## Yanks Win Series

### Mantle Blasts Dodger Dream

BROOKLYN (AP)—Young Mickey Mantle, capably filling the shoes of the great Joe DiMaggio, and stout-hearted Bob Kuzava led Casey Stengel's New York Yankees to a record-tying fourth straight World Championship yesterday in a 4-2 seventh game triumph over the stubborn Brooklyn Dodgers.

Lefty Kuzava blazed his fast ball down the groove in a 2<sup>nd</sup> innings relief job to make the lead stand up.

But it was Mantle who gave the Yankees their victory margin. He homered in the sixth to break a 2-2 tie and send the New Yorkers ahead for the third time in the up and down game. In the seventh he scored on a sacrifice bunt from second with a striding single over Pee-wee Reese's head.

When Gene Woodling caught Reese's fly for the final out, the entire Yank club descended on Kuzava, whooping and leaping with the joy of men who suddenly found themselves some \$6,000 richer.

It was Kuzava who applied the final, killing blow to Brooklyn's dreams of its first World Series win with his brilliant job after Eddie Lopat and the dead tied Alie Reynolds and Vic Raschi had given their all.

In those brief moments he was the rock of the Dodgers with a gritty job of clutch pitching.

Thus the Brooks, never a Series winner, failed for the sixth time and the Yanks rode to their 19th championship in 19 tries. It was the Yankees' 19th Series win.

Several new bus stops were added east and west on both Grand River and Michigan Avenues. This resolution will go into effect as soon as the usual signs are erected. Buses will then stop: East on Grand River—M.A.C. Division, Orchard, River Street, West on Grand River—Midway, Durand, Orchard, Bailey, Charles, Jackson, West on Michigan—Lewis, Center, University, Cowley, East on Michigan—Kensington, University, Center, Lewis.

Mrs. John McCall submitted a letter from the East Lansing League of Women Voters requesting permission to have a German band from the high school drive through East Lansing streets from 5 to 6:30 p.m. on Oct. 20, playing and displaying posters advertising their Town Hall Candidates meeting, to be held that night at 8 p.m. in the Peoples Church.

Candidates for the State Legislature will speak at the meeting, which is being held in cooperation with the Kiwanis Club. Permission was granted.

"Can American Legion members bring liquor to club meetings" was a question ruled negatively by the councilmen at the Monday night meeting. The city charter shows that liquor is not legally allowed even in private homes in East Lansing. The American Legion meetings are being held in the council chambers at present.

Both the Grounds Department and Karl Schladerman, cross country coach, lament that an effort be made to discourage students from stealing or breaking cross country markers.

Schladerman states that in other years the arrows which used to point the way for the runners have been found in the rooms of co-eds during the process of cleaning up between terms. Others have been found broken in the woods.

"Since the NCAA meet is held here each year, we should at least be thoughtful enough to leave the sticks standing on the course," he said.

Asked if the mixed housing has caused any protest, Thornburn said, "No. If anything, the students seem to be in favor of it."

As one girl in Wells put it, "I like it, I like it."

in Wells. Vacancies which occurred in the regular dorms have already been filled, according to Thornburn. However, the girls will be moved, said Thornburn.

He is not sure whether Wells will have to be used permanently for men or not. Original plans had been to house short course students in the dorms.

While Wells' residents are enjoying co-educational meals and recreation room privileges, plans are being made to move the remaining women out of Wells. The question is "where to?"

At present there are about 40 men and 80 women living

## City Council Critical of Road Work

### Widening Project Runs Over Deadline

By BETSY MACFIE

Tricked East Lansing councilmen voted Monday night to place themselves on record as being critical of the slow progress of construction on the Grand River Avenue widening project at both ends of the city.

The construction company employed by the city has gone far past the Sept. 1 deadline, snarled traffic on several occasions, and endangered the public safety because of the detour on the 1,000-car-an-hour highway, the council charged.

Several new bus stops were added east and west on both Grand River and Michigan Avenues. This resolution will go into effect as soon as the usual signs are erected. ## Penn State Team Gets Final Vote

### Candidates Named By Local Board

By VERNE HOHL

The five finalists for Michigan State's Homecoming Queen were named by judges in the Union Ballroom last night.

The five girls and their living units are: Karel-Mari Kleinheksel, Holland junior, East Lansing; Gloria Jean Clyma, Grosse Pointe junior, Delta Delta Delta; Virginia Grissim, Detroit junior, Alpha Chi Omega; Dee Means, Schenectady, N.Y., senior, Kappa Alpha Theta; Marjorie Bowman, Oak Park, Ill., sophomore, Pi Beta Phi.

Duane Vernon and Quentin Stultz, co-chairmen of Homecoming, presented the finalists after two and a half hours of judging.

Pictures of the girls will be sent to the co-captains of the Penn State football team, who, with the team's help, will pick the winner. Results of the final judging will be released by the State News, the Spartan and Jacobson's department store in East Lansing on Oct. 21. The finalists will receive gifts from East Lansing and Lansing merchants and will also receive trophies from Jacobson's.

Kappa Alpha Mu, national photographic honorary and the senior class will sponsor the five. Frank Lett, professional photographer and member of Kappa Alpha Mu will take the pictures, which will be sent to the Penn State team.

The girls were judged on a 60 point basis, with up to 20 points rated on beauty, and 10 points each on appearance, posture, personality and poise.

Judging the five finalists were George Alderton, sports editor of the Lansing State Journal; Len Kostchek, Downtown Coaches Club; Mrs. Tom O'Brien, former Powers model; John Pomroy of WJLM, and Alice Bancroft of WJLM.

## Senior Picture Times Announced

The Wolverine is taking senior pictures daily in Room 42 of the Union from 8:30 a.m. until 11:45 a.m. and from 12:45 until 9 p.m. No appointment is necessary, but seniors are urged to have their yearbook pictures taken as soon as possible.

## Dionysians Slate Meeting Tonight

All active members of the Dionysians, campus musical comedy producers, are urged to attend a business meeting tonight at 7 in the Union Tower Room. Plans for the spring production will be discussed.

## Faces Life Imprisonment Rioter Convicted By Women Jurors

JACKSON (AP)—A jury of 12 women threw the book yesterday at handsome convict Ray Young, convicting him of prison guard kidnapping in the Southern Michigan Prison's April riot.

The conviction, first to come from the scheduled trials of 13 alleged leaders in the \$2,000,000 riot, can keep Young behind bars the rest of his life.

A life sentence is mandatory. Young, 21, now serving five to 15 years as a safecracker from Detroit, took the verdict unemotionally.

The wavy-haired, baby-faced defendant was impassive as forelady Mrs. Leah Long of the jury announced to the court a "guilty as charged" verdict.

The jurors deliberated an hour and 15 minutes after receiving the case shortly before noon.

Among the convicts, yet to stand trial on similar guard abduction charges are the two alleged riot ringleaders, Earl Ward and Jack (Crazy Jack) Hyatt.

Ward and Hyatt headed up the mobbing of the notorious disciplinary Cell Block No. 15 gang which imprisoned eight guards and held them as hostages.

Before Presiding Circuit Judge John Simpson sent the young case to the jury he instructed the jurors on the law, pointing out they were required to return to a guilty verdict in absence of "reasonable doubt."

Judge Simpson set no date for sentencing as he remanded Young to the Genesee county jail at Flint. Young was one of several convicts sent to other jails in a precautionary move by prison officials after the riot.

Clayton Briggs, defense counsel, said he would file a motion for permission, to appeal from the verdict.

As before, Young appeared in court neatly attired in a dark blue sports shirt, light blue slacks, and a black jacket.

On the final day of trial he was his own defense witness, denying earlier testimony of a former prison guard that he carried a butcher knife in the mutiny. Young said it was a cardboard knife.

The former guard, Tom Elliott, was one of several guards who quit their jobs after the riot.

The state's last witness against Young was James Atkins, also a former guard at Block No. 15. Atkins testified that Young and a second mutineer forced him into a cell and locked him up.

## Today's Campus

Plays Numbers

A well-known young man about campus is smirking these days after realizing a life-long ambition to have a telephone operator ask him for a phone number.

Seems the gentleman in question was working in the office of a campus organization when a confused college operator made the request. He says he now feels like the man who hit the dog.

Subconsciously

Lecturing on the theory that slips of the tongue or pen are not really accidental, a psych professor brought down the house yesterday by promptly misspelling a word on the blackboard, grinning, he quipped, "You shouldn't go too deeply into this thing you know."

Spartans, Spare Those Markers!

Both the Grounds Department and Karl Schladerman, cross country coach, lament that an effort be made to discourage students from stealing or breaking cross country markers.

Schladerman states that in other years the arrows which used to point the way for the runners have been found in the rooms of co-eds during the process of cleaning up between terms. Others have been found broken in the woods.

## Football Film

A film of the Oregon-State game will be shown in the Union ballroom tonight at 7 p.m. Dewey King of the Athletic Department will narrate.

No admission will be charged. If necessary, there will be three showings to accommodate all students.

This is the second in a film series sponsored by the Union Board. All future games will be shown on Wednesdays following the game.

was the American League's sixth straight Series win, a record topping the old high run of the 1935-39 era.

Stengel's feat of winning four in a row shot him into the record books with Joe McCarthy who led the Yankees past the National League in 1936, 1937, 1938, and 1939. Nobody else ever did it.

Mantle, a 20-year-old Oklahoma lad playing his second year in the majors and fourth in organized ball, smashed a Joe Black pitch over the right field wall in the sixth for the 16th home run of this record-breaking Series.

## Recruits Wanted For Spartan Guard

All basic ROTC students interested in joining Spartan Guard, a precision drill unit comprised of ROTC cadets, are invited to attend the first Guard meeting in the Ballroom of the Demonstration Hall tomorrow night at 7:30.

During fall term, the cadets form the honor guard at the Coronation Ball. They also act as Color Guard at spring parades.

Max Holland, Tulip Festival Parade and Guard of Honor at graduation ceremonies.

### Wells Hall Gets Glamorous

By ELENORE JACKLE

The usual reply to "I'm living at Wells Hall" is a sympathetic pat on the hand and a look of relief that the party isn't in your shoes. Probably this attitude stems from the somewhat unglamorous outward appearance of Wells, the oldest dormitory on campus. But appearances can be deceiving.

Residents of Wells feel no need for pity since their dorm now holds the distinction of being the only dorm on campus housing both men and women.

The move is from necessity.

## Accident Victim Moved to Adrian

Robert Brooks, Adrian senior recently injured in an automobile accident while en route to the U. of M. game, has been moved to Bixley Hospital in Adrian. He was recuperating in McPherson Hospital in Howell.

His condition is improved and he is expected to be released from the hospital shortly. He suffered a fractured and dislocated hip and contusions and abrasions of the head and body.

Both the Grounds Department and Karl Schladerman, cross country coach, lament that an effort be made to discourage students from stealing or breaking cross country markers.

## Stevenson Questions GOP Motive

### Says No "Red Cure" Offered by Ike

DETROIT (AP)—Gov. Adlai Stevenson questioned last night whether Gen. Dwight D. Eisenhower is really interested in rooting out government—or only in getting the American people to vote.

A Democratic presidential candidate said in an address prepared for delivery at a rally in the Temple that his GOP opponent has offered only "a cure" for the "disease" of Communism. The Democratic candidate said he has a record of fighting Communism for 20 years, programs that were "ridiculed and sabotaged" by the Republican guard.

He alluded to a campaign drive into Wisconsin Wednesday, Stevenson also bitterly attacked Wisconsin GOP Sen. Joseph McCarthy as a nobody who has produced little but talk in a controversial campaign against red penetration of government.

It was mainly at Eisenhower's side that the Illinois governor stepped up, day-long at the start of his campaign in Michigan after noon, accusing the GOP of giving comfort to the "big boys" of American prosperity.

Stevenson said such talk is a "diservice" to the country, but he is not expected to be a world leader. Rather, he said, it is the kind of talk that comes from "irresponsible isolationists."

Stevenson's campaign drive in Michigan through Michigan's capital, Lansing, was a day-long affair, Stevenson moved in on Detroit, Ypsilanti, Wayne, Dearborn, Ecorse and River Rouge.

Stevenson said Communism is a "disease" that has been fought by the Democrats for every year, but added that the Republicans, he said, have the solution to the "disease" of Communism.

## For a Better Class

The annual drive for freshmen who want to get into the swing of campus politics was launched Monday.

Each new student naturally looks for satisfying extra curricular activities to supplement the classroom routine and serving as a class officer can be beneficial both to himself and to his fellow students.

Many people have disapproved of having any freshman officers, contending that there is little or no work for them. They also have claimed that the elections were merely personality contests.

The disparagers are usually either disappointed candidates or too inert to run for office.

Besides developing leadership, the system can give freshmen the realization that they belong to a class. As their first taste of college campaigning the fall election is an important one. It will do much to determine the level of class activities during the four years at MSC.

Last year, instead of having a direct frosh vote, students were elected from living units to serve on a Committee on Freshman Affairs. This committee in turn elected freshman officers. However, there was so little co-operation between the committee and the officers that the plan was abandoned and direct freshman elections were again set up.

As to actual performance and responsibilities, freshman and sophomore officers govern the Frosh-Soph Council. In the past, the Council has conducted Frosh-Soph Week-end conferences within the Big Ten and various social activities.

What they will do in the future will be determined in a large part by the number of students who show an active interest in class projects. Petitioning for officers is the first step to better class government.

# Passing Featured in Grid Drills

## Still Defense Guard

Sh Furnish Opposition Again

By TOM RYAN  
The Spartans, passing drills, were featured in the spotlight on the practice field today as coach Biggie continued preparation for the home opener against A. M. Saturday.

The senior guard, Frank Kish, continued to be the defensive unit, and the air-minded, Ferris Hallmark, continued to be the offensive unit.

Will be competing with Kish for the defensive position. Hank Bull is the other defensive player.

## World Series

(Continued from Page 1)

With that 3-2 lead grinning down from the scoreboard, Miltie knocked home an "extra" run in the top of the seventh.

This was a tense struggle that opened with a rapid fire pitching battle between lefty Ed Lopat and Joe Black and wound up in a 2 hour and 54 minute battle that used up seven pitchers, four Yanks and three Braves.

For heroes, the Yankees can present Mantle with his 345 batting average, and Mize's three great homers, and his "almost" fourth in the Sunday game. Then there is Woodling, playing despite a groin injury. And Reynolds ever-ready arm.

On the Brooklyn side, Snyder was a standout with four home runs equalling the series records set by Babe Ruth and Lou Gehrig. Reese had a brilliant series at bat and outfield and Black, of course, was tremendous in his first two starts, winning the opener 4-2 and losing 3-0 to Reynolds in the fourth game.

The National League hasn't won a Series since 1916 when the St. Louis Cardinals whipped the Boston Red Sox in seven games. The count now stands 22-17 in favor of the American.

## Two Champs Survive, One Falls

# East Shaw 1 Conquered, 20-0; Snyder 14 Wins in Overtime

By KEITH MILLER and CHET WENTZ

East Shaw 8, scoring the two titles that precinct 1 carried into the fray, shellacked last year's Shaw champs, 20-0, to feature the opening night of dormitory football competition last night.

The E. Shaw 1 outfit was never in the contest. Besides their two dormitory titles, the boys from precinct 1 finished second in all dorm play last year. Thus, E. Shaw 1 had the dubious honor of being the first defending champion to fall.

A pass from Dick O'Connor to Tom McNiff started precinct 8 on the victory bandwagon. Jim Bafgill ran 30 yards after intercepting a misdirected aerial to account for the scoring touchdown. Mel Citron tallied the final six points in the precinct 8 victory.

Snyder 14, 13; Snyder 11, 13

Snyder 14 was forced into overtime in defense of its coveted Snyder-Phillips championship, but Tom Cullins scored a vital safety in the sudden death period as Snyder 14 edged Snyder 11, 15-13.

Ker Hagen ran three yards for one Snyder 14 score and hit Mary Houston on a pass play for the other TD. Glen Allen and Del Elton threw touchdown passes in a losing cause for Snyder 11.

Phillips 2, 28; Phillips 6, 0

Precinct 2 in Phillips dormitory.

the Phillips titleholders in 1931, displayed a wealth of power in dumping precinct 6 by a 28-0 count.

The winners scored in each quarter with Dave Westwater carrying the ball over on two occasions to lead the victors in their quest for another championship. Bob Jones and Norm Poplawski also hit paydirt for touchdowns.

E. Shaw 9, 7; E. Shaw 3, 0

In one of the many close games of the night, E. Shaw 9 edged E. Shaw 3, 7-0. Bill Crow accounted for the only touchdown of the contest when he took a scoring pass from Larry Fletcher.

Phillips 7, 6; Phillips 1, 0

Phillips 7 squeezed past Phillips 1, 6-0 in a game marked by frequent pass interceptions. But one of the passes connected for the only score of the game when Dave Karmen flipped to Bob MacCarty.

Phillips 8, 14; Phillips 3, 6

Phillips 8 reached the Phillips 3 two yard line on the first play from scrimmage on a sleeper pass to Hugh Galt, but couldn't score. After a pass interference penalty gave Phillips 8 the ball on the four yard line, Mike Krebs hit Don Vanselow with a scoring pass. The PAT was good. Shortly afterward, John Latimer scored on a pass for Phillips 3 to make the score 7-6. Krebs hit the game on once for Phillips 8 by

going over on an end run. Kurt Knowles caught the extra point pass.

E. Shaw 2, 19; E. Shaw 4, 0

Ivan Cindrich was the whole show as E. Shaw 2 rolled over E. Shaw 4, 19-0, as he accounted for all three touchdowns via the airways. Two of the tosses went to Ken Stabnick, and the third was to Tom Cunningham.

W. Shaw 4, 15; W. Shaw 2, 2

Bob Cunningham tagged a W. Shaw 4 passer behind the goal line to start the scoring in W. Shaw 4's 15-2 victory over W. Shaw 2. Later, Jerry Clutter went to work for W. Shaw 4. He scored two touchdowns, one on a run and one on a pass and received credit for a safety.

In other games last night:

E. Shaw 5, 14; E. Shaw 7, 7

W. Shaw 9, 8; W. Shaw 8, 6

W. Shaw 7, 6; W. Shaw 5, 0

Snyder 12, 7; Snyder 17, 0

W. Shaw 1, 6; W. Shaw 3, 0

Phillips 4, 1; Phillips 9, 0

## World Series Notes

BROOKLYN (AP)—The Dodgers apparently are better front runners than they are at coming from behind. They went out in front three times in the series, winning the first, third and fifth games, but they couldn't do it a fourth time. And in the three games they won, they were the first to score on two occasions and never were more than one run behind.

While Gil Hodges became the first World Series "regular" to go through seven games without a hit, he only tied the record of 21 hitless times at bat, set in 1906 by Billy Sullivan of the White Sox "hitless wonders" and tied in 1911 by Jack Murray of the Giants.

On the other hand, Duke Snider not only equaled the Ruth-Gehrig record of four homers in one series, but he set a new mark of 24 total bases, tied the record of six extra-base hits, and if he

could have even hit a long fly with the bases full in the seventh inning Tuesday he would have equalled the record of nine runs batted in.

Long after the game, someone laid a sign on home plate reading: "Rest in Peace."

## Application Exams Slated For Graduates

The Graduate Record Examinations, required of applicants for admission to a number of graduate schools, will be administered at examination centers throughout the country four times in the coming year. Educational Testing Service has announced.

This fall candidates may take the examinations on Friday and Saturday, Nov. 7 and 8. In 1953 the dates are Jan. 30 and 31, April 17 and 18, and July 10 and 11.

The Testing Service advises each applicant to inquire of the graduate school of his choice which of the examinations he should take and on which dates. Applicants for graduate school fellowships should ordinarily take the designated examinations in the fall administration.

Application forms and a bulletin of information, which provides details of registration and administration as well as sample questions, may be obtained from the MSC director of counseling or directly from Educational Testing Service, P.O. Box 592, Princeton, N.J., or P.O. Box 9896, Los Feliz Station, Los Angeles 27, Calif.

A completed application must reach the Educational Testing Office at least two weeks before the date of the administration for which the candidate is applying.

## Forensic Plans Announced At Conclave

A speech conclave to acquaint students with the year's forensic program was held at 7 last night in the conference room of the Physics and Math Building.

Peg Patterson, Flint senior, was moderator. A coach and a representative student from each activity outlined each group's program. Included in the year's activities will be a debate on the national question, Resolved: "The Congress of the United States should adopt a compulsory Fair Employment Practices Commission," and discussion on the national question, "How can we best stop Communism in the United States?" Also on the year's program will be oratory, extemporaneous speaking, readings and a speakers' bureau.

Michigan State speech organization members debate national questions with other Western Conference members.

Now in the Big Ten Forensic Conference, MSC's teams will visit other colleges all over the country, with Communism and FEPC the topics of discussion and debate.

Joseph Menchhofer, Assistant Professor and in charge of Intercollegiate Speaking teams, will meet today and tomorrow in Room 41 of the Union, 4-5, with all students interested in participating with these teams.

## Bureau Offers Army Booklets

MSC's Placement Bureau has recently received a series of booklets entitled "A Report on Current Living and Working Conditions of Civilian Personnel with the United States Forces" from the Department of the Army.

The reports were compiled on Austria, Europe, Alaska, Japan and Okinawa.

In addition, the Bureau has received a complete set of illustrated booklets from the Arabian American Oil Company on the culture, customs and government of the Arabian people.

Any students interested in these books either for employment opportunities or for class reports are invited to make use of them at the Placement Bureau in 101 Morrill Hall, according to Tom Dutch, Placement Bureau assistant.

A queen bee sometimes lays as much as her own weight in eggs during a single day.

## Campus Chest Petitions Due

Students interested in Campus Chest work must fill out petitions available at the Union desk before noon Friday, according to Paul Botts, chairman of Campus Chest, the only charity drive held at MSC.

Prospective workers must file a petition to obtain positions open in solicitations, publicity, planning, staging, Spartacade, allocations, art work, treasurer and administration. Work of committee members in these bureaus will be contacting workers, planning publicity, and scheduling events.

For further information, inquire at the office located on the third floor of the Union.

Students chosen to head bureaus will be contacted next week.

Michigan State's 1952 winter sports teams won 56 dual meet events, tied three, and lost 29 for a winning percentage of .658 exclusive of ties. Only one of eight sports teams had a losing season.

## Guides Wanted For Visiting Day

The office of high school co-operation has requested 60 volunteers (30 men and 30 women) to help as guides for the Annual High School Visitation Day, Thursday, Oct. 9. The high school students will visit 9-10 classes and 10-11 classes.

Anyone interested should contact the office of High School Co-operation today.

## Poll Shows Swing In South for Ike

NEW YORK (AP)—Dwight D. Eisenhower has "an excellent chance" of carrying four or five Southern States, Walter Williams, national co-chairman of Citizens for Eisenhower-Nixon, said yesterday.

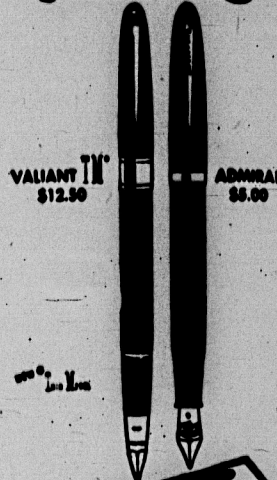

Williams said his conclusion was based on a telephone check of Southern editors, political writers, state chairmen of various southern citizens groups and talks with field men from his headquarters who have been touring the South.

One product of the 1952 Big Ten swimming championships in Michigan State's Jensen pool was a brand-new set of pool records. Every recognized mark was broken.

High Blacklock, Michigan State football player, was a member of George Halas' team, former owner of the Chicago Bears.

## Y.W.C.A. ACTIVITIES

The College Y.W.C.A. carries out much of its activity in small groups which meet one hour per week at the "Y" house. Each group chooses its own activity for the term from the areas of Community Service, Christian Growth, Effective Citizenship and World Relatedness.

Among the annual activities for the full term are an Alumni Tea for Homecoming week-end, an annual Christmas party for the blind, a Thanksgiving Convocation sponsored with the Y.M.C.A. and sponsoring the All-Campus Hoe-Downs.

Community services includes helping with mailing for the Community Chest Drive, assisting in Browne and Girl Scout work, Y-Teens and visits to the Blind School.

Within the hour group discussions are held centered on the Christian approach to the current political scene. Groups will analyze the issues and party platform from a Christian perspective.

The membership committee works in the area of growth of persons, seeking to make the facilities and program of the Y.W.C.A. known to all women on campus and also to encourage all girls to participate in those programs.

Each activity is a fulfillment of the purpose of the association which is: the desire to realize full and creative life through a growing knowledge of God. To have a part in making this life possible for all people and to seek to understand Jesus and follow Him.
