'Last Chance' Theme Used

Career Carnival Closes Today

The poster sloping in campus living is the poster sloping in campus living as the fourth annual reaches its third day. Opening at 9 a.m., it will be closed at 3 p.m.

The company agents are well printed information than 90 displays.

Wednesday, re-

sumed contact students directly is one reason for Pres. John A. Hamm's endorsement of the

Carnival.

The success of MSC's carnivals has brought requests for information about them from other campuses, such as Indiana University, DePaul, University of

Toronto and University of Wis-

consin.

Nineteenth Century Theme

'Doll's House' Opens To Receptive Audience

By PAT WARD

A fair-sized crowd saw the opening of the term play, "A Doll's House," in Fairchild Theater last night.

The audience was responsive to all scenes, particularly to Polly Clingerman who played Nora. She portrayed the dominant role and held much of the audience's attention.

Ray Monte aptly portrayed the role of Torvald Helmer, Nora's husband. This was his first serious acting part. He had previously played in comedies.

Larry Morrison did an outstanding job in his portrayal of Krugstad. Another standout was Suzanne Sullivan who played Mrs. Sundi, a school friend of Nora.

The setting of the story was the Helmer apartment. The set designed by Zack York was a living room of the ornate, decorative style popular during the 19th century.

Two types of lectures will be sponsored by the committee during each term. One will give a speech on the 19th-century style popular during the 19th century.

The second lecture and demonstration will be at 8 p.m. Tuesday in the Union Auditorium.

Two types of lectures will be sponsored by the committee during each term. One will give a speech on the 19th-century style popular during the 19th century.

The play will be performed again tonight and Saturday night. Tickets are on sale at the Union Auditorium office at the door, \$3.50 each. Curtain time is 8 p.m.

The play was sponsored by Theta Alpha Phi dramatics honor society and the Speech Department. John Jennings directed the production. This is his second year at Michigan State.

Last year he directed "Green Grow the Lilacs" and "Playboy of the Western World."

Out-of-School Educators

Extension Service Agents Aid Rural Groups

Since its initiation in 1944 the Michigan State Cooperative Extension Service has aided farmers in rural areas throughout Michigan.

With a staff of more than 500 workers, the service provides information in four phases of assistance. The county agricultural agents work with the adult farmers primarily in the field of production. Women on farms are given assistance by the home demonstration agents. The service is the educational phase of the United States Extension Service, was named by the State Land-Grant College Supervisory Board and ap-

MSC Makes Bid for 24th Win

19 to Wind Up Grid Careers For Spartans

Michigan State meets the final test as Big Ten Step-Child tomorrow when the Spartans face Marquette's Hilltoppers at Mackin Field in a bid for number 24 in a three-year victory string.

When the Spartans hit the gridiron in 1953, they will be official members of the Big Ten.

Tomorrow's game will draw a close to the collegiate grid careers of 19 seniors. The starting time is again 1:30 p.m.

State will be below par physically with first string offensive guard Bob Brenner out with a twisted knee, fullback Dick Pann in the hospital with a broken leg, and right halfback Billy Wells sick with an intestinal upset. Marquette expects to be in its best physical condition of the season.

Coach Biggie Munn has announced two line-up changes with Vince Pisano starting in place of Billy Wells at right half and Wayne Benson opening at fullback for Evan Sloane.

Although the Hilltoppers almost pulled an upset last year before bowing to the Spartans 20-14, the boys from Milwaukee will be underdogs once again in the series which has netted six victories for Marquette in 14 for State.

Marquette's chief threat will come along the ground where fullbacks Ron Drewniak, Ed Mixon, Ralph Espinoza and Ray Zazar have been effective all season long. Drewniak with 10 touchdowns is the leading Hilltopper scorer.

State's only match that squared with Don McAuliffe and Leroy Holden running and Tommy Newell and Willie Thrower on passing duty. McAuliffe has 54 points to his credit while Holden has scored 42 touchdowns.

An estimated 35,000 will view the game.

State Schools Seek Money To Stay Open

LANSING (UPI)—Michigan schools will have to shut in six months unless they can borrow more money. Auditor General John B. Martin Jr. declared yesterday.

The closing lecture and demonstration will be at 8 p.m. Tuesday in the Union Auditorium.

Two types of lectures will be sponsored by the committee during each term. One will give a speech on the 19th-century style popular during the 19th century.

The play will be performed again tonight and Saturday night. Tickets are on sale at the Union Auditorium office at the door, \$3.50 each. Curtain time is 8 p.m.

The play was sponsored by Theta Alpha Phi dramatics honor society and the Speech Department. John Jennings directed the production. This is his second year at Michigan State.

Last year he directed "Green Grow the Lilacs" and "Playboy of the Western World."

Since its initiation in 1944 the Michigan State Cooperative Extension Service has aided farmers in rural areas throughout Michigan.

There are 530 local officers working in 83 counties. In eight counties in the north two units have been combined at one so that every county in the state can be serviced. The local officers are supplemented by a staff of 218 professional workers in experimental, technical advice, and other farming and homemaking methods.

Deward B. Varner, who is director of the Michigan State Extension Service, was named by the State Land-Grant College Supervisory Board and ap-

No Snow Expected

Cloudy Skies

Predicted for

Game Saturday

MSC's Spartans have been blessed with sunny Saturday for the most part.

But the weatherman fore-

casts a 20-mile an hour wind

of 40 degrees, and overcast skies for the Marquette game to-morrow. No rain or snow is pre-

dicted.

The low tonight will be 30 de-

grees with the cold and clouds continuing through Saturday.

The hour and half show

patterned after the Olympic

meets, will be presented to

day and Saturday at 8:30 p.m.

The lighting of the torch and the crowning of the 1952 Purpose Queen, Marie Ann Riley, opened the show. The queen and her court received fish plaques from the university.

A dedication to Spartan ath-

letes who represented MSC on

1952 Olympic teams followed.

Athletes present were Clarke

Scholes, swimmer; Dale

Thomas, wrestler; and Chuck

Spicer, boxer. Matt Mann,

men's swimming coach for U.S.

Olympic teams was also humor-

ed.

Comedy skits in the fast-moving

photographs included a satire on

Cyrano de Bergerac, the minor

way to dove, and a nightshirt

relax.

One of the most outstanding

acts was the graceful Indian

water ballet, "The Thunderbird," by Purpose guest, Mrs. Beulah Grundling, National Outdoor AAU synchronized champion for 1951.

Signs were displayed in front

of living units today for the

contest, added Haganen.

Speakers for the rally will be

Biggie Munn, football coach;

Don McAuliffe, captain of the

32 squad; and George Guere,

Michigan State graduate and

former varsity football player.

The cheerleaders will lead the

crowd in calls and songs.

Cart Before the Horse

One of the big projects for Student Congress members in the next few weeks will be agreeing on the amount of the student tax to be collected winter and spring terms.

President Bob-Bob started the ball rolling when he presented a proposed budget to the group two weeks ago. Two budget meetings open to students were held by the Finance Committee in order to test the general sentiment toward the proposal.

Examination of the budget raises several questions:

It provides for a \$3,000 general fund and a \$200 general unappropriated fund.

For what will this money be used? If it is to be utilized for specific projects which will give students tangible benefits, why haven't these projects been defined sharply?

If, on the other hand, the \$3,200 would be merely a cushion for the Congress treasury, it should not be collected.

One of the original purposes for the student tax was to create interest in Student Government. The theory was that because the students would have to contribute money from their own pockets to the organization, they would be curious about the spending of the money.

This objective has been reached. There has been a steady stream of controversy about the tax and Congress even since the tax was proposed.

But there must have been a second objective. Certainly, the group was to strive to find and to fill student needs with the money.

At this point neither the student body nor Congress has a definite idea of how much money will be needed winter and spring terms. Yet proponents of the budget insist that the full 25-cent tax will be required. How they arrived at this maximum figure is open to speculation.

Before making an intelligent decision on the size of the tax bill congressmen must know how money is to be spent. They should be able to explain their vote on the budget to constituents with concrete figures for expenditures.

Last Football Rally

Tomorrow we hope our Spartans will clinch the mythical but pretty real-to-us national football championship.

Tonight, we get together for the last football pep rally of the season. It starts at 7:30 p.m. at the bandshell, and will feature speakers, cheering and music by the varsity band.

A "win the 24th straight game" sign contest will be another highlight of the evening. Sponsored by Blue Key, junior-senior men's honorary and the Student Government, the competition is aimed to bring out signs by men's and coed living units which play up the win number 24 idea.

About the only thing missing will be 161,000 pounds of wood which burned last week. At that, the wood would still be there in all probability had not enthusiastic students overruled Fire Inspector Richard Bernitt's request that the meeting be postponed.

No single group or individual seems to be to blame for the fire, so we'll just say we're glad it didn't do any damage and it sure was a fire to remember, wasn't it?

But we're going tonight to cheer for guys like Paul Dekker, Ed Luke, Doug Bobo, Frank Kushi, Dick Tamburo, Joe Kiernan, George Stein, Howard Adams, Jack Morgan, Doug Weaver, Lee Boyd and Ed Timmerman.

They will be playing their last game tomorrow, along with Don McAffee, Vince Pisano, Willie Thrower, Ray Vogr, Johnny Wilson, Wayne Benson. The only senior who is sure to see no action is the injured Dick Paulin.

We are going over to the bandshell this evening and will meet you there. After all, it will be about 10 months before we can get together for a football rally again.

Origin of Career Carnival Explained

To the Editor:

This communication is not in any sense of the word meant to denile your fine editions. It is, however, written to present information which perhaps you did not previously know.

The first Senior Career Carnival was held in the spring of 1950, not 1949 and began as a senior activity sponsored by the senior class of 1950.

The following fall the Placement Office fell the Placement Officer and interested students among its clientele expanded the activity into an all-college activity.

Third, fall, 1951, summer.

Fourth, fall, 1952—same.

You see, two carnivals were held in 1950, the first in the spring and the second the following fall carrying out the before-mentioned desires of the Placement Office and the student body.

First—spring, 1950—Senior Career Carnival, Ray Hunter, chairman.

Second, fall, 1950—All-College Career Carnival, Orland Schuenemeyer, chairman.

Third, fall, 1951, summer.

Fourth, fall, 1952—same.

You see, two carnivals were held in 1950, the first in the spring and the second the following fall carrying out the before-mentioned desires of the Placement Office and the student body.

First—spring, 1950—Senior Career Carnival, Ray Hunter, chairman.

Second, fall, 1950—All-College Career Carnival, Orland Schuenemeyer, chairman.

Third, fall, 1951, summer.

Fourth, fall, 1952—same.

Yogi-talk Predictions

By ALEX LAGGIS

For most conferences, this is title-deciding week.

Chances of finishing the season with a .700 average are a little brighter after last week's results raised the all-season mark from .652 to .667 on 23 wins against nine losses for a grand total of 96 wins, 48 losses and six ties.

Going into the last big week of collegiate football action with a respectable .667 guessing average, the following teams are picked to come out on the long end of the score Saturday.

While the Spartans are bagging their 24th straight victory in Macmillan Field at the expense of Marquette by a five touchdown margin, the neighboring Wolverines will have a rough time getting by Ohio State at Columbus. Paired with sophomore sensation John Burton, who has overnight developed into one of the best throwing quarterbacks in the Big Ten, the Buckeyes are out of the title race and haven't much to lose. The Wolverines have a Rose Bowl trip at stake. The winner? I'll take Ohio State by a touchdown.

In the other crucial battle that will help decide the Conference victor, it's Wisconsin over Minnesota in a game that should give the Badgers ticket to the Rose Bowl come New Year's Day. A home field advantage plus a balanced offense should be enough for Wisconsin to everyone Paul Giel and company.

Purdue, who seemed "in like Flynn" a couple of weeks ago, will keep their hopes remotely alive by whipping Indiana in a closer game than everyone expects. The Boilermakers could sneak into the Rose Bowl if the two leaders falter.

In other Big Ten games, Indiana should beat Northwestern in camp while Iowa has the distinction of facing Notre Dame a week after the Spartans got through mauling them.

In a swing through the southland, Maryland upset by Ole Miss last week meets Alabama, a team that almost upset Georgia Tech. The Terps should finish the season with a victory.

Other probable winners are Clemson over Auburn, Florida over neighboring Miami, Wake Forest over Furman, Duke over N. Carolina, USC over Rice, South Carolina over West Virginia, SMU over Baylor, Memphis over Kentucky and under-rated Tulsa over Arkansas.

Georgia Tech should have a nice practice session today with Florida State as practice drill for the Sugar Bowl. Virginia gets the nod over Washington and Lee.

Oklahoma A & M is favored to trim Washington State in the top intersectional game on Saturday's grid menu. In the east, R. Columbia over Brown, Princeton over Dartmouth in an easy one, Yale over Harvard in a tradition-filled battle, Syracuse over Fordham, Temple over Holy Cross, Villanova over Boston U. and Pitt over Penn State.

California should get in Stanford in a far west clash and Oregon is favored over Oregon State in the big one that will determine the Rose Bowl representative. UCLA should snap out on top to remain undefeated by beating USC.

Lushwiler A & M, victims of a tiny an 1M upset, should remain shovelled away by nipping the Student Government this afternoon.
