Governor Speaks to Faculty

Sees Increases
In Grants Likely

By BOB HERMAN
State News Associate Editor

Governor G. Mennen Williams suggested Monday night that the law of supply and demand might help to get more funds for higher education in Michigan.

With 200,000 unemployed, there are help wanted for several thousand in the specially trained groups," Williams told the MSC chapter of the American Association of University Professors.

An effort to train more people in fields where personnel shortages exist will help increase funds available to higher education, Williams said.

Grants to state-supported schools in Michigan have increased from an average of \$321 per student in 1939-1940, to \$913 per student for this school year.

Even considering the decreasing value of the dollar, Williams said, this is an increase of 82 per cent in actual aid to schools.

Although in previous years the state has been in financial difficulties, Williams said, it was a matter of adding new services with increased funds available to the state this year through tax reforms.

In a question-and-answer period later, the Governor suggested a desire to increase the political literacy of students as a major motive behind passage of the bill requiring three semester hours of political science of each student graduating from a state institution after June 15, 1956.

U of M Cadets To Observe Parade Units

Three advanced AFROTC cadets from the University of Michigan will inspect MSC's AFROTC detachment today, according to Cadet Major Bud Howard, special projects officer at MSC.

The U of M's AFROTC Wing Commanding Officer, and his personal staff will make an informal inspection of Wing headquarters, observe the pre-parade briefing of officers, and review the parade at 4:30 p.m.

The U of M cadets will arrive at 10 a.m. and be luncheon guests at noon in Lansing.

This inspection was initiated by Cadet Col. John Abell of MSC to improve relations between the AFROTC units of the two colleges and to provide for the exchange of ideas between the units.

NEWS IN BRIEF

T-H Revision Sought

WASHINGTON (AP)—Sen. Lehman (D-Lib-N.Y.) poised the threat of a possible filibuster by Southern members Monday at the outset of Senate debate on proposed revision of the Taft-Hartley Labor Law. His Amendment would make it an unfair labor practice for either a union or an employer to discriminate against an employee "because of race, creed, color, national origin or ancestry."

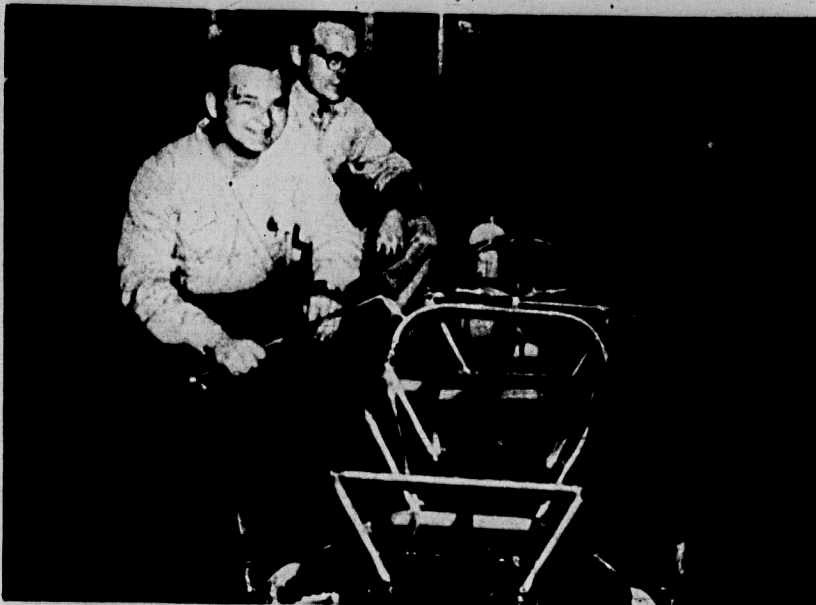

Jury Recedes

WASHINGTON (AP)—A jury of eight high-ranking Army officers Monday deliberated 5 hours and 22 minutes on collaboration with the enemy charges against Cpl. Howard S. Dickenson and then recessed until Tuesday without reaching a decision.

Athletes Watched

WASHINGTON (AP)—Rep. Hess (R-Ohio) said Monday the Army has notified him that hereafter it intends to monitor the service careers of inducted professional athletes to guard against "special assignments."

Banquet to Honor
Athletic Director

Today has been designated Ralph Young Day.

"No man in recent years has done more to promote collegiate athletics than Ralph H. Young, MSC's athletic director," said Governor G. Mennen Williams in a proclamation designating Tuesday, May 4, as Ralph Young Day.

Young will be honored tonight at a testimonial banquet in Lansing.

After thirty-one years at MSC, Young plans to start a 12-month furlough in June, at the end of which he will retire.

In his student days, he learned his football under two great coaches, Alonzo Stagg and Fielding H. Yost. He came to East Lansing in 1923 as "head" coach of all sports, later to become athletic director.

"Michigan State College is indebted in no small degree to his untiring efforts for its rise from near-obscurity to a place of recognized importance in the athletic world," said Gov. Williams.

But not all of his work was for MSC. With Knute Rockne of Notre Dame and Conrad J. Jennings of Marquette, he founded the Central Collegiate Conference, which functions mainly in track competition.

"Twice he has been associated with U. S. Olympic teams as assistant track coach in Los Angeles in 1932, and as assistant treasurer of the 1952 Helsinki Games," Williams said in his proclamation.

Young will serve with the track and field committee for the 1956 Olympics in Melbourne, Australia.

Campus Cavalry Livened Early ROTC

By ALLEN SCHUSTER

Today's ROTC cadets may rival the efficiency of their counterparts in the days of the MSC Cavalry, but oldsters favor the earlier ROTC unit for glamor.

"With 60 horses and sabers flashing in the sun, the ROTC never looked better," recalled Ralph Porter, retired master sergeant, who was a regular army cavalry instructor when the unit was first organized at MSC in 1919.

Primary Thursday Class Officer Race Draws 60 Entries

By MYRA McPHERSON

Sixty students are running for sophomore, junior and senior class officers in this year's elections.

There are 70 candidates signed up to run for Student Congress positions. Congress reports 14 openings, according to Janice Dempsey, elections commissioner.

Primary elections will be run off Thursday for both the class and Congress elections with the voting deadline set at 5 p.m., according to Miss Dempsey.

Final elections will be conducted the following Thursday, May 13.

Twelve Congress members will automatically be seated because not enough candidates petitioned for the positions. Miss Dempsey said, although deadlines for turning in petitions had been extended to Monday.

Congress members seated without election are:

Bill Wurm and Harry Grant, East Shaw, who were uncontested for the two seats from this district; Ted White and William Conrad, Butterfield; John Conolly and Kies Hagardorn; Phillips, Diane Broersma, East Mayo; Jean Welch, North Williams; Holly Heinze, men's co-ops; Ann Louise Nelson, North Campbell; and Morley Murphy, Patrick Callahan and Gene Vivitor Elliot, married housing.

Only one opening, the fourth representative for married housing, was not filled because just three candidates turned in petitions.

All class officers with the exception of junior class secretary and sophomore class treasurer will have primary elections. For primary elections there must be more than two candidates. There are more than two candidates. There are more than two candidates.

The candidates for junior class secretary are Mary Alice Ritchlin, Baiting, N. Y., and Sandra Swanson, Birmingham. Sue Rafferty, Detroit, and Pat Tavenner, Lansing, are the two hopefuls for the sophomore treasurer post.

Senior class president candidates are: Tom Aquino, Rochester, N. Y.; Doug Coulter, Grosse Pointe, Mich.; and Gerald Peter-

son of Lansing, bought a horse for \$75 in 1935 from the county health department. The animal was trained so well that the Army picked it as part of its Olympic jumping team for the 1936 Berlin competition," added Porter.

During Farmers Week the cavalry students put on exhibitions which included bucking barrel contests, musical chairs on horseback and timed night rides.

The spirit of the MSC cavalry was portrayed in a story told by Col. Dorsey R. Rodney, present MSC military coordinator and former ROTC commander from 1930-35 and in 1943.

"Some fellows from another school came around preaching subversive stuff. The cavalry men threw them into the Red Cedar. We didn't have any more such preachings," Rodney explained.

Summer camp training meant a two day ride to and from Fort Custer. The student cavalryman was instructed in mounted combat with pistol and saber, plus training in riding and jumping.

Mechanization at the beginning of World War II closed the cavalry days at MSC.

Indochina Foes to Meet At Geneva Peace Table

Hearing Limitation Discussed

Dirksen Sponsors
More for Speed Up

WASHINGTON (AP)—Sen. Dirksen (R-Ill.) said Monday night "serious consideration" is being given to limiting further testimony in the McCarthy-Pentagon hearings to Secretary of the Army Stevens and Sen. McCarthy.

Dirksen said he sponsored a motion adopted at a closed meeting of the Senate investigating committee to have counsel for all interested parties canvass methods of speeding up the hearings.

One of the proposals to be studied, the Illinois senator said, was suggested by Joseph N. Welch, counsel to the Army side in the disputes.

This calls for paring the testimony to the two chief contestants.

Monday night's speed-up meeting was held after John G. Adams, Army counsel, took the stand briefly for the first time and sharply debated with McCarthy the meaning of a press release.

In the wake of this exchange, Secretary of the Army Stevens denied any knowledge that Adams—as the McCarthy side charged—made threats to issue a "smear" report against McCarthy's chief counsel, Roy M. Cohn, early this year.

Stevens did some denying of his own, too.

George Beech Wins Award In Literature

George T. Beech, Lansing senior, was chosen recipient of the 1954 Literature and Fine Arts Scholarship.

The \$100 scholarship, instituted by former members of the department of literature and fine arts at MSC, is presented to give encouragement to students who show promise of distinguished work in literature, music or the fine arts, according to John F. Taylor, professor of philosophy and chairman of the scholarship committee.

Beech, son of Mr. and Mrs. J. H. Beech, of 917 North Chestnut, Lansing, will receive a bachelor's degree in German language and literature in June. In connection with his major subject, he has pursued minor studies in medieval history.

Senior French Hornist To Present Recital

Robert Kriner, Norfolk, Va., senior, will present a three-part French horn recital Tuesday at 8 p.m. in the Music Auditorium. He will be accompanied by Alan Curtis, Mason, junior. A string quartet will play in the closing number, "Quintet for Horn and Strings" by Mozart.

Get 365 Pints Blood Drive Lacks All-College Support

By DONN SHELTON

The 1954 Army-Air Force ROTC all-college Blood Drive wasn't quite what the name implied during its first day of donations, Monday.

Of the 365 pints of blood collected during the day, all but about 10 came from ROTC cadets.

Blood drive officials were satisfied with the cadet turnout for the first day but disappointed about the all-college aspect of the drive.

They stressed that anyone is welcome to contribute to the drive. Officials estimated that 90 per cent of the MSC students are able to contribute.

Last year the combined forces collected 1,246 pints in a drive that was restricted to cadets.

This year the drive was opened to all students and faculty in an effort to increase the total contributions.

Of the donors that were scheduled to donate, 46 per cent of the Air Force cadets contributed and 37 per cent of the Army cadets, putting the air cadets unofficially ahead in their rivalry.

Monday afternoon the Campus Matinee show on WKAR-TV was devoted to the blood drive. Officers of the blood drive and ROTC officials appeared on the show and discussed the drive and the blood donating process.

Ken Richards, co-chair of the show, and Mary Ann Van Buren, Fulton, N. Y. senior, donated blood during the air time of the show.

Jack Kurney, Adrian, junior, was awarded a Gallon Club pin for contributing his ninth pint of blood during Monday's donations.

Founders Day Banquet Held By Fraternity

The Gamma Tau chapter of Alpha Phi Alpha celebrated its sixth anniversary at a Founders Day banquet held May 1 in the Union Ballroom.

President John A. Hannah was a guest speaker at the banquet. Alpha Phi Alpha will celebrate its centennial next year. Other speakers at the dinner included Dr. David Dickson, associate professor of English, Bob Gardner, assistant dean of students, David Hyman, president of student government, and Bill Reid, national undergraduate vice-president of Alpha Phi Alpha and president of Gamma Tau chapter.

Red China Co-Signs Invitation

Talks on Korea
Show Few Results

GENEVA (AP)—The antagonists in the bitter jungle war of Indochina probably will face each other across a Geneva conference table within the next three days, it was believed Monday.

Official French sources said the two most imposing obstacles to the peace parties had been removed.

The Russians agreed to send the invitation to the Communist-led Vietnamese rebels and the Vietnamese formally agreed to meet their enemies provided no recognition of the Vietnam regime as a state was implied.

The Russian invitation will be counteracted by Red China's Foreign Minister Chou En-lai, the French said, but that is a face-saving gesture granted to Chou by the Soviet Union.

The Western, and particularly U. S. insistence that Red China could not be recognized as an inviting power at this conference was rejected.

It is expected in conference circles that when the peace talks get under way, Soviet Foreign Minister V. M. Molotov may ask to have India included. But it is not believed he will press the point to the extent of wrecking the parties. The United States is opposed to the participation of India.

Vietnamese Foreign Minister Nguyen Quoc Dinh was scheduled to leave for Paris Monday night by train for last-minute consultations.

Fresh Troops Hit Dien Bien Phu

HANOI, Indochina (AP)—The Communist-led Vietnamese rushed up fresh troops in long columns of trucks Monday night to the field around the besieged French fortress of Dien Bien Phu after calling off its third heavy and sustained assault on the hedgehog defenses.

Hundreds of Russian-made Molotov trucks, chauffeured by Chinese, were spotted moving into the encircling hills Monday night, their headlights gleaming.

The Red-led Vietnamese troops unaccountably halted their third big do-or-die attack Sunday night, after making savage headway into the encircling barbed wire strong points.

With Prince Bui Loc, premier of the war-torn Indochinese state of Viet Nam.

The conversations of Korea resumed Monday though officials saw little hope of settlement.

Delegation deputies are to carry on the Korean talks concurrently with the conference in Indochina.

A Soviet spokesman said Monday night the Vietnamese regime had accepted the invitation to the peace parties and would arrive within the "next few days."

He said Chou had countersigned the Russian invitation because Britain and the United States had joined France in inviting the three associated Indochinese states of Vietnam, Laos and Cambodia.

U. S. Secretary of State John Foster Dulles, who left Monday for Milan and Washington, expressed the hope the Indochina phase of the conference would be organized quickly and would lead to peace.

But he added, "Peace in Indochina will be more readily obtained if it can be fitted into a framework of collective security."

Golfers Defeat Irish, 15½-11½

The Spartan golfers collected their third straight win as they rolled by Notre Dame Monday, 15½-11½.

It marked the second year in a row that the State golfers humbled the Irish and again it was by a narrow margin.

Teeling off at 8:30 a.m. in a bitter cold wind, the State squad battled four and one-half hours to bring home a draw in the doubles matches.

The Irish jumped in front early as Jim Terry and Ed Gerschwin combined for a 74, which was good for 2½ points. Bill Albright and Bill Dittich fired a 75 for State which counted for one-half point.

Dave Mancour and Bob Rivest teamed for a 76 on the State side, but Notre Dame's John Foley and Paul Minnich matched it. Each team added 1½ in the second match.

In the final doubles event, Hal Ware combined talents with Ken Rodewald for a 75 to capture 2½ points and a draw for State in that event. Their South Bend opponents, Bob Gerst and Bob Filback took one-half for their 78 swings.

The afternoon singles matches saw Albright come home in 74 strokes to win, 3-0, and carry off medalist honors for the Spartans. Albright dropped Notre Dame's Terry by eight strokes. The cold weather had a pronounced effect on the lanky Irish ace who covered the Walnut Hills course with a par 72 the day before.

In the number two spot, Mancour and Minnich fought a close duel. The State linkster carded an 83 to top Minnich by two. The Spartans tallied two points against one for Notre Dame.

Gerschwin, brightened Irish hopes by pointing out a 3-0 win over Ware. The number three man for Notre Dame turned in an 82 round while Ware finished in 87 strokes.

Coming home with a cool 77 performance, Rodewald managed to blank his opponent Foley, 3-0. The Irish golfer turned in an 82 scorecard.

In the fifth singles match Gerst finished the eighteen hole route with an 81 to edge Rivest's 85 stroke effort, 3-0.

With State leading by one point going into the last match, Dittich hooked out for a creditable 79 to fashion a 3-0, verdict over Filback. The South Bend cover covered the course in 85 shots.

The State men capped four of the six singles matches in chalk-up of their third straight in the victory column.

Captain Van Alynne was pleased by Albright's performance, but commented that both teams were handicapped by the cold weather.

Van Alynne's squad leaves by plane Thursday for Madison, Wis., where they open their Big 10 campaign against the Badgers at Maple Hill golf course.

On Saturday the Spartan golfers move on to Marquette for an eighteen hole match at North Hills.

The Iuksmen return home for their second Big 10 engagement when they meet Northwestern on Monday at Walnut Hills.

Johnny Pesky of the Detroit Tigers has played 1,201 American League games. His lifetime average is .309.

Weightlifters Win Two Firsts

MSC's weightlifters took two firsts in a Tri-State meet held at Notre Dame Sunday afternoon. Notre Dame and Kentucky were the other entries.

Nick Gavria and Dave Austin captured firsts in the Middleweight classes respectively.

Harry Esling took third in the Medium Heavyweight. N. E. L. Blakken second in the Featherweight and Reynolds Smith third in the Light Heavyweight.

Three Olympic lifts were used in the competition.

Cleveland's Bobby Avila jumped to fourth with 355, an increase of 22 points achieved on 9-for-25.

Coach Van Alynne was pleased by Albright's performance, but commented that both teams were handicapped by the cold weather.

Softball Tilts Highlighted By Pitching

No-Hitter Included As Hurlers Sparkle

Pitching was the highlight of Monday's intramural softball games with a no-hitter, one-hitter, two two-hitters, and two three-hitters being hurled.

John Nutterback pitched the no-hitter for Snyder 13 as it shutout Snyder 14, 2-0. Nutterback faced only 17 batters and only two men reached first base on walks. Chuck Curlee drove in both of the winner's runs with a triple.

On the strength of Ziggy Goryzko's one-hit pitching, East Shaw 8 defeated East Shaw 6, 7-0, although the winners managed only five hits.

Sigma Chi 5: Delta Tau Delta 1. Sigma Chi scored three runs in the first inning and then coasted to a 5-1 win over Delta Tau Delta as Mark McIntosh pitched a two-hitter.

Snyder 15, 3; Snyder 11, 0. Snyder 15 cracked out 14 hits and Don Zeuder pitched three-hit ball in downing Snyder 11, 3-0. Zeuder connected for a double and single to drive in all the runs.

East Shaw 9, 16; East Shaw 7, 3. East Shaw 9 smashed out a 16-3 verdict over East Shaw 7 with Al Cornet and Bob Trumbo leading the winners' attack. Bob Mitchell hit a home run, triple and single for the losers.

Phillips 2, 8; Phillips 6, 7. Dick Rose drove in the winning run with a single in the last of the fourth inning as Phillips 2 edged Phillips 6, 8-7.

Psi U 3: Zeta Beta Tau 2. Four walks and an error added up to three runs for Psi U in the fourth inning and a 3-2 victory over Zeta Beta Tau. Ted Toback pitched a two-hitter in a losing cause.

Snyder 17, 5; Snyder 10, 4. Pitcher Dale Hoppert won his own game by driving in the winning run with a long fly in the last inning as Snyder 17 downed Snyder 10, 5-4.

East Shaw 10, 7; East Shaw 2, 2. Don Nielson collected three hits and drove in three runs to pace East Shaw 10 to a 7-2 win over East Shaw 2.

In other games, East Shaw 5 won over East Shaw 1 by forfeit as did Snyder 18 over Snyder 12. West Shaw 1 over West Shaw 8 and West Shaw 4 over West Shaw 9.

The West Shaw 4 West Shaw 9 game was a double forfeit.

Campanella, hitting only 167, chipped the bone seven weeks ago during an exhibition game at Miami.

Campanella said he would enter Long Island College Hospital Tuesday. He added that he expected to be out of action three or four weeks.

Brooklyn's Duke Snider is fourth with 385, and Don Mueller of the Giants, fifth at 381.

With Al Rosen taking over at first base for the Indians, Glynn had only one at bat during the week and his average fell 13 points. Tuttle, tied for second a week ago, went 6 for 15 and advanced to within two points of the top.

Billy Goodman of the Red Sox, who won the batting crown in 1950, ranked third with 370. Fourth last week, Goodman connected four times in 11 trips and suffered a two-point decline.

Cleveland's Bobby Avila jumped to fourth with 355, an increase of 22 points achieved on 9-for-25.

Coach Van Alynne was pleased by Albright's performance, but commented that both teams were handicapped by the cold weather.

TUESDAY, MAY 4

Carl Rintz established himself as one of the top gymnasts in the country and the best in the Big 10 with his performance in the NAAU Championships, held over the weekend in California.

Rintz placed sixth in the all-around event and third on the horizontal bar in the weekend meet.

His sixth place, against seasoned competitors from all over the country, ranks him as the sixth top gymnast in the nation.

He was the top Big 10 performer in the meet to reaffirm his position as the top gymnast in that conference.

Earlier in the week he was elected captain of the 1955 MSC gymnastics team by his teammates. He will be a senior.

In the Big 10 championships this year he won two titles and tied for another.

Williams May Be Ready For Pinch-Hitting Soon

BOSTON (AP) — Ted Williams went through his first heavy batting practice with the Boston Red Sox squad Monday, and it was reported that the injured slugger may be ready to pinch hit in games with Washington this weekend.

Observers at the practice commented that Williams did not once favor the shoulder he injured in spring training.

Hitting Aids Baseballers' Rise

Prompted by the hard Spartan hitting against Illinois and Purdue over the weekend, Baseball Coach John Kobs went out on the limb Monday.

"If we continue hitting anywhere near our present pace, we'll be right up there with the conference leaders all the way," he said.

Currently in second place—one game behind Michigan—the Spartans are off to their best start in four Big 10 seasons.

The Kobsmen blasted the Illinois and Butlermaker pitchers for 31 hits and 31 runs to boost the team batting mark to a stratospheric level.

Wherever You Go In Engineering you'll find LUFKIN Measuring Tapes

In every industry engineers need specialized measuring equipment—that's why Lufkin, world-wide specialist in measuring devices, makes nearly 8,000 different tapes, rules, and precision tools.

In highway, railroad, oil, mining, surveying, forestry, and construction work, engineers specify Lufkin "Chrome Clad" steel measuring tapes to get the most on-the-job durability. In camp, brush, desert, gravel pits, and wherever a tough dependable tape is an absolute must, Lufkin "Michigan" bubble metal chain tapes are preferred. City engineers and construction engineers use the Lufkin "Weatherman." The line in the Lufkin "Weatherman" is the same weight as chain tapes, but subdivided throughout, making it ideal for heavy field work. Lufkin "Lucas" mine tapes resist rust and corrosion. In the oil fields "Chrome Clad" tapes are standard as they withstand hard use, fumes, and corrosion—they are used for gaging, tank stripping, and measuring standing casing.

Wherever You Go In Engineering you'll find LUFKIN Measuring Tapes

In every industry engineers need specialized measuring equipment—that's why Lufkin, world-wide specialist in measuring devices, makes nearly 8,000 different tapes, rules, and precision tools.

In highway, railroad, oil, mining, surveying, forestry, and construction work, engineers specify Lufkin "Chrome Clad" steel measuring tapes to get the most on-the-job durability. In camp, brush, desert, gravel pits, and wherever a tough dependable tape is an absolute must, Lufkin "Michigan" bubble metal chain tapes are preferred. City engineers and construction engineers use the Lufkin "Weatherman." The line in the Lufkin "Weatherman" is the same weight as chain tapes, but subdivided throughout, making it ideal for heavy field work. Lufkin "Lucas" mine tapes resist rust and corrosion.
