plays left end on offense while Luke is a left end on defense.

## Edwards Rates State Strong at End Posts

By TOM RYAN

Despite the losses of all-American right end Bob Carey and left end Bill Carey, Michigan State's Earle Edwards is still optimistic when he talks about his end candidates.

With Paul Dekker, Doug Bobo and Ellis Duckett as receivers and last season's stellar defensive ends, Don Dohoney and Ed Luke, returning, Edwards has reason to smile.

"Of course we'll miss the Carey's, you always miss an all-American, but all the lettermen will have an added year of experience under their belts and should be improved over last season," Edwards stated.

In Dekker at right end, the Spartans have a top-flight receiver. Last season, playing behind Bob Carey, the 6'4" flanker caught 17 passes for 226 yards and three touchdowns. Even last fall Dekker was regarded as the best blocking end on the squad and so far in spring practice he doesn't seem to have lost any ground.

Bobo, a 195 pound senior from Reed City, has moved into the position vacated by Bill Carey. Bobo is fast and a good pass receiver. Along with Bobo at left end is Ellis Duckett, a converted tight halfback. Only a sophomore, Duckett has looked very good in spring practice and is probably the fastest end on the team.

Don Kauth, another sophomore end, has also looked good in spring drills and has moved up behind Dekker at right end. Kauth, 6'1" and 185 pounds, comes from Paducah, Ky., and has been used on both offense and defense so far.

On defense, Dohoney and Luke rate as two of the best. Opponents had a rough time getting by either Luke or Dohoney last season and spring drills have been no different. Bill Postula, along with Kauth, add depth at the defensive end posts.

Chuck Gelal, on the Junior Varsity last fall, is putting in a bid for offensive chores, along with Bill Quinlan, a freshman from North Andover, Mass.

## Early Team Nicknames Still Defy Explanation

NEW YORK — (AP) — When groups of young boys get together to form baseball or football teams one of the first items on the agenda is the applying of a nickname to their club. Monikers such as the Smith street Tigers or the Bensonhurst Beavers are common.

But in the early 1900s minor league baseball teams had nicknames that defy further explanation.

Some of the intriguing names of teams now still in operation but with other nicknames, were the Terre Haute Hotentots, Memphis Egyptians, Wichita Jobbers, Evansville River Rats, Springfield Foot Trackers, Lincoln Tree Planters and Galveston Sand Crabs.

Clubs whose passing into oblivion no doubt was speeded by their names of horror included the Bloomington Bloomers, Leavenworth Woodpeckers, Canton Chinamen, Dubuque Dubs, Bluffton Babes, Webb City Gold Bugs, Providence Clam Diggers and the Wheeling Stogies.

# Prison Riot Recalls Legislature

## Law-Makers Adopt Mood Of 'Get Tough'

By Associated Press  
Michigan's law-makers were in a "get tough" mood as they headed for Lansing, recalled by the necessity for appropriating money to repair damage done by rioters at the state prison of Southern Michigan.

"We won't give them all they want," promised Sen. Elmer R. Porter (R-Blissfield), chairman of the powerful Senate Appropriations Committee.

"We'll provide a little money to get the prison back on a working basis, and that's all," Porter said. "As for the other things—well, the convicts wrecked them. Let them fix them."

Besides the repair bill, a major item for the Legislature to consider was a request for an additional 122 "inside" guards for the prison.

Clifford Davis, Corrections Department personnel director, made the request.

"It's our idea that if these additional guards can be employed we can provide adequate security for the penal institutions," Davis said.

The department wants 107 new regular guards, 11 sergeants and four lieutenants. All would be assigned to posts within the prison walls—where 358 guards and officers now are assigned.

Governor Williams signed legislative appropriation measures for the Corrections Department and state police but contended each was inadequate, especially in view of the prison riot.

Porter said law-makers he had talked to were against any large appropriation to restore the prison.

## Students Gain Appreciation Of Civilization

Students gain a better appreciation of American civilization through the study of foreign lands, Prof. Shao C. Lee, head of the Foreign Studies Department, believes.

His department not only should teach Americans about foreign lands, but also teach foreigners about the working of American democracy, ideals, and culture. This, he said, could be done through the use of American literature.

"The Russians have taken great pains in the study of the Asiatic languages," he said. "Long ago they began translating words by Russian authors into those languages."

Prof. Lee believes the same thing could be done with works by American authors. The only means the Asiatic people have of learning about America is the moving picture, which he termed "too superficial."

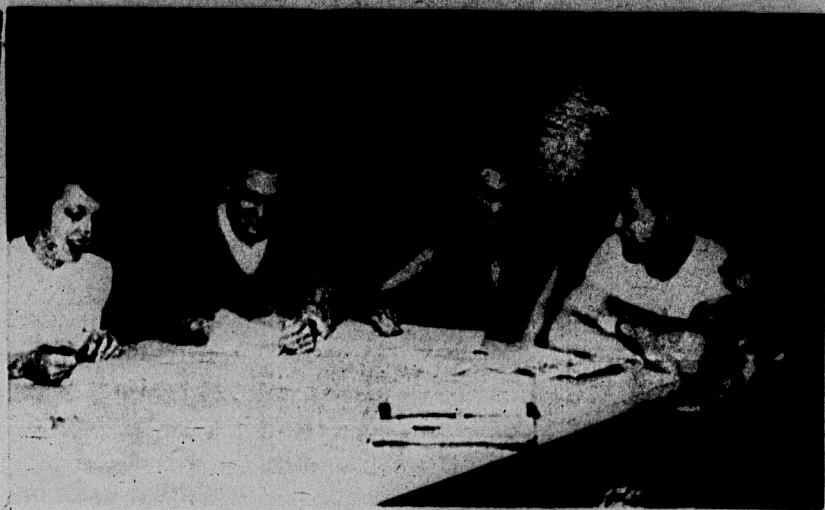

"Through literature the Asiatic people could get to know the mind and spirit of the American people," he said.

## Separate County Jails Claim Mutiny Leaders

JACKSON, (P)—Earl Ward, "Crazy Jack" Hyatt and another prisoner who helped lead the mutiny at Southern Michigan Prison were whisked off to separate county jails yesterday.

Warden Julian Frisbie said the three had been trying to incite a new rebellion at his sprawling prison, torn, seared and still jittery from last week's riot.

"We're going to keep them out of the way until things get quieted down," he said.

Ward was taken to Livingston County Jail at Howell. He arrived at 2 a.m. under a heavy state police guard, shackled and silent. Hyatt, guarded by seven state police, went to Clinton County Jail at St. Johns.

The third prisoner, James W. Hudson, was taken to the Gratiot County Jail at Ithaca. Hudson, sentenced to a life term for first degree murder in 1932, was identified as a leader of the yard rioting April 21 at the prison.

All three, Warden Frisbie said, had been "trying to stir up trouble" at the prison since their riot ended one week ago.

Frisbie said Ward and Hyatt had been shouting from their cell-block, 15, at prisoner details marching past, urging them to revolt again.

"The men either ignored them or shouted insults back. It was stirring up animosity," Frisbie said.

The move came without warning. Sheriffs at the three jails said their first word of the move came Tuesday afternoon. At midnight the three were led quietly out of their prison cells and put in state police cars for the trip.
