## Bill Sent to Governor

# Fate of Library Up to Williams

## Executive Undecided On Action

### House Democrats Fight Passage

The fate of the business receipts tax and indirectly of MSC's new library is in Gov. Williams' hands.

Michigan's House of Representatives Wednesday passed the major tax bill without amendment and it will be presented to the governor for his action as soon as possible.

He said Wednesday afternoon that he had not yet decided what he will do.

Three courses of action are open to the governor. He may sign the bill, veto it, or let it become law without his signature.

There were definite indications in both houses of the legislature that the fate of the library and all appropriations depend directly upon his action.

"If he signs the business receipts tax bill we will pass the new construction program" was the prediction of Senate majority leader Craighead R. Coleman (R-Battle Creek).

If he doesn't, I would say that the entire capital outlay program would be out the window and drastic cuts in the remainder of the budget will have to be made," Coleman added.

The receipts tax proposal passed the House Wednesday by a 53-43 vote with bitter protests from the Democratic minority.

House Democratic leader El Carey (D-Detroit), speaking for his fellow minority members, termed the bill a product of the capital's lobbyists and added they were probably the only ones who fully understood it.

All 33 Democrats voted against the bill.

House Republicans also followed through Wednesday on the Tuesday night caucus decision to extend the time of the legislative session into June.

A resolution was introduced calling for the lawmakers to adjourn Friday, the day which was to have ended the session, and return June 1.

The Legislature would then learn the governor's action on the series of tax bills they have passed, and vote upon appropriation measures.

## East Lansing Approves City Tax Increase

A six-tenths mill increase in city taxes was set Monday as the East Lansing city council approved a \$579,720 budget for the 1953-54 fiscal year.

The total breaks into \$343,780 miscellaneous income and \$235,940 in property taxes with \$3,100 being carried over as cash on hand. Spread over the total assessed valuation of \$17,377,200, the tax requires a rate of 14.5 mills as compared to 13.9 mills used in the past four years.

This year's budget marks a \$24,470 increase over the 1952-53 figure of \$555,250. Wages and salary adjustments for city employees primarily necessitated the budget hike.

A \$171,600 water and sewage budget was also approved by the council for the 1953-54 fiscal year.

The council approved a petition by the MSC Water Carnival Committee to hang posters in the shape of whales on Grand River utility poles.

In a public hearing on the paying of Grand River alley between M.A.C. Ave. and Charles St., owners of property facing the alley objected to a proposed sewerage system. They claimed assessment was made on the property but no sewerage was made to pay for the sewerage between them and now the property is in a predicament.

First place trophy for the Bullthrowers' Speech Contest, May 26, is admired by Ruth Lashovitz and John Eberle. It is currently displayed in a Union showcase.

## Bulltossing Prelims Slated for May 26

About 30 entries have been received for the Bullthrowers' Speech Contest, David Hyman, contest chairman, said. Preliminaries are set for May 26. Finals will follow two days later.

Trophies to be awarded the winners are displayed in the Union. First place award will be a cup depicting a man throwing a bull. Second and third place winners will also receive trophies.

Contestants may give any type of speech that they wish within the limits of eight minutes. Any student is eligible except members of the varsity debate squad or past winners. Each speaker must represent a living unit.

This is the first time that class officers have taken an oath, but the procedure will be followed in the future because of the student Congress ordinance, said Hyman.

Two State Graduates Head Army Program

Pvt. John R. Harrington and Pvt. Paul D. Quimby, MSC graduates, have been selected along with three other privates to lead the Cultural Center activities at Camp Atterbury, Ind., next week.

Students will continue to enter and contact Hyman at 226 West Shaw Hall.

Sponsored annually by Phi Kappa Delta, national speech fraternity, the contest was initiated by Edward Lashovitz, former class president in 1950, for the purpose of giving students an opportunity for oratorical experience.

The case of Bulltossing has been added to create interest and explain the nature of the speech contest.

He said the name of the complaint was not disclosed.

When the agents first appeared at the prison, Brooks said William H. Brennan, attorney for the FBI, had authority to enter the prison.

Brooks said he was doubtful that Brennan had made any use of it and to allow the agents to make their investigation.

Brennan reported that the agents seemed to be entering their questioning around the Nov. 30 hearing of four inmates in a disciplinary barracks by a group of guards.

Medical Director Russell L. Finch resigned after the incident, saying he could not remain at the prison and condone brutal treatment of prisoners.

Prison administrators claimed the beatings were administered by the guards in self defense.

Brooks said he was doubtful that Brennan had made any use of it and to allow the agents to make their investigation.

## Officers to Take Oath New Congress Gets Orientation

Newly elected student Congress members met for the first time Wednesday night for a preview of governmental activities and duties which they will assume next year.

Horatio B. Lewis, Congress Speaker, read the rules and regulation and the student government constitution to the group. He explained attendance quorums, officers and their duties, procedure at meetings, introduction of bills and resolutions, the three branches of student government, and Congressional standing and select committees.

A committee of seven was appointed to investigate the rules of procedure which will be voted on at the group's next meeting May 27. Oaths of office for the elected will be administered, and the executive department will be explained in detail.

Two more meetings are scheduled before the end of spring term, one on May 28 when nominations for government president, Congress speaker and secretary will be made and retiring president Bob Bolo will present a detailed year report. The other is set for June 2 when officers will be elected.

## U. N. Still Working on POW Plan

TOKYO (AP)—Lt. Gen. William K. Harrison, chief Allied force negotiator and the top United Nations commander in the Far East, Gen. Mark Clark, huddled Wednesday for the fourth straight day on reported modifications in an Allied plan to crack the prisoner exchange deadlock and end the Korean War.

The talks are snagged over how to handle 34,000 Koreans and 14,500 Chinese prisoners who say they will resist repatriation to Communist rule.

Others include Irene Maquet, Detroit sophomore; Kathleen McGowan, Jackson senior; Frank Serresque, Detroit sophomore; Diane Margolis, East Lansing junior and Beatrice Hibbard, Marquette sophomore.

More are Dick Zimmerman, Coopersville senior; Douglas Smith, Milan senior; Jim Whitaker, Metamora senior; Bob McIntosh, Garden City sophomore; and John Greenberg, Detroit senior.

## Winds to Blow Rain Predicted But Sun to Shine In Afternoon

Though the temperature will remain at a high of 70 degrees today, most Spartans will probably not appreciate the occasional showers and light thunderstorms which are expected late in the morning and early afternoon.

Light winds from the Southwest are predicted along with some sunshine late in the afternoon.

## Grass Harp Planned as Arena Play

Capote Fantasy Slated for May 27

An arena style production, "The Grass Harp," by Truman Capote, will be the annual presentation of Theta Alpha Phi, dramatics honorary, for three nights starting May 27, in 301 Home Economics Building.

The comedy fantasy tells of a true who live in a tree house in a lush tropical island.

The play is produced entirely by members of Theta Alpha Phi and persons working to become members.

Members of the cast include Amy Houghton, Niagara Falls, N.Y. senior; Pat Davies, Grand Rapids, junior; Sue Sullivan, Grand Rapids, junior; John Zachary, Detroit, sophomore; and Butch Rider, Battle Creek, freshman.

Others include Irene Maquet, Detroit sophomore; Kathleen McGowan, Jackson senior; Frank Serresque, Detroit sophomore; Diane Margolis, East Lansing junior and Beatrice Hibbard, Marquette sophomore.

More are Dick Zimmerman, Coopersville senior; Douglas Smith, Milan senior; Jim Whitaker, Metamora senior; Bob McIntosh, Garden City sophomore; and John Greenberg, Detroit senior.

## Concert Gives Classical Variety

By MARY ALICE RITCHLIN

Perfect spring night, a large crowd, and a program with musical variety and balance made the Spring Concert Band Wednesday evening a memorable event.

Under the direction of Leonard Falcone, the band answered two encores with the presentation of Sousa's march, "Saber and Spurs" and "Thunder and Lightning" by Strauss.

Following concert tradition of opening with an overture, the band played the "Raymond Overture" from the romantic opera, "The Queen's Secret" by Ambrose Thomas. Next came favorites from Victor Herbert including "The Italian Street Song" and "It's a Great Day Today for the Irish."

Gay selections from the ballet suite, "Coppelia" by Leo Delibes lent a playful mood to the program. Excerpts included: "March of the Bell," "Waltz of the Hours," "Dance of the Automaton" and "Hungarian Dance."

The well-known favorite, "Voices of Spring," by the king of music, Johann Strauss, was excellently rendered in true Viennese spirit. A cornet trio, Kenneth Ince, Leslie senior; Ronald Phillips, Birmingham sophomore; and William Berndt, Birmingham freshman, did an outstanding piece of work. Ernest Williams, "The Three Blue Jacks."

Taking the spotlight next was the peaceful "Sunset Soliloquy" by Harold Walters. Well-balancing the light program were the dramatic excerpts from Giordano's "Andrea Chénier."

Concluding the concert were a Latin American specialty, "The Shawl Dance" by Frank Skinner, and the delightful work of Rossini, "The Barber of Seville Overture."

The next concert band program will be June 3 at the Band Shell at 8 p.m.

### This Won't Hurt a Bit!

## Tooth Decay Research Rests on 9,000 Rats

By PAT YAROCK  
State News Associate Editor

Perhaps grandpas have more to do with Junior's teeth than lollipops. Nine thousand white rats have been helping MSC researchers find out just why some folks' teeth go bad and others don't. One thing they have shown is that tooth decay runs in families.

A team captained by Dr. Harrison Hunt, head of the Zoology Department has been conducting the experiments since 1937.

They began by developing two strains of rats—the resistors and the susceptibles. The susceptibles get tooth cavities within 60 days of birth while the resistors don't develop cavities for 500 days if they ever get them.

There's slight ground in the experiments for the old idea that food packing in the teeth causes cavities. Paul Kifer, technician in animal husbandry, found the susceptible rats have wider fissures than the resistors. However only 40 per cent of the cavities are discovered near these wide open spaces in the rats' teeth.

The 1,000 rats now being used are members of the 20th and 25th generations. That would be like going back to before Columbus in human history.

Other members of the research group are: Carl A. Hoppert, professor of chemistry; Samuel Rosen, research assistant of zoology, and Earle Harrison, keeper of the animal house.

### Arnold Air Society Slates Senior Dinner

The Arnold Air Society will hold its senior farewell dinner May 28, at 6:30 p.m. in Parlor A Union.

Cadets who wish to obtain tickets for themselves and their guests must sign on the A.A.S. bulletin board by 5 p.m. Friday.

## Air Cadets to Join ROTC Camp Swarm

Four ROTC cadets from the State will mingle with other cadets at their four-day summer camp this year.

The cadets represent 209 college ROTC units that will be in attendance at the camp from June 22 to June 27.

The ROTC cadets from MSC will participate in the summer program this year. They will be in the following camps:

Shreveport, La., and 19 to Valparaiso, Fla.

While at summer camps, cadets will receive 232 hours of instruction, which is more than received in one full year at MSC.

Leadership training is stressed at camps by rotating cadets to the various command positions. According to Col. Graeme S. Bond, professor of air science and tactics, a full report is turned in to him on each cadet's performance.

Flying time is another important part of their training. Eighteen hours of air time is included in the training sessions.

In preparation for summer camp, cadets, in a four-week immunization program, receive a small pox vaccination, triple typhoid shots, and an anti-tetanus series.

To conserve time, summer-weight khaki uniforms will be issued here rather than at each camp.

Basic airman's pay is given each cadet for his camp attendance.

## Record Order of Catalogs Ready

The MSC Catalog got a new name this year—the Michigan State College Bulletin.

The change complies with postal regulations for second-class mail. To get the postage rate for that class a booklet must have the word "bulletin" printed in the largest type size used on the cover. The word "catalog" still appears in smaller type, however.

The No. 1 complaint about the yearly editions is errors in faculty names and degrees, said Robert Reppenhagen, who is in charge of preparing the catalog. Each year the Records Office hears from a half dozen or so on this score.

More than 35,000 copies were printed this year—the largest number of one edition ever ordered. Last year's total was 30,000.

Special catalogs are ordered for 1,500 faculty members each

year. These books are of the day-open variety, with sewed bindings. The rest have stapled backs and pop shut whenever opened.

The new green and gray catalog-bulletins are available at the Administration Building.

### Classes Added for Summer

MSC's summer session this year will be a larger number of classes for graduate students.

Classes in all fields will be offered both the six and nine-week sessions. Both sessions will begin June 23, with the six-week session ending July 31 and the nine-week August 21.

During the shorter session, nine classes are considered a full program for graduating seniors may take up to 11.

When credits is the limit on nine-week program, but taking seniors may take 15 credits that many to graduate.

Students may select courses both the six and nine-week sessions if they are approved by their officers. Details can be obtained by consulting a summer catalog, available in the Registrar's Office in the Administration Building.

### Council Sets Dates for Inter-Dorm Award Banquet

Inter-Dorm All-Awards Banquet was set for May 25 at a meeting of the Inter-Dorm Council, according to Mark council secretary.

Annual trophies will be awarded at the banquet, which is held at 7 p.m. in Shaw Hall.

Entertainment will include a musical show, also considering a committee to study institutions of all men's colleges.

The object of the study is to find closer unity in dormitory life, Mark said.

Discussion also centered around a plan to elect Inter-Dorm officers in the spring instead of in the fall.

Mark said that both matters will be discussed further in the next meeting.

### Expensive Weather Forecast Costs Equal Budget Jackson Spent

WASHINGTON (AP)—The United States spends more money forecasting the weather now than it cost to run the whole government during Andy Jackson's administration.

Whether either the climate or the government has improved since then is a matter of personal opinion. But it is a fact that the Weather Bureau's appropriation for the last fiscal year was \$26,970,000 in contrast to total government expenditures of \$24,601,962 in 1834.

And the dollar would buy more than three times as much wholesale then too. The tax collectors are taking in 68.5 billion dollars a year now, compared with \$21,791,935 then—about 3,000 times as much.

### Education 303 Class Changes Meeting Time

Education 303 will meet at 6:30 Monday evening instead of 7 as scheduled, according to Dr. H. E. Sponberg.

### Winburne Talks At Convocation In Music And

The AWS Activities Board held a convocation for the Big Sister program on Wednesday night in the Music Auditorium.

John Winburne, associate professor of the Communications Department, was guest speaker. Mary Ellen Weigle, AWS Activities president, opened the program and a gift was given by the board members.

Prospective big sisters were advised on what to include in the letters they will write to the incoming freshmen this summer. The coeds who attended the meeting were chosen on their activities this past year and their scholastic standing by housemothers and resident assistants in their dormitories.

## Church Groups Slate Picnics

**By BEVERLY SMALL**  
Warm weather signs of picnics, hayride, square dances, and functions honoring graduating seniors are planned by the church youth groups for this weekend.

The members of the Christian Student Foundation will honor 12 graduating seniors at a banquet on Friday, 8:30 p.m. in the Social Hall of Peoples Church. Rev. Schramm, director of College House, and Mrs. Carol Smetzer, assistant director, will address the group.

On Saturday members of CSF will sponsor a hayride at 8 p.m. There will be refreshments afterwards at College House.

Canterbury Club members will meet at 5:30 Monday evening for dinner and will plan the fall program, including the annual freshmen open house. George Beach, Niles junior, will show slides taken on a recent trip to Europe.

YMCA and YWCA members are dedicating their new house at 314 Evergreen Ave. this weekend and will attend a picnic at Bancroft Park Saturday at 6 p.m.

On Sunday at 3 p.m. YMCA and YWCA members will show guests through their new house. Open to the public, the open house is scheduled from 3 until 5. Shirley Plant, Plymouth sophomore, and Jo Anne Neff, Cassopolis senior, will preside at the tea table.

Newman Club will hold a square dance for all members on Friday night at 8. Refreshments will be served during the evening. Monday afternoon, club members will hold a picnic at East Lansing city park, 2 p.m. Baseball and soccer will be played.

The regular open house at 8 on Sunday evening will feature a discussion by the Philosophy Club and dancing. Refreshments will be served.

## Social Circuit

## 'Tween Us Coeds

By JEAN CUSHMAN  
State News Women's Editor

Physics 114 offers a chance to gaze at the moon and stars for four credits.

Tuesday night, the class met on top of the Physics-Math building to look at the moon, constellations and a few of the planets through the department's telescope.

The moon did have an odd yellowish green color in spite of all the jokes about the moon being a "piece of green cheese." But the holes in the "cheese" definitely looked like craters just as all the pictures show. It was almost like seeing a photograph instead of the real thing. Saturn, the planet with the rings, was a bright yellow and its surface appeared smooth.

The next time you're watching the stars with your boyfriend, you might impress him with the fact that planets don't twinkle and can be distinguished from the stars which appear to.

## Set for Union Hannah to Fete MSC Graduates At Reception

The president's reception for graduating seniors will be held in the Union May 27 from 7:30 to 10 p.m.

Invitations have been extended to all graduating seniors, summer term graduates and students receiving advanced degrees.

## Union Board to Present Television Show

"Senior Swingout" is the name of the first television show to be presented by Union Board later this month over a Detroit station. The show will consist of various musical numbers, depicting the outstanding events of the last four years in the lives of two seniors, who are as yet unnamed. Featured on the show will be the Kappa Sigma quartet, and a dance by Bill Thistle, Detroit sophomore, and Joan Hollister, Grosse Pointe sophomore.

Director of the show will be Ken Richards, program director of the local television station, Robert Page, Grosse Ile junior, will be the master of ceremonies. Letters will be sent to all campus organizations, and all living

units, inviting them to auditions for the telecast. Another telecast is being planned for fall term. This show is planned to acquaint freshmen with information about MSC, and will be shown over a Detroit network as well as in the Lansing area.

"CAMPUS CLASSIFIEDS . . . HIGH READERSHIP"

Kay Myers, program chairman, Mrs. Herman Halladay, originator of Lantern Night and Janet Lynn, general chairman, make plans for the Sunday night ceremony in the Hannah home.

## Activities Board

### Big Sister Program Sponsored by AWS

By SUE HENDERSON  
The Big Sister program, Lantern Night and the AWS handbook are a few of the activities sponsored by AWS Activities Board according to Mary Ellen Weide, president of the board.

A busy organization, the Activities Board represents members from each coed living unit and all women's activities including SWL, PanHut, the YWCA, Mortar Board, Home E Council and Tower Guard. Three different sororities are also represented each term.

This spring 1,200 letters have been sent to coeds on campus in preparation for the Big Sister program sponsored by the Activities Board. Big sisters are selected by the housemother, AWS representative and the resident adviser.

At the big sister convocation held in the spring, the program is outlined to coeds. During the summer coeds correspond with incoming freshmen in order to better acquaint them with the campus. Parties will also be sponsored for the little sisters in each individual dormitory, according to Miss Weide.

Lantern night has been organ-

## Tee 'n Tally Club Wins Against Hope College

The newly organized Tee 'n Tally Club, a women's golfing organization, has come out victorious in the two games they have played against other schools.

Their first win was over Hope College at Holland, played at the Sandusky Country Club last week and their second win came Tuesday over Hope College in a return match here.

Future matches are planned with Kalamazoo College and Western Michigan College. A match with Purdue had to be cancelled because of time and distance.

Members of the club include Lesley Yaeger, Grosse Pointe senior, Roma Wagner, Battle Creek freshman, Evelyn Smith, Durand junior, Lynn Payne, T. J. O. senior, Jean Berland, Buchanan freshman, Nancy Wood, Chicago sophomore, Peggy Baird, Marshall freshman, P. Roberts, Kalamazoo freshman and Sandy Sands, Bloomington freshman.

## Bums Whip Milwaukee; Yanks Win

By the Associated Press

The Brooklyn Dodgers edged nearer the National League lead Wednesday by stopping the rampaging Milwaukee Braves 7-2 before a crowd of 23,450 in Milwaukee's County Stadium.

The Braves have now played to 302,667 fans in 13 home playing dates. This total is 21,389 more than saw the Braves play 77 games in Boston last year.

The Bums combined 10 hits, six stolen bases, Billy Loes' six-hit pitching and Jackie Robinson's homer to win.

Four home runs helped Cincinnati to whip the league-leading Philadelphia Phils 14-4. Curt Summons was the victim of the Rhinelanders' fireworks.

In a third senior circuit encounter, the New York Giants slaughtered the hapless Chicago Cubs 16-6 in a battle of home runs.

Del Wilber's third pinch-hit homer of the season, against relief pitcher Don Larsen with two out in the 14th inning, gave the Boston Red Sox a 3-2 victory over the St. Louis Browns.

The Yankees themselves kept up their winning ways, turning back the floundering Detroit Tigers for the second consecutive day 9-8.

Behind at one time 7-2, the Yanks came storming back to tie the game at eight all in the eighth stanza.

Then with relief hurler Ray Herbert on the mound, the Gotham gazelles loaded the bases in the ninth and Gene Woodling settled the issue with a single which scored the deciding run.

Allie Reynolds, the sixth Yankee flunker, was credited with the victory while Bill Wright lost his third game of the season for the Braves. The Tigers now trail the first place Yanks by 13 full games.

## IM Schedule

SOFTBALL  
Thursday, May 21  
5:30

OF 1 ZBT vs. AGR  
OF 2 Farmhouse vs. Sigma Chi  
OF 3 Phi Kappa Tau vs. Beta Theta Pi  
OF 4 Kappa Sigma vs. Delta Sigma  
OF 5 AFPI vs. Delta Gamma  
PAV Hedrick vs. Rowland  
D 1 Trailers vs. Soph Vets  
D 2 E. S. 7 vs. E. S. 10

IM Note: There will be no 6:30 games Thursday. There will be 5:30 games on Friday.

Jackie Robinson started the Brooklyn Dodgers off on the right foot Wednesday at Milwaukee by homering in the first inning as the Bums dumped the Braves by a 7-2 count.

## Three Dorm Crowns Annexed

# Precinct 14 Wins Abbot IM Softball Title

Three dormitory champions were determined in intramural softball Tuesday night as Abbot 14, Phillips 2, and Snyder 16 annexed their respective dorm crowns.

Abbot 14 nailed Abbot 12, 7-2; Phillips 2 beat Phillips 3, 6-2, and Snyder 16 conquered Snyder 12, 8-4.

Abbot 14, 7: Abbot 12, 2: Big Dave Checklich, starring both on the mound and at the plate, led Abbot 14 to a 7-2 victory over Abbot 12 with a nifty three-hit hurling job.

Abbot 14 piled up all seven of its runs in a big first inning.

## Ag Softball Squads Tie

In a five-inning softball battle at the annual Department of Agriculture ox roast, a staff team tied a student aggregation.

The score was 0-0. Dick Swenson hurled for the staff and Don Frayer pitched for the students.

Umpiring this tilt were director C. M. Hardin, Dr. Lloyd Church and Dr. Ray Marshall.

which saw the new Abbot champs get five of their six hits off Abbot 12 pitcher, Emerson (Stretch) Breth.

Checklich, waiting in the clean-up position, blasted a double with the bases loaded to send the first two Abbot 14 runners scurrying across the plate. Ted Abbot 14 batters went to the plate in the big inning.

After Checklich's single, Don Zehnder singled to drive in a run, and Jim Touhey poked a long triple to score another. Touhey came in on an infield out.

Low Hawn got two singles for the winners, but after his single which opened the second frame, Abbot 14 was unable to garner another safely off Breth's pitches.

The losers came back with a run in the bottom of the first and

scored in the fourth, but both of them were unearned.

Snyder 16, 8: Snyder 12, 4: Snyder 16 batters pounded out 12 hits to bomb Snyder 12, 8-4. Meanwhile, Bob Wright was limiting Snyder 12 to three hits while striking out three.

A four-run third inning was the clincher for the Snyder crown, as Marty Lovi and Bob McGarry led the offensive attack.

Lovi banged out two doubles, while Bob McGarry collected a triple and a double for the winners.

Three double plays by Snyder 16 helped Wright out of difficulties as the winners took advantage of every break.

Phillips 2, 6: Phillips 3, 2: Three runs in the first and fifth

innings plus a steady mound performance by Dave Seigrist won the Phillips championship for precinct 2.

Hits were well-distributed for the winners and everyone collected at least one safety.

## Hayes Loses Bout to Turner

ST. LOUIS (AP)—Free-swinging Jesse Turner of St. Louis sent Boston's Norman Hayes to the canvas in the first round Wednesday night and went on to punch out a unanimous decision in a 10-round nationally televised boxing bout. Hayes weighed 163 and Turner 154½.

Fielding errors by the Phillips 2 defense kept the losers in constant trouble and were a direct help to Phillips 2 in a few instances.

Two walks and three singles in the first inning gave Phillips 2 a lead it never relinquished. Other scores Wednesday night:

W. Shaw 8, 11: W. Shaw 6, 2 (block championship)  
Rockets 4, Tappa Keg 3  
Utrey 11, Motta 3  
Bower 1, Hedrick 0  
Fighting Irish 1, O. J.'s 0 (forfeit) (block championship)  
W. Shaw 10, 3: W. Shaw 6, 1  
E. Shaw 2, 3: E. Shaw 10, 3 (replayed tonight)  
Ag. Eng. 3, Fish & Wildlife 2

The Montreal Canadiens won the NHL Stanley Cup in 1930, 1931, 1944, 1946 and 1953.

# Auto Workers Face Idleness

## Supplier Plant Strikes Blamed for Layoffs

DETROIT (AP)—Nearly 150,000 auto workers were idled or facing idleness Wednesday as a result of strikes at three supplier plants.

Topping the swelling list were 85,000 Ford Motor Co. employees which the company said it would be forced to lay off within the next five days because of a month-long tie-up at its Canton, O., plant.

## Alumni Record Received by 40,000 Grads

The Spartan alumni magazine, "The Record," is received by 40,000 MSC graduates seven times a year.

Copies of the magazine are sent to alumni living in the U.S., Africa, Asia, Australia, Canada, Central America, South America, Mexico, Europe, Hawaii, the Philippines and the West Indies. In all there are 57 foreign countries represented on the mailing list.

Approximately 4,000 additional copies are distributed to faculty and staff members here at MSC to county agricultural agents and to 4-H clubs.

The magazine is published by the Department of Information Services, and is a member of the American Alumni Council. Its staff is headed by John C. Leonard, editor; Don H. Ellis, editorial assistant; and Alvie L. Smith, editorial advisor.

The 16-page magazine usually contains four pages of college news. The remainder is broken up into such departments as sports, student affairs and news of the various alumni clubs and members.

## IFC to Check Members for Eligibility

Inter-Fraternity Council will take care of checking the eligibility of its members within the IFC and individual fraternities, IFC President Kay Hill said Tuesday night.

A notice to student Congress has been sent by IFC through the Men's Council, informing Student Government President Bob Bolo that it would tend to its own business in regards to the congress' eligibility bill.

The bill requires that officers and members in certain campus activities must have a two-point for all-college, during participation, and in the case of officers, preceding election. It was passed winter term.

Hill agreed with council members in saying:

"IFC, a governing body of fraternities, should rule over its own members as to eligibility or any other matter."

The rule regarding eligibility has been in IFC's constitution for several years and has not required outside enforcement, Hill said.

It was also decided to admit Delta Sigma Pi, a business fraternity, to the IFC at Michigan State. According to Hill, the fraternity had been in operation at MSC but had not been officially accepted by IFC.

## Alumnus Receives National Award

A Michigan State alumnus received a superior service award from the U.S. Department of Agriculture this week.

The award was given to Stanley J. Brownell, who graduated from MSC in 1916 and was an extension specialist in animal husbandry at MSC. It was presented as follows:

"For effective leadership in the field of animal and dairy husbandry and meritorious services to the welfare of the dairy industry, resulting in better standards of living among farm families."

## Pianist Awarded \$100 Scholarship

A \$100 scholarship has been awarded to Gloria Henry, Grand Blanc sophomore, by the Literature and Fine Arts Scholarship Committee of MSC for the ensuing year.

Before coming to MSC, Miss Henry had studied music at Furman University, Greenville, S.C.; Interlochen National Music Camp in Michigan and at Chautauque, N.Y.

Miss Henry, majoring in piano, has given recitals in Detroit, Flint and Greenville, and has performed as soloist with the Flint Symphony Orchestra and the Chautauque Student Symphony Orchestra.

## Earnest to Address ASCE Group Tonight

The national vice-president of the American Society of Civil Engineers, G. Brooks Earnest, will speak at the society's meeting tonight at 8:30 in 34 Union.

Earnest is president of Penn College in Cleveland, O. and formerly was a professor of civil engineering at Case Institute of Technology. His subject will be "Your Stake in the Profession."

## Co-op Council's Plan Picnic for Sunday

Men and Women's Inter-Coop Councils are sponsoring a picnic Sunday from 1-5 p.m. at Mason Park for all co-op residences. A program will be presented and games and baseball will be played.

## Don't Squeeze 'Em

# Greenhouse Bananas Thrive

By JOHN CORBELL

Yes, we have some bananas—five varieties of them—growing right here on the campus. You'll find them in the greenhouse behind the Horticulture Building.

Four are of the seeded variety and have no names, just numbers, according to William McKane, superintendent of the greenhouses.

The fifth is an unseeded dwarf variety with plenty of names—Musa, Cane-ashu, Chinese Dwarf, Dwarf Cavendish, finger banana and canary banana.

It's the center of interest for student visitors. Unlike com-

mon commercial banana plants, which grow 15 to 25 feet, it stands only seven or eight feet high. But it has leaves five to seven feet long and up to two feet wide.

The dwarf is a stoloniferous plant; that is, it is propagated by shoots which keep coming up from the root stock. After the fruit is picked, the stem is cut down, leaving another to begin the cycle.

One bunch of bananas contains 200 "fingers," Dr. George B. Wilson, of the Botany Department, who brought the plant from Porto Rico, says they are paler, sweeter and smaller than most bananas.

And if you drop in on Dr. Wilson about the time school closes you might get a taste for yourself.

## Organization Outlines Plans for Next Year

Plans for the coming year were discussed at a recent meeting of the Spartan Women's League. A party for incoming transfer students, and helping new students at the summer counseling clinic are future projects.

A joint picnic with Alpha Phi Omega and SWL was held at Grand Lodge Sunday.

## Water Carnival Tickets on Sale Combo to Play

Water Carnival tickets on sale today at 1 p.m. Union ticket desk. Price \$2.50, general admission, and reserved.

About 4,850 tickets available for each night show, June 4, 5 and 6. Any number of tickets may be bought one student.

Don Ingle's band, who furnish Carnival music, will give a jazz concert at 4 p.m. at the Union Concourse.

The three longest rivers in U.S., in order, are the Mississippi, Missouri and Rio Grande.

## Top Officers Nominated For '53 Club

Seniors Bob Scott, East Lansing and Walker Mayhew, Detroit, were nominated Wednesday night to head the '53 Club at a meeting of the nominations committee.

Seniors attending Swingout May 26 will make the final selection of '53 Club officers. The membership list of the club will also be announced then.

John Wilson, Lapeer, and Dick Ford, Montreal, Quebec, were the finalists for vice-president. Maurice Ringer, Chesaning and John McMahon, Pleasant Ridge, are the candidates for secretary.

Nominees for treasurer were Roger Summers, Clinton, Iowa, and Mark Ford, Ann Arbor.
