Alum Officer Petitions Due Today

Seniors May Apply
For Three Offices

Petitions for alumni officers are due today at 5 p.m., according to Chris Jennings, chairman of the election.

Seniors may apply for alumni president, vice president and secretary-treasurer. Petitions may be picked up at the Union desk.

Duties of the officers will include making arrangements for the five-year class reunion. Deadline for application for '52 club membership is May 16. Applications may be picked up at the Union Desk or in Organization Room 1 in the Union and should be returned to Organization Room 1.

The '52 Club will be composed of 50 members of the senior class who have been the most active while at MSC. The group will form a nucleus of alumni association.

The club will meet once a year, according to Howard Elias, Trenton senior.

Selections will be made on the basis of the information submitted on the application. Each application will be assigned a number so the application will be judged by number and not by name.

Members of the '52 Club will be announced at Swinout ceremonies May 26. All interested seniors are invited to petition, Elias said.

MacLeish To Speak at Symposium

Archibald MacLeish, internationally-known author, poet and former government official, will be the second speaker at the annual symposium on "The American Way," May 26.

MacLeish, who headed the U.S. Office of War Information during World War II, will finish out the 1952 symposium, begun last month by Dr. T. V. Smith, professor of philosophy at Syracuse University.

A native of Glencoe, Ill., MacLeish graduated from Yale University and received his B.S. degree from Harvard University. Among the schools from which he has received honorary degrees are Yale, Tufts college, Wesleyan University, University of Pennsylvania, and University of Illinois.

The noted author-poet was librarian of Congress, 1939-44; assistant secretary of the U.S. Office of the U.S. Office of Facts and Figures, 1941-42; and director of the Office of Information, 1942-43.

From 1943 to 1945, MacLeish was a member of the American Commission for the Protection and Salvage of Historic and Artistic Monuments in War Areas.

He was chairman of the American delegation to the London conference in 1945 to draw up the final constitution of the United Nations Educational, Scientific and Cultural Organization (UNESCO).

MacLeish also was deputy chairman of the American delegation to the first general conference on UNESCO at Paris in 1946.

Red Tape Prevents Legislature From Introducing Prison Bills

Sawyer Asks Steel Talks

U. S. Court Refuses To Block Wage Hike

WASHINGTON (AP)—The U.S. Court of Appeals, by a split 5 to 4 vote, refused yesterday to forbid the government to raise wages in the embattled steel industry, but Secretary of Commerce Sawyer said no immediate wage boost is planned.

Sawyer also called for new peace talks in the strike-crippled steel industry and asked Congress for legislation empowering the government to deal with "bitter" struggles between industry and labor.

Late yesterday, President Truman told his news conference he has no ambition to be a dictator and will abide by any Supreme Court decision on his seizure of the multi-billion-dollar steel industry.

The President said he will take every possible action to get the steel strike settled, but gave no clue of what steps he might have in mind.

All he wants, he said, is to keep steel production flowing.

Earlier, in a day of multiple developments bearing on the great controversy, there had been speculation that Truman might issue a back-to-work call now that the steel mills are once more back under government control.

But the President was silent on that subject.

In a rapid-fire sequence of events:

1. Sawyer told a news conference immediately following a White House talk with President Truman that "the important thing" now is for the nation's steel companies and CIO President Philip Murray's United Steel Workers to get together and reach an agreement.

2. John A. Stephens, chief industry negotiator, declined to comment immediately on Sawyer's invitation for new company-union peace talks.

3. Within 30 minutes after Sawyer promised not to take "abrupt" action on hiking wages, the court of appeals refused to grant an industry plea for an order barring the government from raising wages while the government holds the seized mills.

Roster Lists Candidates For Degrees

Students expecting to receive bachelor's degrees at commencement June 8 should check the roster of candidates for degrees at the Record Office in Room 106 of the Administration Building, according to Lyle Leisenring, recorder.

The roster is an official list of candidates. All deficiencies are also listed.

Candidates for teacher's certificates who have not signed oath cards should also do this immediately, Leisenring said.

Special Draft Test Slated

Students who did not apply for the regular spring college qualification test for draft exemption may take a special test May 22, Col. Dorsey R. Rodney, coordinator of Military Affairs, announced yesterday.

Deadline for applications is May 10.

The test will be the same as the regularly scheduled test and is being administered because many students delayed applying, Rodney said.

Cordray Gets Director Post

Dr. Albert Cordray, counselor of foreign students, was elected last week to the Board of Directors of the National Association of Foreign Student Advisors.

The election took place at a convention held in Kellogg Center by the Association last week. New directors will hold office until 1954.

The Association consists of college advisors, counselors and embassy representatives, government representatives, and the instructors who teach English to foreign students.

Wells Assignment to Wait

Mason Hall to House Women Next Fall

Coeds will be housed in Mason Hall next fall, according to Emery G. Foster, manager of dormitory and food services.

Mason Hall is now a men's dormitory. It is connected by a common kitchen to Abbott Hall which will remain as men's housing.

The decision was made yesterday by the administration in an effort to avoid the use of recreation rooms as living quarters for women. Coeds lived in recreation rooms last fall and winter terms.

Assigning coeds to Mason will probably enable the administration to move men back into Wells Hall, Foster said. Wells, originally a men's dormitory, has housed women for the last two years. Definite assignment of Wells will have to wait until late June when more applications for next year have been received, Foster said.

Any women now in dormitories may apply for rooms in Mason Hall, Foster said. Men who are now living in Mason may apply for rooms in any of the other dormitories. They will be given preference after present residents of the dormitory rooms.

Although Mason and Abbott Halls have a kitchen in common, the dining rooms are separate, Foster said. The dormitories are connected only through the kitchen area.

Hannah to Speak To ACE Members

Pres. John A. Hannah will speak to a section meeting at the 30th annual meeting of the American Council on Education in Chicago this weekend.

Pres. Hannah was chairman of a special committee on athletic policy appointed by the ACE. His speech is titled "The Report of the Special Committee—A Guide for Action." Hearing his talk will be the Section of Improving the Administration of Intercollegiate Athletics.

Dorm Councilmen To Attend Convo

Three Interdormitory Council members will attend the Big Ten Conference on Dormitory Government at the University of Wisconsin in Madison, Wis. this weekend.

Those representing MSC are Ashley B. Simeit, Benton Harbor junior; John E. Davis, Pontiac junior; Irving L. Burriens, Hartford, Conn. senior; and Thomas E. Platt, Tipton senior.

Legality Of Meeting Questioned

Millard Inquiry
Slated to Continue

By BOB FORA
State News Capitol Reporter

The Legislature tried to convene yesterday to introduce legislation pertaining to the recent prison riots and wound up in a snarl of red tape.

Within minutes after the invocation, Sen. Harry F. Hittle (R-Lansing) questioned the legality of the special session which was called by Lt. Gov. William Vandenberg and Speaker of the House Victor A. Knox.

It was discovered that unanimous attendance by members of both Houses or a written waiver by absentees is required to recall the Legislature before the date originally set for reconvening, which is May 14.

The House met these requirements, but two Senators were absent and the controversy revolved around this point.

Sen. G. Ellwood Bonine (R-Vandland) then called for a meeting of the Republican caucus where it was decided that the Houses were not legally in session. Rather than try to untangle the situation, it was decided to wait until May 14 before reconvening.

After the caucus reported their decision, the Senate met informally and expressed their desire to have Attorney General Frank Millard continue his investigation of the riots, although appropriations for the investigation cannot be made until the Legislature reconvenes.

When Sen. Charles Blondy (D-Detroit) tried to gain recognition to praise Dr. Vernon Fox's courage and tact in handling the prison between prisoners and the prison administration, he was denied the privilege.

Fox has been under fire recently from the Republicans who claim that he did not exercise proper discretion when he praised the rioting prisoners for their victory over the State.

Blondy also intended to present a proposal calling for a Senate investigation of grievances presented by the rioters, but was voted down by the Senate.

Governor G. Mennen Williams addressed a joint meeting of Senate and House members and presented his reasons for his action in the recent riot.

Williams explained that criticism had been directed his way after he acceded to the prisoners' demands for a steak and ice cream dinner following the release of nine guards that were being held as hostages. Slapping back at his critics, Williams said, "we traded steak and ice cream for nine human lives."

Ready for introduction to the House when the Legislature reconvenes are several bills which pertain directly to the riots.

The most radical of the bills will be offered by Rep. Robert Montgomery of Ingham County. See LEGISLATURE, Page 4.

Gordie Howe Named NHL's Most Valuable

MONTREAL (AP)—Gordie Howe, star forward of the Na-
tional Hockey League Champion Detroit Red Wings, was
named yesterday as the most valuable player in the league
for the 1951-52 season.

Howe, 24, was awarded
the coveted Hart Trophy
which is awarded annually
to the player adjudged to be
most valuable to his team. Be-
sides the trophy Howe will re-
ceive a \$1,000 check from the
league and \$1,000 from his club.

The lanky star, whose career
and life almost ended a few
years ago when he was severe-
ly injured in a playoff game,
potted 62 out of a possible 90
points in winning the trophy
for the first time.

Howe received nine first place
nominations from the panel of
18 sportswriters and sportscas-
ters—three from each NHL city.
The points were awarded on a
five for first choice, three for
second and one for third.

Elmer Lach, veteran Mont-
real center, finished second
with 46 points. Goalie Jim Hen-
ry of Boston was third with 14
points and Milt Schmidt of Bos-
ton last year's Hart winner, and
All-star goalie Terry Sawchuk
of Detroit, tied for fourth place
with 12 points each.

Howe led the league in scor-
ing for the second straight year in
the 1951-52 season with a record-
equalling 86 points. He collected
47 goals, high for the league, and
39 assists. In the 1950-51 cam-
paign he tallied 43 goals and 43
points.

NEW YORK (AP)—Dizzy Trout
stuffed a New York Yankee rally
with a spectacular ninth inning
relief job last night as Detroit
saved a 5-4 win for Art Houtte-
man. Successive two-run hom-
ers by Vic Wertz in the fourth
and fifth innings built up an early
Detroit cushion.

PHILADELPHIA (AP)—Joe Dob-
son, Chicago White Sox veteran
right-hander, held the Philadel-
phia Athletics hitless for seven
and a third innings last night and
then went on to turn in a two-hit
3-0 victory. Skeeter Kell, the
A's speedster, beat out a slow
roller for Philadelphia's safety.
While Dave Philley came
through with the second, a ninth
inning single.

WASHINGTON (AP)—Gil Coan's
double and Frank Campo's single
in the 13th inning broke up a
pitchers duel between Bob Lemon
and Sid Hudson, and gave Wash-
ington a 2-1 victory over Cleve-
land last night. Coan started the
Senators' 13th with a double, and
after Irv Noren popped out, Cam-
po singled to score Coan.

ST. LOUIS (AP)—Successful
homeruns by Nippy Jones and
Connie Ryan, in the sixth inning,
wiped out a St. Louis Cardinal
lead and sent the Philadelphia
Phillies on to a 6 to 3 victory
here last night. Robin Roberts,

Netmen Open Big Ten Play

Indiana's Hoosiers will op-
tain Michigan State's tennis squad
tomorrow in a match that stacks
up as the toughest of the young
season for the Spartans.

The match will mark the open-
ing of 1952 Western Conference
play for State. Last year the
Spartans copped the Big Ten title
in their first try in the confer-
ence.

The Hoosiers have four letter-
men back from last year's team
and have come up with several
good-looking freshmen prospects.
Eli Glazer and Capt. Bob Burn-
ham are pacing this year's squad.
Glazer won the Big Ten No. 3
singles title last year and was
undefeated in 16 consecutive
matches.

Indiana walloped the Univer-
sity of Michigan last week 8-1
and served notice that it will be
in contention for the conference
crown.

State will field about the same
lineup that blanketed Wayne Tues-
day 9-0 in Detroit.

Widespread Disorder Break Out

Thousands of demonstrators took to the streets in various parts of the city today, following the lead of the Communist Party, which has been active in the movement.

The demonstrators, who were mostly young people, began their march in the downtown area, where they gathered in front of the State Capitol building. They then proceeded to march through the city, shouting slogans and carrying flags. The march was peaceful at first, but it soon turned into a riot as the demonstrators began to throw rocks and other objects at the police. The police responded by firing tear gas and using batons to disperse the crowd. The riot continued for several hours, with the demonstrators moving from one part of the city to another. The police eventually managed to bring the riot to a halt, but the damage to property was considerable.

The riot was the result of a long-standing feud between the Communist Party and the anti-communists. The Communist Party has been active in the city for many years, and it has been accused of various crimes, including espionage and sabotage. The anti-communists, on the other hand, have been accused of being racists and bigots. The riot was a manifestation of this feud, and it showed that the city is still a hotbed of political activity.

The riot was a warning to the city that the Communist Party is still a threat. It showed that the party is still active and that it is still capable of inciting violence. The city should take steps to prevent such a riot from happening again. This could be done by increasing the number of police officers on duty and by being more vigilant in monitoring the activities of the Communist Party.

May Day Riots To Go on Sat. Next Tuesday

The May Day riots are expected to continue on Saturday and next Tuesday. The demonstrators plan to hold large rallies in both days, and they expect to draw a large crowd. The police are on high alert, and they are prepared to use force if necessary to maintain order.

The riot was a warning to the city that the Communist Party is still a threat. It showed that the party is still active and that it is still capable of inciting violence. The city should take steps to prevent such a riot from happening again.
