MSC DAILY STUDENT PUBLICATION

WEATHER:  
CLOUDS AND  
SNOW EXPECTED

Committee heads of "Block S" are shown laying plans for an MSC flash card section. Standing are: Dot Elzinga, King MacBride, Dis Peabody, Jackie De Haas, and Don Stuart. Seated are: Jeanne Carnahan, Dianne Way, Justine Ray, Jim Spelman, Judy Naujals, Jim Buchanan and Joyce Benjamin.

## Plan for Next Fall

### 'Block S' Meeting Slated Wednesday

By MARY WAIBEL

"Block S," a proposed flash card section for MSC home football games, will be introduced to students with movies showing the flash card section of the University of Illinois at an open meeting Wednesday at 7 p.m. in Union Room 31.

Jim Spelman, general chairman of "Block S" committee, will also appoint committee members at the meeting.

The proposed "Block S" will be based on a plan similar to the flash card section which has been used successfully at Illinois for over 25 years.

In co-operation with the ticket office, it will be arranged so that each member of "Block S" will have a season ticket for a certain seat in the flash card section. He will also have a "Block S" badge which will enable him to get to the section.

"Block S" is tentatively planned to be in the junior section.

"Block S" will work in co-ordination with the band and cheerleaders to form letters, symbols and cheers. Stunts will vary from week to week.

Applications for membership in "Block S" will be distributed during spring term registration, and any student interested in becoming a member is eligible to apply.

The group is expected to include 936 students. Applications for membership must be turned in before May 6.

The first instructional meeting for "Block S" will be held on May 6 at Fairchild Theater.

The purpose of "Block S" is to promote more organized school spirit at MSC, according to Jim Spelman, general chairman of "Block S" committee.

Flash card sections have worked successfully at Stanford, University of Southern California and other schools. Indiana University is planning a similar section for next fall.

"Block S" is sponsored by the class of 1954. After next year, it will become a junior class project.

The following committee heads were appointed: Justine Ray, chairman; Dorothy Elzinga, flash card section; Elizabeth Peabody, chairman membership and attendance; Jeanne Carnahan, chairman instructional committee; and Jackie DeHaas, recording secretary.

## Oleo Bill Approved by House, 67-12

Would Permit Use By School Systems

The bill to allow the serving of oleomargarine in schools passed the Michigan House of Representatives Monday night by a 67-12 vote. The bill was given immediate effect, and sent on to the Senate for action.

The measure, which will allow the substitution of lower cost oleo for butter in schools with the approval of the school board, was fought to the end by those representatives wanting the ban on oleo in state institutions to include schools.

Rep. Herb Clements (R-DeKerville) moved to amend the bill just before its passage to force the schools to cut the oleo into triangular pieces when serving it so that it might be distinguished from butter.

The amendment was defeated without a roll call.

Rep. Adrian DeBoer (R-Gwasso) in requesting that the bill be given immediate effect mentioned that the Detroit school system was being sued because they had substituted oleo for butter and that the outcome of the suit was dependent on the outcome of the measure.

Meanwhile in the Senate the bill providing that the names and addresses of witnesses being called to establish alibi or good character in criminal suits was reconsidered and held on the table.

Senator Gilbert (R-Saginaw), sponsor of the bill, which failed to pass the upper chamber in a tie vote last week, said that he would amend the bill so that only names and addresses of witnesses who would be used to establish an alibi would be given to the prosecution.

Gilbert said that this was alright with Sen. Cora Brown (D-Detroit) who had led the fight against the bill when it was originally defeated in the Senate.

Dr. Herbert Weisinger, Department of English, has received an announcement from his publishers, Routledge and Kegan Paul, that his book, "Tragedy and the Paradox of the Fortunate Fall," has appeared in England.

Dr. Weisinger's book is the result of a two-year leave, spent in England under the auspices of the Warburg Library of London.

In announcing the publication of Dr. Weisinger's book, Dr. R. B. Nye, head of the Department of English, added that an American edition will appear under the auspices of the MSC Press in spring, 1953.

## Last Rites Held for Joseph Stalin; Top Reds Conduct Body to Tomb

### Dulles Sees Chance for Peace Now

World Hopes Grew With Stalin's Death

UNITED NATIONS, N.Y. (AP)—Secretary of State John Foster Dulles said Monday the removal of the "malignant power of Stalin" has given the world a better chance for peace.

Answering questions at his first conference here since becoming Secretary of State Dulles said Stalin's desire to be a world-wide despot put a damper on peace aspirations of peoples and nations. He said he did not believe any successor to Stalin can be so effective a damper.

Dulles also said the U.S. government does not at present plan any new tactics or strategy in the cold war.

The secretary announced he hopes to make a fact-finding tour of Middle East and South Asian countries in May. He said the U.S. has no plans to ask the UN to undertake any new action in Korea at this time.

He hopes other UN members will continue to be aware of the need for general and equitable participation in the Korean War; relations between Moscow and Peking would be determined by these countries with there being little the U.S. could do to influence them.

Asked about the new spirit mentioned in his statement, Dulles said those words were not designed to reflect a new strategy.

He added there are no new tactics or strategy at the moment, but that those words reflected the hope that a new spirit will pervade the world to replace the contrary spirit of Stalin.

### Agriculture Club Plans Leadership Training Session

Committees have begun planning the Agriculture Education Club's annual leadership training camp to be held April 17-19 at the Cedar Lake Group Camp near Jackson.

The enrollment and publicity committee hopes to sign up 100 students for activities that will include nature study, group games and singing, photography, news reporting, first aid and cooking.

The program committee is arranging for outside speakers, and the food committee is planning a cook-out barbecue.

One project will be putting out a mimeographed camp newspaper. Other activities will center around the coming year's program. Committees will plan the club's Activities Carnival booth, the annual club banquet, and next year's leadership camp.

Mourners form a long line outside the House of the Trade Unions Building in Moscow as they waited to file past the bier of Soviet Premier Joseph V. Stalin. Before entombment, Stalin's body rested on a high platform in the building's great Hall of Columns.

### Tape Recording Greets Dialers of Wrong Numbers

If you have tried dialing a number beginning with 8 since March 1, you have been set back on your heels by a crisp, clear-cut voice saying that all telephone numbers starting with 8 have been changed, and requesting you to consult your new directory for the new number.

The voice you hear is an endless tape recording which operates from the Lansing office, and is louder than usual in order to draw attention to the error in dialing.

### Weisinger, Jaffe Represent MSC At English Convo

Michigan State College will send two representatives to the 1953 meeting of the Conference on College Composition and Communications, to be held March 12-14 in Chicago, it was announced by Dr. R. B. Nye, head of the Department of English.

Dr. Herbert Weisinger, co-author of two texts in freshman English, will serve as chairman of a panel on "What is New About Communications?" and Dr. Adrian Jaffe, co-editor of a book of short stories for introductory classes, will serve as secretary of a workshop on "From a Student's Reading and Listening to His Writing and Speaking."

The conference meetings, sponsored by the College English Association, attract more than a hundred composition teachers from all sections of the country.

### Economic Seminar To Discuss Freedom

The speaker for today's Department of Economics seminar will be Prof. Russell B. Nye, head of the English Department.

Professor Nye's topic, "Freedom and Responsibility in Art," will fit in with seminar's general topic which is "The Meaning of Freedom."

The seminar will be held at 2:40 p.m. in 216 Berkeley Hall.

The seminar will be held at 2:40 p.m. in 216 Berkeley Hall.

### Lacks Verification

## Congress Proposal Declared Invalid

Constitutional amendment proposal No. 2 requiring the Student Government president be nominated by Student Congress and elected by an all-college vote has been ruled invalid.

The petition lacks 70 verified signatures, according to Bob Steele, chairman of Congress business and state affairs committee, which will meet today to decide what method they will take to further check and verify the petition.

"We will not know until after the committee meeting whether it is possible to re-check the signatures before the Congress meeting Wednesday night," said Steele.

"Since it is invalid according to the verifying committee's report and if no further checking is possible before the meeting, the petition will not be able to be further considered by Congress until after complete verifying action has been taken," Steele added.

Steele said Jack Winkeljohn, backer of proposal No. 2, asked that the petition be considered valid if ten per cent of the students who signed the petition had paid the winter term student tax.

After checking the names signed on the petition, the verifying committee revealed that 1,033 signatures had been verified. Approximately 250 signatures were invalid because of failure to meet the criteria for verification. Many signatures were unverified because of illegibility. It was impossible to check whether the signers were students of the college, Steele said.

"For this reason I am declaring the petition invalid for Congressional action at the present time. Under this decision it will be impossible for Congress to do a referendum on the Winkeljohn amendment," Steele said.

Winkeljohn said that he intends to collect 70 more signatures before Congress business and state affairs committee meets this afternoon.

Don Meale, representative from fraternities, asked Meale to have the verifying committee check Proposal No. 1 which has not yet been introduced to Congress, along with Winkeljohn's so that both proposals could be voted on at the same time.

Steele said: "I told him that I would see if there was any possibility of checking the validity of the names on the petition, before Wednesday evening even though this action by the committee would have no legal significance. However, if the verifying committee had guaranteed the validity of the names, Meale would be able to request the Congress to consider the bill verified and discuss it at the same time as the Winkeljohn amendment."

## Premier's Coffin Rests With Lenin

Prayers Omitted From Service

MOSCOW (AP)—The body of Joseph Stalin was laid beside that of Lenin Monday in the big marble tomb in old Red Square.

No spoken prayers or religious rites were included in Stalin's funeral.

While leaders of all religions in Moscow had said public prayers for the Soviet dictator after his fatal illness was announced, church services were nevertheless omitted in keeping with Communist doctrine that "religion is the opium of the masses."

Here is the way Stalin's funeral went:

Georgi Malenkov and other top men of the party and government gathered early at the Hall of Columns where the dead leader's body has been lying in state since Friday.

Troops in long grey overcoats stood motionless on the cold cobblestones beside the tomb. A 750-piece band was silent. Thousands of civilians holding black-bordered portraits were in the square, all very quiet. Another 10,000 were in the stands.

Faintly in the distance came the sound of music. It was the stately and awesome Chopin funeral march.

As the music swelled, a procession from the Hall of Columns came up the slight hill into Red Square. The big band joined in the dirge-like music that filled the square. The procession marched slowly to the strains of Chopin's music.

First in line were the masses of flowers, so big that no single person could support them. The wreath bearers—at least 150 of them—turned right before the tomb and divided into two lines. They put the wreaths against the base of the tomb.

To the left walked Marshal Semyon Budennyev bearing a silk pillow with one of Stalin's medals. He was followed by other military leaders bearing similar pillows. Just behind them came a single soldier on a black horse. Eight horses followed pulling a gun carriage. On it lay the coffin of Stalin.

The coffin was covered in crimson cloth, but the features of Stalin could be seen through a rounded section of glass. Stalin's closest friends and companions walked just behind the gun carriage in one row. Malenkov walked in the center, flanked by Lavrenti Beria and Chou-En-Lai.

Next came the foreign guests. The procession halted before the white, cloth-covered platform. See STALIN, Page 4

## NEWS IN BRIEF

### Congress Opposes War Probe

WASHINGTON (AP)—Prospects of a new and sweeping investigation of Korean War strategy received Monday as Senate Majority Leader Taft of Ohio announced he would not press for the probe in the face of congressional opposition.

### Jets Attack Red Supply Route

SEOUL (AP)—Allied Thunderjets spewed a fiery trail of destruction along the Communist main supply route to the Western Korean front Monday and Sabre jets reported destroying three MIGs that tried to interfere.

# Spartans Tipped by Badgers, Finish in Tie for Third

## State Loses, 58-51; Ferrari Sets Record

Wisconsin's Badgers dropped Michigan State into a third-place tie with Minnesota in the final Big Ten basketball standings Monday at Madison with a 58-51 triumph. Both the Gophers and the Spartans compiled an eleven-game losing record to share first behind conference champions Indiana and second place Illinois.

Forward Al Ferrari notched 15 points to set a Spartan scoring record of 331, seven over Bob Brannum's previous high-water mark of 344 set in the '47-'48 season. In averaging an earlier 53-45 back in 1947, the Spartans had lost two weeks ago, the Badgers from the first minute in hand. Coach Pete Newell's quintet fifth round loss on the Big Ten court.

In the third quarter, the Badgers almost doubled their lead with a 41-21 lead. From that point, State fought back to within six markers of their hosts midway in the final frame. In the last quarter, Wisconsin scored only one field goal, but made 15 free throws to stay in the game. The Badgers' win came at the throw line where they tallied 47 tries to State's 19 of 30. The lead in field goals 16 to 14. High-scoring for the evening was Badger Paul Morrow who hit 10 field goals and nine charity shots for a 21 total. In the press clash with the Green and the Morrow was held to six points. Both teams wound up with an all-time record of 13 wins and nine losses while the winners had a conference record of ten and six, which was good for fifth place.

## Hoosiers Trim Iowa; Illini Win

Ohio State Drops Michigan to Cellar

By the Associated Press

Indiana's Hoosiers finished their best Big Ten basketball season Monday night by clip-

## Big Ten Standings

TEAM	W	L	Pct.
Indiana	17	1	.944
Illinois	14	4	.778
MICHIGAN STATE	11	7	.611
Minnesota	11	7	.611
Wisconsin	10	8	.556
Iowa	9	9	.500
Ohio State	7	11	.389
Northwestern	5	13	.278
Michigan	3	15	.167
Purdue	3	15	.167

ping Iowa's Hawkeyes, 68-61, for their 17th conference victory and a runaway league crown.

In two other contests, runner-up Illinois took an early lead and held it to conquer Northwestern, 86-70, and Ohio State trounced Michigan, 95-71.

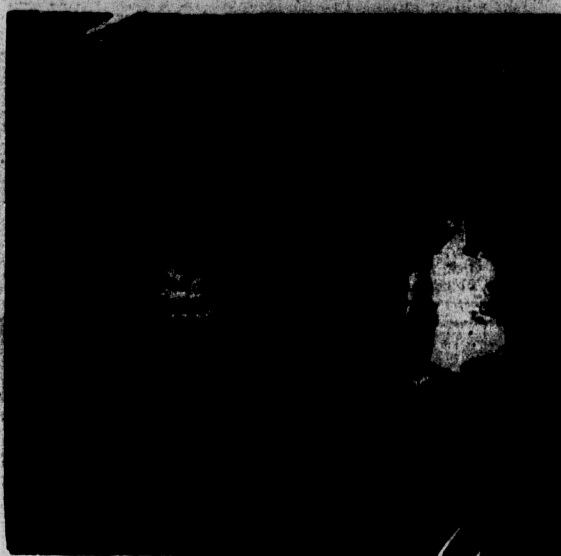

The three games closed the door on all Big Ten cage competition for this season.

Both Purdue and Minnesota were idle, but the Gophers backed into a third-place tie as Michigan State fell to Wisconsin.

Buckeye Paul Ebert threw in 34 points to set a new Ohio State season record of 477 points as the Wolverines dropped into the conference cellar along with Purdue.

Indiana's conference champs had no trouble with the Hawkeyes and Hoosier subs played most of the final half. Don Schlundt, the giant Hoosier center, increased his Big Ten scoring record for one season to 480 tallies by mashing 22 in less than three quarters.

The Hoosiers, who compiled a 19-3 record in all games, will enter the NCAA tourney competition Friday night in the Chicago regional against the winner of the DePaul-Miami of Ohio game tonight.

Sophomore forward Al Ferrari displays some of the driving power that won him a new Michigan State individual scoring record when he clinched a tremendous season Monday night in Madison, Wis. Ferrari mashed 15 points in a losing cause as the Spartans fell to the Badgers, 58-51. Ferrari compiled 351 points during the season to eclipse Bob Brannum's 344, set in 1947-48 season. The above action was caught during a recent Spartan encounter with Northwestern's Wildcats.

## Best Big Ten Forward

## New Cage Point-King Shines, Win or Lose

Meet Michigan State's new individual basketball scoring titleholder, Al Ferrari, sophomore forward from New York City.

By virtue of his 15 points against Wisconsin Monday, Ferrari eclipsed Bob Brannum's record of 344 set in the '47-'48 campaign.

Ferrari's total scoring mark reads 351 in 22 games for an average of 15.7 per contest.

Distinctions gained by Ferrari this season include: The Big Ten highest scoring forward and Michigan State's most prolific point-maker at a forward position in the 52-year history of basketball on the campus.

Participating in State's entire schedule of 22 tilts, Ferrari's biggest evening was against the Michigan Wolverines last Saturday when he accounted for 25 markers in the 55-52 win.

His other big games were against Indiana and Illinois when he tallied 22 on each occasion, in addition to hitting for 24 in the Spartan Classic tussle against the Kansas State Wildcats.

## Sigma Nu Drops Abbot 18

## E. Shaw, Old Timers Take Titles

E. Shaw 2 nailed down the dormitory basketball title Monday night as the Old Timers finally were awarded the independent crown.

The Old Timers, forced to play two protest replays in their drive toward the championship, conquered the Indians for the second time, 37-29.

E. Shaw 2 took the dorm honors by virtue of a resounding 45-36 victory over Snyder 17.

In the first game of the evening Sigma Nu continued a drive for another All-College crown by eliminating Abbot 18 from the playoffs, 30-16.

Semifinals will highlight tonight's action as the Old Timers clash with Snyder 17 at 8:40 and Sigma Nu faces E. Shaw 2 at 7:25. Snyder 17, despite Monday night's loss, won a place in the playoffs earlier by taking the Snyder-Phillips crown.

Featuring a big third quarter, the Old Timers came out of an 18-17 halftime deficit to lead the Indians, 27-19, at the end of the third quarter.

While his teammates were holding the opponents to a lone free throw, Stan Baxter slammed through three field goals to lead a 10-point Old Timer splurge.

The Old Timers trailed, 10-6, at the end of the initial period. The Indians narrowed the count to 30-27 with two minutes remaining in the final stanza, but

the winners' fast-break tactics put the game in the cooler.

Baxter led the winners with 15 points followed by Dick Bailey with nine and Ray Mott with six. Earl Mowatt paced the winners with 11 while Buck Nystrom tallied six.

It was a different story with E. Shaw 2 as it led all the way to win by a solid 19 points.

The winners led, 8-6, at the

quarter and extended the margin to 17-7 at halftime. Both squads scored 12 points in the third period and E. Shaw 2 still held the upper hand, 29-19. Jerry Volek meshed 16 points to lead all scorers for E. Shaw 2. Pete Belanger got seven for the winners and Jim Dunn hooped six.

For the losers Dick Berg tallied 14 while Don Stott scored

six markers and Jack Hanson five.

Sigma Nu's air-tight defense again fashioned a low-scoring encounter as the Greeks held Abbot 18 to only 16 points.

Sigma Nu jumped out to a 6-3 first quarter advantage and led, 12-6 at the half. Abbot 18 pulled up to within three points of the winners, but still trailed, 17-14, at the close of the third stanza.

## Boast Clear Exhibition Slate

## Tigers Win Third Straight, 7-3

LAKELAND, Fla. (AP)—A four-run eighth inning, featured by Frank Carswell's bases-loaded single, gave the Detroit Tigers a 7-3 exhibition victory over the Cincinnati Reds Monday.

It was the Tigers' third win in as many Grapefruit League starts.

Carswell's single, a slashing grounder between third and short, was the only hit the Tigers made in the eighth. They were helped by three walks and an error by losing pitcher Niles Jordan.

Russ Sullivan smacked a two-run homer in the third inning, giving the Bengals their fifth round-tripper in three games. Rookie Milt Jordan, who pitched the last three innings, was the winner.

Cincinnati, like Detroit, banded out eight hits. Three of the Reds' hits were doubles and one a triple.

The Tigers went into the eighth with the score tied, 3-3.

Shortstop Harvey Kuenn, who had tripled and singled, started the eighth inning rally by drawing a walk off Niles Jordan.

Kuenn moved to second when the Reds' pitcher made a bad throw on Al Federoff's attempted sacrifice. Don Lund also tried to sacrifice but this time Kuenn was cut down at third.

After Keith Little walked, Carswell, a 33-year-old outfield-

er, delivered his game-winning hit. Little scored a minute later on a passed ball and Carswell came home with the final run on a ground out.

Detroit used three pitchers. Bill Wight pitched the first three innings, Ned Garver the second three and Milt Jordan the final three.

Southpaw Wight seemed to have the best stuff, yielding only one hit—a meaningless two-bagger in the third inning.

All eyes were on Garver when the righthander took over in the fourth inning. He was making only his second start of any kind since last July, and he pitched rather carefully. He seemed to be testing his arm.

Garver gave up two runs in the fourth, Rocky Bridges knocked in one run with a double and

later scored on a fly ball. In his three-inning stint, Garver yielded four hits.

The Reds made it 3-2 by scoring those two runs off Garver, and finally tied it up with a single run in the seventh off Milt Jordan. A triple by Bobby Adams and a double by Gus Bell got the tying run home.

The Tigers are idle today.

All units of the Bell Telephone System play parts in the satisfying and rewarding job of making this country a nation of neighbors.

The telephone operating companies and Long Lines provide local and Long Distance telephone service that makes it possible to reach most everyone in this country and many people in foreign countries. Bell Telephone Laboratories invents and designs and Western Electric manufactures and distributes the equipment that makes service better year after year.

The Sandia Corporation, a subsidiary of Western Electric, is concerned with the military application of atomic energy.

The chart below may help you in considering how your education has prepared you for a starting job with one of the Bell Companies.

## Hawaiian Statehood Bill Opposed in House

WASHINGTON (AP)—Southern Democrats led the opposition to statehood for Hawaii Monday as Republican leaders sought to push the bill through the House for the third time.

Hawaii's geographical position, 2,000 miles from the mainland, the size and Oriental complexion of its population and the threat of communism were points raised during debate to bar the admission of Hawaii as the 49th state.

In the background was a rumbling of Democratic resentment over failure of the Eisenhower administration to get behind the drive for Alaska statehood at the same time the Hawaii bill is up for action.

The vote on Hawaii is expected Tuesday. The House passed the bill in 1947 and again in 1950, but the Senate failed to act.

Chairman Allen (R-Ill.), of the House Rules Committee presented Hawaii's case for statehood as a "non-partisan" issue. But Rep. McCormack (D-Mass.), the Democratic whip, noted that Democrats in the last Congress brought up bills for both Hawaii and Alaska, while only the Hawaii bill is being pressed now.

Hawaii is traditionally Republican, while Alaska is considered normally Democratic. Alaska now has a Republican legislature, however.

Rep. Velde (R-Ill.) supported the bill. He said that while the Communist party is active in Hawaii, the people there are more alert to its dangers than many people in the mainland.

## School Board Officials Go to MSC 'School'

School board members are going to school.

An extension training program for Michigan's school board members and school superintendents has been set up under the joint sponsorship of Michigan State College, the State School Board Association, and various county boards of education.

The purpose is to better acquaint school board members with their duties and responsibilities in the operation of their respective school systems, and with laws which govern their work. The course is intended to be especially useful to new board members.

The first experimental program was started in Ingham county in January. Eventually, the program will cover the state, it is hoped.

The program usually includes six sessions, held every second week. The schedule is tailored-made for each group.

At the college the work is handled by the department of educational and community services of the Continuing Education Service and by the Michigan Association of School Boards.

## Stalin

(Continued from Page 1)  
Gently Stalin's companions lifted his coffin off the gun carriage and slowly set it down.

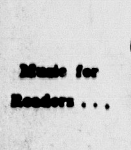

The party and government leaders went up the flight of marble stairs leading to the tribune atop the tomb. All looked like men heavy with grief. Malenkov led the procession that went up single file, followed by Beria.

## Dr. Hatcher Says Youth Needs Help

Dr. Harlan Hatcher, president of the University of Michigan, told rural teachers Friday evening that theirs is the most difficult of all the professions in the nation.

Speaking at a dinner meeting of the Conference on Rural Education, Dr. Hatcher asked the teachers to instill a sense of heritage and responsibility in the youth of today.

He urged the use of literature, philosophy and history as a "core of direction." Attacking the current tendency to cut down the English vocabulary, Hatcher said, "I plead for the English language and recognition of the capacities of children."

The convention, sponsored by the Michigan Rural Teachers Association, the MSC School of Education, and the Continuing Education Service, met March 5, 6 and 7 at Kellogg Center and the Union.

Exhibits, workshop sessions and discussions concerning the problems and possibilities of rural education were presented.

## Researcher to Speak To Chemistry Society

Dr. H. B. Hass of the Sugar Research Foundation, New York City, will speak on "The Commonest Pure Organic Compound" to the MSC section of the American Chemistry Society at 7:30 p.m. Wednesday. The meeting, which will be open to the public, will be held in 122 Kedzie.

## Triple Daily Double

Race Bet: \$2.36  
Payoff: \$300,600

CARACAS, Venezuela (AP)—An unknown better won a record \$300,600 on a \$2.36 bet in Sunday's "five and six" betting at the Caracas Racetrack.

Only one person picked the winners of the final six races of the day to hit the all-time high jackpot in a betting system that might be roughly compared to a triple daily double.

Track officials said the winner wouldn't be known until he comes in to collect with the carbon copy of his ticket.
