The Inter-Fraternity Council would like very much, to have you attend this open house. We feel that in doing so you will make yourself much better prepared to make decisions in the coming rush season.

Shoe Issue Settled

Last week there was a sign in the Union alleys saying bowling shoes were 10 cents. Student government president Dave Hyman was seen frantically removing the errant sign.

Princeton Students Rebel Over 'Soupy' Tradition

Children's Classes Set For Creative Drama

Creative drama classes for children will be held again this year by the Department of Speech. The 45-minute classes start at 4 p.m. Tuesdays and Thursdays, the Tuesday classes for second graders and the Thursday classes for third and fourth graders.

Miss Margaret Paton is in charge of registration for the classes, which begin Oct. 6. She may be reached at ED 2-1511, extension 362, today from 9 to 12 noon, or at the Auditorium. The first 20 applicants for each of the two classes will be accepted. Each child must be individually enrolled. The term fee is \$1.00.

THE ALBAN
REPORT

News Requests Student Letters

The letters-to-the-editor column serves another purpose. It brings problems to the attention of our editorial board.

Letters must be signed in ink, be in good taste, and contain not more than 50 words. They can be mailed or brought to the State News office on the Union third floor.

Will you help make this a "student publication"?

No More Rain Yellow Slickers Back in Closets, Temperature Up

"It ain't gonna rain no more," is the song old man weather is humming. Spartans may become doubtful when they peer out the window only to see skies of gray. Though the heavens will be partly cloudy behind each cloud will be a "silver lining."

Auditions To Begin At WKAR

TV or Radio
Actors Needed

Acting auditions for radio station WKAR will be held Wednesday, Thursday and Friday from 7 to 9 p.m. in 246 Auditorium, Dave Kushler, announced Monday night at the WKAR student meeting.

TV auditions will be held Friday, beginning Oct. 2, from 1 to 5 p.m. in the television studios of WKAR-TV. All MSC students interested in television work may contact Mr. Ken Richards before Thursday.

Announcing auditions for WKAR will be held Tuesday, Oct. 6. Four announcers are needed. Interested students may contact Larry Frymire, fourth floor auditorium.

Kushler, production manager for WKAR, said students must have an interest in radio or TV to succeed, and with that, should have no trouble finding work or play on WKAR or WKAR-TV.

"If you need the opportunity for experience, we'll supply it as much as we can," he said.

Student engineers, writers, announcers, actors, and in particular sound effects men are needed. Part-time student engineers are needed for both shop and on-the-air work. Some of the radio and TV jobs are salaried.

Kushler stated the philosophy of WKAR is "to serve the people of Michigan," and not primarily for teaching students.

There are no jobs open in continuity at this time, but those interested in radio writing may find openings on the station later.

At present, WKAR broadcasts four shows weekly, but plans to air daily shows by winter term.

The shows aired each week are: "Adventures in Music," Monday; "The King Family," 11 a.m. Tuesdays; "Bookmobile," Fridays; and "Frolic," Saturdays.

"The King Family" is beginning its fourth year on radio.

New shows scheduled for the winter are: "Only Here," dramatized case histories of rehabilitated people; and "Cry of Warning," a half-hour series in patriotism, to be heard on Thursday afternoons.

Gonon Resigns, Dean's Office Reorganized

Dean Tom King recently made public the resignation of Mrs. Isabelle Gonon as counselor for women. Mrs. Gonon has accepted the position of professor of French and Dean of Women at Mary Washington College in Virginia.

Mrs. Gonon has been on sabbatical leave from Michigan State since the fall of 1952. Her resignation became effective Sept. 1. When Mrs. Gonon took her sabbatical leave a re-organization of the Dean's office was made. The position of counselor for women no longer exists, and instead there are three assistants to the Dean of Students in the Women's Division. These three assistants are Miss Mabel Peterson, Mrs. Lurline Lee and Mrs. Dorothy Parker. The change is now permanent.

Mrs. Gonon was a graduate from Bryn Mawr College in Pennsylvania, and studied in France.

Officials Look For Centennial Event Slogan

Officials of MSC's Centennial program are searching for an appropriate slogan or theme for the 1955 observance.

Centennial Director Alvie L. Smith said the Centennial Committee is looking for a slogan which will appeal to the educational world, and to the general public, reflecting the history and status of Michigan State as one of America's great universities.

Some themes which have been suggested are: "Progress through Education," "A Century of Service through Education and Research," "Building a Better America through Education and Research," "The Urge to Know Created a Chance to Grow," "Leadership in Education," and "A Century of Education for Freedom and Responsibility."

Suggestions from students will be welcome and should be directed to Smith at the Centennial Office, Wells Hall. It is hoped that a final selection of the theme can be made by Nov. 1.

Leelanau Exhibit Displayed in Union

An exhibit of watercolors and oil paintings by students from MSC's summer school of art at Leelanau, recently opened the fall season at the Union Art Gallery.

The paintings, modern in style, portray various Michigan scenes. Among the exhibitors are MSC students Marvin Zehnder, Frankmuth junior; Sharon Sharkey, Grosse Pointe senior; Diane Silvius, Detroit sophomore; Betty

Cork, Detroit graduate; Martin Olson, Detroit graduate; Marion Hollinger, Frances Havel, Alton graduate and June Prescott Thompson, Rockford, Ill., junior. Also shown are works by visitors Ben Gregory, Grand Rapids; Leatrice Braun, Chicago and Johanna Beilecki, Dearborn.

Examples of ceramics from the classes of Louis Raynor and Irwin Whitaker complete the display, which will close today at 9 p.m.

Smoker Welcomes New Spartans Next Tonight

The first opportunity for new men on the MSC campus to become acquainted with the fraternity system here will be provided tonight at the open get acquainted smoker, second floor Union at 7:30, according to Dick Wauha, acting chairman for the event.

The program will be divided into two parts to accommodate the expected overflow crowd. A formal program will be presented in the ballroom at 8:00 p.m. for men whose names begin with the letters A through M. A repeat program is scheduled for the remainder at 9:00 p.m.

House displays will be presented in Parlors A, B, and C, throughout the evening.

The open smoker sets in motion the fraternity rushing for fall term at MSC. It will be followed on Wednesday and Thursday by open houses at the fraternities. No invitation is required for these smokers.

Violinist to Give Recital Tonight

Mary Canberg, local violinist, will give a recital in the Music Auditorium Tuesday at 8:15 p.m. Joseph Evans of the MSC Music Department, will accompany her on the piano.

Among the numbers she will play are the Handel Sonata in E Major, "Polonaise" (Wieniawski), and "Jamaican Rumba."

Miss Canberg performs on a Carlo Testore made in Milan in 1715.

Miss Canberg has performed in New York for many years where she made a Town Hall debut. She also gave many important recitals during the war for servicemen.

The recital is open to the public without charge.

Student Hall — formerly a men's dorm — will house coeds this fall. It houses about 570 — making it the largest coed dorm.

Spartan at Guard

Blitch 'Proves' Hallmark

Blitch, who was moved to left guard on an experimental basis, has become one of the mainstays of the Michigan line.

Known as a defensive line-backer during his freshman and sophomore years, Hallmark became a starter in last year's Texas game. At the time, he had 30 minutes and 36 seconds of action under his belt.

Despite his lack of experience, Hallmark handled his position with more than

capable performance throughout the remainder of the 1951 season. His 6 foot, 165 pound build was almost perfect for the Spartan left guard position which requires speed when he's called upon to punt, and a sturdy frame capable of knocking down would-be tacklers.

When the two-platoon system was abolished last January, almost every position on the MSC team was a question mark. Hallmark didn't take long to prove to the Spartan coaches that he could play both ways.

In spring practice his blocking showed improvement, he made a good adjustment from the two platoon system and his over-all play earned him the "most improved player" award.

A pre-med student with a B-minus average, Hallmark is the 1950-51 senior class president at Michigan State. He succeeded another griddier who was senior class president last year, Johnny Wilson.

Ferris is the third Hallmark to attend MSC, following in the footsteps of his brother Duane, who graduated in 1951, and Ray, who dropped school after the 1949 year.

Ferris attended Grand Blanc High, a small Class B school, where he played football, basketball and track. He captained the football team his senior year, 1949, and was named all-conference center in the Genesee County League.

Now a resident of Flint, Hallmark comes from a family with plenty of football background. His father, Dewitt, played guard on a service team during World War I, and then played semi-pro ball with the Flint Yellow Jackets after his discharge. Both of Ferris' brothers were prep stars at Grand Blanc.

Midwest Quid Notes

BELLTOP FOR SPARTANS

MINNEAPOLIS (AP)—Minnesota officials said Monday a sell-out crowd of between 60,000 and 65,000 was assured for Saturday's Minnesota-Michigan State battle. The figure would establish a record for opening day attendance at Memorial Stadium.

Minnesota's variety hosed up against Michigan State offensive and defensive formations Monday and coach Wes Fesler sent the reserves through a lengthy scrimmage in quest of strong replacements.

LATTNER RE-INJURED
SOUTH BEND, Ind. (AP)—John Lattner, All-America halfback, suffered a recurrence of an ankle injury in the Oklahoma game and will have only light drills this week as Notre Dame prepares for Purdue.

Others on the injury list are Ray Lemek, sophomore left guard, and quarterback Ralph Guglielmi, each with a cut over his right eye.

ELLEN LISTEN TO SCOUT
CHAMPAIGN, Ill. (AP)—Illinois' gridiron looked at Stanford plays as provided by scout Lou Agase but had no contact work.

Cash Ray Elliot said the Illini would scrimmage Tuesday and Wednesday. His squad came out of its 21-21 tie with Nebraska without injury.

END TO GO BOTH WAYS
BLOOMINGTON, Ind. (AP)—Coach Bernie Crimmins said sophomore left end Pat Fellingner may have to go all the way for Indiana at Southern California Friday night.

Regular John Zuger was showing little improvement from a twisted foot suffered in the Hoosiers' opening game defeat at Ohio State.

BADMEN'S RUN SIGNALS

MADISON, Wis. (AP)—The Wisconsin varsity football team ran through a short signal-calling drill against Marquette defensive formations, then went indoors to watch movies of the Marquette-Cincinnati game.

The Badgers came through the Penn State game Saturday without any serious injuries. Harland Carl and Jim Temp warmed up, but the chance of their playing here Saturday against Marquette is slim.

TWO REJOIN WILDCATS
EVANSTON, Ill. (AP)—Halfback Bob McKeiver and guard Kachatur, Northwestern players who missed the Iowa State game because of injuries, rejoined the squad for Monday's workout.

The Wildcats are now at full strength for the first time in two weeks as they prepare for Saturday's game with Army at Evanston.

Coch Bob Voigts told his men he was pleased by the defense they turned in Saturday in blanking Iowa State, 35-0. It was the first shutout for Northwestern since the 1951 season.

Edwards' Report Labels Minnesota as Big Threat

State News Photo By Cosmos
If five-man backfields were legal, Minnesota State would easily have one of the best in the nation. Preparing for this Saturday's game at Minnesota are (l. to r.) Billy Wells, Tom Yewick, Evan Steno, Leroy Bolden and Jim Ellis. This quintet saw plenty of action in MSC's victorious Big 10 opener against Iowa Saturday. Wells received the game ball for scoring two touchdowns, one on a long pass from Yewick, and Ellis tallied the other Spartan six-pointer as State won, 21-7.

New Hearing Held High School Athletes Make Another Plea

LANSING (AP)—The cases of 10 suspended high school athletes were re-examined Monday by Dr. Clair L. Taylor, state superintendent of public instruction.

Dr. Taylor, who has the final jurisdiction over high school athletes, reheard testimony from nine of the boys, their school officials and attorneys in his office Monday.

He said he would decide on their pleas for reinstatement after he had examined the testimony. He indicated he would take a few days at least to make up his mind.

The youths, all but one of them seniors, were declared ineligible for a year Aug. 20 by the executive committee of the Michigan High School Athletic Association. They were convicted of accepting merchandise prizes in violation of the eligibility rules even though they returned them.

All of the youths and their representatives at Monday's hearing emphasized they had returned the gifts and that they had reported the incident when doubt was raised. They all added they accepted the awards on advice of misinformed adults who said their eligibility would not be affected.

William Mire, Jr., of Escanaba High School and David Mire of Escanaba St. Joseph testified that they accepted two pairs of socks and a sport shirt as prizes in an amateur golf tournament this summer. They said they held them only a few days, and that if they had had any idea they were trading the prizes for their athletic eligibility in their senior year they would never have accepted them.

Formal requests for reinstatement were filed by the Escanaba School Board and the Rev. Stephen Snider, pastor of St. Joseph's.

Dr. Snider said that the eligibility rule was not broken by intent. He added that "to kill in war is murder unless you bring in all the facts."

Dr. Taylor read a letter from Donald Murwin of Menominee, the only youth involved who was not present. He asked for reinstatement, but a letter from M. W. Robinson, Menominee School superintendent, said the school was accepting the original judgment and was not appealing the case.

The committee ordered Taylor to revise the rule to provide for a more flexible penalty to take into account extenuating circumstances, to provide that accused students have a hearing and to require school athletic directors to explain eligibility rules in detail to the students.

The youths, all but one of them seniors, were declared ineligible for a year Aug. 20 by the executive committee of the Michigan High School Athletic Association. They were convicted of accepting merchandise prizes in violation of the eligibility rules even though they returned them.

Formal requests for reinstatement were filed by the Escanaba School Board and the Rev. Stephen Snider, pastor of St. Joseph's.

Giel Sparkles In 17-7 Gopher Loss to Trojan

By KEITH MILLER

"Prepare for Minnesota fast," was the byword passed around Spartan football practice Monday afternoon under a warm autumn sun.

Coach Biggie Munn told his squad that the week would be by in a hurry, and warned the Spartans that they had to win hard and fast.

End Coach Earl Edwards, who coached Minnesota in its 17-7 loss to Southern California Saturday, said that the Gophers had a well-rounded offense headed by Paul Giel, who he thought was by far the best back on the field. Edwards remarked that Giel carried the ball 50 per cent of the time.

"The Gophers got plenty of breaks in Saturdays contest," Edwards pointed to the fact that Trojan touchdowns came after a blocked kick and a fumble. Twice, Minnesota drives were halted inside the 10-yard line by penalties. The Gophers only came on Giel's 67-yard romp in the end zone.

As far as the Spartans are concerned, the squad attempted to work their plays in a better fashion than at Iowa. Munn reminded the team that Saturday's loss was run by a Spartan back was yards.

Tommy Yewick, Leroy Bolden, Fred Body, and Evan Steno, all of whom received merchandise prizes against the Hawkeyes, were at practice, but didn't play. Spartan trainers disclosed that the quartet would be ready for the Gopher battle.

Randy Schreengost, who received a slight concussion Saturday, participated in practice Monday and appeared to be in good shape.

In a scrimmage near the conclusion of Monday's practice session, Fullback Gene Lester paced a third-string backfield composed of John Malock, quarter, and Gary Lowe and Travis Buggs at the halves.

The Spartans will leave for Minnesota Thursday evening to face their second consecutive conference foe.

Spartans Need New Managers
Michigan State, the number one football team in the 1952 season, is in need of managers, especially of the freshman variety.

Any fresh male desirous of aiding the Spartans in their quest for a Big 10 title should contact varsity manager Ken Darby at Macklin Stadium after weekday after 3 p.m.

Assist Given Vernon for Bat Crown
WASHINGTON (AP)—Major Vernon won his American League batting championship by dint of his own hitting but you wouldn't go wrong if you credited his teammates with a slight assist.

That assist came Sunday, one of the zaniest comedies of base running and batting in Griffith Stadium since the Washington Senators transformed a workman into a more than four times.

More than a few people agreed that it was a number of the part of the Senators, but catcher Mickey Vernon was just one of the things," he said.

AL Invites Browns to Discussion

NEW YORK (AP)—The American League, which denied the plea of the St. Louis Browns to move to Baltimore, Monday night invited the Browns to another conference to discuss their fate. California was in the forefront of the speculation over the possible transfer. A meeting of the club owners was scheduled for 7 p.m. CST.

Owners "were told" that the National League and American League are jockeying in an effort to land San Francisco and Los Angeles in the ranks of one or the other.

Reports that the National League met secretly during the day were denied by several National League owners.

Sunday, when the owners ended a marathon eight-hour session with a 4-4 vote against the Baltimore move—they would need six votes to make a change—five other cities also made a pitch for the St. Louis franchise. They were Kansas City, Los Angeles, San Francisco, Minneapolis-St. Paul and Montreal.

The announcement of a second meeting came as a surprise—particularly to Bill Veech who controls 75 per cent of the Browns' stock.

At the end of Sunday's session, Bill Harridge, league president, said the next action would be up to Veech.

But Veech declared: "We will be going only to listen. I have no proposal to make."

Haney to Manage Pittsburgh in 1954
PITTSBURGH (AP)—Branch Rickey, general manager of the Pittsburgh Pirates, Sunday night announced that Fred Haney will manage the club again in 1954.

"It was not Haney's fault that we finished in the cellar again this year," said Rickey. "I don't know of anyone who could have done a better job than Haney in our rebuilding program."

But Not Pension Major Leaguers' Requests Approved

NEW YORK (AP)—Major league players Monday gained approval of baseball's Executive Council on five of their points for better working conditions but failed to obtain much-desired immediate action on changes in the pension plan.

The five-hour session in Commissioner Ford Frick's office was attended by two owners from each league, player representatives, Ralph Kiner of the Chicago Cubs and Alie Reynolds of the New York Yankees and attorneys for both groups.

For the first time since his recent appointment as attorney for the players, J. Norman Lewis sat in on the discussion. His part in the meeting, along with that of the two league attorneys, was confined to the sometimes heated discussion on the pension plan.

Frick announced the council had approved the following player requests, which will be presented at the December league meetings:

1. Moving expenses will be a flat \$300 for interleague transfers and \$600 for intercontinental. In the past the allowance has varied up to \$500.
2. Player: during spring training season will be permitted full hotel allowance if they live outside of the hotel of the club's permission.
3. Players will not be required to have medical care at their own expense for injuries or illness incurred outside of the line of duty.
4. The standard meal allowance was fixed at \$6 a day. In the past the National League players have received that amount while it varied in the American.
5. A player will acquire veterans' status after eight years instead of 10. This means a player can not be sent to the minors without his consent after eight years of major league competition.

Free Substitution Seen Returning

MEMPHIS, Tenn. (AP)—Football's free substitution rule, repealed this year, will be reinstated in another year or so, one-time All-American quarterback Harry Stuhldreher says.

"With the free substitution rule of several years ago, football made its first and most progressive step," said Stuhldreher, who quarterbacked Notre Dame's famed "Four Horsemen" of the mid-20s. "It'll be back with us in a year or two."

Now a Pittsburgh steel executive, Stuhldreher flew in here to address the Memphis Quarterback Club Monday.

Spartans Rated Second in First Weekly AP Grid Poll

Notre Dame Snags First Place Honors

By the Associated Press

Biggie Munn's defending national championship football team slipped to second place in the first weekly Associated Press poll Monday as Notre Dame's Irish ran with top honors.

The poll, used annually to determine the 10 top teams in the nation, gave the Spartans an overwhelming vote as the crown in 1932, but Notre Dame won in its first test of 1933.

Notre Dame's 1932 season was a pre-season election of 11 of 98 first-place votes following the 23-21 victory over Oklahoma Saturday. The Irish won 25 straight games, currently the longest victory string among major college teams, the Spartans have a long way to go before they set any record.

Biggie Munn's squad could claim the longest win streak in the past 25 years though if the Spartans won every game on their nine-game 1933 schedule. But that's counting a lot of bridges before the Spartans have crossed them.

Notre Dame has the longest undefeated streak in the past 25 years, managing to play through 33 contests without a defeat. Two ties were included in the streak.

It all began when coach Frank Leahy and a host of outstanding material returned from wartime service to open the 1934 season with a 26-6 triumph over Illinois, Big 10 and Rose Bowl champions, and ended four years later as Purdue scored a 28-14 upset.

The Notre Dame string was not perfect nor did it approach the all-time marks of 63 games without defeat held by Washington (1907-17) and 48 consecutive victories by Yale (1885-89).

An Associated Press survey covering the last quarter century (1928 through 1932) which does not include results of post-season games, shows that California is right behind the Fighting Irish with 38 defeatless contests carrying from 1947 into 1951. Despite three losses in as many Rose Bowl appearances, the Berkeley legions swept through their regular-season opposition.

Tennessee has three long streaks during the period—33 games starting in 1925 but carrying into 1930, 32 games from 1927 to 1941 and 29 in a row from 1909 to 1932.

Notre Dame ran up another string—26 games—covering 1929 to 1931, while Army made it 22 twice—starting first in 1944 and going into 1947 and resuming at the end of the '47 campaign to the close of 1950.

Minnesota (28 games, 1929-36), Oklahoma (30, 1940-51), Southern California (26, 1937-53), Michigan (24, 1940-49) and Princeton (24, 1940-52) hold the other leading performances of the period.

On this group the only unbeaten, untied string belongs to Oklahoma, Michigan, Michigan State, Princeton and Tennessee's 1937-41 team.

Leahy's return to South Bend in 1944 signaled the sudden rise to power of Notre Dame's green-shirted marauders who swept to three National titles in the next four years. But it wasn't always a smooth road the Ramblers traveled.

Here are the principal unbeaten records of the last 25 years, post-season games not included:

Spartans Need More Victories

Loss Could Make State a 'Has-Been'

NEW YORK — (AP) — Although Michigan State's football team has won 25 straight games, currently the longest victory string among major college teams, the Spartans have a long way to go before they set any record.

Biggie Munn's squad could claim the longest win streak in the past 25 years though if the Spartans won every game on their nine-game 1933 schedule. But that's counting a lot of bridges before the Spartans have crossed them.

Notre Dame has the longest undefeated streak in the past 25 years, managing to play through 33 contests without a defeat. Two ties were included in the streak.

Notre Dame ran up another string—26 games—covering 1929 to 1931, while Army made it 22 twice—starting first in 1944 and going into 1947 and resuming at the end of the '47 campaign to the close of 1950.

Minnesota (28 games, 1929-36), Oklahoma (30, 1940-51), Southern California (26, 1937-53), Michigan (24, 1940-49) and Princeton (24, 1940-52) hold the other leading performances of the period.

On this group the only unbeaten, untied string belongs to Oklahoma, Michigan, Michigan State, Princeton and Tennessee's 1937-41 team.

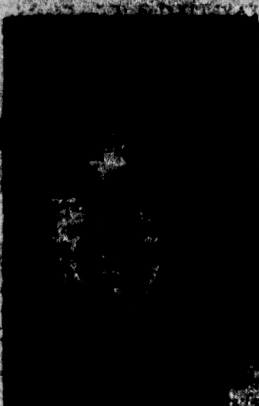

Leahy's return to South Bend in 1944 signaled the sudden rise to power of Notre Dame's green-shirted marauders who swept to three National titles in the next four years. But it wasn't always a smooth road the Ramblers traveled.

Here are the principal unbeaten records of the last 25 years, post-season games not included:

ALLIE REYNOLDS

CARL ERSKINE

...starting for Dodgers

Furillo to Play

Reynolds, Erskine Given Series Starts

NEW YORK (AP)—Carl Furillo, injured Brooklyn outfielder, was pronounced ready to go after a full scale batting drill Monday and Carl Erskine of the Dodgers and Allie Reynolds of the New York Yankees were named to pitch Wednesday's World Series opener.

Furillo, still wearing a heavy bandage to protect the broken little finger he got in his scuffle with Leo Durocher Sept. 6, at the ball hard while Erv Faubus pushed up a variety of pitches. Carl's bat had a sponge rubber padding where his left hand gripped it.

Manager Chuck Dressen, after watching the National League batting clinic, said "We'll be ready, maybe without the padding and bandage."

Another player using a padded bat was the Yankees Gene Woodling, regular left fielder. He used a padded bat to cushion the shock to his swollen left hand, hurt when he ran into a left field railing about two weeks ago. The back of the hand still is sore.

Woodling, slugged two balls into the right field seats to prove that he also will be ready for the opening ball.

"I don't know how this hand will feel tomorrow," said Manager Charles Stengel, "but I expect him to play."

Philadelphia (AP)—Commissioner Bert Dill of the National Football League warned league coaches and owners Monday that he would stand for a repeat of the snafus in Sunday's San Francisco—Philadelphia Eagles game at San Francisco.

Dill had to be called to quell a riot on the field in the fourth quarter. Bell said he had not received a full report from the game officials and that he would take no action on the incident until he had all the facts.

The commissioner's warning was in a bulletin sent to all NFL presidents and coaches. San Francisco won the game 21-20.

Only seven points were scored in the Duke-North Carolina grid game in 1930. 31 and 32. The 1930 and 31 games ended in 0-0 ties. Duke won the 1932 game by 7-4.

Lopez Inks Two-Year Indian Pact

Salary Reported At \$40,000 Yearly

NEW YORK (AP)—Al Lopez signed a new two-year contract Monday to manage the Cleveland Indians of the American League. It was announced by General Manager Hank Greenberg.

There was no announcement of the salary, but it was estimated at \$40,000 per year.

Lopez has managed the Indians for three seasons. They finished second each time to the New York Yankees.

There had been reports in Cleveland for several weeks that Lopez was thinking of leaving the club. In announcing the signing, Greenberg released the following statement:

"We've always been completely happy with Al Lopez and at no time has there been any consideration given to not renewing his contract."

"We think he is the finest manager in baseball and that he has done a splendid job with our club."

Lopez, 45, from Tampa, Fla., managed Indianapolis of the American Association for three years before coming to Cleveland in 1931. In 1931 and 1932 the Indians had identical 93-61 won and lost records. This year it was 92-62 finishing 8½ games back of the Yankees.

Lopez has been in baseball since 1925 and was a catcher with several major league clubs, including Cleveland.

Duke Snider's nine home runs off Cardinal pitching at Ebbets Field this year was a National League record. The previous high for a hitter against one club in one park was eight by Ralph Kiner against Boston in Pittsburgh during the 1947 season.

Football Starts Monday

IM Director Sets Entry Deadline

A Friday deadline has been set by Intramural Director Frank Beeman for all touch football and fraternity bowling entries.

Beeman sent out a request Monday to all students wishing to participate in the huge sports program this fall. He said that all students are eligible to participate in any of the sports in one of the three classifications which include dorm, fraternity and independent.

Touch football action will start next Monday night, and the schedule will be announced later. Fraternity bowling is scheduled to get underway next Tuesday evening.

Entries for both sports are due in Beeman's office at 5 p.m. Friday so that pairings and blocks can be drawn.

A meeting will be held for all football officials at 8 Wednesday night in 215 Jenison. Another 8 p.m. gathering is scheduled for Thursday when managers of the touch football teams will meet.

Last year, 990 students played touch football on 99 different teams. With an increased enrollment this year, Beeman expects more than 100 squads.

Champions of each of the three leagues are determined at the end of the seven-week season. A playoff is held to determine the All-College trophy winner.

Last fall term, 1,200 students participated in the different services offered. During the winter term, 2,000 students entered events, while an additional 1,200 students signed up for spring term activities.

Another team event offered during fall term besides touch football and fraternity bowling is the Turkey Trot, a running marathon which pays off in five turkeys.

Blasting one of the most complete intramural programs in the nation, Michigan State offers 20 different events including 12 during the fall term, nine during winter term and eight during spring term. Twelve of the sports are team events, and the remainder consist of individual activity.

Among the individual events offered during fall term are archery, table tennis doubles, swimming, football pass, football place kick, handball doubles fencing, gymnastics, wrestling and boxing.

Interested students should contact their dormitory athletic representatives to sign up for a team. The procedure for individual events is to make a trip to Beeman's office.

The archery tournament is scheduled to start Oct. 19 and run for a week, while the All-College table tennis doubles will be held

Oct. 19-23. Place kick competition will also run Oct. 19-23. Football pass action has been set for Oct. 12-16, according to Beeman. Handball doubles will begin Oct. 23, and the huge Turkey Trot will be staged Nov. 12-14.

Beeman said that dates for the fall events had not been set, but would be announced later.

Network Puts Spartan Grid Squad 'On Air'

Michigan State's nine game football schedule will be broadcast on the Spartan State football network this fall.

The network will originate from Kalamazoo, the college with Sports Director Bob Leahy doing the play by play. He will be assisted by Larry Erskine, who will handle the radio and halftime interviews.

A weekly radio broadcast to Michigan State is called the "Spartan Special" will be brought throughout Michigan over 31 stations.

Leahy and Ted Emery, assistant publicity director, will originate the program, which will be broadcast from the studios of the Spartan football team.

The program is a 15-minute show which includes the play-by-play of the game, interviews with players and an in-depth analysis of the game.

Leahy's return to South Bend in 1944 signaled the sudden rise to power of Notre Dame's green-shirted marauders who swept to three National titles in the next four years. But it wasn't always a smooth road the Ramblers traveled.

Here are the principal unbeaten records of the last 25 years, post-season games not included:

Team	Years	Games	Wins	Ties	Losses
Notre Dame	1929-36	28	28	0	0
Oklahoma	1940-51	30	30	0	0
Southern California	1937-53	26	26	0	0
Michigan	1940-49	24	24	0	0
Princeton	1940-52	24	24	0	0
Minnesota	1929-36	28	28	0	0
Army	1944-47	22	22	0	0
Yale	1885-89	48	48	0	0
Washington	1907-17	63	63	0	0

Twichell's

It's easy as pie!
No entry blanks!
No box tops!

You can cash in again and again!
C'mon, let's go!

TWICE AS MANY AWARDS THIS YEAR

MAKE \$25!

WRITE A LUCKY STRIKE JINGLE

based on the fact that LUCKIES TASTE BETTER!*

From well-known towns to parts unknown,
Meet any place you go—
It's Lucky Strike for better taste
with people in the know!

Easiest \$25 you ever made. Sit right down and write a 4-line jingle based on the fact that Luckies taste better. That's all there is to it. More awards than ever before!

Read the jingles on this page. Write original ones just like them—or better! Write as many as you want. There's no limit to the number of awards you can receive. If we pick one of your jingles, we'll pay you \$25 for the right to use it, together with your name, in Lucky Strike advertising.

Remember: Read all the rules and tips carefully. To be on the safe side, clip them out and keep them handy. Act now. Get started today.

RULES

1. Write your Lucky Strike jingle on a plain piece of paper or post card and send it to Happy-Go-Lucky, P. O. Box 67, New York 46, N.Y. Be sure that your name, address, college and class are included—and that they are legible.
2. Base your jingle on any qualities of Luckies. "Luckies taste better," is only one. (See "TIPS.")
3. Every student of any college, university or post-graduate school may submit jingles.
4. You may submit as many jingles as you like. Remember, you are eligible to receive more than one \$25 award.

TIPS

To earn an award you are not limited to "Luckies taste better." Use any other words, phrases or Lucky Strike, such as the following:

L.S.M.P.T.
Lucky Strike Means Fine Tobacco
Luckies taste cleaner, fresher, smoother
So round, so firm, so fully packed
So free and easy on the draw
Be Happy—Go Lucky
Buy Luckies by the carton
Luckies give you deep-down smoking enjoyment

Union Concourse Place For Student I.D. Cards

Identification cards for students registered Sept. 28 will be available in the Union Concourse Wednesday. The cards will be ready Oct. 6. The cards are necessary for all athletic events, lectures, concerts, and for taking books from the campus libraries.

Activity books, issued at registration, are used for athletic events and the Concert-Lecture books. They are not transferable.

Distribution of tickets for the home "Spartan" football game will take place Oct. 5. Students may exchange activity books for tickets at the Union ticket office Monday through Friday.

Seniors may obtain their Tuesday, sophomores, Wednesday and freshmen, Thursday. Extra tickets may be purchased Friday.

Three Jensen ticket windows will be open from 9 a.m. to 5 p.m. including lunch hours.

"There are plenty of tickets for everyone. The only advice I have for students is to read the instruction card given out at registration."

"Then procedure shouldn't be difficult at all," commented SHLU Burdett, athletic ticket manager.

Senior seats are located on the 40-yard line. Other undergraduate seats branch out from there.

Football tickets are distributed during the week preceding each game. No duets will go to students without activity books.

I.D. cards must be shown officials at the stadium for admission.

Students wishing to attend classes on the Lecture-Concert series must also exchange an activity book coupon for a ticket. The exchange usually occurs in the Union building a week before the event is scheduled.

Only one ticket is allotted per coupon.

First concert on the fall series will be presented by the First Piano Quartet Oct. 22. No date for ticket distribution has been set.

For admission to lectures and the home travel series, students must show activity books at the door. There are no reserved seats for these programs.

"Gummy Island," a presentation by Mel Lamber, will get the travel series underway Oct. 3.

Edy Gilmore, former Associated Press correspondent, will speak in the Auditorium Nov. 9.

Several special numbers including "The Biggest Show of '56" have been added to the fall slate. Tickets must be purchased for them.

Appearance on the series has been a year in advance. The special numbers are issued six to eight weeks beforehand.

"We program the extra numbers for people who like a lighter type of entertainment," Crowe added.

Approximately 300 activity books and I.D. cards were lost last year. Only I.D.'s are replaceable.

Loss of either should be reported to employees in the vault office of the Administration Building, Extension 300.

Staff

(Continued from Page 3) or, entomology, and Joseph A. Burn, music.

There also were 14 appointments with the rank of instructor.

Designations included Mrs. Isabelle Goss, semester for vitamin; assistant professors Everett E. Peterson, agricultural economics; James H. Peterson, physical education; and G. Merrill, Jr., entomology; Mary H. Payne, mathematics; Kenneth E. Robinson, sport courses, and vice instructors.

Leaves of absence for one year were granted to Vernon C. Larson, instructor of short courses, to complete his doctoral degree, and Kenneth E. Tiedhe, assistant professor of sociology and anthropology, to work with the International Institute of Agricultural Sciences. Larson's leave expires Jan. 1, 1964, and Tiedhe's, 1965.

RENRUS

Logh, Men:

Women-Men Ratio Grows Less Yearly

Basically, it looks like another good year for the coed. Although some statisticians will immediately point out that engaged, pinned and going steady guys and girls shouldn't be counted, the ratio for fall term works out to about 1.9 men for each coed.

At that, the lady's advantage is slipping away. Back in 1948, she had a fraction over three men to choose from. By 1950, there were only two-and-a-half men for her. Last year, she barely had two.

Next year? Why worry, lady? Make the best of what you've got.

Council, Class Offices Open; Petitions Soon

Freshmen can get into the swing of class activities early this term. Petitions for membership on Fresh-Soph Council and freshman and sophomore class officers will be available Oct. 22 at the Union Board desk in the Union Building.

Fresh-Soph Council elections will be held Oct. 29. The Council is composed of living unit representatives and an executive board which includes officers of both classes. The board is headed by the council president who is elected by the council itself.

Freshmen interested in becoming council members must plan to live in the living unit they represent for at least three terms after election and must maintain a 2.0 all college average. Sophomore candidates must have an all college 2.0 before they petition.

Fresh-Soph Council carried through its project of helping at registration this past week and was co-sponsor of the Freshman Orientation dance.

Art Professor Attends Convo

Prof. Walter Abell, of the MSC Art Department, was one of 10 art educators from various parts of the country invited to participate in a preliminary national planning conference on "The Visual Arts in Education" Organized by the American Council of Learned Societies. It was held Sept. 23 and 24 in Washington, D.C.

The conference purpose was to assist the Council in planning programs related to the role of the artist in American life, the training of interpreters, critics and teachers of the arts and other matters. Programs growing out of the conference are being considered by the council in its recommendations for financial support from foundations.

MSC Given Grants for Research

AEC to Aid Atom Study

Out-of-town athletic events will continue to be broadcast over WKAR. An agreement with the American Dairy Association of Michigan was renewed to cover expenses. The fund, amounting to \$8,000, will be under the direction of E. J. Coleman, director of WKAR.

This is one of eleven grants and grants received by MSC through the State Board of Agriculture at the last meeting Sept. 18.

The top sum of \$4,507, given by the U. S. Atomic Energy Commission, will be used by Dr. Bergeon Kavin, associate professor doing research in agricultural chemistry.

A grant of \$3,285, also given by the Atomic Energy Commission, will be used for research by Dr. L. F. Wolterink of the department of physiology and pharmacology. The Office of Naval Research, Washington, D.C., has provided a grant of \$3,500 to be used under the direction of Dr. Lee Kait, associate professor of mathematics.

Other grants are: \$7,182 provided by the Public Health Service for the study of tumor growth inhibitors. \$5,000 from the Bureau of Dairy Industry to be used under the direction of Dr. N. P. Ralston of the dairy department.

\$6,000 from the Farmers and Manufacturers Beet Sugar association of Saginaw to the MSC department of farm crops.

\$5,504 given by the Michigan R.E.A. Safety and Job Training commission of U.S. Dept. of Labor to be used under the direction of Prof. A. W. Farrell, head of the department of agricultural engineering.

\$5,000 provided by the Middle West Soil Improvement committee of Chicago for the study of fertilizers.

\$5,500 from the Dow Chemical Co. for a project to test the usefulness of a new synthetic film as a wrap for frozen foods.

\$5,000 from the Michigan National Bank from the estate of Anne Graham to establish the Robert D. Graham Scholarship Loan Fund in Agriculture.

School of Engineering Produces Feature Film

"Mechanical Engineering," a feature-length film in color about training, job opportunities and the future in the field of mechanical engineering, has been produced by the MSC School of Engineering.

The 20-minute film was produced by Paul DeKoning, assistant professor of mechanical engineering and George Tuda, instructor in engineering drawing.

Beta Tau Beta president Jack Wimmer, third from left, and vice-president Dick Gray, fourth from left, are busy at work remodeling the old Alpha Gamma Delta sorority house on May Street. The fraternity hopes to move into the house in the near future.

Hannah Names Co-directors In 1953 Drive

Co-directors for the 1953 Community Chest drive on the Michigan State College campus were named recently by president John A. Hannah.

Alvie L. Smith, centennial director, and Charles A. Blagdon, assistant professor of journalism, replace Dr. Harold Sponberg, who has left the college to take a post in Washington, D.C. Blagdon has served as assistant director of the campus drive for the past three years.

Quota for the college campaigns which does not include the student body, is \$25,108. This is about 13 per cent more than the 1952 quota but only slightly over the \$24,508 actually raised last year.

Smith said the college drive will get under way Oct. 5, although the parent Ingham County Red Feather campaign will conduct its drive Oct. 15-29.

The co-directors also revealed that Jack Breslin, director of placement, is heading up the placement section of the campus drive and solicitation of these advance gifts will begin this week.

Wolverine Sales Top Past Years

Wolverine sales at registration topped all records from previous years, officials said. This year's sales totaled 1,125, compared to 713 last year at fall term registration.

Roselle Richmond, Lincoln Park sophomore, was top sales person with 243 books. Other top salesmen were Jean Henning, Barbara Cope, Detroit sophomore, Ginny Sobotka, Dearborn sophomore, Peg Fischer, and Winifred Craig, Kalamazoo senior.

Anyone interested in selling Wolverines should contact Dick Goebel. There will be a coffee hour for salesmen at 4 p.m. Tuesday in Old College Hall.

Block 'S' Readies TCU Game

Group Schedules Flashcard Practice

Flashcard practice will be distributed to the Block 'S' members, juniors, and seniors, at 6:15 p.m. Monday at 6:15 p.m. Monday. Everyone who signed up to attend.

Block 'S' I.D. cards will be turned in at the table at the main east gate of the Union Building. There will be a special table for each class.

Seating arrangements for "Block S" will be made in a similar fashion to last year. That is, the first served. Activity for "Block S" I.D. cards will be presented to the "Block S" members at 6:15 p.m. Monday at 6:15 p.m. Monday. There will be a special table for each class.

Two of the flashcard games will be performed at the Union-Michigan State game. A baton twirler with a baton and the spelling of Biggie Munn's name in a later will give an illustration of the spelling. "Block S" will occupy one half of section J. That is, the 25 yd. line to the 10 yd. line through 52.

The flash card game promoted by Junior after the idea was brought by Alpha Phi Omega, last November by the Service Honorary, for the game.

This group was organized to help football games and publicity, add color to the game and stimulate student interest in the games, Jim man said.

"Block S" will be sponsored by junior classes from now to November.

Dr. Reeves Features On Education Panel

Dr. Floyd W. Reeves, of educational administration, Michigan State College, will be featured on the Second Annual Legislative Work Conference, Southern Regional Educational Association, Sept. 24-25 at the Beach, Fla.

ANNOUNCEMENT

It is with pleasure that I announce the appointment of GUY L. FORNEX, as full time representative for the L. G. Harkour Company, in the Michigan State College area.

Guy will reside in East Lansing, and make possible the full time coverage and service our Michigan State friends so richly deserve.

Both Guy and myself will be visiting you very soon, with our new and complete line of fraternity and sorority jewelry, and are looking forward to seeing our many friends again.

Cordially,

BOB CARLSON—Your Refractor Man
