News Given Officials

Honor... Hard Won? Is a Fine Reward?

Officials happily gave statements Sunday night after bowl news broke out.

Manah said: "Naturally, everyone at Michigan State is greatly pleased by the selection of our team to represent the Big 10 in the Rose Bowl. We are especially happy for the members of the team and their families; this honor has been hard won, and they have the thanks of every student, faculty member, and friend of Michigan State College."

He promised the other members of the Western Conference that Michigan State was admitted to membership would do everything within our power to be a worthy representative; we will do our best to prove ourselves deserving of the honor the conference has now bestowed upon us; in no other way could we express our sincere appreciation for their vote of confidence."

L. Harden, MSC Big 10 Representative and the Continuing Education Service said:

"It was a real thrill when word came from Tug Wilson that Michigan State had been selected to represent the Big 10 in the Rose Bowl. We are feeling that this is a fine reward for a group of players who have given us three such outstanding seasons as in 1951, 1952, and 1953. We are expressing my sincere appreciation and that of the members of the Western Conference who have supported our candidacy."

"We will do everything in our power to represent the Big 10 in the fine manner that other schools have done in the past."

"The announcement from Oldmobile officials as to the Marching Band will go to the Rose Bowl will be Tuesday morning, Leonard Falcione, band director said."

"The official of Oldmobile was not in town Sunday so a decision could be made."

Hallmark, president of the senior class and team member, said:

"Can I say! Come New Year's Day, we'll be there with a bang."

King, Dean of students, said, after the pep rally:

"It was a wonderful meeting, a tremendous group of people. I don't think any student body on any other campus has taken this pep in as good a sense as this. If they continue this good behavior, they won't be disappointed Wednesday."

"I think the president and I and other college officials are proud of the student body as anyone has ever been proud of anybody."

"I'm not surprised at all. Hoping very much that we will be quite happy we were chosen. But, I would have been prepared to congratulate Illinois with no bad feelings."

"Biggie" Mann said:

"That's great. That's real wonderful. It's a wonderful thing for all of us. I'm very, very happy especially for the players."

"They deserve it, on the basis of their record. We are very grateful to all of those who voted for us."

"I'm not at all disappointed by that announcement of Illinois. I just had a feeling that we would get it."

"The athletic director at the University of Illinois said: 'I'm not disappointed at all. I'm just disappointed at the fact that we didn't get it.'"

"I was asked by an AP reporter if he was disappointed at the fact that we didn't get it. He answered: 'No, I'm not. I'm just disappointed at the fact that we didn't get it.'"

"Coach Mann said: 'I'm not disappointed at all. I'm just disappointed at the fact that we didn't get it.'"

"I'm not surprised at all. Hoping very much that we will be quite happy we were chosen. But, I would have been prepared to congratulate Illinois with no bad feelings."

TODAY'S HEADLINE — MSC TO ROSE BOWL

MSC to Vie With UCLA

Illinois Canceled Out After Deadlocked Vote

By JACK KOLE
State News Sports Editor

Michigan State reached the pinnacle of Spartan football success Sunday night.

MSC edged out Illinois for the 1954 Big 10 Rose Bowl assignment after a dramatic Chicago meeting of conference athletic directors finally broke a lengthy deadlock between the two schools.

The official announcement came shortly after 8:30 p.m. In line with Big 10 policy, the final vote total for Michigan State was not disclosed. Neither was there any positive indication of how each of the Big 10 schools voted.

For MSC, the Rose Bowl bid was a tremendous climax in its first season of Big 10 gridiron competition. Officially admitted on Nov. 15, 1953, Michigan State was forced to wait until this season for football participation.

UCLA will almost undoubtedly be MSC's opponent in the New Year's Day classic at Pasadena, Calif. The Bruins won the championship of the Pacific Coast Conference by beating Southern California, 13-0, Saturday. Only a formal affirmation by PCC athletic chiefs Monday remains.

Michigan State and Illinois tied for the Big 10 title with five victories and one loss each in conference competition. Thus, the athletic directors had to name one or the other for the trip.

Their first ballot—by telephone and telegram to Big 10 Commissioner Kenneth L. (Tug) Wilson's Chicago headquarters Saturday night—produced a 5-5 deadlock.

When it became apparent that the deadlock was firm, Wilson summoned the athletic chiefs of the various schools to Chicago for joint debate on the merits of the two teams and further balloting.

The directors of the schools involved, Doug Mills of Illinois and MSC's Ralph Young, did not participate in Sunday's meeting. They absented themselves by mutual agreement because it was apparent that their two votes would not change.

Also absent, but sitting in via telephone, was Michigan's H. O. (Fritz) Coker, whose plane was grounded at Willow Run airport because of bad flying conditions.

Wilson's assistant, William Reed, said Michigan State had been notified of its selection and that the Spartans, through faculty representative Dean Edgar Harden, had accepted.

Only once before has Michigan State participated in a New Year's Day bowl contest. That was in 1950, when the Spartans were defeated by Auburn in the Orange Bowl, 6-0.

Coach Single Mann's Spartans had been a favorite for the selection on the basis of their over-all record which showed only one loss in nine games compared to one tie along with one loss in nine contests for the Illini.

Whether the performance of Michigan State did Illinois in their regular season ending Saturday had any bearing on the directors' choice is still a mystery.

The Spartans had to practice for a 24-hour period over the weekend. Coach Mann said the team was in excellent condition for the trip.

Expected to be a close game, the Spartans will leave for Pasadena on Monday morning.

Students Let Loose in 4-Hour Rally

King Announces Wednesday Holiday

More than 9,000 students went on a mass "toot" last night, but the only ill effects they're feeling this morning are a severe lack of completed homework and a slight ringing in the ears.

From 8:30 Sunday night when the Big 10 decision was announced until after midnight, joyous Spartans circled the traffic islands of Grand River Avenue and the winding campus streets in processions of tooting cars bearing "Beat UCLA" banners, fraternity flags, and, in some cases, an overload of students.

Things calmed down slightly after 11 p.m., when most of the cars returned to their living units, but East Lansing knew it had been the scene of a celebration.

It might, in fact, have been the scene of an even greater outburst of enthusiasm had not student government officials hastily prepared a pep rally at the Bandshell. There, the crowd worked off some of the steam—pressure built up through a long afternoon of waiting—in singing and shouting and bunny-hopping.

Police said there was little trouble in re-routing traffic, and gave credit to student government for heading off "a demonstration of a more violent nature."

But the statement that created the greatest general gaiety was made by Tom King, dean of students. Putting on his glasses "to make sure I read it right," the dean promised to go along with student government's request for a Wednesday addition to the Thanksgiving vacation, —if the celebration didn't get out of hand.

While newspapermen from all over the state were swarming over the State News office to tell their story to Michigan papers, representatives of the junior class were already planning to let a contract for mass rail or air transportation to the Coast.

The celebration seemed to breed originality. Banners, song, parades, and unique ways to make noise appeared as if pre-planned.

And there was a little football excitement, too. A feminine caller inquired of State News: "Just how does one go about getting Rose Bowl tickets?"

Fire Department Shuts Camp House

The fire department has shut down the camp house at the State News office building because of a fire in the kitchen.

The fire was discovered at 11:30 p.m. and the fire department arrived within five minutes. The fire was extinguished and no one was injured.

The camp house will be closed until further notice.

Names Inscribed on 1953 Honor Roll

In recognition of the highest attainment of scholarship during the spring term and the summer session 1953, the names of the following students have been inscribed on the honor roll of Michigan State College:

Agriculture
Harold J. Elenbaas, McLean junior;
Donald J. Frayer, Ann Arbor senior;
Richard J. Hudson, Wayland junior;

Business
Charles L. Allen, Lapeer, Ill., sophomore;
Clare E. Barnes, Vassar sophomore;
Marvin Engelberg, Monroe freshman;
Raymond C. Hargis, A.A.B. B three B three freshman;
Helen E. Hargis, A.A.B. B three B three freshman;
Helen E. Hargis, A.A.B. B three B three freshman;

Education
Charles L. Allen, Lapeer, Ill., sophomore;
Clare E. Barnes, Vassar sophomore;
Marvin Engelberg, Monroe freshman;

Engineering

Students to Present

Fire Play Excerpts

Student directors and actors will present scenes from five famous plays in 49 Auditorium at 8 tonight.

Laura Severson, East Lansing senior, will direct a scene from Arthur Miller's "All My Sons" with John Bart, New York sophomore, and Don Koe, Hickory Corners graduate student, will enact the scene.

"Glass Menagerie" by Tennessee Williams will be played by Diane Marquardt, East Lansing senior, and Gloria Carlson, Frankfort junior; Director is Georgia Ziehm, Gagetown senior.

Ray Vannest, Grand Rapids senior, has directed Sir James Barrie's "What Every Woman

Should Know." Performers will be Joyce Davis, Flint junior; Annette Doo, Miami senior and Sue Rouse, Lansing sophomore.

Participating in "Silver Chord" by Sydney Howard will be Fred Struthers, Detroit senior; Gloria Henry, Grand Blanc junior and Jeanne Cook, Howell graduate student. Student director will be Fenton Calhoun, Jalletto, Calif. junior.

The final scene will be from James Thurber's "The Male Animal," directed by Bill Broecker, Battle Creek graduate student. Participating will be Janet Rose, Detroit freshman, Bill Parks, South Bend, Ind. sophomore and Ron Sprink, Inkster sophomore.

As the Word Comes

Spartans React Differently

How the stars got started...

MARGE and GOWER CHAMPION met as shy schoolkids at dancing school. Their paths criss-crossed for years as each worked hard to make a career. Finally, Gower, back from Service, "teamed up" with Marge. After months of strenuous rehearsal, they were a sensation, creating original "dance stories" for TV, movies and stage. They are now Mister and Missus.

ROBERTS' JEWELRY

Village Doomed Study of Million-Dollar Housing Plan Approved

Study into the possibility of building a million-dollar extension in married housing units was authorized today by the State Board of Agriculture.

The apartments under study are similar to those already under construction. The project, if carried through, would doom the present "Village."

Friday's action by the MSC governing body authorized Controller-Treasurer Philip J. ... to investigate the financing of 100 of these new units. They are to be built on a self-liquidating basis with no cost to the public.

College officials in the past have expressed hopes of building 400 to 500 new units within the next several years to replace temporary student married housing.

In the current "pilot study," the apartment buildings are being constructed at an approximate cost of \$100,000 each. Each building contains 12 apartments. The first building has been occupied, with the others to be completed soon.

Future use of the apartments will depend upon the number of married students attending

college, the vast students are able to pay for housing, and the general financial condition of the development.

Present regulations restrict the apartments' use to students and graduate assistants at the college. The board conceived that the apartments might be rented to staff members if students were unable to fill them to a paying capacity.

This proposed project would be one phase in long range plans calling for 400 or 500 new units to fill out the area now used by trailer living units. The trailer village is made up of surplus trailers purchased shortly after the war to house married veterans attending the college.

No Rain

Cloudy Today,
But No Rain;
High of 48

You can have your shower at home today, girls. After having our Sabbath spoiled by some rather unkindly, wet rain, we will be spared the same fate today, according to the Weather Bureau.

However, it may still look like rain, for we are promised partly cloudy skies.

There will be little change in temperature. The forecast reading tonight is scheduled to be 35, the high today, 48. Keep your fingers crossed.

Men's Council Proposes New Drop-Out Plan

A new drop-out program was proposed at the last meeting of the Men's Council and is being discussed with Assistant Dean of Students Ellwood A. Volter.

This program would provide freshmen who wish to leave school with counseling by their fellow students.

"The Men's Council feels that much good college material could be saved by such a service," said Bill Reid, Council president.

The new system would involve a complete revision of the present drop-out system. The student would talk to a council in his (or her) dormitory and would also be invited to visit various campus organizations.

The Council voted unanimously to support this plan.

The Men's Council is also considering a "big brother" plan for men similar to the "big sister" program effected by AWS. Under this each new male freshman would be assigned a big brother to help him over his first few weeks at school.

Thanksgiving Program Set For Chapel

The annual all-college Thanksgiving convocation will be held Tuesday night at 7:30 in the Alumni Chapel. It is sponsored by the YMCA-YWCA.

Steve Klyce will be the organist and Snyder Hall Choir will be on the program. The Horticulture Club is making floral pieces symbolic of Thanksgiving for the altar display.

Student led and directed, program participants are Burt Cardwell, Maywood, Ill. freshman; Robert Ervin, Bloomfield Hills senior; Tom LeRoy, Eugene Armstrong, Delmar, N. Y. junior; John Giddings, East Lansing senior and Alice Haak, East Lansing junior.

Workmen to Start Today Building MSC Library

Completion Set for Fall, 1955

A dream will come closer to reality today when construction begins on the long-awaited new MSC library.

At a meeting Friday of the State Board of Agriculture, the contract for the project was awarded to the Christman Company of Lansing for \$3,705,395.

The structure, which will be erected only by Jensen Fieldhouse in size at MSC, will be located directly west of the present library annex. It will be completed sometime in 1955.

Last year the state legislature appropriated funds not to exceed \$4,000,000 for the building. As the original plans would call for

an outlay of at least \$4,001,000, not including furnishings and architect's fees, several major alterations were necessary.

Ralph Calder, Detroit architect who designed the library, recommended the omission of portions of the southwest corner, and the elimination of partitions, office lighting, and heating on the fourth floor. Other changes, including the substitution of certain materials used in construction, helped

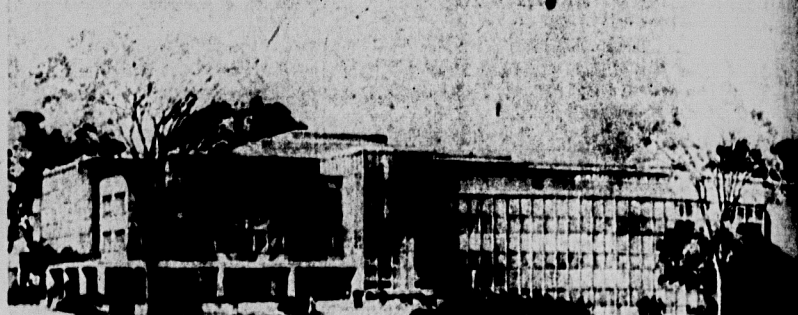

to bring the cost within the allotted figure.

In addition to the Christman Company's bid there will be a five per cent architect's fee and the cost of the furnishings.

President Hannah stated, "We will move every possible bit of furnishings from the old library into the new building." He estimated that only \$95,000 will be available to furnish the library.

The state board had previously suggested that a "shell" originally planned library with the interior being completed when more funds might be available. This met with disapproval from the governing and the legislature.

Now, the project when completed will be fully complete and to function as a library, to be constructed to permit expansion in the future.

... Architect's sketch of new library construction ...

Grants of \$152,000 Accepted by Board

Dental Study Gets \$14,000 Grant;
Engineering Grad Gives \$60,000

Gifts and grants to MSC totalling \$152,135.72 were accepted Friday by the State Board of Agriculture, governing body of the college.

A contract and a check for \$60,000 were accepted from Albert H. Case, Charlottesville, Va., a 1902 engineering graduate. The principal is to become the property of MSC after the death of his last survivor. This, with other funds from his estate, is to be used to provide a laboratory named in his honor.

Five hundred shares of South American Gold and Platinum company stock were also received from Case. The gift is to be credited to the account of the Albert Vaughan Case Memorial Scholarship fund.

A grant of \$24,732 was accepted in renewal of a memorandum of agreement with the Atomic Energy Commission. The grant is to be used to continue an investigation of interhalogen compounds, under the direction of Dr. Max T. Rogers, associate professor of chemistry.

A grant of \$14,007 to continue the study of heredity in the cause of dental caries in rats was accepted in the renewal of a memorandum of agreement with the National Institute of Health of the U. S. Public Health Service. The grant will be under the direction of Dr. H. R. Hunt, former head of the department of zoology, and Dr. C. A. Hoppert, professor of chemistry.

The loan of equipment valued at \$12,000 was approved in an agreement with the Emico Corporation of Salt Lake City. The specially-constructed sludge dewatering machinery will be used

in the composting research project under the direction of J. R. Snell, head of the department of civil engineering.

A \$5,400 grant for the improvement of facilities working with children was received from the national state of health of the U. S. Public Health Service. Dr. H. Anderson, head of the department of psychology, is direct use of the grant.

Scholarships for the work on economic education in summer of 1954 will be provided through a grant of \$5,000 accepted from the Institute for Economic Education, Inc., of Detroit. The grant is to be administered by Dean H. J. Wagner of the School of Business Public Service.

The Foundry Education Cleveland, O., presented \$5,000 to provide scholarships and interest undergraduate engineering in the foundry industry. The grant is to be directed by Prof. L. Price, head of the department of mechanical engineering.

Two members of the MSC faculty were honored recently at an annual meeting of the American Association of Land Grant Colleges, held in Columbus, O.

Dr. Clinton V. Ballard, who recently retired from his post as director Emeritus of MSC's Extension Service, received a certificate of recognition for outstanding service. Dr. Ballard has been a member of Michigan Extension Service programs for 25 years and pioneered in public agricultural service work being establishment of extension and

Selected secretary of the Extension Instruction section of the association was Ralph W. T. director of the MSC's Short Course program.

Department Changes Announced

Home Ec TV Editor
Appointed to Staff

Four appointments, seven leaves of absence and two resignations of staff members were approved Friday by the State Board of Agriculture.

Miss Margaret L. McKeegan was appointed home economics extension television editor in the department of information services. She will assume her duties Dec. 1.

Miss McKeegan has been home economics television editor of WOL-TV, Iowa State College, for three years.

Two county 4-H club agents and one home demonstration agent were also appointed.

Prof. Paul L. Dressel, professor and head of the board of examiners and director of counseling has resigned as of Feb. 28, 1954 to accept a position with the Educational Testing Service of Princeton, N. J.

The resignation of Frederick L. Wynd, professor of botany and plant pathology, will be effective, Dec. 31, 1954.

Leaves of absence were granted to Charles C. Sheppard, assistant professor of poultry husbandry, for six months, effective Feb. 1, 1954; Chester A. Lawson, professor and head of the department of natural science, from June to Sept. 15, 1954; and Samuel Mercer Jr., assistant professor of applied mechanics, for one year beginning Sept. 1, 1954.

Others granted leaves were Wilbur C. Peterson, assistant professor of electrical engineering for one year beginning Sept. 1, 1954; John M. DeHaan, professor of philosophy, for six months from March 25 to Sept. 24, 1954 and Robert F. Langham, professor of animal pathology, from Sept. 1 to Oct. 31, 1954.

Livestock used in the contest were selected by the senior livestock judging team and their coach, Prof. R. B. Warren, of the animal husbandry department.

Bowl Billets

Ticket Survey
To Determine
Purchasing

Put that money back in your savings account—it can't buy Rose Bowl tickets, anyway.

Not for at least a week, that is.

Fred Stabley, MSC director of sports publicity, said Sunday night that a complete survey would be conducted by Warren F. Burt, athletic ticket manager, and Lyman Frimodig, athletic business manager, before a definite announcement is made.

According to Stabley, MSC representatives will probably visit Wisconsin, Illinois, Michigan and Ohio State this week to inquire about ticket procedure.

After this is done, probably at the beginning of next week, instructions will be released on the best method for MSC students to obtain Rose Bowl tickets.

Record Number Enters Livestock Judging Contest

The biggest freshman livestock judging contest at MSC was held in the Livestock Judging Pavilion Friday afternoon. One hundred and forty contestants participated.

Prizes were awarded at the annual Block and Bridge Student-Faculty Night on Saturday. Winners were Duane Girbach, Ann Arbor sophomore; Ted Hoersch, East Lansing freshman and Gil Henderson, Lapeer freshman. Anyone who has not been a member of a college livestock judging team is eligible for the freshman team.

Livestock used in the contest were selected by the senior livestock judging team and their coach, Prof. R. B. Warren, of the animal husbandry department.

LATEST COLLEGE SURVEY SHOWS LUCKIES LEAD AGAIN

Last year a survey of leading colleges throughout the country showed that smokers in those colleges preferred Luckies to any other cigarette.

This year another nation-wide survey—based on thousands of actual student interviews, and representative of all students in regular colleges—shows that Luckies lead again over all brands, regular or king size...and by a wide margin! The No. 1 reason: Luckies taste better.

Smoking enjoyment is all a matter of taste, and the fact of the matter is Luckies taste better—for 2 reasons. L.S./M.F.T.—Lucky Strike means fine tobacco. And Luckies are made better to taste better. So, Be Happy—Go Lucky!

Luckies give you four smokes. So buy him by this cartoon. And if you haven't tried him yet, it's time you got a starter!

Runners Battle for National Crown Today

NCAA Meet Shows Best Country

Runners Aim for Second Sweep

JOHN CONNELLEY
The four-mile run will begin at 11:30 a.m. and the eight-mile run will begin at 12:30 p.m. The 16th Annual NCAA Cross-Country Championships on the campus of Michigan State University.

Nov. 12 the Spartans took the lead in the 1953 season and the 1954 season and the 1955 season.

The same seven-man team won these two meets will be back again today.

The Spartans will be up against a strong field of runners. Today's run promises to be one of the most wide-open in history and the many individual entries look to make it one of the fastest on record as well. Runners from 30 states are entered in the meet.

Starting in Old College Field, the four-mile NCAA course takes a long loop around the field and then heads east toward the Red Cedar, along the Red Cedar and across Farm Lane to the college sugar bush. After following the main road through the sugar bush for almost a mile, the course returns by the same route to the original starting area, finishing in front of the permanent bleachers at the baseball diamond.

Super look for almost a mile, the course returns by the same route to the original starting area, finishing in front of the permanent bleachers at the baseball diamond.

Intercepted Pass Nets 20-16 Win

Lions Nip Bears in Final Period

CHICAGO (AP) — A gambled short pass by Chicago Bear quarterback George Blanda on his own five-yard line was intercepted by Detroit's Bob Smith Sunday to set up the Lions' winning touchdown in the final quarter for a 20-16 victory.

Except for this debatable signal call, Blanda showed up brilliantly in nearly leading the Bears to an upset over the 10-point favorite. The Lions had to come from behind twice and intercepted four passes to end Bear threats and maintain their lead in the National Football League's western conference.

The winning touchdown came after Smith stole Blanda's toss on

the Bear 7. The Bears stopped Detroit for three downs, then on fourth down, Don Walker sped around end from the 2 to score. He booted the extra point.

Walker placekicked 14 and 24-yard field goals, and converted twice to contribute 14 points and boost his season record to 70.

Bobby Layne passed 241 yards on 21 completions out of 43 attempts. Blanda was nearly as effective, hitting on 16 out of 20 for 223.

The game, played on a wet field and in a drizzle most of the time, was one of the Bears' best efforts of the season.

Lions 20, Bears 16.

EDGE STEELERS
PITTSBURGH (AP) — Quarterback Otto Graham threw two touchdowns passes and Lou (The Toe) Groza kicked two field goals to give Cleveland a 20-16 victory over the Pittsburgh Steelers Sunday and a virtual clinch of the eastern division flag of the National Football League.

The Browns need only one more victory in their three remaining contests to sew up their fifth division title.

Graham hit halfback Ray Beatty for a touchdown with his first pass—a 24-yard heave in the initial quarter and tossed 31 yards to end Baruch Brewster in the second period for another score.

Groza, trailing Bobby Walston of the Philadelphia Eagles by two points for top NFL scoring honors, booted a 36-yard field goal in the second quarter and a 41-yarder in the third and added two conversions to regain the league lead with a season total of 76 points. Walston has 70 points.

West Shaw 3 Battles JFU in Grid Finals

Independent champion JFU will meet West Shaw 3, the 1953 dorm title holder, tonight on Old College Field at 8:40 in the All-College touch football finals.

JFU entered the finals Friday night by holding a stubborn Snyder 12 team scoreless for the remaining six minutes of the contest to win, 21-13. This game was postponed Thursday night because of light failure with JFU leading, 21-13.

West Shaw 3 gained a final berth Thursday night with a 28-14 conquest over Butterfield 5.

The independent champs, JFU, opened the game Thursday night by scoring a touchdown on the first play of the game. Charley Johnson passed to Ed Morrison for the TD and to Ray Stamp for the extra point. JFU stopped the only first quarter threat of the dorm team on the line.

In the second quarter it was Johnson to Stamp to Mike O'Connell for another JFU score and Johnson to Andy Telek for the point-after.

Snyder 12 got back into the game when Steve Schaeffer passed to Joe Lovenshield for a touchdown and to Jim Vervoort for the extra point. The JFU scored their third TD and extra point on a Johnson to Al Tokes aerial to make the score 21-7 at the half.

In the second half Snyder made their bid to get back in the game when Jim Schmitt intercepted a JFU pass and returned later to win Schaeffer to Pat Martin.

IM Schedule

MONDAY, NOV. 23

8:40 West Shaw 3 vs. JFU (at Old College Field)
7:15 Snyder 12 vs. West Shaw 3 (at Old College Field)
6:15 All-College Touch Football

a Snyder score but the tough JFU defense held for the extra point to make the score 21-13 at the end of the third quarter.

Early in the fourth quarter Bill Howard intercepted a JFU pass for Snyder on the Snyder 20 but then the lights went out and when the final six minutes were played Friday night, the JFU managed to "slide through" to victory on the slippery field.

MSC Course Holds Points Of Vantage

Spartan cross-country fans are reminded that they need not be present at Old College Field when the NCAA meet begins at 11:30 this morning to see at least part of the colorful classic.

Although the first mile and last half-mile stretches can be viewed from the baseball stands at the field, parts of the run may be seen from various points along the course along the Red Cedar. Reference can be made to the accompanying map.

Spots which will afford glimpses of the race and a chance to cheer the Spartans on include the railroad bridge, the South Campus bridge, and anywhere from the Shaw Lane bridge east to the Demonstration Woodlot, just east of Shaw Hall.

For the benefit of fans who make it to Old College Field, a two-way radio set-up will provide news as to the progress of the race after every half mile.

Programs will be distributed free at the meet. A team's score is the total of the places of its first five finishers; one for first, two for second, etc. Like in golf, the low score wins.

At the end of the meet, a huge scoreboard in Jonson Fieldhouse will show the complete results of the meet.

Walter Schuster of Chicago was president of a bowling league for 30 consecutive years.
