### Favored Spartans Out for 23rd Win

The chips are down for two mighty gridiron rulers Saturday.

With Michigan State's first national championship hanging on the outcome, the Spartans move against always dangerous Notre Dame in Mackinac Island in the game of the year for both arch rivals.

If the favored Spartans extend their unbeaten streak to 23 straight, they are virtually assured of first place national rating if they get by a weak Marquette squad in the season finale.

Victory for Notre Dame would be sweet revenge for a 35-0 pasting inflicted on the Irish last year. It would also project Notre Dame back on top of the grid park, an eminence vocation vacated about two years ago when the Spartans were starting their win streak and the Irish began fading.

Only one Spartan, Capt. Don McAuliffe, is expected to return from the lineup that humiliated the Irish last year.

Yesterday in the Stadium, the Spartans ended the day's practice by playing with water-soaked balls in case the weatherman's rain threat becomes true.

It's not new with us, of course, said Coach Biggie Munn. "We've done this before and so have other teams. Just trying to take care of as many things as we can."

Because of the early 1:30 starting time, students are urged to go to Saturday's Notre Dame-MSC game as soon as possible to alleviate the usual last minute jam. Students and employee coupons will not be exchanged for tickets after 1 this afternoon. The ticket office will be open this noon.

Kickoff time at 1:30, a record crowd of over 52,000 is expected to watch the week's top football contest. Temporary chairs have been placed along the sidelines of the field to take care of the overflow crowd.

The Mackinac Island record is 51,528, set in 1948 with the University of Michigan team providing the competition.

For the first time this year four radio networks will broadcast a single college game: ABC, NBC, Mutual and CBS Roundup carrying it as their game of the day.

Coach Biggie Munn's team will go into the contest in fair physical shape, with only the possibility of tackle Chuck Frank missing the game. Frank, left tackle on the defensive line, injured his left ankle in practice Wednesday and is listed as a doubtful starter.

Don Schieswohl is expected to fill in for Frank if the latter is unable to play.

For the first time in three weeks, right halfback Vince Pisano is ready for action. Although Pisano is still slightly bothered by an ankle injury, he will operate alongside LeRoy Bolden and Wayne Benson in the Pony backfield.

Pisano has always been effective against Notre Dame. In his sophomore year, the senior right half picked up 124 yards and was awarded the game ball. Last year, Pisano scored one of State's five TDs.

Ellis Duggett, the Spartans' top receiver so far this season, will also be back in action after missing the Indiana game. An end, Duggett has picked up 365 yards on eight catches, while scoring four touchdowns.

Notre Dame is expected to be at full strength except for Gene Carrabine, sophomore safety man, who was injured three weeks ago.

The Irish yesterday again avoided contact work in a light drill stressing a review of all offensive and defensive assignments.

Carrabine may see limited action against the Spartans.

In the press box, also, will be one of the greatest collections of game football writers ever assembled. They will have come from every section of the country except the Pacific Coast. Every television and movie newswire in the business will be busy on the press box roof. The game has been designated "All-American Game of the Week" for television showings from film next week.

The contest is the 20th between the two schools little more than 100 miles apart with Notre Dame holding a wide edge of 15 wins against four for State. Since recent resumption of the series in 1948, each team has won twice. Notre Dame the first two times and Michigan State in 1950 and 1951.

The scores went according to script in 1948 and 1949 when Notre Dame, 35-26-3 and 34-21. But in 1950 Michigan State was victorious. And last year the high-scoring Spartans scored a 35-0 shutout—the worst defeat ever sustained a team coached by Frank Leahy.

The Notre Dame streak of 19 games ended in 1950, the year Michigan State started on its 22-game win streak. Michigan State took over the top national rating that for so many years was monopolized by the Irish.

The tremendous importance of the game developed with the upsurge of the Irish following of a poorly early season record of a win, a loss and a tie in three games. From then on the South Bendians backed up Purdue, North Carolina, Navy and Oklahoma to project into the national spotlight.

## NEWS IN BRIEF

### Martin Says Tax Cut Possible

WASHINGTON (AP)—Rep. Joseph W. Martin Jr., in line to be speaker of the House in the new Republican Congress, said yesterday he believes a tax cut is possible next year but that a balanced budget must be the ultimate objective.

### Putnam to Hold Wage Hearing

WASHINGTON (AP)—Economic Stabilizer Roger Putnam yesterday notified John L. Lewis and the soft coal industry that he will hold a public hearing Monday on their appeal for approval of a full \$1.90 daily wage boost for 375,000 miners.

### Dewey, Ike to Meet

AUGUSTA, Ga. (AP)—President-elect Dwight D. Eisenhower and Gov. Thomas E. Dewey meeting here today, will talk over international and domestic problems likely to come up for discussion at the general's conference with President Truman next Tuesday.

### Murray Buried Yesterday

PITTSBURGH (AP)—Phillip Murray, late beloved president of the CIO, was buried yesterday on a cemetery hilltop near one of the soft coal mines in which he began his long labor career.

### Football Fan, Wear Slickers, Not Sunglasses

There'll be a warm, wet wet reception for Notre Dame tomorrow, according to the weatherman.

Shattered showers are predicted so those slickers will have to come out of the closets. The temperature should soar to 68 degrees, but the sky over Mackinac Island will be mostly gray and cloudy.

Today is expected to be sunny and bright. A high of 62 degrees is predicted, and tonight's low should be a snappy 34. The wind will blow from the south at 15 miles an hour.

### Pianist Scheduled On Music Series

Phyllis Lightfield, pianist, will present a concert Wednesday at 8:15 p.m. in the Music Auditorium.

The program will include selections from Bach, Beethoven, Alfred Berg and Bartok.

The concert is sponsored by the Music Department Concert Series.

### Extra Police Assigned for Game Traffic

In anticipation of the expected crowd conditions at the MSU-Notre Dame game, extra state police officers and patrol cars will have been assigned to the East Lansing area.

Police Commissioner Joseph Chiles said he was retaining 125 officers and 45 patrol cars to the East Lansing and Ann Arbor sectors to handle football traffic.

Another 25 officers from southern Michigan posts are being sent to the northern Lower Peninsula and the Upper Peninsula to help with the deer hunting traffic.

In addition to the state police, there will be similar calls on and sheriff's officers with eight cars and five motorcycles covering East Lansing traffic.

### Some 90 Companies Expected

## Career Carnival Opens Next Wednesday

From classes to careers, that's the jump students will have the opportunity to take next week when Career Carnival opens its fourth year on campus Wednesday, Thursday and Friday.

The greenest to the grayest, non-preference students, to professional scholars, may receive beneficial influence from more than 90 company representatives.

Freshmen may turn to a major and seniors on the spot can sign for a job.

When it began in 1949, the event brought 33 companies to MSC and about 3,000 students attended. Companies increased to 43 the following year with a crowd of 5,000.

Last year the attendance doubled, to 10,000 and representatives from 67 companies came.

Business agents this year represent an expansion from Detroit, Wash., with Boeing Airplane, to Wilmington, Del., and the DuPont Co.

Inquiries on the Carnival's success have been sent to MSC from Indiana University, DePaul University of Toronto and University of Wisconsin.

Wayne University is sending its dean of student placement officers and student leaders to view the event on Friday, the final day.

The fact that business personnel contacts the students is one of the reasons Pres. John A. Hannah endorses the program.

Backed by the Placement Bureau, the entire carnival is arranged by student volunteers.

## UN Counsel Jumps to Death

NEW YORK (AP)—Abraham J. Feller, a right hand man to Trotsky, died in the United Nations, jumped to his death yesterday from his 12th floor apartment.

Lie, secretary general of the UN, said Feller killed himself because of the strain of defending UN employees against indiscriminate slanders and exaggerated charges.

Feller, 47-year-old former New Deal lawyer in Washington, was described as a bitter man between the UN and twin federal probes of Communist activity among American personnel of the international organization.

Robert Morris, counsel for the McArran Senate subcommittee probe of UN Communism, said Feller himself was not a target of the investigation.

Feller's wife, Alice, said the American-born, Harvard-educated legal expert, took his own life because of fatigue and overwork.

"He was talking of killing himself," she told newsmen. "I was arguing with him not to do it. He jumped up suddenly and ran to the window. I was pulling him back. I held him as long as I could, then he fell."

"He killed himself."

The slight body of the United Nations executive landed in a courtyard in the rear of his apartment on Central Park West.

His personal physician—summoned earlier by Mrs. Feller when her husband threatened suicide—arrived moments after Feller went out the window. He is Dr. Frederick Bridge.

Feller was an \$18,000-a-year general counsel and principal director of the UN legal department since 1946.

UN circles credited him with writing some of the most important statements of Lie, who resigned earlier this week as UN secretary general.

Lie left a luncheon honoring U.S. Secretary of State Dean Acheson to hurry to Mrs. Feller's side. He called Feller's death "a great loss to the United Nations."

Later, the secretary general returned to his office and issued a statement in which he said of Feller:

"Because of his responsibilities as general counsel of the United Nations, he has had to assume heavy additional burdens in recent weeks as my representative in investigations connected with the investigations of the grand jury and the Senate Internal Security Subcommittee into charges of subversive affiliations directed against American members of the Secretariat."

He has worked tirelessly day and night under my direction to uphold true process of law and justice in the investigations against indiscriminate slanders and exaggerated charges.

# Vote Tally Lags 10 Days in State

## Red-up Proposal Turned

HOYT (4)—An election proposal for speeding up the counting got the thumbs down here yesterday.

The Michigan State Board of Elections, which is the official canvasser of the state, voted in a 4-3 vote to reject the proposal.

The board, which is made up of representatives from each of the state's 17 legislative districts, met in a closed session yesterday.

The proposal, which was introduced by Rep. Fred H. Hoyt, of Lansing, would have required the board to complete the tally of the election results within 10 days of the election.

The board's decision was based on the fact that the current process is already the fastest in the nation.

The board also rejected a proposal to allow for a recount of the election results.

MSC students are preparing for Floriculture Forum's flower show tonight and tomorrow night in Den Hall. They are (left to right) Bob Stewart, Cleveland, O., short course; Ned Butterfield, Maple Plain, Minn., short course; Charles Crowmover, Jackson, Mich., short course; Charles Crowmover, Jackson, Mich., short course; and Gerald Wootton, Durand, short course.

## Coeds, Posies, Greek Pins Floriculturists Schedule Two-Day Flower Show

MSC's sixth annual flower show will open tonight at 7:30 in Demonstration Hall. Floral arrangement contests, demonstrations, style shows and floral exhibits will be included in the two-day program sponsored by the Floriculture Forum.

Twenty coeds including the Harvest Queen and her court will model in the style show beginning at 8:30 both nights. Formal and casual styles furnished by Lamberts in Lansing will be featured in the show.

About 150 displays will be entered in the floral arrangement contest, according to Don Dunbar, chairman of the flower show. Arrangement displays will be divided into 20 groups such as wedding bouquets, boy and vase arrangements, corsages and novelties.

The winners of each classification will receive ribbons; the arrangement judged the best will be awarded a sweepstakes cup. In addition, fraternities and sororities will compete for a trophy by entering replicas of their pins in flowers.

Judges for the contest include florists Ray Cline of Lansing, Stanley Sargent from Jackson, and John Dunbar from Albion. Entries will be judged for originality, workmanship and artistic arrangement.

More than 30 special exhibits will also be made by floriculture students and local florists. Most outstanding of these exhibits include a harn of plants, wishing post, a tropical setting, and an ornate display showing steps in the growth of orchids.

Student designers will conduct demonstrations showing how to arrange flowers for centerpieces, corsages, vase arrangements, and novelty bouquets.

Flowers for the show were donated by florists throughout Michigan. Saturday night all the flowers used in the show will be donated off to the highest bidder. No admission will be charged for the show.

Although the Alaskan fur seal spends much of its life in the water, it must learn to swim.

Those who will attend are Ray L. Cook, Lloyd M. Turk, Kirk Lawson, James A. Vonnell, T. C. Pigger, John F. Davis and J. F. Whiteside. Soil Science: Robert L. Carous, Horticulture: Howard F. McNelly, Agricultural Engineering: and Kevin I. Payne. Farm Crops.

## WKAR to Broadcast 'Voices of Europe'

Station to Start New Series Of Programs November 22

"Voices of Europe" will be heard over MSC's station, WKAR, beginning Nov. 22. This program is one of four broadcast series distributed through college, university and public school stations by the National Association of Educational Broadcasters.

## Judiciary For Council Appointed

2 Nominated to Fill Vice Presidency

Three men were elected to serve as the Men's Council Judiciary at the Council meeting last night.

They are Bob Olsen, chairman, Muskegon, senior; Bruce Kurtz, Flint, senior; and Don Stewart, Stanton, senior. Duties of this court are to collect all petitions, delegate investigations of all cases, present petitions to the court and keep record of all the cases and decisions made. They will serve a one-year term.

Twenty-five or 30 students from the Michigan School for the Blind will be guests of the Council at the Marquette MSC football game. The students will be brought to the stadium by bus, where they will be met by members of Men's Council and their dates. They will sit in a block of 56 reserved seats, Bill Reed, chairman, announced.

Nominations for vice president of the Council were made and will remain open for another meeting. Those nominated were Gene German, Battle Creek junior, and Bill Reid, Dayton, O. sophomore.

STUN, an agency for used books and co-sponsored by AWS and Men's Council, will be reorganized at the end of this term. The Council's committee is made up of Stewart, Bill Reid, Sam Davidson, and Bob Warner.

A report by Kurtz for the All-College Judiciary said traffic violation appeals will probably be heard by this group.

Several former MSC athletes will return to campus this week-end when the annual fall meeting and luncheon of the "S" Club is held Saturday in the Union.

More than 100 members are planning to attend this fourth annual event. Among former stars expected to be present are Chuck Daves and Robin Roberts, said Jack Backlund, secretary-treasurer of the "S" Club.

At the business session new officers and board members for the coming year will be elected. Financial and athletic council reports will be given.

The "S" Club, organized in 1948, now has approximately 1,600 former athletes as members.

## More Than 100 to Attend Advertisers Hold Convo Here

Some 100 Michigan industrial advertisers are expected to attend the first annual Advertising Management Conference at the Kellong Center today and tomorrow.

Three leaders in the advertising field will be on hand to give main addresses. They are: Briscoe Ransom, merchandising director of Time Inc., William A. Masteller, author of "Your Future in Industrial Advertising," editorial consultant to Industrial Marketing Magazine, president of the National Industrial Advertisers Association from 1937 to 1949, and Saul Polak who is nationally known as manager of industrial shows and exhibitions.

The welcoming address this morning will be given by H. J. Wengert, dean of the School of Business and Public Service, with Prof. A. A. Apple, head of the Journalism Department, presiding over the session.

Masteller will give the keynote address, "Is There a Magic Formula for Advertising?"

Polak will speak on "Some New Thoughts on an Old Medium," Friday evening and Ransom on "The Future of Advertising."

The chairman of the conference is Prof. Earl McIntyre, Journalism Department, and president of the Advertising Round Table of Southern Michigan.

# Harriers Defend Big Ten Title Today

## Yogi-talk Davey, Flanagan-Sign

By ALEX LAGGIS  
State News Sports Editor

Chuck Davey, who will be honored on the field Saturday with Phillies hurler, Robin Roberts, will meet Glen Flanagan of Minneapolis Dec. 17 in Cleveland in one of three-rounders headlining an annual Christmas benefit.

This date apparently changes Chuck's previously announced decision to fight a warm-up bout in Denver previous to his title bout with Kid Gavilan in Chicago Feb. 11.

After being edged out last year, Biggie Munn is one of the favorites for 1952 coach-of-the-year honors. Nearly every section of the country seems to have an outstanding entry with an unbeaten record to back him up. In the West, Jess Hill of Southern Cal and Henry (Red) Sanders of UCLA are the top prospects. One will be eliminated, however, when the two teams clash next week. More likely choices are Jim Tatum of Maryland's No. 3 ranking squad and Bobby David of Georgia Tech's No. 2 team.

In the East, Art Kaimo of Villanova, Rip Engle of Penn State and ex-Spartan backfield coach Ken Dawson of Pitt are likely choices.

Last year, Stanford's Chuck Taylor received the nod over Munn in a much debated selection. This could be Biggie's year for the coveted honor.

**Mailbag Department**—A reader, probably a Maryland fan writes: "It would be most interesting to publish the conference standings of the schools that the top school in the nation has played this fall."

In answering, first let's look to the Big Ten where State has beaten the top two teams, Purdue and Michigan in the conference that is generally regarded as the toughest in the nation. Indiana, State's third Big Ten victim, is in seventh place. Texas A & M is tied for fourth place in the Southwest conference and Oregon State is last in the Pacific Coast circuit. Saturday's foe, Notre Dame, is one of the top independents in the country while Penn State and Syracuse are two of the best eastern independents. Marquette, State's final opponent is also a highly rated midwest independent.

Glancing over Maryland's record, the Terps' first victim, Missouri, is the leader in the Big Seven conference but will probably get pushed out by Oklahoma this Saturday. Other "powerful" Terp opponents include LSU and Auburn, currently fighting it out for the dollar in the 12-team Southeastern conference. Georgia, rated fifth in the same conference, and independents Boston U., Clemson, and Navy. Mississippi, Saturday's foe, is third in the Southeastern conference. The Terps close the season against Alabama, currently fourth in the SE loop.

Georgia Tech, second in the recent poll, opened against The Citadel, 14th in the Southern Conference, beat top-rated Florida, sixth in the Southeastern conference, SMU, third in the Southwest conference, Tulane, eighth in the Southeastern conference, Auburn, last in the Southeastern conference, Vanderbilt, tenth in the SE, Duke, tied for first in the Southern conference, and last week's triumph, Airmo. Alabama, fourth in the SE loop meets the Ramblers tomorrow. Bobby Dodd's crew then meet Florida State, who went to a conference and fifth ranking Georgia of the SE conference.

One of the overlooked causes of the recent Indiana-MSU flareup is the fact that the Hoosier roster lists 49 players from Pennsylvania when State's lineup is dotted with 12. Quite a few of the key players on both sides are from Pennsylvania and were bitter enemies in high school competition. Some were teammates.

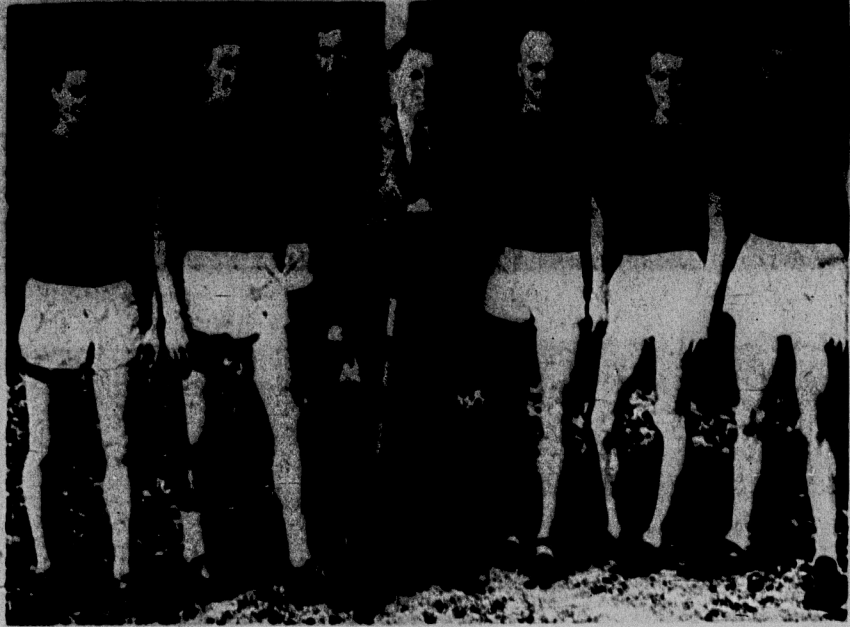

## Lindsay Scores Two Goals as Red Wings Dump Boston, 3-0

DETROIT (AP)—Ted Lindsay scored twice and assisted on another and goalie Terry Sawchuk got his second shutout as the National Hockey League champion Detroit Red Wings returned to stride with a 3-0 triumph over the Boston Bruins in the last night.

The victory assisted Detroit to fourth place over Boston in the league standings. Metro Prystai scored Detroit's opener, killing a passout from behind the net by Lindsay. That came on a power play at 5:36 of the first period while Real Chevrelis was serving the first of 10 penalties in the last night.

## Football Ends Tuesday

## IM Schedule Spotlights Four New Tournaments

After the all-college touch football title is decided next Tuesday, the IM spotlight will turn to the coming all-college boxing, wrestling, gymnastics and fencing tournaments which round out this term's intramural schedule.

The first titles to be decided will be the boxing championships. Entries close Monday afternoon at 5. The meet will get underway Wednesday in the boxing room at 4:15 with bouts scheduled every day until Friday when the champions in nine weight classes will be crowned. Awards will be given for first and second place in each weight. All contestants must report to the scales near the training room between 4 and 6 p.m. Tuesday to be weighed in. Boxing Coach George Makris urges all entries to work out at least five or more times before fight time.

Champs will be crowned in the 119, 126, 132, 140, 148, 157, 165, 178, and heavyweight classes. No pounds over a weight will be allowed. No man will be allowed to box over his weight class. The tournament is open to all students who have not earned numerals, minor or varsity letters in boxing. The all-college gymnastics meet will open Dec. 2 and 3 with competition starting at 7:30 in the gymnastics area in Jensen Gym. Entries close Dec. 1 at 6 p.m.

The meet is open to all students except gymnastics lettermen or men who have won first place medals in all events. Coach George Saypol reserves the right to declare any other man of considerable experience ineligible. Facilities will be available for practice during varsity practice sessions on the gym floor Monday through Friday nights. Awards will be given for first and second place in each event.

Events include the side horse, horizontal bar, parallel bars, fly, ring, rings, rope climb, doubles, tumbling, and the trampoline.

The wrestling tournament is scheduled for Dec. 3, 4 and 5 with entries due Dec. 2 by 5 p.m. Awards will be given for the top three places in each weight division. Wrestling will start at 4:15 in the wrestling room. All grapplers defeated by the top finalists in each weight are eligible for third place trophies.

Entries must have five or

more practice workouts before their first match. A medical examination and permission from the college hospital is also needed to enter. The wrestling room is open Monday through Thursday from 7 to 8:30 p.m. for practice.

Wrestling lettermen and freshman numeral winners who have won previously are not eligible to compete.

The weight classes are 123, 130, 137, 147, 157, 167, 177 and heavyweight. Three pounds overweight will be allowed (stripped). All matches will be six minutes of three periods.

All contestants must check with Coach Fendley Collins before Dec. 2 stating their weight class. No weighing in will be required Dec. 3 except in doubtful cases.

Fencing entries are now being taken by fencing coach Charles Schouten in the IM office. Three events, the saber, foil and epee will be included in the tournament.

## Late Sports Wire

**MONTREAL (AP)**—The Toronto Maple Leafs moved into first place in the National Hockey League last night by beating the Montreal Canadiens, 3-1.

**CHICAGO (AP)**—The Chicago Black Hawks moved up to a second place tie with Montreal in the National Hockey League before 6,210 fans last night with a 6-2 victory over the New York Rangers that snapped their three-game losing streak.

## Hopes Rise With Seven Man Squad

Hoosiers Take Favorite's Role

The Spartan cross-country team will defend its Big Ten title today in Chicago against seven other Western Conference squads providing the title. The 38th annual championships will begin at noon at Washington Park.

After the meet, the team will fly back to East Lansing for another championship meet, the ICAA, run at New Van Cortlandt Park that will be held Monday at 11 (EST).

All Big Ten squads are today with the exception of Northwestern and Ohio State.

Head Coach Karl Schladehman has taken a seven man team to the Winds City. Captain Kephford, who came in fourth last fall's title run, has the chance to take individual honors. Kephford, holder of MSU varsity and dual record of 20:06.6, has been placed in each of the top three spots in each of the last three Big Ten meets.

The rest of the team includes Mickey Walter, Wayne Scott, Garbe, Jerry Zerke, John Cook and Dick Jarrett. Three members of the group added State's year's winning effort. Zerke finished fifteenth position while Garbe finished sixteenth and 36th respectively.

When asked which team he believed to be the favorite in the day, Schladehman said, "The body in the conference that will be Indiana, even though we're coming to win."

"Indiana will be tough," added, "as the results of last meet prove." The Spartans placed five men within 10 yards and seven within 20 yards of the winning time.

Another team expected to be the Spartans' toughest money is Iowa. The Hawkeyes of Ted Wheeler, who finished second in the conference and Rich Ferguson, Big Ten mile champ, have been running under ten minutes. Schladehman said that he and exact details to see which team he believed to be the favorite in the day.

Last year's winner, Deike, of Wisconsin, graduated. The course was 19:44.5.

The standings in the conference were as follows: State, 49 points; Washington, 47; Michigan, 47; Indiana, 47; Minnesota, 44; and Penn State, 44.

The Spartans' best fourth for two consecutive years in the ICAA meet, as chances look better than one of their meet in the Spartans beat their previous record in the ICAA meet. The individual winner was Army's Jim Shaw, who placed second in the last year's meet, and Syracuse's later to come to East Lansing for the NCAA cross country meet.

## Hosie Second

## Quick Quickens Step To Win Turkey Trot

Don Quick was too quick for 154 other contestants yesterday afternoon to run off with the top bird in the annual Turkey Trot classic yesterday afternoon.

Abbot Hall captured team honors with 42 points. Sigma Chi finished second and Psi U third.

In the race for individual turkey honors, Don Hosie, who set a new course record with a 5:35.6, took second. Quick's winning time was 5:43.4. Don Hoffman led the winning Alpha Chi crew with a third place finish. Other winners for the winners were Herb Brinkman, seventh, Dick Long, tenth, and Chuck Beckers, 22nd.

A total of 120 runners, representing a record entry of 29 teams, finished the race.

Other finishers in the top ten were Ron Baker, fourth, Dave Pulla, fifth, Dick Herberholz, sixth, Bill Miller, eighth, and Dick Lyman, ninth.

The tradition, last year's team winners, were the first independent entry to cross the finish line with the Sigma Chi pledges taking second in the league. West Shaw was second to Abbot in the race for team honors while ATO took a third in the automatic race behind Sigma Chi and Psi U.

# Notre Dame Trick Shift Draws Protest of Conference Officials

## Big Ten Refs Given Alert Sign on Play

### Irish Defend New Quarterback Move

MILWAUKEE (AP)—Officials of two major conferences are "buzzing" about the trick shift Notre Dame used to get easy position for touchdowns against Purdue and Oklahoma. Milwaukee Journal Sports Editor Russ Lynch said yesterday in a signed column:

"Lynch said he was 'troubled' that officials of the Big Seven have been instructed to penalize the team which uses the shift, and that Big Ten officials will be alerted before Saturday games to be particularly sharp in using judgments as to whether or not the intent of the shift is to benefit by a penalty."

Notre Dame's all-around back and leading candidate for All-American honors is left halfback Johnny Lattner, who does just about everything for the Irish. After seven games of the 1952 season, Lattner leads the squad in rushing, is second in passing, third in scoring and does most of the Irish's punting.

## Spieser Signs For Main Bout Next Tuesday

Chuck Spieser, the Michigan State student turned professional boxer, will reach the main event ranks next Tuesday when he fights Murray Burnett of Chicago at the Grand Rapids stadium in a scheduled eight round battle.

Wednesday night Spieser defeated Bobby Yore of Chicago in an eight round semi-final bout at Detroit's Olympia. The Spartan took every round from Yore.

Red Black, another Stater, stopped Billy Van Gilder of Ithaca, New York, in the second after flooring his opponent on three occasions.

Spieser in winning his sixth pro bout is still undefeated while Black has chalked up seven wins in eight starts.

## Their Day at MSC Davey, Roberts Receive Plaudits

Chuck Davey and Robin Roberts, Michigan State's most athletic sons, will be honored by their alma mater Saturday night at the Spartan Notre Dame football game at a banquet.

The occasion has been designated "Davey, Roberts Day" to pay homage to Davey, top contender for Kid Gavilan's "wonderweight" boxing crown, and Roberts, star Philadelphia Phillies pitcher, who is considered by many experts to be the best hurler in baseball today.

They will be treated at a program banquet tonight in the Union. Attending the affair will be Notre Dame and Michigan State officials and coaches, visiting newspaper and radio personalities, and a few old friends of the great athletes.

At the game Saturday they will be presented to the sell-out throng of about 51,000 people at half time and given citations from their alma mater in appreciation of the great credit they have reflected upon it.

Davey, a four-time NCAA boxing champion while in college, is the only one ever to have gone through 38 professional fights without defeat. His record shows 36 wins and two draws. His victims have included such worthies as Ike Williams, Rocky Graziano, Chico Vejar and Carmen Basilio.

Davey, who is slated to fight Gavilan for the title in Chicago in February, received a bachelor's degree in physical education in 1949 and a master's degree in educational administration in 1951.

At State Roberts first became a pitcher in baseball, prior to that having been a first baseman. Veteran Coach John Kots engineered the switch and gave Roberts his first pitching lessons. Last summer he won 29 games and lost but seven to face all major league pitchers. It was the third straight year in which he had won more than 20 times.

## Shantz Wins Most Valuable Player Award

YORK (AP)—Bobby Shantz, the Philadelphia A's pitching marvel, was named the American League Most Valuable Player award by a vote of 14 to 10 yesterday.

Shantz, who is 24, won the award with a 24-7 record and 16 first place votes from the 24 members of the Baseball Writers' Association of America.

At State Roberts first became a pitcher in baseball, prior to that having been a first baseman. Veteran Coach John Kots engineered the switch and gave Roberts his first pitching lessons. Last summer he won 29 games and lost but seven to face all major league pitchers. It was the third straight year in which he had won more than 20 times.

## Wells Leads Spartans In Total Rush Yardage

Fleet right halfback Billy Wells leads the Michigan State team in rushing yardage, but Don McAuliffe and Leroy Bolden hold the edge in average gain per try. Wells, filling for the injured Vince Pisano, has a total of 461 yards on 92 attempts for a 5.3 yards average.

In individual team statistics, right halfback Billy Wells is the top ground game, picking up 461 yards. Wells has also made the most attempts, 92, and averages 5.3 yards per carry.

Capt. Don McAuliffe ranks second with 423 yards for an even six yard average. Bolden, left halfback, has the best average, 7.2 yards, and has accounted for 291 yards.

Both McAuliffe and Bolden are tied for scoring honors, with 42 points apiece. Fullback Evan Slone ranks third with 32 points, 26 of them on conversions.

Ellis Duckett, who was sidelined for the Indiana game, still leads the ends with 365 yards and four TD's. He has caught eight passes for an average of 38.12 yards a catch.

Doug Bolo, who shares the left end position with Duckett, has also caught eight passes for 231 yards and two touchdowns. He averages 28.87 yards a catch. McAuliffe ranks third in yards made with 164 and a 32.80 average.

## Sports COED CORNER

Led by Nancy O'Rourke's 24 point effort, South Campbell moved to first place in the intramural dormitory swimming league.

Nancy took first in the 30 yard crawl, the crawl form, and diving.

South Campbell topped all the dorm teams with a 138 total while North Williams and Old Campus took the second and third positions.

Interclass field hockey will be played Monday at 7 p.m. on Old College Field under the lights. All coeds may participate for their respective classes.

WAA sports managers are gathering sports equipment which will be sent to Detroit for shipment to Korea.

Synchronized singles and doubles meets for intramural teams are scheduled for winter term.

To a raindrop, all umbrellas are the same

Yes, the nice part about umbrellas is their similarity. When the need is urgent, any one will work.

When it comes to telephone equipment, however, a general likeness isn't enough. Parts are engineered to be exactly the same no matter where they are used. Only such rigid standardization made possible the smooth and interlocking system that gives you from Penobscot, Maine, to Pescadero, California.

We're reminded of it sharply in times of disaster — from flood, blast or hurricane.

Telephone men from other areas can come and pitch right in with the same methods, tools and equipment.

But one Bell System asset isn't standardized. That is its people. It takes able, original minds to keep our business moving ahead. For college graduates qualified for and interested in such widely differing work as research, engineering, operations and administration, we offer many opportunities.

Your college placement people will be glad to tell you more about it.

# ROKs Charge Poison Gas Use

## Accusation Unfounded; Says Expert

SEOUL (AP)—A sensational charge by South Koreans that Chinese Communists used gas shells early Friday in capturing Pimpot Hill was termed unfounded by a U.S. chemical warfare expert.

Col. Harrison A. Markham, chemical officer of the Ninth Corps, said after an investigation at the front that one soldier was made ill from picric acid fumes from a regular artillery shell.

Another South Korean soldier who was rendered unconscious was found to have been knocked out by a log when a bunker was blown up by an artillery shell, Markham added.

Even as the charges were laid to rest, the never-give-up South Koreans returned to the counter-attack and swept up by the tip of Pimpot Hill from which they were knocked a few hours before.

A little less than four hours after they lost the crest, the Koreans struck back in the dark and by 6 a.m. were locked in savage hand-to-hand combat with Chinese Reds on Pimpot's summit.

A front line dispatch said that the counterattack was powered by the troops who had been forced from Pimpot in what they said was a Red gas attack.

## Bolo Appoints Sophomore to Lawyer's Post

DAVE HYMAN, Buffalo, N. Y. sophomore, was appointed Student Government attorney by Pres. Bob Bolo Wednesday night. It was approved by Student Congress the same night.

His duties as attorney will primarily be to settle legislative disputes on Congress statutes and to serve as a mediator between the legislative and executive branches of the government and the Judiciary branch, Bolo said.

If the executive or legislative feels a law has been broken, the Government's case would be presented to the Judiciary by Hyman.

Attorney Hyman also gives advisory opinions on the legality of any bills referred to or passed by the Congress. He also advises upon any bills acted upon or considered by recognized student organizations such as clubs, fraternities and societies.

Hyman may prosecute any alleged violation of Student Government statutes. He attends the meetings of the all-college Judiciary.

## More Donors Sought for Blood Drive

Registrations for next week's Alpha Phi Omega Blood Drive now total 300, with today being the last day for sign-up.

At least 200 more donors are needed in order to collect the amount of blood that can be handled in this drive by the Red Cross, states Will Steink, APO president. He commented that most of the School and Bands provide have made arrangements to contribute.

Steink urged all faculty, staff, and college employees, as well as students, to donate. Registrations will be taken at the Union Gym between 8 a.m. and 2:30 p.m. today.

A Red Cross unit will take the blood donations next Monday and Tuesday at the Post Park, Room of the Union from 8 a.m. to 10 p.m.

## New High School Plans Viewed by Committee

Architects have presented preliminary drawings to the East Lansing Citizens' Committee on Education and the East Lansing high school faculty as the first plans for the new high school, according to C. E. MacDonald, superintendent of schools.

At a recent meeting of the faculty and architects, the drawings were viewed and preliminary plans for the new high school were discussed. Future problems such as what kind of curriculum will be offered, what building facilities will be needed to fit the curriculum and how large an enrollment can be expected were also discussed.

The East Lansing City Council and the Board of Education have already held a discussion about the new school. A special election is being planned for sometime next April when the citizens of East Lansing will vote on the issue. No official date has been set.

The present East Lansing High School will be used mainly as a junior high school and possibly for some elementary grades when the new building is completed. Since the number of high school students is increasing rapidly, it is necessary that the new high school be completed by September, 1956, MacDonald said.

Further information on the progress of the building will be discussed at the next meeting of the Citizens' Committee on Education, Nov. 17.

# NOSE, THROAT

## and Accessory Organs not Adversely Affected by Smoking Chesterfields

FIRST SUCH REPORT EVER PUBLISHED ABOUT ANY CIGARETTE

A responsible consulting organization has reported the results of a continuing study by a competent medical specialist and his staff on the effects of smoking Chesterfield cigarettes.

A group of people from various walks of life was organized to smoke only Chesterfields. For six months this group of men and women smoked their normal amount of Chesterfields—10 to 40 a day. 45% of the group have smoked Chesterfields continually from one to thirty years for an average of 10 years each.

At the beginning and at the end of the six-months period each smoker was given a thorough

examination, including X-ray pictures by the medical specialist and his assistants. The examination covered the sinuses as well as the ears and throat.

The medical specialist, after a thorough examination of every member of the group, stated: "It is my opinion that the ears, nose, throat and accessory organs of all participating subjects examined by me were not adversely affected in the six months period by smoking the cigarettes provided."

Students Express  
in Congr

By DIME  
Students will be given a review on Student Congress terms when the final session Wednesday evening.

Thuerkauf, chairman of the budget, announced that the budget session will begin at 6 p.m. Wednesday in the Student Congress office on the first floor of the Union, immediately before the weekly Student Congress meeting.

He expressed that "this is an attempt to get students to take part in Congress affairs." A similar session was held last Thursday, but resulted in failure when three non-Congressmen were present.

Thuerkauf and the outstanding members of the budget, which was presented to Student Government President Bob Bolo Tuesday night, appear to concern the "General Fund." The Finance Committee is now working on the budget, and the items are being discussed under this fund.

Thuerkauf also provides the budget for the Student Congress, which is presented to Camp.

The Separation Bill which is in committee is passed by Congress would mean a new Campus Chest and Thuerkauf explained.

Thuerkauf said that the Student Congress meeting will determine the fate of the bill, which is being discussed in time for the meeting at 7:30 p.m. Wednesday.

The budget includes a fund which is for the Student Congress, which is presented to Camp.
