## EPC Bill

### Survives First Test

#### Senate Defeats Amendment

LANSING (AP) — A Fair Employment Practices FEPC bill survived its first test in Senate Thursday and was a vote for a vote.

The bill forbids discrimination in hiring because of race, color or ancestry.

Republicans dominated the vote, but the Democratic bill in debate without an amendment.

Senators said they did not know the final vote would be today or Monday night.

The bill passed through debate, 60-40, with a 9-15 vote "right to work" amendment proposed by Sen. Robert E. Fauri (R-Colo.).

The bill passed through debate, 60-40, with a 9-15 vote "right to work" amendment proposed by Sen. Robert E. Fauri (R-Colo.).

Bob Sack, Lansing editor and president of Tau Sigma, looks over the initiation dinner program with the speaker, Dr. Adrian Jaffe of the English department.

## Acute Trend Against Intellectualism Noted

Several major threats to intellectualism in America were named by Dr. Adrian H. Jaffe, assistant professor of English, in a speech at the Tau Sigma initiation banquet Thursday night in the Union.

"We are suffering from anti-intellectualism in an acute form," he declared, adding, "There is a tendency today to elevate the cult of feeling above the cult of reason. We begin to believe that the process of thought is inadvisable and morally wrong."

## Nothing New

### Winter Stars More Cold in Second Act

Another cold and cloudy day with snow flurries will continue winter's act. The temperature will remain between 15 and 30 degrees. Northwestern winds will add to the chill. Saturday will be a re-enactment of the same scene, with the mercury rising to 35.

## State-Wide Home Ec Clinic Set

### Nine Colleges To Participate

Over 90 home economic students from nine colleges in Michigan will take part in the Home Economics Club Leadership Workshop here Saturday.

The meeting, for officers and prospective leaders in home economics, is the first state-wide workshop to be held in Michigan, according to Jeanette Lee, assistant to the dean of Home Economics and state advisor for Michigan's home economics clubs.

Phyllis Sidoti, Lansing sophomore, is chairman of the event. Mary Neiler, Lansing sophomore, is luncheon chairman, and Evelyn Mark, Detroit senior, is in charge of the program.

Keynote speaker during the morning session will be Russell Jenkins from the communication skills department, whose speech is entitled, "Help Them to Lead Themselves."

Mrs. Gladys Rowe, president of the Michigan Home Economics Association, will speak at the luncheon meeting. Another speaker will be Leah Dutghave, national vice president.

Marilyn Mills, MSC's president, will preside at the morning session, and Sue Sturgis, Sturgis sophomore, will be in charge of the afternoon workshop.

## Applications

### Wednesday

Students who wish to attend the United Nations Seminar March 24-26 must submit applications at the Y House Wednesday.

A trip, which costs \$45, includes banquets, discussions, lunches with members of the UNariat, visits with committees, and tours of the city.

Students are allowed to send 50 relatives. Forty-one applications have been received.

## Sale of Rose

### Mag Slated

Rose Bowl section of the MSC alumni magazine, on sale for the last time.

Members of the MSC Glee Club will sell the booklets in the Natural Science Building and the Union Commons.

## ROTC Situation Brightens Some

By SARK KOLE  
State News Associate Editor

It looks like the Army is going to make room for the 14,000 ROTC officer candidates due to graduate in June.

From John A. Hannah's statement in Philadelphia earlier this week almost assures active duty for the ROTC seniors.

## 215 Short Coursers To Graduate

Farm Leader to Talk On "Accent on Youth"

Two hundred fifteen short course students will receive certificates this afternoon in Fairchild during the college's 60th short course exercises.

Charles Davis, farm leader from Onondaga, will be keynote speaker. His address will be "Accent on Youth." Starr H. Kessler, director of alumni relations, will welcome the graduates to the Alumni Association.

"A Thought To Remember" will be the title of an address by Clifford H. Stordis, dean of agriculture, at the annual short course banquet tonight at 6.

The commencement program is under the chairmanship of Ralph W. Tenney, head of the short course department. Leland Ward of Quincy is banquet chairman.

The students are mostly men in agriculture and its related fields. There are also many women in home ec short courses.

## 'Knight Day' Puts Couple in a Dither

By PAUL GUNBY  
State News Manager

"Knight Day," she said, sort of rolling it around on her tongue to get the taste of it. "I don't know if I like it or not."

The walking breakfast sitting across the Grill booth from her grinned.

"It's about time the mere male got a few breaks, if only for one day."

"But opening doors, and having to pay the bill between 2 and 5—the busiest hours, mind you—in the Grill... Why did that rude editor allow the State News to do this to woman-kind?"

Brushcut brushed aside her dramatics.

"Grin and bear it. With Mortar Board, Spartan Women's League and Tower Guard behind it, it may become a tradition. You'll be having such a good time at the Spenser's Spin that you'll forget the 'muttering' of Knight Day."

She was businesslike.

"What if (a) it should be habit forming? (b) a popular girl runs into four or five of the guys on her string at once? (c) the guy thinks he has to plan the date? (what a mess that would be!), or (d) your ego...?"

Brushcut interrupted with a wave.

"Well, (a) one day can't hurt 364 others of waiting on your dime hand and foot, (b) any girl with that many guys on the string deserves what she gets, (c) contrary to your opinion, we need specimens might be able to plan a date, given the chance, and (d) what else have we got left? Besides, if you're worried about the cut—don't it—your daddy who always pays the bill, anyway?"

She looked up at him.

"It's to be fun. You can bring out all day in the Spenser's Spin, and it's just to be a tradition, an old-timey thing, like the Spenser's Spin. You know, making every guy on the string think he has to plan a date, given the chance, and (d) what else have we got left? Besides, if you're worried about the cut—don't it—your daddy who always pays the bill, anyway?"

## Radio, TV Broadcasters Meet Today

Approximately 75 radio and television broadcasters will meet today at Kellogg Center for the ninth annual Radio and Television Conference.

The broadcasters, all from Michigan, will discuss the effects of educational and commercial radio and television on the public.

Dr. Percy H. Tannenbaum, director of television research for WKAR-TV, will open the meeting with a talk on mass communication.

Background material on the function and responsibilities of mass media in society will be discussed by Dr. Bruce L. Smith, associate professor of political science.

Dr. Morris Janowitz, of the department of sociology, University of Michigan, will speak at luncheon on the dangers inherent in radio and television as mass media.

Programs for the rural audience will be discussed by Stanley Andrews, executive director of a national project in rural communications at MSC.

A tour of the new studios of WKAR-TV will wind up the conference.

## Congress Gets New Members

Elections in two districts brought two new Student Congress members Thursday.

Marilyn McCray, 28, from East Lansing, was elected to the East Lansing district.

In Phillips Hall, Ben Wiley, 25, from East Lansing, was elected to the East Lansing district.

Only two chapters could field a candidate for the Student Congress, according to the constitution.

## Field Work Meet Set for 'J' Majors

Junior majors planning to do field work this summer are invited to attend a meeting March 9 at 4 p.m. in the Natural Science Building.

The meeting will be held in the Natural Science Building.

## Ann Martineau, Gabriele Muhling Win AWS Posts

Ann Martineau, Grace Pointe sophomore, drops in her vote for AWS president as Rhonda Dobben, Jackson sophomore, and Carol Lundgren, Grace Pointe sophomore, check off her name.

## Close Races Run by Veep Candidates

Winners to Take Office Spring Term

By LOUIS GROFF

Ann Martineau and Gabriele Muhling came out on top in the AWS Judiciary and Activities Board presidential election held yesterday in the women's living units and Union Commons.

Because of the close running, several recounts were taken before the outcome was announced.

Ann Martineau, Mason junior, won the Judiciary presidency with 636 votes and Gabriele Muhling became the new Activities Board president with 657 votes.

Runners-up Nancy Moffett, Kalamazoo junior, Judiciary; and Michelle Runnels, East Lansing junior, Activities Board; became vice presidents of the two boards over their opponents, Jean Pace, Grand Rapids junior, and Mary Jackson, Detroit junior, by a six and one vote margin, respectively.

New Judiciary Board representatives are: from East Lansing, Sandra Wolfinger, Jackson; East Mayo, Fran Gable, Ludington; West Yakeley, Peggy Pugh, Flint; East Yakeley, Sue Rowe, Three Rivers; South Campbell, Marilyn Brink, Holland, and Gliehrst, Audrey Graber, LaGrange, Ill.

Also North Williams, Mary Wealing, San Diego, Calif.; Abbot, Nancy Tyler, Jackson; South Williams, Virginia Hamilton, Almont; North Campbell, Karen Violette, Negaunee, Mason, Evelyn Line, Stockbridge, and co-ops, Althea Pitts, Harrison.

New Activities Board representatives are: East Lansing, Lynn Johnson, Chicago, Ill.; West Mayo, Sue Parker, Rocky River, O.; East Mayo, Phyllis Wood, Pontiac; West Yakeley,ileen Kennedy, Metamora; South Campbell, Maureen Kelly, Pontiac, and Gliehrst, Judy Powers, Ontario, Canada.

Also North Williams, Doris Bell, Lincoln Park; Abbot, Delphine Reimer, Detroit; South Williams, Nancy Park, Detroit; North Campbell, Beverly Greig, Detroit; West Lansing, Janice Boersma, Holland; Mason, Sylvia Meyer, Detroit; Co-ops, Joan Wehrin, Palmyra, N.Y.; and off-campus, Mary Churchill. Re-votes will be taken in West Mayo and West Lansing for Judiciary and in East Yakeley for Activities.

The three secretaries appointed by Panel to choose representatives for AWS this year are: Sigmar Kappa, Kappa Kappa Gamma, and Kappa Kappa Gamma.

## One-Acters Produced

### 'Triple-Play' Wins For Studio Theater

By CYNTHIA SCHREER

A triple-play of student talent was well received as the Studio Theater Workshop presented two one-act plays by student authors Thursday night. The plays were also directed by students and starred student actors.

Staged in 49 Auditorium, the plays were given before an audience of about 50 people.

Both plays, "Squadron X" by Fenton Calhoun, Joliet, Calif. junior, and "The Golden Gravestone" by Pauline Schmokler, East Lansing senior, were written in Dr. Jennings' course dramatic writing 451.

The first, "Squadron X," directed by James Carver, Kalamazoo senior, was a study of the emotions of four Air Force cadets from flight training for various reasons.

Ronald Grow, Lansing sophomore, Dave Sheehar, East Lansing senior, and John Zachary, Detroit junior, as three of the four, gave good performances. They added natural humor to a situation with grave undertones—the causes by which men fail to reach their goals.

Kent Fredericks, Wyandotte sophomore, acted his role well, but the part itself lacked sufficient character development.

"The Golden Gravestone," directed by Frank Kervanagoo, Detroit senior, was concerned with a widowed mother who gave up her chance for marriage to advance her son's musical career.

Sharon Robinson, Detroit graduate student, was convincing in the lead role. Joyce Huss, Detroit senior, turned in a capable performance as the match-maker, Mrs. Gerson.

Although presented in a workshop situation primarily intended to develop directing, acting, writing and producing skills, both plays were excellent entertainment.

Studio Theater productions are engineered with a minimum of properties and scenic devices.

Although professional playwrights' dramas are sometimes shown for Studio Theater, Thursday's plays were both first-efforts by their student authors. Carver and Kervanagoo were also making their debuts as directors.

## Air Reserves To Campaign For Members

Faculty members and students who formerly served in the U. S. Air Force currently have a chance to join the reserve through a recruiting campaign.

The program will run until March 8, 1964, and is being conducted by the Lansing 9622nd Air Reserve Squadron as part of a national effort to increase reserve strength.

Object of the Lansing squadron, commanded by Lt. Col. William H. Roe, associate professor of education, is to increase local membership from 110 to 200.

According to Roe, about 15 percent of the squadron's membership is faculty and students, but at least 50 more from the campus are eligible.

Further information can be obtained by calling 96300 or contacting the squadron office at 810 Marshall, Lansing.

Other entertainment will include valets, Violet McClemons, Keego Harbor freshman, and Mac Morrison, Detroit senior. Sallysue Morrison, Durand freshman and Sharon Sample, Port Huron junior, a dance team, will perform and the UMOC winner, Roger Abdella, Essexville junior, will also be presented.

"The Night and You" will be the theme of the dance. Tommy Reed's orchestra and the Ames Brothers will furnish the music.

This year the Spin will be the climax of a "Knight Day" sponsored by the State News, Spartan Women's League, Mortar Board and Tower Guard. During this day coeds will perform for the men usual male "courtships."

General chairman of the dance is Marilyn Bantz, Fremont, O., senior.

AWS has granted coeds a 2 a.m. permission. Tickets for the Spin are now on sale at the Union Desk.

## Delta Zeta to Hold Chapter State Day

Members of Delta Zeta will host chapters of Albion, Mt. Pleasant, and Western Michigan Colleges Saturday at their annual state day.

The affair will include lunch and entertainment at Kellogg Center. Mrs. Russell Costello, national PanHellenic advisor for the Michigan and Indiana DZ chapters, will speak to the Greek group.

Following the program, the Delta Zetas will hold an open house from 3 to 5 p.m.

## Dr. Kinzie to Address Graduating Nurses

Dr. Norman F. Kinzie, professor of humanities, will deliver the commencement address at the mid-year graduation exercises of the Edward W. Sparrow School of Nursing tonight. Eight nurses in the class will receive their diplomas in the auditorium of the nurses' residence.

## Coed-itorials

By NANCY GOODSON  
Society Editor

Most coeds want to see winter snow and ice disappear because in the spring a young man's fancy is supposed to turn to love.

But I don't welcome the first "green" signs because that means that a male's fancy also turns to Sunday driving.

In my opinion, the male Sunday morning motorist is the real accident maker on our highways. Women "may" be equally as bad, but in my books they don't have as many strikes against them.

We all know the "look-no-hands" driver who will always take a dare to beat other cars to the crossing.

The "zig-zag specialist," for whom lanes do not exist, goes down the road like a football halfback dodging tacklers.

Then there's the hot-headed driver who crumbles fenders like awaiting flies.

On a Sunday drive in the country, there never fails to be the "slowpoke" who drives down a crowded highway at an ambling 20 miles an hour.

But the real menace of all is the speed demon who takes driving for a sport. Roaring along in a powerful, low-riding sports car, he is known to scatter startled pedestrians and angry fellow motorists.

What to do about these A-one menaces to society? Stricter rules for issuing licenses might be the answer. As for me, I prefer to hibernate on Sunday.

## Delta Gamma Mu Set Fencing Day

Delta Gamma Mu, national women's fencing honorary, will sponsor an inter-collegiate fencing playday Saturday in the Women's Gym from 1 to 4 p.m.

Both the University of Michigan and Wayne University will send six fencers to participate in the playday. The fencing will not be competitive between schools but will acquaint Delta Gamma Mu members with fencers from other colleges.

### New Recognition for An Important Career Opportunity!

Watch "MR. PERPERS," hit TV show sponsored by The Reynolds Metals Company, and you'll see consistent promotion of Reynolds Wrap and of the Reynolds Wrap Aluminum Packaging Seal. It's part of a big Reynolds campaign on the air and in national magazines—with many other advertisers adding their TV and print promotions of the package as well as the content.

This is new, dramatic and deserved recognition for America's fast-growing, 10-billion-dollar Packaging Industry. And now your own Michigan State College takes the lead in endorsing recognition of this career opportunity—with a 4-year degree program in Packaging Technology.

This new curriculum merits your attention in choosing a college major. The packaging field demands more and more trained personnel—with far too few being trained. The opportunities are varied and challenging—in sales, production, development, design and research. The Reynolds Metals Company, on a pioneer and leader in this industry, wants you to get full information on this 4-year program—at the office of the Department of Food Products, Building B-4, East Lansing.

# Wolves, MSC Pitted in Finale

Michigan State's basketball team closes out its current campaign Saturday night at 8 p.m. as it entertains Michigan at the Jenison Fieldhouse.

It will be the final collegiate game for four Spartans: Forwards DeNeal Hartman and Paul Hinkin, and Guards Jim Schlatter and Keith Stackhouse.

Hartman, Schlatter, and Stackhouse will see action against the Wolverines, but Hinkin will still be out with a bad back that has plagued him during the last half of the season.

"These boys played a big part in our third place finish last year," Coach Pete Newell said.

However, all of them have been hit by illness and injuries this campaign, Newell stated.

Hartman is just getting back into his old form after a battle with virus infection and Schlatter was sidelined after the opening game with Creighton in which he received a badly injured back. Stackhouse has been slowed down after a case of yellow jaundice last spring.

Newell credited the seniors with much of the past success of State's team.

The Spartan seniors will also be trying to help avenge an earlier 64-62 setback at the hands of the Wolverines at Ann Arbor.

Both State and Michigan enter the game with 3-10 conference records and a win for either would mean eighth place.

State will have to stop Michigan's fast break to win, according to Newell. State led most of the way at Ann Arbor but lost out on a last-second basket by Guard Don Eaddy.

Along with Eaddy, the Wolverine pace-setters are Captain Ray Pavichovich, Paul Groffsky, Jim Barron and Tom Jorgenson. Barron, only a sophomore, has consistently led the Wolverines in the scoring column.

Forward Julius McCoy leads the Spartan scorers with a total of 385 points and could move into the 400 bracket with a 15-point output. In conference play, McCoy has scored 260 points for a 30 point average, good for sixth place in individual scoring honors.

Barron has connected for 227 points in conference play and a 17.4 average, good for eighth place ranking. Indiana's Don Schlundt leads the scorers with 354 points and a 27.2 game average.

In other Big 10 games Saturday night, Indiana hosts Illinois in "the big one" at Bloomington. A win by Illinois would give the championship to Indiana, Illinois and Iowa, all with 11-3 records. A win by the Hoosiers would give Indiana sole possession of the title. The only other game has Wisconsin at Minnesota.

## Petzold Named Football Manager

Rudolph H. Petzold, a junior journalism major from Vassar, Mich., has been elected varsity manager of the 1944 Michigan State football team. Athletic Director Ralph H. Young announced today.

Donald H. Meyer, a former Spartan gridder who was sidelined with an injury, will be the freshman team manager. Meyer, a junior majoring in engineering, comes from West Lafayette, Ind.

IM Boxing Champions from left: Don Wood, Ken Cook, Dick Duddy, Jerry Mroka, and Walter Jones. Back row: Palmer, Scott, Elliott, Butler and Duddy.

## Nine Champs Crowned

# TKO Marks IM Boxing Finals

A first round TKO by Bob Johnson to win the 143-pound title highlighted Thursday's seven bout final card of the 1954 intramural boxing championships at Jenison Gym.

The two day tournament saw 43 boys try their best to win an IM boxing crown.

Two bouts on Thursday's final card had to be cancelled. Kenneth Deller won his 167-pound title by a forfeit when his opponent, Ed Killmewski injured a thumb and couldn't fight.

Heavyweight Alger Palmer also won via the forfeit route over Gilbert Wells. Wells came down with the flu prior to the bout and wasn't able to make an appearance.

In the first bout, 120-pounds, Herb Austin won over Tom Wood, 30-28. They battled even in the first round but Austin took the last two to win.

Jack Ritter won the 127-pound title with a 30-27 decision over Bill Spagnola. Ritter took all three rounds by one point, 10-8.

Johnny Butler topped Neal Clakkan in a very even match for the 135-pound title. Both boys looked good with Butler having a slight edge.

## Fencers 'Hopeful' In Finals

Michigan State's fencing team left Thursday for Iowa City to defend its third place standing in the conference.

Despite an unimpressive 2-9 record this season the fencers expect to make a good showing in the title matches.

Last year the Spartans took third as Dick Berry won the foil. This year the top swordsman is Gunnar Elops, in the sabre.

Elops missed the last three matches of the dual season because of illness but is reported to be in good shape.

Teaming with Elops in the sabre event will be Dick Pfeil. In the foil the two Spartan entrants are Art Rollin and Chandler Benton.

John Moffett and Harry Blount will represent the green and white in the epee event.

Coach Charles Schmitter said of the Spartan chances, "We will be stronger with Elops back and should do a good job at the conference meet."

In the 143-pound class Johnson scored his quick, first round TKO over Frank Conklin. Johnson was never in trouble as he scored the victory.

Dick Duddy edged Jerry Mroka in the 148-pound division by two points, 29-27. Duddy won two rounds and the boys shared another.

The closest battle of the night was CHN Elliotts 159-pound win over Walt Jones, 30-29. Elliott won the first round and Jones fought him even the rest of the way but it was Elliott's win.

In the 178-pound class another close fight developed as Don Scott edged Lloyd Swanson, 30-29 also. The boys battled on even terms the first two rounds but Scott squeezed a one point win in the last round to give him the win.

Summaries:  
120-pounds: Herb Austin dec. Tom Wood.  
127-pounds: Jack Ritter dec. Bill Spagnola.  
135-pounds: John Butler dec. Neal Clakkan.  
143-pounds: Bob Johnson tko over Frank Conklin.  
148-pounds: Dick Duddy dec. Jerry Mroka.  
159-pounds: Clifford Elliott dec. Walter Jones.  
167-pounds: Ken Deller forfeit over Ed Killmewski.  
178-pounds: Don Scott dec. Lloyd Swanson.  
Hyatt: Alger Palmer forfeit over Gilbert Wells.

## Notch Overtime Win, 31-29

# West Shaw 4 in Finals

By JERRY LORRI

Avery Collins became the hero of West Shaw 4 by sinking a 2 pointer that shed out a 31-29 decision over Snyder 15 in Thursday's IM basketball action.

Collins' basket, his second of the night, came after the game had officially ended. With West Shaw holding a slim 29-28 advantage with 8 seconds to play Jack Everts drove home what appeared to be the winning tally for Snyder, 31-29.

When the scorebook was totaled it showed an unwarranted point for Snyder 15. This left the score deadlocked at 29 all. IM rules called for a three-minute sudden-death overtime to break all ties.

Both teams were called back West Shaw took the tip-off and each team fired a shot at the basket. With about 30 seconds gone on the clock, Collins slipped past Snyder defenders for the game clincher.

Leading the West Shaw scoring was Pat Wilson, right forward, who pumped in 16, most of them from the outside. Right forward "Red" Bousley was the Snyder ace, cutting across the keyhole with an effective pivot shot to account for 11 points.

Rams, 40; Sphinx 34

Wayne Case, and Dick Berk were the big guns in the Rams lineup as they triumphed over the Sphinx, 40-34.

The Rams broke on top early with a 12-0 first period lead. Case continued to dominate the backboard in the second quarter

while hitting for six points to give the Rams a 19-13 half time lead.

The smooth ball handling of Bill Reid plus the sharpshooting of Ed Wilburn and Al Lee held the Sphinx within striking distance until the final quarter.

But the accurate combination of Case and Berk proved too much for the Sphinx. Case, the scoring was paced by Ed Wilburn 6' 2" center, topped both teams in scoring with 16 points, while teammate Berk hooped for 11. The Sphinx scoring was paced by Ed Wilburn who collected 13 points.

# Weakened Puckmen Face Sioux Tonight

Michigan State's hockey squad starts into the final stretch of the season, when they meet the University of North Dakota in the Ice Arena tonight at 8:00 and Sunday at 2:00 p.m.

The Spartans will enter the series with their two high scorers, Weldie Olson and Doris Mook. Hampered by injuries, both men are favoring the Spartans last Saturday against Michigan Tech.

With the game being held in the Ice Arena, the Spartans are looking for a 3-0-0 record against Michigan.

The puckmen will start out their season with a two game series against Michigan Tech Monday and Tuesday night.

In the first five games of the hockey season, the Michigan State team scored 30 goals, while they didn't reach until the mid-point of the 1953-54 season.

In the latest figures, just released, Olson has a total of 26 goals and 20 assists to lead the team with 46 points. Mook is right behind with seven goals and 16 assists for 23 points.

North Dakota is presently holding down third place in the Western Collegiate Hockey League with a record of 8-5-1, while MSC is in sixth with a 3-11-1 showing.

These statistics do not tell the whole story, however, for the Sioux started out the season with a rush but have been dropping steadily from their former first place in the league.

The Spartans, on the other hand, have posted a record of 2-3-1 in their last eight games, with the slender margin of one point making the differences in all five losses.

Three of these eight contests have been decided in overtime.

## Judiciary Decision

(Continued from Page 2)  
legislation, for instance, are not reported to Dean King. The point, however, is this. The Judiciary is entrusted with making a decision for all branches of student government.

When the case being heard involves student violations of MSC rules, the dean of students gets the Judiciary's recommendations for punishment (or, possibly, acquittal), before the president of student government or members of the Student Congress.

Student government trusts the Judiciary to act without their knowledge; trusts it enough to concur without actually seeing the recommendations submitted to Dean King.

The administration trusts the Judiciary, too. With the reservation of being able to throw out the Judiciary recommendations—which Dean King hasn't done yet—it trusts the Judiciary to act fairly in hearing the explanations of fellow students.

Why, therefore, shouldn't the recommendations of such a trustworthy body (three students appointed by the student government president, representatives from AWS and Men's Council, and Mrs. Lee from the women's division and Robb Gardiner from the men's division) be made known to the student body?

Dean King, although he has reserved the right, has never gone against a Judiciary recommendation. Printing the recommendations can do no harm, then, since no names are used, and because the chances are the recommendations will be upheld.

Just as each case differs in some respects, so each resembles some other in a few or many aspects. Careful recording of Judiciary decisions and the factors involved in arriving at the decision will provide precedent in considering future cases, and equally fair treatment for all.

Publication in the State News of Judiciary recommendations and decisions will insure a lasting record of what the Judiciary has done.

The All-College Student Judiciary has tremendous potentialities. It has the confidence of the student government, and the confidence of the administration. Why not encourage the confidence of the most important group of all—the student body?

Immediate release of recommendations and decisions to the State News, and careful record keeping, will accomplish this end.

## Historian, Critic

# Noted Prof to Speak At Lit Incorporation

Louis I. Bredvold, professor of English at the University of Michigan, will be guest speaker at Lambda Iota Tau's national incorporation dinner Saturday, according to Dr. Warren L. Fleischauer, acting executive secretary of the honorary and MSC professor of English.

Prof. Bredvold is a distinguished literary historian and critic. He is a well-known authority on Restoration and 18th century literature as well as an expert on the works of the 17th century poet, John Dryden.

Now in his 60th year as a teacher of literature, Professor Bredvold has been a member of the University of Michigan since 1921 and a visiting professor of English at Johns Hopkins University, Northwestern University, and University of California.

He is nationally known as the editor of and collaborator on numerous anthologies, and is most widely known for his work, "The Intellectual Milieu of John Dryden."

Prof. Bredvold's speech will climax the honorary's first national meeting. Purposes of the meeting are to establish national headquarters, elect national officers and adopt a national constitution.

Other topics for discussion are the publication of a newsletter and national center for students of English and foreign literature, and the establishment of a placement bureau for active members of the fraternity.

Lambda Iota Tau is a literature honorary for students of English and foreign languages. It originated here on campus Dec. 3, 1953. Since February eight other chapters have been started on other college campuses.

More schools are expected to form groups within the next few weeks, Fleischauer said.

Attending the meeting will be representatives from all nine chapters. They are MSC: Aquinas College; Sioux Falls College, S. D.; Michigan State Normal College; Purdue University, Ind.; Mercy College; Baldwin-Wallace College, O.; University of Detroit and Marygrove College in Detroit.

## Elections

and Pi Beta Phi. Appointees will be announced later.

The new officers will begin their terms in the spring and for one year.

A treasurer and secretary will be elected by the new boards within the first three meetings spring term.

At its weekly meeting, the Judiciary Board handles special permissions and hearings on cases brought before the board by coeds, in addition to conducting a regular business meeting, said Justine Ray, outgoing Judiciary president.

Included in the Judiciary Board are a representative from each women's dorm, three representatives from the sororities, one from the women's co-ops, and one from Panhellen.

Each representative must put in one office hour a week.

"The Activities Board," said Mary Weigle, outgoing Activities president, "co-ordinates all women's activities."

These include the Big Sister program, sponsorship of Lantern Night, co-sponsorship of Helio with Blue Key and STUN and Activities Carnival with Men's Council, plus checking the scholastic eligibility of coeds.

A new duty of the Activities Board this year is supervising queen contests on campus.

## RO Situation

(Continued from Page 1)  
been received on how the Army planned to solve the dilemma.

Capt. Meares had no official information Thursday. But he pointed out that such a statement by Hannah carries a great deal of weight.

The Journal article had reported that full two-year service of the ROTC graduates would require a tremendous new force-out program, and that Defense officials had indicated they wished to avert this.

Theoretically, taking the 1954 ROTC graduates for 18-month to two-year terms would involuntarily eliminate thousands of reserve officers now on active duty. How the Army plans to handle the ROTC graduates is still an official mystery, however.

Last week, for instance, a communique from Lt. Gen. W. B. Kohn, commanding officer of Fifth Army, to Hannah guaranteed commissions to all graduates. But it pointed up the active duty mystery.

"The final decision has not been made, at this time, as to how they will be called to active duty," the letter said.

Hannah has cleared the matter up to some degree, but a final decision is still forthcoming.

## Gladiolus Convo To Start Today

A three-dimensional look at new gladioli will be featured today at the Gladiolus Growers of Michigan conference at Kellogg Center and the Union.

Stereoscopic pictures will be shown at the conference, which is expected to bring about 100 Michigan horticulturalists to the campus.

## Group to Attend Detroit Economic Club Luncheon

Seven journalism majors and two instructors will travel to Detroit Monday to attend a luncheon meeting of the Detroit Economic Club.

Main speaker will be Russell Haines, Associated Press war correspondent, whose topic will be "Washington and the World Struggle."

The students are James Angell, Phil Gunby, Ford Slater, Bill Vincent, Ed Danville, Harry Matych and Nick Vista.

## Married Students Move to New Unit

Four families had moved into the third unit of the married housing development by Wednesday, according to Ray D. Lamphear, manager of married housing. One family moved in previous to these.

Of the three units in the development, the third apartment building is unfurnished.

## A JOB IS A JOB IS A JOB WHEN YOU GET IT OR the case of the six-cent patsy

Once there was a Senior who was up against the grim prospect of Graduating. With Social Security 42 years away, he recognized the need of a job to Tide Him Over. So he borrowed manfully through Classified Sections, under "Help Wanted", in search of the Right Niche. Spotted it, too. A honey. The right field, a Substantial Salary, fine location, pensions and benefits Up To Here. The ad asked for Brief Histories from applicants. He wrote immediately. Not cockily but convincingly. A masterpiece that took four nights and filled several pages with Deathless Prose. It left no doubt that here was The Man for the Job. He slapped on a 6-cent stamp, dropped it into the box, and sat back waiting for The Call. P.S.—he didn't get the job. His package wound up 334th in the pile, and he never got down that far. First one of the first eight, as a matter of fact—did whom had had enough. Presumably, he had the data by telegram and mail. On Top of the Heap. Before you start picking legs to be sure to latch onto your first try, the Telegramman. Western Union's ingenious pocket-size guide is a graph user. ## ENGINEERS

## will conduct PERSONAL INTERVIEWS on campus March 9 and 10

Group Meeting will be held at 4:00 p.m. March 8

Boeing has many positions open for graduate and graduate students. These opportunities are in all branches of engineering (AE, CE, EE, ME and related fields). Also needed are physicists and mathematicians with advanced degrees.

Fields of activity include DESIGN, RESEARCH, and development. Your choice of location: Seattle, Washington or Wichita, Kansas.

A group meeting, first day of campus visit, will provide personal interviews. Details of openings, nature of assignments, company projects, etc., will be explained. Married students are invited to bring their wives.

Come and learn about these excellent opportunities with an outstanding engineering organization—developmental builders of the B-47 and B-52 multi-jet bombers, America's first jet transport and the world's first jet-powered aircraft project.
