FIVE CENTS

Enrollment Applications Up for Fall

Linton Figures 19 Per Cent Rise

By NARA MURRAY
The number of applications for admission to the college next fall has increased 19 per cent over last year at this time, according to Robert S. Linton, registrar.

He predicted an increase in the number of new students enrolled next fall on the basis of May application figures, although he pointed out that this would not necessarily mean an increase in total enrollment.

There have been 200 more applications for fall admission this year. Last year at this time 2,451 applications had been sent in. These figures do not include transfer applications which total approximately 600, about the same as last year.

A higher percentage of men are applying for admission this year. An application breakdown shows that 212 more men than women applied for admission this year against 123 for last year. This comes out to about 54 per cent, higher than the overall percentage of increase.

Hearing on Fall Term Tax Levy Slated for Tuesday

Williams To Speak At Forum

Panel to Discuss Government

A three-week summer forum on state and local governments will be offered by the Political Science Department again this year.

Speakers scheduled for the panel discussions include Gov. G. Mennen Williams, Sen. Blair Moody, Auditor General John Martin and State Treasurer D. Hale Brake.

Problems on organization of the executive, legislative and judicial branches and how they affect citizens will be discussed. A total of 15 panels is planned.

Purpose of the course, which began seven years ago, is to bring governmental knowledge into the practical sphere. Three or five credits may be earned, depending upon whether students attend the morning and afternoon sessions as well as the panels.

Gov. Williams will be the featured speaker on the first panel July 7, discussing the executive branch. Dr. LeRoy Ferguson, acting head of the Social Science Department, will be chairman of the panel.

Sen. Blair Moody will talk on "Centralization in Government" on July 14 with Dr. Edward Weidner, new head of the Political Science Department, as chairman.

Auditor General Martin and State Treasurer Brake will discuss finance, expenditures and reapportionment problems on two other panels.

AWS Requests Students Check On STUN Cards

Students with cards on file at STUN in the AWS office have been requested to call the office or stop in if they want the books kept on file next term.

Student Texts Used and New is organized to help students in buying and selling books.

Students may file cards to sell books now or next term. Connie Alfonso, chairman said, to buy a book. Students pay five cents for every card taken out. Cards may be filed during Orientation Week next fall and the first week of classes at the Union Desk, that they may be filed in the Miss Alfonso explained. After AWS office on the third floor of the Union.

Students were asked to call the AWS office, extension 7216 or stop in between 8 a.m. and noon and 1-5 p.m. today, Friday, or Monday if they still want to sell the book.

A purse lost Sunday afternoon by Miss Jeanette Proctor, employee in the Home Economics Building, was recovered by LA Charles Becker of the campus police.

Becker found the purse containing \$235 in checks and \$1.50 in change in an old cabinet on the fourth floor of the building.

Recovery of the purse was reported by Miss Jeanette Proctor, employee in the Home Economics Building, was recovered by LA Charles Becker of the campus police.

Taft Takes Slim Lead in GOP Primary; Kefauver Wins

SIoux FALLS, S.D. (AP)—A

handful of uncounted outlying precincts held the answer to the narrow South Dakota Republican primary between Sen. Robert A. Taft and Gen. Dwight D. Eisenhower last night. Fourteen presidential convention delegates were involved.

The final tabulation will be Saturday when the official county canvass will be made.

With 27 of the state's 1,950 precincts uncounted, Taft's supporters claimed a victory. Eisenhower's backers said they would not concede victory.

Twenty-one of the 27 missing precincts were in isolated areas west of the Missouri River.

The latest count with 27 precincts uncounted included Taft 64,612 and Eisenhower 64,050.

The percentage points are 50.218

for Taft and 49.78 for Eisenhower.

The Democratic contest was a breeze for Sen. Estes Kefauver of Tennessee. It never was in doubt that he would show under an uncommitted slate that had shown inclinations toward Sen. Humphrey of Minnesota. That meant eight more convention delegates under Kefauver's con-

skin cap.

Leaving out results of the still undecided Republican primary in South Dakota, the Associated Press count of delegates whose positions are known or conceded shows these standings:

Republican—Taft, 420; Eisenhower, 387; Warren, 76, needed to nominate, 604.

Democrat—Kefauver, 244; Senator Russell of Georgia, 86; Mutual Security Administrator W. Averell Harriman, 35, needed to nominate, 616.

Convention Hears Candidate Harriman Believes U.S. Has Cold War Initiative

By ARNOLD SPELLIN
W. Averell Harriman, candidate for the Democratic presidential nomination, last night declared the U.S. has the initiative in the cold war and "in a few years, perhaps two," can be strong enough to deal with the Kremlin.

Speaking in Lansing before a convention of the Eleanor Roosevelt Women's League, the director of the Mutual Security Administration lashed out at congressmen who "at this very moment are playing the game of the Kremlin" by slashing foreign aid expenditures.

Harriman described as "the most despicable of all isolationists, those men who say keep our arms at home." Without our allies, Harriman stated, our men would stand alone.

"We never want to be caught again in a situation where the main burden will fall on our young men as it did in Korea, when our friends did not have the forces to send," Harriman said.

In his extemporaneous address, the former ambassador to Russia also berated congressmen who

Michigan Parents To Confer Here On Family Life

Some 175 parents from throughout the state are expected to participate in a conference on family-life education here June 9 and 10.

They will discuss problems involved in rearing children and in family living. Speakers include Dr. Leon Haak, head of the Effective Living Department, Mrs. Belle Farley, consultant on family life education at the University of Michigan, and Roberta Hemmingsway, of the Michigan Department of Social Welfare.

The program is sponsored by the American Association of University Women, the Michigan Congress of Parents and Teachers, the Michigan Council of Church Women and Michigan State College.

J. Kenneth Richards of the WKAR staff will act as master of ceremonies and introduce the speakers, James H. Denison, administrative assistant, to the president and Dr. Armand L. Hunter, director of the Television Department.

They will talk extemporaneously to 40 students and faculty members on phases of television.

Humorous awards will be given to the seniors by members of the television directing class. They will pertain to television.

Guests will be Mr. and Mrs. Denison, Dr. and Mrs. Hunter, Robert J. Coleman, director of radio, WKAR, and Mrs. Coleman; and Dr. Wilson B. Paul, head of Speech, Dramatics and Radio Education Department and Mrs. Paul.

Bolo Asks For 20 Cent Assessment

By REV BUSCH
The Student Congress scheduled an open hearing for next week on the amount to tax students fall term after Pres. Bob Bolo recommended that the assessment be 20 cents at last night's meeting. Another hearing will be conducted on the recent decision by the administration requiring all undergraduate students to live in college approved housing.

It is up to the students to tell the Congress how they want their tax money spent, Bolo said. "These committee meetings are open to all students to give them that chance."

"An open meeting will also be held to which the housing director and dean of students will be invited. We hope that this meeting will give Congress members as well as students an understanding of the change in administrative policy governing all undergraduate men living in off-campus housing," Bolo explained.

The tax hearing will be held at 7 p.m. Tuesday in the Tower Room of the Union. No time has been set for the other hearing.

In the weekly president's report, Bolo declared, "I have been in steady conference on the tax issue with Dean of Students Tom King, Controller Phillip Van Registrar Robert Linton, and many students. On the basis of these discussions, it is my recommendation that the tax be 20 cents for fall term."

He said he would offer a tentative budget to the Finance Committee which will give its report at the open hearing.

Bills and resolutions introduced at the meeting provided for a one-year temporary charter to be granted the newly formed Young Republicans Club and Young Democrats Club, numbers indicating students' class standings and residences to be placed on identification cards in order to facilitate election procedure and mimeographed lists naming instructor changes to be made available for students at registration.

Last week's tie for a position on the Congress Committee on Committees was broken when members elected Douglas Van Zandt over John Davis, 24-10.

Vacancies have occurred in Snyder, Women's Groups and East Lansing because of the election of Congress officers. They will be filled either by appointment or election in living units where more than one candidate files a petition.

Wolverine Asks Students to Work

Students interested in working on the sales staff of the Wolverine were asked to sign up in the Wolverine Office this afternoon between 4 and 5:30.

The NEWS IN BRIEF

To Request Loan

LANSING (AP)—Governor Williams will go to Washington on Tuesday to urge President Truman to support the application of the Mackinac Bridge Authority for an \$85,000,000 RFC loan to build a Straits bridge.

Bill Nears Death

LANSING (AP)—A bill decreeing the death penalty for convicts who commit murder was near death in a Senate committee last night.

Trucks Act Stalled

LANSING (AP)—The Socialist Workers Party yesterday was restored to the November ballot in Michigan because Federal court action is holding up enforcement of the Trucks anti-Communist Act.

Governor to Attend Water Show Tonight

By PAT ROGERS
Gov. G. Mennen Williams at 9 tonight as the annual Water Carnival gets underway. Thirty floats proceed down the Red Cedar from the corner of "Hollywood and Vine."

Grant Act Copy Shown Union Wall

A photostatic copy of the Morrill and Grant Act is on display in the Union concourse. The copy given to Michigan State College Forest H. Akers, member of the Michigan State College Agricultural College, introduced in 1857 by Justin Morrill, was passed in 1859, but was vetoed by President Lincoln. It was re-passed in 1862 and by President Lincoln. The provides 30,000 acres of land to be used for the establishment of agriculture and mechanics colleges.

Six intermittent acts, staged on a platform overlooking the river, will be presented by Dee Meyer, Detroit sophomore, with two vocal solos; Charles Green, Augusta Junior, satire on Pres. Harry S. Truman; two numbers by the Tri-Staters quartet; and a number by the Herb Fox band.

Sports finale will be run off at 8 p.m. with 34 participants in the following divisions: nine teams in men's doubles canoe racing; three teams for the mixed-couples canoe race; four canoe, tilling teams; and two men competing in log-birling.

Four trophies will be awarded sports winners during the 20 minute intermission. Sports events will not be held Friday and Saturday nights.

Floats should be completed by noon today. Al Luthader, publicity chairman, said.

Judges tonight, representative of campus personnel are Prof. Howard Church, head of the Art Department; Prof. Wilbur Dorsett of the Speech, Dramatics and Radio Education Department; and Prof. David Dickson, English Department. Lansing and out-of-town guests will compose the next two nights judging panels.

Tickets are still selling rapidly with 85 per cent sold for Saturday's performance. Luthader said. The total sales reached 5,000 yesterday. Tickets may be purchased at the gate tonight.

Percy Jones Hospital will send 37 veterans for tonight's show as guests of the senior class.

WSE Displays Critics' Views Of New Book

Thirteen controversial reviews of Whittaker Chambers' new book, "Witness" are on display in the Written and Spoken English Department, building A-6.

The reviews were exhibited in an attempt to show students and instructors the extreme variety of opinion about the book which deals with a history-making trial.

Reviews both favor and disapprove of Chamber's book. Archibald MacLeish called it an "appealing book," while Time magazine described it as a moving story of a man's life.

The Saturday Review of Literature ran five articles presenting both sides of the opinion.

Magazines displayed range from the conservative Saturday Evening Post, in which the first "witness" chapters originally appeared, to the liberal New Republic, which calls Chamber's book well written, but bad philosophy.

The display illustrates the variety of national interest which has arisen since the book was published. Ken Macrorie of the Written and Spoken English Department said.

Students intending to vote in the November elections, except those who have established permanent residence in East Lansing, should register in their home towns, John M. Patriarche, East Lansing city manager, said yesterday.

Students who can show that East Lansing is their present permanent address, and who have no other home, will be allowed to register in East Lansing. This includes students living on the campus in married housing units but not those living in the trailers. Trailer residents will register in Lansing township, because the area is not a part of East Lansing.

Dormitory, sorority, fraternity and other off-campus residents who go home for vacations are not considered residents of East Lansing. They must vote at home, Patriarche said. Such students do not lose home residence while in school.

Six months residence in Michigan and 30 days in the city is required for registration. July 7 is the last day residents may register for the Aug. 5 primaries.

Students applying for an absentee ballot should either see their city or village clerk personally or write to him to register their names. Patriarche suggested. An absentee ballot will be sent in sufficient time for voting.

Patriarche warned outstate students who establish permanent residence in Michigan and vote here, that they lose residence in their own states.

This problem sometimes affects veterinary medicine students or others when they return to their own states to practice, and must re-establish residence there, Patriarche added.

Attending school away from home is considered a valid excuse for obtaining an absentee voter's ballot.

Drinking & Thefts

Thoughts induced by looking through back files of this term's State News:

On April 14, three men students were suspended from school for drinking in the dormitory.

On May 5, two students were placed on social probation for a series of 13 thefts.

On May 6, two 18-year-old coeds were placed on social probation for entering the dormitory after drinking too much.

It could seem a little ironical if one stopped to wonder why drinking in a dormitory rated a stiffer penalty than a series of 13 thefts, or rated more punishment for drinking too much when the offender is under age.

Penalties were certainly justified in all the cases mentioned. But they should be made on an equal basis.

Expensive Economy

While American soldiers fight a war in Korea with second-hand equipment, factions on the home front are arguing over why.

Army leaders blame the economy-minded Congress, whose members have been criticizing improper military purchasing policies.

Could it be that both are partially right? From accounts given by newsmen recently returned from the scene in Korea, such is the case.

Congress has cut military appropriations to the bone. There is a shortage of ammunition, which will be felt more and more as stockpiles remaining from World War II are exhausted. The same goes for hand grenades, a basic infantry weapon, and a million and one other items down to and including bootlaces.

And military brass, over-anxious to please Congress perhaps, or to stay off the appropriations committees' griddle, have been reduced to almost ridiculous expedients to conserve supplies and equipment and ammunition.

New tanks, trucks and guns being produced at present are not even being sent to Korea for fear that Congress would object because serviceable equipment, some of it rebuilt several times, is still in use there.

And so the United States finds itself in a position even more indefensible than that of 1941, when we went to war against half the world with pitifully inadequate arms and equipment.

The situation now is that the U.S. has some of the finest weapons in the world; atomic ones not even considered. But faced with the possibility of all-out war with the Communist world, the Army refuses to commit its new material to battle for fear of irking a congressman back home.

War is expensive. But losing a war is more expensive, and the Korean war could very easily be lost.

In the conflict underway in what was formerly called "the Hermit Kingdom," one side has masses of men to waste. The other theoretically relies on its superior equipment and supply.

But our superiority in both equipment and supply is threatened, while tanks leave the assembly line in Detroit and go into storage somewhere until the old ones wear out or are rebuilt so many times in Japan that the time eventually comes when they cannot be used again.

The military and Congress can argue all they want as to the reasons for such foolishness. But they should do something about it in the meantime.

The Boomerang

There should be some red-faced embarrassed spokesmen in Ann Arbor town after the Big Ten athletic meetings there last week. It seems that the long and loud criticism of Michigan State's athletic department has backfired a bit.

The issue this time was the case of Jerry Musetti, all-state halfback from Detroit Denby High. The University of Michigan claimed that there had been something amiss in Musetti's decision to come to MSC instead of U. of M.

The Wolverines raised such a hubbub that the Western Conference commissioner stepped in and conducted an investigation. He even reportedly employed a special investigator to check into the facts.

When the smoke had cleared and the Big Ten meetings were over, it was announced that MSC had been falsely charged and was absolved of all blame in the case.

That took care of one side of the story. What the conference did not disclose was where the blame for issue really belonged.

The University of Michigan in the past has been guilty of premature announcements concerning an athlete's choice of colleges. All-state quarterback Duncan MacDonald, of Flint, was a victim of this embarrassing practice.

Perhaps the University of Michigan had better "sweep its own doorstep" before charging others with unethical practices. This time its accusations have boomeranged and the once-righteously indignant are looking rather sheepish.

Isn't there some saying about people who live in glass houses?

A Final Word to the Wise

The Northeastern College (Mass.) "News" tells of the sad plight of "Studious Sal" who finally went to work to make herself popular with the boys. As it ended up: "Although dates each night have become her rule, Her marks dropped so low, she flunked out of school."

Fool for Thought

The Arkansas "Traveler" has nothing but praise for the president of the student body there, who guarded women's dorms during a party raid. Says an editorial: "He was fighting against the majority this time, a rare situation for him. He overruled the majority to maintain what he thought was right."

THE LOVES OF PANDORA

FLAMING

Seniors Pause To Reminisce

Senior Ball, Term Parties, Highlight Spring Memories

By PAT VARIOCH

Spring term is almost over and seniors and underclassmen are already taking time off to reminisce a bit. The memories of their last term here that will stand out in the

seniors' memories are many.

For instance, there was

last week-end of April

Seaboard and Blade

members at a for-

the Union Parlor, Delta

held their "Let's Live

party, Delta Sigma

and a French party; the

members honored

their "Sweetheart Ball";

the Kappa Sigma domed

the seniors for their party.

As brought spring weather

a temporary drop in activ-

for the first weekend. Of-

ers of the women's dorms

at their annual formal din-

in Williams Hall; Beta

Phi Delta Theta and

Phi Chi Theta united for the Miami

and term parties were

led by Sander Phillips, Delta

Gamma and Phi Kappa Tau.

During the second week-

May when parents from

the country visited the

of the students

checked at the an-

first Pass Ball and Lambda

Alpha Xi Delta and

Alpha Theta whirled out

of the seniors for their

party.

During the parties crowded

the third week-

the Sorority Sing

Sunday afternoon as

Phi took top honors in

quest. Also that weekend

Phi Alpha won the Junior

parties.

Seniors gradually began to

popularize the limelight as

approached. On May

they danced to the music of

and his orchestra

the annual Senior Ball in

Auditorium.

London won the Inter-

Senior and men

the Roast in din-

that time. Mary

to say fare-

seniors during May

stayed the cal-

there to reminis-

to find out any

will indicate the

study of the

of the brain.

Coed Glee Club Gives Concert In Music And

An enthusiastic audience attended a vocal concert presented by the MSC Women's Glee Club in the Music Auditorium Tuesday night.

Ethel Armeling, instructor in music, directed the group in singing "Praise Ye the Name of the Lord," "Agnus Dei," "Repleti Sunt Omnes," "Ah Jesu Christ My Lord Most Dear," "Questions," and "Ave Maria."

A smaller ensemble sang "Songs for Children," by Poulenc. The entire ensemble concluded the performance with selections from "Alice in Wonderland," "What Will Love Do?" and the "Children's Dance" from Hanson's "Merry Mount."

Pianists accompanying the Glee Club were Martha Hess, Dearborn freshman, and Betty Giagnoni, Farmington, Ill., senior.

Ballot Box

Zeta Tau Alpha active are: Patricia Colvin, Detroit sophomore; Judy Lieberach, Unionville freshman; Helen Parsons, East Lansing junior; Marjorie Premo, Detroit sophomore; Margaret Rogers, Ann Arbor freshman; Elizabeth Roths, Alma sophomore; Shirley Rowden, Lakeview senior; Betty Stroebel, Detroit freshman and Barbara Wix, Rocky River, O., freshman.

New Alpha Tau Omega officers are: President, Don McInnis, Gary, Ind., junior; vice president, Bruce McCristal, East Lansing sophomore; secretary, John Hoek, Grand Rapids sophomore and treasurer, Ron Kaiser, Chicago, Ill., senior.

Delta Zeta has the following new officers: President, Phyllis

Rainey, Goodrich junior; vice president, Frances Hawes, Albion junior; house president, Gwen Spillers, Fort Myers, Fla., junior; treasurer, Nan Jenney, Lakewood, O., sophomore; recording secretary, Adele Read, Grand Rapids junior and corresponding secretary, Marilyn Waldron, Detroit junior.

New International Club officers are: President, K. L. Narasimham, India, graduate student; vice president, Christian Baker, Liberia freshman; secretary, Popepi Marinos, Greek graduate student and treasurer, Evelyn Darby, Albion junior.

Stuart Glasier, Detroit sophomore and Bert Loewenstein, Detroit junior, are new **Zeta Beta** Tau active.

Social Circuit

Delta Gamma engagements include: Nancy Slack, Bad Axe sophomore to Paul Krueger, University of Michigan sophomore and Phi Kappa Psi, and Marilyn Noble, Detroit freshman, to Art Atwell, Highland Park Junior College sophomore.

Theta Xi pinning are Audrey Meyers, Kalamazoo junior to Fred Drago, East Lansing senior and Helen Tobias, Detroit junior to Thomas Van Tien, Grosse Pointe junior.

Alpha Gamma Delta engagements are: Donna McMahon, Lansing junior to Roger Hechuis, Lansing junior and Phi Kappa Tau; Jane Pringle, Muskegon senior to Jim Fleming, Michigan State alumnus; and Joanne Rubolz, Lansing senior to Carl Eicher, Newberry senior and Alpha Gamma Rho.

Alpha Xi Delta engagements are: Judy Hickey, Port Huron junior to Jerry Bunce, Lansing graduate student; Lois McCormack, Niles junior to Fred Eaton, Michigan Tech senior and Sigma Rho; Vera Kosmin, Dearborn senior to Jim Gilbert, Birmingham sophomore and Phi Kappa Sigma; and Bea Hendrickson, East Lansing junior to Dick Monahan, Detroit graduate and Delta Upsilon.

A big supper to honor seniors and their families will be held in College House at 7 p.m. Sunday evening. An open house for seniors and guests will take place during the day.

League Plans To Organize Women Voters

The Spartan Women's League has announced preliminary plans for an organization on campus similar to the League of Women Voters.

The purpose of the project is to acquaint all women students with voting privileges and responsibilities and to encourage women over 21 to register and vote in the coming elections.

SWL members stated that many college students neglect voting either because they are too busy or because they do not know how or where to vote in a community that is not their home.

The group plans to work out a program with the help of the League of Women Voters. A convention of women of voting age to inform them of registration and balloting procedure will be considered.

CSF Plans Parties To Close Season

The Christian Student Foundation has planned a variety of social activities for this week-end.

First on the agenda will be a "Fun Fair" on the lawn of College House at 7:00 p.m. featuring row, eight-footing games, bingo, miniature golf, concessions and refreshments. "It Happens One Night," a film starring Clark Gable and Claudette Colbert will be shown at 9:30 p.m. in Peoples Church.

A big supper to honor seniors and their families will be held in College House at 7 p.m. Sunday evening. An open house for seniors and guests will take place during the day.

Five Home Ec Juniors To Study in Detroit

Five outstanding home economics juniors will attend next fall term classes at the Merrill Palmer school in Detroit.

They are: Margaret Adams, Frances Little, Bernice Whitehall, Ruth Grebe, Millard and Donna Thurgood, Detroit.

Duckett Stars in Meet

Sigma Chi Wins IFC Track Title

Sigma Chi is the new fraternity track champion. Taking five firsts and three second place finishes, they piled up a total of 77 points to take top spot in Tuesday's meet which included 11 events, ATO with 57 points captured runner-up honors.

Only individual double winner was Ellis Duckett of Alpha Phi Alpha. Duckett, who is establishing himself as one of the "runningest" students in school, was the pace setter in both the 50 and 220 yard dashes. Another top performer was Alan Ryan, Sigma Chi, with one first and two second place finishes. Sigma Nu's Dick Herberholz burned up the long distance trails by winning the 880 yard run and placing second in the mile behind Bob Collins of ATO.

The only team relay event, the 880 yard four-man run, was taken by Sigma Chi in the fast time of 1:35.8. The winning quartet was composed of Ryan, Mark McIntosh, Lynn Dawsey and Romo Dimeo.

SUMMARY

Mile Run: 1-Bob Collins (ATO); 2-Dick Herberholz (Sig Nu) Time 5:01
50-yard Dash: 1-Ellis Duckett (APA) 2-Alan Ryan (Sig Chi) Time 5:2
220-yard Dash: 1-Ellis Duckett (APA) 2-Alan Ryan (Sig Chi) Time 23.8

No-Bower—Four Return

Catching Jam Due in '53

By DON CAMERON

While it's still a little early to start thinking about next baseball season, one of the biggest gaps to fill will be the catching berth to be left vacant by departing captain Bill Bower.

The logical replacement would seem to lie between either the bespectacled Dick Edin or Ken Stannick. Both have hit well in their infrequent appearances when spelling Bower this year.

Edin has the added force of a

strong throwing arm and have two year's varsity experience behind him to back up his bid for the slot when next spring rolls around. Stannick is a budding chatterbox and can hit the ever-welcome long ball.

These Three Will Battle for ...

STANNICK

YEWIC

EDIN

BOWER

Broncos Take Opener in NCAA Playoff

CHAMPAIGN, Ill. (AP)—Western Michigan won the opener of a best-of-three NCAA district baseball series yesterday by trimming Illinois 8-2.

A doubleheader is scheduled today to decide the district No. 4 entry in the NCAA finals at Omaha next week.

Western Michigan played errorless ball and profited by two fine throws which cut off Illinois runs when the score was 3-2. Jack Baldwin slammed a homer for the winners in the final inning.

Four of Western Michigan's runs were unearned. Western Michigan 8-0 0-0 0-0-1 10-0 Illinois 0-0 0-0 0-0-2 2-2 Cole and Horn, Smith, Potter (8), Dierkes (9) and Frazier.

ST. LOUIS (AP)—Cloyd Boyer,

a sore-armed pitcher most of last season, pitched his second 1952 shutout last night as the St. Louis Cardinals took advantage of wildness by two Boston pitchers to breeze to a 6-0 victory, breaking the Braves' three-game winning streak. The 24-year-old Boyer allowed only four hits.

CINCINNATI (AP)—The Cincinnati Reds blew a fat seven run lead and then bounced back for two more runs and a 10 to 8 victory over the Philadelphia Phils last night. Relief Pitcher Frank Smith got credit for winning the game, his second in as many nights.

Baseball Ends for State With Weekend Series

Eight Spartans Finish Careers Against Bronces

By JACK KOLE
Eight Michigan State baseball players will wind up their state athletic careers this weekend when the Spartans meet the Bronchos in a two-game series.
Tomorrow the Spartans travel to Lansing and return Saturday to Old College Field for an afternoon tilt starting at 3 p.m. The game will strike its first blow in the MSC in-state series. The third base slot will be left untouched. Biggest will be catcher and Capt. Shantz. A Spartan mainstay on the plate for the past two seasons, and smooth-fielder for Rivich, whose hitting quite reached expectations this season.
Baseball Coach Corby Ghise has been a Michigan State player for his last game. Coach John Kobs, who played their last game in the team in batting order, will be in the lineup. Dick Moser and Ray Shantz will be in the lineup for the first time in this season. Moser was the first Spartan to hit in Big Ten action, a .333 average, and a .333 batting RPI producer. Right-handers will leave the pitching staff. Tom Shantz, who owns a 2-1 record, and Bob Carlson, who has a .62 record despite ERA mark, will end their careers.
The Western Michigan Bronchos will probably play the toughest opposition of the season. The Spartans won in 17 contests to date and were undefeated champions of the tough Mid-American League.
The Spartans are in the NCAA District-10 playoffs against Illinois, with Michigan for the title. Western Michigan last weekend to win in the finals. The Spartans won out of three series in the College World Series, Neb. later this season.
The Spartans will play the round Friday night game. The Spartans will play the round Friday night game. The Spartans will play the round Friday night game.

Charles Favored to Win Title Tonight

PHILADELPHIA (AP)—Favored Ezzard Charles defies ring legend tonight at Municipal Stadium in his bid to become the first former heavyweight boxing champion to regain the crown.

New Team, Old Story—Tigers Lose

PHILADELPHIA (AP)—Little Bobby Shantz chalked up his ninth victory of the year last night as he pitched the Philadelphia Athletics to a 4-3 win over the Detroit Tigers. A fourth inning homer by Eddie Joust with one on was the clincher as the A's ran their win streak to five straight.

The pint-sized southpaw almost lost the game—which was delayed for an hour and 21 minutes by a steady drizzle—in the ninth. John Groth singled and Catcher Matt Batts walked. Shantz' second pitch to big Vic Wertz was a strike but the ball got away from Catcher Joe Astroth and Groth crossed the plate from second to make the score 4 to 3. Shantz then went on to strike out Wertz and end the game.
Shantz scattered seven Detroit hits as he won his eighth straight. Detroit had 100 hits in 1951. Philadelphia had 100 hits in 1951. Detroit had 100 hits in 1951. Philadelphia had 100 hits in 1951.

Michigan State's baseball team has been taking spring training trips into the deep south regularly for 25 years.

Since joining the Brooklyn Dodgers in 1948 Preacher Roe has won 68 games and lost only 28 for a .708 percentage.

During the 1951 season the Brooklyn Dodgers made 108 double plays in 78 games at Ebbets Field.

Ex-Tigers Produce for Bosox

BOSTON (AP)—The Boston Red Sox drew a quick dividend yesterday from the new talent obtained in Tuesday's five-for-four trade with Detroit as they regained the American League's top rung by ousting the Cleveland Indians with a boisterous 13-11 victory.

Three of the four ex-Tigers played their initial start for the Red Sox and all figured heavily in the game's outcome.

Dizzy Trout drew credit for the win with a fifty-five-inning relief stint while George Kell and "Hoot" Evers were key men Indians with six of their runs—had to be recorded as a futile gesture in his teammate's books.

The Red Sox totaled 15 hits, including five consecutive singles by Billy Goodman.

Kell, key man in the million dollar swap with the Tigers, made his Red Sox debut memorable with a two-run homer and a double in five trips to the plate. Kell was credited with three RBIs besides scoring three runs.

Evers, who played in only one game for the Bengals, blasted his first home run of the season to aid the Bosox cause.

Larry Doby's spectacular feat of hitting for the cycle in five batting tries—which provided the

Congress Proposes Strike Curb

Walkout Locks Debate in House

WASHINGTON (AP)—Congress members aroused by the three-day steel strike locked in hot debate yesterday on proposals to curb big labor walkouts and sharply revise wage stabilization policies.

Top executives of the striking CIO Steelworkers Union and major steel firms meanwhile were called to the White House today for renewed peace talks.

The call to the White House negotiations, quickly accepted by union and industry, came when it appeared the disputants were about to get together on their own, without government aid. The Truman Administration thus kept its hand in the tangled situation.

The storm on Capitol Hill was concentrated in the Senate, where extension of the Defense Production (Controls) Act beyond its scheduled June 30 expiration date is being considered. There were two major Senate developments:

1. Senator Maybank (D-SC) proposed an amendment to provide a 120-day ban on strikes in defense-important industries, with a seven-man board empowered to recommend dispute settlement terms. The government could seize an industry if the board's terms were not accepted.

2. The Senate voted 42-41—with Vice President Barkley voting to break a 41-41 tie—to retain the present three-way Wage Stabilization Board set-up of public, labor and industry members, but make them subject to Senate confirmation. The WSB's power to handle labor disputes would be restricted.

100 Campus Groups Attend Meeting

More than 100 campus groups attended the Spring general meeting for organizations entering the Activities Carnival Tuesday night. "There was great enthusiasm shown," Gloria MacFarland, publicity chairman said.

Any organizations not contacted and which wish to participate must register at the Counselor for Men's Office, 309 Administration Building, she said. At the time of registering the group should pay \$5, of which \$2 will be returned if the booth is cleaned up the night of the Carnival.

Posters may be turned in to the Counselor for Men's Office on or before June 11.

Jim Collins, Ann Arbor Junior and newly-elected president of the Young Democrats, greets W. Averell Harriman, Democratic presidential aspirant, at a reception at the Olds Hotel yesterday. Harriman spoke last night at a state convention banquet of the Eleanor Roosevelt League of Women.

Harriman

(Continued from Page 1)

"beat their breasts over the countries that have gone Communist, but say that we cannot afford the dollars that are necessary to prevent other countries from going Communist."

He described them as "men who have one creed and one slogan... we can't do it."

Harriman stated that the tremendous productive capacity of this country and its people could meet any challenge. He said the Democratic Party must base its platform on a policy of courage, confidence and abundance.

Harriman declared that there could be no compromise on the philosophies of the New Deal and Fair Deal, describing their principles as sound and great.

"Our responsibilities are really opportunities," he stated. "What more glorious opportunity could

we ask," than to bring peace to the world and a better life to our people... based on more economic as well as political democracy."

In an earlier press conference, Harriman stated he was confident that he would be nominated before the Democratic convention was over.

Nests of many birds are built in the six-day period required for forming and developing the first egg.

Air Society Dedication Planned for New Chapel

Memorial Chapel will be used tonight for the first time at the dedication of the local chapter of Arnold Air Society, national advanced Air Force ROTC honorary. The service, beginning at 7, will highlight the naming of the squadron after Lt. Philip

Two Spartans Take Appointments In Athens School

Jack Ryder, president of the local chapter of Kappa Delta Pi, will go to Athens, Greece, this summer to teach for two years in the Anglo-American school there. He will be accompanied by his wife and child.

Ryder was selected for the post by H. N. Dickie who will be superintendent of the school. Dickie, a Michigan State alumnus, is principal of Three Rivers High School. He and his wife will leave for Greece sometime this summer. The Dickies have two children attending MSC.

The Anglo-American school in Athens provides education for the children of American personnel, according to Harold Sponberg of the Placement Bureau.

Commencement Ducats Distributed

All Commencement tickets have been distributed to seniors, according to Lyle B. Leisenring, recorder.

The tickets were for admittance into Jenison Fieldhouse if graduation ceremonies can not be held in Macklin Stadium. No tickets were held for seniors who did not get them during the time they were available at the Registrar's Record Office last week.

About 18 newly commissioned officers of the Society will line the entrance to the chapel to honor the arrival of Mrs. Edith M. Bek, Lansing, Lt. Bek's mother.

Lt. Bek received the Silver Star, Distinguished Flying Cross and the Air Medal with Cluster during his military career. He attended MSC from 1933-40, Tri-State University, Angola, Ind., 1940-41, and entered the Air Force in October 1941, receiving his commission in May, 1942.

Cadet Maj. Burr Clark Jr., commanding officer of the Society will introduce Col. George S. Bond, who will make the dedication and present Mrs. Bek with the scroll containing a copy of the ceremony.

Included in the service will be a reading of the 23rd Psalm by Dean William H. Combs, and the benediction given by Father Hankard of St. Mary's, Lansing.

Tom Bek, Lt. Bek's brother, is an MSC senior in chemical engineering. He formerly served with the Eighth Air Force in England.

The chapel will officially be dedicated Saturday. Tonight's program will be held before its completion.

Student Awarded Chemistry Medal

Karl S. Vorres, Fremont senior, has been awarded the student's medal and associate membership by the American Institute of Chemists.

The award was made for scholastic achievement, leadership and character. Dr. L. L. Quill, head of Chemistry Department, said. Vorres has maintained a 3.6 average while at MSC. After graduation he will attend the University of Southern California to work on his doctor of philosophy degree.

Behheading was regarded as an honorable form of execution by the Romans.
