## Three MSC Groups Top Chest Drive

### Agriculture Leads In Solicitations

Three of the four top college divisions of Community Chest are over the top in total solicitations, according to Alvin L. Smith, co-chairman of the campus drive.

Administration, headed by Vic Henley, and the science division of Science and Arts, captained by Dr. Richard Fennell, reported more than 100 per cent of quota Tuesday.

The agricultural department was the first college group to surpass its goal, collecting \$4,300 since the drive opened Oct. 5.

College collections now total \$16,314.25, or 65 per cent of the \$25,108 quota. Department solicitors are continuing checkbacks, in order to reach 100 per cent participation by Friday, the closing day of the drive.

Lansing totals now are \$443,792.32, 62.9 per cent of the 1964 goal of \$705,341, said Richard Lyman, Jr., general chairman of the drive.

Tuesday, named "construction day," placed emphasis on the construction industry and building trade teams, with 16 of the reporting groups over the top. Three of the "Big 5" Lansing industrial firms also reported 100 percent of their quotas.

George Dean, president of the Michigan Federation of Labor, spoke at Tuesday's luncheon, the second in a series of four report meetings. A victory dinner will be held Oct. 28.

## Faculty to Discuss Reorganization of Science-Arts

The School of Science and Arts faculty will meet today to discuss the faculty reorganization proposal set forth by the All-College Research Committee, headed by Dr. Harry H. Kimber, history of civilization department.

Several points of the proposal were explained by Dr. Thomas H. Greer, of the history of civilization department, last week at a Teachers' Union meeting.

The Committee was instigated at the request of President Hanan to draft a plan. It was presented last June to the faculty after 18 months of study. Action will be taken this term, Greer said, after all schools have met to discuss it. Criticism by the Teachers' Union members showed interest in the plan, Greer added.

## IFC Sets Nov. 13 For Annual Ball

At their meeting Tuesday night, the Inter-Fraternity Council set Nov. 13 as the date for the Toga Ball, which it is co-sponsoring with the Pan-Hellenic council.

The dance will be held at Kellogg Center with Bob Eberhardt's band providing the music. Tickets for the event will be distributed to the houses after Nov. 2.

In other council action, Don Harner, of Alpha Gamma Rho, was elected as student-faculty representative.

Skip Sommers, Kappa Sigma, was appointed to head a committee that will check on illegal rushing parties in fraternities.

# Red Command Fails to Woo Anti-Red POWs Back Home

## Dedicating Dam

## Man-Hunt Story

# Director Casts Fall Term Play

"Escape," by British playwright John Galsworthy, will be presented by the MSC Players as their fall term play Nov. 19, 20, and 21 in Fairchild Theatre. Stuart Chenoweth, assistant professor and acting director of the speech and dramatics department, will direct the group.

The 10 scenes of the play, following the climactic technique of structure, each require a different stage setting. Virgil Godfrey, new designer and technical director for the department of speech, has designed them in modified space staging in a selective, realistic manner.

"Escape" is the story of a man-hunt of the State of Michigan. The play is set in the last five years of the drinking habits of nearly 16,000 students of 27 representative United States colleges.

Seventy-four per cent of the nation's students admitted taking a nip every now and then, but more than 90 per cent proved to be very moderate imbibers.

Students at "dry" colleges which outlaw alcohol hang up an average drinking score only six per cent below the national average, and they demonstrated that when they do drink, they get drunker than students at "wet" colleges.

The report also said students at women's colleges drink more than women at coeducational institutions. Most common reason given by the women for their drinking habit was that it helped them get along better on dates.

Union Board to Conduct Dancing Instructions

Union Board has announced that it will sponsor dancing instructions this evening at 7 in the second floor Union. It will also conduct bridge lessons Thursday evening at 7.

## And Film Showing Results of Census

The film "The Census" is a documentary about the 1960 census. It shows the process of counting the population and the impact it has on the government.

## President Dedicates Dam

President Dwight D. Eisenhower (left) and President John F. Kennedy (right) stood under the arch of the United States and Mexico on the international boundary on five-mile long Pecos Dam as the two sides were officially unveiled, dedicating the \$29,000,000 structure across the Rio Grande river Monday.

## Holiday Work Available to MSC Students

Male students who are residents of the city of Detroit and desire employment during the Christmas holiday season with the United States Post Office should turn in their names at the Placement Bureau, 101 Morrill Hall immediately.

Since it is necessary to know the earliest date on which a student will be available for work, students should check the forthcoming exam schedule before registering.

Names will be taken during the rest of October until Nov. 6, at which time a complete list will be sent to the Postmaster at Detroit.

## Student Cited as Outstanding Cadet

Captain Robert A. Reid, Michigan State College Air Force ROTC Cadet, was cited as the outstanding cadet while attending Air Force camp last summer. Cadet Reid received his summer training at Kelly Air Force Base in Texas.

The Detroit senior is a Squadron Commander in the Air Force ROTC program at Michigan State.

## Coffee Hour Planned For Senior Students

There will be a senior coffee hour this afternoon from 3:30-5:30 in Old College Hall.

The event is sponsored each week by the senior council and is open to all seniors.

The purpose is to have seniors meet with other members of their class to create a closer feeling of unity. Free coffee will be served.

## GOP State Treasurer Enters 1964 Campaign for Governor

LANSING (AP)—State Treasurer B. Hale Brake Tuesday became the first to officially tie his name to the race for governor in 1964.

Brake, 48, a Republican, announced he would be a candidate for the GOP nomination.

He said he made his decision after a thorough analysis of the state's political situation and the need for a change in leadership.

## Allies Receive Blame For Communist Failure

PANMUNJOM (AP)—The Communist high command, badly beaten in its campaign to woo back 22,400 anti-Red prisoners, Tuesday night in effect blamed its failure on the Allies.

The command's complaint was in a note sent to the Allies at a time when the situation was so grave that the Swedish member of the Neutral Nations Repatriation Commission conceded "anything might happen."

The Communist Pole and Czech delegates were boycotting the commission because it refused to force the prisoners to return to Red provocations. Thus the explanation work was stalled indefinitely.

Li Gen, K. S. Thimayya, commission chairman, was huddling with both sides, trying to make peace. The Communists are insisting on talking to hasty North Koreans, who threaten a mass break from Panmunjom's compounds if they are forced to listen.

A diplomatic source at the United Nations said the United States had been urged to talk the North Koreans into listening to avert a breakdown of the armistice.

The source said the whole armistice was based on an agreement that both sides would have a chance to persuade reluctant prisoners to return.

He declared that if the North Koreans cannot be persuaded to listen, the Communists would withdraw from the repatriation commission permanently and this would blow up the Korean peace conference.

The note to Gen. John E. Hull, United Nations commander, was signed by Premier Kim Il Sung of North Korea and Gen. Peng Teh-huai.

It charged that "your side" had planted large numbers of North Korean and Nationalist Chinese "agents" among the Chinese and North Korean prisoners at Panmunjom.

The Communists declared this was done "so as to continue your intrigue of obstructing the repatriation of these captured personnel of our side." This has been a constant Communist propaganda charge but it was the first time it was made by the Red high command.

The contents of the note were not disclosed here, but were broadcast by the Peiping radio. The note denied a charge made Sept. 24 by Gen. Mark Clark, then the Far East commander, that the Communists had failed to account for 3,421 Allied prisoners. It said all had been accounted for.

## NEWS IN BRIEF

Trieste Talk Defered

UNITED NATIONS, N. Y. (AP)—The U. N. Security Council Tuesday voted to postpone debate on disputed Trieste until Nov. 2 in order to give Britain, France and the United States time to work out a solution through direct diplomatic action.

Costello Ending Term

MILAN, Mich. (AP)—Federal officials Tuesday said senator Frank Costello will be released from Milan Federal Penitentiary Oct. 29 after completing his sentence for contempt of congress.

AF's Leader Dies

INDIANAPOLIS (AP)—William L. Hutchison, 76, former head of the giant A.F. of M. union and a militant figure in labor's struggle for recognition, died Tuesday of a heart ailment.

La Rose Leaves Job

LAKE CHARLES, La. (AP)—Sen. La Rose today said he would leave his job as senator to run for governor in 1964.

La Rose said he had decided to leave the senate to pursue his political career in the state of Louisiana.

La Rose said he had decided to leave the senate to pursue his political career in the state of Louisiana.

## 'Big Show' to Offer Top Entertainers

enthusiasts will hear the fall edition of "The Biggest Show" at the Michigan State College auditorium on Oct. 26 at 8:30 p.m.

special event is scheduled under the MSC Lecture series and will feature Nat "King" Cole, Sarah Vaughan, The Orioles, and Ralph Marterie.

In addition to the performers are included.

Nat "King" Cole and Sarah Vaughan were scheduled to appear in the "Big Show" five years ago but were unable to do so due to scheduling conflicts.

This year's group has been selected by record sales and they would most enjoy the event.

Stars on the jazz program include dance and comedy. The program will be a "Big Show" featuring the best of the jazz world.

Patricia Helen and Jan, who have been performing together for many years, will be featured in the comedy act.

## Union Board Still Seeking Show Talent

To Appear Over WKAR Television

Preparations for WKAR-TV's Union Board sponsored talent program entitled "Campus Matinee" are being delayed by the slow return of talent lists sent to various living units early last week.

The Union Board urges all interested students to sign the lists, indicating their talent, and to promptly return the talent sheet so auditions can be arranged.

In addition to appearing on WKAR-TV, the student government secretary of state, reports that Ken Lawrence, emcee for the WKAR-TV talent show, "House of Music," is interested in featuring MSC talent on his television matinee.

Tentative plans are being made to select the stars of "Campus Matinee" and organize a cast to represent MSC on the "House of Music" show, presented Saturday afternoons from 3-5.

Vocalists, soloists, dancers, acrobats and impersonators are a few of the acts being sought. A complete talent round-up is necessary to insure the success of both programs.

Block S Asks Aid in Planning New Designs

An appeal for students to work on technical production for Block S was made at Tuesday night's Junior Council meeting by Block S stunt co-designer and director Luck Hatter, Wyandotte junior.

"We need artists, students to check the accuracy of instruction cards and other technical workers," Hatter said.

He asked those interested to contact him at 254 West Shaw.

Possibility of obtaining a train to transport students to the Rose Bowl in case of Spartan participation in the classic was discussed.

One offer from a railroad would provide transportation for 500 students at a cost of about \$160 per student. All expenses except game ticket, transportation to the stadium and food were included in the price.

More investigation will be made before a decision is reached, members said.

A proposal to have music played from the Union on Saturday mornings before each home game, was made.

Next council meeting will be held Oct. 27.

## Actor-Teacher Goes Home

Since the war he has been affiliated with the British Broadcasting Company as a radio and television actor.

Carey also worked with Morris Shearer as voice and dramatic coach for her role in the Arthur film, "The Red Shoes," and as dramatic coach for the "Black Narcissus" and "End of the River" movies.

Serving as lecturer in voice production, diction, drama, and costume at the Michigan School of the Royal Academy of Dramatic Arts in London was also in Carey's background.

High now, Carey is visiting and teaching part time at the Michigan School of the Royal Academy of Dramatic Arts in London.

Carey said he had decided to leave the senate to pursue his political career in the state of Louisiana.

Carey said he had decided to leave the senate to pursue his political career in the state of Louisiana.

# Coeds Informed at Rushing Convo

Weeks Give  
Handbooks  
Rushes

Teas Scheduled  
Saturday, Sunday

MARGE GORMAN  
Rushing Convocation, held  
in the Music Auditorium,  
informed prospective freshmen  
of the Pan-Helene  
and rushing procedure.

Program was opened by  
President Joan Stroud,  
senior, who outlined  
the objectives and  
of Pan-Hel.

Mabel Peterson, co-  
ordinator of Women, was  
aid by Miss Stroud,  
the first vice-president  
of the Pan-Helene.  
Peterson outlined the  
objectives of the rushing  
handbook, and the  
first Greek To Be.  
The rushing procedure  
was then discussed.

and functions of the  
counseling clinic were  
outlined by the second vice-  
president, Jean McClure, Chelton  
Marlyn Byram, East Lan-  
sing, and Pan-Hel sec-  
retary, appropriate dress  
was discussed.

Summary of the convocation  
given by Carol Buttrick,  
treasurer and Grand  
Columbia senior, when she  
told the coeds "to keep their  
heads in mind when rushing  
not to choose a sorority  
their mother belonged to  
or group twenty years  
because they have a  
who is a XYZ."

Pan-Hel representa-  
tives stationed through-  
out the auditorium, advising  
on various problems and  
out booklets to girls  
did not receive them.  
Counseling will con-  
tinue to be offered today  
Friday, Oct. 20, from  
10:30 to 4:30 in the AWS Office  
Union.

Rushing teas will be held  
from 1 to 4:30 p.m. and  
from 7 to 9:30 p.m.

Ec Group  
Style Show

The show titled "Fashion  
will follow the general  
of the Home Economics  
night at 7 in the Little  
of the Home Economics

Coeds from the Home  
Economics department will model  
fashions, and lanterns  
of the styles of half  
century ago will be shown. The  
will compare today's fash-  
ions with those of 1898 when the  
School of Home Economics  
was founded.

Steps To Initiate  
New Members

Captain the student nursing  
club, on campus, will hold  
a meeting tonight in 34 Union.  
Future members will be in-  
vited to the club.  
Capt was started in 1899  
purpose of furthering in-  
the nursing field.

## And This Is Michigan?

Joe College and Betty Coed depict a typical Indian summer scene as they brief for mid-term exams and enjoy the "rare" fall weather.

### Caution, Men!

## MSC Coeds Enter Vet Science Field

Times have changed, fellows. Move over and make room for the women who are invading every field. The most recent example of this on the MSC campus is the influx of females in the predominantly male field of Veterinary Science.

Nine of the 250 professional students in the department this year are women. Professional students are those who have finished the Basic College curriculum and have started their four-year course in the Veterinary Science department.

The majors maintain that a woman's chances in this field are good now and will continue to be because of the current shortage of veterinarians.

The veterinary medicine course is open to only 64 new students a year. Only applicants with the highest point averages are admitted.

Actual classwork during the first two years of professional school takes the larger part of the student's time. The coeds spend 36 hours a week in classes. During the last two years of the course most of the time is spent in clinical work.

## Coal-iteralia

By JAMES GORMAN  
Senior Editor

Open Letter To Telephone Abusers:  
"Sorry, wrong number."  
"That's a fine how-do-do, why don't you put the right number in the phone book?"  
Bang! Apparently some phone abusers have never learned the words, "I'm sorry I bothered you."

Or this is a familiar situation. "Should I tell her (or him) who called?"

"Oh, it doesn't matter, I'll call back." Normal curiosity never entered this person's head.

Then there's the person who never considers the hour he (or she) phones. Some people inevitably wait until the last moment to return a phone call, and it's usually late at night or during the dinner hour.

Everyone knows the telephone "marathoner" who talks for an hour or so never dreaming anyone else would like to use the phone.

And there's nothing more thwarting than, "Oh, I almost forgot Bill Smith or maybe it was Walters . . . something like that called. He didn't leave his number. Said you'd know."

And so Alexander Bell's invention continues to be ruined. Perhaps the only solution to the problem is to publish a special telephone etiquette book—or maybe to disconnect all phones.

## Candidates to Compete For Military Sponsors

Candidates for Honorary Colonels and Corps Sponsors of the Coronation Ball must have a 5 x 7 photograph ready to be picked up by a corps representative Oct. 27.

On the back of each picture must be the candidate's name, age, class, hometown, point average, and activities.

One entrant will win the title of Air Force Honorary Colonel and one will be the Army Honorary Colonel. Five coeds will be Air Force Corp Sponsors, five will be Army Corp Sponsors, and one will act as Corp Sponsor for the Spartan Guard.

Candidates are being chosen in each living unit, but first-term freshmen are not eligible to participate. Contestants must have an all-college two-point average.

## Stanford's Bob Garrett Back of Week

STANFORD (AP) — Stanford's Bob Garrett, whose "unconscious" blocking knocked UCLA out of the undefeated ranks Saturday, earned The Associated Press back the week designation by his blocking feat.

Garrett edged out Bernie Faloney of Maryland who, for the second straight week, barely failed to make the No. 1 spot.

Garrett completed 13 of 15 passes on two touchdown drives, finished for all three scores and converted three times.

Also singled out for special notice were Charley Sanner, William and Mary quarterback, who averaged 7.8 yards on eight rushes, completed eight passes for 112 yards and was great on defense as he led the way in a 13-7 upset of Virginia Tech, and Michigan's Duncan McDonald, who accounted for all 30 points against Northwestern.

Others nominated included Ralph Guglielmi, Notre Dame; and J. C. Carolan, Illinois.

# MSC Cuts Notre Dame Lead in AP Poll

## Grid Experiences

### Big Jim Neal Rated Key Factor on Line

By BILL BOGGS

Holding down the center position on Michigan State's victorious football team is rugged Jimmy Neal.

The 6-4, 210-pound center has seen a lot of action since last season, when he was given his first starting assignment by Coach Biggie Munn in the Texas A & M encounter. Neal snared the offensive center slot in the new disked two-platoon system when Dick Tamburo was switched to a defensive linebacker by Munn.

Big Jim came to MSC with a great deal of background in his school football. He attended wide recognition when he moved to the athletic camp in 1939. While in high school, he played three years of football and basketball, and was the captain of the basketball team.

Neal's versatility has been a real advantage to his present coach, Munn. He can play at any position on the line, and he can play in the backfield. He is a natural leader, and he is a great player.

## Black Edges Stafford

Red Black, former NCAA boxing champion from MSC, captured his winning ways Tuesday night by heavily defeating Gus Stafford, Chicago, in an eight-round fight at Leland's Professional Auditorium. It was the underdog's first win in 30 starts since leaving professional.

## Irish Lose Ground On Fourth Weekly Ballot; Terps Gain

By JACK EGLE

Coach Biggie Munn's Spartans have made a setback into Notre Dame's lead in the weekly Associated Press poll.

The Irish lead the national gridiron ranking list for the fourth straight week, show only a 46-point lead compared to an edge of more than 250 points in last week's poll.

After last week's 22-10 loss to Pittsburgh, Notre Dame fell 57 first-place votes and 104 cast by the nation's writers and broadcasters. Irish haven't been displaced from the AP pre-season poll as the heir apparent, Michigan State's national gridiron.

Notre Dame wound up 1,185 points, while the Spartans gained 1,107 tallies in first-place ballots. A week ago, Notre Dame had 74 first-place votes and 1,226 points to 977 for Michigan State.

The Spartans also narrowed their margin in the United Press poll. A 35-man board of college coaches gave Notre Dame first with 328 points on 21 ballots. The Green and White 210 tallies on nine first-place votes.

Maryland was hot on the AP poll, too. The Terrapins gained 10 points in the AP poll for a winning, third-place standing. First-place votes gave the first place.

State's easy victory over Virginia and Maryland's narrow North Carolina were factors in cutting the lead.

Not only was the lead closer, but all indications are to an even tighter race this week. Notre Dame and the fourth-ranked Georgia are a game that could upset the standings.

Tech rolled over three Auburn by a 36-6 count Saturday to climb from sixth to fourth in the rankings.

Rounding out the first five in the AP poll are Michigan, Baylor, Illinois, Virginia, Oklahoma and Navy. Showing what a difference a missed conversion can make in football, Duke and UCLA, one-point losers, dropped out of the first 10 to be replaced by Oklahoma and Navy.

UCLA, ranked fourth a week ago, dropped to 12th after a 21-20 decision to Stanford. Duke's 14-13 loss to Army in the Blue Devils from ranking to a tie with Kansas for 16th.

Oklahoma climbed back to a crushing Kansas 45-0 last Saturday. Navy's rise came after a victory over previously unbeaten Princeton—the worst defeat inflicted on any Princeton team in the top 10 (first place).

The top 10 (first place) are:

1. Notre Dame (57)
2. MICHIGAN STATE (46)
3. Maryland (27)
4. Georgia Tech (13)
5. Michigan
6. Baylor (11)
7. Illinois (11)
8. West Virginia (12)
9. Oklahoma
10. Navy

## Trojans Tripped Late Rally Brings Win For PRAC, 12-6

# Rush the Passer, Munn Tells Spartans Monday

## Billermakers Grow Often; Overall Out

By KEITH MURRAY

With a potentially tough squad starting this week, Michigan State's Spartans went through an in-practice session Tuesday morning under a steaming sun. Coach Munn, who was full of pep, told the players that the team was in for a hard fight. He said that the team had to be ready to play at all times. He said that the team had to be ready to play at all times. He said that the team had to be ready to play at all times.

## Award Winner Dotsch Continues To Improve Play

By MIKE CARR

Roland Dotsch has come into his own. When the stocky right tackle pounced on an Indiana fumble to set up State's tying touchdown Saturday, he fulfilled some of the promise he had shown even before he was awarded the C. B. Dakin scholarship.

The scholarship, awarded this year for the first time, was given to Dotsch because he possessed, according to his letters of reference, all the fine qualities of sportsmanship, academics and personal character that Mr. Dakin approved of in a young man.

This scholarship was made possible through a fund set up by the employees of the Oldsmobile Forge Plant, after the death of Mr. Dakin last year.

Roland, a 5 foot, 11 inch, junior, played an all-around brilliant game against the Hoosiers, and contributed the key play on Billy Wells 58-yard runback of an intercepted pass.

Although he failed to letter last year, Dotsch has already put in enough game time to merit a varsity award.

Dotsch has been improving consistently in every game in which he has appeared, and many observers believe he will be a key lineman in next year's forward wall.

The Spartans have been particularly noted in the past few years for hard-charging, sure-tackling linemen, and Dotsch may be another such up-front stalwart if his improvement continues.

The 20 year old, 190-pound grinder, who played his high school football at Lansing, Michigan, gained honorable mention on several all-state teams as a fullback and tackle, besides winning letters in basketball, baseball, and track.

Roland plans to go into coaching after he gets his physical education degree and serves his time in the armed forces. He would prefer to coach in a small school because of the chances for more rapid advancement. Of course, his birthplace might have something to do with this. Dotsch was born in Garden, Mich., a village of about 350 people in the upper peninsula. He now lives in Alpena.

ROLAND DOTSCH, stocky tackle

## Navy Jumps To Top Spot In Scoring

NEW YORK (AP)—Navy's 66-7 rout against Princeton Saturday shot the Midshipmen to first place among the nation's major college football teams in scoring, to second in total offense and third in rushing, figures of the NCAA service bureau showed Tuesday.

Coach Eddie Erdelatz's Midshipmen, rolling up the highest score of the season in a game between major teams, raised their four-game averages to 38 points, 392.5 total yards and 275.5 yards on the ground.

Navy trails Utah's 401.5 in total offense, and Illinois' 352 and Kansas State's 279 in rushing.

College of Pacific took over the No. 1 passing spot, with a five-game average of 179 yards after gaining 208 yards while losing to Texas Tech. Northwestern is second with 173.5. Utah is the most accurate passing team. The Utes have hit with 56 of 96 attempts for 58.3 per cent, although ranked ninth in yardage.

Utah moved into the total offense lead with its second straight 400-plus performance in yardage, bagging 417 against Denver after making 442 against Utah State.

Utah, unbeaten in five games, is second to Navy in scoring, with 33.8 points a game and first in total points scored with 169 to Maryland's 158 and Navy's 152.

Illinois held on to its top position in running by grinding out 304 yards in defeating Minnesota. The most murderous running attack of Saturday was Oklahoma's 327 yards against Kansas. This moved Oklahoma from 81st place to 25th.

## 'Mural Sidelights'

After a day of competition, eight men are tied with five straight kicks in the 1M place-kicking contest. A broken tee ended competition Tuesday after 28 men had kicked the ball.

The leaders are Dan Braden, Lee Stader, Ray Dale, Vito Perrone, Dick Burns, Homer Grosvenor, Jim McLaughlin, and Loran Hamilton.

In the pass throwing contest, Vito Perrone and Barrett Gouride are tied with 11 of a possible 15 points.

All doubles handball teams are requested to sign up at the 1M office before 5 p.m. Oct. 26. Competition will begin the following week. For the first time, it will be possible to check out gloves and handballs at the office.

## 1953 Brewer Award Won by McLachlan

Swimmer Bert McLachlan, an English major from Englewood, Col., won the 1953 Chester L. Brewer award. This award goes annually to the student "who distinguished himself, both in athletics and scholarship."

## Regulars Return to Purdue Monday

The return of two mainstays, fullback Max Schmaling and center Walter Cudzik, to the heartened Purdue starting lineup may spell out more trouble for Biggie Munn's gridders.

Purdue was able to display some power in its previous games and now that it has two regulars back, things could very easily lead to an upset for Coach Munn this Saturday.

Schmaling missed the Duke encounter and saw limited action against Wisconsin. He appeared fully recovered from a leg injury and will be ready for the Michigan State game Saturday.

## Lions Put End On Hurt List

DETROIT (AP)—The Detroit Lions put Jim Doran, veteran defensive end, on their injured list Tuesday, bringing the total on the 30-day inactive roster to three.

Doran, bothered by a pulled "hamstring" muscle in the leg and back, aggravated the injury Sunday when the Lions took a 31-10 loss from the Los Angeles Rams.

## Bob Porterfield, Harvey Haddix Shutout Kings

NEW YORK (AP)—Washington's Bob Porterfield and rookie southpaw Harvey Haddix of the St. Louis Cardinals, were the 1953 shutout kings of the majors. Figures compiled by The Associated Press Tuesday showed Porterfield topped the American League with nine shutouts. Haddix set the pace in the National League with six.

# Security Council to Investigate Arab-Israeli Border Incident

## U.S. Disturbed By Reports of Broken Truce

UNITED NATIONS, N. Y. (AP)—The U.N. Security Council decided Tuesday to inquire fully into Arab-Israeli border incidents including the recent killings at Kibya, Jordan.

Henry Cabot Lodge, Jr., American delegate, told the council the United States is disturbed by reports of truce violations along the border.

He said the council must act if these reports are confirmed by Maj. Gen. Yagor Bonafide, Dominican chief of staff of the truce supervision organization in Palestine, who is coming here to report on the situation.

"Nations should not take the law into their own hands," Lodge said. A raid last Wednesday by Israelis on the Jordan village of Kibya killed 66 Arabs.

Jordan charged the raid was carried out by Israeli armed forces but denied its army was involved. Israel said the raid was in retaliation for the killing by Arabs of an Israeli mother and two children.

Arab Shua, Israeli delegate, informed the council it should consider "violations by Arab states of the general armistice agreements and of security council resolutions" relating thereto.

Lodge charged that regular and irregular Jordan forces attacked civilians in Israel, and that brutal assaults by raiders from Jordan were made on lives and property in Israel.

The Council met in urgent session Monday at the request of the United States, Britain and France to discuss an item listed as "The Palestine Question." Lebanon's Charles Malik objected that the Western Powers should say what they meant. He proposed the Council accept a wording in effect condemning Israel for the Kibya raid.

The Council languished for more than three hours Monday and succeeded only in asking Bonafide to come here.

The meeting Tuesday was delayed 40 minutes while delegates tried to persuade Malik to accept a compromise wording put up by Alexis Kyrrou, Greece, with approval of the Western Powers.

## Review Newspapering

State News Manager Phil Gandy and Editor Ted Trench explain the intricacies of the paper's news coverage operations at a meeting with heads of various campus organizations Tuesday night.

## Last Day for Aid Petitions; \$500 Budgeted

Today is the deadline for organizations to turn in grants-in-aid petitions, according to John Giddings, chairman of the grants-in-aid committee.

Giddings said that the sum of \$500 has been budgeted by Congress and is to be given to organizations which the committee feels are worthy of aid.

The petitions must include the name of the organization applying.

**Program Cancelled**  
The Union Board Minute Hour program, originally planned for this afternoon, will be postponed until Wednesday, Oct. 23.

ing, and a summary of just how it plans to utilize the money if received.

All petitions will be considered, Giddings said, and organizations will be given a chance to appear before the committee and make an oral petition.

The committee will contact the organizations in regard to the time of the appearances.

## Initial Set-Up For Local TV Show Outlined

The initial set-up of the WEAR-TV show, "Campus Mail," one of the attempts to bring news to the people of Michigan, was explained to several campus leaders Tuesday night in a meeting at the Union.

Ken Richards, TV director and emcee for the new program said that the show is to run for a half hour, five days a week, when the station opens around the first of January.

According to Richards, it will present a program of varied talent including vocalists, dancers, comedians, and impersonators.

Richards said he is still looking for a steady male vocalist. The rest of the show's programs will be filled with talent of the students on the campus such as vocalists, soloists, acrobats, dancers, ventriloquists and impersonators.

They will be supplemented by views of important happenings on the campus, such as the Water Carnival, or other functions that can make the campus come alive to the thousands in the 45 mile radius who can have a chance to see the talent program when they can't visit the campus, Richards said.

Auditions are being held for talented students that would like to participate in the program from 1-5 p.m. each Friday. All interested students should contact Mike Eyde, ex. 7274, Richards said.

About 1,700 species of trees and shrubs grow on the campus.

## State Players Plan Thriller

A ghost will stalk the stage as the State Players present "The Night of the Living Dead" on Nov. 3.

On Nov. 3, the Michigan State Players on Tour will present "The Night of the Living Dead," a four-act thriller by John O'Fallon.

The production is sponsored by the Department of Speech, Drama, and Radio Education, in cooperation with the Michigan State Alumni Association. Don Reed, associate professor of speech, will direct the play.

Leading ladies will appear in the alternate roles of the lead and a tavern wench during the show. The cast is comprised of Mike King, Bay City senior; Joyce Ross, Detroit senior; David Moore, Detroit senior; David Warthen, Detroit freshman; Albin Sherwood, Spring Valley sophomore; Charles Ewen, Marquette senior; Ronald Guiner, Traverse City sophomore; Torrance Tybanski, Chicago junior; Paul Dadez, Ballston Lake, N. Y. senior; Theodore Carman, Iron Mountain junior; Nancy Ryan, East Moline, Ill. junior; and Marie Barthel, Dearborn senior.

Tour director for the alumni association is John McGuff. The tour manager will be James Finucan. Herbert Camburn, Marquette junior, is in charge of the setting.
